

# Educational Standards Cabinet January 2013

# Key Stage 4 Performance

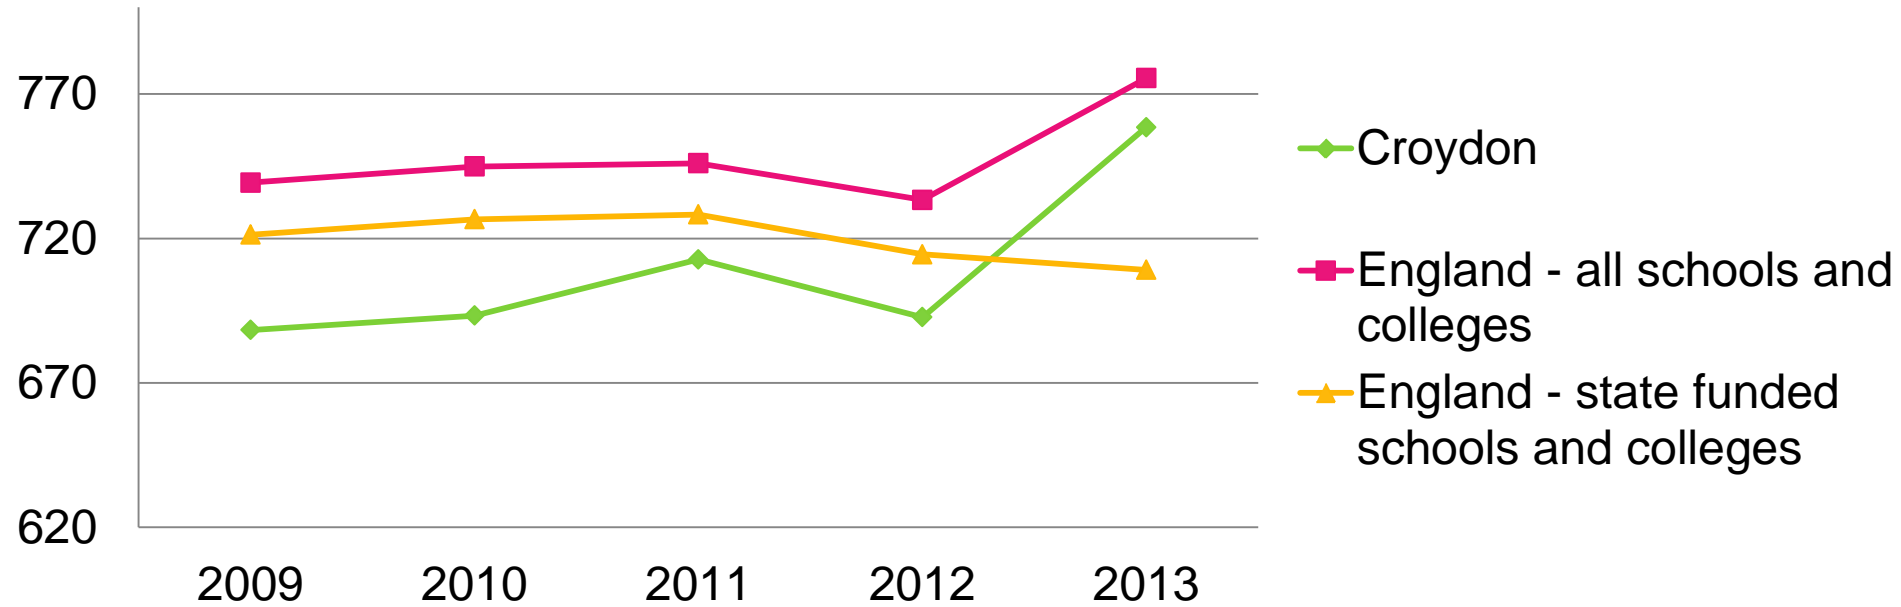

# Performance of selected groups at KS4

## % achieving 5 A\*-C GCSE including Eng & Maths

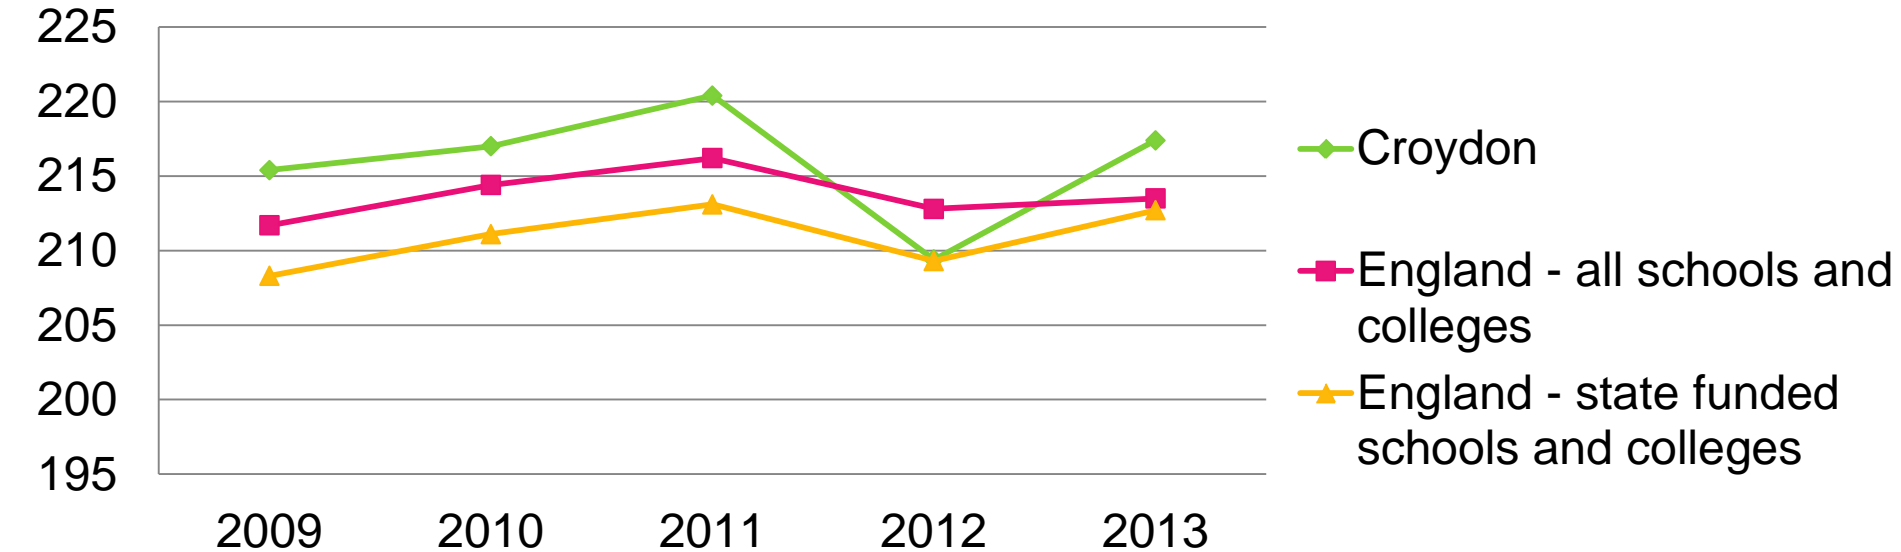

# Post-16

## Average point score per student

## Average point score per examination entry

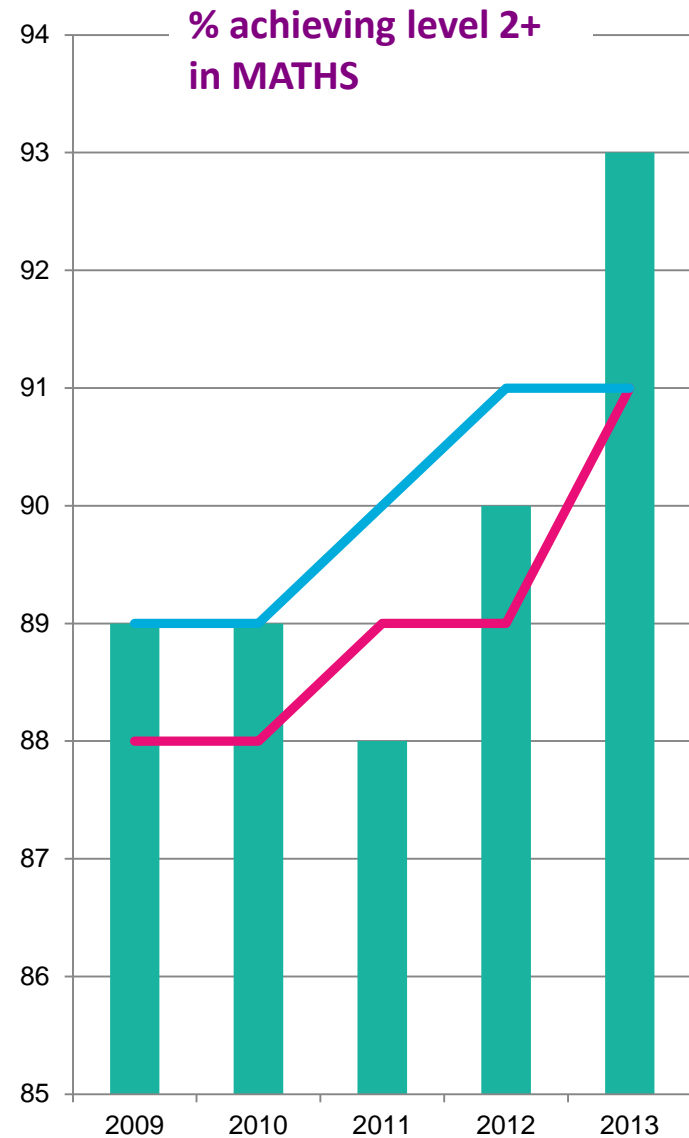

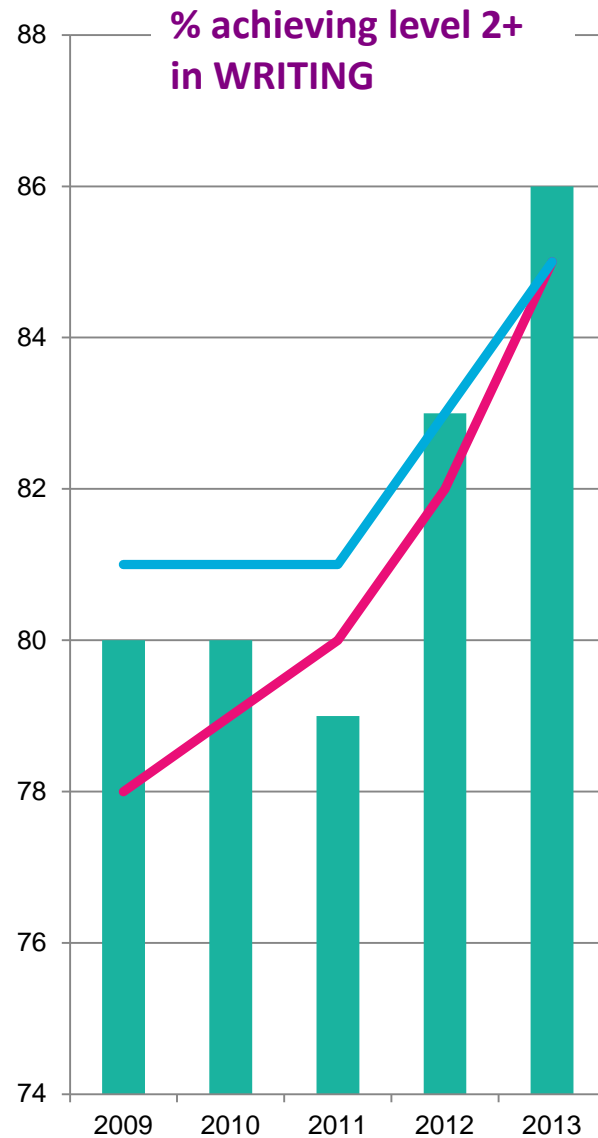

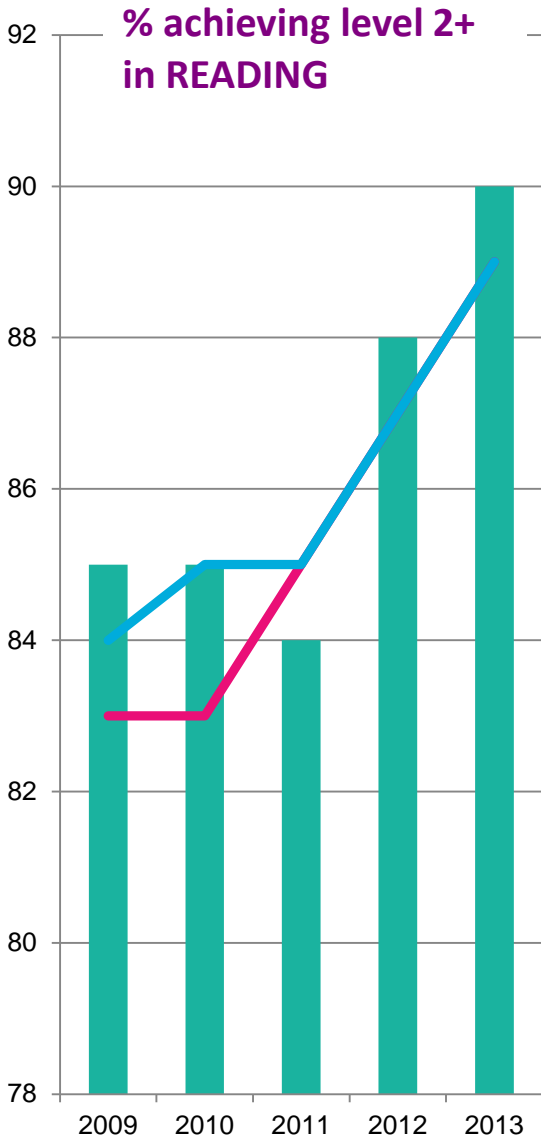

# Early Years

- Croydon performance in previous years was better than national and statistical neighbours
- A new assessment methodology was used in summer 2013, which assesses ‘a Good Level of Development
- 46% of Croydon children reached a GLD (c.f. national 52%, and statistical neighbor average of 52%)
- Outcomes may be due to overcautious teacher assessment using the new methodology
