Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. Policy 31.2 should be read in conjunction with Policy 7.4 of the London Plan and Paragraph 58 of the National Planning Policy Framework. The Purley District Centre is one of areas with high level of accessibility to public services, including transport, and therefore suitable to accommodate its share of sustainable growth. The proposed landmark building, significantly taller than predominant up to 8 storey urban fabric, would maximise use of the sustainable location of the district centre, strengthen recognition and importance of Purley in the borough and also on the southern approach to Central London. Since consultation in 2013, the Further Alterations to The London Plan (FALP) were adopted which incorporate a significant increase in housing target from 1330 to 1435. Furthermore the London Plan is clear that this target should be considered as minimum. The partial review of Croydon Local Plan (CLP 1.1) set the strategy to accommodate growth within urban area. The currently proposed landmark scheme in Purley is 16 storeys high. It received positive recommendation from officers and the Planning Committee

3095/01/001/DM40.1/O Mr Paul Kelly

Object

DM40.1

DM40.1 - A 16 storey skyscraper would be totally out of character with the rest of Purley town centre. It would tower over the main Brighton Road, totally dominating the area, which would be entirely inappropriate.

11.121 - Tall buildings are not suited for the local area. They would diminish the character of a predominately low-rise residential area.

No change

Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. Policy 31.2 should be read in conjunction with Policy 7.4 of the London Plan and Paragraph 58 of the National Planning Policy Framework. The Purley District Centre is one of areas with high level of accessibility to public services, including transport, and therefore suitable to accommodate its share of sustainable growth. The proposed landmark building, significantly taller than predominant up to 8 storey urban fabric, would maximise use of the sustainable location of the district centre, strengthen recognition and importance of Purley in the borough and also on the southern approach to Central London. Since consultation in 2013, the Further Alterations to The London Plan (FALP) were adopted which incorporate a significant increase in housing target from 1330 to 1435. Furthermore the London Plan is clear that this target should be considered as minimum. The partial review of Croydon Local Plan (CLP 1.1) set the strategy to accommodate growth within urban area. The currently proposed landmark scheme in Purley is 16 storeys high. It received positive recommendation from officers and the Planning Committee

I am greatly concerned at some of the proposals for Purley, which if implemented, would be seriously detrimental and degrade local amenities. Specifically:

1.The proposal for a 16 storey skyscraper (which for some reason is not specifically mentioned in the plan) is wholly inappropriate. The site is unsuitable for such a building, which would not fit in with the area. Elsewhere the plan clearly envisages height restrictions on development to preserve the character of the area. These restrictions need to be consistently applied and include the Council's own vanity projects. The roads to the sides of the site already suffer from congestion at and outside peak times and the additional traffic generated could not be reasonably accommodated. The proposed building has insufficient car parking for it residents and other tenants and this will put further pressure on parking in the centre of Purley. This is not helped by the Council's intentions to reduce parking elsewhere. The residents of Purley do not deserve to have their suburb wrecked in this way.

Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. Policy 31.2 should be read in conjunction with Policy 7.4 of the London Plan and Paragraph 58 of the National Planning Policy Framework. The Purley District Centre is one of areas with high level of accessibility to public services, including transport, and therefore suitable to accommodate its share of sustainable growth. The proposed landmark building, significantly taller than predominant up to 8 storey urban fabric, would maximise use of the sustainable location of the district centre, strengthen recognition and importance of Purley in the borough and also on the southern approach to Central London. Object

DM40.1

A 16-floor building in the centre of Purley is not only objectionable for aesthetic reasons, being quite disproportional in height to the surrounding buildings, but housing such a large number of people at this spot will surely greatly increase the rush-hour traffic (both pedestrians and vehicles) at what is already a very congested junction.

No change

Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. Policy 31.2 should be read in conjunction with Policy 7.4 of the London Plan and Paragraph 58 of the National Planning Policy Framework. The Purley District Centre is one of areas with high level of accessibility to public services, including transport, and therefore suitable to accommodate its share of sustainable growth. The proposed landmark building, significantly taller than predominant up to 8 storey urban fabric, would maximise use of the sustainable location of the district centre, strengthen Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. 3125/01/003/DM40.1/O	Mr Kevin Hanley	Object	DM40.1	<p>I am also opposed to the building of any high building in Purley which would be completely out of keeping with the area. Croydon's planning permission team seem to have lost their minds in allowing the awful tall purple structure to build on Wellesley Road. Everyone I know thinks it is an eyesore, and even strangers on the train I overhear refer to it as a monstrosity. It does nothing to enhance Croydon's reputation when awful and short sighted building is allowed. On this basis that all the high rise flats are being built on the back of the biggest credit bubble in human history that is going to fall apart in the next few months, I suggest it is better to make a plan for the next 100 years and therefore the protection of our wild areas and communities should be placed ahead of the need for more short term profits and buy to let flats which will be left empty once the next credit bubble pops, and become nightmares in the style of Le Corbusier.</p>	No change	<p>Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. 3234/01/003/DM40.1/O Mr Peter Newman

Object

DM40.1

I specifically object to:  
DM40 The skyscraper is out of character with Purley or do you want to create a precedent for future high rise development. This is greedy developer driven and you are in thrall to these people at the expense of ordinary citizens. High rise has been discredited everywhere and many 60's blocks have been demolished thank God. Just because its mixed development doesn't excuse it. The developers have done the math and want the greatest height they can get away with.

No change

Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. Policy 31.2 should be read in conjunction with Policy 7.4 of the London Plan and Paragraph 58 of the National Planning Policy Framework. 3260/01/001/DM40.1/O Wayne Starr

Object

DM40.1

The building of a 16 floor tower in the middle of Purley would be detrimental to the area. Purley has many problems with over development already. Many fine buildings have been bulldozed and the area seems to be deliberately left to run down. I beg the council to rethink this policy as it will destroy what was and could be again a perfectly acceptable low rise and vibrant community. The solution to housing/office space is seldom vertical as was proven during the late 1960's and 70's

No change

Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. DM40.1

I strongly oppose the building of 16 storey skyscrapers in Purley. This would be an eyesore and totally out of character for the area.

No change

Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. Policy 31.2 should be read in conjunction with Policy 7.4 of the London Plan and Paragraph 58 of the National Planning Policy Framework. The Purley District Centre is one of areas with high level of accessibility to public services, including transport, and therefore suitable to accommodate its share of sustainable growth. The proposed landmark building, significantly taller than predominant up to 8 storey urban fabric, would maximise use of the sustainable location of the district centre, strengthen recognition and importance of Purley in the borough and also on the southern approach to Central London. Since consultation in 2013, the Further Alterations to The London Plan (FALP) were adopted which incorporate a significant increase in housing target from 1330 to 1435. Furthermore the London Plan is clear that this target should be considered as minimum. The partial review of Croydon Local Plan (CLP 1.1) set the strategy to accommodate growth within urban area. The currently proposed landmark scheme in Purley is 16 storeys high. It received positive recommendation from officers and the Planning Committee

Please note my objections to planning Policy DM40

No change

Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. Policy 31.2 should be read in conjunction with Policy 7.4 of the London Plan and Paragraph 58 of the National Planning Policy Framework. The Purley District Centre is one of areas with high level of accessibility to public services, including transport, and therefore suitable to accommodate its share of sustainable growth. The proposed landmark building, significantly taller than predominant up to 8 storey urban fabric, would maximise use of the sustainable location of the district centre, strengthen recognition and importance of Purley in the borough and also on the southern approach to Central London. Since consultation in 2013, the Further Alterations to The London Plan (FALP) were adopted which incorporate a significant increase in housing target from 1330 to 1435. Furthermore the London Plan is clear that this target should be considered as minimum. The partial review of Croydon Local Plan (CLP 1.1) set the strategy to accommodate growth within urban area. The currently proposed landmark scheme in Purley is 16 storeys high. It received positive recommendation from officers and the Planning Committee

As a resident of Purley Knoll (No 23) in Purley I write to make representations against the proposed 16-storey tower development at Purley Cross (as part of the Purley Baptist Church). I strongly oppose this development – inappropriate to the character of Purley which poses deep challenges to already congested roads and services and the local environment. I list below some points of objection:

Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. Policy 31.2 should be read in conjunction with Policy 7.4 of the London Plan and Paragraph 58 of the National Planning Policy Framework. The Purley District Centre is one of areas with high level of accessibility to public services, including transport, and therefore suitable to accommodate its share of sustainable growth. The proposed landmark building, significantly taller than predominant up to 8 storey urban fabric, would maximise use of the sustainable location of the district centre, strengthen recognition and importance of Purley in the borough and also on the southern approach to Central London. Since consultation in 2013, the Further Alterations to The London Plan (FALP) were adopted which incorporate a significant increase in housing target from 1330 to 1435. Furthermore the London Plan is clear that this target should be considered as minimum. The partial review of Croydon Local Plan (CLP 1.1) set the strategy to accommodate growth within urban area. The currently proposed landmark scheme in Purley is 16 storeys high. It received positive recommendation from officers and the Planning Committee

- in a survey relating to the proposed development in excess of 2,500 people have pledged their opposition to the 16 storey tower block that would form part of this development of 200 homes. Furthermore some 97% of those who left a comment on the developers own website stated they were against the tower block. Surely with such overwhelming opposition from the local community the council would wish to reconsider its proposal for this tower block and amend their plans accordingly – if not then the community deserves an explanation as to what justification the council feels there is to impose such a out of character structure on the town.

- The proposed 16 storey Tower Block is totally out of character with the local architecture and landscape of Purley and will create a dangerous precedent for the future. Such a tall building would never be allowed in any other circumstance and is way beyond the original 6 storey proposal put forward by the Purley Baptist Church or the current building heights of 6 storeys. By simply calling the 16 storey Tower Block a "Landmark" is no justification to impose such a decision on the local community.

- Such a mass development as proposed by the Purley Baptist Church will have a tunnel effect in Purley concentrating and increasing the levels of pollution that already exceed EU guidelines thereby placing residents' (including those that will live in the proposed new homes) health at increased risk from air pollution. Only this week the Global Summit in Paris agreed to reduce pollution worldwide and yet it would seem there is absolutely no interest from the Baptist Church or the Council to take steps to protect its residents health by the reduction of pollution on the contrary this development will concentrate levels of pollution further

- Traffic through Purley is set to increase further when "Westfield Croydon" is completed however

despite this there appears to be no plan to take the opportunity to re-design the A22/A23 road layout other than side stepping the issue to TFL. Why is the council not looking to incorporate traffic congestion solutions within the plan for Purley?

- No details are available as to what impact such a development will have on the very real flooding issues in Purley especially as rainwater can and has been dispersing naturally through the demolished Island Site and properties located in 1-9 Banstead Road. As we know as recently as 2014 Purley Town Centre and surrounding areas were under water and therefore this development will simply add to the likelihood of this happening again. The Council's own Plan stresses developments "that sites at risk of flooding only allocated where absolutely necessary". What plans do the council have to prevent future flooding events in Purley?

- With only 40 or so parking places planned – where are the majority of residents supposed to park? This can only have a further impact on already densely parked surrounding roads.

- What further plans are there to expand GP Services? The GP surgery at WoodCote Valley Practice is already overwhelmed and it is very hard to get appointments and receive good treatment. Local schools are already crowded to – so what plans are there to expand those in light of potentially a further 500 residents (many likely with children)?

This is a woefully ill-thought-through plan with very bad consequences. I strongly to join the only thousands of Purley residents to implore you to think again and seriously revise this proposal.

Soundness - DM40.1  
Justified

DM 40.1. Skyscraper in the centre of Purley. A building of 16 floors is, in our opinion totally inappropriate for the centre of Purley, As in other parts of London, a building of this height will create strong wind along the Brighton Road and Russell Hill. It would also be totally out of character with our town centre.

No change

Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. Policy 31.2 should be read in conjunction with Policy 7.4 of the London Plan and Paragraph 58 of the National Planning Policy Framework. DM40.1

Stop building or selling out with high rise buildings. We all know humans do not do well in high rise buildings and it is already embarrassing to see a 'pink' building in West Croydon dominating our sky line. Do not do the same to Purley. It has already been damaged by Tesco's.

No change

The currently proposed landmark scheme in Purley is 16 storeys high. It received positive recommendation from officers and the Planning Committee
				<p>This refers to the Baptist Church site where the church propose to build a 16 storey tower block in the centre of Purley Cross and shopping centre. The tallest building in this area is 5 storeys and a 16 storey tower will be totally out of scale and will over dominate this small town shopping centre.</p>		
				<p>The Baptist Church have an over ambitious plan to provide church and facilities plus community facilities. There has been no consultation with the community to judge their preferences.</p>		
				<p>To cover the cost of their development they need to include flats for sale. The Croydon Council have demanded a £2m CIL and 20 social housing units, without parking facilities to cover the cost of the Council's demands which necessitates building to the height of 16 storeys.</p>		
				<p>The church should be required to reconsider their own proposals. For instance an open area on the 10th floor would rarely be used in our English climate and the people of South Croydon should have their own facilities incorporated in a new swimming baths and leisure centre.</p>		
				<p>A further blot on the area will be additional car parking required for the flats without car parking bays. Many people whether in social housing or other housing require a car for their living and other reasons. For the Council to assume all tenants will only use public transport is a lack of understanding Of the needs of working / disabled tenants.</p>		

> 2. Policy DM40.1 (p166)  
> I object to this policy since i believe it is written for the building on the Purley Cross site. A multistorey building over a few storeys would not be appropriate in central Purley. This area is less intensively built on than further north in the borough since it is closer to the edge of london and the green belt. This is necessary since a graduated reduction in intensification allows a cosistent change in chatacter, rather than a sudden abrupt end to the intense building characterising a big city. At present the town centre is no higher than 5 floors, a significant increase to this would not be in keeping and should be blocked by the council not encouraged.

Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. Policy 31.2 should be read in conjunction with Policy 7.4 of the London Plan and Paragraph 58 of the National Planning Policy Framework. 3587/01/002/DM40.1/O	Mrs Margaret Laycock	Object	DM40.1	I am writing to you to oppose, in the strongest possible terms, the building of a 16 storey block in the centre of Purley. It beggars belief that such an eyesore should be considered in an area where nothing else is above four or five storeys. It will stick out like a sore thumb and the upheaval of actually building there will be immense. Quite why this is being considered I can't think. There surely must be an alternative to this proposal.	No change	Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. Policy 31.2 should be read in conjunction with Policy 7.4 of the London Plan and Paragraph 58 of the National Planning Policy Framework. The Purley District Centre is one of areas with high level of accessibility to public services, including transport, and therefore suitable to accommodate its share of sustainable growth. The proposed landmark building, significantly taller than predominant up to 8 storey urban fabric, would maximise use of the sustainable location of the district centre, strengthen recognition and importance of Purley in the borough and also on the southern approach to Central London. Since consultation in 2013, the Further Alterations to The London Plan (FALP) were adopted which incorporate a significant increase in housing target from 1330 to 1435. Furthermore the London Plan is clear that this target should be considered as minimum. The partial review of Croydon Local Plan (CLP 1.1) set the strategy to accommodate growth within urban area. DM40.1

Policy DM40.1 which seeks to permit a 16 story skyscraper in the centre of Purley. It is claimed that this would 'positively enhance and strengthen the character' of Purley with a 'new landmark'. The term 'Landmark' is overworked appearing over two dozen times in a lame attempt to bolster poor justification. The correct definition would be 'monstrosity' denying the area its current culture. Keep construction to no more than 5 floors.

No change

Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. Policy 31.2 should be read in conjunction with Policy 7.4 of the London Plan and Paragraph 58 of the National Planning Policy Framework. DM40.1

As a resident of Croydon all my life, I wish to register my opposition to the following "plans"....  
DM 40.1 – Purley Skyscraper, The site is completely unsuitable for a 16 storey development which would completely out of character for the area.

No change

Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. Policy 31.2 should be read in conjunction with Policy 7.4 of the London Plan and Paragraph 58 of the National Planning Policy Framework. The Purley District Centre is one of areas with high level of accessibility to public services, including transport, and therefore suitable to accommodate its share of sustainable growth. The proposed landmark building, significantly taller than predominant up to 8 storey urban fabric, would maximise use of the sustainable location of the district centre, strengthen recognition and importance of Purley in the borough and also on the southern approach to Central London. Since consultation in 2013, the Further Alterations to The London Plan (FALP) were adopted which incorporate a significant increase in housing target from 1330 to 1435. Furthermore the London Plan is clear that this target should be considered as minimum. The partial review of Croydon Local Plan (CLP 1.1) set the strategy to accommodate growth within urban area. The currently proposed landmark scheme in Purley is 16 storeys high. It received positive recommendation from officers and the Planning Committee

16 Storey Skyscraper in Purley, Purley cross. ref Policy DM40.1 (p166) The tower would ruin the skyline of Purley and is completely out of keeping with the rest of the town. A sympathetic design, preferably mock Tudor, 4 floors max, in a much smaller scale would be more appropriate. This would stick out like a Monstrous Carbuncle! (where have we heard that quote before!?) I understand it is part of the London Plan which provides housing, but no parking?! I think it quite naive to think that the occupiers will not have cars they need to park, and will therefore go into the community to locate spaces for their need. Thus pressurizing the local community even further, for example Purley Vale area, who are already squeezed for parking with further restrictions coming which are unwelcome. The proposed development is on the junction of the A/22 and A23, one of the busiest junctions in the south east, surely any development there would cause devastating traffic tailbacks, it only takes one white van to break down outside Purley Library for the whole area to grind to a halt. A construction site for a 16 storey tower, no thank you. Purley is congested enough on a regular basis (the whole of this week on the school run I might add) with various works on the roads and diversions. It is totally unacceptable.

Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. Policy 31.2 should be read in conjunction with Policy 7.4 of the London Plan and Paragraph 58 of the National Planning Policy Framework. The Purley District Centre is one of areas with high level of accessibility to public services, including transport, and therefore suitable to accommodate its share of sustainable growth. The proposed landmark building, significantly taller than predominant up to 8 storey urban fabric, would maximise use of the sustainable location of the district centre, strengthen recognition and importance of Purley in the borough and also on the southern approach to Central London. 3725/01/002/DM40.1/O	Mr J Zhang	Object		DM40.1	<p>I certainly object to the following policies as DM40.1. We do need a health and green tone with its character.</p>	No change	<p>This comment is not clear enough as to what is being objected to.</p>

Can you please explain how a brand new maximum 16 storey building "positively enhances and strengthens the character" of the existing average 5 storey area with town centre building styles dating mostly from about 100 years ago? A modern 16 storey development will merely cast a nasty pall over the town and obliterate the existing character before setting a precedent for future planning decisions which may then triple the height of local buildings forever into the future. The potential offered by the plan clearly does not "positively enhance and strengthen the character" but erases it. In order to "positively enhance and strengthen the character" the empty site at the centre of Purley should be developed to be in sympathy with the existing character and height of the immediate adjacent buildings. About half of those are retail premises of about 5 stories but many others, to the south are ordinary residential houses of 2 storeys. Quite what advantage the existing residents of the area gain by ruining the character of the town your planning document does not detail so, like the equally unacceptable flyover proposal mooted some years ago, any possibility of an out of character development beyond 5 stories also be kicked well into touch.

Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. Policy 31.2 should be read in conjunction with Policy 7.4 of the London Plan and Paragraph 58 of the National Planning Policy Framework. The Purley District Centre is one of areas with high level of accessibility to public services, including transport, and therefore suitable to accommodate its share of sustainable growth. The proposed landmark building, significantly taller than predominant up to 8 storey urban fabric, would maximise use of the sustainable location of the district centre, strengthen recognition and importance of Purley in the borough and also on the southern approach to Central London. It is with regret that I feel the need to object to the following proposals:-

Purley skyscraper Policy DM40.1.

I feel this proposal is completely out of keeping with the surrounding area and I strongly oppose it.

Garden acquisition Policy DM2

This will make 'garden grabs' far too easy in my opinion, is far too subjective and is therefore a far weaker form of protection.

Sanderstead Lidl site Policy DM41.3

This proposal will likely cause real problems to traffic in the vicinity and I do not think it is an appropriate site for retail development.

Loss of Green Belt at Coombe Playing Fields and Croham Hurst Policy DM44.2

I believe that both of these locations should remain Green Belt and that re-designation is inappropriate. It will impact the area badly and in conjunction with other changes steadily change the nature of the area for the worse.

The Gypsy/Traveller site on Conduit Lane Policy DM44.2

Finally I most strongly object to Council plans to develop a Gypsy/Traveller site here. I feel it is totally inappropriate placing this on Green Belt land and is in direct contravention of the "Planning Policy for Traveller Sites" published by the Government just last August!

Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. Policy 31.2 should be read in conjunction with Policy 7.4 of the London Plan and Paragraph 58 of the National Planning Policy Framework. The Purley District Centre is one of areas with high level of accessibility to public services, including transport, and therefore suitable to accommodate its share of sustainable growth. The proposed landmark building, significantly taller than predominant up to 8 storey urban fabric, would maximise use of the sustainable location of the district centre, strengthen recognition and importance of Purley in the borough and also on the southern approach to Central London. Since consultation in 2013, the Further Alterations to The London Plan (FALP) were adopted which incorporate a significant increase in housing target from 1330 to 1435. Furthermore the London Plan is clear that this target should be considered as minimum. The partial review of Croydon Local Plan (CLP 1.1) set the strategy to accommodate growth within urban area. The currently proposed landmark scheme in Purley is 16 storeys high. It received positive recommendation from officers and the Planning Committee

Soundness - DM40.1  
Justified

We are life long residents of Croydon. With reference to the local plan we would like to object to the following proposals:  
•DM40.1 - A skyscraper in Purley is total out of character for the town. Purley needs development but this is not the way to go about it.  
•DM40.4 - Purley Pool - whilst not objecting to this area being redeveloped it should include a swimming pool. Our children learnt to swim here and it is an important facility to the community. For instance our Farther uses it regularly. It has been vital to maintaining his health and he would not be able to travel to more distant pools.  
•DM44.2 - It is not appropriate to have a travellers site on green belt land. We believe it is important to protect all Green Belt land from development  
•DM31.4 - We are opposed to the intensification of these areas.

No change

Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. Firstly, congratulations on drawing together this informative document, which is clear and consistently prepared. The summary form, particularly in detailing possible alternative uses for sites, does leave plenty of scope for possible argument over interpretation and it might be useful to link sections to more detailed background material.

I do have a number of concerns as follows:

I am disappointed that support for a very tall building at Purley Cross appears to have support. I think this would further destroy the comfortable feel for the old centre and discourage the development that is necessary.

Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. Policy 31.2 should be read in conjunction with Policy 7.4 of the London Plan and Paragraph 58 of the National Planning Policy Framework. The Purley District Centre is one of areas with high level of accessibility to public services, including transport, and therefore suitable to accommodate its share of sustainable growth. The proposed landmark building, significantly taller than predominant up to 8 storey urban fabric, would maximise use of the sustainable location of the district centre, strengthen recognition and importance of Purley in the borough and also on the southern approach to Central London. Since consultation in 2013, the Further Alterations to The London Plan (FALP) were adopted which incorporate a significant increase in housing target from 1330 to 1435. Furthermore the London Plan is clear that this target should be considered as minimum. The partial review of Croydon Local Plan (CLP 1.1) set the strategy to accommodate growth within urban area. The currently proposed landmark scheme in Purley is 16 storeys high. It received positive recommendation from officers and the Planning Committee

I wish to appeal against the plans for the 19 storey building at the Baptist Church site, Banstead Rd. Whereas , I wouldn't object to some flats there, the plan needs adapting.

1) 19 storeys is far too high for Purley. It will dominate the whole area.

2) It is not really a suitable site for housing as it surrounded by pollution from cars - both noise and sulphur dioxide. It is definitely not suitable for families. It would be quite dangerous, also as there will no outdoor space for children

3) Nor is it suitable for shops because of the lack of easy crossing places and the amount of cars passing nearby. There are already far too many empty shops in Purley.

4) If it must be housing, flats for young people trying to get on the housing ladder would be more acceptable and appropriate. If you would provide help with the deposit, or allow part rent , part ownership. There is a tremendous shortage of such places

Croydon will have sustainably grown to accommodate homes to contribute to the borough's housing need. Policy 31.2 should be read in conjunction with Policy 7.4 of the London Plan and Paragraph 58 of the National Planning Policy Framework. The Purley District Centre is one of areas with high level of accessibility to public services, including transport, and therefore suitable to accommodate its share of sustainable growth. The proposed landmark building, significantly taller than predominant up to 8 storey urban fabric, would maximise use of the sustainable location of the district centre, strengthen recognition and importance of Purley in the borough and also on the southern approach to Central London. Since consultation in 2013, the Further Alterations to The London Plan (FALP) were adopted which incorporate a significant increase in housing target from 1330 to 1435. Change	Agreed it will be designated as a community facility as post offices have been added to the definition of community facilities and will be protected by Local Plan policies.
4117/01/023/DM40.4/O	Cllr S Brew	Object		DM40.4	Purley Library site: (not currently discussed in local plan): The existing listed building should be retained but converted to offices. (AFTER new library has opened on site 30 above		No change	The library is a community facility which is protected by Local Plan policies. The library could not be converted to offices unless it has been demonstrated there is no demand for the facility from other community facility uses or organisations.
2657/01/004/DM40.4/O	Rebecca Pullinger CPRE London	Object	Soundness - Effective	DM40.4 130	A large number of the sites allocated for development through Detailed Policies and Proposals may result in the loss of green space. This appears to run counter to the Borough's Strategic Objective 10 (The need to utilise brownfield areas first) and could be replaced with a goal to promote good quality high density developments that protect Croydon's green spaces. Even undesignated green spaces provide important ecosystem services to Croydon's growing population. We are concerned about the potential loss of Green Infrastructure through the possible reduction of garden space through the proposed development. Any plans should seek to protect and enhance the green	The Council should provide additional text in these policies to encourage developers to propose good quality, high density developments which promote the protection and enhancement of green space.	No change	This allocation would not result in the loss of open space.
2781/01/005/DM40.4/C	Graham Bass	Comment		DM40.4 130	Concerned about the design of this large, predominantly affordable estate. Need to ensure that it will be attractive & in character with the area & its surroundings- not replicate the stereotypical tatty council house estates of the past.	The proposal would need to be attractive and in character with the area and its surrounding.	No change	Any proposal would be required to meet the standards set out in the Urban Design and the Places of Croydon policies in the Croydon Local Plan.
2982/01/003/DM40.4/O	Mrs Jeanne Driscoll	Object		DM40.4 130	I wish to add my objections made on this document by our local M.P. Chris Philp.		No change	This comment has not been substantiated so no changes can be made.
3162/01/003/DM40.4/O	Mr Joe Toner	Object		DM40.4 130	I would like to voice my object to the following plans DM40.4 .		No change	The objection is not substantiated, (no reason given ), so the Council is unable to respond.
3322/01/002/DM40.4/O	Mr Richard Driverr	Object		DM40.4 130	I should like to make it known that I object to this which is included in the recently published Local Plan.		No change	There is insufficient information to consider this comment further.
3419/01/002/DM40.4/O	Mr & Mrs C MacKinnon Smith	Object		DM40.4 130	We, the residents at 4 Purley Knoll, officially object to the proposed development of 1-9 Banstead Road which will have a detrimental effect on our property and Purley in general		No change	The Council believes that the site is suitable for residential use and therefore the site will continue to be allocated for that use.

3577/01/004/DM40.4/O	Mr Peter West	Object	DM40.4 130	I object to Policy 40.4 table 11.3 - All of the above are unacceptable to me as a Sanderstead resident for the last 25 years. We need space and sensible development that compliments the environment. I totally agree with all the point that our member of Parliament has suggested.	No change	This allocation sets out that residential development is acceptable in principle. Any planning application for this site will be assessed against the Local Plan planning policies, which include an assessment on the local environment and character.
0057/02/003/DM40.4/O	Jill Kilsby	Object	DM40.4 30	40.4 Table 11.3 Site 30 Purley Pool I hope that this means that there will still be a public pool to serve this area of the Borough. I also hope that the parking spaces will remain. Parking is a key issue in Purley and this is also not helped by allowing dwellings to be built without a parking	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

0069/03/001/DM40.4/C Mr Fred Wallis  
*The Save Purley Pool Campaign*

DM40.4  
30

Purley is the only logical place in the south of the borough for swimming facilities:  
- It is a public transport hub and has the best bus, road and rail connections in the area and hence is easily accessible to a large number of residents.  
- The current pool is very well used by schools, disabled groups, clubs and has classes for all ages.  
- For geographic reasons it is the most readily accessible pool for residents in Coulsdon, Sanderstead, Selsdon and Kenley as well as Purley itself (estimated 87,000 residents have access). Loss of the facilities would mean that significant numbers from these areas who currently go swimming will not have ready access, and hence will not be able to go.  
- The nearest other pool is in Waddon which because of poor accessibility for the south of the borough (two bus journeys and poor bus timetables) is for all practical purposes out of reach for users in the wards of Kenley, Sanderstead, Selsdon and Coulsdon. For those travelling by car, Waddon has insufficient parking places to take extra users, as well as adding to the congestion on the Purley Way.  
- Loss of swimming facilities in Purley would result in a significant inequity in provision of such facilities across the borough and would be counter to the 'Opportunity Croydon' initiative

However, table 11.13 in CLP 2 states for the existing Purley Pool site that its proposed use will be: Mixed use redevelopment incorporating new leisure facilities and/or other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail, residential accommodation and public car park.

This wording creates significant doubt as to the future purpose of the site, does not guarantee a pool, and doesn't even guarantee leisure facilities of any description.

We believe that in order for the CLP to properly meet the safeguards set out in the NPPF, the London Plan and the UDP it should explicitly set out plans to retain a 6 lane 25 metre pool in the centre of Purley. If the existing pool site does need to be redeveloped then a new pool should be built before the existing one is demolished.

Change

The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accommodation'.

0069/04/001/DM40.4/C	Mr Fred Wallis <i>The Save Purley Pool Campaign</i>	Comment	DM40.4 30	<p>We are broadly in agreement with the proposals but feel that with such a big site and a large development that the wording should not allow for any ambiguity.</p> <p>We suggest the following proposed use: Mixed use redevelopment incorporating a new leisure centre, to include a 25metre swimming pool and a fully equipped gym. Other community facilities such as, healthcare facilities, creative and cultural industries enterprise centre, retail, residential accommodation and public car park. We believe that there should be no ambiguity regarding this site as it was the subject of a massive public petition about a possible closure of the Pool. 6400 signatures were presented to the Council which bought about a full council debate. The debate finished with a 100% support of the Councillors from all sides to keep Purley Pool open. This should clearly indicate the wishes of the community and you should take note of them</p>	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.	
0092/02/014/DM40.4/O	<i>Riddlesdown Residents Associatio</i>	Object	DM40.4 30	<p>Purley Pool - Policy 40.4, Table 11.3, Site 30 (page 168- CLP2) talks about redeveloping the current Purley Pool and multi-story car park site. Redevelopment would be welcome, but any new leisure centre must include a pool and the policy should make this clear. It should also make clear that the total number of public parking spaces should not decrease.</p>	The site should include a requirement for a swimming pool and the current level of parking should remain.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
0100/02/005/DM40.4/O	I Djemil	Object	DM40.4 30	Ensure Purley Pool is kept as a service to residents. Object Soundness - DM40.4  
Effective 30

I am writing in connection with the consultation documents for the Croydon community plan, which do not appear to guarantee the continuing provision of a swimming pool in Purley town centre. The plan appears to refer merely to 'new leisure facilities and/or other community facilities'. All vague.....

Change

The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

I am one of the many users of Purley Swimming Pool who protested a while ago at the threat of its closure and was at the meeting in the Town Hall when we were told that the Pool would be 'saved' for the foreseeable future (or words to that effect). I am contacting you now to emphasise what to me is perfectly obvious: a Purley municipal swimming pool is much needed and valued. It is no use if facilities are not easily accessible to those living in the borough, particularly in the south of it. Purley town centre is an absolutely ideal situation for a swimming pool: it is the hub of several bus routes and people can get to the pool easily from all over the borough. The pool is very, very, well used, particularly by the young and the elderly. As an elderly person myself, I know the value of swimming in keeping limbs supple and giving a sense of wellbeing. We oldies would be a much greater drain on social services if we couldn't get the good exercise that swimming provides.....

I have lived in Purley since 1971 and well remember the free car park that was appropriated to build the (long gone) small Sainsbury's store and multi-storey car park on the site. The provision of a municipal swimming pool in the town centre was at that time recognised as long overdue and was a condition of the whole building project. The site was then considered ideal: it is STILL the ideal site for a swimming pool. I swim regularly with users who come from Sanderstead and Coulsdon, as well as from Purley itself: it is just SO easy to get to. A new pool was built at Waddon the other year: this is of absolutely NO USE WHATSOEVER to most people living in the south of the borough. There is virtually no car parking available there - and anyway who in their right mind would want to take a car along the Purley Way at any time of the day?! And there are few buses that go past Waddon Pool from Purley town centre.

A petition of many thousands of signatures was presented to you earlier in the year when the Pool was threatened with closure. You have

ample evidence that a swimming pool  
in the centre of Purley is what your  
Community Charge payers want.  
Please listen to us and act  
accordingly: don't even THINK so  
getting rid of our much-used and  
appreciated Purley swimming pool!  
It could well do with a bit of  
smartening-up, but it certainly does  
NOT warrant being replaced  
elsewhere

---

Object Soundness - DM40.4  
Justified 30

I was pleased to learn that Purley pool is to remain open for the immediate future but that plans for closure still remain.

I am always shocked to learn that there is even mention of closure of the pool, which is a valuable resource for Purley town centre and its environs. As far as I am aware, the pool is only facility to the south of Croydon, serving not only Purley but also Sanderstead, Selsdon and the Coulsdon areas.

I appreciate that there is the new pool at the Waddon Leisure Centre but the bus service is poor and this means that one has to drive from Purley, sit in endless traffic along the perpetually congested Purley Way (so much for saving fuel and protecting the environment from pollution), whereas Purley pool is in a mainly residential area and can be easily accessed by public transport and even on foot by many users. Moreover, there is limited parking at the Waddon site, which is often full and involves the additional expense of car parking charges. We read endlessly in the press that fewer and fewer children learn to swim; I am not surprised. It is expensive enough having to pay entrance fees, for a parent and two or three children, let alone adding the cost of petrol and parking to a swimming session.

Whenever I visit the pool, it is usually busy and is obviously a valuable resource, not only for individuals but also for schools, and other groups with planned exercise activities. We are constantly urged to take more exercise and told of the associated health benefits but here we are facing a plan which will decrease the availability of local facilities for many users; in particular the over 65's group, to which I belong.

I understand that a recent petition aimed against closure of Purley pool gained over 6,000 signatures; surely this is an indication of the level of objection by a significant number of local users and also council members against plans for closure of this valuable facility

Change

The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

0145/02/001/DM40.4/O	Mr Bill Tubb	Object	DM40.4 30	I understand you are collecting comments re future updating of the Leisure centre in Purley. I am a regular user of the existing facility and have been for several years. I recommend any new leisure centre will need to have a 25m swimming pool included in the plan		Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
0150/02/001/DM40.4/O	Grant Georgiades	Object	DM40.4 30	I note that the recently released Croydon Local Plan (CLP) does not guarantee a pool in Purley in the future, referring only to "new leisure facilities and/or other community facilities." I believe that the plan should contain a specific commitment to maintaining at least a 25m pool in Purley as Purley Pool is the only community swimming facility in the south of the borough. The accessibility of Purley town centre by public transport makes it the best location in the south of the borough for a pool (and convenient facilities encourage more use and exercise.) This is evidenced by the fact the current pool is widely used by schools, disabled groups, and has children and adult lessons, aqua aerobics and other activities. The popularity of the current pool-both has been demonstrated in terms of usage and the fact that the petition to keep it open earlier this year received over 6000 signatures.	Site 30 should include the requirement for a 25m pool	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
0150/02/002/DM40.4/O	Grant Georgiades	Object	DM40.4 30	The only alternative is the Waddon pool which has insufficient capacity, very few parking spaces and is difficult to get to for most people in Purley by public transport. As managing director of one of the biggest employers in Purley town centre it is already sufficiently difficult to sell Purley as a desirable working location for active employees. In recent years we have lost our cinema to a block of flats and the high street has deteriorated to the extent that footfall is hard to come by. Losing the pool, which is possibly the biggest attraction the high street has to offer, would be another nail in Purley town centre's coffin!	Site 30 should include the requirement for a 25m pool	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
0153/02/003/DM40.4/O	Mrs Liz Marsden	Object	DM40.4 30	Purley Pool - Redevelopment of Purley Pool would be good - but the policy does not specifically state there must be a pool in this complex - it should state a pool must be retained (it is heavily used and reduces NHS bills, as many people who use it are older and keeping themselves fit, which reduces NHS visits drastically).		Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

0155/02/001/DM40.4/O	Sally Rodwell	Object	DM40.4 30	<p>I would like to add my support to the below comments from Chris Philp MP, Regarding the proposed Croydon Council Local Plan. Pas a resident of Purley I find your plans extremely worry and ill thought out.</p> <p>I am also a member of Enterprise Swimming Club who meet at Purley Pool on a Friday evening. We offer a vital service to disabled people in the form of swimming lessons and social activities (perhaps you should be more grateful to groups like ours who take responsibility for vulnerable groups in the community, allowing you to ignore them). Plans to close Purley pool would effectively end this club, which has been running for 56 years. Other swimming pools do not have transport links like Purley, or even adequate parking facilities. I hope you take note of the dissent and reconsider these plans</p>	Change	<p>The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.</p>
0162/03/001/DM40.4/O	Mr Roger Chapman	Object	Soundness - Effective DM40.4 30	<p>We need the pool in Purley to be kept open. It is the only one south of Croydon. I use it twice a week.</p>	Change	<p>The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.</p>

Object Soundness - DM40.4  
Justified 30

I have often been fighting for SAVING the swimming pool in Purley. It would appear that, whichever flavour of the council, they want to get rid of the pool which is highly used in Purley. It is heavily used by the over 60's which is the main group of people I am associated with. We need an easily accessible pool for easy exercising (which swimming is principal). Many other groups and families, from personal experience, also use this pool. It is essential for the schools who use, it to try to ensure all children learn to swim, a government mantra. It is ideally situated for workers who travel towards or return from Croydon (which doesn't have a central swimming pool) or directly into/out of London and places in between. Purley has excellent travel communications for most of the southern and western areas of Croydon. If this pool has to be got rid of let a new pool be constructed in Purley in a very near location, (the buses and trains allow easy access and continued travel after the pool use), BEFORE THE CURRENT POOL IS CLOSED. I believe that once this pool is closed building a new one will easily be put off indefinitely. Waddon pool is not convenient to the vast majority of users as has been shown by the fact that despite it being a more modern pool most, early morning swimmers, still go to the Purley one. Only two of us have switched regularly, I because I have more control of my getting there (I walk) and the other because of it's earlier starting time. Waddon is badly served by buses, it isn't that close to Waddon train station. It doesn't have anywhere near enough parking spaces, which are required because of it's bad accessibility. All the other Croydon swimming pools are totally out of reach of most people in this southern and western parts of the borough. One further point is that the pool brings people into Purley, who might use it's shopping facilities, which are seriously lacking at Waddon pool (other than one supermarket)

Change

The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

0166/02/002/DM40.4/C	Caroline Hughes	Comment	DM40.4 30	<p>I refer to your notice, reference number 30, which has been placed on a sign-post in Purley High Street.</p> <p>It states: "there will be leisure facilities and/or community facilities..... etc."</p> <p>Can you please confirm that a) there WILL be leisure facilities and also that b) these WILL include a 25 metre pool?</p> <p>As you know, over the years, there has been a number of campaigns to save the current swimming pool; the last being in January this year when over 6,000 signatures were gathered in a petition to save the pool from closure. It is obvious that there is a strong feeling among the people of Purley and in the rest of the south of the borough to keep a swimming pool in the town. If the pool were to be closed and not replaced, then there would be no swimming pool in the south of the borough. I know there are pools in other parts of the borough (Thornton Heath, New Addington, Waddon) but we all pay our Council Tax so why should the south be penalised? Not everyone is rich in the south with their own personal pool.....</p>	Change	<p>The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.</p>
0169/02/001/DM40.4/O	Roseline Laurence	Object	DM40.4 30	<p>I was disappointed to see that you have not made it a certainty that whatever is built on the site of Purley pool and car park in the future includes a 25 metres long swimming pool in the draft consultation document. This is especially disappointing given the strong requirement amongst residents in the south of the borough for a pool in Purley town centre. This was well demonstrated when more than 6000 signed the petition to keep Purley Pool open. Swimming is a wonderful thing for children to learn for fitness and it can be a life saver. It is a good form of exercise for the more elderly and those with medical conditions that prevent other fitness regimes, eg. Where there is impact on the skeletal frame such as from running and jumping. Please would you make it a requirement on any developer to include a 25 metre pool on the site.</p>	Change	<p>The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.</p>

0170/02/001/DM40.4/C	Mr David Laurence	Comment		DM40.4 30		Please include the mandatory requirement for a 25 meters pool on the site	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
0170/03/001/DM40.4/C	Mr David Laurence	Comment		DM40.4 30	My particular concern is that there is no mention of a swimming pool on the site. I am broadly in agreement with the proposal for a range of sports, leisure healthcare, community creative and cultural facilities, as well as residential and public car parking	Please include the mandatory requirement for a 25 metres Pool on the site.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
0172/02/001/DM40.4/O	Pauline Joyce	Object	Soundness - Effective	DM40.4 30	Further to the draft of the above now being open for comment I would like to express a concern that it doesn't guarantee Purley will retain its swimming pool. If it were to go I think it would have a detrimental impact on numerous people who regularly use it as not only a place to keep fit but also a place to meet friends and so it plays an important part in the community. Plus it's also used by local schools and groups so given the recent press re children and lack of exercise /obesity Why we would we even consider losing this resource for a healthier lifestyle. Unlike Waddon (which has totally insufficient parking and is a nightmare to get to even by public transport due to the volume of traffic on the Purley Way) it has excellent transport links and parking facilities and if it was closed it's unlikely that Waddon could cope with the extra demands not only from Purley residents but other local areas as well i.e Selsdon Sanderstead & more.		Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

My family and I are very, very concerned that current redevelopment plans for Purley leisure centre do not state having a pool. We would like to clearly state that a pool is essential and should be specified within plans. Plus, a pool to the equivalent size of the current pool. We live in Sanderstead. Purley is our local hub. We use Purley Pool three to four times a week and then use shops, etc in the town. If the pool was not there we would not bother going to Purley nearly as often as we do. Both our children have learnt to swim at the Pool. My husband and I can use the pool before and after work due to the excellent transport links from central London. Going to Waddon Pool is simply not an option due to the lack of parking, congestion and lack of decent transport links. Like many families we also can not afford a private pool membership. We also voted for Tony Newman on the basis he had promised a pool in the town. Why not make Purley Pool a real destination as part of your plans? The pool is already well used my son's primary school uses it but why not see having a pool as a real opportunity for the town? Swimming is the most inclusive form of exercise. The old, disabled, obese and very young can all benefit from it. Why lose this? I go for a bad back- without swimming I need medication for it. By taking responsibility for my health by swimming, I am keeping out of the doctors surgery and being able to work - and pay my taxes. Keep a

The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

Object Soundness - DM40.4  
Justified 30

I signed the petition to Save Purley Pool and was naively hopeful that when that garnered a stay of execution that would be the end of it. It is abundantly clear that there is a great need for a council run swimming pool at Purley that is accessible on low incomes and pensions.

I am very aware that in the current economic climate the council is under pressure to be financially viable and that the day of subsidised facilities are on the wain. That said, I have dedicated my working life to the long-term unemployed, people recovering from mental illness and to young offenders. It is vital to their rehabilitation that they have safe, affordable outlets for mixing with the community. Parks are wonderful but do not provide the feeling of safety required. Individual bursaries are not the answer.

I urge you to consider the hidden costs that will accrue if you remove another publicly funded leisure facility. The very fact that Purly Pool is so well attended despite its proximity to other, expensive, privately run pools and gyms must surely convince you that there is a real community need for the Pool.

I appreciate you are faced with very tough decisions about what can and can't be funded in the area but I would like to add my voice to those campaigning to save Purley Pool.

Change

The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

Object Soundness - DM40.4  
Effective 30

I would like to register our concerns that within the Croydon Local Plans CLP1 and CLP2 that although "new new leisure facilities and/or other community facilities" are mentioned, the plan does not guarantee a pool in Purley.

Change

The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

May I remind you of the fact, that, when the pool was threatened with closure earlier in the year, 6000 signatures against the closure were collected in the very short time allowed by the council (indeed, had we had more time I am sure we could have gained many more signatures).

The inclusion of a new pool or the refurbishment of the old pool, we feel is essential to Purley for the following reasons:

The current pool is used by thousands of people in and around Purley, including Selsdon, Sanderstead, and Coulsdon.

It is used by most of the schools in the area, disabled groups, and has adults and children's lessons, aerobics and other activities including the charity swimathon which takes place every yea

Purley is very convenient place for local transport making Purley an ideal place for a pool in the south of the borough.

Swimming is the perfect sport for everyone at any age, which keeps everyone healthy.

The nearest swimming pool at Waddon has insufficient capacity to accommodate Purley pool swimmers, is situated in a traffic hot spot, and has with few parking spaces.

Finally, why should we lose a valuable, and well loved and used asset in Purley, which has been part of the town, and indeed, originally gifted to the town.

There are vague comments about leisure facilities, but I can see no reason why commitments already given should not be in the plan, and a failure to do this would ring alarm bells. As I am sure you are aware this is an important issue locally. It has been pointed out many times that the pool in Waddon is not practically accessible from Purley. For most people it is two bus journeys or a very tedious drive along a traffic saturated Purley Way, with no hope of parking when you get there. It makes a huge addition to the time needed to go and exercise. To be beneficial exercise needs to be taken regularly and at least twice a week. The Pool and Gymnasium are the only facilities in the South West of the Borough and serve not only Purley but Coulsdon, Kenley, Old Coulsdon, Riddlesdown, Sandserstead and South Croydon. They create many thousands of footfalls per annum in Purley and are a vital part of it being a sustainable community. The need for this facility will of course increase with the large housing development in Coulsdon, and the planned developments in Purley and surrounding areas. To bring in all these people whilst not having adequate leisure and exercise facilities is to condemn the area to being a dumping ground where people are expected just to sleep. This will likely cause an increase in anti-social behaviour in the town and a further decline in it as a community.

My suggestion for the future of the pool is to build alongside it a sports hall which will enable all sorts of activities including team events such as five-a-side football to provide activities for the new settlers in the area and of course the existing ones as well. If this area also included a new library building to serve the South west of the Borough then you would begin to create a community centre which would enhance the value of the area and increase the likelihood of the planned growth becoming successfully established.

The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

Purley Swimming Pool must be included in the new leisure facilities in Purley and retained/rebuilt in the centre of Purley for the following reasons:

SWIMMING IS NOT ONLY A HEALTHY EXERCISE, BUT A LIFE SAVER !

From young babies and toddlers learning to swim before they develop a fear of the water, or before they accidentally fall in water and drown - from older children and teenagers burning up their energy in a positive rather than a destructive way, the exercise helping them lose weight instead of turning into lethargic overweight 'couch potatoes' in front of television or computer, especially during school holidays - from adults keeping fit, using muscles that they are unable to use in any other activity, especially those with a sedentary job - from the elderly helping them to keep active and healthy, when other exercise is not possible for them - from the disabled who have difficulty in walking, but can still swim - to those recovering from accidents, water buoyancy helping them regain strength - to those learning to swim at any age who can save others' lives, or save their own - all need the opportunity of a near swimming pool.

Other activities are limited to certain age groups, or need considerably more space per person, or only suitable for good weather. No other activity can provide so many people at the same time with healthy exercise. There should be MORE SWIMMING POOLS, not less.

Why in the centre of Purley and not elsewhere ?  
Because buses go directly to the centre of Purley from ALL directions - convenient not just for Purley itself, but Kenley, South Croydon (Purley Oaks part), Sanderstead, Selsdon, Woodcote and Coulsdon, and other places.  
Older children can easily travel on a one-bus journey to Purley.  
[Parents would not be quite so happy about children having to wait around at bus stops on their own for a second bus to take them the longer journey elsewhere.]  
Or parents can go shopping in Purley while their children can swim in safety.  
Swimming clubs and schools use the pool.

The proposed Coulsdon pool was

Purley Swimming Pool must be included in the new leisure facilities in Purley and retained/rebuilt in the centre of Purley

Change

The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

never built, and would not have been so easily accessible to so many people anyway.

The Waddon Pool is in an area of considerable traffic congestion, with infrequent bus service, and inadequate parking, and would be unable to fit in their timetable the number of activities of the various groups using Purley Pool including the disabled, the considerable number of schools, swim schools etc.

What possible 'leisure' complex activity could provide so much enjoyable or needy activity for so many ?

Therefore it is essential that new leisure facilities include a swimming pool in the CENTRE of Purley.

---

Purley Pool has been an important part of Purley High Street since the early 1980's, providing a much needed leisure/learning/health/recuperation facility for a full age range of local residents from Purley, Selsdon, Sanderstead and Coulsdon. I go to Purley at least three times a week for swimming, banking, visiting the post office, Tesco, Sainsbury's, dentist, doctor, pub and library. Purley is a great little town because there are a lot of useful facilities in one small area, easily accessible by foot, bus, train and car, which must be good for reducing carbon emissions. Purley is very local to me and I find it very useful to be able to get there quickly on foot, by bicycle, bus, train or car. Purley swimming pool had to close during 2013 for routine maintenance and I did try to get to the new pool at Waddon but in the end it proved too time-consuming to fit into my busy schedule to drive over to the Purley Way amidst the rush hour traffic. Driving to the Waddon Pool is my only way of getting there as there is no direct bus or train link available to me from Sanderstead and it is certainly too far to walk. I know there is a move to get us all cycling but I have no intention of risking my life cycling on Croydon roads, due to congestion, breathing in noxious fumes and painful joints. Pool users range from infants, toddlers, school children, teenagers, young adults before and after work through to those in their 60', 70's and 80's and need to be able to reach the pool quickly, easily and safely. There are very few car parking spaces at Waddon meaning that the few who do venture over there meet with problems of where to put their cars. Additionally, the roads around the Waddon pool are always heavily congested. As far as I know, there are no other current or planned local public swimming pools that would meet the needs of Sanderstead, Selsdon, Purley and Coulsdon residents other than Purley Swimming Pool so I believe it is vital to include a pool in any future leisure centre plans for Purley as this is the only public pool which serves the south of the borough. The popularity of the pool is clear considering the 6000+ signature petition achieved earlier this year to keep it open – not to mention the full support promised by Croydon councillors to keep it open. According to the publication 'Great Lengths' by Dr Ian Gordon and Simon Inglis "Swimming is Britain's most popular participation sport. Nearly one in five people swim at

The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

least once a month, with around 80 million visits to swimming pools recorded every year." What other sport caters for such a wide age range and has such a health/feel good benefit?  
I believe that any future leisure facility/centre plans for Purley should include a new swimming pool. Who gets to decide what the needs of the local residents are – the residents or the council?

---

I would like to comment on the draft Croydon Local Plan, with particular reference to a swimming pool at Purley.

I note that the Plan does not guarantee a pool in Purley, but refers only to "new leisure facilities and/or other community facilities".

I consider that it is essential that Purley continues to have a 25 metre swimming pool for the following reasons:

- location: the pool in Purley is ideally placed to serve the south of the borough. In addition there are excellent public transport links, as well as adequate parking. The pool at Waddon is difficult to reach by public transport and has insufficient parking
- popularity: 6,000 people signed a petition earlier this year in support of retaining the pool which is extensively used by local schools and disabled groups. This was recognised at a council meeting in January when the councillors were in complete agreement that the pool should remain open
- health benefits: these are well documented. At my recent free NHS health check I was told that swimming twice a week would have contributed to maintaining my weight, blood pressure and cholesterol at optimum levels

At the consultation at Purley Baptist Church on 8 December I was told by one of the council officials (Lee, I'm afraid I have forgotten her surname) that the Plan would be amended from "leisure facilities" to "sports facilities" in Purley. However it would not be possible to include a swimming pool in the plan as this would restrict the developer and could lead to the site becoming blighted. While I recognise the need for pragmatism, I am concerned that in deciding whether to include a pool in the the plan for Purley it would appear more important to consider the requirements of a potential developer rather than those of the residents.

I urge you to amend the Plan to include a 25 metre pool in Purley.

The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

0320/01/025/DM40.4/O	Mr Tarsem Flora <i>Flora Associates</i>	Object	DM40.4 30	Table 11.13 Proposals for uses of land of specific sites in Purley Ref 30 Purley Leisure Centre The local community has been campaigning for many years now to retain the existing Purley Pool or find an alternative site for this facility. It goes without saying that this pool is extremely well used not only by the residents but also by local school. Swimathorn is an excellent annual event and raises lot of money for charity. Equally important is to ensure that the multistory public car park is not lost in any new redevelopment of the site. PWRA accept the fact that the building needs to be demolished and redeveloped but wish to stress the need to ensure that the pool and the parking is not lost.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
1689/10/001/DM40.4/O	C H M Marsh	Object	DM40.4 30	The propsoal should specifically refer to a swimming pool and gym. The facility is well used by the public throughout the day. It is one of the only facilities in the south of the borough for young adults in the evening and should remain available. It is suggested that the use be amended as follows - Mixed use redevelopment incorporating a new leisure centre, to include a 25m swimming pool and a fully equipped gym. Other community facilities such as health care facilities, creative and culture industry centre, retail, residential accommodation and public car park.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
1749/01/002/DM40.4/O	Angie Nokes <i>British Medical Association</i>	Object	DM40.4 30	I agree that the current site is in need of revamping, and as a regular user of the current facilities, I would like to stress that it is important to the residents, local business employees and schools that leisure facilities, including a public swimming pool and gymnasium should most definitely be included in any redevelopment plans. A petition earlier this year to keep Purley pool open proved that the community are passionate about this facility remaining in Purley.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
1807/01/001/DM40.4/O	Georgia Parente	Object	DM40.4 30	<p>I am a local resident writing in support of Purley Pool.</p> <p>Over the year's Purley has changed considerably; as Tesco got bigger we saw the closure of the butcher, baker, greengrocer and fishmonger. The cinema became a block of flats and the red route saw other small business' close – the only good thing to survive is the much loved pool.</p> <p>As a family of 5 all members have enjoyed the facilities at Purely Pool; when the children were younger they learnt to swim in the pool, and now I take my grandchildren there during the holidays when they come to visit. Personally I have attended aqua aerobics and found this a really beneficial way to exercise in light of my arthritis; if the pool were to be moved I would not be inclined to attend sessions as the logistics of attending lessons after a day's work and negotiating traffic and parking would not be appealing, the grandchildren would miss out on quality time too as I would think twice if I had to travel too far.</p> <p>Admittedly the building does need a little bit of TLC - the gym could do with an update - but otherwise it would be a real shame to destroy such a wonderful facility.</p> <p>Please take into account how important this is for local people before making a decision</p>	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

Object

DM40.4  
30

The wording of this is too vague. The current leisure centre, which includes a swimming pool and fully equipped gym, is an important community facility which provides healthy exercise for the young, old and disabled. The facility is well used by the public before and after work, with a complete cross section using it during the day. It is one of the only facilities in the South of the Borough for young adults in the evening. Having this facility supports Policy DM 18 and particularly DM 18a. It is clear that there is a need for a 25 metre swimming pool and fully equipped gym and therefore the loss of such a facility should not be permitted. This need was supported by a massive public petition about a proposed closure of the pool in April 2015. 6400 signatures were presented to the Council which brought about a full council debate. The debate concluded with a 100% support of the Councillors from all sides to keep Purley Pool open. I agree that the existing Sainsbury's/carpark/leisure centre should be redeveloped, given the redundant former supermarket. Therefore the temporary loss of a pool and gym during redevelopment would be acceptable.

I proposed Site ref 30 should be amended to: Change

Mixed use redevelopment incorporating a new leisure centre, to include a 25metre swimming pool and a fully equipped gym and other community facilities such as, healthcare facilities, creative and cultural industries enterprise centre, retail, residential accommodation and public car park

The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

A swimming pool is a crucial resource for the local community. My eldest son goes to lessons with his school as they are able to walk to swimming lessons, and parents are available to help, because it is local. His progress has been very good thanks to the excellent teachers, and the opportunity to attend regularly as part of his PE lessons. Purley town centre is easily accessible for many schools by foot, or quick and frequent public transport links, which saves families the extortionate cost of coach transport and saves teaching time too, rather than spend hours trekking to a different pool: there is no-where else in the south of the borough. Waddon (the nearest alternative) is much less accessible by public transport - there is only one bus that goes from Purley (so if you can't fit the whole class on, or that bus was late, you'd be in trouble) but it is very busy and when I looked at the times to get there in time for after school swimming lessons and back again at a decent time it just wasn't practical, especially as no-one likes buggies on public transport in the rush hour! I wouldn't drive there as on the occasions I have visited Waddon Pool by car to play badminton I have found the parking spaces to be limited, and often had to wait for someone to leave - not ideal if you have a lesson starting at a particular time. At least at Purley, for people coming from out of town, there is plenty of space in the multi-story right next door, as well as a National Rail station, and buses every minute or so along the Brighton Road.

The Leisure Centre (together with the Library) are the community centres of the town. People come to use them, and visit the shops and local businesses whilst they are here. Without them Purley really would become a nothing-but-Tescos place to pass through and not stop. A generic leisure facility (say gym or sports hall) would not be nearly so attractive to people without a swimming pool - it is essential for children to learn for their own safety, is lots of fun and healthy too, and is a perfect low impact exercise for people of all ages including the elderly, and is very popular with people from Purley and all the surrounding areas.

I understand you are consulting on the strategic policies of your local plans, and am writing to ask you to include a commitment to maintaining a swimming pool as part of the Purley town centre leisure facilities.

Change

The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

1829/01/003/DM40.4/O	Christine Cafferkey	Object	Soundness - Effective	DM40.4 30	Policy 40.4, Table 11.3, Site 30 (p168) talks about redeveloping the current Purley Pool and multi-story car park site.	Redevelopment would be welcome, but any new leisure centre must include a pool and the policy should make this clear. It should also make clear that the total number of public parking spaces should not go down.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
1843/01/003/DM40.4/O	Mrs A L Winkley	Object		DM40.4 30	I object to Policy 40.4 table 11.3, site 30,		Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
1845/01/002/DM40.4/C	Barry Kay	Comment		DM40.4 30	Car parking in Purley is generally inadequate resulting in surrounding roads becoming increasingly congested by commuters and dangerous. Your suggestion for a public car park must therefore be of sufficient size to accommodate not only their cars but the needs of those using the mixed use development. If it is inadequate the development will fail. I am also concerned that if all your proposed uses are included in the development the site may be too small. A mega storey development would be entirely out of character with the surrounding area and unwelcome.		Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
1845/01/001/DM40.4/C	Barry Kay	Comment		DM40.4 30	Similar to REP 11 I am concerned that there is no specific mention of a swimming pool in your proposed use of the site occupied by the above. This is a necessary facility serving the needs of those living in the south of the Borough. To this end you will be aware of the petition presented and accepted by the Council to save Purley pool earlier this year. Swimming is a great form of all-round exercise whatever your age, reducing risks of heart disease, type 2 diabetes and stroke etc. It is essential that a pool is centrally situated close to amenities particularly public transport and car-parking.	It is essential that a pool is centrally situated close to amenities particularly public transport and car-parking.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

1853/01/003/DM40.4/O	Brian Matthews	Object	DM40.4 30	Policy 40.4, Table 11.3, Site 30 (p168) talks about redeveloping the current Purley Pool and multi-story car park site. Redevelopment would be welcome, but any new leisure centre must include a pool and the policy should make this clear. It should also make clear that the total number of public parking spaces should not go down.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
1856/01/003/DM40.4/C	Chris Sleight		DM40.4 30	Redevelopment would be welcome, but any new leisure centre must include a pool and the policy should make this clear. It should also make clear that the total number of public parking spaces should not go down.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
1886/01/003/DM40.4/C	David Smith		DM40.4 30	Purley Pool Policy 40.4, Table 11.3, Site 30 talks about redeveloping the current Purley Pool and multi-story car park site. Redevelopment would be welcome, but as a pensioner and keen swimmer any new leisure centre must include a pool. Swimming is one of the best ways of ensuring elderly people are able to keep fit when other forms of exercise are not open to them. I believe the policy should make this clear. It should also make clear that the total number of public parking spaces available should not go down.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
1887/01/003/DM40.4/O	David Osland	Object	DM40.4 30	Policy 40.4, Table 11.3, Site 30 (p168) talks about redeveloping the current Purley Pool and multi-story car park site. Redevelopment would be welcome, but any new leisure centre must include a pool and the policy should make this clear. It should also make clear that the total number of public parking spaces should not go down and there should be arrangements made to provide temporary parking during construction.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
1894/01/003/DM40.4/O	Mr & Mrs Derek & Sue Reeves	Object	DM40.4 30	We would make the following objections to the proposed Draft Local Plan which is a poorly disguised attack on the southern part of the Borough Policy DM40.4, table 11.3 Site 30	No change	No change can be made as a result of this comment as it is not detailed enough as to what is being objected to.

1900/01/003/DM40.4/O	Dr S Mohiud-din	Object		DM40.4 30	Purley Pool  Policy 40.4, Table 11.3, Site 30 (p168) talks about redeveloping the current Purley Pool and multi-story car park site. Redevelopment would be welcome, but any new leisure centre must include a pool and the policy should make this clear. It should also make clear that the total number of public parking spaces should not go down. 1919/01/001/DM40.4/O	Andy Bagnall	Object	Soundness - Justified	DM40.4 30	Re Purley Leisure Pool-The proposed use should include specific reference to maintaining a simming pool and not just leisure facilities and/or community facilities. Purley pool is the only community swimming facility in the south of the borough and is widely used by schools and disabled groups. The popularity of the current pool is demonstrated both in terms of usage and the fact that over 6000 signatures were attached to a petition to keep it open earlier this year.  The accessibility of Purley town centre by public transport makes it the best location in the south of the borough for a pool (and convenient facilities encourage more use and exercise helping to meet the council's public health objectives). The Waddon pool is difficult to get to for most users of public transport, and has very little parking. There can't be financial constraints forcing the pool to be closed or the council would not be borrowing several million pounds to build a completely new pool at New Addington.  I very much hope the document can be amended to include a specific reference to maintaining a pool in Purley.	Amend DM40.4, Table 11.13, Site 30 to refer to a swimming pool.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

1926/02/008/DM40.4/O	Councillor Luke Clancy	Object	Soundness - Effective	DM40.4 30	Site 30, Purley Leisure Centre, does not mention that any new leisure centre must include a pool and the policy should make this clear. There should be a requirement that the total number of public parking spaces is not reduced by any development.		Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
1926/01/006/DM40.4/O	Councillor Luke Clancy	Object	Soundness - Effective	DM40.4 30	Policy 40.4, Table 11.3, Site 30 talks about redeveloping the current Purley Pool and multi-story car park site.	Any new leisure centre must include a pool and the policy should make this clear. As noted above, it should also make clear that the total number of public parking spaces should not go down.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
1951/01/003/DM40.4/C	Councillor Steve Hollands	Comment		DM40.4 30	Policy 40.4, Table 11.3, Site 30 (p168) Redevelopment of the Purley Pool and multi story car park is to be welcomed, but any new leisure centre must include a pool and the policy should make this clear. It should also make clear that the total number of public parking spaces will not be reduced.	any new leisure centre must include a pool and the policy should make this clear. 2071/01/002/DM40.4/O	Councillor Mario Creatura <i>London Borough of Croydon</i>	Object		DM40.4 30	Site 30, Purley Leisure Centre, does not mention that any new leisure centre must include a pool and the policy should make this clear. There should be a requirement that the total number of public parking spaces is not reduced by any development;		Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

2093/03/001/DM40.4/O	Loraine Pond	Object		DM40.4 30	Policy 40.4, Table 11.3, Site 30  This email is sent concerning the redevelopment of the current Purley Pool, and to request that the new leisure centre should include a pool (currently not made clear in the policy). The policy should also make it clear that the total number of public parking spaces will not go down.		Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2128/02/019/DM40.4/O	Cllr Steve O'Connell AM	Object		DM40.4 30	The proposed development of Purley Pool and the multi-storey car park must include a pool and ensure that the existing number of public parking spaces are maintained.	The site allocation should include a pool and retain public parking spaces.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2199/01/007/DM40.4/C	August & Wendy Kolster	Comment		DM40.4 30	4.Purley Swimming Pool  Whilst we are no longer active swimmers ourselves, our daughters have until relatively recently used Purley Swimming Pool frequently. We imagine that there are still many other people who still enjoy using Purley Swimming Pool en closing it would necessitate them to travel a considerable distance to alternative swimming facilities. We believe that Purley Swimming Pool is a valuable asset to the Purley area that should be retained.	retain the swimming pool facility of the site	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2213/01/001/DM40.4/C	Mrs S M Whittick	Comment		DM40.4 30			Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2364/01/004/DM40.4/O	Alison Crane	Object	Soundness - Justified	DM40.4 30	Redevelopment of the old Sainsburys site and Purley Pool is a good idea, but no mention is made of including a swimming pool in this development and yet it has been proved in the past that this is a very important part of Purley. The old Sainsburys car park also provides essential parking. Losing this parking facility would put people off people coming to Purley to shop or using Purley station.		Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

2369/01/003/DM40.4/C A Smith

DM40.4  
30

Purley Pool should not be sacrificed to residential or commercial development. There are SO FEW leisure facilities in Purley as it is. A number of your development proposals seem to suggest a severe reduction in the number of parking spaces available in both Purley and Coulsdon. As there is currently an acute shortage of parking spaces in both towns, this aspect of your proposals is clearly flawed. If residents/visitors have little or no access to parking, even for limited periods, trade will suffer and eventually decline will be unstoppable.

Change

The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

2380/01/001/DM40.4/O M H Roach

Object

DM40.4  
30

Table 11.13, site 30 - The proposal does not make specific mention of a 25m swimming pool, although retails outlets, residential accomodation (flats) and others are.

Other than Tesco's and the many café's, hairdressers, estate agents and restaurants, Purley has no community facilities such as the present Purley pool and gym it is important that this leisure facility should remain available to people south of the borough even through development of the site may well cause disruption for a period of time.

Planning should take note of the wishes of the people as demonstrated when some 6400 signatures presented to the Council following announcement of pending closure of our pool a year or so ago.

Change

The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

2555/02/003/DM40.4/O	Mr & Mrs Michael Brigden Woodland Way Residents' Associa	Object	DM40.4 30	<p>We disagree with the wording of the proposal which we feel is ambiguous. If the proposal is approved as currently worded almost anything can be built on the site. Furthermore there is no specific mention of a swimming pool and we think there should be. The site currently houses a swimming pool and a gym. This is an important facility and is currently well used by young and old throughout the day. Its location, close to the station is particularly helpful for residents who want to exercise before going to work or on their way home. If it is proposed to demolish the current pool we feel that the provision of a pool and gym should be specifically written into the planning proposals. This facility should be in Purley, to provide such an amenity in the south of the Borough and ideally should be close to the station. The proposed use should be "Mixed use redevelopment, incorporating a new leisure centre, to include a 25m indoor swimming pool, a children's/learners pool and a fully equipped gym. Other community facilities, such as healthcare facilities, creative and cultural industries enterprise centre, retail, residential accommodation and public car park". We believe there should be no ambiguity about the development as there was a massive petition when closure of the pool was mooted only recently with over 6400 signatures presented to the council objecting to pool closure. The debate which followed showed overwhelming support to retain the pool and we feel that this should now be acknowledged by the present council.</p>	Change	<p>The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accommodation'.</p>

----------------------	---	--------	--------------	---	--------	--

Regarding the current Public Consultation and invitation to comment on the Local Plan, Detailed policies and Proposals, I would comment as follows.

The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

Government/ DHSS has made clear that the UK as a whole - including Croydon - has a desperate need to encourage and provide facilities for increased exercise by all sections of the population. Whilst more affluent individuals and families can afford private facilities, it is perhaps stating the obvious that this today implies every opportunity should be taken by local authorities to provide such facilities for the less advantaged sections of the community.

The existing Swimming Pool and Gym currently serve to address this requirement in South Croydon. It is difficult to see how any move to change this can be justified when the area's facilities already fall so far behind others - having recently returned from the Isle of Bute in Scotland where a similar facility to that currently at Purley serves an island population of perhaps five thousand, compared with South Croydon's two or three facilities serving perhaps two hundred thousand!

The existing facility is much used by many sections of the community, not least the disabled, younger and older groups, schools, and has been strongly supported by the public whenever its continued existence has been questioned.

Inasmuch as the role of the Council, and its subordinate Planning bodies, should be reflective of the public's wishes, it is clearly a deficiency of the current "Proposed use" of site ref. 30 that such a vague statement is proposed.

I would suggest that the "Proposed use" should be amended to specifically include: "...any redevelopment to include, as a matter of priority, the continued maintenance of the 25m swimming pool and fully equipped gym facilities throughout and beyond any redevelopment period"

2606/01/002/DM40.4/O	A&J Mitchell	Object	DM40.4 30	We object to Purley Pool	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2635/01/031/DM40.4/O	Paul Sandford <i>Bourne Society</i>	Object	DM40.4 30	Purley Leisure Centre, does not mention that any new leisure centre must include a pool and the policy should make this clear. There should be a requirement that the total number of public parking spaces is not reduced by any development	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2714/01/003/DM40.4/O	Claire and Michael Shallcross	Object	DM40.4 30	<b>PURLEY POOL</b>  Policy 40.4, Table 11.3, Site 30 talks about redeveloping the current Purley Pool and multi-story car park site. We have no objection, in principal to redevelopment, but any new leisure centre must include a pool and the policy should make this clear. As noted above, it should also make clear that the total number of public parking spaces should not go down.  We are only too well aware that when Astoria Court was built (on the site of the old cinema) we were told that the new development would include a small cinema - which of course did not happen. This must not be allowed for the pool.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2730/01/002/DM40.4/O	Mr David Turner	Object	DM40.4 30	Re Purley Lesiure Centre I am surprised that plans are being made to alter the existing centre, so as it had a repair earlier that year. The point that as now the pool is extensively used by local residents and schools, no doubt this important facility would not be included in any new format.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

2741/01/003/DM40.4/C	Mr Colin Dunk	Comment	Soundness - Effective DM40.4 30	Redevelopment of this site would be welcome, but there are no commitments around maintaining Purley Pool, or the level of parking available to the town.	Both of these resources need to be protected for local residents and visitors and the policy should make that clear.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2781/01/001/DM40.4/O	Graham Bass	Object	DM40.4 30	There needs to be a new 25m. swimming pool for the South of the Borough. It could be, but doesn't have to be, on this site. For a good model for the use of the site see the pre-application plans drawn up by Polaska, in conjunction with our Planning Dept during 2008, comprising some 300 homes, a pool (which as I said above I'd trade for more housing), a Library (freeing up the existing inaccessible & too damp for books building for alternative/better use), Car Parking (to replace what is currently fully used to support local workers & shoppers plus an appropriate amount for new residents), Retail, plus an improved site layout that logically links the station & town centre.	The site allocation should include housing, a library, car parking and retail.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2783/01/002/DM40.4/O	Graham Topliss	Object	DM40.4 30	While I agree that the current facilities in Purley do need redeveloping, I feel that retaining a swimming pool is essential in the area, and one with adequate parking, unlike the Waddon Leisure Centre at Fiveways		Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2784/01/006/DM40.4/O	Iain Waterson	Object	DM40.4 30	Similarly, whilst redevelopment of the Purley Pool and multi-story car park site would be more than welcome the total number of public parking spaces should not go down given the problems with parking in Purley town centre.  Additionally any new leisure centre must include a pool and the policy should make this clear. Currently there is no access to any other public pool in the south of the borough of Croydon without undertaking a substantial journey, especially if attempting to use public transport due to the lack of parking spaces (such as is encountered at the Waddon centre).		Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

2785/01/003/DM40.4/O	Ian Cutts	Object	Soundness - Effective DM40.4 30	This site requires consultation and consideration without a reduction of parking, the current under use of parking is related to security issues and poor design of the original.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2789/01/001/DM40.4/O	R P Reed	Object	DM40.4 30	<p>Comments on Croydon Local Plan</p> <p>As a Purley resident I would like to comment on the above. I hope that my comments will be considered in this format, as I did not pick up a representation form when I attended the meeting at Purley Baptist Church on 8.12.15.</p> <p>Ref no.Site name 30 Purley Leisure centre etc</p> <p>There is no mention of a swimming pool in the proposal – at least a 25 metre pool is required (otherwise a public swimming pool could be incorporated at the Ref 490 proposed school). The capacity of the development's multi-storey car park will have to be much greater than the size of the current car park to accommodate today's users and the new residential units in the development.</p>	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2796/02/003/DM40.4/O	Roy Stone <i>South Woodcote Residents Associ</i>	Object	DM40.4 30	<p>It is welcomed that the current Purley Pool and multi-storey car park might be redeveloped but any new leisure centre must include a pool, if the current one is not to be refurbished, and the policy should make this clear. It should also be clear that the total number of parking spaces should not be reduced in any way whatsoever.</p> <p>-Purley Pool is the only community swimming facility in the South of the borough.</p> <p>-The current pool is widely used by schools, disabled groups and children and provides lessons.</p> <p>-Swimming provides considerable health benefits, which benefit all and is particularly important in the South of the borough which has the highest proportion of over 65 year olds across Croydon.</p> <p>-The accessibility of Purley Town Centre by public transport makes it the best location in the South of the borough for a pool.</p> <p>-There is insufficient capacity at Waddon Pool to take the Purley Pool users, apart from Waddon being difficult to get to for many and having little parking provisions.</p>	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

2800/01/001/DM40.4/O	Mr John Freeman	Object		DM40.4 30	<p>Purley pool is the only community swimming facility in the south of the borough. The pool is widely used by schools, disabled groups and has children and adult lessons, aqua aerobics and other activities. Swimming provides considerable health benefits which is particularly important in the south of the borough which has the highest proportion of over 65s across Croydon. The accessibility of Purley by public transport makes it the best location in the south of the borough for a pool. The popularity of the current pool, both in terms of usage and the fact that over 6000 signatures achieved earlier this year to keep it open. There is insufficient capacity at Waddon pool to take Purley pool users and current users are not just from Purley but also Selsdon, Sanderstead and Coulsdon, constituting a significant part of the borough's population.</p>	The site should provide a swimming pool.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2804/01/003/DM40.4/O	Jim Gibbons	Object		DM40.4 30	<p>Any new leisure centre must include a pool and the policy should make this clear. It should also make clear that the total number of public parking spaces should not be reduced.</p>		Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2819/01/002/DM40.4/C	Peter Dolling	Comment	Soundness - Effective	DM40.4 30	<p>Inadequate car parking in new developments would only increase demand for street parking and slow traffic flow as would reduction of existing public car parking.</p> <p>In my opinion a car is no longer a luxury but more an essential for our way of life. I agree with you public transport should be used wherever possible. With it virtually a necessity for the husband and wife to work and at the same time bring up a family. Time is limited dropping off and collecting children at child minder, grand parents or school in some cases with babies before going off to work. Fitting in after school activities and shopping. In such circumstances time is tight and public transport is not an option.</p> <p>As regards to cycling I am not convinced how practical this is and when travelling around Croydon see very little use of cycling lanes. I agree it is desirable but I think it is being pushed by a small but vocal minority and not a suitable means of transport for the majority</p>		Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

2828/03/001/DM40.4/S	Mr Eugene Regan	Support	DM40.4 30	Purley Pool Redevelopment would be welcome, but any new leisure centre must include a pool and the policy should make this clear. It should also make clear that the total number of public parking spaces should not go down.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2833/01/002/DM40.4/O	Jeff and Susanne Webb	Object	DM40.4 30	While redevelopment would be acceptable to incorporate a pool, we consider it would be absolutely essential to incorporate the same number of parking spaces that we currently have in the multi-storey.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2834/01/002/DM40.4/O	Kathleen Tomlin	Object	DM40.4 30	If you get rid of the pool/car park in Purley, you must replace it with equal car parking spaces & better pool. If you continue in this vein, my husband & I will move out of the area, to somewhere up North, where they plan things differently!! Your loss, our gain - pity, as this should be a really nice place to live, but you are definitely spoiling it.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2841/01/024/DM40.4/O	Cllr Vidhi Mohan <i>London Borough of Croydon</i>	Object	DM40.4 30	Site 30, Purley Leisure Centre, does not mention that any new leisure centre must include a pool and the policy should make this clear. There should be a requirement that the total number of public parking spaces is not reduced by any development;	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2847/01/009/DM40.4/S	<i>Polaska Developments</i>	Support	DM40.4 30	We fully support the objectives for Purley Leisure Centre, car park and former Sainsbury's supermarket.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

2850/02/003/DM40.4/O	Elizabeth Killick	Object	DM40.4 30	ANY DEVELOPEMENT MUST RETAIN /REPLACE THE POOL AND RETAIN CARPARKING SPACES.SWIMMING IS A GOOD FORM OF EXERCISE AND WE CONTINUE TO HAVE A PROBLEM WITH OBESITY ETC	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.	
2854/01/001/DM40.4/O	James Fleury <i>Nouvague</i>	Object	DM40.4 30	I am writing to you as a Purley resident, young entrepreneur and local business manager regarding the uncertainty around the future of Purley Pool. Thanks to my dad Charlie, who is has been an active user of the pool for over 20 years, I learnt the value of Purley pool from such a young age - I was only a year old when he first started taking me there. An ex-Margaret Roper and John Fisher pupil, we were fortunate enough to learn to swim using Purley pool, and, now thanks to this training, I regularly swim, visiting the pool on average 3/4 times a week as part of my regular exercise routine. As a young entrepreneur who runs his business from home, the pool is perfect for me. It allows me to access it off-peak - when everyone's at work - and when I stay in Canary Wharf for work, I am still able to get to the pool via train and tube - something that I cannot do for either Waddon or South Norwood Leisure centre easily, because I don't drive. Did you know that many of my friends don't drive, because of our excellent travel facilities? We ALL rely on the accessibility of the pool - that's something that is vital to people coming to exercise regularly. I know that, if the pool closed, I probably would give up my routine, because I would lose so much time travelling on buses to an alternative leisure centre on the other side of the Borough. If there's one thing I can ask of you, it would be to listen to the people who live in the South of the borough. Speak to school children, elderly people of the area, disabled users of the pool, as well as active community members about what makes Purley pool so important, not just for our local area, but for the entire borough. If we love and invest in it as our Croydon residents do, we'll have a first-class leisure for all to enjoy in Croydon and beyond.	The site should include a requirement for a pool.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

2906/03/002/DM40.4/O	Mr Gerald Smith	Object		DM40.4 30	Do you think that the preferred approach is the most appropriate for Croydon to help us meet our Strategic Objectives set out in Section 3? - No it remains to be seen if objections are taken into account. Do you think that the preferred approach is deliverable?- No the onus for this is on the council. Is it sustainable? See response below- I agree with redevelopment of the pool and car park but there must be no loss of car park space and much improved conditions for those to swim.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2962/03/002/DM40.4/O	Charlotte Lewis	Object		DM40.4 30	I would ask that a swimming pool be kept at Purley. I live in Coulsdon & do not have a car so if I am to go swimming then it needs to be somewhere I can get to by bus. I have not been swimming for a long time, I haven't been able to afford it lately, but in the new year I hope to win an appeal against the DWP & then I will need to do something about me being one of those over-weight/obese middle-aged women that are apparently as dangerous as floods & terrorists.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2963/01/003/DM40.4/O	Mrs A Djemil	Object	Soundness - Effective	DM40.4 30	Policy 40.4. Purley Pool should be kept as it provides a valuable local service.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

2970/01/004/DM40.4/O	Janet Dean	Object	DM40.4 30	<p>I understand that the following Policies will threaten our green spaces. I was born in Croydon and have lived in this area all my life (I am now 63). My parents came here from Scotland in the early 1950s. They chose this area specifically for its green spaces and it is quite unique in that facility. I spent more than 35 years in Real Estate in this area and know very well that the reason people continue to move here, is exactly for these facilities and yet remaining within easy reach of other amenities, London, the coast and airports. Of course, more housing is required but I believe the alternative suggestions to these proposals to be very valid and much more in keeping with the neighbourhood thus maintaining its attractiveness and good standard.</p> <p>These proposals are ill conceived and will change this particular neighbourhood beyond all recognition and take away that for which it is well known and valued. Please hear the voices of people like me and do NOT continue with the proposed policies set out below and which can be found in your Local Plan:</p> <p>3. Policy 40.4, Table 11.3, Site 30</p>	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
----------------------	------------	--------	--------------	--	--------	--

2973/01/001/DM40.4/O	Mrs Jane Cole	Object	DM40.4 30	<p>I have been reading parts of the Croydon Local Plan (my husband has attended one of your local meetings) and one aspect I am particularly concerned with is the lack of a specific commitment in the plan to a swimming pool in Purley. When we moved into the area in 1977 we were delighted when the Council let Sainsbury's build on the central car park near Purley railway station - as long as they provided a multi storey carpark and public swimming pool. We have made great use of the swimming pool in Purley over the years. Both our children learnt to swim there - lessons, family visits and school visits. Now I am retired I appreciate the opportunity to keep fit and mobile (especially the aqua aerobics helping my joints) using the pool. I know your plan mentions leisure facilities but we specifically need a public swimming pool. I now have two grandchildren living locally and hope they will be able to benefit from using a swimming pool in Purley in the years to come.</p>	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
----------------------	---------------	--------	--------------	---	--------	--

2978/01/004/DM40.4/O	Mr James Marland	Object	DM40.4 30	Redevelopment welcomed but only if the level of facilities is maintained i.e. there must be a swimming pool included in any new leisure facilities and the car park should remain a car park of the same or greater size.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accommodation'.
2982/01/004/DM40.4/O	Mrs Jeanne Driscoll	Object	DM40.4 30	I wish to add my objections made on this document by our local M.P. Chris Philp.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accommodation'.
2984/01/003/DM40.4/O	Jennifer Flanagan	Object	DM40.4 30	The Purley Pool and multi story car park site must form part of the redevelopment of this site. Car parking spaces should be retained at the same level as available now.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accommodation'.

I was disappointed to see that the Croydon Local Plan only stipulates that leisure facilities should be incorporated in any future development of the site in Purley which currently includes the swimming pool. I would strongly urge that an amendment is made to ensure that a swimming pool will continue to be provided in Purley. When the current administration proposed that Purley Pool be closed as part of the budget proposals a compelling argument was made by users, the local community and others to keep the pool open and I do not see the need to repeat those arguments here as they are already well documented and recorded. Suffice it to say that they did result in a change of policy which I assumed would have been reflected in the Local Plan. I will however make my own individual case. I am a pensioner living in Coulsdon and do not drive. Waddon is really not a practical alternative (even for drivers given the shortage of car parking space). I swim for 45 minutes twice a week and for me this is crucial for my health, fitness and well-being. I live on a hill and had to stop cycling as I could no longer manage it. I used to use the gym but suffer too badly now from osteo-arthritis and swimming not only keeps me fit but helps to control the pain. My life, and I am sure that of many others, would be seriously adversely affected if Purley Pool were to close without another pool being provided in the south of the borough.

The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

I was disappointed to see that the Croydon Local Plan only stipulates that leisure facilities should be incorporated in any future development of the site in Purley which currently includes the swimming pool. I would strongly urge that an amendment is made to ensure that a swimming pool will continue to be provided in Purley.

The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

2994/01/001/DM40.4/O	Mr Charles Fleury	Object	DM40.4 30	I am writing in relation to a notice displayed at Purley Leisure Centre, in relation to the "redevelopment of Purley Leisure Centre, car park and former Sainsburys supermarket". Firstly, may I start by stating that I am a member of Purley Leisure Centre and have been for many years. I am fully aware that the redevelopment programme has been ongoing for quite a few years now and in principle I do not have any objections in this area. However, I do have concerns in relation to the uncertainty and lack of information surrounding the refurbishment of the swimming pool in the leisure centre redevelopment plans. The swimming pool and leisure centre is one of the few positives aspects of the town centre and surely must remain. I say this, as I have lived in all parts of this borough for almost all my life (54 years) and Purley has always been something that the borough can be proud of. The swimming pool and leisure centre is part of the Purley community, which also serves all residents and businesses in the south of the borough. I know the redevelopment will come at a cost which may result in increased subscriptions, but I would be prepared to accept this as long as the facility was greatly improved. Can you please confirm that the swimming pool will remain and be part of the redevelopment plans.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2999/01/011/DM40.4/O	Mr John Harris	Object	DM40.4 30	I am writing to object to Redeveloping Purley Pool and the car park at 54-58 Whytecliffe Road South  Redevelopment of the pool as detailed in Policy 40.4, Table 11.3, Site 30 (p168) would be welcome, but any new leisure centre must include a pool and the policy should make this clear. It should also make clear that the total number of public parking spaces should not go down.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3003/01/003/DM40.4/O	Mr John James	Object	DM40.4 30	I would like to register my objection to the following policy reference numbers DM 40.4, Table 11.3, Site 30 (Purley pool)	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

3004/01/003/DM40.4/O	Mr John Pewtress	Object		DM40.4 30	Car parking must be preserved or replaced with equivalent number of spaces within the immediate area.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3013/01/002/DM40.4/O	Mrs Julie Goacher	Object		DM40.4 30	I also, do agree that Purley pool needs re-development, but into a new leisure centre with updated services. I would definitely use a re-furbished leisure centre with a pool as Waddon is much further for us and the parking and traffic is very unfavourable in Waddon. I would love to support a local pool with all my family. My daughter recently used the pool with her school, Woodcote Primary, and this would not have been possible without a very local pool. It would definitely enhance the area and community to be updated and attract much more use. As many residents go to the next borough of Sutton to the re-furbished Westcroft as it was so much improved for being modernised.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3020/01/002/DM40.4/O	Joanne Darville	Object	Soundness - Justified	DM40.4 30	I object to the following policies:  40.4- any development should save the pool in purley. We have already lost a cinema, without a pool, there is no local things to do.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3036/01/003/DM40.4/O	Mrs Sally Justice	Object		DM40.4 30	The swimming pool is invaluable, even more so as Purley is full of old people now who need this type of exercise and cannot or couldn't travel to Waddon or Carshalton etc. What about the children who go there, how would the local schools be able to take them anywhere else?	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3039/01/003/DM40.4/O	Samantha Freeman	Object	Soundness - Effective	DM40.4 30	In particular I object to:-  3. Any redevelopment of the Purley pool site that would mean losing the pool (40.4 table 11.3, Site 30)	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

3046/01/004/DM40.4/O	Stephanie Lawson	Object	DM40.4 30	I object to this policy regarding the redevelopment of the current Purley Pool and multi-story car park site. It is important that the policy makes clear that any new leisure centre must include a pool and also that the total number of public parking spaces should not go down.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3081/01/003/DM40.4/O	Mr John Morgan	Object	DM40.4 30	Policy 40.4, Table 11.3, Site 30 (p168) talks about redeveloping the current Purley Pool and multi-story car park site. Any new development must include a new pool facility.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3091/01/003/DM40.4/O	Mr Paul Gomm	Object	DM40.4 30	please note my objection to the following policy reference numbers within your current draft plan for planning & development;	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3095/01/002/DM40.4/O	Mr Paul Kelly	Object	DM40.4 30	It is critical that we retain the health, leisure and swimming facilities. Particularly for our young people and future generations	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3124/01/003/DM40.4/O	Mr Gerald Lambert	Object	DM40.4 30	The present multi-story car park, despite the fact that the lifts don't work and the stairs are filthy and insanitary, is an essential facility as the on-street parking is inadequate. Redevelopment is desirable but must include adequate secure parking.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

3157/01/003/DM40.4/O	Mr James Clarke	Object		DM40.4 30	Purley Pool DM40.4 When this is developed it is essential it includes a pool as the nearest alternative at Waddon is not viable as many of the people who currently use Purley are senior citizens who would find getting to Waddon very difficult	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3162/01/004/DM40.4/O	Mr Joe Toner	Object		DM40.4 30	I would like to voice my object to the following plan DM40.4.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3167/01/001/DM40.4/O	Maria Mitc	Object		DM40.4 30	I am writing to give my support for Purley pool. I work at Christ Church C of E Primary school and we have lessons weekly for the children in the school. These lessons are crucial to the children an essential life skill in swimming and whom many would otherwise not get the chance to go.	Welcome support	
3185/01/003/DM40.4/O	Mr Stephen Woodward	Object		DM40.4 30	We have lived in Sanderstead for over 40 years, and have thoroughly enjoyed the areas to the south of Croydon being unspoilt. In our view these ill conceived proposals will change this area beyond recognition and take away that for which it is well known and valued. Please rethink, and do not continue with the proposed policies set out below and which can be found in your Local Plan: Policy 40.4, Table 11.3, Site 30 (p168)	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3225/01/003/DM40.4/O	Sandra Dudman	Object	Soundness - Effective	DM40.4 30	3) 40.4 Table 11.3 site 30 p168. The redevelopment of Purley Pool and multi-storey car park These redevelopment should include a swimming pool and at least the same numbers of car parking spaces	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

3234/01/004/DM40.4/O	Mr Peter Newman	Object		DM40.4 30	I specifically object to: 40.4 Purley Pool. Again I suspect you really want to close it. It's a great amenity but is starting to show its age. What is wrong with updating or rebuilding the centre and including a new pool and leisure facilities? Why do I suspect that the developers are again driving this agenda and we all know what they want. Build to the boundaries with flats.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3259/01/003/DM40.4/O	Andrew Bance	Object	Soundness - Justified	DM40.4 30	I live in Purley, and am writing with regards to the Croydon Local Plan, about which I have the following comments:  3.Policy 40.4 (Table 11.3, Site 30) talks about redeveloping the current Purley Pool and multi-story car park site. This would be welcome, but must include a new leisure centre with a pool and the policy should make this clear. The wording is such that multiple options are available including building only shops or residential accommodation. We need to maintain a leisure centre, and we already have plenty of shops and residential accommodation.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3260/01/003/DM40.4/O	Wayne Starr	Object		DM40.4 30	The site is very much in need of redevelopment. However, I would appeal to the council to ensure the retention of a large swimming pool facility with ample parking. Public transport only goes so far to meeting the needs of residents who use the pool. I am able to walk to the pool despite being in near constant pain. if i lived any further away I would have to consider driving there and there are many people who would find being able to park at the facility more practical that relying on public transport.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3273/01/003/DM40.4/O	Mary Sales	Object		DM40.4 30	Please do not destroy your area of responsibility DM2 will lead to more flooding - it's already happened in Purley through too much development.  DM40.4 the Government want us to be fitting and this is the only public swimming pool in the area  DM44.2 Coombe Wood Gardens .. a beautiful area for your voters both north and south of the borough the green belt is precious to everyone  DM28 If you don't want to destroy local businesses you must allow people to park their cars. More homes will just mean more cars	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

3275/01/003/DM40.4/O	Suzanne Connor	Object	DM40.4 30	<p>With reference to the Local Plan which has been proposed, please note my objection to the following policies:</p> <ul style="list-style-type: none"> <li>&gt;</li> <li>&gt; Garden Grabbing</li> <li>&gt; Policy DM2</li> <li>&gt;</li> <li>&gt; Purley Skyscraper authorisation</li> <li>&gt; Policy DM40.1</li> <li>&gt;</li> <li>&gt; Purley Pool</li> <li>&gt; Policy 40.4, Table 11.3, Site 30</li> <li>&gt;</li> <li>&gt; Purley Parking</li> <li>&gt; Policy 40.4, Table 11.3,</li> <li>&gt;</li> <li>&gt; Sanderstead "Lidl" Site</li> <li>&gt; Policy DM41.3, Table 11.14, site 306</li> <li>&gt;</li> <li>&gt; Gypsy/Traveller site on Conduit Lane, next to Coombe Wood Gardens</li> <li>&gt; Policy DM44.2, Table 11.17, site 661</li> <li>&gt;</li> <li>&gt; Loss of Green Belt – (1) Coombe Playing Fields, (2) Croham Hurst, (3) Sanderstead Plantation</li> <li>&gt; The Coombe Playing Fields, currently Green Belt, are being proposed for development in Policy DM44.2, Table 11.17, site 662</li> <li>&gt;</li> <li>&gt; Lack of Parking in new developments</li> <li>&gt; Policy DM28</li> <li>&gt;</li> <li>&gt; More Protection; Less "Intensification"</li> <li>&gt; Policy DM31.4</li> </ul>	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3312/01/004/DM40.4/C	Mr Richard Brandwood	Comment	DM40.4 30	<p>Policy 40.4, Table 11.3, Site 30 (p168) - Clearly Purley Pool and multi-story car park site needs redeveloping. but any proposal MUST include a pool and an equal number of car parking spaces. Similarly if the car park at 54-58 Whytecliffe Road South is re-designated as residential, any proposal MUST include the same provision for public parking spaces as the current car park.</p>	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3316/01/003/DM40.4/O	Mr David Dudman	Object	Soundness - Effective DM40.4 30	<p>3) 40.4 Table 11.3 site 30 p168. The redevelopment of Purley Pool and multi-storey car park These redevelopment should include a swimming pool and at least the same numbers of car parking spaces</p>	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

3319/01/002/DM40.4/O	Mr Ron Thomas	Object	Soundness - Effective DM40.4 30	I object to the following ridiculous proposals...  Policy 40.4, Table 11.3, Site 30 (p168) So you want to change the site into the same site?? What is wrong with it as it is now?	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3322/01/003/DM40.4/O	Mr Richard Driverr	Object	DM40.4 30	I should like to make it known that I object to this which is included in the recently published Local Plan.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3347/01/008/DM40.4/O	Mr Richard Veldeman	Object	DM40.4 30	Policy 40.4, Table 11.3, Site 30 (p168) talks about redeveloping the current Purley Pool and multi-story car park site. Whilst redevelopment may be welcome there must be assurances that any new leisure centre includes a pool and the policy should make this clear. It should also make clear that the total number of public parking spaces should not go down.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3415/01/005/DM40.4/O	Ms C Soroczynski	Object	DM40.4 30	Please note my objections to planning Policy 40.4, Table 11.3, Site 30	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

3430/01/002/DM40.4/O	Mr Donald Speakman	Object	Soundness - Effective	DM40.4 30	Site 30: High street leisure centre, pool, MSCP etc: This site should be completely redeveloped. New plan would include library, some residential, plus car park of same capacity as at present (note: no leisure centre - moved to site 490 - see below). Alternatively, if the leisure centre is retained at this site in a new replacement development, it should include a 25m pool as at present, and with the same amount of car parking as at present Also Site 30: In the detailed policies & proposals document, there is reference to a healthcare facility on this site. This should be removed; Purley Hospital site and the clinic in Whytecliffe Rd S are in the immediate vicinity and should be able to provide any required facility, thus avoiding duplication of services and facilities.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
----------------------	--------------------	--------	-----------------------	--------------	---	--------	--

3456/01/001/DM40.4/O	The Enterprise Swimming Club	Object		DM40.4 30	With the support of Croydon Council, we have been providing swimming sessions for disabled people in Purley and the surrounding area for 56 years since 1959. We are concerned that the amended proposed plan for Purley has now been downgraded from the inclusion of a new Swimming Pool, previously promised, to "incorporating new Leisure Facilities", only. A replacement Swimming Pool in Purley is essential in view of the many organisations; schools; swimming lesson for children and adults; recreation for elderly and retired people and especially for disabled people of all ages for whom we cater. Purley has excellent transport links with all surrounding areas whereas other pools in the Croydon area are difficult to access by public transport and all have inadequate parking facilities for most users, who must therefore arrive by car. The preference for a replacement Pool in Purley has been clearly demonstrated by the petition signed by in excess of 6000 people a few months ago, to keep the existing pool open. Coupled with the above is the need to ensure that sufficient parking is provided close-by, not only for users of the pool, but also to enable the many excellent shops; restaurants and myriad of small businesses to survive and prosper.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
----------------------	------------------------------	--------	--	--------------	--	--------	--

3460/01/002/DM40.4/O	Mr & Mrs Batki-Braun	Object	Soundness - Justified	DM40.4 30	DM 40.4 Site 30. Purley pool is an important part of the public amenities of our town, and is regularly used by a large number of people. Furthermore it is important to maintain the parking capacity of the current multi-storey which is extremely popular. Purley requires parking to maintain its commercial centre, to visit Purley Hospital and the numerous small shops in town. Lack of parking will destroy, rather than improve our town and reduce employment and the livelihood of small shopkeepers and specialist service providers.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accommodation'.
3463/01/010/DM40.4/O	Ms F Wood	Object		DM40.4 30	Please allow the pool to stay in Purley. How else do you expect the public to swim without great costs in private gyms. We do not all have the ability to travel to Waddon. You ask for us to be healthy and then take away swimming facilities.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accommodation'.
3488/01/004/DM40.4/O	Mr Gregory Taylor	Object		DM40.4 30	Policy 40.4, Table 11.3, Site 30 (p168) I am a strong supporter of developing this land and it is a travesty that this hasn't happened already. But any redevelopment must include a pool and provision for parking for people using Purley town centre.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accommodation'.
3515/01/002/DM40.4/O	Rosemary Wiseman	Object		DM40.4 30	Site 30 Purley Pool development. The pool is well used by local residents, schools etc. and it should definitely not be closed. It is not acceptable to expect us to go the Waddon Leisure Centre which means ploughing down an already over busy Purley Way (Again caused by the Council allowing too many retail developments without improving the road system).	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accommodation'.
3516/01/002/DM40.4/O	Mr G Tubb	Object		DM40.4 30	I am particularly concerned with regard to maintaining a swimming pool in Purley. This facility is popular and is good for health, the Purley location is very good for the South of the Borough and its site on bus and train routes enables these facilities to be reached easily by a wide section of persons, schools and clubs based in the South of the Borough. Maintaining the Pool therefore should be written into the local Plan.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accommodation'.

3520/01/001/DM40.4/O	Rachel Thompson	Object		DM40.4 30	Please keep a Pool in Purley. Why do current redevelopment plans not state a pool!? Purley is a hub, we live in South Croydon and can easily use the pool before or after work. Our children swim with the local school. There is no way we can get to Waddon - simple as that. Waddon pool is inaccessible to those in the south. The council may have the idea that the south of the borough is rich and we can all afford huge private membership fees to swim in private pools (that are often tiny) this is not the case. Lets make Purley a destination and have a great pool as part of this. The current pool is a great size and well used. Don't lose the good things about the place as part of so called 'redevelopment'. People are trying to take responsibility for their health and the south of the borough needs an accessible pool for people to do this. Swimming is an exercise everyone can do. Our neighbour goes for a swim at Purley pool as it keeps her arthritis in check, without it she is in pain. Keep a Pool in Purley!	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3523/01/003/DM40.4/O	Mr Mike Rice	Object		DM40.4 30	Dear Sirs,  With reference to the recently published 'Croydon Local Plan', as a resident of the past 25 years I give my views as follows:-  Policy 40.4, Table 11.3, Site 30 (p168).Redevelopment to include swimming pool & no reduction in parking spaces.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3545/01/010/DM40.4/O	Linda Bevin	Object	Soundness - Justified	DM40.4 30	I welcome redevelopment of Purley leisure centre , but any new leisure centre must include a pool and the policy should make this clear. It is not fair that the South of the Borough should not have a swimming pool within easy reach. It should also make clear that the total number of public parking spaces should not decrease.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3559/01/003/DM40.4/O	Mr Michael Southwell	Object		DM40.4 30	Regarding the draft local plan I make the following objection - Purley Pool . This is at present heavily used particularly I understand by the disabled.Is the Council against facilities for these people?	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

3561/01/003/DM40.4/O	Linda Hione	Object	DM40.4 30	Purley Pool Policy 40.4, Table 11.3, Site 30 (p168) talks about redeveloping the current Purley Pool and multi-story car park site. Redevelopment would be welcome, but any new leisure centre must include a pool and the policy should make this clear. It should also make clear that the total number of public parking spaces should not go down.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3571/01/003/DM40.4/O	Mr & Mrs Hewitt	Object	DM40.4 30	Policy DM 40.4, Table 11.3, Site 30 (p168) This talks about redeveloping the current Purley Pool and multi-story car park site. Redevelopment would be welcome, but any new leisure centre must include a pool and the policy should make this clear. It should also make clear that the total number of public parking spaces should not go down.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3577/01/005/DM40.4/O	Mr Peter West	Object	DM40.4 30	I object to Policy 40.4 table 11.3 - All of the above are unacceptable to me as a Sanderstead resident for the last 25 years. We need space and sensible development that compliments the environment. I totally agree with all the point that our member of Parliament has suggested.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3579/01/003/DM40.4/O	Noemi Molloy	Object	DM40.4 30	Any new leisure centre must include a pool and the total number of public parking spaces should be maintained or increased.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3584/01/003/DM40.4/O	Mrs Margaret Lawless	Object	DM40.4 30	I list below the relevant policy References to which I object: 40.1 Table 11.3 Site 30 (p168)	No change	No changes can be made as the result of this comment as it not detailed enough to determine what is being objected to.
3587/01/003/DM40.4/O	Mrs Margaret Laycock	Object	DM40.4 30	I never write to complain about anything but having read also that Purley Pool is due for re-development I would like to ask that it should include having a swimming pool. There are too few amenities in the area as it is and it would be detrimental to lose the only swimming pool all the while agreeing that the plans to re-develop the facility would be welcomed.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

3588/01/003/DM40.4/O	Mr Nigel Jones	Object	DM40.4 30	Table 11.13 Ref 30 does not specifically identify that a swimming pool is to be part of the leisure facilities. In a time when much effort is put into reducing / eliminating obesity this essential aid to healthy living must not be removed from the Purley area.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3592/01/004/DM40.4/O	Nicola Shipp	Object	DM40.4 30	As a resident of Croydon all my life, I wish to register my opposition to the following "plans".... DM 40. 4 SITE 30 – Purley Pool, This neglected facility should be keep for local people.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3708/01/004/DM40.4/O	Mrs J McDonald	Object	DM40.4 30	I feel any redevelopment must include a pool and that parking levels should be maintained.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3710/01/002/DM40.4/O	Mr J Nolan	Object	DM40.4 30	I am horrified at the idea of an eyesore being erected in the centre of Purley, which would be totally out of keeping with the character of the town.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3734/01/003/DM40.4/O	Mr & Mrs Mott	Object	DM40.4 30	I object to this site allocation.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

3736/01/001/DM40.4/O	Mr Tim Parsons	Object		DM40.4 30	<p>I am writing to add my support to the campaign to continue to have a pool in Purley it is vital to have an explicit commitment to one in future plans.</p> <ul style="list-style-type: none"> <li>- Purley pool is the only community swimming facility in the south of the borough</li> <li>- swimming provides considerable health benefits, which benefits all and is particularly important in the south of the borough which has the highest proportion of over 65s across Croydon</li> <li>- the accessibility of Purley town centre by public transport makes it the best location in the south of the borough for a pool (and convenient facilities encourage more use and exercise)</li> <li>- the current pool is very popular - both in terms of usage and the fact that over 6000 people signed a petition earlier this year to keep it open</li> <li>- at a Council meeting earlier this year keeping the pool open received full support from councillors-</li> <li>- current users are not just from Purley but also Selsdon, Sanderstead, Coulsdon constituting a significant part of the borough's population.</li> </ul>	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accommodation'.
3750/01/004/DM40.4/O	Mrs Anne Turner	Object		DM40.4 30	<p>I would like to put in writing my objections to the following local plans: I am listing the relevant Policy Numbers:</p> <p>3. 40.4 Table 11.3. Site 30 - Purley Pool</p>	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accommodation'.
3767/01/001/DM40.4/O	Mr K Dawson	Object	Soundness - Effective	DM40.4 30	<p>I have had the opportunity to read the proposals in the recently published Local Plan for Croydon and am submitting my views by the 18 December 2015 deadline.</p> <p>Table 11.13: Ref 30:-</p> <p>I have previously signed a petition to oppose the closure of Purley Pool - any redevelopment of that site MUST include a 25m pool for use by residents, schools, clubs, disability organisations etc. I note that it is on the list of potential developments, but that 'leisure facilities' don't appear to specify a pool.</p>	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accommodation'.

3779/01/004/DM40.4/O	Mr Andrew Frazer	Object	DM40.4 30	Policy 40.4 Redevelopment would be welcome here, but the Purley Pool must be retained for the use of those living south of the borough.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3782/01/006/DM40.4/O	Mr David Reid	Object	DM40.4 30	Policy 40.4 / Table 11.3. Purley Pool. Given the paucity of public swimming facilities in Croydon, and the ever increasing emphasis on more healthy lifestyles for all age groups, it is essential that this facility should be preserved whatever other changes may be made in this location. Furthermore adequate parking should be maintained in its support. Any version of the Plan should spell this out specifically.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3794/01/003/DM40.4/O	Mr Thomas Lawson	Object	DM40.4 30	I object to this proposal on the premise that it is totally out of character with the rest of the town centre which consists of much shorter buildings.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3795/01/004/DM40.4/O	Mr Tony Connor	Object	DM40.4 30	With reference to the Local Plan which has been proposed, please note my objection to the following policies: Purley Pool Policy 40.4, Table 11.3, Site 30	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3796/01/003/DM40.4/O	Mr Tony Sales	Object	DM40.4 30	I am emailing to record my objection to the following policies within the 'Local Plan'.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

3804/01/038/DM40.4/C	Cllr L Hale <i>London Borough of Croydon</i>	Comment	DM40.4 30	Site 30, Purley Leisure Centre, does not mention that any new leisure centre must include a pool and the policy should make this clear. There should be a requirement that the total number of public parking spaces is not reduced by any development	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3810/01/003/DM40.4/O	Joan Sabatini	Object	DM40.4 30	This refers to the redevelopment of the current Purley pool. Sympathetic redevelopment would not be opposed, but any new leisure centre must re-instate a pool and the policy must make this clear. The existing number of parking spaces must not be reduced.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3812/01/003/DM40.4/O	Mr Peter Spragg	Object	DM40.4 30	Policy 40.4, Table 11.3, Site 30 (p168) refers to redeveloping the current Purley Pool and multi-story car park site. Redevelopment may well be welcome, but any new leisure centre must include a pool and the policy should make this clear. It should also make clear that the total number of public parking spaces should not be reduced.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3813/01/003/DM40.4/O	Mr Brandon Hannan	Object	DM40.4 30	Policy 40.4, Table 11.3, Site 30 (p168) talks about redeveloping the current Purley Pool and multi-story car park site. Redevelopment would be welcome, but any new leisure centre must include a pool and the policy should make this clear. It should also make clear that the total number of public parking spaces should not go down.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3814/01/004/DM40.4/O	Mr Jon Adams	Object	DM40.4 30	Policy 40.4, Table 11.3, Site 30 (p168) discusses development of the current Purley Pool and multi-story car park site. Redevelopment would be welcome, but any new leisure centre must include a pool and the policy should make this clear. It should also make clear that the total number of public parking spaces should not be reduced.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

3819/01/003/DM40.4/O	Mr Michael Drury	Object		DM40.4 30	I notice that in your Local Plan for development of the area there are several proposals which deserve reconsideration before they are promulgated. 2 Purley Pool policy DM40.4 Table 11.3 Site 30 - The site certainly needs redeveloping as the car park is unsanitary and a disgrace. A swimming pool is a necessity if we are to encourage children to be active and participate in sport as the government is keen on encouraging.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3829/01/010/DM40.4/O	Dr L Bowen-Long	Object	Soundness - Justified	DM40.4 30	Purley Pool – Redevelopment of that area of Purley, including car park, needs to include plans to retain and improved pool facility – for car parking, see following paragraphs.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3832/01/001/DM40.4/O	Mr L Porkolab	Object		DM40.4 30		Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3837/01/006/DM40.4/O	Mr & Mrs Hooper	Object		DM40.4 30	Policy 40.4 Table 11.3 Site 30. As mentioned above sporting facilities are valuable national assets and the retention of a good swimming pool in any redevelopment is most important. Also the present number of parking places must be maintained.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3849/01/004/DM40.4/O	Maureen Messett	Object		DM40.4 30	I sincerely hope that my objections will be noted. I have lived in this borough for many many years and I hate seeing it gradually destroyed.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

3855/01/006/DM40.4/O	Mrs Gill Willis	Object	DM40.4 30	Purley Pool area should remain as a leisure Centre which contains a pool. It is well in need of redevelopment and to have a well laid out leisure centre with pool will greatly benefit the community.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3864/01/003/DM40.4/O	Pauline Morgan	Object	DM40.4 30	Policy 40.4, Table 11.3, Site 30 (p168) talks about redeveloping the current Purley Pool and multi-story car park site. Any new development must include a new pool facility.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3896/01/010/DM40.4/O	Mr M Veldeman	Object	DM40.4 30	The arguments for keeping the pool have been laid out time and again. Purley needs some sort of community area. You cannot keep putting in more and more people into the area without any sort of recreation and health facilities. The pool is well used by schools and would be a huge loss to the area if it disappeared.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3897/01/028/DM40.4/O	Cllr M Neal	Object	DM40.4 30	Site 30, Purley Leisure Centre, does not mention that any new leisure centre must include a pool and the policy should make this clear. There should be a requirement that the total number of public parking spaces is not reduced by any development;	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3903/01/004/DM40.4/O	Mr & Mrs Kim	Object	DM40.4 30	We object to the following proposed plans. 40.4Table 1.3 Site 30	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

3940/01/003/DM40.4/O	Shirley Shephard	Object		DM40.4 30	Policy 40.4, Table 11.3, Site 30 (p168) talks about redeveloping the current Purley Pool and multi-story car park site. Redevelopment would be welcome, but any new leisure centre must include a pool and the policy should make this clear. It should also make clear that the total number of public parking spaces should not go down	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3941/01/003/DM40.4/O	Mr Frances Sell	Object		DM40.4 30	Redevelopment and regeneration is good provided that public parking would not be less than that which exists. A swimming pool is good and is badly needed in this part	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3953/01/001/DM40.4/O	Mrs J Buckley	Object	Soundness - Justified	DM40.4 30	Poor Purley! no bowling anymore, no Cinema anymore, we don't have much left!!! please amend the new policy which leaves enough loopholes for there not to be a Pool in Purley, its soooo important; families can play together, babies to 100yr olds can enjoy, if you arn't able bodied or fit, you can still enjoy, Purley pool is the only community swimming facility in the south of the borough ,current pool widely used by schools, disabled people and groups, and has children and adult lessons, aqua aerobics and other activities, swimming provides considerable health benefits, which benefits all and is particularly important in the south of the borough which has the highest proportion of over 65s across Croydon, the accessibility of Purley town centre by public transport making it the best location in the south of the borough for a pool(and convenient facilities encourage more use and exercise) the popularity of the current pool-both in terms of usage and the fact that over 6000 signatures achieved earlier this year to keep it open Council meeting earlier this year received full support from councillors for keeping the pool open insufficient capacity at Waddon pool to take Purley pool users(as well as Waddon being difficult to get to for most, and having very little parking which is often full) , current users are not just from Purley but also Selsdon, Sanderstead, Coulsdon constituting a significant part of the borough's population. Please let it stay or be replaced like for like.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

3956/01/003/DM40.4/O	Mrs M Lam	Object	DM40.4 30	I also oppose the demolition of Purley swimming pool because we use the gym and the pool quite often (40.4). If Croydon Council want to demolish it despite of local opposition, a new fitness complex including a swimming pool should be built in Coulsdon or Kenley area.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3960/01/003/DM40.4/O	Mrs R Jennings	Object	DM40.4 30	Policy 40.4 Table 11.3 site 30 - redevelopment of purely pool is a good idea but it needs to maintain a public pool with an increase in parking spaces.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
3965/01/001/DM40.4/O	Mrs A Gathey	Object	DM40.4 30	<p>I would like to protest at the proposed redevelopment of Purley Leisure Centre (site reference number 30). It is clear from the ambiguous wording of the proposal that there is no intention to provide a gym and swimming pool comparable to the ones we have in the leisure centre, and indeed it is a disgrace that this proposal should be entertained in view of the 100% support for Purley Leisure Centre given by councillors only a few months ago, after the full council debate caused by the massive local support for the centre.</p> <p>My husband and I use both the swimming pool and the gym regularly and would have great difficulty in accessing the alternative centres in Waddon or Roundshaw. We hope it is not necessary to ask our MP to once again intervene to protect the interests of local people whose views a Labour council seems determined to ignore. I hope soon to hear that the proposals have been scrapped, otherwise we will have to repeat the tedious ritual of a year ago, wasting the valuable time of councillors and residents when the outcome is completely predictable and bringing the council into disrepute.</p>	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

Purley Pool must stay a 25m swimming pool as the only one locally available to 38000 inhabitants. Car parking reduction can be coped with as the multi-storey is under-used, and there are very good public transport facilities throughout this area.</p>	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
4032/01/004/DM40.4/O	Ms S Lawson	Object	DM40.4 30	<p>I object to this policy regarding the redevelopment of the current Purley Pool and multi-story car park site. It is important that the policy makes clear that any new leisure centre must include a pool and also that the total number of public parking spaces should not go down.</p>	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
4034/01/002/DM40.4/O	Ms S Quy	Object	DM40.4 30	<p>Please don't allow us to lose our pool. As a family of keen swimmers with Croydon Amphibians we know how hard it is to find pooltime in our borough for either a leisure swim (we often have to go to West Wickham) or for clubs and schools to book regular slots.</p>	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

4038/01/001/DM40.4/O	Mr S Gattey	Object	DM40.4 30	<p>I would like to protest at the proposed redevelopment of Purley Leisure Centre (site reference number 30). It is clear from the ambiguous wording of the proposal that there is no intention to provide a gym and swimming pool comparable to the ones we have in the leisure centre, and indeed it is a disgrace that this proposal should be entertained in view of the 100% support for Purley Leisure Centre given by councillors only a few months ago, after the full council debate caused by the massive local support for the centre.</p> <p>My wife and I use both the swimming pool and the gym regularly and would have great difficulty in accessing the alternative centres in Waddon or Roundshaw. We hope it is not necessary to ask our MP to once again intervene to protect the interests of local people whose views a Labour council seems determined to ignore. I hope soon to hear that the proposals have been scrapped, otherwise we will have to repeat the tedious ritual of a year ago, wasting the valuable time of councillors and residents when the outcome is completely predictable and bringing the council into disrepute.</p>	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
4050/01/003/DM40.4/C	Jenny White	Comment	DM40.4 30	<p>Purley Pool Policy 40.4</p> <p>Redevelopment of new leisure centre would be welcome if it included a pool and that the existing no. of car parking spaces was not reduced.</p>	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
4077/01/003/DM40.4/O	Lister & Joyce D'Costa	Object	DM40.4 30	<p>I wish to object to the following items in Croydon Council's Local Plan 2. Redeveloping of Purley Pool as listed in policy 40.4, Table 11.3, Site 30 (p168). We are concerned as all the family are users. Redevelopment would be welcome, but any new leisure centre must include a pool and the policy should make this clear. It should also make clear that the total number of public parking spaces should not go down.</p>	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

4078/01/004/DM40.4/O	Mr & Mrs Belsey	Object		DM40.4 30	It is essential that Purley pool remains in Purley, as there is no other near by.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
4085/01/004/DM40.4/O	Mrs Shelley Chatter-Singh	Object		DM40.4 30	I would like to officially put forward to you my strong objection to some of the policies that you are proposing within Croydon. My objections are particularly directed to the following policies: 40.4 site 30. Purley pool. The community deserve to have a facility that will encourage them to keep fit and healthy, help combat obesity, manage chronic conditions and encompass people with disabilities. A swimming pool is vital to achieve this as this is often the only way that people with disability or chronic conditions can exercise safely and comfortably.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
4092/01/003/DM40.4/O	Valerie Wilshaw	Object		DM40.4 30	I object to the proposal.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
4108/01/003/DM40.4/O	The Chudasama Family	Object	Soundness - Justified	DM40.4 30	Policy 40.4, Table 11.3, Site 30 (p168) - Redevelopment would be welcome, but any new leisure centre must include a pool and the policy should make this clear. It should also make clear that the total number of public parking spaces should not go down.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.

4117/01/017/DM40.4/O	Cllr S Brew	Object	DM40.4 30	In the detailed policies & proposals document, there is reference to a healthcare facility on this site. This should be removed; Purley Hospital site and the clinic in Whytecliffe Rd S are in the immediate vicinity and should be able to provide any required facility, thus avoiding duplication of services and facilities.	No change	The Council has worked with NHS partners to identify the need for additional facilities. For the Purley GP network they have identified a requirement of an additional 3,172sqm of GP practice floorspace required and this site has potential to contribute to this need. For any planning application on this site, the developer will be required to work with the NHS to assess whether additional facilities are still required.
4117/01/016/DM40.4/O	Cllr S Brew	Object	DM40.4 30	Site 30: High street leisure centre, pool, MSCP etc: This site should be completely redeveloped. New plan would include library, some residential, plus car park of same capacity as at present (note: no leisure centre - moved to site 490 - see comments on 490). Alternatively, if the leisure centre is retained at this site in a new replacement development, it should include a 25m pool as at present, and with the same amount of car parking as at present.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'. The leisure centre is not to be moved to site 490 as this is required for a primary school to meet the need for school places in the borough.
4716/01/003/DM40.4/O	Rachel Marland	Object	DM40.4 30	Policy 40.4 - Redevelopment welcomed but only if the level of facilities is maintained i.e. there must be a swimming pool included in any new leisure facilities and the car park should remain a car park of the same or greater size.	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
2802/01/003/DM40.4/C	Jan Hanzal		DM40.4 30	Table 11.13 Ref. No. 30 The report should explicitly mention that any redevelopment should include a public pool facility; a loss of this facility would be retrograde and contravene Strategic Objective 7 (foster safe, healthy and cohesive communities).	Change	The site is allocated for 'Mixed use redevelopment incorporating public car park, new leisure facilities including a swimming pool and other community facilities, healthcare facility, creative and cultural industries enterprise centre, retail or residential accomodation'.
0320/01/027/DM40.4/S	Mr Tarsem Flora <i>Flora Associates</i>	Support	DM40.4 325	Telephone exchange 88 – 90 Brighton Road-We accept its conversion to residential if existing use is not required any more.	Welcome support	
2982/01/005/DM40.4/O	Mrs Jeanne Driscoll	Object	DM40.4 325	I wish to add my objections made on this document by our local M.P. Chris Philp.	No change	This comment has not been substantiated so no changes can be made.

3162/01/005/DM40.4/O	Mr Joe Toner	Object		DM40.4 325	I would like to voice my object to the following plan DM40.4.	No change	The objection is not substantiated, (no reason given), so the Council is unable to respond.
3322/01/004/DM40.4/O	Mr Richard Driverr	Object		DM40.4 325	I should like to make it known that I object to this which is included in the recently published Local Plan.	No change	There is insufficient information to consider this comment further.
3577/01/006/DM40.4/O	Mr Peter West	Object		DM40.4 325	I object to Policy 40.4 table 11.3 - All of the above are unacceptable to me as a Sanderstead resident for the last 25 years. We need space and sensible development that compliments the environment. I totally agree with all the point that our member of Parliament has suggested.	No change	This allocation sets out that residential development is acceptable in principle. Any planning application for this site will be assessed against the Local Plan planning policies, which include an assessment on the local environment and character.
0065/03/001/DM40.4/C	Mr. Michael Barnett	Comment	Soundness - Effective	DM40.4 347	Hi, I attended the CLP "show" on 8th December thanks.  On CLP2 Table 11.13 ref 347 Tesco , 2 Purley Road Did your noticeboard at the show say there was (up to) 990 homes to be built on this site ? Other people have commented on this too.	No change	The GLA density matrix has identified that this site has capacity to provide between 172 to 900 homes.
0320/01/028/DM40.4/O	Mr Tarsem Flora <i>Flora Associates</i>	Object		DM40.4 347	TESCO Almost all local and adjoining Residents Associations objected very strongly to the previous Tesco' scheme for a multistory redevelopment of the site some 10 years ago. The local community will NOT accept similar application and will strongly object.Is it really necessary to set a policy on this site? The previous application was withdrawn by Tesco in view of the serious concerns expressed by PWRA and other associations in adjoining areas.	No change	The site is considered to be under-developed and could accommodate both a retail store and much needed new homes during the lifetime of the Local Plan.

2177/01/022/DM40.4/C Miss Vanessa Garner  
Network Rail Infrastructure Limited

Comment Soundness - DM40.4  
Effective 347

Network Rail notes that there are a number of sites adjacent to the Railway and attach a standard response which sets out the issues that need to be considered. In particular with large new developments there is a concern about the risk of trespass and all new developments should have proper and suitable boundary fencing. The risk of greater flooding and drainage that new developments could potentially have on the Network Rail infrastructure and we would not want any increase of flooding or the increase in run off onto Railway Infrastructure.

No change

Any development proposals for the site would be subject to consultation and Network Rail would be consulted as required.

The developer must ensure that their proposal, both during construction and after completion of works on site, does not:

- encroach onto Network Rail land
- affect the safety, operation or integrity of the company's railway and its infrastructure
- undermine its support zone
- damage the company's infrastructure
- place additional load on cuttings
- adversely affect any railway land or structure
- over-sail or encroach upon the air-space of any Network Rail land
- cause to obstruct or interfere with any works or proposed works or Network Rail development both now and in the future

The developer should comply with the following comments and requirements for the safe operation of the railway and the protection of Network Rail's adjoining land.

Future maintenance  
The development must ensure any future maintenance can be conducted solely on the applicant's land. The applicant must ensure that any construction and any subsequent maintenance can be carried out to any proposed buildings or structures without adversely affecting the safety of, or encroaching upon Network Rail's adjacent land and air-space, and therefore all/any building should be situated at least 2 metres (3m for overhead lines and third rail) from Network Rail's boundary. The reason for the 2m (3m for overhead lines and third rail) stand off requirement is to allow for construction and future maintenance of a building and without requirement for access to the operational railway environment which may not necessarily be granted or if granted subject to railway site safety requirements and special provisions with all associated railway costs charged to the

applicant. Any less than 2m (3m for overhead lines and third rail) and there is a strong possibility that the applicant (and any future resident) will need to utilise Network Rail land and air-space to facilitate works. The applicant / resident would need to receive approval for such works from the Network Rail Asset Protection Engineer, the applicant / resident would need to submit the request at least 20 weeks before any works were due to commence on site and they would be liable for all costs (e.g. all possession costs, all site safety costs, all asset protection presence costs). However, Network Rail is not required to grant permission for any third party access to its land. No structure/building should be built hard-against Network Rail's boundary as in this case there is an even higher probability of access to Network Rail land being required to undertake any construction / maintenance works. Equally any structure/building erected hard against the boundary with Network Rail will impact adversely upon our maintenance teams' ability to maintain our boundary fencing and boundary treatments.

#### Drainage

Storm/surface water must not be discharged onto Network Rail's property or into Network Rail's culverts or drains except by agreement with Network Rail. Suitable drainage or other works must be provided and maintained by the Developer to prevent surface water flows or run-off onto Network Rail's property. Proper provision must be made to accept and continue drainage discharging from Network Rail's property; full details to be submitted for approval to the Network Rail Asset Protection Engineer. Suitable foul drainage must be provided separate from Network Rail's existing drainage. Soakaways, as a means of storm/surface water disposal must not be constructed near/within 10 – 20 metres of Network Rail's boundary or at any point which could adversely affect the stability of Network Rail's property. After the completion and occupation of the development, any new or exacerbated problems attributable to the new development shall be investigated and remedied at the applicants' expense.

#### Plant & Materials

All operations, including the use of cranes or other mechanical plant working adjacent to Network Rail's property, must at all times be carried out in a "fail safe" manner such that in the event of mishandling, collapse or failure, no plant or materials are

capable of falling within 3.0m of the boundary with Network Rail.

#### Scaffolding

Any scaffold which is to be constructed within 10 metres of the railway boundary fence must be erected in such a manner that at no time will any poles over-sail the railway and protective netting around such scaffold must be installed. The applicant/applicant's contractor must consider if they can undertake the works and associated scaffold/access for working at height within the footprint of their property boundary.

#### Piling

Where vibro-compaction/displacement piling plant is to be used in development, details of the use of such machinery and a method statement should be submitted for the approval of the Network Rail's Asset Protection Engineer prior to the commencement of works and the works shall only be carried out in accordance with the approved method statement.

#### Fencing

In view of the nature of the development, it is essential that the developer provide (at their own expense) and thereafter maintain a substantial, trespass proof fence along the development side of the existing boundary fence, to a minimum height of 1.8 metres. The 1.8m fencing should be adjacent to the railway boundary and the developer/applicant should make provision for its future maintenance and renewal without encroachment upon Network Rail land. Network Rail's existing fencing / wall must not be removed or damaged and at no point either during construction or after works are completed on site should the foundations of the fencing or wall or any embankment therein, be damaged, undermined or compromised in any way. Any vegetation on Network Rail land and within Network Rail's boundary must also not be disturbed. Any fencing installed by the applicant must not prevent Network Rail from maintaining its own fencing/boundary treatment.

#### Lighting

Any lighting associated with the development (including vehicle lights) must not interfere with the sighting of signalling apparatus and/or train drivers vision on approaching trains. The location and colour of lights must not give rise to the potential for confusion with the signalling

arrangements on the railway. The developers should obtain Network Rail's Asset Protection Engineer's approval of their detailed proposals regarding lighting.

**Noise and Vibration**

The potential for any noise/ vibration impacts caused by the proximity between the proposed development and any existing railway must be assessed in the context of the National Planning Policy Framework which hold relevant national guidance information. The current level of usage may be subject to change at any time without notification including increased frequency of trains, night time train running and heavy freight trains.

**Vehicle Incursion**

Where a proposal calls for hard standing area / parking of vehicles area near the boundary with the operational railway, Network Rail would recommend the installation of a highways approved vehicle incursion barrier or high kerbs to prevent vehicles accidentally driving or rolling onto the railway or damaging lineside fencing.

Network Rail strongly recommends the developer contacts [AssetProtectionsSussex@networkrail.co.uk](mailto:AssetProtectionsSussex@networkrail.co.uk) prior to any works commencing on site, and also to agree an Asset Protection Agreement with us to enable approval of detailed works. More information can also be obtained from our website at [www.networkrail.co.uk/asp/1538.aspx](http://www.networkrail.co.uk/asp/1538.aspx).

---

2781/01/007/DM40.4/O	Graham Bass	Object	DM40.4 347	What is this all about? Admittedly it's some way off, but it's difficult to comment without some clarification! Are we anticipating that in some 10 years' time Tesco's will pull out & leave us with a large virgin housing site- a rather tenuous assumption I would have thought - or are we back with the idea, soundly trounced by the community a few years ago, to build massive high-rise housing over the existing supermarket & parking - which would still be a very bad proposal.	The allocation should be clearer on what is proposed for this site.	No change	The allocation sets out the preferred uses if this site was to be redeveloped. There is currently no developer interest for this site so the Council would need to work with this landowner to bring the site forward.
----------------------	-------------	--------	---------------	---	---	-----------	--

---

2789/01/003/DM40.4/C	R P Reed	Comment		DM40.4 347	There is potential for housing development on this site, but up to 990 units is totally unrealistic. The proposed maximum should be greatly reduced in order that:- - The residents of the proposed housing have a decent quality of life - Tesco's business is unaffected - the impact of this development on the surrounding area is minimised	No change	The allocation sets out the preferred uses if this site was to be redeveloped. There is currently no developer interest for this site so the Council would need to work with this landowner to bring the site forward. The impact of the development on the surrounding area and on future occupiers would be assessed with any planning application.
2982/01/006/DM40.4/O	Mrs Jeanne Driscoll	Object		DM40.4 347	I wish to add my objections made on this document by our local M.P. Chris Philp.	No change	This comment has not been substantiated so no changes can be made.
3102/01/004/DM40.4/O	Mr Richard Horton	Object		DM40.4 347	3.The plan I have seen appears to envisage the closure or redevelopment of the Tesco retail store. I cannot understand why this should be part of the plans (just as I cannot understand why similar proposals appear in relation to supermarkets at Waddon such as Morrisons and Sainsburys). The Tesco store is used extensively by local residents.	No change	There are currently no plans to close the existing Tesco store. However, the site has been identified as being suitable for residential if the landowner wanted to redevelop the site within the lifetime of the Croydon Local Plan.
3162/01/006/DM40.4/O	Mr Joe Toner	Object		DM40.4 347	I would like to voice my object to the following plan DM40.4.	No change	The objection is not substantiated, (no reason given), so the Council is unable to respond.
3322/01/005/DM40.4/O	Mr Richard Driverr	Object		DM40.4 347	I should like to make it known that I object to this which is included in the recently published Local Plan.	No change	There is insufficient information to consider this comment further.
3430/01/005/DM40.4/O	Mr Donald Speakman	Object	Soundness - Effective	DM40.4 347	Site 347: The document refers to a range of 172-990 homes on this site - even 172 is excessive, and 990 is totally unacceptable. For ANY housing development on this site, it would be necessary to have several floors of underground parking, with risk of flooding due to the river Bourne being nearby. Also, remove reference to possible healthcare facility; Purley Hospital site and the clinic in Whytecliffe Rd S are in the immediate vicinity.	No change	The site is considered to be under-developed and could accommodate both a retail store and much needed new homes during the lifetime of the Local Plan. 990 homes is the upper end of an indicative range for the site. It is unlikely that it would be developed to that level and all proposals would still need to be assessed against other policies of the Local Plan.
3577/01/007/DM40.4/O	Mr Peter West	Object		DM40.4 347	I object to Policy 40.4 table 11.3 - All of the above are unacceptable to me as a Sanderstead resident for the last 25 years. We need space and sensible development that compliments the environment. I totally agree with all the point that our member of Parliament has suggested.	No change	This allocation sets out that mixed use development is acceptable in principle. Any planning application for this site will be assessed against the Local Plan planning policies, which include an assessment on the local environment and character.

4117/01/019/DM40.4/O	Cllr S Brew	Object	DM40.4 347	Site 347: The document refers to a range of 172-990 homes on this site - even 172 is excessive, and 990 is totally unacceptable. For ANY housing development on this site, it would be necessary to have several floors of underground parking, with risk of flooding due to the river Bourne being nearby. Also, remove reference to possible healthcare facility; Purley Hospital site and the clinic in Whytecliffe Rd S are in the immediate vicinity.	No change	The GLA density matrix has identified this site as having capacity for between 172 to 900 new homes. The exact number of homes would be assessed once a planning application was submitted. Parking provision would need to be in accordance with London Plan and Local Plan policies. The NHS have identified that additional healthcare facilities in the Purley GP network are required and this site could contribute to this need.
0094/02/001/DM40.4/O	Mr Ken Whittick	Object	DM40.4 35	<p>1) I strongly oppose this policy on the grounds that the erection of a building of 15 storeys in Purley is entirely out of character with Purley</p> <p>2) CLP1 itself describes Purley as a market town. A building of this height is out of keeping with a market town.</p> <p>3) Parts of Purley (High Street, west side) are designated as heritage sites. Again, out of keeping.</p> <p>4) The owners (The Baptist Church) are against a development of this height. They were threatened by a politician that a CPO would be raised (later withdrawn) if they did not agree.</p> <p>5) The Baptist web site declares that the council expect this to be a one off for Purley. Is this believable or enforceable or will the next block be only 13 storeys?</p> <p>6) CLP2 says a building of this size fits in well. Local architects say otherwise.</p>	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.

0117/02/001/DM40.4/O	Mr Richard Applebee	Object	Soundness - Justified	DM40.4 35	I am not against development on a scale that is in keeping with the nature of the town's surroundings, but the size of some of the planned buildings horrifies me and, if enacted, will totally alter the nature of Purley. A 16 storey block of flats situated on the Baptist Church will be 3 times taller than any other building in Purley. Children living there will be imprisoned in a giant roundabout with no outside space.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
					<p>Apart from the scale of the proposed developments, my main concern is over parking. Whilst it may be acceptable for inner London residents to live without cars and rely on public transport, this will not work in outer London towns like Purley. The Baptist Church/ Banstead Road development will have 200 dwellings with 38 parking spaces. This will not deter residents from having cars and they will simply be parked in the surrounding roads to the detriment of the quality of life of the existing homeowners. And the presumption is that all other developments in Purley will have similar car parking to dwelling ratios that will exacerbate this problem throughout the town.</p>		
0153/02/002/DM40.4/O	Mrs Liz Marsden	Object		DM40.4 35	Purley Skyscraper - the height is completely out of keeping with the local area. Having so many flats in the centre of Purley would cause traffic chaos. So much heavy traffic moves through that area - having a huge number of extra vehicles blocking flow in centre of town, would be disastrous.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.

0181/02/001/DM40.4/O	Susan Arrol	Object	Soundness - Justified	DM40.4 35	<p>My husband and I attended the consultation meeting at the Purley Baptist Church on the 8th December and we both felt that plans on show and the information given on what precisely was being proposed was vague to say the least, and the council staff were not able to clarify the details included in the information concerning such things as the amount of social housing ,etc. Nor was there any copies of the plans which people could take away in order to be able to study them, and thereby understand what was being proposed. Also whereas the council has had up to two years to come up with these proposals, we have been given a very limited time to make any objections to them, that is ten days after the meeting, the 18th of December, hardly sufficient time given the paucity of information offered.</p> <p>Nonetheless, there was an indication that the height of the proposed plan on this site would be in the order of sixteen stories.</p> <p>My husband and I feel very strongly that this is entirely out of keeping with the area hardly in line with your description of Purley being a "market town located on wooded hillsides and in the valley". Purley is not London where skyscrapers are totally acceptable or even Croydon where a profusion of skyscrapers exist. If this is built it will open up the floodgates for further buildings completely changing the character of Purley.</p> <p>Purley also has massive traffic problems, which will not be helped by a building of this size. Let us also not forget that Purley also suffers from flooding problems as its sits on the sight of the Bourne, and a large site like this will only make matters worse.</p>	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
----------------------	-------------	--------	--------------------------	--------------	--	-----------	--

0320/02/012/DM40.4/O	Mr Tarsem Flora <i>Flora Associates</i>	Object	Soundness - Effective	DM40.4 35	<p>Places of Croydon-PURLEY</p> <p>We accept the fact that the council recommends major residential growth in the district centre with high quality development that will respect the existing residential character and local distinctiveness.</p> <p>If the above is to form the Council's policy, how is it likely to support 7 stories affordable housing on the opposite side of the Baptist Church proposals. This will be completely out of CHARACTER with the surrounding.</p>	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
----------------------	--	--------	--------------------------	--------------	--	-----------	--

1853/01/002/DM40.4/O	Brian Matthews	Object		DM40.4 35	Policy DM40.1 (p166) says that a skyscraper of 16 floors can be built in the centre of Purley. A skyscraper of 16 floors will completely change the character of Purley town centre and is wholly out of keeping with the rest of Purley town centre which is no higher than 5 floors.		No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
2657/01/003/DM40.4/O	Rebecca Pullinger CPRE London	Object	Soundness - Effective	DM40.4 35	A large number of the sites allocated for development through Detailed Policies and Proposals may result in the loss of green space. This appears to run counter to the Borough's Strategic Objective 10 (The need to utilise brownfield areas first) and could be replaced with a goal to promote good quality high density developments that protect Croydon's green spaces. Even undesignated green spaces provide important ecosystem services to Croydon's growing population.  We are concerned about the potential loss of open space used by the community for the proposed development.	The Council should provide additional text in these policies to encourage developers to propose good quality, high density developments which promote the protection and enhancement of green space.	No change	This allocation would not result in the loss of open space.
2781/01/003/DM40.4/S	Graham Bass	Support		DM40.4 35	I am pleased to see the new plan regularising its landmark high-rise feature.		Welcome support	
2816/01/002/DM40.4/C	Matthew Taylor			DM40.4 35	This site is clearly ripe for development and the approach is sensible. In order to fit the quantity of housing onto this site I understand that it may be proposed to construct a tall building. Any such building should conform to the rule set out in DM15.1c. The design should be of exceptional quality and demonstrate that a sensitive approach has been taken to articulation and composition of the building which is proportionate to its scale		No change	Any future development would be subject to all relevant policies in the Strategic Policies and Detailed Policies.
2817/04/002/DM40.4/O	Tina Steele	Object		DM40.4 35	I object to the Purley Skyscraper development on the grounds it does not fit with the local area, its location on what is an already congested road layout, too high local area is around 5 floors in the main maximum and will not improve the local area for the better.		No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
2828/04/001/DM40.4/O	Mr Eugene Regan	Object		DM40.4 35	I totally oppose this development. A skyscraper of 16 floors will completely change the character of Purley town centre and is wholly out of keeping with the rest of Purley town centre which is no higher than 5 floors.		No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.

2906/03/001/DM40.4/O	Mr Gerald Smith	Object	DM40.4 35	Do you think that the preferred approach is the most appropriate for Croydon to help us meet our Strategic Objectives set out in Section 3? - No it remains to be seen if objections are taken into account. Do you think that the preferred approach is deliverable?- No the onus for this is on the council.Is it sustainable? See response below-How can you possibly give approval to such a monstrosity ebng built in the centre of Purley? Not only will it look totally out of place but it will destroy the appearance of the town centre. If one such structure is allowed how long will it be before more are built. This proposal should be buried and forgotten.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
2982/01/007/DM40.4/O	Mrs Jeanne Driscoll	Object	DM40.4 35	I wish to add my objections made on this document by our local M.P. Chris Philp.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
3081/01/002/DM40.4/O	Mr John Morgan	Object	DM40.4 35	Policy DM40.1 (p166) allowing construction of a skyscraper of 16 floors in the centre of Purley.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
3162/01/007/DM40.4/O	Mr Joe Toner	Object	DM40.4 35	I would like to voice my object to the following plan DM40.4.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
3164/01/002/DM40.4/O	Jenny White	Object	DM40.4 35	I don't want a skyscraper built in Purley , it will totally change the look of the place , I see no need for it.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
3166/01/002/DM40.4/O	Maria Linford	Object	DM40.4 35	The high rise tower block in Purley is ridicules how do people cross the road and where will they park. They can't open a window as all they will get is car fumes instead of fresh air.Is is a death trap as they have no where to go in case of an emergency.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
3281/01/002/DM40.4/O	Mr William Wheeler	Object	DM40.4 35	The erection of a 16 storey building in the centre of Purley would indeed be a 'monstrous carbuncle' where no other building exceeds 5 storeys and would be entirely out of keeping with the character of the area. Such a building as proposed would give a green light to similar developments in Purley which would soon resemble central Croydon.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.

3322/01/006/DM40.4/O	Mr Richard Driverr	Object	DM40.4 35	I should like to make it known that I object to this which is included in the recently published Local Plan.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
3515/01/001/DM40.4/O	Rosemary Wiseman	Object	DM40.4 35	Purley Skyscraper development - absolute unacceptable. Will change the whole face of Purley and cause enormous traffic problems in an already congested area.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
3577/01/008/DM40.4/O	Mr Peter West	Object	DM40.4 35	I object to Policy 40.4 table 11.3 - All of the above are unacceptable to me as a Sanderstead resident for the last 25 years. We need space and sensible development that compliments the environment. I totally agree with all the point that our member of Parliament has suggested.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
3579/01/002/DM40.4/O	Noemi Molloy	Object	DM40.4 35	A 16 floor building in Purley would be totally out of character and is completely out of keeping with the rest of the town centre.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
3706/01/005/DM40.4/O	Mr J Logan	Object	DM40.4 35	I am horrified at the idea of an eyesore being erected in the centre of Purley, which would be totally out of keeping with the character of the town.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
3734/01/002/DM40.4/O	Mr & Mrs Mott	Object	DM40.4 35	I object to this policy.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
3746/01/004/DM40.4/O	Jay Luthra	Object	DM40.4 35	Objects to the plan - the ridiculous Purley Skyscraper appears to have been thought up by lunatics.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
3864/01/002/DM40.4/O	Pauline Morgan	Object	DM40.4 35	Policy DM40.1 (p166) allowing construction of a skyscraper of 16 floors in the centre of Purley.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
3897/01/027/DM40.4/O	Cllr M Neal	Object	DM40.4 35	Policy DM40.1 should not allow for up to 16 storeys as it will completely change the character of Purley town centre and is wholly out of keeping with the rest of the town centre which is no higher than 5 storeys;	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
4092/01/006/DM40.4/O	Valerie Wilshaw	Object	DM40.4 35	I object to the proposal.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.

4092/01/002/DM40.4/O	Valerie Wilshaw	Object	DM40.4 35	I object to the proposal.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
4716/01/002/DM40.4/O	Rachel Marland	Object	DM40.4 35	Policy DM40 - No Purley skyscraper please and as the petition shows no one want this.	No change	The allocation for mixed use redevelopment is acceptable for this site. The height of the building relates to policy DM40.1.
2982/01/008/DM40.4/O	Mrs Jeanne Driscoll	Object	DM40.4 405	I wish to add my objections made on this document by our local M.P. Chris Philp.	No change	This comment has not been substantiated so no changes can be made.
3162/01/008/DM40.4/O	Mr Joe Toner	Object	DM40.4 405	I would like to voice my object to the following plan DM40.4.	No change	The objection is not substantiated, (no reason given), so the Council is unable to respond.
3322/01/007/DM40.4/O	Mr Richard Driverr	Object	DM40.4 405	I should like to make it known that I object to this which is included in the recently published Local Plan.	No change	There is insufficient information to consider this comment further.
3577/01/009/DM40.4/O	Mr Peter West	Object	DM40.4 405	I object to Policy 40.4 table 11.3 - All of the above are unacceptable to me as a Sanderstead resident for the last 25 years. We need space and sensible development that compliments the environment. I totally agree with all the point that our member of Parliament has suggested.	No change	This allocation sets out that residential development is acceptable in principle. Any planning application for this site will be assessed against the Local Plan planning policies, which include an assessment on the local environment and character.
2982/01/009/DM40.4/O	Mrs Jeanne Driscoll	Object	DM40.4 409	I wish to add my objections made on this document by our local M.P. Chris Philp.	No change	This comment has not been substantiated so no changes can be made.
3162/01/009/DM40.4/O	Mr Joe Toner	Object	DM40.4 409	I would like to voice my object to the following plan DM40.4.	No change	The objection is not substantiated, (no reason given), so the Council is unable to respond.
3322/01/008/DM40.4/O	Mr Richard Driverr	Object	DM40.4 409	I should like to make it known that I object to this which is included in the recently published Local Plan.	No change	There is insufficient information to consider this comment further.
3577/01/010/DM40.4/O	Mr Peter West	Object	DM40.4 409	I object to Policy 40.4 table 11.3 - All of the above are unacceptable to me as a Sanderstead resident for the last 25 years. We need space and sensible development that compliments the environment. I totally agree with all the point that our member of Parliament has suggested.	No change	This allocation sets out that residential development is acceptable in principle. Any planning application for this site will be assessed against the Local Plan planning policies, which include an assessment on the local environment and character.
2982/01/010/DM40.4/O	Mrs Jeanne Driscoll	Object	DM40.4 410	I wish to add my objections made on this document by our local M.P. Chris Philp.	No change	This comment has not been substantiated so no changes can be made.

3162/01/010/DM40.4/O	Mr Joe Toner	Object		DM40.4 410	I would like to voice my object to the following plan DM40.4.	No change	The objection is not substantiated, (no reason given), so the Council is unable to respond.
3322/01/009/DM40.4/O	Mr Richard Driverr	Object		DM40.4 410	I should like to make it known that I object to this which is included in the recently published Local Plan.	No change	There is insufficient information to consider this comment further.
3577/01/011/DM40.4/O	Mr Peter West	Object		DM40.4 410	I object to Policy 40.4 table 11.3 - All of the above are unacceptable to me as a Sanderstead resident for the last 25 years. We need space and sensible development that compliments the environment. I totally agree with all the point that our member of Parliament has suggested. 3162/01/011/DM40.4/O	Mr Joe Toner	Object		DM40.4 411	I would like to voice my object to the following plan DM40.4.	No change	The objection is not substantiated, (no reason given), so the Council is unable to respond.
3322/01/010/DM40.4/O	Mr Richard Driverr	Object		DM40.4 411	I should like to make it known that I object to this which is included in the recently published Local Plan.	No change	There is insufficient information to consider this comment further.
3430/01/006/DM40.4/O	Mr Donald Speakman	Object	Soundness - Effective	DM40.4 411	Site 411: Many local offices have been converted to residential. Surely we need to retain some offices? This is easy walking distance to town centre.	No change	There is very limited demand for office space outside of Croydon Metropolitan Centre. In addition it is already permitted development to convert offices in Purley and other parts of Croydon away from the Metropolitan Centre to residential use so it is not possible for the Council to protect them.
3577/01/012/DM40.4/O	Mr Peter West	Object		DM40.4 411	I object to Policy 40.4 table 11.3 - All of the above are unacceptable to me as a Sanderstead resident for the last 25 years. We need space and sensible development that compliments the environment. I totally agree with all the point that our member of Parliament has suggested.	No change	This allocation sets out that residential development is acceptable in principle. Any planning application for this site will be assessed against the Local Plan planning policies, which include an assessment on the local environment and character.
4117/01/020/DM40.4/O	Cllr S Brew	Object		DM40.4 411	Site 411: Many local offices have been converted to residential. Surely we need to retain some offices? This is easy walking distance to town centre.	No change	The Local Plan does not protect offices in this location and therefore residential development is acceptable.

7285/01/001/DM40.4/O	Miss Daphne Knights Christchurch Road Residents' Ass	Object	Soundness - Effective DM40.4 411	<p>The Directors of Christchurch Road Residents' Association Ltd. have asked me to write to you with regard to the above proposals regarding Palmerston House.</p> <p>For your reference Park View was built in 1976 and has 18 flats with parking places and garages for each flat. Palmerston House was acquired subsequently. There are only a few parking spaces in front of their offices for their staff and we allow the overflow to park in our spaces during the week only.</p> <p>We have a brick built refuse area housing our 3 bins provided by the Council together with a food bin which is outside due to lack of space. We have allowed Palmerston House to have 2 bins for their refuse which is only just viable and any additional use would be impossible due to the limitations of the interior space. Vehicle access to Park View and Palmerston House is via a single track which refuse collection vehicles only just manage to negotiate and any increase in use would not be possible. Other access to the site is not possible due to the lay of the land. Past investigations have established that this area lies in a flood plain and drainage problems would occur should there be an increased usage.</p> <p>Finally we wish to record the above concerns against a change of usage of Palmerston House should they be proposed at any time in the future.</p>	No change	<p>The comments are noted and it is recognised that the issues raised may affect the deliverability of the site. However, in principle, the residential use of the site is acceptable and so no change is proposed.</p>
0153/02/001/DM40.4/O	Mrs Liz Marsden	Object	DM40.4 490	<p>Primary School - on corner of Old Lodge Lane and Brighton Road. The space is large enough, and accessible by public transport. However, a huge effort to reduce air pollution - the planting of a large barrier of trees would be needed if children's health is not to suffer - the area is extremely polluted, from all the traffic queuing (I know, as I walk past there several times a day). I would not want my children to have outdoor play for example in such an area, without a lot more trees soaking up the fumes, and a plan for reducing air pollution.</p>	No change	<p>The comment is noted. The Local Plan includes a policy on impact on health that will need to be considered in any detailed plans for this site.</p>

0538/01/003/DM40.4/O Mr Adrian Britton

Object

Soundness - DM40.4  
Justified 490

The proposal for a primary school on the car park on Brighton Road is inappropriate for the following reasons:  
- There is no suitable parking place for those who would need/wish to bring and/or collect children to/from the school. Brighton Road is a very busy A road and there are insufficient local parking opportunities.  
- The removal of parking provision would be detrimental to the sustainability of the shops and other commercial premises on the opposite side of Brighton Road.

No change

This site has been required to meet the need for school places in the borough. The impact on traffic and parking would be assessed at a planning application where there are options for a school to be a car free development.

2177/01/023/DM40.4/C Miss Vanessa Garner  
Network Rail Infrastructure Limited

Comment Soundness - DM40.4  
Effective 490

Network Rail notes that there are a number of sites adjacent to the Railway and attach a standard response which sets out the issues that need to be considered. In particular with large new developments there is a concern about the risk of trespass and all new developments should have proper and suitable boundary fencing. The risk of greater flooding and drainage that new developments could potentially have on the Network Rail infrastructure and we would not want any increase of flooding or the increase in run off onto Railway Infrastructure.

No change

Any development proposals for the site would be subject to consultation and Network Rail would be consulted as required.

The developer must ensure that their proposal, both during construction and after completion of works on site, does not:

- encroach onto Network Rail land
- affect the safety, operation or integrity of the company's railway and its infrastructure
- undermine its support zone
- damage the company's infrastructure
- place additional load on cuttings
- adversely affect any railway land or structure
- over-sail or encroach upon the air-space of any Network Rail land
- cause to obstruct or interfere with any works or proposed works or Network Rail development both now and in the future

The developer should comply with the following comments and requirements for the safe operation of the railway and the protection of Network Rail's adjoining land.

Future maintenance  
The development must ensure any future maintenance can be conducted solely on the applicant's land. The applicant must ensure that any construction and any subsequent maintenance can be carried out to any proposed buildings or structures without adversely affecting the safety of, or encroaching upon Network Rail's adjacent land and air-space, and therefore all/any building should be situated at least 2 metres (3m for overhead lines and third rail) from Network Rail's boundary. The reason for the 2m (3m for overhead lines and third rail) stand off requirement is to allow for construction and future maintenance of a building and without requirement for access to the operational railway environment which may not necessarily be granted or if granted subject to railway site safety requirements and special provisions with all associated railway costs charged to the

applicant. Any less than 2m (3m for overhead lines and third rail) and there is a strong possibility that the applicant (and any future resident) will need to utilise Network Rail land and air-space to facilitate works. The applicant / resident would need to receive approval for such works from the Network Rail Asset Protection Engineer, the applicant / resident would need to submit the request at least 20 weeks before any works were due to commence on site and they would be liable for all costs (e.g. all possession costs, all site safety costs, all asset protection presence costs). However, Network Rail is not required to grant permission for any third party access to its land. No structure/building should be built hard-against Network Rail's boundary as in this case there is an even higher probability of access to Network Rail land being required to undertake any construction / maintenance works. Equally any structure/building erected hard against the boundary with Network Rail will impact adversely upon our maintenance teams' ability to maintain our boundary fencing and boundary treatments.

#### Drainage

Storm/surface water must not be discharged onto Network Rail's property or into Network Rail's culverts or drains except by agreement with Network Rail. Suitable drainage or other works must be provided and maintained by the Developer to prevent surface water flows or run-off onto Network Rail's property. Proper provision must be made to accept and continue drainage discharging from Network Rail's property; full details to be submitted for approval to the Network Rail Asset Protection Engineer. Suitable foul drainage must be provided separate from Network Rail's existing drainage. Soakaways, as a means of storm/surface water disposal must not be constructed near/within 10 – 20 metres of Network Rail's boundary or at any point which could adversely affect the stability of Network Rail's property. After the completion and occupation of the development, any new or exacerbated problems attributable to the new development shall be investigated and remedied at the applicants' expense.

#### Plant & Materials

All operations, including the use of cranes or other mechanical plant working adjacent to Network Rail's property, must at all times be carried out in a "fail safe" manner such that in the event of mishandling, collapse or failure, no plant or materials are

capable of falling within 3.0m of the boundary with Network Rail.

#### Scaffolding

Any scaffold which is to be constructed within 10 metres of the railway boundary fence must be erected in such a manner that at no time will any poles over-sail the railway and protective netting around such scaffold must be installed. The applicant/applicant's contractor must consider if they can undertake the works and associated scaffold/access for working at height within the footprint of their property boundary.

#### Piling

Where vibro-compaction/displacement piling plant is to be used in development, details of the use of such machinery and a method statement should be submitted for the approval of the Network Rail's Asset Protection Engineer prior to the commencement of works and the works shall only be carried out in accordance with the approved method statement.

#### Fencing

In view of the nature of the development, it is essential that the developer provide (at their own expense) and thereafter maintain a substantial, trespass proof fence along the development side of the existing boundary fence, to a minimum height of 1.8 metres. The 1.8m fencing should be adjacent to the railway boundary and the developer/applicant should make provision for its future maintenance and renewal without encroachment upon Network Rail land. Network Rail's existing fencing / wall must not be removed or damaged and at no point either during construction or after works are completed on site should the foundations of the fencing or wall or any embankment therein, be damaged, undermined or compromised in any way. Any vegetation on Network Rail land and within Network Rail's boundary must also not be disturbed. Any fencing installed by the applicant must not prevent Network Rail from maintaining its own fencing/boundary treatment.

#### Lighting

Any lighting associated with the development (including vehicle lights) must not interfere with the sighting of signalling apparatus and/or train drivers vision on approaching trains. The location and colour of lights must not give rise to the potential for confusion with the signalling

arrangements on the railway. The developers should obtain Network Rail's Asset Protection Engineer's approval of their detailed proposals regarding lighting.

**Noise and Vibration**  
The potential for any noise/ vibration impacts caused by the proximity between the proposed development and any existing railway must be assessed in the context of the National Planning Policy Framework which hold relevant national guidance information. The current level of usage may be subject to change at any time without notification including increased frequency of trains, night time train running and heavy freight trains.

**Vehicle Incursion**  
Where a proposal calls for hard standing area / parking of vehicles area near the boundary with the operational railway, Network Rail would recommend the installation of a highways approved vehicle incursion barrier or high kerbs to prevent vehicles accidentally driving or rolling onto the railway or damaging lineside fencing.

Network Rail strongly recommends the developer contacts [AssetProtectionsSussex@networkrail.co.uk](mailto:AssetProtectionsSussex@networkrail.co.uk) prior to any works commencing on site, and also to agree an Asset Protection Agreement with us to enable approval of detailed works. More information can also be obtained from our website at [www.networkrail.co.uk/asp/1538.aspx](http://www.networkrail.co.uk/asp/1538.aspx).

2635/01/029/DM40.4/O	Paul Sandford <i>Bourne Society</i>	Object	DM40.4 490	Ref 7.59 detailed policies: A new Primary School at this location on Brighton Road is ill considered. The site should better be assigned to housing with any new primary school located off main roads, with access to both parents obliged to use cars and those arriving by foot or public transport. In this case, an expansion of Woodcote Primary should be considered first		No change	An extensive site search has identified that this is the only suitable site (in terms of size and location) within the urban area in the south west of the borough to build a new primary school.
2781/01/002/DM40.4/O	Graham Bass	Object	DM40.4 490	The site should (as has been toyed with in the past) be enlarged to take in the under-exploited properties along that end of Old Lodge Lane. This would create an area large enough for both the prosed primary school and our 25m. pool/gym. Not only would this take advantage of the site's excellent accessibility (train, bus, car) for the whole of the south of the borough, but be an excellent synergistic fit, school & pool.	The site should be extended to include the properties at the end of Old Lodge Lane and should provide a 25m pool/gym in addition to the primary school.	No change	The comment is noted. The site is allocated for a primary school use and the site includes three adjacent properties to the south of the car park. No land owner came forward to the Council with any additions to the site through the Call for Sites process.

2789/01/004/DM40.4/S R P Reed

Support

DM40.4  
490

An excellent idea to use this large, vacant site for a much-needed school. Surely there would be space to incorporate a 25 metre public swimming pool into this development, which would take the pressure off Ref 30. Thank you for the opportunity to comment on the Plan, otherwise I think that the majority of the proposals are sensible given the great need for additional housing.

Welcome support

The school is not large enough to accommodate both a swimming pool and primary school. The site allocation for Purley Pool (site 30) sets out the requirement for a swimming pool as part of any redevelopment.

The purpose of this submission is to present an argument in response to the identification in Table 11.13 of the Subject Document of site 490: No. 95-111 Brighton Road, Purley ('the Subject Site') as a preferred use as a primary school, and instead to promote it as a preferred site for mixed uses including residential dwellings. There was a previous planning application for 08/03343 proposed the demolition of existing buildings; erection of 1 x six/seven storey building and 1 x six storey building comprising a total of 100 one bedroom, 81 two bedroom and 8 three bedroom flats; the formation of a 100 space parking area for commercial premises opposite and associated parking for flats with vehicular access road onto Brighton Road. The application was refused on the grounds that the proposed massing, bulk and scale was an overdevelopment of the site. The NPPF introduced a 'presumption in favour of sustainable development'. In response to the increase in London Borough of Croydon's (LBC) existing housing requirements as directed by the Further Alterations to the London Plan (2014), the Subject Document has allocated certain sites for mixed use/residential development in order to ensure that the borough's housing land remains in surplus. It includes the identification of sites for future development within Section 11 -The Places of Croydon. Despite the Subject Site not having been identified as a preferred option for mixed uses, the intention for the land within the vicinity of Reedham Station as specified in policy DM40.2 of the Subject Document Environs of Reedham Station lends weight to the potential development of residential and mixed commercial developments, detailing:

'In the environs of Reedham Station, to create the sense of place and facilitate growth proposals should:

- a. Complement the existing predominant building heights of 2 storeys up to a maximum of 4 storeys;
- b. Reinforce the predominant building lines and frontages which positively respond to the form of the Brighton Road/Old Lodge Lane junction;
- c. Improve the pedestrian and cycle permeability, accessibility and connectivity across the railway between Brighton Road, Watney Close, Aveling Close and Fairbairn Close;

and

The site should be allocated for mixed use, including residential.

No change

The site is required to meet the need for primary school places in the south of the borough and will continue to be allocated for a primary school due to the unsuitability of 112 Brighton Road.

d. Enhance the suburban shopping area character of this section of Brighton Road'.

Although development of the site is yet to reach a conceptual design stage, it is evident that any future mixed uses scheme can integrate the above requirements within its design. The Subject Site has a total area of 0.83ha. This would permit in excess of 10 homes. Given the size of the Subject Site it is considered that there is also sufficient capacity to accommodate mixed uses including 3 bedroom dwellings (which are preferred for sustainable development under policy DM 1 of the Subject Document). There are no site specific policies currently relevant to the Subject Site that would prevent future mixed uses development. Moreover, the construction of mixed uses development on the Subject Site would fulfil the relevant national and local planning policies. The Draft Housing and Planning Bill 2015-2016 (The Bill) is currently at the debate stage. One of the primary objectives of The Bill is to provide starter homes for first time buyers. Potential development of the Subject Site would help facilitate an opportunity for LBC to meet any future starter home requirements likely to be directed from central Government following adoption of The Bill. There is capacity for the Subject Site to support 2 to 4 storey developments and therefore complement the existing surrounds recognised in part (a) of Policy DM 40.2 of the Subject Document. In keeping with part (c) of Policy DM 40.2, there is scope to incorporate pedestrian and cycle permeability between Reedham Station and Brighton Road, which unlike a primary school use would provide 'casual surveillance' throughout the day. There is additionally the potential to revive mixed uses on the Brighton Road frontage thereby upholding part (d) of policy DM 40.2, which seeks to enhance the character and vitality of the suburban area. The site is partially subject to a Network Rail Exclusion Zone. However this only affects a minor part of the Subject Site and it will not prevent future development. As maintained throughout this representation, the development of the site for mixed uses would assist the LBC in meeting its need for new housing. However an assessment to permit the Subject Site to be developed for alternative uses may not be undertaken until as late as 2021. Restricting the potential redevelopment of the Subject Site for a further six years would lead to

stagnation and a blight on its potential while the uncertainty could be detrimental to the local community. The Subject Site comprises a developed area on brownfield land. Local bus links directly in front of the Subject Site allow easy access to wider public transport links at Purley and Easy Croydon. The Subject Site is prime for mixed uses development and would provide strengthened economic development. It is our view that mixed uses would improve the existing underused Subject Site and present a tremendous opportunity to create a range of high quality, well designed commercial uses, houses and apartments with associated amenities that create a desirable standard of living.

2982/01/012/DM40.4/O	Mrs Jeanne Driscoll	Object	DM40.4 490	I wish to add my objections made on this document by our local M.P. Chris Philp.	No change	This comment has not been substantiated so no changes can be made.
3162/01/012/DM40.4/O	Mr Joe Toner	Object	DM40.4 490	I would like to voice my object to the following plan DM40.4.	No change	The objection is not substantiated, (no reason given), so the Council is unable to respond.

3275/01/006/DM40.4/O	Suzanne Connor	Object	DM40.4 490	<p>With reference to the Local Plan which has been proposed, please note my objection to the following policies:</p> <ul style="list-style-type: none"> <li>&gt;</li> <li>&gt; Garden Grabbing</li> <li>&gt; Policy DM2</li> <li>&gt;</li> <li>&gt; Purley Skyscraper authorisation</li> <li>&gt; Policy DM40.1</li> <li>&gt;</li> <li>&gt; Purley Pool</li> <li>&gt; Policy 40.4, Table 11.3, Site 30</li> <li>&gt;</li> <li>&gt; Purley Parking</li> <li>&gt; Policy 40.4, Table 11.3,</li> <li>&gt;</li> <li>&gt; Sanderstead "Lidl" Site</li> <li>&gt; Policy DM41.3, Table 11.14, site 306</li> <li>&gt;</li> <li>&gt; Gypsy/Traveller site on Conduit Lane, next to Coombe Wood Gardens</li> <li>&gt; Policy DM44.2, Table 11.17, site 661</li> <li>&gt;</li> <li>&gt; Loss of Green Belt – (1) Coombe Playing Fields, (2) Croham Hurst, (3) Sanderstead Plantation</li> <li>&gt; The Coombe Playing Fields, currently Green Belt, are being proposed for development in Policy DM44.2, Table 11.17, site 662</li> <li>&gt;</li> <li>&gt; Lack of Parking in new developments</li> <li>&gt; Policy DM28</li> <li>&gt;</li> <li>&gt; More Protection; Less "Intensification"</li> <li>&gt; Policy DM31.4</li> </ul>	No change	This site is a private car park that serves a gym. It is the only identified site for a primary school in an area of the borough with a need for more primary school places.
3322/01/011/DM40.4/O	Mr Richard Driverr	Object	DM40.4 490	I should like to make it known that I object to this which is included in the recently published Local Plan.	No change	There is insufficient information to consider this comment further.
3430/01/007/DM40.4/O	Mr Donald Speakman	Object	Soundness - Effective DM40.4 490	Site 490: I would prefer to see this site expanded to include properties 1-19 Old Lodge Lane, possibly also up to railway bridge. The enlarged site could then be used for new leisure centre to include 25M pool and associated parking, as well as new primary school. If school is not required, then still build leisure centre with parking facility, open it before old one (site 30) closes, and use rest of site 490 for residential.	No change	The sites at 1-19 Old Lodge Lane is in different ownership meaning there would be land assembly issues making the site difficult to deliver. As an out of centre site it is not a preferred location for a leisure centre.
3577/01/013/DM40.4/O	Mr Peter West	Object	DM40.4 490	I object to Policy 40.4 table 11.3 - All of the above are unacceptable to me as a Sanderstead resident for the last 25 years. We need space and sensible development that compliments the environment. I totally agree with all the point that our member of Parliament has suggested.	No change	This allocation sets out that a primary school is acceptable in principle. Any planning application for this site will be assessed against the Local Plan planning policies, which include an assessment on the local environment and character.

4117/01/021/DM40.4/O	Cllr S Brew	Object		DM40.4 490	Site 490: I would prefer to see this site expanded to include properties 1-19 Old Lodge Lane, possibly also up to railway bridge. The enlarged site could then be used for new leisure centre to include 25M pool and associated parking, as well as new primary school. If school is not required, then still build leisure centre with parking facility, open it before old one (site 30) closes, and use rest of site 490 for residential.		No change	The sites at 1-19 Old Lodge Lane is in different ownership meaning there would be land assembly issues making the site difficult to deliver. As an out of centre site it is not a preferred location for a leisure centre.
2982/01/013/DM40.4/O	Mrs Jeanne Driscoll	Object		DM40.4 495	I wish to add my objections made on this document by our local M.P. Chris Philp.		No change	This comment has not been substantiated so no changes can be made.
3162/01/013/DM40.4/O	Mr Joe Toner	Object		DM40.4 495	I would like to voice my object to the following plan DM40.4.		No change	The objection is not substantiated, (no reason given), so the Council is unable to respond.
3322/01/012/DM40.4/O	Mr Richard Driverr	Object		DM40.4 495	I should like to make it known that I object to this which is included in the recently published Local Plan.		No change	There is insufficient information to consider this comment further.
3577/01/014/DM40.4/O	Mr Peter West	Object		DM40.4 495	I object to Policy 40.4 table 11.3 - All of the above are unacceptable to me as a Sanderstead resident for the last 25 years. We need space and sensible development that compliments the environment. I totally agree with all the point that our member of Parliament has suggested.		No change	This allocation sets out that residential development is acceptable in principle. Any planning application for this site will be assessed against the Local Plan planning policies, which include an assessment on the local environment and character.
0092/02/015/DM40.4/O	<i>Riddlesdown Residents Associatio</i>	Object		DM40.4 61	The car park at 54-58 Whytecliffe Road South is being re-designated as residential. Given the parking problems in Purley town centre, any new scheme should have at least as many public parking spaces as the current car park. This in turn could add additional parking issues in the streets close to Riddlesdown station, as an alternative for commuters to park.	The site should retain as many car parking spaces as there are now.	Change	Any development will require the retention of some of the existing parking spaces.
0117/02/003/DM40.4/O	Mr Richard Applebee	Object	Soundness - Justified	DM40.4 61	The Council seems to have no clear cut policy to accommodate commuter parking. Development of the car park in Whytecliffe Road would remove parking access to Purley Station and create further problems with parking in residential roads.		Change	Any development will require the retention of some of the existing parking spaces.
0145/02/002/DM40.4/O	Mr Bill Tubb	Object		DM40.4 61	Also the existing multi storey car park should be raised by at least another three stories to keep pace with the parking requirement in this part of the Borough.		Change	Any development will require the retention of some of the existing parking spaces.

0185/02/003/DM40.4/C	Mrs Valerie Hunter			DM40.4 61	<p>Car Parking</p> <p>Keeping a car park of substantial size is also essential for the survival of Purley shops. The chance is getting a space in the few on-street places available is unlikely.</p> <p>Many people do not live near a bus stop, have mobility problems, or several young children, and cannot use a bus - or even need to go to Purley Hospital with its many increased clinics etc but limited parking.</p> <p>A nearby car park is essential.</p> <p>Therefore both Purley Pool and car park should be kept open - and MUST be part of any future development.</p>	Change	Any development will require the retention of some of the existing parking spaces.
0320/01/026/DM40.4/O	Mr Tarsem Flora <i>Flora Associates</i>	Object		DM40.4 61	<p>Car Park - 54 -58 Whytecliff Road South-PWRA accepts the policy to redevelop this site into housing but wish to stress that the existing parking provision is not significantly reduced.</p>	Change	Any development will require the retention of some of the existing parking spaces.
1788/01/004/DM40.4/O	Alice Desira	Object	Soundness - Effective	DM40.4 61	<p>Policy 40.4, Table 11.3, Site 61 (p168). This car park at 54-58 Whytecliffe Road South is being re-designated as residential. It is bad enough trying to find parking in Purley without getting rid of the multi-storey car park. When the red-route was introduced in Purley most of the shops went out of business.</p> <p>Thankfully the council introduced the half hour free parking bays and Purley has started to see new shops opening and surviving, however there are not enough parking bays and people use the multi-storey car park when the bays are full. If you remove the multi-storey car park then people will just go elsewhere as you will revert back to the problem of people not being able to park and going elsewhere.</p>	Change	Any development will require the retention of some of the existing parking spaces.

1797/01/005/DM40.4/O	Andrea Telman	Object		DM40.4 61	I totally disagree to the following planning applications which would spoil the character of our local environment and threaten our green belt. I choose to live in an area that is peaceful and quiet and resent the changes that are being forced upon me. In the spirit of true democracy I wish to make clear my objection to the following developments - Policy DM2 (p18);Policy DM40.1 (p166); Policy 40.4, Table 11.3, Site 30 (p168) ; Policy 40.4, Table 11.3, Site 61 (p168). ;Policy DM41.3, Table 11.14, site 306 (p171); Policy DM44.2, Table 11.17, site 661 (p179). ; Policy DM44.2, Table 11.17, site 662 (p179); Policy DM28 (p115-116); Policy DM35, Table 11.8, Site 945 (p146); and Policy DM31.4 (p126)		Change	Any development will require the retention of some of the existing parking spaces.
1800/01/004/DM40.4/O	Carly Litchfield	Object		DM40.4 61	Any new scheme should have at least as many public car parking spaces as the current car park.		Change	Any development will require the retention of some of the existing parking spaces.

I believe that a new scheme should include at least as many public parking spaces as the current car park.		Change	Any development will require the retention of some of the existing parking spaces.

2128/02/020/DM40.4/O Cllr Steve O'Connell AM

Object

DM40.4  
61

Existing parking problems in Purley Town Centre dictate that the new scheme should provide at least as many public parking spaces.

The existing number of public parking spaces should be retained.

Change

Any development will require the retention of some of the existing parking spaces.

---

2177/01/021/DM40.4/C Miss Vanessa Garner  
Network Rail Infrastructure Limited

Comment Soundness - DM40.4  
Effective 61

Network Rail notes that there are a number of sites adjacent to the Railway and attach a standard response which sets out the issues that need to be considered. In particular with large new developments there is a concern about the risk of trespass and all new developments should have proper and suitable boundary fencing. The risk of greater flooding and drainage that new developments could potentially have on the Network Rail infrastructure and we would not want any increase of flooding or the increase in run off onto Railway Infrastructure.

No change

Any development proposals for the site would be subject to consultation and Network Rail would be consulted as required.

The developer must ensure that their proposal, both during construction and after completion of works on site, does not:

- encroach onto Network Rail land
- affect the safety, operation or integrity of the company's railway and its infrastructure
- undermine its support zone
- damage the company's infrastructure
- place additional load on cuttings
- adversely affect any railway land or structure
- over-sail or encroach upon the air-space of any Network Rail land
- cause to obstruct or interfere with any works or proposed works or Network Rail development both now and in the future

The developer should comply with the following comments and requirements for the safe operation of the railway and the protection of Network Rail's adjoining land.

Future maintenance  
The development must ensure any future maintenance can be conducted solely on the applicant's land. The applicant must ensure that any construction and any subsequent maintenance can be carried out to any proposed buildings or structures without adversely affecting the safety of, or encroaching upon Network Rail's adjacent land and air-space, and therefore all/any building should be situated at least 2 metres (3m for overhead lines and third rail) from Network Rail's boundary. The reason for the 2m (3m for overhead lines and third rail) stand off requirement is to allow for construction and future maintenance of a building and without requirement for access to the operational railway environment which may not necessarily be granted or if granted subject to railway site safety requirements and special provisions with all associated railway costs charged to the

applicant. Any less than 2m (3m for overhead lines and third rail) and there is a strong possibility that the applicant (and any future resident) will need to utilise Network Rail land and air-space to facilitate works. The applicant / resident would need to receive approval for such works from the Network Rail Asset Protection Engineer, the applicant / resident would need to submit the request at least 20 weeks before any works were due to commence on site and they would be liable for all costs (e.g. all possession costs, all site safety costs, all asset protection presence costs). However, Network Rail is not required to grant permission for any third party access to its land. No structure/building should be built hard-against Network Rail's boundary as in this case there is an even higher probability of access to Network Rail land being required to undertake any construction / maintenance works. Equally any structure/building erected hard against the boundary with Network Rail will impact adversely upon our maintenance teams' ability to maintain our boundary fencing and boundary treatments.

#### Drainage

Storm/surface water must not be discharged onto Network Rail's property or into Network Rail's culverts or drains except by agreement with Network Rail. Suitable drainage or other works must be provided and maintained by the Developer to prevent surface water flows or run-off onto Network Rail's property. Proper provision must be made to accept and continue drainage discharging from Network Rail's property; full details to be submitted for approval to the Network Rail Asset Protection Engineer. Suitable foul drainage must be provided separate from Network Rail's existing drainage. Soakaways, as a means of storm/surface water disposal must not be constructed near/within 10 – 20 metres of Network Rail's boundary or at any point which could adversely affect the stability of Network Rail's property. After the completion and occupation of the development, any new or exacerbated problems attributable to the new development shall be investigated and remedied at the applicants' expense.

#### Plant & Materials

All operations, including the use of cranes or other mechanical plant working adjacent to Network Rail's property, must at all times be carried out in a "fail safe" manner such that in the event of mishandling, collapse or failure, no plant or materials are

capable of falling within 3.0m of the boundary with Network Rail.

#### Scaffolding

Any scaffold which is to be constructed within 10 metres of the railway boundary fence must be erected in such a manner that at no time will any poles over-sail the railway and protective netting around such scaffold must be installed. The applicant/applicant's contractor must consider if they can undertake the works and associated scaffold/access for working at height within the footprint of their property boundary.

#### Piling

Where vibro-compaction/displacement piling plant is to be used in development, details of the use of such machinery and a method statement should be submitted for the approval of the Network Rail's Asset Protection Engineer prior to the commencement of works and the works shall only be carried out in accordance with the approved method statement.

#### Fencing

In view of the nature of the development, it is essential that the developer provide (at their own expense) and thereafter maintain a substantial, trespass proof fence along the development side of the existing boundary fence, to a minimum height of 1.8 metres. The 1.8m fencing should be adjacent to the railway boundary and the developer/applicant should make provision for its future maintenance and renewal without encroachment upon Network Rail land. Network Rail's existing fencing / wall must not be removed or damaged and at no point either during construction or after works are completed on site should the foundations of the fencing or wall or any embankment therein, be damaged, undermined or compromised in any way. Any vegetation on Network Rail land and within Network Rail's boundary must also not be disturbed. Any fencing installed by the applicant must not prevent Network Rail from maintaining its own fencing/boundary treatment.

#### Lighting

Any lighting associated with the development (including vehicle lights) must not interfere with the sighting of signalling apparatus and/or train drivers vision on approaching trains. The location and colour of lights must not give rise to the potential for confusion with the signalling

arrangements on the railway. The developers should obtain Network Rail's Asset Protection Engineer's approval of their detailed proposals regarding lighting.

**Noise and Vibration**  
The potential for any noise/ vibration impacts caused by the proximity between the proposed development and any existing railway must be assessed in the context of the National Planning Policy Framework which hold relevant national guidance information. The current level of usage may be subject to change at any time without notification including increased frequency of trains, night time train running and heavy freight trains.

**Vehicle Incursion**  
Where a proposal calls for hard standing area / parking of vehicles area near the boundary with the operational railway, Network Rail would recommend the installation of a highways approved vehicle incursion barrier or high kerbs to prevent vehicles accidentally driving or rolling onto the railway or damaging lineside fencing.

Network Rail strongly recommends the developer contacts [AssetProtectionsSussex@networkrail.co.uk](mailto:AssetProtectionsSussex@networkrail.co.uk) prior to any works commencing on site, and also to agree an Asset Protection Agreement with us to enable approval of detailed works. More information can also be obtained from our website at [www.networkrail.co.uk/asp/1538.aspx](http://www.networkrail.co.uk/asp/1538.aspx).

2365/01/002/DM40.4/O	Mrs Ash Lewis	Object		DM40.4 61	Policy DM40.4. Purley car park, a very valuable resource is to be re-designated as mixed residential/retail with car park. As half of the local bank and post office branches in the south of the borough have closed many of us are forced to go into Purley a lot more than we would like. Please, please make sure there is enough car parking spaces. There is certainly not enough parking on street.	Change	Any development will require the retention of some of the existing parking spaces.
2448/01/038/DM40.4/C	Andy Stranack Croydon Council	Comment	Soundness - Effective	DM40.4 61	Site 61, Car Park, 54-58 Whytecliffe Road South. Whilst the site is re-designated as residential, any new scheme should have at least as many public parking spaces as the current car park	Change	Any development will require the retention of some of the existing parking spaces.

2635/01/032/DM40.4/O	Paul Sandford <i>Bourne Society</i>	Object	DM40.4 61	61, Car Park, 54-58 Whytecliffe Road South. Whilst the site is re-designated as residential, any new scheme should have at least as many public parking spaces as the current car park	Change	Any development will require the retention of some of the existing parking spaces.
2714/01/002/DM40.4/O	Claire and Michael Shallcross	Object	DM40.4 61	In general the provision of sensible parking options is vital, both for improving traffic flow and encouraging use of local businesses and must be central to all future developments, both commercial and residential. Not providing parking does not stop people owning or using cars. In particular we are concerned that under Policy 40.4, Table 11.3, Site 61 vital central parking capacity will be lost. Should the site at 54-58 Whytecliffe Road South be re-designated as residential then any new scheme must have at least as many public parking spaces as the current car park. We understand that the current free parking in Purley town centre is to be removed - obviously the Council wants to finish off remaining businesses (possibly to build even greater numbers of skyscrapers). This is a retrograde step, and should be reversed at once. We strongly believe that just refusing to include parking within developments really does not stop a relatively large proportion of people buying and using cars. If current policies continue all streets in Purley centre and adjacent roads will just become permanent car parks for developments which don't include parking provision, making roads far less safe and clogging up traffic. We have noticed, since the parking charges in Purley Knoll were reduced, that we now have obvious commuter cars (mostly very large and expensive) using the road as very cheap parking. We are in general concerned about lack of provision of parking spaces in developments. If adequate space is incorporated, and preferably underground to retain maximum green spaces, then roads can be kept free of parked cars, particularly during busy commuting times, which will increase traffic flow, ease congestion and improve pollution and road safety.	Change	Any development will require the retention of some of the existing parking spaces.

2741/01/004/DM40.4/O	Mr Colin Dunk	Object	Soundness - Effective	DM40.4 61	There should be no net loss of public parking spaces to the town as a result of any redesignation. There is considerable pressure already on parking spaces in Purley, and proposal after proposal says nothing about maintaining the level of parking spaces, or contemplates relaxing parking place requirements of new developments. There is certainly no obvious ambition to improve the current situation. Opposed, unless the current public parking space provision in the town is guaranteed to be maintained or improved with specific, timescaled, projects.	Change	Any development will require the retention of some of the existing parking spaces.
2775/01/038/DM40.4/C	Cllr Tim Pollard <i>London Borough of Croydon</i>	Comment	Soundness - Effective	DM40.4 61	Site 61, Car Park, 54-58 Whytecliffe Road South. Whilst the site is re-designated as residential, any new scheme should have at least as many public parking spaces as the current car park	Change	Any development will require the retention of some of the existing parking spaces.
2776/01/038/DM40.4/C	Cllr Helen Pollard <i>London Borough of Croydon</i>	Comment	Soundness - Effective	DM40.4 61	Site 61, Car Park, 54-58 Whytecliffe Road South. Whilst the site is re-designated as residential, any new scheme should have at least as many public parking spaces as the current car park	Change	Any development will require the retention of some of the existing parking spaces.
2781/01/004/DM40.4/S	Graham Bass	Support		DM40.4 61	Support a major residential development on this site. I am reminded of the tall buildings being proposed for Fairfield Phase 1, flanking & masking the railway line. Given that the railway unattractively runs on an embankment, a well-designed high-rise development would be an asset to the appearance of the town. I suspect that the estimated number of homes is unduly low. A good supply of car parking would be prerequisite- at least what we have today, to facilitate rail use, plus for residents.	Welcome support	
2784/01/007/DM40.4/O	Iain Waterson	Object		DM40.4 61	If the car park at 54-58 Whytecliffe Road South is indeed re-designated as residential any new scheme should have at least as many public parking spaces as the current car park.	Change	Any development will require the retention of some of the existing parking spaces.
2789/01/002/DM40.4/S	R P Reed	Support		DM40.4 61	61- Carpark @ Whytecliffe Rd South. No objection to residential development, but it is essential that the station car park capacity is not adversely affected as Purley car parking is already minimal.	Change	Any development will require the retention of some of the existing parking spaces.

2801/01/003/DM40.4/C	Mr and Mrs Michael Somers			DM40.4 61	3.Policy 40.4 Table 11.3 site 61. Object. Parking is essential as car ownership increases and to reducing parking opportunities will drive shopper to out of town units resulting in empty high streets and loss of small shopkeepers.	Change	Any development will require the retention of some of the existing parking spaces.
2802/01/004/DM40.4/O	Jan Hanzal	Object		DM40.4 61	Table 11.13 Ref. No. 61 The report should explicitly mention that any redevelopment should not reduce the number of public parking places, in fact, acknowledge a need to increase it. Purley already has a parking problem, with residential streets especially along Brighton Road being used by commuters. Purley is an important rail junction and is highly convenient for access to London as it incorporates both mainline services and two branch lines. Increasing population and growing employment opportunities in London will create increasing demands on these facilities further out.	Change	Any development will require the retention of some of the existing parking spaces.
2812/01/038/DM40.4/C	Cllr Jan Buttinger <i>London Borough of Croydon</i>	Comment	Soundness - Effective	DM40.4 61	Site 61, Car Park, 54-58 Whytecliffe Road South. Whilst the site is re-designated as residential, any new scheme should have at least as many public parking spaces as the current car park	Change	Any development will require the retention of some of the existing parking spaces.
2828/02/001/DM40.4/O	Mr Eugene Regan	Object		DM40.4 61	The car park at 54-58 Whytecliffe Road South is being re-designated as residential why? Given the parking problems in Purley town centre, any new scheme should have at least as many public parking spaces as the current car park. The surrounding areas are highly residential with poor bus services, Purley Station is very difficult to get to without a car. I oppose this change.	Change	Any development will require the retention of some of the existing parking spaces.

Whilst the site is re-designated as residential, any new scheme should have at least as many public parking spaces as the current car park	Change	Any development will require the retention of some of the existing parking spaces.
2834/01/003/DM40.4/O	Kathleen Tomlin	Object		DM40.4 61	If you get rid of the pool/car park in Purley, you must replace it with equal car parking spaces & better pool. If you continue in this vein, my husband & I will move out of the area, to somewhere up North, where they plan things differently!! Your loss, our gain - pity, as this should be a really nice place to live, but you are definitely spoiling it.	Change	Any development will require the retention of some of the existing parking spaces.

2841/01/025/DM40.4/O	Cllr Vidhi Mohan <i>London Borough of Croydon</i>	Object		DM40.4 61	Site 61, Car Park, 54-58 Whytecliffe Road South. Whilst the site is re-designated as residential, any new scheme should have at least as many public parking spaces as the current car park;	Change	Any development will require the retention of some of the existing parking spaces.
2842/01/038/DM40.4/C	Cllr Richard Chatterjee <i>London Borough of Croydon</i>	Comment	Soundness - Effective	DM40.4 61	Site 61, Car Park, 54-58 Whytecliffe Road South. Whilst the site is re-designated as residential, any new scheme should have at least as many public parking spaces as the current car park	Change	Any development will require the retention of some of the existing parking spaces.
2850/02/004/DM40.4/O	Elizabeth Killick	Object		DM40.4 61	ANY REDEVELOPEMENT MUST HAVE CARPARKING SPACES. PEOPLE ARE NOT GOING TO STOP OWNING CARS. LET US BE REAL.	Change	Any development will require the retention of some of the existing parking spaces.
2906/03/003/DM40.4/O	Mr Gerald Smith	Object		DM40.4 61	Do you think that the preferred approach is the most appropriate for Croydon to help us meet our Strategic Objectives set out in Section 3? - No it remains to be seen if objections are taken into account. Do you think that the preferred approach is deliverable?- No the onus for this is on the council. Is it sustainable? See response below- If yo udesignate the car park in Whyteleafe Road as residential where are the current users going to park? Redevelop yes- but do not reduce the number of spaces for the public to use.	Change	Any development will require the retention of some of the existing parking spaces.

2970/01/005/DM40.4/O	Janet Dean	Object		DM40.4 61	<p>I understand that the following Policies will threaten our green spaces. I was born in Croydon and have lived in this area all my life (I am now 63). My parents came here from Scotland in the early 1950s. They chose this area specifically for its green spaces and it is quite unique in that facility. I spent more than 35 years in Real Estate in this area and know very well that the reason people continue to move here, is exactly for these facilities and yet remaining within easy reach of other amenities, London, the coast and airports. Of course, more housing is required but I believe the alternative suggestions to these proposals to be very valid and much more in keeping with the neighbourhood thus maintaining its attractiveness and good standard.</p> <p>These proposals are ill conceived and will change this particular neighbourhood beyond all recognition and take away that for which it is well known and valued. Please hear the voices of people like me and do NOT continue with the proposed policies set out below and which can be found in your Local Plan:</p> <p>4. Policy 40.4, Table 11.3, Site 61</p>	Change	Any development on this site will require the retention of the existing parking spaces.
2982/01/014/DM40.4/O	Mrs Jeanne Driscoll	Object		DM40.4 61	<p>I wish to add my objections made on this document by our local M.P. Chris Philp.</p>	Change	Any development will require the retention of some of the existing parking spaces.
2987/01/004/DM40.4/O	Mrs Jenny Andrews	Object	Soundness - Justified	DM40.4 61	<p>As part of your consultations, please note my objections to the following in your Local Plan:</p> <p>DM2, DM40,DM28, DM35, DM41.3, DM35, DM44.2, DM44.2 (11.17) Policy 40 (11.3), Policy 40.4 (11.3 site 61)</p>	Change	Any development will require the retention of some of the existing parking spaces.
3003/01/005/DM40.4/O	Mr John James	Object		DM40.4 61	<p>I would like to register my objection to DM 40.4 Site 61 Purley Parking</p>	Change	Any development will require the retention of some of the existing parking spaces.
3046/01/005/DM40.4/O	Stephanie Lawson	Object		DM40.4 61	<p>I object to this policy based on the existing parking problems in Purley and the fact that any new scheme should have at least as many public parking spaces as the current car park.</p>	Change	Any development will require the retention of some of the existing parking spaces.
3075/01/007/DM40.4/O	Mr Christopher Andrews	Object		DM40.4 61	<p>It is proposed to re-designate the Whytecliffe Road car park as residential. Local Government plans must not reduce parking capacity under any pretext. Car usage is essential for local prosperity.</p>	Change	Any development will require the retention of some of the existing parking spaces.

3081/01/004/DM40.4/O	Mr John Morgan	Object		DM40.4 61	Policy 40.4, Table 11.3, Site 61 (p168). This car park at 54-58 Whytecliffe Road South is being re-designated as residential. Any new development must provide the equivalent public parking.	Change	Any development will require the retention of some of the existing parking spaces.
3091/01/004/DM40.4/O	Mr Paul Gomm	Object		DM40.4 61	please note my objection to the following policy reference numbers within your current draft plan for planning & development;	Change	Any development will require the retention of some of the existing parking spaces.
3102/01/003/DM40.4/O	Mr Richard Horton	Object		DM40.4 61	2.It would appear that the long stay car park near the station is to be redeveloped with reduced car parking. This car park is the only long stay car park usable by commuters, of which there are large numbers. The designation of some spaces for the NHS has already put pressure on its capacity. Further reductions would be unreasonable.	Change	Any development will require the retention of some of the existing parking spaces.
3162/01/014/DM40.4/O	Mr Joe Toner	Object		DM40.4 61	I would like to voice my object to the following plan DM40.4.	Change	Any development will require the retention of some of the existing parking spaces.
3164/01/003/DM40.4/O	Jenny White	Object		DM40.4 61	The car park at Whytecliffe rd being re-designated as residential. There is very limited parking in Purley & this one should not go.	Change	Any development will require the retention of some of the existing parking spaces.
3185/01/004/DM40.4/O	Mr Stephen Woodward	Object		DM40.4 61	We have lived in Sanderstead for over 40 years, and have thoroughly enjoyed the areas to the south of Croydon being unspoilt. In our view these ill conceived proposals will change this area beyond recognition and take away that for which it is well known and valued. Please rethink, and do not continue with the proposed policies set out below and which can be found in your Local Plan: Policy 40.4, Table 11.3, Site 61 (p168).	Change	Any development will require the retention of some of the existing parking spaces.
3225/01/004/DM40.4/O	Sandra Dudman	Object	Soundness - Effective	DM40.4 61	4) Policy 40.4 Table 11.3 Site 61 p168 Car park on 54-58 Whytecliffe Road South proposed re- designated residential. Parking is desperately short in this area.	Change	Any development will require the retention of some of the existing parking spaces.
3234/01/005/DM40.4/O	Mr Peter Newman	Object		DM40.4 61	I specifically object to: 40.4 Whytecliffe Road car park. This rubbish strewn car park attests to another council failure to enforce proper standards of tidiness in the borough. Jeremy Paxman is not the only one depressed by our disgusting streets. Any development should duplicate the existing parking facilities and give respite to hard pressed local residents whose streets are parked out (both legally and illegally) by commuters on a daily basis.	Change	Any development will require the retention of some of the existing parking spaces.

3260/01/004/DM40.4/O	Wayne Starr	Object		DM40.4 61	Purley Parking. As above the parking facility should be maintained and improved for residents that find public transport impractical. The capacity should as a minimum be maintained for the use of all residents many of whom do not live on a public transport route or who find it impractical to use.	Change	Any development will require the retention of some of the existing parking spaces.
3275/01/004/DM40.4/O	Suzanne Connor	Object		DM40.4 61	With reference to the Local Plan which has been proposed, please note my objection to the following policies: > > Garden Grabbing > Policy DM2 > > Purley Skyscraper authorisation > Policy DM40.1 > > Purley Pool > Policy 40.4, Table 11.3, Site 30 > > Purley Parking > Policy 40.4, Table 11.3, > > Sanderstead "Lidl" Site > Policy DM41.3, Table 11.14, site 306 > > Gypsy/Traveller site on Conduit Lane, next to Coombe Wood Gardens > Policy DM44.2, Table 11.17, site 661 > > Loss of Green Belt – (1) Coombe Playing Fields, (2) Croham Hurst, (3) Sanderstead Plantation > The Coombe Playing Fields, currently Green Belt, are being proposed for development in Policy DM44.2, Table 11.17, site 662 > > Lack of Parking in new developments > Policy DM28 > > More Protection; Less "Intensification" > Policy DM31.4	Change	Any development will require the retention of some of the existing parking spaces.
3281/01/003/DM40.4/O	Mr William Wheeler	Object		DM40.4 61	Any new leisure centre should include a swimming pool and should also retain the present number of parking spaces as at present because of the problem of parking in Purley.	Change	Any development will require the retention of some of the existing parking spaces.
3316/01/004/DM40.4/O	Mr David Dudman	Object	Soundness - Effective	DM40.4 61	4) Policy 40.4 Table 11.3 Site 61 p168 Car park on 54-58 Whytecliffe Road South proposed re- designated residential. Parking is desperately short in this area.	Change	Any development will require the retention of some of the existing parking spaces.

3319/01/003/DM40.4/O	Mr Ron Thomas	Object	Soundness - Effective	DM40.4 61	I object to the following ridiculous proposals...  Policy 40.4, Table 11.3, Site 61 (p168) This car park is so useful - we need it.	Change	Any development will require the retention of some of the existing parking spaces.
3322/01/013/DM40.4/O	Mr Richard Driverr	Object		DM40.4 61	I should like to make it known that I object to this which is included in the recently published Local Plan.	Change	Any development will require the retention of some of the existing parking spaces.
3347/01/009/DM40.4/O	Mr Richard Veldeman	Object		DM40.4 61	Policy 40.4, Table 11.3, Site 61 (p168). This car park at 54-58 Whytecliffe Road South is being re-designated as residential. Given the parking problems in Purley town centre, any new scheme should have at least as many public parking spaces as the current car park.	Change	Any development will require the retention of some of the existing parking spaces.
3415/01/006/DM40.4/O	Ms C Soroczynski	Object		DM40.4 61	Please note my objections to planning Policy 40.4, Table 11.3, Site 61	Change	Any development will require the retention of some of the existing parking spaces.
3430/01/004/DM40.4/O	Mr Donald Speakman	Object	Soundness - Effective	DM40.4 61	Site 61: Public car parking should be retained at present capacity. There is scope here for major development of 4-6 storeys, well set back from road, and partially used to mask elevated railway, similar to current Fairfield Halls design phase 1.	Change	Any development will require the retention of some of the existing parking spaces.
3460/01/003/DM40.4/O	Mr & Mrs Batki-Braun	Object	Soundness - Justified	DM40.4 61	DM 40.4 Site 61 It is important to maintain the parking capacity of the car park which is extremely popular. Purley requires parking to maintain its commercial centre, to visit Purley Hospital and the numerous small shops in town. Lack of parking will destroy, rather than improve our town and reduce employment and the livelihood of small shopkeepers and specialist service providers.	Change	Any development will require the retention of some of the existing parking spaces.
3474/01/016/DM40.4/O	Mr Dennis King <i>Sanderstead Residents' Associatio</i>	Object	Soundness - Justified	DM40.4 61	Car Parking in Purley the severe loss of car parking spaces to the 16 storey tower will generate severe street parking across the Purley centre, made worse by the policy to close the car park in Wycliffe Road car park which is close to main line Purley Station and the shopping area.	Change	Any development will require the retention of some of the existing parking spaces.
3515/01/003/DM40.4/O	Rosemary Wiseman	Object		DM40.4 61	The car park is a disgrace - lifts no longer working, and I have seen evidence of drug taking, heavy drinking and the smell of urine is atrocious - particularly in the mezzanine well between ground and first floor. I do not feel safe using it. Parking in Purley is difficult. Spaces have been reduced in the High Street - two in particular replaced with concrete monstrosities supposed to be seats. More short term parking is urgently required.	Change	Any development will require the retention of some of the existing parking spaces.

3559/01/004/DM40.4/O	Mr Michael Southwell	Object	DM40.4 61	Regarding the draft local plan I make the following objection- Purley Parking.Following the leasing by the Council to the NHS of part of the Multi storey Car park owned by the Council opposite Purley railway station this car park is usually full after the morning rush hour.The only car park with spaces at present is in Whytecliffe road nearby.To therefore make this residential as is proposed is therefore ridiculous.	Change	Any development will require the retention of some of the existing parking spaces.
3561/01/004/DM40.4/O	Linda Hione	Object	DM40.4 61	Purley Parking Policy 40.4, Table 11.3, Site 61 (p168). This car park at 54-58 Whytecliffe Road South is being re-designated as residential. Given the parking problems in Purley town centre, any new scheme should have at least as many public parking spaces as the current car park if not more.	Change	Any development will require the retention of some of the existing parking spaces.
3571/01/004/DM40.4/O	Mr & Mrs Hewitt	Object	DM40.4 61	Policy 40.4, Table 11.3, Site 61 (p168) This car park at 54-58 Whytecliffe Road South is being re-designated as residential. Given the parking problems in Purley town centre, any new scheme should have at least as many public parking spaces as the current car park.	Change	Any development will require the retention of some of the existing parking spaces.
3577/01/015/DM40.4/O	Mr Peter West	Object	DM40.4 61	I object to Policy 40.4 table 11.3 - All of the above are unacceptable to me as a Sanderstead resident for the last 25 years. We need space and sensible development that compliments the environment. I totally agree with all the point that our member of Parliament has suggested.	Change	Any development will require the retention of some of the existing parking spaces.
3584/01/004/DM40.4/O	Mrs Margaret Lawless	Object	DM40.4 61	I list below the relevant policy References to which I object: 40.4 Table 11.3 Site 61 (p168)	No change	No changes can be made as the result of this comment as it not detailed enough to determine what is being objected to.
3588/01/004/DM40.4/O	Mr Nigel Jones	Object	DM40.4 61	Table 11.13 Ref 61 significantly reduces the area's parking capability (as has been done in Coulsdon). This will lead to illegal and dangerous parking and / or further encroachment into residential roads for commuter parking.	Change	Any development will require the retention of some of the existing parking spaces.

3592/01/003/DM40.4/O	Nicola Shipp	Object		DM40.4 61	As a resident of Croydon all my life, I wish to register my opposition to the following "plans".... DM 40. 4 SITE 61Purley Parking, The car park is a necessity in Purley. I volunteer at the Cats Protection Shop in Purley High Street, every Saturday after working full time all week. Car parking is of a premium in all of Purley. Tesco's car park has a time restriction and the station is very busy	Change	Any development will require the retention of some of the existing parking spaces.
3699/01/038/DM40.4/C	Cllr J Cummings	Comment	Soundness - Effective	DM40.4 61	Site 61, Car Park, 54-58 Whytecliffe Road South. Whilst the site is re-designated as residential, any new scheme should have at least as many public parking spaces as the current car park	Change	Any development will require the retention of some of the existing parking spaces.
3708/01/005/DM40.4/O	Mrs J McDonald	Object		DM40.4 61	This car park at 54-58 Whytecliffe Road South is being re-designated as residential. Given the parking problems in Purley town centre, any new scheme should have at least as many public parking spaces as the current car park.	Change	Any development will require the retention of some of the existing parking spaces.
3734/01/004/DM40.4/O	Mr & Mrs Mott	Object		DM40.4 61	I object to this site allocation.	Change	Any development will require the retention of some of the existing parking spaces.
3750/01/005/DM40.4/O	Mrs Anne Turner	Object		DM40.4 61	I would like to put in writing my objections to the following local plans:  I would like to put in writing my objections to the following local plans: I am listing the relevant Policy Numbers: 4. 40.4 Table 11.3 site 61 Purley Parking	Change	Any development will require the retention of some of the existing parking spaces.
3779/01/005/DM40.4/O	Mr Andrew Frazer	Object		DM40.4 61	Policy 40.4 Purley Parking. This is an issue already and it would be unwise to remove any parking facilities to allow further developments. If this happens additional parking must be found.	Change	Any development will require the retention of some of the existing parking spaces.
3794/01/004/DM40.4/O	Mr Thomas Lawson	Object		DM40.4 61	I object to this policy based on the existing parking problems in Purley and the fact that any new scheme should have at least as many public parking spaces as the current car park.	Change	Any development will require the retention of some of the existing parking spaces.
3795/01/005/DM40.4/O	Mr Tony Connor	Object		DM40.4 61	With reference to the Local Plan which has been proposed, please note my objection to the following policies: Purley Parking Policy 40.4, Table 11.3,	Change	Any development will require the retention of some of the existing parking spaces.

3796/01/004/DM40.4/O	Mr Tony Sales	Object	DM40.4 61	I am emailing to record my objection to the following policies within the 'Local Plan'.	Change	Any development will require the retention of some of the existing parking spaces.
3804/01/039/DM40.4/C	Cllr L Hale <i>London Borough of Croydon</i>	Comment	DM40.4 61	Site 61, Car Park, 54-58 Whytecliffe Road South. Whilst the site is re-designated as residential, any new scheme should have at least as many public parking spaces as the current car park	Change	Any development will require the retention of some of the existing parking spaces.
3807/01/004/DM40.4/O	Mr Geoff Bell	Object	DM40.4 61	Parking is tight and difficult already. There are significant numbers of elderly people in Purley and Coulsdon, while everyone doing significant amounts of shopping also needs transport. The loss of the Lion Green car park has caused serious parking issues in Coulsdon. These problems must be addressed for the town centres to remain viable - we need more parking spaces, not less.	Change	Any development will require the retention of some of the existing parking spaces.
3810/01/004/DM40.4/O	Joan Sabatini	Object	DM40.4 61	This car park in Whytecliffe Road South is always 'well patronised' i.e.. often FULL. Any new scheme should have, at least, as many equivalent parking spaces.	Change	Any development will require the retention of some of the existing parking spaces.
3812/01/004/DM40.4/O	Mr Peter Spragg	Object	DM40.4 61	Policy 40.4, Table 11.3, Site 61 (p168). The car park at 54-58 Whytecliffe Road South is to be re-designated as residential. Given the current minimal car parking spaces within Purley town centre, any new scheme should have at least as many public parking spaces as the current car park.	Change	Any development will require the retention of some of the existing parking spaces.
3813/01/004/DM40.4/O	Mr Brandon Hannan	Object	DM40.4 61	Policy 40.4, Table 11.3, Site 61 (p168). This car park at 54-58 Whytecliffe Road South is being re-designated as residential. Given the parking problems in Purley town centre, any new scheme should have at least as many public parking spaces as the current car park	Change	Any development will require the retention of some of the existing parking spaces.
3814/01/005/DM40.4/O	Mr Jon Adams	Object	DM40.4 61	Policy 40.4, Table 11.3, Site 61 (p168). The car park at 54-58 Whytecliffe Road South is being re-designated as residential. Given the parking problems in Purley town centre, any new scheme should have at least as many public parking spaces as the current car parking provision.	Change	Any development will require the retention of some of the existing parking spaces.

3816/01/003/DM40.4/O	Lorraine Oakley	Object	DM40.4 61	Policy 40.4, Table 11.3, Site 61 I object to the removing of the much need parking facility in 54-58 Whytecliffe Road South, there is insufficient parking in Purley considering it has a busy station and many restaurants and shops. This parking space should remain and I object to the idea of designating it as residential.	Change	Any development will require the retention of some of the existing parking spaces.
3837/01/007/DM40.4/O	Mr & Mrs Hooper	Object	DM40.4 61	Policy 40.4, table 11.3 Site 61. I strongly object to the proposal to re-designate the car park at 54-58 Whytecliffe Road South as residential. It once again seems to be the objective of the planners to increase congestion. Purley needs more not less car parking.	Change	Any development will require the retention of some of the existing parking spaces.
3849/01/005/DM40.4/O	Maureen Messett	Object	DM40.4 61	I sincerely hope that my objections will be noted. I have lived in this borough for many many years and I hate seeing it gradually destroyed.	Change	Any development will require the retention of some of the existing parking spaces.
3864/01/004/DM40.4/O	Pauline Morgan	Object	DM40.4 61	Policy 40.4, Table 11.3, Site 61 (p168). This car park at 54-58 Whytecliffe Road South is being re-designated as residential. Any new development must provide the equivalent public parking.	Change	Any development will require the retention of some of the existing parking spaces.
3896/01/011/DM40.4/O	Mr M Veldeman	Object	DM40.4 61	Purley needs parking. A car park is required. People use cars and this will not change. Forcing cars out of the area will make all local businesses suffer and quite possibly fold as people will continue to use their cars and simply go somewhere more welcoming. Therefore losing the car park would be detrimental to people and to the environment as people will be driving further.	Change	Any development will require the retention of some of the existing parking spaces.
3897/01/029/DM40.4/O	Cllr M Neal	Object	DM40.4 61	Site 61, Car Park, 54-58 Whytecliffe Road South. Whilst the site is re-designated as residential, any new scheme should have at least as many public parking spaces as the current car park;	Change	Any development will require the retention of some of the existing parking spaces.
3940/01/004/DM40.4/O	Shirley Shephard	Object	DM40.4 61	Policy 40.4, Table 11.3, Site 61 (p168). This car park at 54-58 Whytecliffe Road South is being re-designated as residential. Given the parking problems in Purley town centre, any new scheme should have at least as many public parking spaces as the current car park.	Change	Any development will require the retention of some of the existing parking spaces.
3941/01/004/DM40.4/O	Mr Frances Sell	Object	DM40.4 61	If the car park is redesignated an equal number of car spaces should be provided. Purley town centre demands this.	Change	Any development will require the retention of some of the existing parking spaces.

4032/01/005/DM40.4/O	Ms S Lawson	Object		DM40.4 61	I object to this policy based on the existing parking problems in Purley and the fact that any new scheme should have at least as many public parking spaces as the current car park.	Change	Any development will require the retention of some of the existing parking spaces.
4050/01/004/DM40.4/O	Jenny White	Object		DM40.4 61	Purley Parking Policy 40.4  Any new development should maintain the existing no. of car parking spaces	Change	Any development will require the retention of some of the existing parking spaces.
4078/01/005/DM40.4/O	Mr & Mrs Belsey	Object		DM40.4 61	If Whytecliffe Road South car park is built on, there must be the same number of car park spaces or more made in Purley, as parking is already a problem and will get worse when more building occurs	Change	Any development will require the retention of some of the existing parking spaces.
4085/01/005/DM40.4/O	Mrs Shelley Chatter-Singh	Object		DM40.4 61	I would like to officially put forward to you my strong objection to some of the policies that you are proposing within Croydon. My objections are particularly directed to the following policies: 40.4 table 11.3, site 61. Parking in purley is vital if we are to encourage people to use the local facilities.	Change	Any development will require the retention of some of the existing parking spaces.
4095/01/004/DM40.4/O	Vaughan Pomeroy	Object		DM40.4 61	Car parking requirements may change with time, hopefully reducing if we can break the dependence on the car. However, there is clearly not sufficient provision near to shopping parades now and some of the proposals involve changing the use of existing parking facilities, such as the Whytecliffe Road car park close to Purley Station. On road parking near to Sanderstead and Purley Oaks stations is creating dangerous driving conditions and somehow the Council must address this situation. More parking is clearly needed, and there is a clear aversion to paying for it, hence the on road parking. I would hope that wherever car parks are subject of a change of use the available public car parking will be maintained or increased. I did not see any reference to the provision of charging points for electric cars but with the sustainability theme present I would hope that such facilities are incorporated.	Change	Any development will require the retention of some of the existing parking spaces.
4108/01/004/DM40.4/O	The Chudasama Family	Object	Soundness - Justified	DM40.4 61	Policy 40.4, Table 11.3, Site 61 (p168). – We have severe parking problems in Purley town centre, any new proposed scheme should have at least as many public parking spaces as the current car park.	Change	Any development will require the retention of some of the existing parking spaces.

4117/01/018/DM40.4/O	Cllr S Brew	Object		DM40.4 61	Site 61: Public car parking should be retained at present capacity. There is scope here for major development of 4-6 storeys, well set back from road, and partially used to mask elevated railway, similar to current Fairfield Halls design phase 1.	Change	Any development will require the retention of some of the existing parking spaces.
4125/01/038/DM40.4/C	Councillor M Fisher	Comment	Soundness - Effective	DM40.4 61	Site 61, Car Park, 54-58 Whytecliffe Road South. Whilst the site is re-designated as residential, any new scheme should have at least as many public parking spaces as the current car park	Change	Any development will require the retention of some of the existing parking spaces.
4411/01/003/DM40.4/O	Maurice Brennan	Object		DM40.4 61	3.I strongly object to the inclusion of: Policy 40.4, Table 11.3, Site 61 (p168). Purley should NOT be loosing public parking spaces	Change	Any development will require the retention of some of the existing parking spaces.
2982/01/015/DM40.4/O	Mrs Jeanne Driscoll	Object		DM40.4 66	I wish to add my objections made on this document by our local M.P. Chris Philp.	No change	This comment has not been substantiated so no changes can be made.
3162/01/015/DM40.4/O	Mr Joe Toner	Object		DM40.4 66	I would like to voice my object to the following plan DM40.4.	No change	The objection is not substantiated, (no reason given), so the Council is unable to respond.
3322/01/014/DM40.4/O	Mr Richard Driverr	Object		DM40.4 66	I should like to make it known that I object to this which is included in the recently published Local Plan.	No change	There is insufficient information to consider this comment further.
3577/01/016/DM40.4/O	Mr Peter West	Object		DM40.4 66	I object to Policy 40.4 table 11.3 - All of the above are unacceptable to me as a Sanderstead resident for the last 25 years. We need space and sensible development that compliments the environment. I totally agree with all the point that our member of Parliament has suggested.	No change	This allocation sets out that residential development is acceptable in principle. Any planning application for this site will be assessed against the Local Plan planning policies, which include an assessment on the local environment and character.
0117/02/002/DM40.4/O	Mr Richard Applebee	Object	Soundness - Justified	DM40.4 683	I see that the existing car parks in Purely are also under threat from development. The revamped Purley hospital now includes the Keston Medical Practice and the hospital has totally inadequate parking facilities. This is alleviated by the availability of the car park in Russell Hill Place, and if this is removed by development, it will create severe problems for the elderly and those with young children.	No change	The allocation requires the provision of a public car park.
2781/01/008/DM40.4/C	Graham Bass	Comment		DM40.4 683	A highly desirable development. It is currently a mess that massively lets Purley down- waste ground, scruffy workshops that overflow onto road & footpath, badly maintained car park, a bottle neck. The proposals of a few years ago. with two levels of car parking cut into the slope, a good starting point	No change	Comment is noted.

2982/01/016/DM40.4/O	Mrs Jeanne Driscoll	Object		DM40.4 683	I wish to add my objections made on this document by our local M.P. Chris Philp.	No change	This comment has not been substantiated so no changes can be made.
3162/01/016/DM40.4/O	Mr Joe Toner	Object		DM40.4 683	I would like to voice my object to the following plan DM40.4.	No change	The objection is not substantiated, (no reason given), so the Council is unable to respond.
3275/01/005/DM40.4/O	Suzanne Connor	Object		DM40.4 683	With reference to the Local Plan which has been proposed, please note my objection to the following policies: > > Garden Grabbing > Policy DM2 > > Purley Skyscraper authorisation > Policy DM40.1 > > Purley Pool > Policy 40.4, Table 11.3, Site 30 > > Purley Parking > Policy 40.4, Table 11.3, > > Sanderstead "Lidl" Site > Policy DM41.3, Table 11.14, site 306 > > Gypsy/Traveller site on Conduit Lane, next to Coombe Wood Gardens > Policy DM44.2, Table 11.17, site 661 > > Loss of Green Belt – (1) Coombe Playing Fields, (2) Croham Hurst, (3) Sanderstead Plantation > The Coombe Playing Fields, currently Green Belt, are being proposed for development in Policy DM44.2, Table 11.17, site 662 > > Lack of Parking in new developments > Policy DM28 > > More Protection; Less "Intensification" > Policy DM31.4	No change	Public car parking will be provided as part of any redevelopment of this site.
3322/01/015/DM40.4/O	Mr Richard Driverr	Object		DM40.4 683	I should like to make it known that I object to this which is included in the recently published Local Plan.	No change	There is insufficient information to consider this comment further.
3430/01/008/DM40.4/O	Mr Donald Speakman	Object	Soundness - Effective	DM40.4 683	Site 683: Public car parking should be retained at present capacity, regardless of other development on this site.	No change	Policy DM28 has been amended to ensure that developments that propose the loss of car parking first demonstrate that there is no need for the car parking that is being lost.

3577/01/017/DM40.4/O	Mr Peter West	Object	DM40.4 683	I object to Policy 40.4 table 11.3 - All of the above are unacceptable to me as a Sanderstead resident for the last 25 years. We need space and sensible development that compliments the environment. I totally agree with all the point that our member of Parliament has suggested.	No change	This allocation sets out that residential development is acceptable in principle. Any planning application for this site will be assessed against the Local Plan planning policies, which include an assessment on the local environment and character.
4117/01/022/DM40.4/O	Cllr S Brew	Object	DM40.4 683	Site 683: Public car parking should be retained at present capacity, regardless of other development on this site.	No change	The allocation requires the reprovision of the public car park.

2177/01/025/DM40.4/C Miss Vanessa Garner  
Network Rail Infrastructure Limited

Comment Soundness - DM40.4  
Effective A168

Network Rail notes that there are a number of sites adjacent to the Railway and attach a standard response which sets out the issues that need to be considered. In particular with large new developments there is a concern about the risk of trespass and all new developments should have proper and suitable boundary fencing. The risk of greater flooding and drainage that new developments could potentially have on the Network Rail infrastructure and we would not want any increase of flooding or the increase in run off onto Railway Infrastructure.

No change

Any development proposals for the site would be subject to consultation and Network Rail would be consulted as required.

The developer must ensure that their proposal, both during construction and after completion of works on site, does not:

- encroach onto Network Rail land
- affect the safety, operation or integrity of the company's railway and its infrastructure
- undermine its support zone
- damage the company's infrastructure
- place additional load on cuttings
- adversely affect any railway land or structure
- over-sail or encroach upon the air-space of any Network Rail land
- cause to obstruct or interfere with any works or proposed works or Network Rail development both now and in the future

The developer should comply with the following comments and requirements for the safe operation of the railway and the protection of Network Rail's adjoining land.

Future maintenance  
The development must ensure any future maintenance can be conducted solely on the applicant's land. The applicant must ensure that any construction and any subsequent maintenance can be carried out to any proposed buildings or structures without adversely affecting the safety of, or encroaching upon Network Rail's adjacent land and air-space, and therefore all/any building should be situated at least 2 metres (3m for overhead lines and third rail) from Network Rail's boundary. The reason for the 2m (3m for overhead lines and third rail) stand off requirement is to allow for construction and future maintenance of a building and without requirement for access to the operational railway environment which may not necessarily be granted or if granted subject to railway site safety requirements and special provisions with all associated railway costs charged to the

applicant. Any less than 2m (3m for overhead lines and third rail) and there is a strong possibility that the applicant (and any future resident) will need to utilise Network Rail land and air-space to facilitate works. The applicant / resident would need to receive approval for such works from the Network Rail Asset Protection Engineer, the applicant / resident would need to submit the request at least 20 weeks before any works were due to commence on site and they would be liable for all costs (e.g. all possession costs, all site safety costs, all asset protection presence costs). However, Network Rail is not required to grant permission for any third party access to its land. No structure/building should be built hard-against Network Rail's boundary as in this case there is an even higher probability of access to Network Rail land being required to undertake any construction / maintenance works. Equally any structure/building erected hard against the boundary with Network Rail will impact adversely upon our maintenance teams' ability to maintain our boundary fencing and boundary treatments.

#### Drainage

Storm/surface water must not be discharged onto Network Rail's property or into Network Rail's culverts or drains except by agreement with Network Rail. Suitable drainage or other works must be provided and maintained by the Developer to prevent surface water flows or run-off onto Network Rail's property. Proper provision must be made to accept and continue drainage discharging from Network Rail's property; full details to be submitted for approval to the Network Rail Asset Protection Engineer. Suitable foul drainage must be provided separate from Network Rail's existing drainage. Soakaways, as a means of storm/surface water disposal must not be constructed near/within 10 – 20 metres of Network Rail's boundary or at any point which could adversely affect the stability of Network Rail's property. After the completion and occupation of the development, any new or exacerbated problems attributable to the new development shall be investigated and remedied at the applicants' expense.

#### Plant & Materials

All operations, including the use of cranes or other mechanical plant working adjacent to Network Rail's property, must at all times be carried out in a "fail safe" manner such that in the event of mishandling, collapse or failure, no plant or materials are

capable of falling within 3.0m of the boundary with Network Rail.

#### Scaffolding

Any scaffold which is to be constructed within 10 metres of the railway boundary fence must be erected in such a manner that at no time will any poles over-sail the railway and protective netting around such scaffold must be installed. The applicant/applicant's contractor must consider if they can undertake the works and associated scaffold/access for working at height within the footprint of their property boundary.

#### Piling

Where vibro-compaction/displacement piling plant is to be used in development, details of the use of such machinery and a method statement should be submitted for the approval of the Network Rail's Asset Protection Engineer prior to the commencement of works and the works shall only be carried out in accordance with the approved method statement.

#### Fencing

In view of the nature of the development, it is essential that the developer provide (at their own expense) and thereafter maintain a substantial, trespass proof fence along the development side of the existing boundary fence, to a minimum height of 1.8 metres. The 1.8m fencing should be adjacent to the railway boundary and the developer/applicant should make provision for its future maintenance and renewal without encroachment upon Network Rail land. Network Rail's existing fencing / wall must not be removed or damaged and at no point either during construction or after works are completed on site should the foundations of the fencing or wall or any embankment therein, be damaged, undermined or compromised in any way. Any vegetation on Network Rail land and within Network Rail's boundary must also not be disturbed. Any fencing installed by the applicant must not prevent Network Rail from maintaining its own fencing/boundary treatment.

#### Lighting

Any lighting associated with the development (including vehicle lights) must not interfere with the sighting of signalling apparatus and/or train drivers vision on approaching trains. The location and colour of lights must not give rise to the potential for confusion with the signalling

arrangements on the railway. The developers should obtain Network Rail's Asset Protection Engineer's approval of their detailed proposals regarding lighting.

#### Noise and Vibration

The potential for any noise/ vibration impacts caused by the proximity between the proposed development and any existing railway must be assessed in the context of the National Planning Policy Framework which hold relevant national guidance information. The current level of usage may be subject to change at any time without notification including increased frequency of trains, night time train running and heavy freight trains.

#### Vehicle Incursion

Where a proposal calls for hard standing area / parking of vehicles area near the boundary with the operational railway, Network Rail would recommend the installation of a highways approved vehicle incursion barrier or high kerbs to prevent vehicles accidentally driving or rolling onto the railway or damaging lineside fencing.

Network Rail strongly recommends the developer contacts [AssetProtectionsSussex@networkrail.co.uk](mailto:AssetProtectionsSussex@networkrail.co.uk) prior to any works commencing on site, and also to agree an Asset Protection Agreement with us to enable approval of detailed works. More information can also be obtained from our website at [www.networkrail.co.uk/asp/1538.aspx](http://www.networkrail.co.uk/asp/1538.aspx).

Network Rail Infrastructure Limited

Comment Soundness - DM40.4  
Effective A324

Network Rail notes that there are a number of sites adjacent to the Railway and attach a standard response which sets out the issues that need to be considered. In particular with large new developments there is a concern about the risk of trespass and all new developments should have proper and suitable boundary fencing. The risk of greater flooding and drainage that new developments could potentially have on the Network Rail infrastructure and we would not want any increase of flooding or the increase in run off onto Railway Infrastructure.

No change

Any development proposals for the site would be subject to consultation and Network Rail would be consulted as required.

The developer must ensure that their proposal, both during construction and after completion of works on site, does not:

- encroach onto Network Rail land
- affect the safety, operation or integrity of the company's railway and its infrastructure
- undermine its support zone
- damage the company's infrastructure
- place additional load on cuttings
- adversely affect any railway land or structure
- over-sail or encroach upon the air-space of any Network Rail land
- cause to obstruct or interfere with any works or proposed works or Network Rail development both now and in the future

The developer should comply with the following comments and requirements for the safe operation of the railway and the protection of Network Rail's adjoining land.

Future maintenance  
The development must ensure any future maintenance can be conducted solely on the applicant's land. The applicant must ensure that any construction and any subsequent maintenance can be carried out to any proposed buildings or structures without adversely affecting the safety of, or encroaching upon Network Rail's adjacent land and air-space, and therefore all/any building should be situated at least 2 metres (3m for overhead lines and third rail) from Network Rail's boundary. The reason for the 2m (3m for overhead lines and third rail) stand off requirement is to allow for construction and future maintenance of a building and without requirement for access to the operational railway environment which may not necessarily be granted or if granted subject to railway site safety requirements and special provisions with all associated railway costs charged to the

applicant. Any less than 2m (3m for overhead lines and third rail) and there is a strong possibility that the applicant (and any future resident) will need to utilise Network Rail land and air-space to facilitate works. The applicant / resident would need to receive approval for such works from the Network Rail Asset Protection Engineer, the applicant / resident would need to submit the request at least 20 weeks before any works were due to commence on site and they would be liable for all costs (e.g. all possession costs, all site safety costs, all asset protection presence costs). However, Network Rail is not required to grant permission for any third party access to its land. No structure/building should be built hard-against Network Rail's boundary as in this case there is an even higher probability of access to Network Rail land being required to undertake any construction / maintenance works. Equally any structure/building erected hard against the boundary with Network Rail will impact adversely upon our maintenance teams' ability to maintain our boundary fencing and boundary treatments.

#### Drainage

Storm/surface water must not be discharged onto Network Rail's property or into Network Rail's culverts or drains except by agreement with Network Rail. Suitable drainage or other works must be provided and maintained by the Developer to prevent surface water flows or run-off onto Network Rail's property. Proper provision must be made to accept and continue drainage discharging from Network Rail's property; full details to be submitted for approval to the Network Rail Asset Protection Engineer. Suitable foul drainage must be provided separate from Network Rail's existing drainage. Soakaways, as a means of storm/surface water disposal must not be constructed near/within 10 – 20 metres of Network Rail's boundary or at any point which could adversely affect the stability of Network Rail's property. After the completion and occupation of the development, any new or exacerbated problems attributable to the new development shall be investigated and remedied at the applicants' expense.

#### Plant & Materials

All operations, including the use of cranes or other mechanical plant working adjacent to Network Rail's property, must at all times be carried out in a "fail safe" manner such that in the event of mishandling, collapse or failure, no plant or materials are

capable of falling within 3.0m of the boundary with Network Rail.

#### Scaffolding

Any scaffold which is to be constructed within 10 metres of the railway boundary fence must be erected in such a manner that at no time will any poles over-sail the railway and protective netting around such scaffold must be installed. The applicant/applicant's contractor must consider if they can undertake the works and associated scaffold/access for working at height within the footprint of their property boundary.

#### Piling

Where vibro-compaction/displacement piling plant is to be used in development, details of the use of such machinery and a method statement should be submitted for the approval of the Network Rail's Asset Protection Engineer prior to the commencement of works and the works shall only be carried out in accordance with the approved method statement.

#### Fencing

In view of the nature of the development, it is essential that the developer provide (at their own expense) and thereafter maintain a substantial, trespass proof fence along the development side of the existing boundary fence, to a minimum height of 1.8 metres. The 1.8m fencing should be adjacent to the railway boundary and the developer/applicant should make provision for its future maintenance and renewal without encroachment upon Network Rail land. Network Rail's existing fencing / wall must not be removed or damaged and at no point either during construction or after works are completed on site should the foundations of the fencing or wall or any embankment therein, be damaged, undermined or compromised in any way. Any vegetation on Network Rail land and within Network Rail's boundary must also not be disturbed. Any fencing installed by the applicant must not prevent Network Rail from maintaining its own fencing/boundary treatment.

#### Lighting

Any lighting associated with the development (including vehicle lights) must not interfere with the sighting of signalling apparatus and/or train drivers vision on approaching trains. The location and colour of lights must not give rise to the potential for confusion with the signalling

arrangements on the railway. The developers should obtain Network Rail's Asset Protection Engineer's approval of their detailed proposals regarding lighting.

#### Noise and Vibration

The potential for any noise/ vibration impacts caused by the proximity between the proposed development and any existing railway must be assessed in the context of the National Planning Policy Framework which hold relevant national guidance information. The current level of usage may be subject to change at any time without notification including increased frequency of trains, night time train running and heavy freight trains.

#### Vehicle Incursion

Where a proposal calls for hard standing area / parking of vehicles area near the boundary with the operational railway, Network Rail would recommend the installation of a highways approved vehicle incursion barrier or high kerbs to prevent vehicles accidentally driving or rolling onto the railway or damaging lineside fencing.

Network Rail strongly recommends the developer contacts [AssetProtectionsSussex@networkrail.co.uk](mailto:AssetProtectionsSussex@networkrail.co.uk) prior to any works commencing on site, and also to agree an Asset Protection Agreement with us to enable approval of detailed works. More information can also be obtained from our website at [www.networkrail.co.uk/asp/1538.aspx](http://www.networkrail.co.uk/asp/1538.aspx).

Regent Land and Development Ltd

Object

DM41.3

We wish to promote 359-367 Limsfield Road for a mixed use site allocation. The Site is within the jurisdiction of LBC, in the southern part of the Borough. The boundary with Tandridge District Council is located approximately 50 metres to the south of the Site. The Site is also located within Hamsey Green Local Centre and the character of the surrounding area comprises a mix of uses, including retail /commercial uses and residential. The Site is occupied by two main buildings. The western portion of the site is currently occupied by a large unattractive two storey commercial building. We understand that this provides accommodation for Ken's Auto MOT Centre, a car wash, car showroom and gym. The eastern portion of the site is occupied by detached bungalow with a large pitched roof and its associated garden. The Site is located within Flood Zone 1 and TfL's website states that the Site has a Public Transport Accessibility Level (PTAL) 1b. The operator of the existing MOT Centre operation (Ken's Autos) has a number of other similar operations within the area and, due to market competition, is proposing to consolidate these existing operations within their surrounding retained MOT Centres. The current operations do not generate sufficient custom to meet costs and this is partly as a result of the location of the site within a predominately suburban area. The existing commercial buildings have been constructed for a bespoke purpose and are not constructed to a modern day standard and are limited in terms of its flexibility to accommodate new types of operators. We consider that this severely limits opportunities for securing an alternative commercial operator on the site, in the future. The site has physical constraints which are likely to limit its attraction for a commercial end user. This includes that the site does not form part of a larger industrial area and its proximity of existing residential properties including those which back onto the subject site from Audley Drive and Kingswood Lane. The type of commercial operator / function that would occupy this site is therefore likely to be restricted by this constraint on the basis that environmental effects (e.g. noise, dust, pollution, etc) that could have a detrimental impact upon surrounding residential amenity. It is considered that the existing buildings are not attractive and do not contribute positively to the appearance of

The site should be allocated for a mixed use scheme of residential and commercial. Change

The site will be included in the Proposed Submission draft of the Croydon Local Plan. A density range will be applied to the site of 10-22 residential units and 1-3 commercial units on the ground floor.

Hamsey Green and are not compatible with existing surrounding residential uses. We are aware that the existing LBC planning policy context seeks to resist the loss of employment uses (Policy SP3). However, we do not consider that this policy applies in this instance on the basis that the site comprises a 'sui generis' operation. Notwithstanding this, we understand that the site has been marketed for approximately 11 months (from January 2015) for industrial / warehouse uses (B use classes) without success and is continued to be marketed for these uses to establish if there is any emerging interest from this market sector. Prior to this the landowner has been trying to secure a new occupier for the site since January 2013 without interest from commercial operators. It is therefore considered that the existing site has limited scope for continuing to provide an employment function in the future. To maintain some form of employment function and job opportunities on this site this would be achieved through the construction of a mixed-use development where the residential element of the scheme cross-subsidises the construction of new commercial floorspace. This commercial floorspace would be built to a modern day standard and which is flexible to attract a variety of commercial operators. The Site provides a good regeneration opportunity. We consider that the mixed-use redevelopment of the subject site would help to bring back this site into full use. This would include the provision of high quality, flexible commercial floorspace which will more attractive the commercial operators in the future and therefore significantly improve the likelihood of providing long-term job opportunities on the site. It could also provide active commercial frontages within Hamsey Green Local Centre which contribute to the vitality of this Local Centre. The regeneration of the Site for housing development provides the opportunity for the delivery of a range of new homes, including a proportion of affordable homes and family accommodation. The redevelopment of the Site also provides the opportunity for a scheme of a high quality design which will contribute positively to Hamsey Green. In our opinion, the mixed-use regeneration would provide a variety of planning benefits including:

- The replacement of unattractive buildings with a high quality scheme which visually contributes to the surrounding area;
- A mixed-use scheme which is

compatible with the surrounding area;  
- The provision of new homes;  
- The provision of affordable housing to accommodate the local population;  
- The provision of a range of housing types and sizes to meet a variety of needs;  
- Construction job opportunities;  
- A sustainable and 'green' development;  
- CIL and S106 opportunities to improve London-wide and local infrastructure.

2839/01/017/DM41.3/O	Cllr Yvette Hopley <i>London Borough of Croydon</i>	Object	Soundness - Justified	DM41.3	Ken's Autos site should be allocated for residential development.	Change	The site will be included in the Proposed Submission draft of the Croydon Local Plan. A density range will be applied to the site of 10-22 residential units and 1-3 commercial units on the ground floor.
2839/02/017/DM41.3/O	Cllr Yvette Hopley <i>London Borough of Croydon</i>	Object	Soundness - Justified	DM41.3	Ken's Autos site should be allocated for residential development.	Change	The site will be included in the Proposed Submission draft of the Croydon Local Plan. A density range will be applied to the site of 10-22 residential units and 1-3 commercial units on the ground floor.
3345/01/004/DM41.3/O	Rital Patel	Object		DM41.3	I would like to object.	No change	No change can be made as a result of this comment as it is not detailed enough as to what is being objected to.
3731/01/001/DM41.3/O	Nina Stobart	Object	Soundness - Justified	DM41.3	I am opposing and objecting the planning for the house on the footpath on west hill. My children often walk to school and this will make it unsafe for us to do so.	No change	No site is West Hill is included in the draft Local Plan.
0092/02/019/DM41.3/O	<i>Riddlesdown Residents Associatio</i>	Object		DM41.3 306	This site is owned by Lidl and has been the subject of a previous planning application by them. A Lidl or similar store on this site would cause increased traffic flows in the immediate and outer areas towards Riddlesdown. This site should only be considered for tasteful residential development, and not for retail.	The site should be allocated for residential. No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

1788/01/005/DM41.3/O	Alice Desira	Object	Soundness - Justified	DM41.3 306	Policy DM41.3, Table 11.14, site 306 (p171) says that retail can be built on the old Good Companions Pub site at the junction of Limpsfield Road and Tithepit Shaw Road. The traffic problem in Selsdon is a problem and this would just make matters much worse. There is no need for another supermarket in Selsdon. There is Sainsburys and Waitrose and Tesco's in Purley, which is only a short drive away.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.	
1797/01/006/DM41.3/O	Andrea Telman	Object		DM41.3 306	I totally disagree to the following planning applications which would spoil the character of our local environment and threaten our green belt. I choose to live in an area that is peaceful and quiet and resent the changes that are being forced upon me. In the spirit of true democracy I wish to make clear my objection to the following developments - Policy DM2 (p18); Policy DM40.1 (p166); Policy 40.4, Table 11.3, Site 30 (p168) ; Policy 40.4, Table 11.3, Site 61 (p168). ; Policy DM41.3, Table 11.14, site 306 (p171); Policy DM44.2, Table 11.17, site 661 (p179). ; Policy DM44.2, Table 11.17, site 662 (p179); Policy DM28 (p115-116); Policy DM35, Table 11.8, Site 945 (p146); and Policy DM31.4 (p126)	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.	
1800/01/005/DM41.3/O	Carly Litchfield	Object		DM41.3 306	Objection to the policy. No further justification provided.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.	
1829/01/005/DM41.3/O	Christine Cafferkey	Object	Soundness - Effective	DM41.3 306	Policy DM41.3, Table 11.14, site 306 (p171) says that retail can be built on the old Good Companions Pub site at the junction of Limpsfield Road and Tithepit Shaw Road. This site is owned by Lidl and has been the subject of a previous planning application by them. A Lidl or similar store on this site would cause traffic chaos.	This site should only be considered for tasteful residential development, and not for retail.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

1843/01/005/DM41.3/O	Mrs A L Winkley	Object	DM41.3 306	I object to Policy DM 41.3 table 11.14, site 306		No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
1894/01/005/DM41.3/O	Mr & Mrs Derek & Sue Reeves	Object	DM41.3 306	We would make the following objections to the proposed Draft Local Plan which is a poorly disguised attack on the southern part of the Borough  Policy DM41.3, table 11.4 Site 306		No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
1903/01/005/DM41.3/O	Edgar Fielding	Object	DM41.3 306	May I add my objection to the many (I hope) of objectors you have already for this store in Sanderstead /Hamsey Green, charming villages on a busy main road, which are already served by a combination of local shops with adequate car parking facility. Another store would cause massive problems. Residents do not want or need another big store.	Retail should not be proposed for this site.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
1916/01/005/DM41.3/O	Andrew Hird	Object	DM41.3 306	Policy DM41.3, Table 11.14, site 306 (p171) says that retail can be built on the old Good Companions Pub site at the junction of Limpsfield Road and Tithepit Shaw Road. This site is owned by Lidl and has been the subject of a previous planning application by them. A Lidl or similar store on this site would cause traffic chaos. This site should only be considered for tasteful residential development, and not for retail.	This site should only be considered for tasteful residential development, and not for retail. 2093/05/001/DM41.3/O	Loraine Pond	Object	DM41.3 306	Policy DM41.3, table 11.14, site 306  This email is being sent to register my belief that the above site should be used for residential purposes and not for a retail development.		No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
2128/02/021/DM41.3/O	Cllr Steve O'Connell AM	Object	DM41.3 306	The policy favours a retail outlet at the former Good Companions Pub site, at the junction of Limpsfield Road and Tithepit Shaw Road, owned by Lidl. Any retail development at this site would cause traffic chaos; hence only residential development should be permitted.	The site should be allocated for residential only.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
2175/01/003/DM41.3/O	Mrs Veronica Prigg	Object	DM41.3 306	I wish to object to Policy DM41.3 Table 11.14 Lidl site Hamsey Green. This application has already been refused, and also on appeal for a number of valid reasons, why has it re emerged? We do not need another supermarket in the area, but we do need decent affordable housing, not overpriced flats. this site would be ideal for housing.		No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
2181/01/003/DM41.3/C	Ray & Anne Smith		DM41.3 306	I strongly object to the following policies:- Sanderstead Lidl Site DM41.3 p171		No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

2364/01/005/DM41.3/O	Alison Crane	Object	Soundness - Justified	DM41.3 306	The site of the old Good Companions pub would be better suited to residential than large retail Lidl store.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
2448/01/039/DM41.3/C	Andy Stranack <i>Croydon Council</i>	Comment	Soundness - Justified	DM41.3 306	Site 306, The Good Companions Public House, There needs to be a reduction in traffic movements from this site, and as such can the site cope with a mix of retail and residential?	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
2635/01/033/DM41.3/O	Paul Sandford <i>Bourne Society</i>	Object		DM41.3 306	Site 306, The Good Companions Public House, There needs to be a reduction in traffic movements from this site, and as such can the site cope with a mix of retail and residential;	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
2657/01/034/DM41.3/S	Rebecca Pullinger <i>CPRE London</i>	Support	Soundness - Justified	DM41.3 306	The Good Companions Public House: we support the redevelopment of this, and other brownfield sites across the proposals.	Welcome support	
2770/01/006/DM41.3/O	Mr Peter May	Object		DM41.3 306	DM41.3, Table 11.14, site 306 the old Good Companions PH site is to be allowed to be used for retail useage. I note this site is currently owned by Lidl who would no doubt wish to build a supermarket here. This area already suffers with high traffic congestion and allowing a retail outlet here will only make the problem worse. This site would be more appropriate to be restricted to residential building only with suitable off road parking facilities.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

2775/01/039/DM41.3/C	Cllr Tim Pollard <i>London Borough of Croydon</i>	Comment	Soundness - Justified	DM41.3 306	Site 306, The Good Companions Public House, There needs to be a reduction in traffic movements from this site, and as such can the site cope with a mix of retail and residential? There needs to be a reduction in traffic movements from this site, and as such the site cannot cope with a mix of retail and residential. The judgement of the Inspector in the case of the planning application from Lidl (LBC ref 13/00957/P, appeal ref APP/L5240/A/14/2212949) for the construction of a supermarket on this site makes it clear that road safety considerations in this already junction-intensive area should preclude the site's use for a supermarket and any retail development should therefore be of a secondary nature and not be likely to generate any significant levels of delivery or customer traffic.	This site would be better designated for residential only use	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses. The appeal referred to was mainly with regard to the issue of design and not with regards to the principle of retail use on the site.
2776/01/039/DM41.3/C	Cllr Helen Pollard <i>London Borough of Croydon</i>	Comment	Soundness - Justified	DM41.3 306	Site 306, The Good Companions Public House, There needs to be a reduction in traffic movements from this site, and as such can the site cope with a mix of retail and residential?		No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
2785/01/004/DM41.3/O	Ian Cutts	Object	Soundness - Justified	DM41.3 306	This is yet another example of the site owners riding rough shod over planning law and local needs as evidenced by their dealing with the site to date. Yet another large supermarket between those existing at Warlingham, Sanderstead and Selsdon is not required. The increase traffic flow and congestion that will occur is proven by the new Aldi unit in Coulsdon and lack parking and increased traffic flow. This occur in this predominately residential location.		No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
2804/01/004/DM41.3/O	Jim Gibbons	Object		DM41.3 306	The current road layout and traffic density precludes any further increase in the level of traffic generated by development and the site should only be considered for residential.		No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

2812/01/039/DM41.3/C	Cllr Jan Buttinger <i>London Borough of Croydon</i>	Comment	Soundness - Justified	DM41.3 306	Site 306, The Good Companions Public House, There needs to be a reduction in traffic movements from this site, and as such can the site cope with a mix of retail and residential?		No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
2829/01/039/DM41.3/C	Cllr Margaret Mead <i>Croydon Council</i>	Comment	Soundness - Justified	DM41.3 306	Site 306, The Good Companions Public House, There needs to be a reduction in traffic movements from this site, and as such can the site cope with a mix of retail and residential?		No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
2839/02/016/DM41.3/O	Cllr Yvette Hopley <i>London Borough of Croydon</i>	Object	Soundness - Effective	DM41.3 306	Lidl site now presented with 8-22 houses. Ref 306. Preferred option is Ken's Autos. Need reduction in traffic movements on this site due to last Inspector's report.	This should be retail only but with controlled access.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
2839/01/016/DM41.3/O	Cllr Yvette Hopley <i>London Borough of Croydon</i>	Object	Soundness - Effective	DM41.3 306	Lidl site now presented with 8-22 houses. Ref 306. Preferred option is Ken's Autos. Need reduction in traffic movements on this site due to last Inspector's report.	This should be retail only but with controlled access.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

2841/01/026/DM41.3/O	Cllr Vidhi Mohan <i>London Borough of Croydon</i>	Object		DM41.3 306	Site 306, The Good Companions Public House, There needs to be a reduction in traffic movements from this site, and as such can the site cope with a mix of retail and residential.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
2842/01/039/DM41.3/C	Cllr Richard Chatterjee <i>London Borough of Croydon</i>	Comment	Soundness - Justified	DM41.3 306	Site 306, The Good Companions Public House, There needs to be a reduction in traffic movements from this site, and as such can the site cope with a mix of retail and residential?	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
2906/02/001/DM41.3/O	Mr Gerald Smith	Object		DM41.3 306	It is outrageous that having had their application to build a store on the site of the Good Companions Pub declined , this issue is now back on the table. This is a classic situation of 'money talking' with absolutely no regard to the impact such a store would have on the local shops and community, let alone traffic chaos which is certain. If this goes ahead the local businesses and character of the area will be destroyed.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
2967/01/001/DM41.3/O	Janet Willings	Object		DM41.3 306	The Good Companions site is already a traffic nightmare. With hundreds of children travelling to schools in Tithe Pit Shaw Lane mixing with lorries and general traffic to and from the M25 the last thing we residents need is extra activity from a Lidl supermarket. We are already served by Sainsbury's, Waitrose and two Co-ops we have no need for any more large food outlets. Neither do we want our already over-parked side roads filled up with even more shoppers vehicles. Surely the Good Companions space would be better filled by residential development since there is such a great need for new housing.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

2970/01/006/DM41.3/O	Janet Dean	Object	DM41.3 306	<p>I understand that the following Policies will threaten our green spaces. I was born in Croydon and have lived in this area all my life (I am now 63). My parents came here from Scotland in the early 1950s. They chose this area specifically for its green spaces and it is quite unique in that facility. I spent more than 35 years in Real Estate in this area and know very well that the reason people continue to move here, is exactly for these facilities and yet remaining within easy reach of other amenities, London, the coast and airports. Of course, more housing is required but I believe the alternative suggestions to these proposals to be very valid and much more in keeping with the neighbourhood thus maintaining its attractiveness and good standard.</p> <p>These proposals are ill conceived and will change this particular neighbourhood beyond all recognition and take away that for which it is well known and valued. Please hear the voices of people like me and do NOT continue with the proposed policies set out below and which can be found in your Local Plan</p> <p>5. Policy DM41.3, Table 11.14, site 306 (p171) This site should only be considered for tasteful residential</p>	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
2982/01/025/DM41.3/O	Mrs Jeanne Driscoll	Object	DM41.3 306	I wish to add my objections made on this document by our local M.P. Chris Philp.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
2999/01/012/DM41.3/O	Mr John Harris	Object	DM41.3 306	<p>I am writing to object to Allowing retail development at the junction of Limpsfield Road and Tithepit Shaw Road as detailed in Policy DM41.3, Table 11.14, site 306 (p171)</p> <p>This site is owned by Lidl and has been the subject of a previous planning application by them which was refused by the council and the subsequent appeal dismissed due to traffic safety concerns . This site should only be considered for tasteful residential development, and not for retail.</p>	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

3003/01/004/DM41.3/O	Mr John James	Object	DM41.3 306	I would like to register my objection to DM41.3, Table 11.14, Site 306 (Sanderstead "Lidl" Site)	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3004/01/004/DM41.3/O	Mr John Pewtress	Object	DM41.3 306	The Good Companions site (now owned by Lidl) should not be developed as a supermarket unless ample parking, access and exit facilities can be provided. Congestion will kill the area and other local businesses.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3046/01/006/DM41.3/O	Stephanie Lawson	Object	DM41.3 306	I object to a proposal to build retail on this site as it will have a negative impact on traffic and cause congestion and traffic chaos. I believe this site should only be considered for residential development that are in keeping with the local area and should not be used for retail.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3081/01/005/DM41.3/O	Mr John Morgan	Object	DM41.3 306	Policy DM41.3, Table 11.14, site 306 (p171) says that retail can be built on the old Good Companions Pub site at the junction of Limpsfield Road and Tithepit Shaw Road. This site is not suitable for retail as determined during the last planning application due to road safety issues. It should be designated residential only.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

3091/01/005/DM41.3/O	Mr Paul Gomm	Object	DM41.3 306	please note my objection to the following policy reference numbers within your current draft plan for planning & development;	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3157/01/004/DM41.3/O	Mr James Clarke	Object	DM41.3 306	"Lidl" site at Hamsey Green DM 41.3 Building another retail outlet here is nothing short of insane. There are 4 similar businesses within half a mile of this site and the traffic problems that will be caused does not bear thinking about.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3185/01/005/DM41.3/O	Mr Stephen Woodward	Object	DM41.3 306	We have lived in Sanderstead for over 40 years, and have thoroughly enjoyed the areas to the south of Croydon being unspoilt. In our view these ill conceived proposals will change this area beyond recognition and take away that for which it is well known and valued. Please rethink, and do not continue with the proposed policies set out below and which can be found in your Local Plan: Policy DM41.3, Table 11.14, site 306 (p171) This site should only be considered for tasteful residential development, and not for retail.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3199/01/007/DM41.3/O	Sheila Wicks	Object	DM41.3 306	I am against this site as a use for retail .Traffic is nose to tail every day in front of this site in the rush hours and when the schools turn out .The proposed site of retail would kill the local shops .Build houses on the site of good quality that would blend in with the local ones already there ,but please add doctor facilities in the build or nearby.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

3201/01/003/DM41.3/O	Sharon Smith	Object		DM41.3 306	I am writing to support my local MP Chris Phelp in his objections	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3225/01/005/DM41.3/O	Saundra Dudman	Object	Soundness - Justified	DM41.3 306	5) policy DM41.3 Table 11.14 site 306 p171 proposed retail development on old Good Companions Pub site. A retail store would cause traffic chaos in this area and I think residential development more suitable.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3275/01/007/DM41.3/O	Suzanne Connor	Object		DM41.3 306	With reference to the Local Plan which has been proposed, please note my objection to the following policies: > > Garden Grabbing > Policy DM2 > > Purley Skyscraper authorisation > Policy DM40.1 > > Purley Pool > Policy 40.4, Table 11.3, Site 30 > > Purley Parking > Policy 40.4, Table 11.3, > > Sanderstead "Lidl" Site > Policy DM41.3, Table 11.14, site 306 > > Gypsy/Traveller site on Conduit Lane, next to Coombe Wood Gardens > Policy DM44.2, Table 11.17, site 661 > > Loss of Green Belt – (1) Coombe Playing Fields, (2) Croham Hurst, (3) Sanderstead Plantation > The Coombe Playing Fields, currently Green Belt, are being proposed for development in Policy DM44.2, Table 11.17, site 662 > > Lack of Parking in new developments > Policy DM28 > > More Protection; Less "Intensification" > Policy DM31.4	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

3281/01/004/DM41.3/O	Mr William Wheeler	Object		DM41.3 306	This proposed development has been previously refused and Lidle's new proposals will not overcome the dangers involved with traffic and proximity to schools in the vicinity. The site should be reserved for a small residential development .	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3289/01/001/DM41.3/O	Mr Matthew Dickson	Object	Soundness - Justified	DM41.3 306	Putting a supermarket in this site will make an already difficult traffic situation almost impossible. The Limpsfield Road forms part of my drive to work in Whyteleafe; I drive south in the morning. In the opposite direction going north the traffic is usually queuing from this site all the way to Sanderstead roundabout and it goes past 2 primary schools. The traffic is also very congested on Tithe Pit Shaw Lane going past a primary and then a secondary school. The entrance and exit to a supermarket will make this almost gridlocked both in the morning rush hour and then from 3pm when the schools finish. All the extra traffic fumes will be bad for the children. I think the most suitable development for this site is retirement flats.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3312/01/005/DM41.3/O	Mr Richard Brandwood	Object		DM41.3 306	Policy DM41.3, Table 11.14, site 306 (p171) - this site should be reserved for suitable housing only - there is a crying need for it - NOT a retail store!	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3316/01/005/DM41.3/O	Mr David Dudman	Object	Soundness - Justified	DM41.3 306	5) policy DM41.3 Table 11.14 site 306 p171 proposed retail development on old Good Companions Pub site. A retail store would cause traffic chaos in this area and I think residential development more suitable.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

3319/01/005/DM41.3/O	Mr Ron Thomas	Object	Soundness - Justified	DM41.3 306	I object to the following ridiculous proposals...  Policy DM41.3, Table 11.14, Site 306 (p171) I have always objected to a Lidl on this site. Traffic, schools, and the destruction of our community are all valid reasons to say NO NO NO!	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3319/01/004/DM41.3/O	Mr Ron Thomas	Object	Soundness - Justified	DM41.3 306	I object to the following ridiculous proposals...  Policy DM41.3, Table 11.14, Site 306 (p171) I have always objected to a Lidl on this site. Traffic, schools, and the destruction of our community are all valid reasons to say NO NO NO!	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3347/01/012/DM41.3/O	Mr Richard Veldeman	Object		DM41.3 306	Policy DM41.3, Table 11.14, site 306 (p171) says that retail can be built on the old Good Companions Pub site at the junction of Limpsfield Road and Tithepit Shaw Road. This site is owned by Lidl and has been the subject of a previous planning application by them. A Lidl or similar store on this site would cause traffic chaos. This site should only be considered for tasteful residential development, and not for retail.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3357/01/003/DM41.3/O	Joy Gadsby	Object		DM41.3 306	I strongly oppose the building of another supermarket in the area. We already have Waitrose, two Sainsbury's, a Tesco at Purley and a Co-op in Hamsey Green- all of which are accessible by local public transport or have their own car parking facilities. I think they already have enough competition and the effect on traffic congestion and emissions from yet more cars would increase the present problems far more than, for example, housing.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

3395/01/003/DM41.3/O	Mr A Coxo	Object		DM41.3 306	We also do not need another supermarket in Sanderstead the Limpsfield Road is extremely congested especially during rush hour, the proposed site for a Lidl would cause chaos and would be extremely dangerous as there are schools in such close proximity, it is time children's safety is put before financial rewards for large companies.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3415/01/007/DM41.3/O	Ms C Soroczynski	Object		DM41.3 306	Please note my objections to planning Policy DM41.3, Table 11.14, site 306	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3430/01/039/DM41.3/C	Mr Donald Speakman	Comment	Soundness - Justified	DM41.3 306	Site 306, The Good Companions Public House, There needs to be a reduction in traffic movements from this site, and as such can the site cope with a mix of retail and residential?	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3463/01/003/DM41.3/O	Ms F Wood	Object		DM41.3 306	I do not want to have a massive Lidl's in Sanderstead. It is a beautiful area and Lid's are out-pricing local stores and stores that look after animals on farms such as Waitrose and Sainsbury's. It just cheap food at a cost to our standards of living and caring. Lid's will not help the way we live in the long run.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

3474/01/008/DM41.3/O	Mr Dennis King Sanderstead Residents' Associatio	Object	Soundness - Justified	DM41.3 306	<p>Hamsey Green "Lidl" Site</p> <p>This proposed development was rejected by the Government's Planning Inspector when Lidl went to appeal having previously having their scheme rejected by both Croydon Council and Surrey County Council. This was not on the grounds of Lidl's shop design, but the dangerous use of delivery vehicles having to cross two lanes of Limpsfield Road to gain entry and exit to the shop.</p> <p>The recent purchase by Lidl of two adjoining properties in Tithepit Shaw Lane is an indication of their wish to proceed with the scheme encouraging the Council to support the application by the provision of possibly social housing flats above the shop.</p> <p>The two purchased properties are opposite the entrance to Warlingham Primary School, with Warlingham Secondary School at the other end of Tithepit Shaw Lane which is a narrow road.</p> <p>The site has already been rejected by the Planning Inspector for safety reasons, particularly because of hundreds of children using the area. The safety of the children is paramount and any retail proposal should be rejected which puts their lives in danger.</p> <p>The 2 acre site is ideal for housing and should be used for that much needed purpose.</p>	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3515/01/004/DM41.3/O	Rosemary Wiseman	Object	Soundness - Justified	DM41.3 306	<p>Lidl on Good Companions site Hamsey Green. I was born and brought up in that area, although now living in Purley. The last thing it needs is another supermarket of any kind. There is a Waitrose, Co-op and Sainsbury all within a radius of one mile. The traffic would be horrendous in such a residential area, with two schools close by which could be a Health and Safety issue. This application must be refused at all costs.</p>	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

3523/01/006/DM41.3/O	Mr Mike Rice	Object	DM41.3 306	Dear Sirs,  With reference to the recently published 'Croydon Local Plan', as a resident of the past 25 years I give my views as follows:-  Policy DM41.3, Table 11.14, site 306 (p171).Objection-Lidl not required. Impact on local roads & environment totally unacceptable..	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3561/01/014/DM41.3/O	Linda Hione	Object	DM41.3 306	Gypsy/Traveller site on Conduit Lane, next to Coombe Wood Gardens Policy DM44.2, Table 11.17, site 661 (p179). The council plans to create a Gypsy/Traveller site here. This is a greenbelt site, and it is not appropriate to put a traveller site here as "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development".	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3577/01/001/DM41.3/O	Mr Peter West	Object	DM41.3 306	I object to this site, as we need space and sensible development that compliments the environment.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3584/01/005/DM41.3/O	Mrs Margaret Lawless	Object	DM41.3 306	I list below the relevant policy References to which I object. DM41.3 Table 11.14 Site 306 (p171)	No change	No changes can be made as the result of this comment as it not detailed enough to determine what is being objected to.
3594/01/010/DM41.3/C	Mr Malcom Saunders		DM41.3 306	I also object to the proposed retail development of the old "Good Companions Pub" site in Hamsey Green, which the proposed policy DM4 1.3 table 11.14 (site 306) would allow . A retail outlet in such a location would cause traffic chaos. It will be far better to develop it as a residential site (with ample parking) and in character with other housing in the area - not a block of flats.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

3699/01/039/DM41.3/C	Cllr J Cummings	Comment	Soundness - Justified	DM41.3 306	Site 306, The Good Companions Public House, There needs to be a reduction in traffic movements from this site, and as such can the site cope with a mix of retail and residential?	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3706/01/004/DM41.3/O	Mr J Logan	Object		DM41.3 306	I am also opposed to the building of yet another supermarket in Tithepit Shaw Lane in Hamsey Green; an area which is totally unsuitable for such a development due to existing traffic problems. Another public house with additional small shops, or even new housing would be far more acceptable	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3708/01/006/DM41.3/O	Mrs J McDonald	Object		DM41.3 306	Nothing should be allowed that will encourage traffic chaos, location is totally inappropriate for this and it should be a residential development, not retail	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3710/01/003/DM41.3/O	Mr J Nolan	Object		DM41.3 306	I am also opposed to the building of yet another supermarket in Tithepit Shaw Lane in Hamsey Green; an area which is totally unsuitable for such a development due to existing traffic problems. Another public house with additional small shops, or even new housing would be far more acceptable.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

3712/01/007/DM41.3/O	Mr Nick Peiris	Object	DM41.3 306	We need to maintain (if not improve) the infrastructure the benefit Traders, shoppers as well as residents. Certainly easier access and MORE underground parking spaces with any suitable new developments.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3734/01/005/DM41.3/O	Mr & Mrs Mott	Object	DM41.3 306	I object to this site allocation.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3742/01/003/DM41.3/O	Mr Trevor Smith	Object	DM41.3 306	Policy DM41.3, Table 11.14, site 306 (p171) – proposed Lidl store. The area cannot handle another supermarket due to the amount of additional traffic this will attract. Warlingham village has shown the affects a supermarket brings and this would happen to Hamsey Green and have a knock on affect to Sanderstead where traffic is already a serious problem	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3750/01/006/DM41.3/O	Mrs Anne Turner	Object	DM41.3 306	I would like to put in writing my objections to the following local plans: I am listing the relevant Policy Numbers: 5. DM41.3 Table 11.14, site 306 Lidl Site	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

3794/01/005/DM41.3/O	Mr Thomas Lawson	Object	DM41.3 306	I object to a proposal to build retail on this site as it will have a negative impact on traffic and cause congestion and traffic chaos. I believe this site should only be considered for residential development that are in keeping with the local area and should not be used for retail.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3795/01/006/DM41.3/O	Mr Tony Connor	Object	DM41.3 306	With reference to the Local Plan which has been proposed, please note my objection to the following policies: Sanderstead "Lidl" Site Policy DM41.3, Table 11.14, site 306	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3796/01/005/DM41.3/O	Mr Tony Sales	Object	DM41.3 306	I am emailing to record my objection to the following policies within the 'Local Plan'.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3801/01/003/DM41.3/C	Barbara Garratt		DM41.3 306	object to  DM41.3 Table 11.14 Site 306 - this parcel of land is not suitable for a retail building mainly because of the access problems. The main road is frequently at a standstill due the volume of traffic and to have an entrance/exit would be impossible without spending a lot of money putting in a roundabout. The most suitable use for the land would be o.a.p. flats which wouldn't create much traffic and would be ideal for the close proximity of the shops. Also, there are plenty of stores in close proximity - we don't need another one.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

3804/01/040/DM41.3/C	Cllr L Hale <i>London Borough of Croydon</i>	Comment	DM41.3 306	Site 306, The Good Companions Public House, There would need to be a reduction in traffic movements from this site in order for it to cope with a mix of retail and residential;	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3810/01/005/DM41.3/O	Joan Sabatini	Object	DM41.3 306	This policy appears to allow the site of the old Good Companions Pub to be re-developed. As the current owners are Lidl it is assume they or a similar store owner may apply for planning permission. I strongly object to this site being developed for a retail store site as this would lead to a huge peak increase in traffic. This is an ideal site for residential development.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3812/01/005/DM41.3/O	Mr Peter Spragg	Object	DM41.3 306	Policy DM41.3, Table 11.14, site 306 (p171) says that retail can be built on the old Good Companions Pub site at the junction of Limpsfield Road and Tithepit Shaw Road. This site is owned by Lidl and has been the subject of a previous planning application by them. One of the main tenets, of the refusal to permit planning, was the increased traffic generated by such a retail development. It would appear therefore counter intuitive for a Lidl style or similar store on this site to receive planning permission. Residential development may well be the appropriate development of choice for this site rather than retail.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3813/01/005/DM41.3/O	Mr Brandon Hannan	Object	DM41.3 306	Policy DM41.3, Table 11.14, site 306 (p171) says that retail can be built on the old Good Companions Pub site at the junction of Limpsfield Road and Tithepit Shaw Road. This site is owned by Lidl and has been the subject of a previous planning application by them. A Lidl or similar store on this site would cause traffic chaos. This site should only be considered for tasteful residential development, and not for retail.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

3814/01/006/DM41.3/O	Mr Jon Adams	Object	DM41.3 306	Policy DM41.3, Table 11.14, site 306 (p171) proposes that retail development can be built on the old Good Companions Pub site at the junction of Limpsfield Road and Tithepit Shaw Road. This site is owned by Lidl and has been the subject of a previous planning application by them. A Lidl or similar store on this site would cause traffic chaos. This site should only be considered for residential development in line with existing building styles.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3815/01/003/DM41.3/C	Mr Jon Taylor		DM41.3 306	<p>It is with regret that I feel the need to object to the following proposals:-</p> <p>Purley skyscraper Policy DM40.1.</p> <p>I feel this proposal is completely out of keeping with the surrounding area and I strongly oppose it.</p> <p>Garden acquisition Policy DM2</p> <p>This will make 'garden grabs' far too easy in my opinion, is far too subjective and is therefore a far weaker form of protection.</p> <p>Sanderstead Lidl site Policy DM41.3</p> <p>This proposal will likely cause real problems to traffic in the vicinity and I do not think it is an appropriate site for retail development.</p> <p>Loss of Green Belt at Coombe Playing Fields and Croham Hurst Policy DM44.2</p> <p>I believe that both of these locations should remain Green Belt and that re-designation is inappropriate. It will impact the area badly and in conjunction with other changes steadily change the nature of the area for the worse.</p> <p>The Gypsy/Traveller site on Conduit Lane Policy DM44.2</p> <p>Finally I most strongly object to Council plans to develop a Gypsy/Traveller site here. I feel it is totally inappropriate placing this on Green Belt land and is in direct contravention of the "Planning Policy for Traveller Sites" published by the Government just last August!</p>	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

3816/01/004/DM41.3/O	Lorraine Oakley	Object		DM41.3 306	Policy DM41.3, Table 11.14, site 306 The residents in the area have made it clear that a retail facility is not required and would cause traffic issues in an area that is used by many school children. I object to the option of designating the site for retail use.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3819/01/004/DM41.3/O	Mr Michael Drury	Object		DM41.3 306	I notice that in your Local Plan for development of the area there are several proposals which deserve reconsideration before they are promulgated. 3 Old Good Companions site. Policy DM41.3 Table 11.14 site 306, Lidl and Aldi seem able to get away with destroying local amenities, often without permission,(cf The Red Lion site in Coulsdon), then eventually gaining acquiescence for their original plan with a few minor modifications. How do they achieve this? The chaos in Coulsdon, right on a roundabout, will be replicated in Hamsey Green on a very busy road junction. I would suggest that within 10 years if not 5 Aldi will obtain permission to turn their car park into a private one instead of a public one in direct contravention of their planning permission.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3829/01/003/DM41.3/O	Dr L Bowen-Long	Object	Soundness - Justified	DM41.3 306	Lidl Site in Sanderstead – completely the wrong location for a large retail facility. The road system there could not cope with extra traffic and the numerous attempts at entering and leaving such a site. Health and safety should be the priority.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3849/01/006/DM41.3/O	Maureen Messett	Object		DM41.3 306	I sincerely hope that my objections will be noted. I have lived in this borough for many many years and I hate seeing it gradually destroyed.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

3855/01/005/DM41.3/O	Mrs Gill Willis	Object	DM41.3 306	This should not be classed as a retail site. There would be traffic chaos. This is already a busy area. To add more retail outlets would be overkill for the community.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3861/01/003/DM41.3/O	Mr Neil Walker	Object	DM41.3 306	Hamsey Green "Lidl" site Policy DM41.3, Table 11.14, site 306. This site is not appropriate for retail development but should be considered as residential instead.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3864/01/005/DM41.3/O	Pauline Morgan	Object	DM41.3 306	Policy DM41.3, Table 11.14, site 306 (p171) says that retail can be built on the old Good Companions Pub site at the junction of Limpsfield Road and Tithepit Shaw Road. This site is not suitable for retail as determined during the last planning application due to road safety issues. It should be designated residential only.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3865/01/011/DM41.3/O	Ms M Kaczanowski	Object	DM41.3 306	Below is a list of our objections: 5. Policy DM41.3 - Development of a new Lidl store - we strongly oppose these plans. Opening a new Lidl store on site will intensify traffic causing chaos on roads which are not ready for such volume. There are currently enough shops in the area (including Waitrose) and there are numerous large shopping and supermarket facilities nearby (Superstore Sainsbury's in Selsdon, Aldi in Selsdon, another Sainsbury's in Warlingham).	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

3874/01/008/DM41.3/O	Carol Winterburn	Object	DM41.3 306	.Policy DM41.3, Table 11.14, site 306 indicates retail development on the old Good Companions Pub site at the junction of Limpsfield Road and Tithepit Shaw Road. A large store on this site will cause traffic chaos and damage the existing local shopping	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3883/01/003/DM41.3/O	Mrs Marilyn Arbisman	Object	DM41.3 306	Policy DM41.3 - The site owned by Lidl in Sanderstead should be for housing development, not a superstore that would cause great traffic problems in the area.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3896/01/012/DM41.3/O	Mr M Veldeman	Object	DM41.3 306	The arguments against a Lidl site still stand and it is unacceptable that we have to keep objecting to the idea because they tweak the application. There are schools in the area and the resulting extra traffic generated by having a Lidl on the site would be a danger to the children of the area. People must come before business.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3897/01/030/DM41.3/O	Cllr M Neal	Object	DM41.3 306	The Good Companions Public House, There needs to be a reduction in traffic movements from this site, and as such can the site cope with a mix of retail and residential;	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

3906/01/002/DM41.3/O	Mr & Mrs Blissett	Object	Soundness - Justified	DM41.3 306	DM 41.3 Table 11.14 site 306. This site is more suitable for residential development, or mixed used development such as residential accommodation over 'A' uses classes.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3941/01/005/DM41.3/O	Mr Frances Sell	Object		DM41.3 306	No more supermarkets required, a very large one exists nearby. Supermarkets are now being closed, not new built. If built serious traffic congestion would arise, it is serious now.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3960/01/004/DM41.3/O	Mrs R Jennings	Object		DM41.3 306	Policy DM41.3 table 11.14 - Sanderstead Lidl site should be kept for residential development only. The proposed commercial development would cause traffic chaos.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
4014/01/003/DM41.3/O	Mr R Swatton	Object		DM41.3 306	Policy DM43.3 (note: policy reference is incorrect in representation) Table 11.14 Site 306 This site should only be considered for residential development or possibly additional schooling?	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

4032/01/006/DM41.3/O	Ms S Lawson	Object	DM41.3 306	I object to a proposal to build retail on this site as it will have a negative impact on traffic and cause congestion and traffic chaos. I believe this site should only be considered for residential development that are in keeping with the local area and should not be used for retail.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
4085/01/006/DM41.3/O	Mrs Shelley Chatter-Singh	Object	DM41.3 306	M41.3 Table 11.14. Sanderstead Lidl. This development will create unsafe traffic flows in the immediate area.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
4092/01/004/DM41.3/O	Valerie Wilshaw	Object	DM41.3 306	I object to the proposal.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
4092/01/005/DM41.3/O	Valerie Wilshaw	Object	DM41.3 306	I object to the proposal.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

4095/01/006/DM41.3/O	Vaughan Pomeroy	Object		DM41.3 306	The use of the former Good Companions site continues to be problematic. It is not conducive to anything requiring heavy vehicle access which probably restricts sensible use to residential with limited entry points as far away from the main road junction as possible.	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
4108/01/005/DM41.3/O	The Chudasama Family	Object	Soundness - Justified	DM41.3 306	<ul style="list-style-type: none"> <li>Policy DM41.3, Table 11.14, site 306 (p171) - This site is owned by Lidl and has been the subject of a previous planning application by them. A Lidl or similar store on this site would cause traffic chaos. This site should only be considered for tasteful residential development, and not for retail.</li> </ul>	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
4114/01/011/DM41.3/O	Mr & Mrs Kaczanowski	Object		DM41.3 306	Below is a list of our objections: 5. Policy DM41.3 - Development of a new Lidl store - we strongly oppose these plans. Opening a new Lidl store on site will intensify traffic causing chaos on roads which are not ready for such volume. There are currently enough shops in the area (including Waitrose) and there are numerous large shopping and supermarket facilities nearby (Superstore Sainsbury's in Selsdon, Aldi in Selsdon, another Sainsbury's in Warlingham).	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
4117/01/032/DM41.3/O	Cllr S Brew	Object		DM41.3 306	Site 306, The Good Companions Public House, There needs to be a reduction in traffic movements from this site, and as such can the site cope with a mix of retail and residential;	No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.

4125/01/039/DM41.3/C	Councillor M Fisher	Comment	Soundness - Justified	DM41.3 306	Site 306, The Good Companions Public House, There needs to be a reduction in traffic movements from this site, and as such can the site cope with a mix of retail and residential?		No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
4716/01/004/DM41.3/O	Rachel Marland	Object		DM41.3 306	Policy DM41.3 - I do not think a busy retail outlet is the right thing to be built on this site		No change	The site will continue to be allocated in the Proposed Submission draft. Any development of the site would be required to satisfy all other policies of the Local Plan which would include those which consider traffic generation and management. It is considered appropriate for both retail and residential uses.
3816/01/005/DM41.3/O	Lorraine Oakley	Object		DM41.3 A336	A336 I don't really understand why this is mentioned but I would prefer the option of retaining the site for its existing use as it is a valuable asset to the area and used a lot by local people.		No change	Your objection is noted. The policy states that the Council's preference is for the existing use to be retained.
1929/02/007/DM42/O	Mr Charles Marriott	Object		DM42	I particularly object to your proposals for Selsdon.		No change	The objection is not substantiated in planning terms and cannot therefore be considered further.
2819/02/001/DM42/C	Peter Dolling	Comment	Soundness - Effective	DM42	Why is not listed the redevelopment of the Old Selsdon Garage next to Aldi on Addington Road. Which has been derelict for more years than I can remember. Cannot the owner rumoured to be Channel Island based be forced to cleanse the area of any toxic waste and sell or redevelop the site preferably as residential property.  I noticed that Faversham House , office space above Aldi has been converted to residential apartments	Allocate Old Selsdon Garage on Addington Road	Change	The site will be included in the Proposed Submission draft of the Croydon Local Plan. A density range will be applied to the site - in the region of 7-18 residential units and 1-3 commercial units on the ground floor. It is envisaged that the site will be allocated for residential with commercial on the ground floor given the site's location in a Main Retail Frontage in a District Centre.

Object

DM43.4

I am sad to find these intentions of new housing heavily and one-sidedly impacting Shirley and Addington, but I must especially emphasise that with every new housing public transport has to be increased to adequate. I would propose to consider extending tramlink to Shirley as the area in between is poorly covered, before it is built up even more. Perhaps a new tram line ending via Ashburton fields, or from Elmers end to Addington. I am near Edenham school and the only bus 367 is a joke. Please develop the tramlink as London is expanding south then people would be more happy.

I would propose to consider extending tramlink to Shirley as the area in between is poorly covered, before it is built up even more. Perhaps a new tram line ending via Ashburton fields, or from Elmers end to Addington.

No change

Extension of the tramlink to Shirley has not been put forward by TfL. Should TfL consider this an option, the Council will work with TfL at such time.

To supplement the details set out within table 11.16, which identify potential sites allocated for development, the Council has also produced a detailed proposal document; setting out for each site a reference number, postcode, description, local character area designation, location, public transport accessibility, description of option, justification for option, phasing of development, evidence of deliverability and the number of homes proposed. However, the detailed proposals document fails to provide empirical evidence that justifies

- how the Council arrived at identifying these specific sites, especially in light of the policies set out in the National Planning Policy Framework, the population of the Borough (being the most populous in London) and the projected population growth expected by 2036;
- how the Council arrived at the number of homes/units proposed per site;
- the proposed use of the sites (i.e. residential development, gypsy and traveller site, retain existing use); and
- how the Council is tackling the housing need for the Borough and specifically how Shirley can play its part in delivering development requirements.

It is requested that in order to be considered as 'sound' the emerging Local Plan should address the above matters, and provide evidence on the deliverability of each of the proposed sites. Moreover, it would be helpful if Table 11.16 clearly sets out the proposed yield from each of the emerging sites.

It would be helpful if Table 11.16 clearly sets out the proposed yield from each of the emerging sites. To supplement the details set out within table 11.16, which identify potential sites allocated for development, the Council has also produced a detailed proposal document; setting out for each site a reference number, postcode, description, local character area designation, location, public transport accessibility, description of option, justification for option, phasing of development, evidence of deliverability and the number of homes proposed. However, the detailed proposals document fails to provide supporting empirical evidence. The Council's proposed allocated sites for development in Shirley need to be clearly laid out on a Borough-wide proposal's map. As it currently stands, the Croydon Local Plan: Detailed Policies and Proposals (Preferred and Alternative Options) provides inset maps of the sites, however, this does not make it easy for the reader to identify exactly where the sites are in the broader context of the Borough.

Change

A draft Policies Map will accompany the Proposed Submission draft of the Local Plan. Housing numbers will not be included within Table 11.16 themselves as this will make them part of the policy but a schedule will be included in the back of CLP2 with details of all the proposed allocations.

Notwithstanding the above, the Council's proposed allocated sites for development in Shirley need to be clearly laid out on a Borough-wide proposal's map. As it currently stands, the Croydon Local Plan: Detailed Policies and Proposals (Preferred and Alternative Options) provides inset maps of the sites, however, this does not make it easy for the reader to identify exactly where the sites are in the broader context of the Borough.

Comment

I'd like to know more about the proposed building on Shirley Oaks Village please

Not Duly Made

The representation does not specify any particular document or policy and therefore this comment is considered as not duly made.

3396/01/008/DM43.4/O	Ms A Pavon-Lopez	Object	DM43.4	<p>I would like the following question answered:</p> <p>What part of the land by Poppy Lane (Site 128) exactly are you proposing to redevelop? Currently there are allotments there and open space that is home to a wide variety of wildlife. What is the impact on these areas?</p>	No change	<p>Details of the location is indicated on page 446 of the Croydon Local Plan - Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies - Partial Review (Preferred and Alternative Options) and the Croydon Local Plan: Detailed Policies and Proposals (Preferred and Alternative Options). This information will also be available on the draft policies map.</p>
3428/01/008/DM43.4/O	Mr Daniel Nuthall	Object	DM43.4	<p>Replacing some of the beautiful housing with medium rise blocks of flats is appalling</p>	No change	<p>This comment is not attributed to any specific site and cannot therefore be considered further.</p>
3515/01/006/DM43.4/O	Rosemary Wiseman	Object	DM43.4	<p>Once again it would seem that you regard the South of the Borough as fair game, and we are a bit fed up of being regarded as the "cash cow" for the Council. Many people in the South are worse off than those in the North of the Borough, but appear to be penalised the most. I agree with all the concerns put forward by Chris Philp our MP, but have only listed those which personally affect me, and about which I have some knowledge - ie Lidl development at Hamsey Green - words fail me that you should ever consider such a scheme, but again it would seem that the South of the Borough is regarded as unimportant and just a resource to be exploited. As a rider, can I suggest that one way to save money is to cut paper work and thereby halving the number of Council employees earning more than £50,000 a year, with ridiculous sounding titles, and reducing salaries of all the Senior Executives. A lot of money could be saved by adopting this policy - particularly in the long term. You may then be able to reconsider redevelopment requests more sympathetic to local residents.</p>	No change	<p>This is not a planning matter and cannot therefore be considered in the Local Plan.</p>
3557/01/002/DM43.4/O	Mr Keith Abrey	Object	DM43.4	<p>As a resident of Shirley I wish to add my concern about the proposed developments that would affect this area. I do not need to go into them in depth as you are well aware of what they are. I fully support Gavin Barwell's comments and would request that you do your utmost to prevent them occurring</p>	No change	<p>No changes can be made as a result of this comment as it is not clear which policy or site allocation is being objected to.</p>

3883/01/007/DM43.4/O	Mrs Marilyn Arbisman	Object	DM43.4	I do not have a Policy number for it, but I also understand that there is talk of Compulsory Purchasing of land and property in the private village of Shirley Oaks. I sincerely hope that this does not go ahead.		No change	The Local Plan does not seek to Compulsory Purchase Order any land at this time; nor is it the purpose of allocating land. If sites are not developable they are not considered deliverable and cannot therefore be allocated within the Local Plan.
0115/04/008/DM43.4/O	Mr Bob Sleeman	Object	DM43.4 128	I am therefore writing to formally object to: the use of the following five sites for housing:- □ land at Poppy Lane reference number 128; □ If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces. Building housing on them would mean the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of this part of Shirley. As far as I can see, these are the only bits of Metropolitan Open Land in the whole borough which the Council is proposing to de-designate and allow housing to be built on. Why has Shirley Oaks been singled out in this way?		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
0120/02/024/DM43.4/O	Addiscombe Residents Associatio	Object	DM43.4 128	If the Council will not keep them as Metropolitan Open Land, the five sites should at least be designated as Local Green Spaces and not used for housing.	The site should be Local Green Space.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

0122/05/002/DM43.4/O	Mrs Hilary Chelminski Addiscombe & Shirley Park RA	Object	Soundness - Justified DM43.4 128	<p>I am therefore writing to formally object to:</p> <p>1.de-designation of the Metropolitan Open Land around Shirley Oaks Village;</p> <p>2.the use of the following five sites for housing:</p> <ul style="list-style-type: none"> <li>•land at Poppy Lane reference number 128;</li> <li>•Stroud Green Pumping Station, 140 Primrose Lane reference number 504;</li> <li>•land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House reference number 541;</li> <li>•land to the west of Shirley Oaks Road reference number 542; and</li> <li>•land to the rear of 5-13 Honeysuckle Gardens reference number 548.</li> </ul> <p>If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces. 0790/01/143/DM43.4/O	Mr Mathew Frith <i>London Wildlife Trust</i>	Object	Soundness - Justified	DM43.4 128	We object to the proposed development on green spaces, which should remain designated as part of the Shirley Oaks MOL (see comments on Policy SP7 (Table 9.1)). This site meets criteria for Metropolitan Open Land, in terms of its nature conservation value.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
1180/01/005/DM43.4/O	Mr & Mrs K Davenport	Object	Soundness - Justified	DM43.4 128	I am horrified at the proposals regarding Shirley. There may be a need for more housing but there are alternatives and it is up to the Council to find these rather than making it easier and more profitable for builders which is what is now happening.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

1682/01/002/DM43.4/O	A Arbisman	Object	DM43.4 128	I hereby inform you of my STRONG OBJECTION to allow development on the land noted on your Policy Map 43. Ref 541; Ref 542; Ref 548; Ref 128; Ref 504. This land forms the reason why I , along with the majority of my neighbors purchased our homes. As freehold property owners we each have a shareholding in the company owning the land and do not wish for this , OUR land to be built on. We also find it unbelievable that the Council wishes to have a legal battle against 800 of its residents who not just own the land but are determined that the land keeps its 'Metropolitan Open Land ' protected status. The idea of building on these main green spaces when the existing houses were built with minimal sized gardens is disastrous , such development would obviously not just spoil the look and value of the area but would damage the health of the residents.This is the land where the residents catch the summer sun , go for walks , jog , children play , and has the most amazing natural wildlife that we all enjoy.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
1683/01/002/DM43.4/O	Balvir & Shobhna Patel	Object	DM43.4 128	I as resident of Shirley Oaks Village am against any change of our Metropolitan Land (with protection to being built on) being allowed as acceptable for development. I have been living in the Village for almost 30 years and paying for this land to be maintained as grass areas. We own the land as shareholder in our management company (Once designated as Amenity Open Land and transference to our Management company). I strongly oppose any moves to develop on these grass areas.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
1684/01/002/DM43.4/O	Colin Ward	Object	DM43.4 128	I am writing to express my objection to the planning proposals in the Shirley Oaks area. The land has been set aside for our use as we have very undersized gardens on the estate and we have also paid to keep those areas in a well maintained condition.The road around Shirley Oaks only has 2 exits as well, so would make it very congested as there are only 2 options for traffic to leave and enter and there are already a lot of problems at the Wickham Road end as people drive in and out. I object to the following Ref Numbers : Ref 541, Ref 542, Ref 548, Ref 128, Ref 504. I would appreciate any information you could send me in relation to upcoming meeting's about the proposals.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

1684/02/002/DM43.4/O	Colin Ward	Object	DM43.4 128	I am writing to express my objection to the planning proposals in the Shirley Oaks area. The land has been set aside for our use as we have very undersized gardens on the estate and we have also paid to keep those areas in a well maintained condition. The road around Shirley Oaks only has 2 exits as well, so would make it very congested as there are only 2 options for traffic to leave and enter and there are already a lot of problems at the Wickham Road end as people drive in and out. I object to the following Ref Numbers : Ref 541; Ref 542; Ref 548; Ref 128; Ref 504.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
1690/01/002/DM43.4/O	Mrs Christine Clark	Object	DM43.4 128	I am writing to strongly object to the development of land on Shirley Oaks Village. The land was shared between residents and in 1985 designated by Croydon Council as Amenity Open Land because of our undersized gardens. The land was transferred to the Management Company, with each property owner as a shareholder in that company. I intend to fight for the use of this land. My front garden is approximately 6' x 4' and the lawn in my back garden is only 6' x 5'. Both my parents and I use the land for exercising dogs as the gardens are so small. This whole thing has come as a huge shock to all of us. With regard to the traveller site. Travellers move around the countryside so why put a traveller site in such a residential area. I appreciate the Borough needs affordable homes but the land on the estate is so restricted in size and the in and out roads to the estate are already extremely dangerous owing to the bends in the road. Health and Safety issues need to be addressed. I strongly object to this development and will explore every possible way to restrict the development of these homes.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
1691/01/001/DM43.4/O	Daniela Reynolds	Object	DM43.4 128	I wish to object the following planned proposals; ref:541, ref:542, ref:548, ref:128 and ref:504. These planned proposals will not fit within the current aesthetics of the estate so please accept this email as an objection to the proposal.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

Re your development plans 541,542,548,128 and 504. Consultation.I am writing in response to your notices for development of the greenfield sites on the Shirley Oaks Village estate, changing the status of this land to allow development of around 700 new homes. When I bought my house here 18 years ago, it was on the understanding that this had been designated by Croydon Council as metropolitan amenity open land, an attractive feature of the original development, important not least due to the relatively small gardens of some properties, a mixture of unit sizes in an harmonious design. Thus there is a mixture of family unit sizes and age groups at home here. For many years, I and my fellow-resident members of the Shirley Oaks Management Ltd company have contributed regularly to First Port Property Services and their predecessors under our common upkeep obligation, including provision of boundary posts at various points of these areas to ensure that visiting Travellers could not reoccupy them. As I understand your plans, you now wish to "designate" this as non-metropolitan land, on which purchasers could build however suits their purposes. This does of course risk a complete change in the nature of our Village. I cannot pretend to understand how you can effectively cut a swathe through all of this, even if you do consider it justified. Some residents might I imagine now be considering the impact on their original investment and individual legal aspects. Against these general considerations, I would like to highlight some specific and practical concerns at the outset.

**ROAD SAFETY**  
The perimeter road via Primrose Lane and Shirley Oaks Road is arguably no longer fit for purpose, increased car ownership and parking, fast through traffic including commercial and public transport all contributing. Buses on the 367 route for example frequently mount pavements to pass each other. There have been accidents, some serious, even fatal and involving elderly pedestrian residents. The road surface is nowadays subject to excessive heavy usage. Clearly, 700 new homes will surely accentuate these problems and dangers.

**ENVIRONMENT**  
Your plans will effectively remove an important green-field area and with it much unique wildlife. Residents will lose many of the valuable areas for walking, exercise and fresh-air, as will visitors. Any balanced village

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

appearance and community feel to the estate will be consumed by so many new properties of different designs. In summary many will surely feel betrayed by a Council which proposes removing green-fields against all promises. Some might also suspect that, whatever the social arguments, their interests are being sacrificed against political and ultimately commercial imperatives.

1713/02/002/DM43.4/O	Alison Connor	Object	Soundness - Justified	DM43.4 128	<p>Once the area surrounding Shirley Oaks Village is re-designated the Council plans to build 751 homes on 5 separate sites. Supposing the average house is for 4 people, 3000 people in total will move to the area. The housing will attract families - potentially half being children. The Council mention no where in their 700 page document about the building of new schools (primary and secondary) nor the building of doctor surgeries, nor the expanding of the local shopping area let alone the already stretched local road infra structure. Our local area can't cope as it is - St John's primary school has applied for an extension to cope with the current demand on its places. During rush hour buses frequently don't stop at bus stops because they are full. Traffic is often diverted down our road, Shirley Church Road, if there is an accident on Wickham Road or Gravel Hill. The dual carriage way (Shirley Park) is crawling along during rush hour. The council are planning to add another 1000 plus cars to this equation. Shirley is often described according to estate agents as leafy, popular, excellent schools. Prices reflect this. Just walking around the area people look after their houses and take pride in living here. People pay more money to live in this area. By building 751 more homes the character of the area will change completely.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
1751/01/001/DM43.4/O	Alice and Andrew Hicks	Object	Soundness - Justified	DM43.4 128	<p>The erosion of green space in the borough generally and specifically the de-designation of Metropolitan Open Land in the Poppy Lane( ref no. 128) and Shirley Oaks areas (ref nos. 504, 541, 542 &amp; 548). We object to these 5 sites being designated for residential development. It would entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area. Additionally the local road infrastructure could not cope with the extra traffic generated</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

1771/01/007/DM43.4/C	Amanda Stretton			DM43.4 128	We are also writing to object to Croydon Council's plans to de-designate the Metropolitan Open Land on either side of Shirley Oaks Road and all around Shirley Oaks Village, changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Your draft Local Plan identifies five sites: 1. the land at Poppy Lane is identified as suitable for 51 to 107 homes (pages 445-446, reference number 128); 2. Stroud Green Pumping Station, 140 Primrose Lane, including the conversion of the locally-listed pumping station, is identified as suitable for 26 to 68 homes (pages 451-452, reference number 504); 3. land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House is identified as suitable for 80-215 homes (pages 453-454, reference number 541); 4. land to the west of Shirley Oaks Road is identified as suitable for 88-236 homes (pages 455-456, reference number 542); 5. land to the rear of 5-13 Honeysuckle Gardens is identified as suitable for 59-125 homes (pages 457-458, reference number 548); Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 542);		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
1782/01/001/DM43.4/O	Angus & Olivia Bloom	Object	Soundness - Justified	DM43.4 128	As a resident of Shirley Oaks I am writing to object the proposals for housing development on the estate and surroundings. Having lived in Shirley all of my life I would be deeply disappointed to see it change unrecognisably. I envisage the property on Shirley Oaks Road will either be demolished or surrounded by high density housing. Either eventuality will be highly detrimental. I have viewed the Detail Policies and Proposals on Croydon Councils website and object the following plans, references - Ref 128; Ref 504; Ref 541; Ref 542; Ref 548; Ref 938; Ref 502; Ref 661.	Objection to Site 128,	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

1827/01/002/DM43.4/O	Jane & Paul Riley	Object	Soundness - Justified	DM43.4 128	Objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). Also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.	If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
1835/01/002/DM43.4/O	Peter Docherty	Object	Soundness - Justified	DM43.4 128	I am writing to object to: 1.THE DE-DESIGNATION of the following five pieces of land as Metropolitan Open Land around Shirley Oaks Village and their proposed use as housing: 1.Land at Poppy Lane reference number 128; 2.Stroud Green Pumping Station, 140 Primrose Lane reference number 504; 3.Land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House reference number 541; 4.Land to the west of Shirley Oaks Road reference number 542; and 5.Land to the rear of 5-13 Honeysuckle Gardens reference number 548. There is only one narrow very winding road which runs through the village and this could not cope safely with any additional traffic. It is single file around bends as it is and the local road infrastructure would be over-burdened. These open spaces are collectively designated as Metropolitan Open Land and it would be unacceptable to lose a link to this chain. Additionally, this area is a flood plain and there is a sink pond to the rear of Honeysuckle Gardens. There would be a detrimental effect and potential flooding of existing and planned properties.  The land at Poppy Lane reference number 128 is a small parcel of land and behind it is the sink pond. If the sink pond overflows then there is a risk of flooding in any new and existing properties which include the BMI Shirley Oaks Hospital below it.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

I am writing to voice my full-throated objections to the above proposals because of the irreparable damage it would do to the character of one of the leafier, more pleasant, parts of the borough. The council seeks de-designation of Metropolitan open land that, as a homeowner in Shirley Oaks Village, I own a share of, and it is protected by covenant. Such thoughtless destruction of our precious little green space (we were granted this Amenity Open Land in 1985 by the council due to our under-sized gardens) is obnoxious, ill-conceived and damaging to the value of our properties, as planning blight could linger for a decade. Myriad other neglected parts of the borough are far more appropriate for such massive development and would not stir up so much ire from the current residents, nor would they require the politically-expedient moving of goalposts regarding land use. Our village simply does not currently have the infrastructure nor the capacity to expand in order to cope with these proposals. There is barely enough parking space available in the village at present, so quite where up to 683 other families will park and seek recreation, I do not know. Quite how all the construction vehicles involved in such huge building works would access the proposed sites without further detriment to the quality of life of the residents is another issue I raise. We are served by one bus route that can only use small, single decker buses. The roads are too narrow for larger vehicles. How would this be overcome? Additionally, the fact that the council would seek to house the travelling community so close to the town centre, on land where in 2012 a group of them set up an illegal encampment and defecated in our woodland, beggars belief. If the council has an inexplicable legal obligation to designate land to travellers, then expand capacity at their existing sites in Beddington Lane and Featherbed Lane rather than dispersing them further across the borough into otherwise salubrious areas. I do hope that common sense prevails and that all five of the above proposals are quickly abandoned. I chose to live in this area precisely because it is not blighted by these hideous developments. I am sure that many other residents echo my sentiments.

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

I object to the de-designation of Metropolitan Open Land in the vicinity of Shirley Oaks Road and Shirley Oaks Village. The land should be at least be designated as Local Green Space, for its protection from development. This open space provides a green corridor between Shirley Oaks and the surrounding areas, and should be retained in its present form. I also object to the following specific proposals for the building of new homes on this site, as detailed in Changes to the Policies Map arising from Proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan, Detailed Policies & Proposals:

Policy DM43, reference Site 128 to build new homes at Poppy Lane  
 Policy DM43, reference Site 504 to build new homes at Stroud Green Pumping Station (including the conversion of the pumping station which is a locally-listed building)  
 Policy DM43, reference Site 541 & 542 to build new homes on land to the East & West of Shirley Oaks Road  
 Policy DM43, reference Site 548 to build new homes on land to the rear of Honeysuckle Gardens

Not only would these developments entail the loss of the green corridor between Shirley Oaks and the surrounding areas, the local road infrastructure would not be able to cope with the additional traffic. Also, the local schools are over-subscribed as well as the already-stretched social and healthcare facilities would be overloaded.

For the reasons given above:

1. I do not think that the preferred approach is the most appropriate for Croydon to help us meet our Strategic Objectives set out in Section 3.
2. The preferred approach is deliverable, but not acceptable.
3. I do not think the preferred approach enables sustainable development, because it will compromise the ability to meet the needs of future generations.
4. I recommend that consultation documents of such importance are given much wider publicity.

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

Station (including the  
conversion of the pumping station  
which is a locally-listed building)  
Policy DM43, reference Site 541  
& 542 to build new homes on land to  
the East & West of Shirley Oaks  
Road  
Policy DM43, reference Site 548  
to build new homes on land to the  
rear of  
Honeysuckle Gardens

---

1872/01/001/DM43.4/O	Mr C Johnson	Object	DM43.4 128	<p>This land is owned by Shirley Oaks Management limited (SOML). This is the management company for the estate whose shareholders are the home owning residents. SOML owns and manages the open spaces on behalf of and for the benefit of the residents for whom the land is 'amenity open land', ie communal, recreational space. The land was transferred to SOML's ownership in 1985 whilst the estate was under development. I believe that the developer had infringed planning regulations by reducing the sizes of the gardens included with the dwellings that it was building in order to increase the density of the housing beyond that which had been agreed with the local planning authority. The open land, which is currently being scrutinised as part of the Council's policy proposals review, was effectively, a penalty levied on the developer whereby an amount of green space was given over to SOML to own and manage as redress and compensation to the residents for skimping on the sizes of individual gardens. I am assured by a Director of SOML that the company has documentary proof of all of the above points. The residents pay a service charge that, inter alia, covers the cost of managing and maintaining these open spaces. SOML is bound by its covenants with the residents that this land shall be managed and maintained as communal open areas for the collective enjoyment and benefit of residents as long as the estate should be in existence. Thus, there is no scope on SOML's part for participating in any effort to develop these spaces and any attempt to develop them undermines the importance of those spaces in providing amenity open land, as previously ordered by the local Council.</p>	<p>the land is owned entirely on behalf of the resident shareholders by a resident run management company (SOML) which is bound to preserve that space and which also has a specific object in its Memorandum of Association requiring it to resist any attempt to enforce regulations or plans which impact negatively on the estate. Regardless of its covenants in this regard, I am told that SOML has no wish to develop or to allow the development of, the land in question.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
1883/02/003/DM43.4/O	David Hurst	Object	DM43.4 128	<p>I object to the use of the site for housing.</p>		No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

1904/01/002/DM43.4/O	Emma Smith	Object		DM43.4 128	I am writing to object to the use of the following five sites for housing . Land at poppy lane reference number 128 . Stroud green pumping station, 140 primrose lane reference number 504 . Land to the west of shirley oaks road and to the rear of beech house and ash house reference number 542 . Land to the rear of 5-13 Honeysuckle gardens reference number 548 If the council will not keep them as metropolitan open land these five site should at least be designated as local green spaces		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
1913/01/001/DM43.4/O	Andrea Swaby	Object		DM43.4 128	I hereby would like to register my serious OBJECTION to the councils proposal to build 750 new homes in Shirley OAK road and 35 new homes on shrub lands estate to create gypsy traveller sites. As I live on Devonshire I also have serious object to allow 4 storeys in this area		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
1918/01/002/DM43.4/O	Mr Gareth Champion	Object	Soundness - Justified	DM43.4 128	Objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). Also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.	If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

1923/01/001/DM43.4/O	Jane Anson	Object	DM43.4 128	<p>I have just read a letter from Mick Hewish, Resident Director of Shirley Oaks Management Ltd and I would like to object to the proposals for developing areas around Shirley Oaks. These are as follows: Ref: 541 Shirley Oaks Road East side; Ref: 542 Shirley Oaks Road West side; Ref: 548 Land rear of Honeysuckle Gardens; Ref: 128 Poppy Lane; Ref: 504 Water Board HQ Primrose Lane. The high density of new homes would put considerable strain on the environment, including overcrowding, drainage, traffic and</p>	<p>Objection to the allocation of site 128, Poppy Lane for proposed development as the high density of new homes would put considerable strain on the environment, including overcrowding, drainage, traffic and parking.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
1924/01/003/DM43.4/O	Pamela Lees	Object	DM43.4 128	<p>I strongly object to many of the proposed developments within the Shirley area. I believe that allowing low rise developments around Shirley library will alter the balance of properties in that area, which are mainly detached and semi detached. People have moved to this 'sought after area' precisely because of its current character. I also object to the intensive developments proposed on the Metropolitan open land around Shirley Oaks. We need open land to reduce carbon emissions, for wildlife and for our own well being. Both of the above developments would put a huge strain on the services in the area, schools, doctors, busses and the already congested road system. I urge you not to progress with these proposals.</p> <p>I also think that the two proposed travellers site in Shirley are inappropriate as they would be on Green Belt land, which is against your own policy and would be a blight on one of the few areas that are beautiful and wildlife friendly within Croydon.</p> <p>I am always defending Croydon to those that mock it, saying that we have some lovely open spaces in which to walk and enjoy the diversity of nature. They only see the high rise blocks and litter. If these proposals go ahead, Croydon will have nothing left to commend itself.</p>		No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

1926/01/040/DM43.4/O	Councillor Luke Clancy	Object	Soundness - Justified	DM43.4 128	Site 128, Land at Poppy Lane, is identified as suitable for 51 to 107 homes. This land should not be de-designated as Metropolitan Open Land as it is a vital green corridor between Shirley Oaks and the surrounding areas, providing much loved and well used amenity space. This would total change the character of the area and have a great impact on the local road infrastructure impacting Woodmere Avenue and Woodmere Gardens.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.	
1942/01/002/DM43.4/O	Margaret West	Object		DM43.4 128	object to the dedesignation of Metropolitan Land and propped use for housing at sites 128 504 502 541 542 and 548. if development is allowed it will impact on the sense of community and have an adverse impact of trees and could be subject to flooding. It would also impact on access arrangements and the wildlife	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.	
1954/04/001/DM43.4/O	John Coppard	Object	Soundness - Justified	DM43.4 128	This land was designated by Croydon Council in 1985 as "Amenity Open Land" because of our under-sized gardens & transferred to a Management Company, with each property owner as a shareholder in that company.	If the council will not keep it as Metropolitan Open Land it should at least be designated as Local Green Space.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

1993/01/001/DM43.4/O	Graham & Kate Marsden	Object	DM43.4 128	Shocked at the scale of proposals for Shirley and will fundamentally change the nature of the area. Front gardens are an assets to the local street scene. The proposals for focussed intensification associated with gradual change of an areas local character under Policy DM31.4 put this stability at risk, and may have an impact on the services we all need from the Council. Object to the de-designation of MOL - at a minimum it should be designated as local green space. We object to this site being used for residential use as it would change the character of the area, overload the already difficult local road structure. It would damage the vital green corridor between Shirley Oaks and the surrounding areas and reduce the habitat for wildlife.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2022/01/004/DM43.4/O	Joe Rowe <i>Shirley Hills Residents Association</i>	Object	DM43.4 128	This land is designated as Metropolitan Open Land and there is no justification for re-designation. An increase of up to 741 homes on this land would put local services including schools, transport and already crowded roads under further pressure.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2035/01/006/DM43.4/O	Mrs Lorraine Cox	Object	DM43.4 128	I have just received a letter about proposals to Shirley Oaks Village open land being built upon. We have lived here happily for 13 years. We want to say we don't want houses or a gypsy site down the road. I will be writing to my local MP Gavin Barwell to defend our way of life in Shirley Oaks village. Leave our open / green spaces alone.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

The proposal to build new houses in Poppy Lane does not fall within the Strategic Objectives because:-

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

Objective 2: This development will not Foster an environment where existing enterprise can prosper, but will reduce enterprise  
Objective 4: This development will not reduce social, economic and environmental deprivation. It will not reduce unemployment, improve skills and education and improve environmental conditions, the development is not in keeping with the surrounding area.  
Objective 5: This development is not high quality and will not enhance the borough's natural environment but will reduce the natural environment by turning a green area into housing  
Objective 7: This development will reduce the area as a safe, healthy and cohesive community but making the area overcrowded with residential property  
Objective 10: This development will reduce the quality and accessibility of green space and nature.

If this development is undertaken it will not deliver the strategic objective. This development will compromise the ability of future generations to meet their own needs. The development will change the outlook and community within the South Croydon area and future generation will suffer because of this.

This proposed development of new housing in Poppy Lane is not within keeping of the current development within this area. Shirley comprises of large semi and detached houses with large green areas. This development is in no way in keeping with housing in the area.

Changing a green area to an area of residential housing will cause harm and reduce the outlook of the area and is not in keeping with the surrounding area

Building a travelers site will increase noise levels and ruin the character of the area and this development would overwhelm this green area.

Paragraph 64 of the National Planning Policy Framework states that permission should be refused for development of poor design that fails to take the opportunities available for improving the character and quality of an area and the way it functions.

This development would diminish the area of green fields and recreational land within the area.

2056/01/024/DM43.4/C	Councillor Dudley Mead <i>London Borough of Croydon</i>	Comment		DM43.4 128	Site 128, Land at Poppy Lane, is identified as suitable for 51 to 107 homes. This land should not be de-designated as Metropolitan Open Land as it is a vital green corridor between Shirley Oaks and the surrounding areas, providing much loved and well used amenity space. This would total change the character of the area and have a great impact on the local road infrastructure impacting Woodmere Avenue and Woodmere Gardens;	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2062/01/040/DM43.4/O	Councillor Jason Perry <i>London Borough of Croydon</i>	Object	Soundness - Justified	DM43.4 128	Site 128, Land at Poppy Lane, is identified as suitable for 51 to 107 homes. This land should not be de-designated as Metropolitan Open Land as it is a vital green corridor between Shirley Oaks and the surrounding areas, providing much loved and well used amenity space. This would total change the character of the area and have a great impact on the local road infrastructure impacting Woodmere Avenue and Woodmere Gardens.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2067/02/003/DM43.4/O	Stephen Baker	Object		DM43.4 128	I also object to the development on Shirley oaks, as a resident who used to live there on Shirley oaks, any more development on this land would over burden what is already a road system that can not cope with the buses and tight turns that have been made on the estate, it's would also ruin the feel of Shirley.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

2071/01/040/DM43.4/O	Councillor Mario Creatura <i>London Borough of Croydon</i>	Object	Soundness - Justified DM43.4 128	Site 128, Land at Poppy Lane, is identified as suitable for 51 to 107 homes. This land should not be de-designated as Metropolitan Open Land as it is a vital green corridor between Shirley Oaks and the surrounding areas, providing much loved and well used amenity space. This would total change the character of the area and have a great impact on the local road infrastructure impacting Woodmere Avenue and Woodmere Gardens.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2081/01/002/DM43.4/O	Stuart & Monique Woodrow	Object	DM43.4 128	Development at thi site would be detrimental to the openness,character , visual amenity and setting of Metroplitan Open Land. It would affect the residential amenity and result in the loss of trees and vegetation to the detriment of the surrounding area.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2081/02/001/DM43.4/O	Stuart & Monique Woodrow	Object	DM43.4 128	We do accept that Croydon does need to provide new housing but this has to be on appropriate sites, i.e. previously developed land and not grenfield/metropolitan open land. We are firmly against this idea as it would set a precedent for inappropriate development/piecemeal development.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

2083/01/019/DM43.4/O	Mr Stewart Murray Greater London Authority	Object	DM43.4 128	The de-designation of the MOL at Shirley Oaks Hospital could have significant implications for local character and the amenity of local residents.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2096/01/001/DM43.4/O	Alfred Lancaster	Object	DM43.4 128	I and many residents in Shirley object to the following. 700 new homes to be built in Shirley oaks village with no provision for extra facilities like schools, doctors etc.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2128/02/001/DM43.4/O	Cllr Steve O'Connell AM	Object	DM43.4 128	I object to the de-designation of Metropolitan Open Land for the purpose of house building. My objection references MOL bearing the same protection from development as the Green Belt. If the Council will not agree to maintain the MOL status, designation as Local Green Space would lessen the negative impact on the local environment. This land should not be de-designated as Metropolitan Open Land as it is a vital green corridor between Shirley Oaks and the surrounding areas, providing much loved and well used amenity space. This would total change the character of the area and have a great impact on the local road infrastructure impacting Woodmere Avenue and Woodmere Gardens.	The site should be at least designated as Local Green Space.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

2131/01/001/DM43.4/O	Ronald H. Street	Object	DM43.4 128	<p>I am emailing to object to the following proposal ref 128 . If the Council will not keep the land as MOL it should at least be designated as Local Green Spaces.</p> <p>I am particularly concerned about the effect of local roads that the suggested development will have as, when Heron Homes built the original development some years ago they were prevented by the local council from building the number of houses now proposed because of inadequate access roads onto the estate. Under present conditions the A232 Wickham Road is particularly subject to traffic delays especially in term time. Your proposed developments would also have a detrimental effect on our already crowded local schools and doctor's surgeries.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
2135/01/001/DM43.4/O	Mrs Susan Lockyer	Object	DM43.4 128	<p>It is accepted that more housing is needed but this site could not be developed in addition to site 541 or 542. It would have to be one only. Some may be achievable but certainly not 107. The land is privately owned and houses were purchased in the knowledge that this was the case and cannot therefore be built on. The local management company maintains the green area, suitable for wild life. It is used by residents as the properties do not have private gardens. The road around the estate is already congested with private cars making the bus route difficult. It is not deliverable as planned and therefore it will not meet the present needs, let alone future needs. There will be transport issues, sprawl and social problems as a result.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
2145/02/002/DM43.4/O	Paul Vernon & Natalie Payne	Object	DM43.4 128	<p>I am writing to object to: The de-designation of the five pieces of land as metropolitan open land and their proposed use of housing land at poppy lane reference number 128. I feel that building more houses on the green land would totally destroy the wildlife in the area and would ruin an area of beauty, and that the one road into the village wouldn't be able to cope with more traffic as its already busy.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

2147/01/006/DM43.4/O	Patrick Thomas	Object	DM43.4 128	I am writing at this time to record my objections on the following basis - the use o this site ,128, for housing	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2185/01/001/DM43.4/O	Jonathan E Miller	Object	DM43.4 128	Site 128 . I object to this.I am writing to you with regard to the recent changes in Planning policies by Croydon Council and their impact on the designation of grass areas in Shirley Oaks Village. These areas weere formerly designated as Metropolitan Open Land and had protection form being built on . However my understanding is that these areas may now be changed to no Metropolitan Land thus allowing their use for future housing developments. As a resident of Shirley I would like to point out that our land was designated as 'Amenity Open Land ' in 1985 by Croydon Council because of our undersized gardens and transferred to a Management Company, with each property owner as a shareholder of the Company. Whilst I fully accept the need for new housing in Croydon, in particular affordable housing for first time owners, it is clear the sheer scale of the proposed development and the resultant destruction of a precious greenfield site in Shirley Oaks Village that I object to. I would have no issue with a much smaller scale development of the village, as part of an overall plan for Croydon where new housing was primarily targetted toward development of brownfield sites under the council's jurisdiction. I urge you to consideration of my suggestions in the weeks ahead and look forward to receiving feedback in due course.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

2195/01/001/DM43.4/O	Mrs Jane Smith	Object	DM43.4 128	Object to development on these sites as they are MOL and amenity land used by surrounding residents. This would be detrimental to the area as the existing houses on the Estate have undersized gardens and would be obtrusive and lead to increase in traffic and access problems and noise issues	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2225/01/002/DM43.4/O	Mr William Wright	Object	DM43.4 128	Object to the development on the community land in Shirley	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2301/01/003/DM43.4/O	Breda Mohan	Object	DM43.4 128	I object to the use of the Land at Poppy Lane reference number 128 for housing:	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

2302/01/002/DM43.4/O	Brenda Stratford	Object		DM43.4 128	The use of the following 5 sites for housing; ref no. 128, 504, 541, 542, 548. If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as local green spaces		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2371/01/003/DM43.4/O	Christopher Palmer	Object		DM43.4 128	I object to the use of the Land at Poppy Lane reference number 128 for housing:  If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces.  Developing these sites with the amount of homes suggested would increase the volume of traffic in an area which is already congested in morning and afternoon rush hours and would put increased pressures on local schools and public transport.  I am aware that more affordable houses are needed but please reconsider these plans which will totally change the area in which we have chosen to live and definitely not for the better.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2429/02/010/DM43.4/O	Mr & Mrs E Abdul-Nabi	Object	Soundness - Justified	DM43.4 128	Object to the use of this site for housing.	If the Council will not keep it as Metropolitan Open Land it should be at least designated as Local Green Space.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

2448/01/040/DM43.4/O	Andy Stranack Croydon Council	Object	Soundness - Justified DM43.4 128	Site 128, Land at Poppy Lane, is identified as suitable for 51 to 107 homes. This land should not be de-designated as Metropolitan Open Land as it is a vital green corridor between Shirley Oaks and the surrounding areas, providing much loved and well used amenity space. This would total change the character of the area and have a great impact on the local road infrastructure impacting Woodmere Avenue and Woodmere Gardens.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2450/01/004/DM43.4/O	Mr & Mrs Jeffrey	Object	DM43.4 128	I thoroughly object to these proposals, the traffic has built up over time and I wouldn't even want to begin to imagine what Shirley Oaks would be like if another 600+ homes were to be built, that would be practically doubling the size of Shirley Oaks as it is at present.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2450/02/002/DM43.4/O	Mr & Mrs Jeffrey	Object	DM43.4 128	I will be objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection. I will also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

2539/01/005/DM43.4/O	Lydia Benady	Object		DM43.4 128	We strongly object to the changes to designations of our grass areas. As a resident and shareholder I point out that our land was designated by Croydon Council in 1985 as Amenity Open Lan because of our under-sized gardens. This land is for our use. Not only would building be detrimental to our health and well being but also to the varied and protected wildlife that we have. There are plenty of rundown places in Croydon which should be regenerated and can be built on without impinging into our green spaces.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2540/01/001/DM43.4/O	Mrs Sandra Cooper	Object	Soundness - Justified	DM43.4 128	I object to the designation of Metropolitan Open Land around Shirley Oaks enabling parts of this land to be used for housing and in particular site 548, with which I have an adjoining boundary. Should the Council not keep this land as Metropolitan Open Land these spaces should at the least be designated as Local Green Space.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2541/01/003/DM43.4/O	Ms Susanne Million	Object		DM43.4 128	I object to the use of the site for housing.  If the Council will not keep this site as MOL, it should at least be designated as Local Green Spaces.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

2544/01/003/DM43.4/O	Sara Palmer	Object	DM43.4 128	<p>I object to the use of the Land at Poppy Lane reference number 128 for housing:</p> <p>If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces.</p> <p>Developing these sites with the amount of homes suggested would increase the volume of traffic in an area which is already congested in morning and afternoon rush hours and would put increased pressures on local schools and public transport.</p> <p>I am aware that more affordable houses are needed but please reconsider these plans which will totally change the area in which we have chosen to live and definitely not for the better.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
2558/01/001/DM43.4/O	Miss Margaret A Williams	Object	DM43.4 128	<p>I wish to register my objection to the proposed plans for the housing development on the green areas around the Shirley Oaks Estate.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

2564/01/002/DM43.4/O	Mrs Shirley M Kell	Object	DM43.4 128	<p>Our LocalGreen Belt should remain as such and not dedesignated as Metropolitan Open Land which then could be used for new housing. I strongly object to this proposal. Plans for residential development:-</p> <p>Ref.No.128- the land at Poppy Lane is identified as suitable for 51-107 homes.</p> <p>Ref.No.504-Stroud Green Pumping Station,140 Primrose Lane including the conversion of the locally-listed pumping station, is identified as suitable for 26-68 homes.</p> <p>Ref.No.541- land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House is identified as suitable for SD-215 homes.</p> <p>Ref No.542 -land to the west of Shirley Oaks Road is identified as suitable for 88-236 homes.</p> <p>Ref.No.548 -land to the rear of 5-13 Honeysuckle Gardens is identified as suitable for 59-125 homes.</p> <p>Development on any of these sites would change the whole character of the area, and surely add to the congestion of local roads, which would increase the risk of accidents</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
2565/01/002/DM43.4/O	Ms Karen Fletcher	Object	DM43.4 128	<p>We wish to register our objection to the proposals to change the policy map 43 in relation to Metropolitan Open Land at Shirley Oaks Village. Like many residents we purchased our home on the understanding that the MOL was owned by the residents themselves and would not be developed. It was a strong factor in our decision to purchase our house. The land itself was transferred to the management company by a transfer dating 30 July 1991 made between Heron Homes Limited and Shirley Oaks Management Limited. The third schedule to this transfer contains restrictive covenants and I have attached the relevant clauses. These clauses state that the land is to be used as open space so I do not understand how you can ignore this and grant planning permission to build houses. We understand the need for more housing but feel that this is not the way forward. It would be far better to look at the buildings/land owned by the London Borough of Croydon first to see which could be used as residential properties. The old Ashburton Library in Ashburton Park is such a building that could be redeveloped and used for housing and I am sure there are many more.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

2566/01/003/DM43.4/O	Mrs S White	Object		DM43.4 128	I object to the use of the Land at Poppy Lane reference number 128 for housing:	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2569/01/002/DM43.4/O	Mr John Booroff	Object	Soundness - Justified	DM43.4 128	<p>Please note that I wish to object to the proposals set out in reference numbers 504, 541, 542, 548 and 128, for the following reasons</p> <ul style="list-style-type: none"> <li>• There has been insufficient notice of the consultation period, and the proposals are not clearly set out as pertaining to Shirley Oaks Village.</li> <li>• This land is designated as Metropolitan Open Land, and I do not agree that it does not meet the criteria, as it does contribute to the physical structure of London, and there currently are open-air facilities, which serve significant parts of London.</li> <li>• Increasing the housing density in this development will have a detrimental effect on the overall environment, and will decrease the value of these homes, as the development contains smaller gardens than those originally planned, and the surrounding green spaces were left vacant to compensate for the lack of adequate open space.</li> <li>• Any change in the restrictions will adversely affect the accessibility to nature and wildlife of the area, which contains features of metropolitan importance.</li> <li>• There is inadequate infrastructure in the locality to accommodate such an increase in population</li> <li>• There has not been a true 'fit for purpose' investigation of the 'brownfield sites', which already exist in the borough, or of other open land which could be used without.</li> </ul> <p>In view of the above please register my objection to all five proposals, and please acknowledge receipt of this email.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

2573/01/002/DM43.4/O	Mr Keith Harris	Object	DM43.4 128	Development Reference Numbers 541,542,548,128,504  This we cause dangerous increase traffic through Shirley Oaks Road & Primrose Lane, and also increase parking by the Synagogue which is bad at the best of times	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2574/01/004/DM43.4/O	Mr Lewis Reynolds	Object	DM43.4 128	I wish to object to planned proposals; ref:128. These planned proposals will not fit within the current aesthetics of the estate so please accept this email as an objection to the proposal.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2578/01/005/DM43.4/O	Mr Tau Wey	Object	DM43.4 128	I am concerned about this proposal. When I bought my house in Angelica Gardens, Shirley Oaks Village, it was my understanding that I would also become a communal owner of the surrounding Amenity Open Land. This was guaranteed by each freeholder in Shirley Oaks owning a share of the Shirley Oaks Management Limited, which in turn owns and manages the Amenity Open Land. Like many residents, I purchased my house partly due to the pleasant areas of green space available in my surroundings. I also think that the character of the current surrounding gives each property the value that it currently has. I would also object to attempts by Croydon Council or other agencies to attempt to purchase the land from Shirley Oaks Management Limited in the future.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

I am emailing to outline my objections to the planning notices in relation to the above reference numbers which concern land near to Shirley Oaks Road, Honeysuckle Gardens, Poppy Lane and Primrose Lane.

I object to these proposed developments for the following reasons:

1. The move to unravel the protection of Metropolitan open land from significant housing developments is a disappointing and avoidable move by Croydon Council. This sets an unnecessary precedent. This land should be protected by its designation and the council has sufficient options elsewhere in the borough on land that has no such designation.
2. Much of the land concerned was designated by Croydon Council in 1985 as "Amenity Open Land" because of the under-sized gardens of many of the Shirley Oaks property. I live with a young family on Shirley Oaks with a very small garden and object to the loss of this open land which is regularly used by young families and residents of the area who do not have large gardens or any gardens at all in some instances.
3. Such proposals will unduly change the character and desirability of the local area which is defined by its open space. Shirley Oaks remains one of the few genuine peaceful residential areas within the borough and such thoughtless development will threaten this.
4. The roads leading to Shirley Oaks are roads not given to significant volumes of traffic. Increasing the density of the population within the immediate area as substantially as you are proposing creates challenges for traffic and parking. The scale of the developments will exponentially increase the volume of traffic and create challenges for parking.

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

2582/01/006/DM43.4/O	Ms Ellie London	Object	DM43.4 128	I object to the use of the site for housing.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2583/01/003/DM43.4/O	Sue Ridenton	Object	DM43.4 128	I would like to raise my objection to the proposed land changes for the Ref. 128 - Poppy Lane, up to 107 new homes The land we are talking about above was designated by Croydon council in 1985 as Amenity Open Land, because of our under-sized gardens and transferred to the Management Company - with each property owner as a shareholder in that company. No one in the village will want any more homes built the open space keeps the village unique and a nice place to live. Any more homes will not enhance the village at all and of course will lower our house prices and a GYPSY site what on earth are the council thinking !!	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2585/01/002/DM43.4/O	Ms Rachel James	Object	DM43.4 128	I object to the following proposal for shirley oaks village. Ref: 541, Ref: 542, Ref: 548, Ref: 128, Ref: 504 I love my home currently on shirley oaks our gardens are considerably in the small side and I daily take walks on to the land with have with my 2 children and husband. I feel this would depreciate the area and I wouldn't be happy with any of the above plans.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

2599/01/002/DM43.4/O	Helen Armstrong	Object	DM43.4 128	I am writing to register my household's objection to the proposed development. The projected number of homes will impact dramatically not only on the existing residents and the open feel of the site, but essentially on the transport infrastructure. Wickham Road is a major route, prone to congestion at peak hours and any significant increase in road users will have a dramatic knock on effect not for residents and also for commuters in all directions. The Trinity roundabout is a major junction with many bus routes passing through, this would grind to even more of a halt. The potential number of proposed properties is unacceptably high.	Objecton to proposed development of the site 128	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2605/01/024/DM43.4/O	Ian Broyd	Object	DM43.4 128	If the Council will not keep them as Metropolitan Open Land, the five sites should at least be designated as Local Green Spaces and not used for housing.	The site should be Local Green Space.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2614/01/001/DM43.4/O	Nicola Hodgson <i>The Open Spaces Society</i>	Object	DM43.4 128	The Society objects to the proposals to de-designate the Metropolitan Open Land on either side of Shirley Oaks Road and on land surrounding Shirley Oaks Village, in particular the proposals on page 68. This land is currently protected from development similar to protection of green belt land. The Society objects in principle to the decision of the council to de-designate land currently held as Metropolitan Open Land. Even if parts of the areas were designated as local green space, in accordance with the National Planning Policy Framework, there would still be a huge loss of open space. If development were allowed in these areas it would be detrimental to the amenity value of the area for the benefit of the public.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

2618/01/002/DM43.4/O	Miss P Jones	Object		DM43.4 128	<p>Having lived in Shirley for over 50 years I strongly object to Croydon Council plans to de-designate the Metropolitan open land so that most of this land can be used for new housing. At the moment it has the same Protection as Green Belt.</p> <p>Firstly, this would entail the loss of a vital green corridor between Shirley Oaks and the surrounding area, changing the character of the area, more importantly the road infrastructure couldn't cope with the additional traffic. Try getting out to the Wickham Road from Orchard Avenue in rush hour.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2635/01/034/DM43.4/O	Paul Sandford <i>Bourne Society</i>	Object		DM43.4 128	<p>Land at Poppy Lane, is identified as suitable for 51 to 107 homes. This land should not be de-designated as Metropolitan Open Land as it is a vital green corridor between Shirley Oaks and the surrounding areas, providing much loved and well used amenity space. This would total change the character of the area and have a great impact on the local road infrastructure impacting Woodmere Avenue and Woodmere Gardens</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2657/01/027/DM43.4/O	Rebecca Pullinger <i>CPRE London</i>	Object	Soundness - Effective	DM43.4 128	<p>The more specific site allocations represent a large reduction in the amount of designated and non-designated open space. While we acknowledge the need to build new homes and associated infrastructure such as schools, Croydon's growing population also needs quality open spaces for all the human amenity and ecosystem services which they provide. We object to the proposed development on green spaces, which are currently designated, and should remain designated, as part of the Shirley Oaks MOL. As mentioned as part of our response to SP7, we feel that most of the site still warrants its MOL designation. We object to the following site allocations as they will fragment the green space impacting on residents' amenity and wildlife's use of the area (both current and potential). Contrary to the council's statement in the Draft Local Plan, this site meets criteria for MOL in terms of its ecological value including nature conservation and habitat interest, with its mature trees and biodiversity, and has potential to be enhanced as per the NPPF and London Plan for leisure and recreation activities site.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

2663/01/001/DM43.4/C	Mrs Y Sussey		DM43.4 128	Object to proposals at this site because of the increased risk of flooding and adverse impact on air quality. New Housing should be on brownfield sites	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2665/01/003/DM43.4/O	Ms S Mawaziny	Object	DM43.4 128	I object to the use of the Land at Poppy Lane reference number 128 for housing:	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2682/01/002/DM43.4/O	Mr & Mrs Kellas	Object	DM43.4 128	I would say to the Council Croydon is full and kindly leave our precious Shirley open spaces and attractive streets alone, we don't need an odd assortment of blocks of flats amongst the semi-detached and small detached properties here, or in similar Croydon suburbs -it would be an architectural disaster along the lines of the 1950s concrete jungle development of the centre of Croydon. And we don't have the infrastructure to cope with more people, or the roads to cope with the traffic we already have.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3. Proposed Policy DM43 De-designation of Metropolitan Open Land around Shirley Oaks Village.  
I object to the de-designation of Metropolitan Open Land in the vicinity of Shirley Oaks Road and Shirley Oaks Village. The land should be at least be designated as Local Green Space, for its protection from development.

This open space provides a green corridor between Shirley Oaks and the surrounding areas, and should be retained in its present form.

I also object to the following specific proposals for the building of new homes on this site, as detailed in Changes to the Policies Map arising from Proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan, Detailed Policies & Proposals:

Policy DM43, reference Site 128 to build new homes at Poppy Lane

Not only would these developments entail the loss of the green corridor between Shirley Oaks and the surrounding areas, the local road infrastructure would not be able to cope with the additional traffic. Also, the local schools are over-subscribed as well as the already stretched social and healthcare facilities would be overloaded.

For the reasons given above:  
1. I do not think that the preferred approach is the most appropriate for Croydon to help us meet our Strategic Objectives set out in Section 3.  
2. The preferred approach is deliverable, but not acceptable.  
3. I do not think the preferred approach enables sustainable development, because it will compromise the ability to meet the needs of future generations.  
4. I recommend that consultation documents of such importance are given much wider publicity.

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

2706/01/004/DM43.4/O	Mr & Mrs Panagakis	Object		DM43.4 128	Object to the use of land at Poppy Lane (reference number 128) for housing	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2720/01/004/DM43.4/O	Mr & Mrs C P Smith	Object		DM43.4 128	Object to this site as this land was designated to residents of Shirley Oaks village as amenity open land in 1985 because of the undersized gardens and transferred to the management company. The Land should remain Green Belt	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
2721/01/006/DM43.4/O	Mr A Zelisko	Object	Soundness - Justified	DM43.4 128	I object to the use of this site for housing. These open spaces are collectively designated as Metropolitan Open Land. It would be disastrous to lose a link in this chain. THE SHIRLEY GREEN CHAIN  
The green open spaces of Shirley Oaks Village provide several links in the Shirley Green Chain. This chain starts at the South Norwood Country Park in the north and runs south through Ryland Fields, Long Lane Woods, Ashburton Playing Fields, the open spaces of Shirley Oaks Village, Trinity School playing fields, Shirley Park Golf Course and up to the Shirley Hills. From there the Green Chain continues through Heathfield, Bramley Bank Nature Reserve, Littleheath Woods and via Selsdon Park to Kings Wood at Hamsey Green. These open spaces are collectively designated as Metropolitan Open Land. It would be disastrous to lose a link in this chain. Planning Policy Guidance Note 9 - This guidance stresses the importance of nature conservation, not only on nationally important sites, but also suggests that many urban sites for nature conservation have enhanced local importance as a consequence of the relative lack of wildlife sites in built up areas. Statutory and nonstatutory sites which provide wildlife corridors, links or stepping stones from one habitat site to another, all help to form a network necessary to endure the maintenance of the current range and diversity of our flora and fauna. The Green Spaces in Shirley Oaks were designated as Metropolitan Open Land and today still meet the criteria for this protection. The sites (1) contain conservation and habitat interest of value at a metropolitan level and (2) forms part of the Shirley Green Chain. These are two of the criteria for Metropolitan Open Land. The Green Spaces in Shirley Oaks Village were designated as Metropolitan Open Land and today still meet the criteria for this protection. The sites (1) contain conservation and habitat interest of value at a metropolitan level and (2) form part of the Shirley Green Chain. These are two of the criteria for Metropolitan Open Land.  
  
These sites possibly have a section 52 agreement, and are part ownerships shared by each of the Shirley Oaks Village residents.  
  
Re-designation of MOL falls foul of the London Plan.  
  
Existing dwellings to be retained or

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

demolished? If retained the Site Area should be adjusted to take account of the existing dwellings: The Lodge, Beech House & Ash House? On the East site And the Synagogue and the two house (can't read their names) on the West side.

Infrastructure not specified to support development.

Schools are oversubscribed; GP Surgeries oversubscribed

Road system could not cope with the increase in traffic during peak travel times

Area has high water table and is subject to flooding.

London Plan

POLICY 7.17 METROPOLITAN OPEN LAND Strategic

A The Mayor strongly supports the current extent of Metropolitan Open Land (MOL), its extension in appropriate circumstances and its protection from development having an adverse impact on the openness of MOL.

Planning decisions

B The strongest protection should be given to London's Metropolitan Open Land and inappropriate development refused, except in very special circumstances, giving the same level of protection as in the Green Belt. Essential ancillary facilities for appropriate uses will only be acceptable where they maintain the openness of MOL.

LDF preparation

C Any alterations to the boundary of MOL should be undertaken by Boroughs through the LDF process, in consultation with the Mayor and adjoining authorities.

D To designate land as MOL boroughs need to establish that the land meets at least one of the following criteria:

- a) it contributes to the physical structure of London by being clearly distinguishable from the built up area
- b) it includes open air facilities, especially for leisure, recreation, sport, the arts and cultural activities, which serve either the whole or significant parts of London
- c) it contains features or landscapes (historic, recreational, biodiversity) of either national or metropolitan valued it forms part of a Green Chain or a link in the network of green infrastructure and meets one of the above criteria.

The London Plan 7.56  
The policy guidance of paragraphs

79-92 of the NPPF on Green Belts applies equally to Metropolitan Open Land (MOL). MOL has an important role to play as part of London's multifunctional green infrastructure and the Mayor is keen to see improvements in its overall quality and accessibility. Such improvements are likely to help human health, biodiversity and quality of life. Development that involves the loss of MOL in return for the creation of new open space elsewhere will not be considered appropriate. Appropriate development should be limited to small scale structures to support outdoor open space uses and minimise any adverse impact on the openness of MOL. Green chains are important to London's open space network, recreation and biodiversity. They consist of footpaths and the open spaces that they link, which are accessible to the public. The open spaces and links within a Green Chain should be designated as MOL due to their London-wide importance.

Object

Soundness -  
Justified

DM43.4  
128

I object to the use of the following five sites for housing:  
•Land at Poppy Lane reference number 128;  
•Stroud Green Pumping Station, 140 Primrose Lane reference number 504;  
•Land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House reference number 541;  
•Land to the west of Shirley Oaks Road reference number 542; and  
•Land to the rear of 5-13 Honeysuckle Gardens reference number 548;  
If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces.

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

I write concerning Croydon Council's proposals contained in the consultation document of the Croydon Local Plan that includes the re-designation of Metropolitan Open Land in Shirley and specifically within the confines of Shirley Oaks. I consider these proposals and others listed above to be inappropriate as they would significantly change the character of the area in which I have lived all 61 years of my life and I wish to add my voice to those already expressing concerns and objections about these proposals.

I strongly object to the proposal to re-designate Metropolitan Open Land to facilitate the building of new homes on land in Shirley Oaks and the provision of temporary or permanent traveller/gypsy sites in areas that are acknowledged by the Council to be in the green belt at Coombe Farm and Coombe Lodge Nurseries in Conduit Lane.

These proposals are totally out of keeping with the character of the area which predominantly comprise owner-occupied semi and detached homes. Surely areas considered to be brownfield sites are more appropriate than the unacceptable use of Metropolitan Open Land?

The proposals affecting the area surrounding Shirley Library are also of concern as this would adversely change the character of the area and potentially result in the establishment of additional unsightly car- parking sites on the south side of Wickham Road, similar to that at the front of the Shirley Medical Centre at 370 Wickham Road.

2924/01/002/DM43.4/O	Mr Roohi F Khan	Object	DM43.4 128	<p>This area of land Is privately owned. Previous planning applications have been rejected by Croydon Council as unsuitable for residentialbuilding, a gardenof remembrance and a Nursing Home.</p> <p>This area is prone to flooding and has a high water surface level,adjacent residential proprieties both within the Shirley Oaks, Monks Orchard,the Shirley Oaks Hospitaland the land within - Addiscombe,Woodside and Shirley leisure Gardens Ltd experience this. It Is noted Croydon Coundl removed the Tree Protection Orders for many of the trees In this area, this has increased the high surface water level leading to.further risk of flooding and drain collapse. Previous Environment Asency sstudies have been conducted. There Is evidence of much wildlife Including badger runs .set\$ In thfs area.</p> <p>The proposed residential development In this particular area would result In further Joss of trees, lossof visual amenJty,Increased traffic generation and parking In Poppy Lane and the perimeter road(Primrose Lane} therefore resulting In Increased road congestion and risk fn terms of road and personal safety (due to inaeased environmentalpollution).</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
2931/01/006/DM43.4/O	Mr John Newman	Object	DM43.4 128	<p>I object to the use of the site for housing.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

Object Soundness - DM43.4  
Justified 128

I raise strong objection to the allocation of this site for development. I am a shareholder in Shirley Oaks Management Company which owns the land and maintains it. I pay a quarterly charge towards its upkeep. The traffic is already too much for the road through the village. Please do not allow our village to be destroyed.

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

---

The proposal to build new houses in Poppy Lane does not fall within the Strategic Objectives because:-  
Objective 2: This development will not Foster an environment where existing enterprise can prosper, but will reduce enterprise  
Objective 4: This development will not reduce social, economic and environmental deprivation. It will not reduce unemployment, improve skills and education and improve environmental conditions, the development is not in keeping with the surrounding area.  
Objective 5: This development is not high quality and will not enhance the borough's natural environment but will reduce the natural environment by turning a green area into housing  
Objective 7: This development will reduce the area as a safe, healthy and cohesive community but making the area overcrowded with residential property  
Objective 10: This development will reduce the quality and accessibility of green space and nature.  
This proposed development of new housing in Poppy Lane is not within keeping of the current development within this area. Shirley comprises of large semi and detached houses with large green areas. This development is in no way in keeping with housing in the area.  
Changing a green area to an area of residential housing will cause harm and reduce the outlook of the area and is not in keeping with the surrounding area  
Building a travelers site will increase noise levels and ruin the character of the area and this development would overwhelm this green area.  
Paragraph 64 of the National Planning Policy Framework states that permission should be refused for development of poor design that fails to take the opportunities available for improving the character and quality of an area and the way it functions.  
This development would diminish the area of green fields and recreational land within the area.

this development will compromise the ability of future generations to meet their own needs. The development will change the outlook and community within the South Croydon area and future generation will suffer because of this.

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

2974/01/003/DM43.4/O	Jane Bowden	Object	Soundness - Justified DM43.4 128	2) I understand that the Council are seeking to de-designate various pieces of land on either side of Shirley Oaks Road and around Shirley Oaks village, so that it is no longer Metropolitan Open Land, with a view to potentially building between 304 and 751 new homes. (Reference numbers 128, 504, 541, 542 & 548). Open, green land is essential to maintain a pleasant living area, and to maintain the character of the area. In addition, this number of additional dwellings would seriously overwhelm the local infrastructure. In particular, the local road infrastructure could not cope with the additional traffic.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.	
3001/01/002/DM43.4/O	Mr John Helen	Object	DM43.4 128	<p>First, the Council plans to de-designate the Metropolitan Open Land on either side of Shirley Oaks Road and all around Shirley Oaks Village (page 68, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals). Metropolitan Open Land has the same protection from development as the Green Belt.</p> <p>The Council is proposing to remove this designation so that most of this land can be used for new housing. The draft Local Plan identifies five sites:</p> <p>the land at Poppy Lane is identified as suitable for 51 to 107 homes (pages 445-446, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals, reference number 128);</p>	<p>I will be objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection. I will also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.</p> <p>I am happy for the Council to replace under-used garages with much-needed homes, but I will be objecting to building on precious open space.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3002/01/002/DM43.4/O	Mr John Hitchcock	Object	DM43.4 128	<p>Our family has lived on Shirley Oaks Village approx 20 years ago and understood the village to be a Private estate and I am writing to object to the de-designation of the open land around the village and to the use of five sites for housing.</p> <p>The land rightfully belongs to the residents, the area and roads will become congested and property values will decrease.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.	

3005/01/008/DM43.4/O	Mr John Roberts	Object		DM43.4 128	<p>I am writing to object to: The use of the Land to the west of Shirley Oaks Road, reference number 542, for housing:</p> <p>If the Council will not keep these areas as Metropolitan Open Land, these 5 sites should at least be designated as Local Green Space.</p> <p>My objections are based on the following:</p> <ul style="list-style-type: none"> <li>i. The change in local designation and subsequent development would lead to a material reduction to an important green space and amenity within a basically urban area,</li> <li>ii. The effect and congestion on the local infra-structure which would be caused by the building of more housing to an already densely developed site,</li> <li>iii. The effect on existing property values of property to Shirley Oaks and surrounding areas caused by the reduced amenity and congestion.</li> </ul> <p>I urge that the Council should take these and other objections in consideration and not continue with their plans to re-designate the areas described above</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
----------------------	-----------------	--------	--	---------------	--	-----------	---

3010/01/004/DM43.4/O	Mr Joseph Rowe	Object	Soundness - Justified	DM43.4 128	<p>Land currently designated as Metropolitan Open Land at Poppy Lane, Stroud Green Pumping Station, to the east of Shirley Oaks Road, to the west of Shirley Oaks Road and to the rear of 5-13 Honeysuckle Gardens has been identified as suitable for up to 741 homes (pages 445-446, 451-452, 453-454, 455-456, 457-458 Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals, reference numbers 128, 504, 541, 542 and 548).</p> <p>I object to these proposals on the grounds that:</p> <p><input type="checkbox"/> This land is designated as Metropolitan Open Land and there is no justification for re designation. An increase of up to 741 homes on this land would put local services including schools, transport and already crowded roads under further pressure.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
----------------------	----------------	--------	-----------------------	---------------	---	-----------	---

3017/01/003/DM43.4/O	Mr Chris Connor	Object	DM43.4	<p>2. REF:128, REF:504, REF:541, REF:542, REF:548 (Shirley Oaks Village)</p> <p>Once the area surrounding Shirley Oaks Village is re-designated the Council plans to build 751 homes on 5 separate sites.</p> <p>Supposing the average house is for 4 people, 3000 people in total will move to the area. The housing will attract families - potentially half being children. The Council mention no where in their 700 page document about the building of new schools (primary and secondary) nor the building of doctor surgeries, nor the expanding of the local shopping area let alone the already stretched local road infrastructure. Our local area can't cope as it is - St John's primary school has applied for an extension to cope with the current demand on its places. During rush hour buses frequently don't stop at bus stops because they are full. Traffic is often diverted down our road, Shirley Church Road, if there is an accident on Wickham Road or Gravel Hill. The dual carriage way (Shirley Park) is crawling along during rush hour. The council are planning to add another 1000 plus cars to this equation. Shirley is often described according to estate agents as leafy, popular, excellent schools. By building 751 more homes the character of the area will change completely.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including infrastructure servicing, ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
3028/01/003/DM43.4/O	Mr Nick Barnes	Object	DM43.4	<p>Having read both local plans for the shirley area, I strongly object to all aspects in both plans, this includes the 750 new homes on Shirley Oaks Village, 35 new homes in Shrublands, the two gypsy sites at Combe Fram and Conduit Nursery and the development for up the four storeys along Wickham Raod.</p> <p>None of these plans will benefit Shirley and I object to them all.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

3029/01/002/DM43.4/O	Mr Paul Newton <i>Addington Village Residents Assoc</i>	Object	Soundness - Justified DM43.4 128	Objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). Also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.	If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3041/01/001/DM43.4/O	Sarah Minter	Object	DM43.4 128	I strongly object to the proposed development plans for the Shirley Area. I have lived here all my life and have seen a steady influx of people, and a massive reduction in the green space in the area. The roads are already far too congested and the social infrastructure is already struggling to cope with the number of residents. There are many areas in the Croydon borough much more suited to such large scale development. I am thinking particularly of areas around Purley Way. There are also many brown field sites in the borough that could be put to more effective use as housing without affecting the green areas. I guess the council prefers to redevelop the green areas rather than the brown field areas due to cost. As I said I do not want my local area turned into a concrete jungle where there is nowhere for people to relax in the open.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3045/01/002/DM43.4/O	Mr Stuart Marsh	Object	DM43.4 128	I object to the use of the site for housing.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3047/01/003/DM43.4/O	Mr Brian Jacobs	Object	DM43.4 128	<p>I am writing to object to all the proposed changes and plans affecting the Shirley neighbourhood as advised to me by Gavin Barwell and the Executive Committee of Spring Park Residents Association.</p> <p>1) I object strongly to any plans to change the definition of existing land and use.</p> <p>2) When dealing with the further extension of Shirley Oaks site I am disturbed by the fact there are just two access points i.e.. Shirley Road and Wickham Road the later being onto the A232 which is very busy all day and particularly during rush hour periods, when traffic backs up westwards to the Shirley Road roundabout and beyond.</p> <p>3) The proposals for Shirley Oaks, given to me indicate land being suitable for between 304 and 751 additional homes. As many properties nowadays have at least one car this will have a serious additional congestion to Shirley and Wickham Roads.</p> <p>4) Additionally, development of this size would have a serious demand on existing schools (primary particularly), doctors and other local</p>	I am writing to object to all the proposed changes and plans affecting the Shirley neighbourhood	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
3072/01/002/DM43.4/O	Christine McCarthy	Object	DM43.4 128	<p>I object to all the proposals set out for new housing and travellers sites in Shirley. I feel it will ruin the area by taking up all the open spaces.</p>		No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

3076/01/002/DM43.4/O	Claire Hunt	Object	DM43.4 128	<p>I am writing to express my objection to the proposals of development to the Shirley oaks estate, on website <a href="http://www.croydon.gov.uk/policiesmap">www.croydon.gov.uk/policiesmap</a> on "Changes to the policy Map 43" those being:-</p> <ul style="list-style-type: none"> <li>□□Ref:541. Shirley oaks road East side, up to 215 new homes!!!</li> <li>□□Ref:542. Shirley oaks road west side, up to 236 new homes!!!</li> <li>□□Ref:548. Land rear of honeysuckle gardens, up to 125 new homes!!!!</li> <li>□□Ref:128. Poppy lane, up to 107 new homes!!</li> <li>□□Ref:504. Up to 68 new homes or gypsy site at the water board HQ, primrose lane!!!!!!!!!!!!</li> </ul> <p>I brought my home on 5 Flag Close, Shirley Oaks, Surrey, CR0 8XT as it was on a green and pleasant estate and on the understanding this land was designated to us as because of our undersized gardens. We were told this land would never be built on and each of the properties on the estate are shareholders of this land as it was designated "amenity open land" by the Croydon council and transferred to our management company.</p> <p>We are forming groups and seeking legal advice and looking into the legal implications and small print to your proposals and will not take this laying down!!!!</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
3080/01/002/DM43.4/O	Mr John Mills	Object	DM43.4 128	<p>I object to the use of the site for housing. If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces. Building housing on them would mean the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of this part of Shirley. As far as I can see, these are the only bits of Metropolitan Open Land in the whole borough which the Council is proposing to de-designate and allow housing to be built on. Why has Shirley Oaks been singled out in this way?</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

3093/01/001/DM43.4/O	Mr Paul Grosser	Object	DM43.4 128	The planning permissions proposals below I object to ref 128 I have friends who live in Shirley oaks village and I know them and myself along with many others all object to the proposals to build on the green areas. This grass area is used by many and would totally change the area if built on and we don't want it. Part of the charm of this area is those green areas and it has something that you don't find often in Croydon so please let us keep the green areas as we all object to them being built	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3098/01/001/DM43.4/O	Mr Derrick Thurley	Object	DM43.4 128	1De-designation of the Metropolitan Open Land around Shirley Oaks Village thus enabling the following sites to be built on. a)Policy DM43, Reference 128 Land to build 51 to 107 homes in Poppy Lane b)Policy DM43, Reference 504 Land to build 26 to 68 homes at Stroud Green Pumping Station, 140 Primrose Lane including conversion of the pumping station c)Policy DM43, Reference 541 Land to build 80 to 215 homes to the east of Shirley road and rear of Beech House d)Policy DM43, Reference 542 Land to build 88 to 236 homes to the west of Shirley Oaks Road e)Policy DM43, Reference 548 Land to build 5 to 13 homes to the rear of 5 to 13 Honeysuckle Gardens This entails loss of green space, changing the character of the area and local road infrastructure unable to cope.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3102/02/002/DM43.4/O	Mr Richard Horton	Object	DM43.4 128	I wish to log my objection to the borough-wide planned changes Croydon Council are proposing to make in their Local Plans for 2016-2036. These proposals are 750 new homes in Shirley Oaks and 35 new homes on the Shrublands Estate. Also the proposed work to the two large gypsy/travellers site in Coombe Farm and the Conduit Nursery of Coombe Road.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3109/01/003/DM43.4/O	Mr Dominic Quinn A3 Architecture London LTD	Object	DM43.4 128	Object to the dedesignation of MOL around Shirley Oaks Village as it will change the character of the area. If they are not MOL they should at least be Local Open Land. Building Houses on them would lead to the loss of a vital green corridor and set a precedent	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3113/01/002/DM43.4/O	Mr Stuart Beaton	Object	DM43.4 128	<p>I am writing to lodge my objection to some of the proposals contained in the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals.</p> <p>In particular:</p> <p>1. Shirley Oaks</p> <p>The proposal to re-designate the Metropolitan Open Land on Shirley Oaks Road and around Shirley Oaks Village so that it can be used for new housing (page 68, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals).</p> <p>My main objections are:</p> <p>This would result in the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area.</p> <p>The local road network could not cope with the additional traffic.</p> <p>Insufficient local infrastructure to cope with the increased population.</p> <p>Conclusion</p> <p>The proposals I have highlighted can only be viewed as negative. If adopted, they will increase the local population - and the density of that population - without providing any supporting infrastructure. The new residents from the planned apartment blocks and traveller sites will need additional public services such as schools, medical services and shops. Older residents will give way to young families who require greater social support, yet no additional resources are identified to help manage the changing demographic. Traffic congestion along already busy roads will increase, as will pollution and accident black-spots. The few remaining green spaces will disappear. Overall, the proposals signal a reduction in the quality of life for both the existing residents and the newcomer</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3132/01/005/DM43.4/O	Carole Shorey	Object	DM43.4 128	<p>I am emailing to object to a number of the proposals.</p> <p>I basically do not agree with many of the plans listed in Gavins email. I do agree we need more housing but that is mainly because too many people are being let into the country in the first place, housing them all is not the answer as other amenities will not be able to cope even if we build more houses.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
3132/01/006/DM43.4/O	Carole Shorey	Object	DM43.4 128	<p>I am emailing to object to a number of the proposals.</p> <p>I basically do not agree with many of the plans listed in Gavins email. I do agree we need more housing but that is mainly because too many people are being let into the country in the first place, housing them all is not the answer as other amenities will not be able to cope even if we build more houses.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
3133/01/002/DM43.4/O	Carolyn Heath	Object	DM43.4 128	<p>I am writing to object to:</p> <ol style="list-style-type: none"> <li>The use of the following locations as gypsy and traveller sites: <ul style="list-style-type: none"> <li>•Coombe Lodge Nurseries (site ref 661)</li> <li>•Coombe Farm off Oaks Road (site ref 502)</li> <li>•Poppy Lane (site ref 128)</li> <li>•Stroud Green Pumping Station (site ref 504)</li> <li>•Shirley Oaks Road/Beech House (site ref 541)</li> <li>•Shirley Oaks Road (site ref 542)</li> <li>•Honeysuckle Gardens (site ref 548)</li> <li>•Pear Tree Farm &amp; Pear Tree Cottage (site ref 755)</li> </ul> </li> </ol> <p>All areas provide vital green space in already densely populated areas, and there is insufficient infrastructure to cope with the additional traffic/population. Some of these areas are in the Green Belt, others are in Metropolitan Open Land. They would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

3145/01/002/DM43.4/O	Mr David Harwood	Object		DM43.4 128	(1) I object to residential development at the following sites & to the policy of de-designate of metropolitan open land at the following  Land at Poppy Lane reference number 128	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3161/01/001/DM43.4/O	Mr Jim Cowan	Object	Soundness - Justified	DM43.4 128	I have read Gavin Barwell's assessment of policies and proposals in the Croydon Local Plan and totally agree that if implemented would destroy the character of Shirley.  The infrastructure in Shirley is already stretched to the limit and can not withstand any further burdens.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3190/01/002/DM43.4/O	Sonya Millen	Object		DM43.4 128	I am also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3193/01/001/DM43.4/O	Mr Stan Minter	Object	DM43.4 128	<p>I have major concerns over the planned development of the Shirley Area. This is currently one of the nicest areas of Croydon and you plan to swamp it with a number of housing developments and some travellers sites. This will be very detrimental to the whole area.</p> <p>I understand that nationally we need to have more accommodation for families. We need to achieve this with out destroying the whole fabric of our society. This scale of development will transform the whole area into a old fashioned "Estate".</p> <p>There are not sufficient services in the wider area to support such an influx of families.</p> <p>The road infrastructure already struggles at time and these developments will make the whole situation much worse.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3204/01/002/DM43.4/O	Mr Steve Hopkins	Object	DM43.4 128	<p>As a resident of Shirley Oaks from Day one, I totally oppose any new buildings to be approved or built on my private estate.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3208/01/002/DM43.4/O	Mr Stephen Smith	Object	DM43.4 128	<p>1. I am writing to object to re-designation of the Metropolitan Open Land around Shirley Oaks Village and the intention to build on open sites at Poppy Lane (ref 128), Primrose Lane (ref 504), Shirley Oaks Road (refs 541 + 542) and Honeysuckle Gardens (ref 548).</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

Building housing on them would mean the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of this part of Shirley. As far as I can see, these are the only bits of Metropolitan Open Land in the whole borough which the Council is proposing to de-designate and allow housing to be built on. Why has Shirley Oaks been singled out in this way?</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
3218/01/004/DM43.4/O	Shirley Beddoes	Object		DM43.4 128	<p>We bought our property at the original building phase in Shirley Oaks many years ago and were informed that there would be no further development in this area and that all grassed areas were to remain undeveloped and were for the use of residents and local people at leisure, further to this we have paid yearly a maintenance cost to ensure these areas were up kept for this use. This is the main reason we invested in this property. The grassed areas are in constant use and development of these areas would change the natural village atmosphere that exists here and is one of the few areas of Croydon that there is an abundance of wildlife close to an urban area. The proposed development and designation of our grass areas is unacceptable and would infringe our rights as in our original contracts with Heron homes who built the site.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

3235/01/002/DM43.4/O Mr Peter Kenny

Object

DM43.4  
128

I am writing to object to The use of the following sites for housing:  
Land at Poppy Lane reference number 128  
Stroud Green Pumping Station, 140 Primrose Lane Reference number 504  
Land to the east of Shirley Oaks Road and the rear of Beech House and Ash House reference number 541  
Land to the West is Shirley Oaks Road reference number 542  
Land to the rear of 5-13 Honeysuckle Gardens reference number 548  
If the council will not keep them as Metropolitan Open Land, these five sites should be at least designated as Local Green Spaces

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

The area of Shirley Oaks Village and it's adjacent road infrastructure is already at breaking point. Any slight build up of traffic seriously hinders movement for residents. The 2 main arterial routes into Croydon or towards Bromley (being wickham road & lower addiscombe road) are extremely busy with traffic and often lead to extended journey times for those of us who wish to head in to one of these town centres or further afield in to London for work. As proven only yesterday when a traffic accident in the Shirley area led to a 3 hour journey home from bromley back to Shirley. The road network around here is poor. The interlink between Shirley Oaks village and it's surrounding area is poor. To add hundreds of houses within this area will only lead to increased volume of traffic on the surrounding roads and leave Shirley itself in an almost permanent state of gridlock. Shirley Oaks Road is always busy with vehicles parked up. This is due to a number of reasons;

The excessive traffic on wickham road leading to people abandoning their vehicles to try and walk nearer to Croydon to catch a tram or bus. The unreliable 367 bus route which is often hindered by traffic or accidents outside of Shirley Oaks Village leading to people driving closer to other bus routes.

The use of the local synagogue. Combine these issues above with the additional housing being proposed and the vehicles that come with them, Shirley Oaks will become even cut off than it already is. There are many elderly residents in this area that rely on carers (friends etc) being able to visit them. They often complain about the issues I have raised above and I can only see this getting worse should the proposals for Shirley go ahead.

Croydon is a massive borough so there must be other areas that these proposals could be met.

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3277/01/008/DM43.4/O	Mr Terrence McCarthy	Object	DM43.4 128	I object to the use of the site for housing. If the Council will not it as Metropolitan Open Land, it should at least be designated as Local Green Spaces. Building housing on it would mean the loss of a vital green corridor between Shirley Oaks and the surrounding areas and change the character of this area.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3279/01/002/DM43.4/O	Terry Lewin	Object	DM43.4 128	I object to the use of the site for housing.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

Object	Soundness - Justified	DM43.4 128	<p>To help you identify my specific objections, the five proposals mentioned so far and to which I wish to object as being detrimental to the character of the area are:</p> <ul style="list-style-type: none"> <li>•the land at Poppy Lane is identified as suitable for 51 to 107 homes (pages 445-446, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals, reference number 128);</li> <li>•Stroud Green Pumping Station, 140 Primrose Lane, including the conversion of the locally-listed pumping station, is identified as suitable for 26 to 68 homes (pages 451-452, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals, reference number 504);</li> <li>•land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House is identified as suitable for 80-215 homes (pages 453-454, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals, reference number 541);</li> <li>•land to the west of Shirley Oaks Road is identified as suitable for 88-236 homes (pages 455-456, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals, reference number 542); and</li> <li>•land to the rear of 5-13 Honeysuckle Gardens is identified as suitable for 59-125 homes (pages 457-458, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals, reference number 548).</li> </ul>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
--------	-----------------------	---------------	---	-----------	--

3337/01/002/DM43.4/O	Mr Roger Willaimes	Object	Soundness - Justified	DM43.4 128	Objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). Also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.	If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3354/01/003/DM43.4/O	Dr Bob Wenn	Object		DM43.4 128	I object to the site for use for housing.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3355/01/004/DM43.4/O	Mr John Mullis	Object	DM43.4 128	<p>In response to your notices for the development of the greenfield sites on Shirley Oaks Village and the intention to change the status of this land, I make the following observations :</p> <p>In 1985 Croydon Council designated land within Shirley Oaks Village as "Amenity Open Land" because our gardens were small due to the layout and construction of the area by Heron Homes.</p> <p>This amenity land is owned collectively by the property owners who own 1 share each. The shares are held by the current trust company - First Port, who also maintain this estate. Is compulsory purchase envisaged? If a total of some 700 homes the village would need vast changes to its infrastructure to accommodate these properties. The present main road - Primrose Lane/Shirley Oaks Road is barely able to cope now - with just a single decker bus allied to a growing number of cars. There is a regular flooding problem during heavy downpours - particularly from Primrose Lane into Laburnum Gardens.</p> <p>The loss of a wildlife conservation area is surely against wider interests including many present owners.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>	
3356/01/002/DM43.4/O	Mr Rishi Gohill	Object	Soundness - Justified DM43.4 128	<p>Objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). Also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.</p>	<p>If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

3358/01/002/DM43.4/O	Joy Harris	Object	Soundness - Justified	DM43.4 128	Objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). Also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.	If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3370/01/001/DM43.4/O	Claire Rutland	Object		DM43.4 128	As a shareholder of the open space in Shirley Oaks I would like to object to the proposals made in Policy Map 43.  One of the reason I bought the property was for the nice open spaces that surround the houses.  Building unnecessarily on this land will change the whole look and feel of the community of Shirley Oaks Village. We have one road in and out of the village and cramping in 700+ homes onto our lovely open space will also create congestion on the one road.  Shirley Oaks is privately owned and we take pride in our village and how it looks and will fight against these proposals.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3371/01/001/DM43.4/O	Claire Corper	Object	Soundness - Justified	DM43.4 128	To who this may concern  Ref:541 Ref:542 Ref:548 Ref:128 Ref:504  I strongly object to these plans as a resident of hazel close I am a shareholder of Shirley oaks management and feel strongly that the land be left as it is as we have very small gardens and pay for these open land areas to be kept and maintained for our use and enjoyment. Also these plans especially the ref 504 will devalue my property immensely and will downgrade the area dramatically		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

Object Soundness - DM43.4  
Effective 128

One of the requirements of the Pitt review of 2007 was for the Environment Agency to provide some warning for surface water flooding, as was already the practise for river and coastal flooding. The result was the LIDAR returns which are provided on the Environment Agency's website under 'what's in my backyard'. This shows clearly how the lie of the land amongst the Shirley Oaks Estate causes surface water to run from South to North joining another stream which runs in from the SW from Shirley road into Primrose Lane. On numerous occasions over recent wet winters we have had a constant stream of water running across the kerb into Primrose Lane which has on occasion caused substantial amounts of ice to form. No doubt your winter maintenance department could confirm this is an area where they have to regularly do spot treatments of rock salt- since they do Primrose lane as it is a bus route, when other parts of the network are totally dry and do not require treatment.

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

From the Pitt Review of 2007- RECOMMENDATION 7: There should be a presumption against building in high flood risk areas, in accordance with PPS2S, including giving consideration to all sources of flood risk, and ensuring that developers make a full contribution to the costs both of building and maintaining any necessary defences. Section 5.14 of the report reiterates that PP525 applies to all sources of flood risk. This states that an SFRA (surface flooding risk assessment) should assess surface water flood risk and identify critical drainage areas. Good information is therefore needed from sewerage undertakers and other sources, including local knowledge, historic flooding and risk modelling. Local authorities should ensure that SFRAs carried out on their behalf adequately address this type of flooding. I find it difficult to believe this has been done as otherwise there would have never been a suggestion of using the remaining green parts of the estate in this way.

Any increase in the built up area around the estate would thus exacerbate the already on occasion saturated surface. Having investigated in detail the benefits in the reduction of flooding by the provision of trees, I have found that Oak trees can use up to 50 gallons a day and some trees on a hot day will utilise 150-200 gallons (wiki-answers.com). Trees admittedly are

most effective when we are in the growing season at excess water removal, but that is also when we tend to have the most extreme rainfall events. Having looked at 'Heavy falls in a day' and 'Heavy falls in short Periods'; both produced in part for British Rainfall by the Met Office (my employer); I have found that invariably the most extreme rainfall happens in SE England between June and September. This is just when a tree is in full leaf so not only intercepts falling rain by the size of its canopy, but also as it is growing, that rain which reaches the soil is quickly extracted for use in the tree's transpiration. Preliminary research results from the University of Manchester indicate that trees can reduce runoff by as much as 80% compared to asphalt. Thus the best way to alleviate summer extreme rainfall surface water flooding is not to remove trees.

The soil on which Shirley Oaks is located is of a clay type and is therefore impervious: another reason why it reacts to surface water flooding the way it does. The large area of grassland is ideal for 'making room for water' as a water storage area, thus to remove this pooling facility will mean the rain will have to find somewhere else to go, which would inevitably mean flooding for Shirley Oaks residents. Also I have learned, from Meteorological Office memorandum No 80-the properties of soils in NW Europe; that the root system of grassland provides a channel through which some rainfall does manage to slowly percolate through beneath the surface even with clay soils. However, without the grassland root system the water just tends to form bodies of water lying on the surface. This effect of our grassland is very helpful in alleviating the surface water flooding in winter, which occurs when prolonged rainfall totally saturates the area, and the trees are no longer as effective at its removal.

So in conclusion  
- We need trees to mitigate effects of extreme rainfall in summer, something which will become increasingly frequent with global warming.  
- We need open grassland for water to accumulate in winter when trees are less effective at water removal from the system, whilst in addition their root systems help to aid percolation beneath the soil reducing surface flooding. Over the last 40 years winter rainfall has been increasing throughout the UK.  
- Soil behaviours also dictate risk of

flooding. We have issues because:  
 1) We are on a clay soil type so low permeability and heavy rain does not soak in but floods.  
 2) We are on sloping ground with tendency for run off to flow south to north across the site.  
 3) We, also because of having a clay soil, have a high water table, so in winter many areas of the site are wet and all parts stay damp throughout. Thus water-logging very quickly occurs and there would with the proposed building work be less and less places for the water to flow to.

---

3377/01/005/DM43.4/O	Mr Stuart Day	Object	DM43.4 128	I am writing to you to object to the councils planned proposals Ref:541 Ref:542 Ref:548 Ref:128 Ref:504	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
				:: I moved to the area with the understanding that the grass areas had protection from being built upon and I strongly object to the council proposing the new developments as referenced above. This will make the area I live in with my family crowded and I bought my property with the understanding that the grass areas would not be built on.		

---

Object	Soundness - Justified	DM43.4 128	<p>First, the Council plans to de-designate the Metropolitan Open Land on either side of Shirley Oaks Road and all around Shirley Oaks Village (page 68, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals). Metropolitan Open Land has the same protection from development as the Green Belt. The Council is proposing to remove this designation so that most of this land can be used for new housing. The draft Local Plan identifies five sites:</p> <ul style="list-style-type: none"> <li>•the land at Poppy Lane is identified as suitable for 51 to 107 homes (pages 445-446, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals, reference number 128);</li> <li>•Stroud Green Pumping Station, 140 Primrose Lane, including the conversion of the locally-listed pumping station, is identified as suitable for 26 to 68 homes (pages 451-452, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals, reference number 504);</li> <li>•land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House is identified as suitable for 80-215 homes (pages 453-454, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals, reference number 541);</li> <li>•land to the west of Shirley Oaks Road is identified as suitable for 88-236 homes (pages 455-456, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals, reference number 542); and</li> <li>•land to the rear of 5-13 Honeysuckle Gardens is identified as suitable for 59-125 homes (pages 457-458, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals, reference number 548).</li> </ul> <p>I will be objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). If</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
--------	--------------------------	---------------	--	-----------	--

the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection. I will also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.

3381/01/002/DM43.4/O	Mr Daniel James	Object	DM43.4 128	<p>I am writing to object to the councils proposition to allow the development at the following sites:-Ref: 541, 542, 548, 128 and 504 in Shirley Oaks Village</p> <p>I have only lived on Shirley oaks for 5 years, but one of the things I love the most is walking my children over to the grass areas so they can play. As you probably already know, our gardens are quite small so it's really nice to have space to take full advantage of. Another thing that disappoints me, is that one of the selling points of our house, is the fact that all the land around the estate is protected from building on. I strongly disagree with any of your plans to build upon this land, and along with other Shirley oaks residents will do my best to get our voices heard.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
3391/01/001/DM43.4/O	Ms Aileen Deeney	Object	DM43.4 128	<p>As a resident of Shirley Oaks Village, I wish to register my objection to the above proposals to allow the development of new homes on the designated Amenity Open Land which is available for my use and that of my fellow residents. This use was allowed by Croydon Council because of the undersized gardens which is a negative feature of the current development and which hinders enjoyment and comfort of my property. For example, it is not possible for children to play with footballs/other toys /play noisily,without disturbing the adjoining and physically very close neighbours. You are no doubt aware that there are no nearby children's parks. Also my garden can easily be overlooked by at least 4 sets of neighbours and which I believe is typical of the other gardens on the development. Having the Amenity Open Land available is some compensation for the above lack of privacy and if it was to be withdrawn it would have a detrimental impact on family life.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

3396/01/003/DM43.4/O	Ms A Pavon-Lopez	Object	DM43.4 128	I object to the use of the site for housing.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3404/01/001/DM43.4/O	Mr & Mrs Cyril Nazareth	Object	DM43.4 128	As a resident of Croydon Borough and in particular Shirley Oaks, I am contacting you to voice my objection to the following development proposals: Ref: 128 Poppy Lane	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3428/01/001/DM43.4/O	Mr Daniel Nuthall	Object	DM43.4 128	I would like to object to the following Metropolitan open land proposals - Poppy Lane - Ref 128 -Stroud Green Pumping Station - Ref 504 -Land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House - ref 541 -land to the west of Shirley Road ref 542 -land to the rear of 5-13 Honeysuckle Gardens ref 548. The Metropolitan land provide several links in the Shirley Garden Chain. Under the Planning Policy Guidance Note 9 the importance of nature conservation is stressed. This combined with the extra traffic seems unacceptable.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3430/01/040/DM43.4/O	Mr Donald Speakman	Object	Soundness - Justified	DM43.4 128	Site 128, Land at Poppy Lane, is identified as suitable for 51 to 107 homes. This land should not be de-designated as Metropolitan Open Land as it is a vital green corridor between Shirley Oaks and the surrounding areas, providing much loved and well used amenity space. This would total change the character of the area and have a great impact on the local road infrastructure impacting Woodmere Avenue and Woodmere Gardens.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3431/01/001/DM43.4/O	Mr David Wilson	Object		DM43.4 128	<p>We wish to object in the strongest terms to the plans being discussed regarding the proposed development of land for new housing in the Shirley area, specifically the building of Gypsy/Traveller sites on our doorstep, and the inherent increase in crime and ant-social behaviour that always follows, and can be seen in many examples nationally.</p> <p>Not only this, but the whole 'Village' feel of the area will be completely obliterated, and the very things that attracted us to move to Shirley (off Orchard Ave) will be no more. Of course people need a place to live and raise families, but time and again we have seen the resultant decline of neighbourhoods, with rubbish, noise and theft frequent occurrences. We urge you to think again and take heed of Gavin Barwells very real concerns, and those of what I'm sure are many of his constituents, and other Shirley dwellers. We are particularly concerned that you should take into account the fears of ordinary hard working people like us, who want to enjoy life (we're not 'oldies') in a pleasant community, and think again about the following proposals;</p> <p>the land at Poppy Lane is identified as suitable for 51 to 107 homes (pages 445-446, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals, reference number 128);</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3438/01/002/DM43.4/O	Mr D Lane	Object		DM43.4 128	I object to the use of Land at Poppy Lane for housing. If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces. Building housing on them would mean the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of this part of Shirley. As far as I can see, these are the only bits of Metropolitan Open Land in the whole borough which the Council is proposing to de-designate and allow housing to be built on. Why has Shirley Oaks been singled out in this way?		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3445/01/002/DM43.4/O	Mr E King OBE	Object	Soundness - Justified	DM43.4 128	Objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). Also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.	If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3449/01/004/DM43.4/O	Mrs E Thomas	Object		DM43.4 128	I wish to log my objection to the borough-wide planned changes Croydon Council are proposing to make in their Local Plans for 2016-2036. These proposals are 750 new homes in Shirley Oaks and 35 new homes on the Shrublands Estate. Also the proposed work to the two large gypsy/travellers site in Coombe Farm and the Conduit Nursery of Coombe Road.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3453/01/001/DM43.4/O	Mr & Mrs Proctor	Object	DM43.4 128	<p>We are writing to object most strongly to the Croydon Council's Local Plan for housing on Green Belt land, with particular reference to Shirley.</p> <p>Our Green Belt should be protected at all costs and brown field sites must be targeted. In this respect, we support our MP Gavin Barwell's objections, which you will doubtless have received.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
3461/01/003/DM43.4/O	Mr F Kurum	Object	DM43.4 128	<p>I am writing to object to the use of the following five sites for housing:</p> <ul style="list-style-type: none"> <li>- land at poppy lane (128)</li> <li>- Stroud Green pumping station, 140 Primrose Lane (504)</li> <li>- land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House (541)</li> <li>- Land to the west of Shirley Oaks road (542)</li> <li>- Land to the rear of 5-13 Honeysuckle Gardens (938)</li> </ul> <p>If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Space.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
3465/01/002/DM43.4/O	Mr & Mrs Hobbs	Object	DM43.4 128	<p>I am writing to you to object to the use of the following sites for housing development.</p> <ul style="list-style-type: none"> <li>•The land at Poppy Lane. Ref. No. 128</li> <li>•Strudwick Green Pumping Station. Ref. No.504</li> <li>•Land to the east of Shirley Oaks Road and rear of Beech and Ash House. Ref no. 541</li> <li>•Land to the west of Shirley Oaks Road. Ref no. 542</li> <li>•Land to rear of part of Honey Suckle Gardens. Ref no. 548</li> </ul>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

3473/01/005/DM43.4/O	Mr Dave Brown	Object		DM43.4 128	I object to the these proposals to build on the land ref 128, the land should be left as it is	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3482/01/001/DM43.4/O	Sheila Desmond	Object	Soundness - Justified	DM43.4 128	Ref 541 Ref 542 Ref 548 Ref 128 Ref 504 I wish to lodge a serious objection to the proposals for the building of houses on Shirley Oaks Village That name speaks for itself I have lived on Shirley Oaks Village for 30 years and during that time have paid the management company a contribution to maintain the The amenity open Land The residents each own a share of the Land and over the years the open areas have been enjoyed by families for games walking and enjoying the lovely trees not to mention the wildlife When the land was sold by Lambeth in 1984 the intention was to create a village !! Has any thought been given to the effect on the infrastructure by adding 751 properties? the pressures on the roads in particular.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

The proposal to build new houses in Poppy Lane does not fall within the Strategic Objectives because:-

Objective 2: This development will not Foster an environment where existing enterprise can prosper, but will reduce enterprise

Objective 4: This development will not reduce social, economic and environmental deprivation. It will not reduce unemployment, improve skills and education and improve environmental conditions, the development is not in keeping with the surrounding area.

Objective 5: This development is not high quality and will not enhance the borough's natural environment but will reduce the natural environment by turning a green area into housing

Objective 7: This development will reduce the area as a safe, healthy and cohesive community but making the area overcrowded with residential property

Objective 10: This development will reduce the quality and accessibility of green space and nature.

This development will compromise the ability of future generations to meet their own needs. The development will change the outlook and community within the South Croydon area and future generation will suffer because of this. This proposed development of new housing in Poppy Lane is not within keeping of the current development within this area. Shirley comprises of large semi and detached houses with large green areas. This development is in no way in keeping with housing in the area. Changing a green area to an area of residential housing will cause harm and reduce the outlook of the area and is not in keeping with the surrounding area. Building a travelers site will increase noise levels and ruin the character of the area and this development would overwhelm this green area.

Paragraph 64 of the National Planning Policy Framework states that permission should be refused for development of poor design that fails to take the opportunities available for improving the character and quality of an area and the way it functions. This development would diminish the area of green fields and recreational land within the area.

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3486/01/001/DM43.4/O	Mr Gary Stewart	Object	DM43.4 128	Re the above proposals with Ref nos 541, 542, 548, 504, and 128 I wish to object in the possible strongest sense. This land was not designated for this use and hence our homes all have very small gardens to protect this open space. We already have problems with the road through the estate and it cannot possibly take any more traffic. The allowed parking on this road particularly on the curves gives cause for real concern. I have avoided two accidents only by making a emergency stop. If the council goes ahead with these proposals then we will fight and please note we are depending on support from local councillors and our MP. Think again please	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3492/01/009/DM43.4/O	Helen Silk	Object	DM43.4 128	I am writing to object to the plans to build gypsy/traveller sites in the area of Shirley and the building of anything on any area of green belt land, green spaces or back gardens	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3498/01/005/DM43.4/O	Mr Ian Marsh	Object	DM43.4 128	I wish to object strongly to the proposed developments at Shirley Oaks - Ref 128 Poppy Lane - 107 new homes	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3501/01/002/DM43.4/O	Gaynor Lawrence	Object	DM43.4 128	<p>Please see this email as my objection to the proposed housing. This is ridiculous. The village is small and the road going through the village would NOT suffice the extra traffic!</p> <p>I pay a maintenance charge and moved here as it is a quiet location. I have been burgled a couple years back due I believe to the travellers that squatted on the land here and I do not want that fear again. Please rethink this crazy idea and let me know how I can further stop this.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3502/01/001/DM43.4/O	Mr Gary Smithers	Object	DM43.4 128	<p>The planning permissions proposals below I object to ref 128</p> <p>I have friends who live in Shirley oaks village and I know them and myself along with many others all object to the proposals to build on the green areas. This grass area is used by many and would totally change the area if built on and we don't want it. Part of the charm of this area is those green areas and it has something that you don't find often in Croydon so please let us keep the green areas as we all object to them being built</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3503/01/002/DM43.4/O	Mr Gary Kenney	Object	DM43.4 128	<p>I am writing to show that I object to a number of your plans around the Shirley area. I contest that you need to build on our green sites and bring in new 'traveler' sites into Shirley.</p> <p>On top of this I cannot understand the need to bring 'medium' high rise buildings in and around Shirley, including Devonshire way and the new proposals around Hartland way.</p> <p>Please can you let me know if my objection has been noted and how I can make it more official?</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3506/01/001/DM43.4/O	Mr John Albert	Object	Soundness - Justified	DM43.4 128	<p>As a long term resident and shareholder residing in Shirly Oaks Village, I and my partner object to the proposals to Changes to the Policy Map 43 - REF's 541, 542, 548, 128 &amp; 504 These areas have metropolitan open land and had protection from being built on!</p> <p>Our land was designated by Croydon Council in 1985, as Amenity Open Land because of our under sized gardens and transferred to the management company whom we our shareholders of and this land is for our use and want it to stay this way!! Having lived here for 20 years we do not want it further condensed by more homes and totally not fit for purpose!</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
3510/01/007/DM43.4/O	Katrina Neal	Object	Soundness - Justified	DM43.4 128	<p>As a long term resident of Shirley/West Wickham and one who has seen many changes over the years, I am strongly objecting to Poppy Lane - ref 128 for housing use.</p> <p>If these are not kept as MOL: then at least keep them as Local Green Spaces.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

3511/01/002/DM43.4/O	Jenny Hayden	Object	DM43.4	The proposals for Shirley will have a huge impact on the area, the current infrastructure is already at bursting point and the building of new homes on green spaces will add further stress to the current situation.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
			128	Ref nos, 128,504,541,542, 548...these relate to the building of additional homes. From the information available in the Council's documentation, this could be up to 800 new homes. I would like to know what sort of homes these are likely to be ...social, housing associations or private ...I doubt that any of them would be affordable homes for first time buyers .How will the local roads cope with the extra traffic. There will be a need for more schools, doctors' surgeries etc to support the intended increase to the local population. I would therefore like to object to the Council's decision to use these five sites for future residential development. Apart from putting extra burden on the local roads, it would also mean losing valuable green spaces. I believe any new residential development should be on brownfield sites . The addition of so many extra homes would have an adverse affect on the character of Shirley, in my opinion.		
3512/01/002/DM43.4/O	Rhodri Flower	Object	DM43.4	I write with reference to your document 'Changes to the Policies Map (Policy DM43)', and in specific reference to sites 541, 542, 548, 128 and 504. These sites are all open space surrounding the development known as Shirley Oaks Village.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
			128	I wish to object to the proposals to re-classify the land and make it eligible for planning permission and the building of homes. In my opinion it is essential to preserve the open space for the use of local residents. It is well used for recreation, dog walking etc. It is also an important part of the character of Shirley Oaks Village and would change the nature of that development.		
				I bought a house on Primrose Lane in June 2015 and a large factor in my decision to buy was the amount of open space available locally. I understand that Croydon Council designated this land as 'Amenity Open Land' in 1985 because of under-sized gardens in Shirley Oaks Village and transferred it to the Shirley Oaks Management Company, which has maintained it ever since. As a house owner I am a shareholder in that company.		
				I strongly object to your proposals.		

SHIRLEY OAKS VILLAGE-  
I refer to the proposed changes to the planning policies to allow Croydon Council to build new homes on the Amenity Open Land at the above. The Amenity Open Land was granted in part, due to the extremely small rear gardens. Also I and other people in the village for many years here contributed to its up keep at no cost to Croydon Council. To lose this land will greatly impact on the peaceful enjoyment that I and my neighbours have in using this land as well as the general impact on the area of high density building, changing the character of our village forever.

No doubt this development will result in many trees and flowers being sacrificed which help to sustain the urban wildlife such as various birds, bats, foxes, badgers and bees etc. There seems to be little consideration for this urban oasis!

Whilst I understand central government's drive for more houses, I find it hard to believe that Croydon Council needs this land in order to fulfil its housing quota, given the Westfield and other developments proposed in Croydon. There are also other lands, such as those owned by the local NHS hospital that would be suitable for development and at the same time give ready money to the NHS.

Furthermore, the existing main roads are already inadequate to service the village without adding a further 751 homes along with the years of road works that will be associated with upgrading the utilities, make travelling through the village more difficult and dangerous.

I urge you to reconsider your plans

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3546/01/002/DM43.4/O	Mr Mark Hawkins	Object		DM43.4 128	<p>Kindly note that as a homeowner (and shareholder) of Shirley Oaks Village, resident here for over 25 years, I am deeply concerned that Croydon Council seems to think it has the right to change the nature of the estate from being protected Metropolitan land to being unprotected land ripe for excessive building.</p> <p>Not only is the green space around the current estate, a much loved feature, it also provides a sanctuary for wildlife and allows for nice walks for local people. The road was built to be narrow and already there are problems with passing places for traffic to the hospital and synagogue. Last year the council allowed a resident to build a fence which obstructs drivers vision when turning out of Cornflower Lane and has caused several minor incidents. Simply put, the roads here were not built for traffic!</p> <p>The idea of ruining my neighbourhood by cramming more housing onto unsuitable roads, lacking shops and facilities whilst depriving me of the green spaces I love and part own makes me sick to my stomach.</p> <p>There are so many brownfield sites that could be built on and provide more suitable housing in and around Croydon that I feel that this attack on Shirley is politically motivated. I formally ask the council to re-consider the proposals</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
----------------------	-----------------	--------	--	---------------	---	-----------	---

3547/01/004/DM43.4/O	Mr I Fuell	Object	Soundness - Justified	DM43.4 128	<p>I am writing to object to:</p> <p>3.The use of the following 5 sites for housing:</p> <ul style="list-style-type: none"> <li>•Land at Poppy Lane: reference number 128;</li> <li>•Stroud Green Pumping Station, 140 Primrose Lane: reference number 504;</li> <li>•Land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House; reference number 541;</li> <li>•Land to the west of Shirley Oaks Road; reference number 542; and</li> <li>•Land to the rear of 5 – 13 Honeysuckle Gardens; reference number 548.</li> </ul> <p>If the Council will not keep them as Metropolitan Open Land, these 5 sites should at least be designated as local green spaces.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
----------------------	------------	--------	-----------------------	---------------	--	-----------	---

3550/01/004/DM43.4/O	Kalpana Patel	Object		DM43.4 128	We have got objection for above proposal. We are not happy, it would cause lots of traffic and not ideal for residents.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3556/01/004/DM43.4/O	Karen Warwick	Object		DM43.4 128	I would like to raise my objection to the proposed land changes for the following references: Ref. 128 - Poppy Lane, up to 107 new homes. The land was designated by Croydon council in 1985 as "Amenity Open Land", because of our under-sized gardens and transferred to the Management Company - with each property owner as a shareholder in that company. As for looking at a Gypsy site, you should have seen what a mess they made when they camped illegally at Shirley Oaks just over a year ago - it was disgusting!		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3566/01/002/DM43.4/O	Maureen Wilcox	Object	Soundness - Justified	DM43.4 128	Objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). Also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.	If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3568/01/002/DM43.4/O	Mr Mike Jones	Object	DM43.4 128	<p>The de-designation of the Metropolitan Open Land around Shirley Oaks Village in particular such as the use of the following for housing:-</p> <p>land at Poppy Lane Stroud Green Pumping Station, 140 Primrose Lane land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House land to the west of Shirley Oaks Road land to the rear of 5-13 Honeysuckle Gardens Building housing on them would mean the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of this part of Shirley. There is a lot of history around here and the loss of the Shirley Lodge in the late 1990s was a big mistake. Generally in Croydon there is no room for more traffic that new building will generate and judging from what I have seen around Croydon squeezed housing units with small garages not fit to store cars and little or no off street parking will only add to stress and problems in the future.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
3574/01/009/DM43.4/O	Mr Peter Newsham	Object	DM43.4 128	<p>I wish to register my objection in the strongest possible terms to the proposal for new housing, (ref.128), in these areas of Metropolitan Open Land, which is essential for recreational purposes in an already overcrowded place, is unacceptable and the proposed re-designation of the land so that it can be used for high-density urban development will find no local support, but instead, a huge and vocal opposition.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

3580/02/002/DM43.4/O	Mr Michael Hewish	Object	DM43.4 128	<p>The designation as MOL should remain. If it is decided de-designation proceeds, the Site should be designated as localGreen Space. Proposed development of the Site In the event that the present designation remains or that re-designation takes place as LocalGreen Space would not be consistent with national policy under the NPPF and such a proposal would be incompatible. The proposed approach is not appropriate nor would it enable sustainable development for the reasons set out above and those identified In respect to the objection to Policy SP7. The highway is unadopted and is not suitable for use In relation to potential.development.. The proposal is therefore Inappropriate. The Sitels not deliverable because of the.unadopted hway.in ,ownership. The highway network through Shlr1ey Oaks Is already alsatumilort-pointand In any event any proposed residential development would generate an unacceptable amount of traffic.</p> <p>The Site has a high water table and the area is prone to flooding which affects properties in particular at the boundaries to the land. Any development Is likely to worsen this situation for those SUIYOUndng properties.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
----------------------	-------------------	--------	---------------	---	-----------	--

---

3580/01/002/DM43.4/O	Mr Michael Hewish	Object	DM43.4 128	<p>Please see my objections to your proposals as detailed below. Ref 128 Land at Poppy Lane. Poppy Lane is a private road with restricted access and is owned by Shirley Oaks Management Limited. Many previous planning applications have been refused due to the conservation value of the site. Drainage is a major problem locally, hence the Thames Water Board's Balancing Pond in the next field.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

---

3591/01/003/DM43.4/O	Mr Nick Barnes	Object	Soundness - Justified	DM43.4 128	<p>Having read both local plans for the Shirley area, I strongly object to all aspects in both plans, this includes the 750 new homes on Shirley Oaks Village, 35 new homes in Shrublands, the two gypsy sites at Combe Fram and Conduit Nursery and the development for up the four storeys along Wickham Raod.</p> <p>None of these plans will benefit Shirley and I object to them all.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3593/01/002/DM43.4/O	Mrs Margaret Hawkins	Object		DM43.4 128	<p>Ref 128 – Land at Poppy Lane I am objecting to the proposal for de-designation of this area as Metropolitan open land. The council has consistently denied planning permission to successive owners of this land since The London Borough of Lambeth abandoned it as their tree nursery, because of damage to mature trees and the high water table. I can see no reason to change this. It forms a vital wildlife link between Ashburton Playing Fields via the back gardens of Woodmere Avenue behind Shirley Oaks hospital to the other green spaces around Shirley Oaks. This can be clearly seen from satellite photographs.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3699/01/040/DM43.4/O	Cllr J Cummings	Object	Soundness - Justified	DM43.4 128	<p>Site 128, Land at Poppy Lane, is identified as suitable for 51 to 107 homes. This land should not be de-designated as Metropolitan Open Land as it is a vital green corridor between Shirley Oaks and the surrounding areas, providing much loved and well used amenity space. This would total change the character of the area and have a great impact on the local road infrastructure impacting Woodmere Avenue and Woodmere Gardens.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3702/01/004/DM43.4/O	Ms J Fasham	Object	DM43.4 128	I object to the Councils proposal to de-designate the Metropolitan Open Land of Shirley Oaks Road and Shirley Oaks Village as the local infrastructure could not cope.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3713/01/001/DM43.4/O	Ms J Stokes	Object	DM43.4 128	I object to the proposals to completely change Shirley Oaks Road which is a green lung for that part of the Borough. The amount of car ownership will rise significantly as the bus service is infrequent. The traffic will clog up the Wickham Road even more than now., St. John's school has already plans for more classrooms and the intake will rise in all the local schools. Also pulling down established houses and putting up more flats is detrimental to the character of the area. We had a once in a lifetime chance to improve the look of Croydon, on a human scale. Instead of which we are building hideous tower blocks, while in other parts of the country they are pulling them down. Nobody should have to raise a family in a block 44 stories high. They will eventually become the slums of the future.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3715/01/001/DM43.4/O	Jenny Tighe	Object	DM43.4 128	Development of these sites will have a negative impact on the local area by changing the character of Shirley, and well as being a loss of green space, wildlife habitat and a vital green corridor	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3723/01/003/DM43.4/O	Mrs j Middleton	Object	DM43.4 128	I object to the site for use for housing.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3726/01/001/DM43.4/O	Miss Amanda Smithers	Object	DM43.4 128	I am emailing to object to the following proposal ref 128 . My partner is a resident of Betony close Shirley oaks village and we definitely do not want the surrounding areas to be built on.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3733/01/004/DM43.4/O	Ms Jennifer Addis	Object	DM43.4 128	I strongly object to the development proposals by the council for the above areas on Shirley Oaks Village. All the gardens on our houses are tiny so this green land which was designated as 'Amenity Open Land' was supposed to be for the use of the residents. There are enough houses on this area already! This will have a huge detrimental effect on all the residents in the area.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3735/01/002/DM43.4/O	Mr Tim Duce	Object	Soundness - Justified	DM43.4 128	I strongly object to any plan to build on Metropolitan Open Land. There are plenty of brown field sites available in Croydon and the MOL should be re-designated as Local Green Space.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3737/01/001/DM43.4/O	Mr J Patel	Object		DM43.4 128	I am writing to record my objection to various planning as follows. Your Ref No 128,504,541,542,548 and 938. I dont think it will be good for the area.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3744/02/002/DM43.4/O	Diane Simpson	Object	Soundness - Justified	DM43.4 128	Objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). Also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.	If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection. No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3769/01/005/DM43.4/O Mr K George

Object

DM43.4  
128

I am also concerned that up you consider there is space for up to to 751 houses in the Shirley Oaks Road area. References 128. 504 541 542 548. This would lead to the elimination of green space in that area and therefore I think at least 3 of these areas should be Local Green Spaces if not Metropolitan open land.

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

RE: LAND ON EITHER SIDE OF SHIRLEY OAKS ROAD, SHIRLEY OAKS VILLAGE, POPPY LANE; STROUD GREEN PUMPING STATION; COOMBE FARM, COOMBE LODGE NURSERIES off Conduit Lane, land west of Shirley Oaks Road, rear of 5-13 Honeysuckle Gardens OBJECTION TO DE-DESIGNATION GREEN BELT ; SHIRLEY, NEW ADDINGTON, FOREST HILL

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

We have lived in the Borough of Croydon for 30 years and value its vibrancy and diversity.

As Croydon ratepayers we object to the de-designation of Metropolitan Open Land generally, especially land detailed above, which will change forever Croydon's character.

We would ask you to encourage policies/development to:

1. Build new housing on brown field sites by all means AND preserve invaluable green space for the benefit of the community of Croydon;
2. Protect green belt land and preserve the green corridors we desperately vital for wildlife and biodiversity;
3. Amend the tall buildings policy and keep the tall building zone where it is suited in the centre of town;
4. Utilise brownfield sites for new low-level housing only where it can be developed alongside new GP surgeries, schools and improved public transport;
5. Traveller sites are not appropriate in the green belt and is a clear breach Policy E of Planning Policy for Traveller Sites. When travellers camped on Addington Playing Fields in 2012/13 they left rubbish, debris, waste, and deterioration to a local green space. Sadly true of most traveller sites.

"Nowadays people know the price of everything and the value of nothing". Green Belt is vital and precious. Once lost for future generations and will not be replaced by developers.

We understand the need for housing, schools, hospitals and infrastructure. Are the Developers investing these also alongside their building investments?

Please protect our few remaining green spaces on the borough map, by making better use of brown field sites.

3775/01/003/DM43.4/O Mr & Mrs Barnes

128

We are also writing to object to Croydon Council's plans to de-designate the Metropolitan Open Land on either side of Shirley Oaks Road and all around Shirley Oaks Village, changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan:  
We are objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). If the Council will not keep it as MOL, it should at least designate it as Local Green Space so that it has some protection. We are also objecting to any of these five sites being used for residential development.

Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure could not cope with the additional traffic.

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

Object Soundness - DM43.4  
Justified 128

I am writing this email to voice my deep concern about the planned development in the private estate that I have lived in for many years , namely:

•Ref 541, Ref 542, Ref 548, Ref 128 and Ref 504 – all on Shirley Oaks Village private estate.

Firstly, it would have been nice to be informed about any planning ideas in writing rather than see small notices pinned to lamp post around the estate. I would also like to draw your attention that our land was designated by Croydon Council in 1985 as 'Amenity Open Land' for the residents and for which we pay a quarterly fee for maintenance of the green open land, but more importantly can I bring to your notice that this land was transferred to the Shirley Oaks Management Company, with each property owner as a shareholder in that company. This land is for our use and not for developing a concrete jungle on every single green inch of land in Croydon.

The Shirley Oaks estate has a great community spirit and has become a real sought after location for families to live due to the community nature and the lovely open land that we have, by developing on this land you will be taking away all of the good that has been built up over the years by the many residents we have as well as making the village overcrowded, bringing in more traffic thus resulting in more danger on the main Primrose Lane for people crossing and driving, congestion for parking and so on. I can also bring to your attention that we have already had a couple of fatalities on that main road that runs through the village and this will make it worse for the safety of our kids.

I am sure you have now had many hundreds of emails from residents like myself voicing the same concerns with your planning proposals!

This land belongs to us as residents so I feel its harsh to take this away and start your own developments.

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3785/01/006/DM43.4/O	Jenny Greenland	Object		DM43.4 128	I object to the de-designation of the site in Shirley as MOL. If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection. I enjoy this space every weekend and meet many like minded people. I also be object to the site being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic as it struggles now. I am happy for the Council to replace under-used garages with much-needed homes, but I object to building on open space.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3789/01/002/DM43.4/O	Mr Paul Slaughter	Object	Soundness - Justified	DM43.4 128	Objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). Also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.	If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3792/01/005/DM43.4/O	Mr Simon Bradley	Object		DM43.4 128	To save you looking it up, and to help you identify my specific objections, the five sites mentioned so far and to which I wish to object as being detrimental to the character of the area are: •the land at Poppy Lane is identified as suitable for 51 to 107 homes (pages 445-446, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 128);		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3793/01/004/DM43.4/O	Mr Stephen Barnes	Object	DM43.4 128	<p>Second, the Council plans to de-designate the Metropolitan Open Land on either side of Shirley Oaks Road and all around Shirley Oaks Village (page 68, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals). Metropolitan Open Land has the same protection from development as the Green Belt. The Council is proposing to remove this designation so that most of this land can be used for new housing. The draft Local Plan identifies five sites:</p> <ul style="list-style-type: none"> <li>- the land at Poppy Lane is identified as suitable for 51 to 107 homes (pages 445-446, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals, reference number 128);</li> </ul> <p>I object to the decision to de-designate this land as Metropolitan Open Land (MOL). If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection. 3803/01/003/DM43.4/O	Mr Denis Perrott	Object	DM43.4 128	<p>I object to the use of the Land at Poppy Lane reference number 128 for housing:</p> <p>If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces.</p> <p>Developing these sites with the amount of homes suggested would increase the volume of traffic in an area which is already congested in morning and afternoon rush hours and would put increased pressures on local schools and public transport.</p> <p>I am aware that more affordable houses are needed but please reconsider these plans which will totally change the area in which we have chosen to live and definitely not for the better.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

3804/01/041/DM43.4/O	Cllr L Hale <i>London Borough of Croydon</i>	Object	DM43.4 128	Site 128, Land at Poppy Lane, is identified as suitable for 51 to 107 homes. This land should not be de-designated as Metropolitan Open Land as it is a vital green corridor between Shirley Oaks and the surrounding areas, providing much loved and well used amenity space. This would total change the character of the area and have a great impact on the local road infrastructure impacting Woodmere Avenue and Woodmere Gardens	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
----------------------	---	--------	---------------	--	-----------	---

---

I write to you with my objections to the proposed Croydon Local Plan, specifically on the points below.

- the land at Poppy Lane is identified as suitable for 51 to 107 homes (pages 445-446, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 128);
- Stroud Green Pumping Station, 140 Primrose Lane, including the conversion of the locally-listed pumping station, is identified as suitable for 26 to 68 homes (pages 451-452, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 504);
- land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House is identified as suitable for 80-215 homes (pages 453-454, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 541);
- land to the west of Shirley Oaks Road is identified as suitable for 88-236 homes (pages 455-456, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 542); and
- land to the rear of 5-13 Honeysuckle Gardens is identified as suitable for 59-125 homes (pages 457-458, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 548).

I object to the decision to de-designate this land as Metropolitan Open Land (MOL). If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection. I also be object to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3809/01/003/DM43.4/O	Mr Ian Leonard	Object	DM43.4 128	The land at Poppy Lane is identified as suitable for 51 to 107 homes (pages 445-446, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 128); I object to the decision to de-designate this land as Metropolitan Open Land (MOL). If the Council will not keep it as MOL, it should at least designate it as Local Green Space so that it has some protection. I also object to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, thereby disastrously changing the character of the area, additionally, the local road infrastructure will not be able to cope with the additional traffic.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3820/01/001/DM43.4/O	Mrs & Mrs Linter	Object	DM43.4 128	I object to the land at Poppy Lane is identified as suitable for 51 to 107 homes (pages 445-446, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 128).	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3844/01/002/DM43.4/O	Lee Kirby-Walker	Object	DM43.4 128	<p>I am writing to object to: The use of the following five sites for housing</p> <ul style="list-style-type: none"> <li>• Land at Poppy Lane reference number 128</li> <li>• Stroud Green Pumping Station, 140 Primrose Lane reference number 504</li> <li>• Land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House reference number 541</li> <li>• Land to the west of Shirley Oaks Road reference number 542 and</li> <li>• Land to the rear of 5-13 Honeysuckle Gardens reference number 548</li> </ul> <p>If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated a Local Green Spaces.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
3845/01/002/DM43.4/O	Mr M Foster	Object	DM43.4 128	<p>I wish to lodge an objection to all five sites where the decision to de-designate this land as Metropolitan Open space land and to build housing upon them, not only would we be losing vital open space and change the very character of the area, I believe the local road infrastructure would not cope with any more traffic, why must the council continue to try and ruin areas that people like.</p> <p>At the moment this area has a rural feel to it, nice green spaces and an open aspect which we would lose if these plans were to go ahead. I would ask the council to think very hard before implementing these plans before we have another area that people want to move out of instead of to, these plans will not improve the area quite the reverse, where at the moment people like to live here.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

3853/01/001/DM43.4/O	Miss Rebecca Thomas	Object	DM43.4 128	<p>I email to express my formal concern and objection to the proposal to build additional housing in the green areas of Shirley Oaks Village.</p> <p>I currently reside in Beckenham, 1 Hamilton House, Orchard Way, BR33ER, on the Shirley boarder, and was previously a resident of Shirley for 30 years.</p> <p>The addition of these houses will not only bring down the areas reputation, spoil views from current properties but also cause additional congestion to an already busy area. We should be looking to preserve our green areas, and Shirley Oaks Village should remain just that, a village!</p> <p>I believe that the Wickham Road has already been flagged as one of the busiest roads in the area, with a fatal road accident occurring both this year and last. Additional housing/congestion will only add to this danger.</p> <p>This proposal will cause residents of the local area to be driven from their homes unfairly, I am sure that they did not purchase properties to be overlooked and to lose the view of the land that they have been paying to maintain for, in most cases, a number of years.</p> <p>I am contactable on my home address/phone should wish me to validate my views further.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
3854/01/001/DM43.4/O	Ms M Torres Ward	Object	DM43.4 128	<p>I am writing to express my objection to the planning proposals in the Shirley Oaks area. The land has been set aside for our use as we have very undersized gardens on the estate and we have also paid to keep those areas in a well maintained condition. The road around Shirley Oaks only has 2 exits as well, so would make it very congested as there are only 2 options for traffic to leave and enter and there are already a lot of problems at the Wickham Road end as people drive in and out.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

3858/01/003/DM43.4/O	Mr Nicholas Barnes	Object	Soundness - Justified	DM43.4 128	<p>Having read both local plans for the Shirley area, I strongly object to all aspects in both plans, this includes the 750 new homes on Shirley Oaks Village, 35 new homes in Shrublands, the two gypsy sites at Combe Fram and Conduit Nursery and the development for up the four storeys along Wickham Raod.</p> <p>None of these plans will benefit Shirley and I object to them all.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
3860/01/005/DM43.4/O	Mr M Lockyear	Object		DM43.4 128	<p>I wish to register my objection to these proposals for the following reasons: I purchased my property on the understanding that all the open grassed land surrounding the village was designated by Croydon Council in 1985 as "Amenity Open Land" because of our under-sized gardens and transferred to the Management Company, with each property owner as a shareholder in that company.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

Object Soundness - DM43.4  
Justified 128

With regard to the 'very scant' notices that have been posted on Shirley Oaks Village, in places that are not in visible of all residents, I must object VERY STRONGLY to these plans.

(1) The land is owned by the residents with a covenant on it. Our houses are condensed with tiny gardens, the compensation for which is the open ground (owned by all residents) that we are able to use. My understanding is that the original development was curtailed by the then council because of the density of housing/population on Shirley Oaks.

(2) Drainage on Shirley Oaks is very poor. I am given to understand that the water table is very high and indeed during the winter months the open spaces are sodden, holding water which could probably present a flooding problem. It is so bad in some places that the ducks move in!

(3) Could the services (sewerage etc) really support the number of properties proposed. There have already problems from time to time, especially down Shirley Oaks Road.

(4) Realistically, whatever type of property would be built, you could expect an average of two cars per dwelling. Shirley Oaks Road/Primrose Lane are extremely hazardous and would not be able to sustain another probably 500/1000 cars. Where would people park. There are enough problems on here already with regard to parking, deliveries etc. Both Shirley Oaks Road at the Wickham Road end and Primrose Road at the Shirley Road end are used as car parks and quite often it takes a bit of delicate manoeuvring to get round, especially if you meet a bus.

(5) Planning permission has been refused for the plot in Poppy Lane (128) a number of times. The area was declared as a nature reserve some time back and I was unaware that this had changed. Part of the reason for the last planning application was the high water table, so how come there has been a change of mind?

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3876/01/003/DM43.4/O	Edwina Morris	Object	DM43.4 128	I object to the use of the Land at Poppy Lane reference number 128 for housing:	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3885/01/002/DM43.4/O	Mrs Barbara Cumming	Object	DM43.4 128	I strongly object the planned sites being used for residential development in Shirley, Croydon. The land at Poppy Lane is identified as suitable for 51 to 107 homes (reference number 128). Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure will not be able to cope with the additional traffic.  Whilst I agree that we desperately need new housing, it should be built on brownfield sites - not our remaining precious green spaces!	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3892/01/001/DM43.4/O	Ms M Bailey	Object	DM43.4 128	The Metropolitan Open Land on either side of Shirley Oaks and all around Shirley Oaks Village should not be de-designated, but designated as Local Green space. It is very important that Croydon needs green spaces as these give the feeling of openness and a pleasant environment in which to live. Upwards of approximately 700 hundred odd homes could be built in this area which will lead to possible flooding of areas as rain water will not be able to drain away as easily as it would if it was left as a green belt area. Secondly the local road infrastructure would not be able to cope with the additional traffic stemming from these additional homes, and this includes public transport. Thirdly are the NHS facilities in the area able to cope with this large influx?	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3893/01/003/DM43.4/O	Jan Payne	Object		DM43.4 128	I object to the use of the site for housing.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3895/01/001/DM43.4/O	Mr & Mrs Asfahani	Object	Soundness - Justified	DM43.4 128	<p>Every year we get proposals and consultations for building more homes or structures on Shirley Oaks green land. But must admit the above proposal is the worst and the most ridiculous so far. From what we read, the proposal suggests to build around 750 new homes on what's left of green patches in the village.</p> <p>The village is already over crowded with Shirley Oaks road and Primrose road looking like a huge PARKING LOT throughout the day. One cannot begin to imagine what it would like with more residents and obviously with at least double the number of cars to that of the number of the new homes proposed.</p> <p>We bought our property back in 1989, paying above market value at the time, for the sole purpose that the village is quiet and has some green land. Our home was one of the last phases of any buildings to be erected in the village, or so we were promised and confirmed in writing. Since then, a synagogue was built, bus 367 goes through the narrow winding road, every year for the last few years we get proposals to use our green land for one suggestion or another and now this proposal.</p> <p>We completely oppose this proposal and hope that the council will appreciate that it's not all about the money and just building more houses, but quality of life matters just the same. On one hand the government and councils encourage and push people to plant more trees, grow their veg, recycle etc... Yet on the other hand come up with proposals to use every last green patch to build more structures and homes.. Doesn't make any sense.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3897/01/031/DM43.4/O	Cllr M Neal	Object	DM43.4 128	Site 128, Land at Poppy Lane, is identified as suitable for 51 to 107 homes. This land should not be de-designated as Metropolitan Open Land as it is a vital green corridor between Shirley Oaks and the surrounding areas, providing much loved and well used amenity space. This would total change the character of the area and have a great impact on the local road infrastructure impacting Woodmere Avenue and Woodmere Gardens;		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3899/02/003/DM43.4/O	Ms E Rudduck	Object	DM43.4 128	I object to the use of the Land at Poppy Lane reference number 128 for housing:  If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces.  Developing these sites with the amount of homes suggested would increase the volume of traffic in an area which is already congested in morning and afternoon rush hours and would put increased pressures on local schools and public transport.  I am aware that more affordable houses are needed but please reconsider these plans which will totally change the area in which we have chosen to live and definitely not for the better.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3901/01/002/DM43.4/O	Mr & Mrs Frederick Banjo	Object	DM43.4 128	As property owners/Residents and shareholders in the company that manages Shirley Oaks Village, we are writing to state our objection to the above mentioned proposal  The land/s in question is designated as 'Amenity open Land' for the use of the property owners and residents of shirley oaks village and must not be built upon.  The proposal to build on these lands will simply destroy the peace & tranquillity of the village. The enjoyment of the open land by residents will be lost not to mentioned the increased traffic situation amongst other things  We strongly object to these proposals to build upon these lands.	Objection to development of site 128	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere. Any development proposals that come forward will need to comply with all the policies of the Local Plan which included providing transport assessments for major development.

3923/01/001/DM43.4/O	Ms A Smithers	Object	DM43.4 128	I am emailing to object to the following proposal ref 128 . I object to this as Shirley oaks village and surrounding areas are lovely and people go there for their green space to walk their dogs and have a nice time. This would ruin the whole area and what it currently stands for and I amongst many will be upset if the green areas are built on	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3926/01/001/DM43.4/O	Mr & Mrs Peter & Brenda Mullings	Object	DM43.4 128	We object to the proposals for this site.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3933/01/003/DM43.4/O	Mr & Mrs Thacker	Object	DM43.4 128	I object to the use of the site for housing.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3942/01/003/DM43.4/O	Mr Scott Hunter	Object	DM43.4 128	I object to the use of the site for housing.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3943/01/003/DM43.4/O	Mr Steve Murray	Object	DM43.4 128	I object to the use of the site for housing.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3948/01/003/DM43.4/O	Mr C Rudduck	Object	DM43.4 128	<p>I object to the use of the Land at Poppy Lane reference number 128 for housing:</p> <p>If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces.</p> <p>Developing these sites with the amount of homes suggested would increase the volume of traffic in an area which is already congested in morning and afternoon rush hours and would put increased pressures on local schools and public transport.</p> <p>I am aware that more affordable houses are needed but please reconsider these plans which will totally change the area in which we have chosen to live and definitely not for the better.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3949/01/003/DM43.4/O	Mr K Rudduck	Object	DM43.4 128	<p>I object to the use of the Land at Poppy Lane reference number 128 for housing:</p> <p>If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces.</p> <p>Developing these sites with the amount of homes suggested would increase the volume of traffic in an area which is already congested in morning and afternoon rush hours and would put increased pressures on local schools and public transport.</p> <p>I am aware that more affordable houses are needed but please reconsider these plans which will totally change the area in which we have chosen to live and definitely not for the better.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
3952/01/002/DM43.4/O	Mrs J Jeffery-Reynolds	Object	DM43.4 128	<p>Reference Policy Numbers:- DM31.4 DM28 DM2</p> <p>Reference:- 128 504 541 542 548</p> <p>I am a resident of Shirley and strongly object to the current proposals to build on green belt land on the Shirley Oaks and surrounding areas.</p> <p>There are plenty of brown sites that are unoccupied and could fulfill the purpose of providing new homes. Shirley is already tight for school places. St John's, in Spring Park Road, is increasing to 2 form entry already with the number of children living locally requiring education. The 367 bus serving the Shirley Oaks Village is infrequent and much more transport will be required. Parking is already a nightmare and with the lack of parking contemplated with the new build supply the problem will only get worse. There will be an incredible build up of traffic on the already congested Wickham Road and other local roads.</p> <p>I believe this proposed building of traveller's sites and homes will change the whole ethos of Shirley and cause resentment and the lowering of living standards. This is a particular area of standard housing and should not be changed by the building of blocks of houses. Garden land should not be built on and this is an inappropriate development and should not be allowed to go ahead. Metropolitan Open Land has the same protection as the Green Belt and the rules should be followed accordingly..</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

3954/01/005/DM43.4/O	Mrs L McLoughlin	Object	DM43.4 128	Having lived on Shirley Oaks for almost 30 years, I strongly feel that any changes to the current planning policies would have serious and negative consequences for the current residents. Not only would properties lose significant value, the estate would also lose its 'village-like' feel that lead us to move there in the first place. We were also told at the time of purchase that Shirley Oaks would always remain as metropolitan open land, and this also heavily influenced our purchase. To add to this, there is also the issue of increased traffic through the estate. There was a fatal accident only a couple of years ago by the bend of Poppy Lane and I feel that with the prospect of even more houses being added to the estate there will be a significantly higher risk of further accidents	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3968/01/001/DM43.4/O	Ms M D Chandler	Object	DM43.4 128	I object on the grounds of appalling over crowding, your plan would bring at least 2000 more vehicles onto the estate. It is already nearly impossible to get in and out of the estate by car at rush hours. The roads on the estate can barely cope as it is with the bus route. Theextra vehicles would include many commercial vans which would be parked over night and weekends causing havoc on the narrow roads of the estate. A single bus route as at present running every 20mins.causes problems how do you intend to increase public services more bus routes and more frequent timetables....more chaos! I along with others pay to maintain and the open space as a share holder. Your proposal would seriously devalue our properties and I for one will be seeking serious compensation for this, I trust Croydon has very big capital reserves to meet our legal challenges and compensation. Our gardens are small this is why the land has been designated open land so we have some open space in common with the surrounding houses. Your plans are ill conceived and will effdtevely destroy Croydon further. There are large areas of open land in Addington which Croydon could use and I presume already own without spending our money attempting to purchase land which will be extremely costly to Croydon in terms of the compensation that you will need to pay out and in the legal fees entailed.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3970/01/001/DM43.4/O	Mr N Oratis	Object		DM43.4 128	I object to the decision to de-designate this land as metropolitan open land for the use of residential development for the following reasons. These areas are also being used every day and regularly by myself, family members, neighbours friends and many visitors wanting to take there dog for a walk or spending time with family and kids. Ref 548, 542, 541, and 128 are owned by Shirley oaks management. 488 residents are shareholders in this company. There was a decision in 1985 for this land to be open for use by the local residents because the gardens of all homes were considered small. I would also like to mention the increase in road traffic and pollution due to the development. So for those reasons I would once again like to object to building on this land.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3978/01/007/DM43.4/O	Ms S Ikpa	Object		DM43.4 128	The use of the following five sites for housing: land at Poppy Lane site reference number 128, Stroud Green Pumping Station, 140 Primrose Lane site reference number 504, land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House site reference number S41, and to the west of Shirley Oaks Road site reference number 542; and land to the rear of 5-13 Honeysuckle Gardens site reference number 548. If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces. Building housing on them would mean the loss of a vital green corridor between Shirley Oaks and the surrounding areas and change the character of this area.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3992/01/002/DM43.4/O	Patricia Wood	Object	Soundness - Justified	DM43.4 128	I am writing to object to the de-designation of Metropolitan Open Land around Shirley Oaks Village; in particular to the use of the following five sites for housing:  i) land at Poppy Lane reference number 128 ii) Stroud Green Pumping Station, 140 Primrose Lane reference number 504 iii) land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House reference number 541 iv) land to the west of Shirley Oaks Road reference number 542 v) land to the rear of Honeysuckle Gardens reference number 548	If the Council cannot keep this land as Metropolitan Open Land, these five sites should be at least designated as Local Green Spaces.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3993/01/001/DM43.4/O	Mr P Andrews	Object	Soundness - Justified	DM43.4 128	I wholly disagree with the plans to develop the land on Shirley Oaks Village.  This is metropolitan land and will not be built on.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
3997/01/002/DM43.4/O	Mr P Fitzpatrick	Object	Soundness - Justified	DM43.4 128	I am therefore writing to formally object to:  1. de-designation of the Metropolitan Open Land around Shirley Oaks Village;  2. the use of the following five sites for housing;  land at Poppy Lane REFERENCE NO. 128;  Stroud Green Pumping Station, 140 Primrose Lane REFERENCE NUMBER 504;  land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House REFERENCE NUMBER 541;  land to the west of Shirley Oaks Road REFERENCE NUMBER 542, and  land to the rear of 5-13 Honeysuckle Gardens REFERENCE NUMBER 548.  If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces. Building houses on them would mean the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of this part of Shirley. As far as I can see these are the only bits of Metropolitan Open Land in the whole borough which the Council is proposing to de-designate and allow housing to be built upon. Why has Shirley Oaks been singled out in this way?	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

4002/01/002/DM43.4/O	Mr & Mrs Turner	Object	DM43.4 128	We are writing to object to the following sites for housing and traveller sites. Reference number's (128)	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
4007/01/002/DM43.4/O	Mr R Horton	Object	DM43.4 128	I wish to log my objection to the borough-wide planned changes Croydon Council are proposing to make in their Local Plans for 2016-2036. These proposals are 750 new homes in Shirley Oaks and 35 new homes on the Shrublands Estate. Also the proposed work to the two large gypsy/travellers site in Coombe Farm and the Conduit Nursery of Coombe Road.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
4008/01/003/DM43.4/O	Mr R Kiley	Object	DM43.4 128	am writing this email to register my objection to the misuse of building on green belt land in Shirley, and elsewhere. All our lives are stressful now and we need these green belt areas to maintain our quality of life. I am objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection. I will also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

4010/01/002/DM43.4/O	Mr R Morley-Smith	Object	Soundness - Justified	DM43.4 128	Objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). Also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.	If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
4022/01/005/DM43.4/O	Mr & Mrs Ewin	Object	Soundness - Justified	DM43.4 128	Objection to Croydon Council's proposal to provide sites for travellers & the building of houses, etc on green land in Shirley & other areas.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
4033/01/002/DM43.4/C	Ms L Sasankan			DM43.4 128	I am a resident at 35 Primrose Lane, Shirley Oaks Village, along with 4 other members of my family.  I am writing to express my objection/disagreement to the following: Object to the . de-designation of the Metropolitan Open Land around Shirley Oaks Village and in particular to the use of the following five sites for housing: Land at Poppy Lane ref 128 Stroud Green Pumping Station, ref 504 land to east of Shirley Oaks Roaf and to the rear of Beech House and Ash House, ref 541 Land to the west of Shirley Oaks Road, ref 542 Land to the rear of 5-13 Honeysuckle Gardens, ref 548		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

4035/01/003/DM43.4/O	Ms S Reghu	Object		DM43.4 128	<p>I am writing to express my objection/disagreement to the following: 2. The use of the following five sites for housing: Land at Poppy Lane ref 128 Stroud Green Pumping Station, ref 504 land to east of Shirley Oaks Road and to the rear of Beech House and Ash House, ref 541 Land to the west of Shirley Oaks Road, ref 542 Land to the rear of 5-13 Honeysuckle Gardens, ref 548</p>		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
4036/01/002/DM43.4/O	Ms S Wheeler-Kiley	Object	Soundness - Justified	DM43.4 128	<p>Objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). Also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.</p>	If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

4039/01/001/DM43.4/O	Mrs S Smithers	Object	DM43.4 128	I am emailing to object to the following proposal ref 128 . We don't want building on the green areas in Shirley oaks people live there because they have choose a quiet place with green areas good for their mental and physical well being. This is a place for others to enjoy as well as residents there is no where else the same as this in Croydon.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
4040/01/001/DM43.4/O	Mrs S Smithers	Object	DM43.4 128	lobjection to the proposals for site 128 Shirley Oaks Village is lovely I go walking round the green areas there and this is such a lovely area. We do not want houses built here and to loose our land that we really like to use.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
4041/01/002/DM43.4/O	Mr s Hilu Abdo	Object	DM43.4 128	Ref: 541, 542, 548, 128 and 504 in Shirley Oaks Village I was shocked to learn about the changes proposed to our grass areas. These changes, if implemented, will change the very nature of our village. It will not only deprive the residents of very essential open green areas, but it will make the whole place very crowded, much more polluted and quite uglier. This would rob us of essential attractions that made us come to this village in the first place. I strongly object to any of these changes and trust that every resident on this estate feels the way I feel. I did not speak to everyone, but the many I spoke with feel as strongly as I do towards this unfair proposal. I have been living in this village with my family since 1985, I would like to see the Croydon Council improve it rather than ruin it. I hope the Council will reconsider its plans.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

I am grateful to the Council for consulting on the detailed policies and proposals that will make up the Croydon Local Plan. There is much in the document that I agree with, but some of the proposals would, in my opinion, change the character of parts of Croydon very much for the worse. I hope you will forgive me if I focus on these areas of contention. I am therefore writing to formally object to:

1. de-designation of the Metropolitan Open Land around Shirley Oaks Village;

2. the use of the following five sites for housing:

- land at Poppy Lane reference number 128;

- Stroud Green Pumping Station, 140 Primrose Lane reference number 504;

- land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House reference number 541;

- land to the west of Shirley Oaks Road reference number 542; and

- land to the rear of 5-13 Honeysuckle Gardens reference number 548.

If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces. Building housing on them would mean the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of this part of Shirley. As far as I can see, these are the only bits of Metropolitan Open Land in the whole borough which the Council is proposing to de-designate and allow housing to be built on. Why has Shirley Oaks been singled out in this way?

3. the use of the following locations as gypsy/traveller sites:

- Coombe Farm off Oaks Road reference number 502;

- Coombe Lodge Nurseries off Conduit Lane reference number 661; and

- Pear Tree Farm and Pear Tree Farm Cottage on Featherbed Lane reference number 755;

As the Council acknowledges, all three of these sites are in the Green Belt and one of them borders a Site

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

of Nature Conservation Interest.  
Policy E of Planning Policy for  
Traveller Sites, published by the  
Government in August, says very  
clearly:

“Traveller sites (temporary or  
permanent) in the Green Belt are  
inappropriate development”.

The Council's approach is clearly in  
breach of that policy. All three sites  
are also some distance from public  
services and they are all in the same  
part of the borough (two are in  
Heathfield ward, one just over the  
border in Croham). Why has  
Heathfield been singled out in this  
way? If the Council really needs, as  
it claims, to quadruple the number of  
gypsy/traveller sites in the borough -  
which I would question - they should  
look elsewhere (for example, off the  
Purley Way where the existing site is);

4.focussed intensification associated  
with gradual change of an area's  
local character under Policy DM31.4  
of the Shirley Road Shopping  
Parade, Shirley local centre and  
Forestdale. Shirley Road Shopping  
Parade is surely worthy of protecting  
rather than replacing with medium-  
rise blocks? Shirley local centre is  
defined not just as a stretch of the  
Wickham Road (where some  
intensification may be appropriate)  
but Ridgemount Avenue, Wickham  
Avenue, Peregrine Gardens, West  
Way Gardens, the northern section of  
Hartland Way and the western parts  
of Bennetts Way and Devonshire  
Way. Replacing the largely semi-  
detached buildings in these  
residential roads with medium-rise  
blocks would completely change the  
character of Shirley. Replacing the  
largely terraced housing and small  
blocks of flats in Forestdale with  
medium-sized blocks would  
completely change that area too;

5.Policy DM2 on development on  
garden land, which is too subjective  
and therefore too weak. There  
should be a much stronger  
presumption against development on  
garden land; and

6.Policy DM28, which should allow  
higher levels of parking in  
developments of low public transport  
accessibility. Restricting parking  
spaces in such areas doesn't lead to  
fewer people owning their own car; it  
just leads to greater competition for  
existing spaces.

4051/01/002/DM43.4/O	Mr Matt Knight	Object	DM43.4 128	I object to the use of the site for housing.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
4053/01/002/DM43.4/C	Mr S Sasankan		DM43.4 128	<p>I am resident at 35 Primrose Lane, Shirley Oaks Village, along with 4 other members of my family.</p> <p>I am writing to express my objection/disagreement to the following:</p> <p>Object to de-designation of the Metropolitan Open Land around Shirley Oaks Village</p> <p>2. The use of the following five sites for housing:  Land at Poppy Lane ref 128  Stroud Green Pumping Station, ref 504  land to east of Shirley Oaks Roaf and to the rear of Beech House and Ash House, ref 541  Land to the west of Shirley Oaks Road, ref 542  Land to the rear of 5-13 Honeysuckle Gardens, ref 548</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
4058/01/003/DM43.4/O	Mrs Mary Gray	Object	DM43.4 128	I object to the use of the site for housing.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

4059/01/003/DM43.4/O	Shirley Lidbury	Object	DM43.4 128	I object to the use of the site for housing.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
4062/01/003/DM43.4/O	Mr & Mrs Keith & Susan Hobbs	Object	DM43.4 128	I object to the use of the site for housing.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

4063/01/001/DM43.4/O	Mr & Mrs Whitehead	Object	Soundness - Justified DM43.4 128	<p>As residents whose small rear garden backs onto part of the Shirley Oaks Metropolitan Open Land, we know full well what impact proposals 128, 504, 541, 542 and 548 would have to the area.</p> <p>There would be an increase in noise from 1) the building work, 2) increased traffic</p> <p>There would be a substantial impact on the road system. Wickham Road already gets gridlocked at rush hours and school start/end times. The roads into Shirley Oaks are already too narrow for cars to pass if there are any cars parked, which there are always many of since the majority of driveways are too short to accommodate reasonable size car parking for many.</p> <p>Shirley Road also has a problem with queuing traffic towards Long Lane which will also be compounded by these proposals.</p> <p>These developments would increase the drainage issues this area suffers from. The whole area is built on London clay and regularly these areas suffer standing water which has gone through our property in the past. Increasing the density of building in Shirley Oaks will increase this problem too.</p> <p>The lands around Shirley Oaks remain because of the compact nature of the village, whose properties, as well as our own, have small garden areas and as such these areas are used daily for sports activities, exercise and dog walking.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

4147/01/006/DM43.4/O Mr & Mrs A Catherall

Object

DM43.4  
128

The de-designation of Metropolitan Open Land status on Shirley Oak will be vigorously opposed. I can see no reasoned explanation in the planning document for such a course of action nor is there any evidence of the thinking of the Council in the previous plan or 2012 Inspector's Report to explain how MOL status has been revisited with the conclusion that MOL designation be withdrawn. It also seems to have escaped the planning process that Shirley Oaks is governed by a Section 52 Agreement under the 1971 Town and Country Planning Act controlling development of the 'amenity lands' on Shirley Oaks. Further, the land is owned by the 488 Shirley Oaks resident property owners as shareholders of Shirley Oaks Management Ltd that owns the land. There is, therefore, no likelihood of the land ever being sold voluntarily. In summary, this part of the proposed Local Plan is undeliverable.

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

We are writing to object to the proposals to:

1. de-designate the Metropolitan Open Land around Shirley Oaks Village.
2. the use of the following sites for housing:
  - land at Poppy Lane reference number 128;
  - Stroud Green Pumping Station, 140 Primrose Lane reference number 504;
  - land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House reference number 541;
  - land to the West of Shirley Oaks Road reference number 542;
  - land to the rear of 5-13 Honeysuckle Gardens reference number 548;

The Shirley Oaks Village site currently provides a balance of high density housing offset by areas of green space. The proposals for de-designation of the Metropolitan Open Land and additional housing on the areas of green space would disrupt that balance and greatly increase the density of housing to an unacceptable level. Access to the Shirley Oaks site is by way of Poppy Lane and Shirley Oaks Road which feed into Shirley Road and Wickham Road respectively. Both Shirley Road and Wickham Road are used heavily throughout the day and subject of long delays particularly at peak times. This has resulted in Poppy Lane and Shirley Oaks Road experiencing heavier traffic flows than they were designed for as commuters cut through between Shirley Road and Wickham Road.

Public transport within the Shirley Oaks site is limited to a small single decker bus due to the road infrastructure and road system. Whilst there are bus services which serve Shirley Road and Wickham Road these are already oversubscribed and subject to delay due to existing traffic congestion.

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

4161/01/007/DM43.4/O	Mr Trevor Watkins	Object	DM43.4 128	The use of the following five sites for housing: land at Poppy Lane site reference number 128, Stroud Green Pumping Station, 140 Primrose Lane site reference number 504, land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House site reference number S41, and to the west of Shirley Oaks Road site reference number 542; and land to the rear of 5-13 Honeysuckle Gardens site reference number 548. If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces. Building housing on them would mean the loss of a vital green corridor between Shirley Oaks and the surrounding areas and change the character of this area.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
4166/01/002/DM43.4/O	Carol Holmes	Object	DM43.4 128	I object to both the de-designation and also to the subsequent house-building at the following sites: <ul style="list-style-type: none"> <li>•Land at Poppy Lane (reference number 128);</li> <li>•Stroud Green Pumping Station, 140 Primrose Lane (reference number 504);</li> <li>•Land to the east of Shirley Oaks Road and to the rear of beech House and Ash House (reference number 541);</li> <li>•Land to the west of Shirley Oaks Road (reference number 541);</li> <li>•Land to the rear of 5-13 Honeysuckle Gardens (reference number 548).</li> </ul> <p>The very minimum designation for the proposed sites should be as Local Green Spaces, in order to give some protection against over-development</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
4174/01/001/DM43.4/O	Mr B Williams	Object	DM43.4 128	I object to the de-designation of the land as Metropolitan Open Land and its proposed use for housing. The open spaces are collectively designated as Metropolitan Open Land and provide several links in the Shirley Green Chain. They help to form the sort of network necessary to ensure the maintenance of the current range and diversity of our flora and fauna. In addition this is a floodplain. There is a sink pond to the rear of Honeysuckle Gardens and if this overflows any properties would be flooded. There is also the potential for flooding of future planned properties. The one road through Shirley Oaks Village could not cope with the additional traffic and its exit on to the A232 would cause yet another bottleneck on this already congested road.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

4200/01/002/DM43.4/O	Mr G Furmanski	Object	Soundness - Justified	DM43.4 128	<p>I am writing to object to the following matters in this document :-</p> <p>2. the use of the following five sites for housing</p> <p>a) Ref No. 128— land at Poppy Lane</p> <p>b) Ref No. 504— Stroud Green Pumping station</p> <p>c) Ref No. 541 — land to the east of Shirley Oaks Road and to the rear of Ash House and Beech House</p> <p>d) Ref No. 542 — land to the west of Shirley Oaks Road</p> <p>e) Ref No. 548— land to the rear of 5-13 Honeysuckle Gardens</p> <p>If the Council do not keep these sites as Metropolitan Open Land, then at least these five sites should be designated as Local Green Spaces.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>
4203/01/002/DM43.4/O	Mr J Beaven	Object	Soundness - Justified	DM43.4 128	<p>I am writing to submit my objection to:</p> <p>2. The use of the following five sites for housing:</p> <ul style="list-style-type: none"> <li>- Land at Poppy Lane, reference number 128</li> <li>- Stroud Green Pumping Station, 140 Primrose Lane, reference number 504</li> <li>- Land to the east of Shirley Oaks road and to the rear of Beech House and Ash House, reference number 541</li> <li>- Land to the west of Shirley Oaks Road, reference number 542, and</li> <li>- Land to the rear of 5-13 Honeysuckle Gardens, reference number 538.</li> </ul> <p>If the Council will not keep them as Metropolitan Open Land, these five sites should at a minimum be designated as Local Green spaces</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.</p>

3. Proposed Policy DM43 De-designation of Metropolitan Open Land around Shirley Oaks Village.  
I object to the de-designation of Metropolitan Open Land in the vicinity of Shirley Oaks Road and Shirley Oaks Village. The land should be at least be designated as Local Green Space, for its protection from development.

This open space provides a green corridor between Shirley Oaks and the surrounding areas, and should be retained in its present form.

I also object to the following specific proposals for the building of new homes on this site, as detailed in Changes to the Policies Map arising from Proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan, Detailed Policies & Proposals:

Policy DM43, reference Site 128 to build new homes at Poppy Lane

Not only would these developments entail the loss of the green corridor between Shirley Oaks and the surrounding areas, the local road infrastructure would not be able to cope with the additional traffic. Also, the local schools are over-subscribed as well as the already stretched social and healthcare facilities would be overloaded.

For the reasons given above:  
1. I do not think that the preferred approach is the most appropriate for Croydon to help us meet our Strategic Objectives set out in Section 3.  
2. The preferred approach is deliverable, but not acceptable.  
3. I do not think the preferred approach enables sustainable development, because it will compromise the ability to meet the needs of future generations.  
4. I recommend that consultation documents of such importance are given much wider publicity.

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

4358/01/007/DM43.4/O	Ms B Fontaine	Object		DM43.4 128	<p>The use of the following five sites for housing: land at Poppy Lane site reference number 128, Stroud Green Pumping Station, 140 Primrose Lane site reference number 504, land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House site reference number S41, and to the west of Shirley Oaks Road site reference number 542; and land to the rear of 5-13 Honeysuckle Gardens site reference number 548. If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces. Building housing on them would mean the loss of a vital green corridor between Shirley Oaks and the surrounding areas and change the character of this area.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

3. Proposed Policy DM43 De-designation of Metropolitan Open Land around Shirley Oaks Village.  
We object to the de-designation of Metropolitan Open Land in the vicinity of Shirley Oaks Road and Shirley Oaks Village. The land should be at least be designated as Local Green Space, for its protection from development.

This open space provides a green corridor between Shirley Oaks and the surrounding areas, and should be retained in its present form.

We also object to the following specific proposals for the building of new homes on this site, as detailed in Changes to the Policies Map arising from Proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan, Detailed Policies & Proposals:

Policy DM43, reference Site 128 to build new homes at Poppy Lane

Not only would these developments entail the loss of the green corridor between Shirley Oaks and the surrounding areas, the local road infrastructure would not be able to cope with the additional traffic. Also, the local schools are over-subscribed as well as the already stretched social and healthcare facilities would be overloaded.

For the reasons given above:  
1. I do not think that the preferred approach is the most appropriate for Croydon to help us meet our Strategic Objectives set out in Section 3.  
2. The preferred approach is deliverable, but not acceptable.  
3. I do not think the preferred approach enables sustainable development, because it will compromise the ability to meet the needs of future generations.  
4. I recommend that consultation documents of such importance are given much wider publicity.

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

4384/01/007/DM43.4/O	Ms N Nesterovich	Object	DM43.4 128	The use of the following five sites for housing: land at Poppy Lane site reference number 128, Stroud Green Pumping Station, 140 Primrose Lane site reference number 504, land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House site reference number S41, and to the west of Shirley Oaks Road site reference number 542; and land to the rear of 5-13 Honeysuckle Gardens site reference number 548. If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces. Building housing on them would mean the loss of a vital green corridor between Shirley Oaks and the surrounding areas and change the character of this area.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
4435/01/003/DM43.4/O	Mrs Janet Baine	Object	DM43.4 128	I object to the use of the Land at Poppy Lane reference number 128 for housing:	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

I object to the use of the following five sites for housing - land at Poppy Lane reference number 128; Stroud Green Pumping Station, 140 Primrose Lane reference number 504; land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House reference number 541; land to the west of Shirley Oaks Road reference number 542; and land to the rear of 5-13 Honeysuckle Gardens reference number 548; If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces. The Council should focus on developing other land in the Croydon borough such as unused office blocks, derelict corporate buildings/factories/warehouses which have not been occupied for years instead of attacking the green areas which are enjoyed by the residents in their respective areas. The proposals to build circa 700 houses in such a small area will cause the following detrimental effects to the local residents: depreciation of the value of the houses purchased in the relevant areas, too much strain on the water and sewerage systems in the locality where there is already a high water table. This could result in undue flooding and drainage problems, structural problems in years to come as the land is not fit for such intensive building, increase in traffic on Shirley Road, Wickham Road, Lower Addiscombe and Addiscombe which is already congested. This will unduly increase pollution levels which are already toxic. This will undoubtedly cause an increase in the health problems of the people in the locality such as lung cancer and other respiratory illnesses which will in turn place greater stress on the NHS services, cause more people to take sick days which will result in lower incomes obtained and eventually less tax revenue generated. This will have a knock on effect on the economy which is to say at the very least, bleak, the three green spaces in the Shirley Oaks Village are owned by the 488 Freeholders. Each Freeholder owns one share in the nominee company, Shirley Oaks Management Limited which owns the land on behalf of its shareholders. Building upon this land would seriously undermine the value of the land purchased by the Freeholders and reduce quality of life. If the residents wanted to move, it would prove near impossible because of the resulting lower sale prices of their respective houses imposed by the Council's building plans. This would appear to be unfair

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

for the Council to impose such hardship on the residents. I would urge the council to build upon land in the Croydon borough which is derelict and contains buildings which have not been used for years. These buildings can be knocked down to build the much needed housing for generations to come. These unused or derelict buildings serve no purpose to the local residents and are of no value to the residents. The Council should endeavour to create value where it is needed. This will in turn improve the condition of the abandoned areas. This will also prevent squatting and other unlawful uses of such buildings. I witnessed one example last year where the old post office building next to East Croydon Station was used as a rave containing over 1,000 people. This posed a risk to the safety of the passers by and the increase in crime. The Council's redevelopment of such spaces could be highly beneficial to the area. The green spaces are however of great importance to the local residents. The residents enjoy these spaces for walking their dogs, recreational and outdoor activities, space for children to play, piece of mind for the resident who works in the city and comes home to a peaceful environment and it provides space for those residents who already have very small back gardens.

7284/01/003/DM43.4/O Dr I Jayamanne

Soundness -  
Justified

DM43.4  
128

I wish to protest vehemently about your plans to destroy Shirley which is a village by building hundred of homes and setting up a Gypsy and Traveller site. You will destroy the Green Belt and increase the traffic in the area thus polluting the environment and the air we breathe.

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

The use of the following five sites for housing:  
Land at Poppy Lane (ref number 128)  
Stroud Green Pumping Station, 140 Primrose Lane (ref number 504)  
Land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House (ref number 541)  
Land to the west of Shirley Oaks Road (ref number 542) and land to the rear of 5-13 Honeysuckle Gardens (ref number 548)  
When the London Borough of Lambeth closed the children's home, known as Shirley Oaks, Croydon Council determined to keep the building redevelopment of the site broadly in line with the building density that had existed for most of the previous hundred years and subsequent applications by the then developer for increased housing density were rejected. There were a number of reasons for maintaining the original policy amongst which were the need to maintain the established green corridor, retain the character of the area and to maintain the surrounding traffic volumes at a manageable level. The decision to designate the land as Metropolitan Open Land was to ensure that in future further building on the land could not take place thus re-affirming the principles established by the original policy decisions. Nothing has changed in the ensuing years to justify any variation to that policy.

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

I am dismayed at the consideration being given to the above, particularly concerning that proposed in the Shirley area.  
I have been a Shirley resident for almost 30 years and to date have enjoyed what the area does offer both for the community and with regard to open green spaces, which are precious to the health and wellbeing of all ages. Why should future generations be unable to continue to benefit from an outdoor environment as hitherto?  
I strongly object to de-designation of the current Metropolitan Open Land and would hope that at least it could be protected as Local Green Space with regard to future development. This is particularly pertinent with regard to the proposals being considered for the Shirley Oaks area. The present road infrastructure through the estate leaves a lot to be desired and any more traffic will be a great cause for concern, to say nothing of the loss of wildlife and spacious living. If we had wanted to live in a highly densely populated area, we would not have chosen the Shirley area to relocate into, rather the centre of the town. The redevelopment of brownfield sites is more acceptable and there must be many of these in the Croydon area to develop without encroaching on valued green spaces.

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

Object	Soundness - Justified	DM43.4 128	<p>I wish to formally object to:</p> <ol style="list-style-type: none"> <li>1. --------	-----------------------	---------------	---	-----------	--

7308/01/002/DM43.4/O	Mr John Carley	Object	Soundness - Justified DM43.4 128	I object to the de-designation of the Metropolitan Open Land around Shirley Oaks Village; reference Numbers, 128, 504, 541,542 and 548. This is currently Green Space and provides vital green recreational area and buffer between Shirley Oaks and the surrounding area.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
7320/01/003/DM43.4/O	Mr Steve Westray	Object	DM43.4 128	The de-designation of Metropolitan Open Land around Shirley Oaks Village and either side of Shirley Oaks Road. At present I understand that Metropolitan Open Land has the same protection as the Green Belt and I believe that it is vitally important to retain the controls around our green spaces in Shirley. If any additional homes were to be considered for this area then they should be restricted in number and carefully planned in order to retain the character of this area. The idea of building up to 750 new homes is totally out of keeping with this objective and would be considerable strain on local infrastructure and resources. New housing on this scale would lead to a significant increase in traffic along the Wickham Road which is already extremely busy not only servicing the residents of Shirley but as an important thoroughfare into Croydon.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
7321/01/003/DM43.4/O	Mrs Ann Sebire	Object	DM43.4 128	I am writing to object to; 2. The use of the following five sites for housing a) Land at Poppy Lane reference number 128) b) Stroud Green Pumping Station reference Number 504 c) Land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House reference number 541 d) Land to the west of Shirley Oaks Road reference number 542 and e) Land to the rear of 5-13 Honeysuckle Gardens reference numbers 543 I just hope that there has been enough consideration about the fact that Shirley is built on springs and Heron Homes and Wren both had problems with flooding the area down at Woodmere Avenue.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.

7324/01/002/DM43.4/O	Mrs Olive Garton	Object		DM43.4 128	Use of formerly open land for housing (references 128, 504,541,542 and 548): Again, this open land should not be lost. Furthermore, there is no infrastructure in place to support the huge increase in population density that such development would represent. Development of the site of the former pumping station (reference 504): It was established at the time the Shirley Oaks village was built that this land could not be built on, as there is an Artesian well on the land and any development would risk polluting the water source. Furthermore, a travellers' site would be inappropriate on this site.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
8822/01/006/DM43.4/O	Mrs M Davies	Object		DM43.4 128	I am writing to object to the proposed use of: - the land to the east of Shirely Oaks Road (541) - The land to the west of shirely Oaks Road (542) - The land at Poppy Lane, Shirley Road (128) - Stroud Green Pumping Station, 140 Primrose Lane (504) - Land to the rear of honeysuckle gardens (548) - Open space land at shrublands estate (938)	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
8822/01/005/DM43.4/O	Mrs M Davies	Object		DM43.4 128	I am writing to object to the proposed use of: - the land to the east of Shirely Oaks Road (541) - The land to the west of shirely Oaks Road (542) - The land at Poppy Lane, Shirley Road (128) - Stroud Green Pumping Station, 140 Primrose Lane (504) - Land to the rear of honeysuckle gardens (548) - Open space land at shrublands estate (938)	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances including ensuring that development of the site incorporates sustainable urban drainage systems such that surface run off from the site is reduced, and development of the site does not increase flooding elsewhere.
1180/01/006/DM43.4/O	Mr & Mrs K Davenport	Object	Soundness - Justified	DM43.4 456	I am horrified at the proposals regarding Shirley. There may be a need for more housing but there are alternatives and it is up to the Council to find these rather than making it easier and more profitable for builders which is what is now happening.	Change	The site is unlikely to be deliverable during the Plan period due to there being long leasehold flats on the site and as such will not be carried forward.

2196/01/001/DM43.4/O	Ashleigh Horsler	Object		DM43.4 456	I was horrified to learn that Shirley Garden Centre is a proposed building site for the council. First of all there is very little room for the number of flats that is being proposed, if you were to build on the actual centre itself it would completely block the light to my flat and those next to me. We already know how gloomy winter can be and this would not help with anxiety and depression. There is a greater risk of flooding with that many more flats, not to mention (I am not sure if you are aware) that there are 6 flats on top of the garden centre already. Do you plan to knock these down? If not and you plan to build in the car park this brings yet ANOTHER issue as to parking, there is already a parking problem with 30 flats on the Cranwell Court site not least if you bring in more flats. I think this is a terrible idea and surely somewhere else would be more feasible	Change	The site is unlikely to be deliverable during the Plan period due to there being long leasehold flats on the site and as such will not be carried forward.
2320/02/001/DM43.4/O	Miss S Rayfield	Object	Soundness - Effective	DM43.4 456	1. Currently the flats from 13-24 Cranwell Court will have their light blocked as there is currently no buildings in that area. 2. Risk of flooding - with all the building on this site and Shirley Oaks - can all the drains cope? 3. Harm to wildlife 4. This is a busy red route area and the increased housing can only put more strain on the already busy Wickham Road.	Change	The site is unlikely to be deliverable during the Plan period due to there being long leasehold flats on the site and as such will not be carried forward.
2546/01/001/DM43.4/C	Mr & Mrs Robert & Patricia Cole	Comment	Soundness - Effective	DM43.4 456	Our house was originally part of the garden centre and the home of the garden centre owner. The deeds to the house state that the land is transferred "Together with the right of way for all purposes and at all times over the roadway leading from the garage at the rear of the property into 104 Wickham Road". The plans for intensification of residential development (elsewhere in Shirley) are unacceptable and will change the character of the area and also overburden the already problematic local road infrastructure. However the additional residential proposals for the garden centre will not only add to these issues but directly affect us, our access from our property to Wickham Road, and blight our home unreasonably.	Change	The site is unlikely to be deliverable during the Plan period due to there being long leasehold flats on the site and as such will not be carried forward.
2665/01/007/DM43.4/O	Ms S Mawaziny	Object		DM43.4 456	I object to this site.	Change	The site is unlikely to be deliverable during the Plan period due to there being long leasehold flats on the site and as such will not be carried forward.

We are residents of Cranwell Court and strongly object to the site of Shirley Garden Centre being redeveloped into 15-39 semi-detached houses for reasons listed below:

- 1) houses sites to the rear of Cranwell Court at the site of the current nursery will obstruct the natural daylight into the flats of Cranwell Court, causing further problems with dampness
- 2) concern with losing current parking and an increase in the number of cars in the surrounding roads making parking very difficult
- 3) increase in traffic from Wickham Road and increased difficulty in entering and exiting Cranwell Court from Wickham Road due to traffic
- 4) reduction in the value of Cranwell Court properties due to close proximity of other houses, lack of natural daylight into our homes, reduced parking and increase in noise disturbance from close proximity of houses
- 5) heightend risk of flooding
- 6) a loss of local buildings will be detrimental to the area. The garden centre employs many young local people and Shirley is an area known for its large gardens which the garden centre serves year-round. There has been a garden centre and nursery on this site for decades and generations of families still use it.

The site should remain as a garden centre. Change

The site is unlikely to be deliverable during the Plan period due to there being long leasehold flats on the site and as such will not be carried forward.

2702/01/001/DM43.4/O	Mr & Mrs Uprichard	Object	DM43.4 456	<p>We are residents of Cranwell Court and strongly object to the site of Shirley Garden Centre being redeveloped into 15-39 semi-detached houses for reasons listed below:</p> <ol style="list-style-type: none"> <li>1) houses sites to the rear of Cranwell Court at the site of the current nursery will obstruct the natural daylight into the flats of Cranwell Court, causing further problems with dampness</li> <li>2) concern with losing current parking and an increase in the number of cars in the surrounding roads making parking very difficult</li> <li>3) increase in traffic from Wickham Road and increased difficulty in entering and exiting Cranwell Court from Wickham Road due to traffic</li> <li>4) reduction in the value of Cranwell Court properties due to close proximity of other houses, lack of natural daylight into our homes, reduced parking and increase in noise disturbance from close proximity of houses</li> <li>5) heightend risk of flooding</li> <li>6) a loss of local buildings will be detrimental to the area. Change	The site is unlikely to be deliverable during the Plan period due to there being long leasehold flats on the site and as such will not be carried forward.
2745/01/004/DM43.4/O	Mrs Frances Pearce	Object	DM43.4 456	<p>I am writing regarding the Council's plans for a massive redevelopment in the Shirley Area. More houses mean more traffic on our already crowded roads. I no longer go into Croydon because of the journey times. How long would it be before the Council considered bringing in a congestion charge. When you build all these properties do you consider the local amenities and the effect that more people would have on these. Where are the school places for all of these children? Regarding doctors. Unless it is an emergency I have to wait at least a week for an appointment. This waiting time can only increase if there are more patients. Is it the Council's policy to build over green belt land to the detriment of locals? I sincerely hope not. I think you need to seriously reconsider these plans.</p>	Change	The site is unlikely to be deliverable during the Plan period due to there being long leasehold flats on the site and as such will not be carried forward.

2767/01/001/DM43.4/O	Mr Stuart Ford	Object		DM43.4 456	I'd like to register a comment and with a view to making a potential objection on Local Planning Application Ref 456 - Shirley Garden Centre, Cranwell Court, 60 Wickham Road, which has been earmarked for the proposed use of "Residential Development". My father owns one of the other Cranwell Court flats that currently overlooks the Garden Centre & I am concerned that the proposed change of use could have a detrimental affect on the area concerned & also the surrounding area, including my fathers outlook/view. The proposed use of "Residential Development" is somewhat vague, hence at this stage this is not an objection, BUT I am seeking clarification on what exactly is being proposed on the land in question.	The proposed residential use should not impact on the surrounding area and current occupiers.	Change	The site is unlikely to be deliverable during the Plan period due to there being long leasehold flats on the site and as such will not be carried forward.
2943/01/001/DM43.4/O		Object		DM43.4 456	Within the above document, Croydon Garden Centre is identified as a suitable site for a secondary school. As stated in our correspondence dated 14th September 2015, our client does not support the allocation of Croydon Garden Centre for development as a secondary school within the emerging Croydon Local Plan, as they are not satisfied that it would be economically viable to develop the site for educational purposes. Shirley Garden Centre is identified as a potential housing allocation for 15 – 39 units. Our client advises that the site is unlikely to be deliverable within the Plan period due to the presence of a number of long-leasehold flats on the site.		Change	The site is unlikely to be deliverable during the Plan period due to there being long leasehold flats on the site and as such will not be carried forward.
3072/01/003/DM43.4/O	Christine McCarthy	Object		DM43.4 456	I object to all the proposals set out for new housing and travellers sites in Shirley. I feel it will ruin the area by taking up all the open spaces.		Change	The site is unlikely to be deliverable during the Plan period due to there being long leasehold flats on the site and as such will not be carried forward.
3161/01/003/DM43.4/O	Mr Jim Cowan	Object	Soundness - Justified	DM43.4 456	I have read Gavin Barwell's assessment of policies and proposals in the Croydon Local Plan and totally agree that if implemented would destroy the character of Shirley.  The infrastructure in Shirley is already stretched to the limit and can not withstand any further burdens.		Change	The site is unlikely to be deliverable during the Plan period due to there being long leasehold flats on the site and as such will not be carried forward.

---

3193/01/002/DM43.4/O	Mr Stan Minter	Object	DM43.4 456	<p>I have major concerns over the planned development of the Shirley Area. This is currently one of the nicest areas of Croydon and you plan to swamp it with a number of housing developments and some travellers sites. This will be very detrimental to the whole area.</p> <p>I understand that nationally we need to have more accommodation for families. We need to achieve this with out destroying the whole fabric of our society. This scale of development will transform the whole area into a old fashioned "Estate".</p> <p>There are not sufficient services in the wider area to support such an influx of families.</p> <p>The road infrastructure already struggles at time and these developments will make the whole situation much worse.</p>	Change	The site is unlikley to be deliverable during the Plan period due to there being long leasehold flats on the site and as such will not be carried forward.

If you demolish the Garden Centre where would you propose to put the people you make homeless in the existing flats above the Garden Centre? Do you actually know how many people currently live there? And who pays to re-house them? And where? Are you proposing to compulsory purchase the existing flats / garden centre?  
How many people do you make unemployed by closing the Garden Centre? I was under the impression that local jobs were important to Croydon Council, has this policy changed? By closing the Garden Centre you may well also create additional unemployment with their suppliers?  
I would imagine this Garden Centre Company pays local business rates? Is this not a valuable source of income that You will lose? This is a very popular facility with local people, do you consider local people needs/wants when you draw up your plans?  
This is NOT A good way to improve morale amongst existing Garden Centre staff, and it now makes it more difficult to recruit new staff because they now know you plan to close it and knock it down, long term prospects zero!!!  
congratulations, job well done!!!  
If the proposal went ahead, have you modelled for the additional car parking which is already a problem in this area. By keep concreting over open land areas are you going to create a future flooding issue?  
This is a busy area/road/red route will you not be creating traffic congestion if you turn this into a construction site for X number of Months. By keep looking to increase the local population density have you calculated the impact on local services, Doctor Surgery, Dentist, Schools etc?? Why do you even consider sites such as this when you must have other brown field sites in the Borough that would be more suitable for your valuable time/attention? Have you got any well paid jobs vacant in the Planning Department because I know a candidate that will be ideally suited and come up with better plans than the majority that I have recently seen issued by this Department ?

The site is unlikely to be deliverable during the Plan period due to there being long leasehold flats on the site and as such will not be carried forward.

My initial comments to your proposed plan would be:-  
If you demolish the Garden Centre where would you propose to put the people you make homeless in the existing flats above the Garden Centre?  
Do you actually know how many people currently live there?  
And who pays to re-house them?  
And where?  
Are you proposing to compulsory purchase the existing flats / garden centre?  
How many people do you make unemployed by closing the Garden Centre?  
I was under the impression that local jobs were important to Croydon Council, has this policy changed?  
By closing the Garden Centre you may well also create additional unemployment with their suppliers?

I would imagine this Garden Centre Company pays local business rates?  
Is this not a valuable source of income that You will lose?  
This is a very popular facility with local people, do you consider local people needs/wants when you draw up your plans?  
This is NOT A good way to improve morale amongst existing Garden Centre staff, and it now makes it more difficult to recruit new staff because they now know you plan to close it and knock it down, long term prospects zero!!!  
congratulations, job well done!!!

If the proposal went ahead, have you modelled for the additional car parking which is already a problem in this area.  
By keep concreting over open land areas are you going to create a future flooding issue?  
This is a busy area/road/red route will you not be creating traffic congestion if you turn this into a construction site for X number of Months?  
By keep looking to increase the local population density have you calculated the impact on local services, Doctor Surgery, Dentist, Schools etc??  
I already find it very difficult to get a Doctors appointment when I need it, there is no point the overstretched Doctor seeing me in a months time when I am either feeling better or Dead, is it?  
Why do you even consider sites such as this when you must have other brown field sites in the Borough that would be more suitable for your valuable time/attention?

Have you got any well paid jobs vacant in the Planning Department because I know a candidate that will be ideally suited and come up with better plans than the majority that I have recently seen issued by this Department ?

3793/01/002/DM43.4/O	Mr Stephen Barnes	Object		DM43.4 456	<p>I am writing to object against the following as they will change the character of our area very much for the worse.</p> <p>First, the land for Shirley Garden Centre is identified as suitable for 15-39 homes including medium rise blocks and semi-detached houses, reference number 456.</p> <p>I very strongly object to this as my property backs onto this land and the planned development will drastically block out the natural light into the gardens of properties along this housing row. It could also have a significant impact on changing the character and reducing the value of properties in this area.</p>	Change	The site is unlikely to be deliverable during the Plan period due to there being long leasehold flats on the site and as such will not be carried forward.
4245/01/002/DM43.4/O	Mr & Mrs Maguire	Object		DM43.4 456	I object to the use of the site for housing.	Change	The site is unlikely to be deliverable during the Plan period due to there being long leasehold flats on the site and as such will not be carried forward.
7284/01/004/DM43.4/O	Dr I Jayamanne	Object	Soundness - Justified	DM43.4 456	I wish to protest vehemently about your plans to destroy Shirley which is a village by building hundred of homes and setting up a Gypsy and Traveller site. You will destroy the Green Belt and increase the traffic in the area thus polluting the environment and the air we breathe.	Change	The site is unlikely to be deliverable during the Plan period due to there being long leasehold flats on the site and as such will not be carried forward.

Hidden in the depths of the documents without any detailed maps and no backing documentation are plans to allocate Traveller sites: Addington, Shirley, South Croydon  
 Ref no |Site name |Proposed use  
 755 |Pear Tree Farm & Pear Tree Farm Cottage, Featherbed Lane □  
 Gypsy and traveller site  
 502 |Coombe Farm, Oaks Road □  
 Gypsy and traveller site  
 661 |Coombe Lodge Nurseries, Conduit Lane □  
 Gypsy and traveller site

There is no reference to any national mechanism for rating such sites, so has Croydon invented a scoring regime without any accreditation? There should be a review including increased weighting for needs for transport, education and health facilities for all sites suitable for 15 + pitches with site area greater than 4.0

Number |D |Site Area |Nos of pitches at 500 m2 each  
 15 |Kent Gateway Lane ,Featherbed Lane,Selsdon,CR0 5AR |13.7 |15+  
 536 |Land of former Croydon Airport runway- south of Imperial Way,Purley Way,Waddon,CR0 4RR |4.5 |15+  
 553 |By Pavilion, Playing Fields,Purley Way, Waddon, |39.0 □  
 15+  
 632 |Land south of Threehalfpenny Woods, Kent Gate Way, Bridle Way, Addington, CR0 5AH, |4.4 |15+

0357/03/003/DM43.4/O	Ms H Farley	Object		DM43.4 502	I am emailing to formally object to your worrying proposals to build 3 gypsy traveller sites in Croydon on Green Belt sites, and your proposals to build housing on some of our precious green spaces and back gardens. We have to protect our green belt at all costs, and we feel that as residents that we are under constant attack having to protect land which is sacrosanct. You can't just keep changing the goal posts to suit your purposes. I have lived in the area all my life and have never been so alarmed about council proposals. It is hugely stressful for residents, who use and appreciate the green spaces, to be threatened with your proposals. I fully support and agree with the objections raised by my MP Gavin Barwell, and ask you to reconsider your plans to prevent irreversible damage to Croydon and its green spaces.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
0362/02/001/DM43.4/O	Mr R Jarvis	Object	Soundness - Justified	DM43.4 502	When Gypsies and Travellers set up an unauthorised encampment near to Coombe Lane tramstop the Council had to clear up 85 pieces of used toilet paper with faeces on it that were blowing around into people's gardens. It was a health hazard.  A Gypsy and Traveller site will also ruin the countryside. Green space is exactly that. Leave it alone.  Therefore I object to a Gypsy and Traveller site at Coombe Farm.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
0362/01/003/DM43.4/O	Mr R Jarvis	Object		DM43.4 502	Complete total eternal objection. Green space is exactly that. Coombe Farm and Coombe Lodge have the peaceful rural names that they do. Existing residents have the right to the peaceable enjoyment of their land and everyone can at different times enjoy the countryside and low density this is only healthy both physically and mentally. It is vital to preserve these unbuilt areas which are the nearest lungs we can escape to. Government Green belt Policy E has deemed any development inappropriate and Croydon Council must obey as the most important vote of the electorate was for the Conservative Government. Richard Jarvis	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. 502

Complete total eternal objection.  
Green space is exactly that.  
Coombe Farm and Coombe Lodge  
have the peaceful rural names that  
they do.  
Existing residents have the right to  
the peaceable enjoyment of their land  
and everyone can at different times  
enjoy the countryside and low density  
this is only healthy both physically  
and mentally.  
It is vital to preserve these unbuilt  
areas which are the nearest lungs we  
can escape to.  
Government Green belt Poliy E has  
deemed any development  
inappropriate and Croydon Council  
must obey as the most important  
vote of the electorate was for the  
Conservative Government.

Change

The site is in private  
ownership and the land  
owners have indicated they  
would not be interested in  
developing it as a Gypsy and  
Travellers site. As the  
deliverability of this site for  
Gypsy and Travellers would  
now be difficult it will no  
longer be considered for this  
use.

Proposals in General:  
Green Belt and Metropolitan Open Land ensure that areas close to high density building, and in particular house, were maintained such that people who lived and worked nearby could benefit from open green space to exercise, relax and maintain a balanced lifestyle. By de-designating the space, not only is a very valuable facility being removed, but the population density that need to benefit from the space is being increase. The proposals fail to identify what alternative facilities of equivalent benefit would be made available and how many people will be affected by the loss of these facilities.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Proposal Ref 502:  
I specifically object to this proposal as they are contrary to Policy E of the Planning Policy for Travellers Sites "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". If the land is misguidedly de-designated it makes no difference in that the site has not changed, nor have the environment or the reason for it being designated in the first instance. Hence the reasoning for deeming it inappropriate for travellers still stands.

Notwithstanding the reasons for maintaining the current use of the areas in question, the occupation of these areas raises significant security issues for both travellers or any other new inhabitants, and those enjoying the adjacent areas. Access to both Coombe Farm and Coombe Lodge Nurseries have very poor sight lines onto Oaks Road and Coombe Road presenting a traffic hazard to both pedestrians and goods vehicles turning in and out.

The lack of local transport infrastructure in the area and the lack of pedestrian pavements and other walkways would result in a significant increase in vehicle movement.

Notwithstanding the reasons for maintaining the current use of the areas in question, the occupation of these areas raises significant security issues for both travellers or any other new inhabitants.

0667/03/001/DM43.4/O Mr G Meredith-Smith  
Whitgift Estate Residents' Associat

Object Soundness - DM43.4  
Justified 502

A few years ago we had travellers in the car park at the top of my road, Sandilands. They remained there for some time as they arrived just before a bank holiday. For over a week they ran a fleet of lorries up and down our roads dumping waste on the site - the police were unable to stop this. I have pictures showing the devastation they caused. After they were eventually removed, Croydon council had to foot a hefty bill for the toxic waste that was left behind although it was in a private car park. In the meantime people in my road were subjected to stones being thrown and intimidation from both children and adults. The sports club at the top of the road could not function.

Now I see that Croydon Council is proposing to put travellers and gypsies on what is in effect all greenbelt land at the end of my road i.e. Lloyd park specifically and also Coombe Lodge Nurseries. Although it is recognised that permanent sites do not carry the same level of mess, dumping, and intimidation, these sites are designated as combined, so passing itinerants would not presumably have the same degree of responsibility for the area.

Given the nature of the proposal i.e. in Lloyd Park, a place where children, schools, playing fields, dog walkers and women feel safe, it does not seem like a good idea to put gypsies/travellers alongside these groups without facing up to the fact that they might no longer feel safe in what is an open space/greenbelt land. This proposal borders on the obscene.

I understand from sources that the Council feel they have 'no choice' that they are under pressure from Westminster but I would say to you that if this was a Conservative council they would be fighting this pressure and putting travellers in a place where the general public are not put at risk. I speak from experience not prejudice, and we all know that when a site is concreted and permanent it can never be reclaimed however bad it gets. Please think again.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

0790/01/147/DM43.4/O	Mr Mathew Frith <i>London Wildlife Trust</i>	Object	Soundness - Justified	DM43.4 502	This area is designated as Green Belt but not shown or assessed as such in the Gypsy and Traveller site selection	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.	
0790/02/001/DM43.4/O	Mr Mathew Frith <i>London Wildlife Trust</i>	Object	Soundness - Justified	DM43.4 502	<p>Whilst we welcome the approach to meeting these two Vision elements:  A Sustainable City: A place that sets the pace amongst London boroughs on promoting environmental sustainability and where the natural environment forms the arteries and veins of the city  A Caring City: A place noted for its safety, openness and community spirit where all people are welcome to live and work and where individuals and communities feel empowered to deliver solutions for themselves</p> <p>London Wildlife Trust is concerned at the assessment undertaken to identify potential new travellers' sites (Assessment and Selection of sites for Gypsy and Travellers, Evidence for the Local Plan: Detailed Policies and Proposals (P&amp;A Options), August 2015). It sets out criteria and scoring for the assessment of sites in Table 1.</p> <p>For Green Belt/MOL:  - No built form -10  - Built form -5  - Not GB/MOL +10</p> <p>There is no +5 score amber or green. Yet for the GB/MOL scoring of each site in Table 5, a score in amber of +5 is sometimes used. This is incorrect as it overscores sites by 10 points (i.e. +5 when it should be -5). Therefore the accumulated site scores in Table 8.2 are incorrect.</p>	For this site Green Belt/Metropolitan Open Land should be listed as a policy designation prohibiting further exploration of options.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
1180/01/003/DM43.4/O	Mr & Mrs K Davenport	Object	Soundness - Consistent with National	DM43.4 502	I am appalled by the proposal to create traveller sites on Green Belt land.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.	

1700/01/002/DM43.4/O	A P Goodall	Object		DM43.4 502	The Policies laid out by the Mayor London- London Assembly website, without a doubt, states that the Mayor's office really supports the safety of Metropolitan Open Land and claims that "the strongest protection should be given to London's MOL and inappropriate development refused". I therefore vigorously object to any interference to MOL and in particular if the neighbourhood is simply going to be used differently with little or no consultation with the local residents and businesses.	The site should not be used for a Gypsy and Traveller site.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
1709/01/001/DM43.4/O	Adam Hunnisett	Object		DM43.4 502	I am writing to strongly object to the Travellers site proposed for Coombe Farm which is on Green Belt Land contrary to National Guidelines. The site has no safe walking route to schools, shops, doctors etc.. Along Oaks Lane of Oaks Road. The access road (Oaks Lane) is far too narrow especially as large aggregate lorries already use this poorly lit lane. The national guide lines state that the site should not overwhelm the next nearest settlement along Oaks Land & Oaks Road which it will. This will be a private site which can easily expand into its Green Belt surroundings in Dcoombe Dfarm and Lloyds Park.		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
1713/02/008/DM43.4/O	Alison Connor	Object	Soundness - Justified	DM43.4 502	The Council are proposing in total 45 permanent pitches. Both sites are some distance from public services. They should consider instead the expanding the existing site off the Purley Way. More importantly the Council are in breach of policy E Planning Policy for Traveller Sites published by the Government in August which clearly states: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". The Council have acknowledged both sites are in the Green Belt and one of them borders a Site of Nature Conservation Interest.		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
1725/01/001/DM43.4/C	Anne Thompson			DM43.4 502	object to the travellers sites in Shirley as it is against government policy and inappropriote development in area which attracts many visitors		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. Object Soundness - DM43.4  
Justified 502

I have been a resident and homeowner in South Croydon for over 40 years. I was attracted to the area because of the green belt within its boundaries as well as very good railway connections to Central London. I am dismayed to learn that Croydon Council have identified three locations where they propose to set up permanent Gypsy and Traveller sites. I am particularly concerned with the proposed sites on Conduit Lane and Coombe Farm off Oaks Road. Both these are on green belt and in an area of natural beauty that I would have thought our elected council would go out of its way to preserve. How can this be when The Department for Communities and Local Government's Planning policy for traveller sites dated August 2015 states under Policy E: Local Government's Planning policy for traveller sites dated August 2015 Traveller sites in Green Belt paragraph 16 that " Inappropriate development is harmful to the Green Belt and should not be approved, except in very special circumstances. Traveller sites (temporary or permanent) in the Green Belt are inappropriate development. Subject to the best interests of the child, personal circumstances and unmet need are unlikely to clearly outweigh harm to the Green Belt and any other harm so as to establish very special circumstances" ?

What are the very special circumstances that make your proposals "appropriate"? How can you go against current Government Policy so blatantly when surely in Croydon ,with its many industrial estates, brownfield sites and urban sprawl , there are far more suitable sites for such developments. The Government policy/guideline is to have new sites near to existing developments. Clearly this would not be the case with this recommendation.

These proposals are clearly harmful for the Green Belt and would have a negative impact on the environment and wildlife in Coombe Wood, Shirley Hills and Lloyd Park. It would create a precedent for further erosion of our valuable local amenity. Coombe Road and Coombe Lane are already very busy roads and one of the main arteries into the town centre. The additional traffic emanating from these two sites, without significant road improvements , would exacerbate the traffic congestion, not to mention the additional pressure on the already stretched local services such as schooling and general

Does not comply with Government policy of new sites near existing development, is inappropriate development in the Green Belt and very special circumstances are not explained  
Croydon has many industrial, brownfield sites and urban sprawl where there must be more appropriate sites for such developments.  
Sites 661 and 502 will have a negative impact on the environment and wildlife, and impact on traffic congestion, add to an already dangerous junction of Coombe Road and Oaks Road and Conduit Lane. Road improvements would be needed. Will add pressure on local schools and general practitioners. The two sites will not meet the needs of the Traveller community not within walking distance of shops, health centres, schools and other local amenities.  
The traveller community favour smaller sites to avoid risk of inter-family tensions. These sites go against this.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

practitioners. The access roads to these proposed sites are clearly unsuitable for the larger vehicles that this community use as part of their livelihood and way of life. The junctions at Coombe Road, Oaks Road and Conduit Lane are already dangerous for vehicles and this area has the potential with this proposal to become a major accident black spot without significant very costly improvements to the local road network.

In summary not only do I feel that these proposed sites are very unsuitable for the area but also they would not meet the needs of the traveller community. Neither of the proposed sites are within walking distance of shops, health centres, schools and other local amenities which I believe is their preference. The Traveller Community favour smaller sites as there is less likelihood of inter-family tensions. These plans clearly go against this.

I would urge you to give more thought to and reconsider this planning application as it is my strong opinion that it neither suits the Traveller Community nor the local residents .

---

This is Green Belt land which is inappropriate for traveller sites. Our community does not wish to lose any of its green belt land. We don't want the start of development in green belt leading to a precedent and subsequent further loss. Also there would be a negative effect on the environment, wildlife etc to lose any green belt land. The site does not meet anyone's needs. It would be detrimental to one local community. Also, it doesn't meet the needs requested by gypsy and traveller communities. They prefer smaller family sites. They require good access to roads, especially for their large vehicles. They do not request public transport, which was stated as a benefit, but it is not relevant to these communities. There are not any shops or amenities near by. These community groups request that too. On every level these sites do not fit traveller needs and they would create a negative impact on the local community's needs. This site is unsuitable to develop. There are not adequate roads, schools, shops, health facilities etc to cope with such development. The cost to put this infrastructure in place is huge. I think that overwhelming costs would outweigh any benefits. The site has local, environmental, conservation, historical and natural significance. It is too important to lose. I think that the area doesn't suit the needs of any travellers. As stated there is no infrastructure to cope with these numbers. Our local area would be compromised. It is most likely there will be an adverse reaction on local businesses. The areas (e.g. Coombe Woods, Coombe Lodge Nurseries) would be negatively impacted by the plans.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Object Soundness - DM43.4  
Justified 502

I wish to notify you of my objections to some of the Council's proposals in the Croydon Local Plan, which has recently been brought to my attention. As I understand from Gavin Barwell MP (Croydon Central) there are plans to build three gypsy/traveller camps in the Green Belt (eg Coombe Farm), and to allow large housing developments on some of our precious green spaces. Once gone these are gone forever. The character of parts of the Borough could be dramatically changed for the worse and this might discourage people from living, working, shopping and investing in the area. Whilst I acknowledge that there is a need for more accommodation in Croydon it is preferable to utilise effectively those brownfield sites which I am given to understand do exist in the area. More brownfield sites might become available in the future and I should like to think that the Council is establishing and/or maintaining and updating a list of suitable locations.

Whilst I acknowledge that there is a need for more accommodation in Croydon it is preferable to utilise effectively those brownfield sites which I am given to understand do exist in the area. "particularly concerned with the proposed sites on Conduit Lane and Coombe Farm off Oaks Road. Both these are on green belt and in an area of natural beauty that I would have thought our elected council would go out of its way to preserve. How can this be when The Department for Communities and Local Government's Planning policy for traveller sites dated August 2015 states under Policy E: Traveller sites in Green Belt paragraph 16 that " Inappropriate development is harmful to the Green Belt and should not be approved, except in very special circumstances. Traveller sites (temporary or permanent) in the Green Belt are inappropriate development. Subject to the best interests of the child, personal circumstances and unmet need are unlikely to clearly outweigh harm to the Green Belt and any other harm so as to establish very special circumstances" ?

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

What are the very special circumstances that make your proposals "appropriate"? How can you go against current Government Policy so blatantly when surely in Croydon ,with its many industrial estates, brownfield sites and urban sprawl , there are far more suitable sites for such developments. The Government policy/guideline is to have new sites near to to existing developments. Clearly this would not be the case with this recommendation.

These proposals are clearly harmful for the Green Belt and would have a negative impact on the environment and wildlife in Coombe Wood, Shirley Hills and Lloyd Park. It would create a precedent for further erosion of our valuable local amenity. Coombe Road and Coombe Lane are already very busy roads and one of the main arteries into the town centre. The additional traffic emanating from these two sites, without significant road improvements , would exacerbate the traffic congestion, not to mention the additional pressure on the already stretched local services such as schooling and general practitioners. The access roads to these proposed sites are clearly unsuitable for the larger vehicles that this community use as part of their livelihood and way of life. The junctions at Coombe Road, Oaks Road and Conduit Lane are already dangerous for vehicles and this area has the potential with this proposal to become a major accident black spot without significant very costly improvements to the local road

network.

In summary not only do I feel that these proposed sites are very unsuitable for the area but also they would not meet the needs of the traveller community. Neither of the proposed sites are within walking distance of shops, health centres, schools and other local amenities which I believe is their preference. The Traveller Community favour smaller sites as there is less likelihood of inter-family tensions. These plans clearly go against this."

Whilst I personally oppose the idea of gentrification, the above sites are a heritage of South Croydon and surrounding areas, but are also a wildlife sanctuary that needs protection. I do not see how gypsy and travellers sites will have wildlife protection in their best interests and thus would destroy a beautiful area that is part of the Greenbelt.

It is my strong opinion that the planning application will neither suit the traveller community nor local residents. I strongly urge you to give more thought to and reconsider this planning application

DM43.4

Change

502

Policy DM43, reference Site 502  
Coombe Farm reference Site 661  
Coombe Lodge Nurseries and  
reference Site 755 Pear Tree Farm  
and Pear Tree Cottage. I object to  
the use of any of these locations for  
the creation of Gypsy/Traveller sites.  
All three locations are within the  
Green Belt and Coombe Farm is on  
a site of an Archaeological Priority  
Zone and contains an area of Nature  
Conservation Importance. Such  
development is in breach of Policy E  
of Planning Policy for Traveller Sites,  
which says that "Traveller Sites  
(temporary or permanent) in the  
Green Belt are inappropriate  
development". All three sites are also  
a  
considerable distance from public  
services. I believe that the proposal  
to create three new Gypsy/Traveller  
sites by 2017, and 39 by 2036 is  
extremely excessive and will have a  
significant adverse impact on the  
borough.

I have restricted my objections to  
those plans that primarily affect our  
area of Shirley in which I live, but the  
same objections apply to other  
proposals in other parts of the  
borough.

The site is in private  
ownership and the land  
owners have indicated they  
would not be interested in  
developing it as a Gypsy and  
Travellers site. As the  
deliverability of this site for  
Gypsy and Travellers would  
now be difficult it will no  
longer be considered for this  
use.

DM43.4

Change

502

I am writing to state my total  
objection to the building of the  
proposed gypsy/traveller site at  
Coombe Farm off Oakes Road.  
It is a totally inappropriate site for  
such a use of Green Belt land when  
there are plenty of other places in  
Croydon for  
such a development, for example  
Purley way on the unused ex  
industrial site

The site is in private  
ownership and the land  
owners have indicated they  
would not be interested in  
developing it as a Gypsy and  
Travellers site. As the  
deliverability of this site for  
Gypsy and Travellers would  
now be difficult it will no  
longer be considered for this  
use.

Object

DM43.4  
502

Coombe Farm off Oaks Road reference number 502;  
As the Council acknowledges, all three of these sites are in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". The Council's approach is clearly in breach of that policy. All three sites are also some distance from public services and they are all in the same part of the borough (two are in Heathfield ward, one just over the border in Croham). Why has Heathfield been singled out in this way? If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is);

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

I am writing to register my objections for the following proposed sites for Gypsy and Travellers Sites:

Coombe Farm, Oaks Road - Reference 502

The Policies laid out on the Mayor of London - London Assembly website, and Policy 7.17 clearly states that the Mayor's office truly supports the protection of Metropolitan Open Land, and indeed states that "The strongest protection should be given to London's MOL and inappropriate development refused". The Policy lays out what needs to be established to designate an area as MOL, but does not make it clear how a Council can re-designate an area. I therefore object to any permanent Traveller site being constructed on MOL and especially if the area is simply going to be re-designated without any consultation with the local residents and businesses.

I object strongly that Croydon Council can re-designate Metropolitan Open Land or Green Belt land to suit their needs to accommodate a permanent pitch. I cannot see any Planning justification to change the designation, nor for the intrusion into the lives of the residents of Oaks Road and surrounding area. This will massively affect the urban attractiveness of the area and have both emotional and financial repercussions on many lives.

Policy 7.18 relating to Protection of Open Spaces clearly states that open spaces in London must be protected, and any loss must be resisted. I cannot believe the Council would want to go against both of these policies laid down by The London Assembly.

This Club not only provides sport and social activities to over 700 members in the local vicinity, but also provides an important ecological role in the area. The proposed site of Coombe Farm as a site for Gypsies and Travellers has come as a shock to everyone in the area, as borne out by the recent press coverage and attendance at the Consultation Meetings.

The history of unauthorised "pitches" in this area over the past few years has left a bitter resentment, especially in view of the residual

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

mess and threatening behaviour that has always accompanied their trespass. On each occasion that Gypsies/Travellers have been in the area, the club members here have been threatened with physical and verbal abuse. This behaviour is totally unacceptable and despite the subsequent eviction of the Travellers on each occasion, the residual psychological effect on tax payers and constituents' lives cannot be trivialised. We also have a large Junior Section and children play the course during holidays as well as weekends. They are often unaccompanied and the parents need to know they are in a safe environment. This would certainly not be the case in the parents' minds if there was any chance of aggressive behaviour, as previously experienced, towards these children. I am certain that you would not wish to be responsible for putting children in any sort of potentially dangerous situation.

Surely these detailed real issues must be taken into account when determining any permanent site.

I understand that the proposed sites are not within the required distance to both schooling and medical needs, therefore I also object on that basis. The land is in private ownership at Coombe Farm, and any funds spent on "compulsory or otherwise" purchase could surely be spent more wisely on behalf of the population of Croydon. No doubt Central Grants will be available, but Council owned land in an area that will not radically impact on established residents' lives would be a sensible and prudent choice.

1888/01/003/DM43.4/O	David, Paula & Oliver Greest	Object	DM43.4 502	We want to object to the locating of three traveller sites in and around South Croydon. The building of these sites on green land is wrong and will change significantly the area we live in. We live in Gravel Hill between Featherbed Lane and Coombe Lodge Nurseries and we will therefore be impacted by two if not all three of these sites. As the Council acknowledges this site is in the Green Belt. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development" and the Council's approach is clearly a breach of this policy.	Gypsy and Traveller sites should not be located in the Green Belt.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Soundness - DM43.4  
Justified 502

We are writing to say that we strongly object to the proposed plans in regards to two locations in Croydon becoming traveller sites.

Change

- i) Coombe Farm off Oaks Road
- ii) Coombe Lodge Nurseries off Conduit Lan

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

---

Object Soundness - DM43.4  
Justified 502

All three sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b. Furthermore, Policy E of 'Planning Policy for Traveller Sites', published by the Government in August, states very clearly that 'Traveller sites (temporary or permanent) in the Green Belt are inappropriate development'. The provision relating to travellers/gypsies in the Housing and Planning Bill will also remove sections 225 and 226 of the Housing Act 2004 which placed a duty on housing authorities to carry out an assessment of the accommodation needs of this group when reviewing housing conditions and needs within their areas (a process required by section 8 of the Housing Act 1985). Section 8 will also be amended to make it clear that the duty covers consideration of the needs of people residing in, or resorting to the district for, caravan sites and houseboat mooring sites.

I am also concerned by the evidence base for these selections, namely the 'Assessment and Selection of Sites for Gypsy and Travellers'. This assessment contains a vast number of very subjective criteria against which to judge site suitability and has been the subject of 'extensive political consultation'. This political consultation has only taken place with the Labour Administration and has not been conducted on a cross party basis. This begs the question as to what undue political influence may have been placed on the particular criteria which have been used and indeed the selection of the preferred sites. There is also some question as to why the same scoring system has not been used for each set of criteria, rather than subjectively giving weight to certain criteria. Furthermore, the scoring for individual sites has not been carried out in accordance with the table shown at 4.1. A number of sites have been marked incorrectly, for example, site 661 has been scored at 5 for Greenbelt/MOL, when the score should be -5. This begs the question as to how many other inaccuracies are in the document

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

1927/01/001/DM43.4/O Ron Lamb	Object	DM43.4 502	I am e-mailing you to register total opposition regarding your proposal to put traveller's sites in Coombe Farm and Coombe Lodge. I am and have been a resident of Oaks Road for 20 years and apart from myself being strongly against such an idea, I do not know of one neighbour that is in agreement with this proposal. Apart from there not being adequate amenities in these areas, there is not sufficient transport, road ways, schools to support such a venture. Why would you want to put caravans in these areas, surely in this modern day and age people should live in houses? Also, both these areas are a natural area of beauty with wild life, birds etc... travellers would lower the whole tone of this and bring mess and litter, such as in the past when we had illegal "visits" before they were moved on. I am also informed that these areas are "green belt" and that no such proposal would or should be allowed. I state once again that I am totally against these potential destructive proposals that would spoil a very beautiful part of Croydon if you go ahead with this scheme, or perhaps this is your plan as this is one of the other Conservative Wards that you are targeting to make your changes?	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
1929/02/002/DM43.4/O Mr Charles Marriott	Object	DM43.4 502	objection to extremely worrying proposals to build 3 gypsy traveller sites in Croydon on Green Belt sites.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Writing to object to the proposed sites for Gypsy and Travellers at Coombe Lodge Nurseries off Conduit Lane, Reference 661. The Policies laid out on the Mayor of London-London Assembly website and Policy 7.17 clearly state that the Mayor's office truly supports the protection of Metropolitan Open Land and states the strongest protection should be given and inappropriate development refused. The Policy does not make it clear how a Council can de-designate an area. I object to any permanent Traveller site being constructed on MOL and especially if the area is simply going to be de-designated without any consultation with the local residents and businesses. I object strongly that Croydon council can de-designate Metropolitan Open Land or Green Belt land to suit their needs to accommodate a permanent pitch. I cannot see any Planning justification to change the designation, nor for the intrusion into the lives of residents of Oaks Road and surrounding area. This will massively affect the urban attractiveness of the area and have both emotional and financial repercussions on many lives. Policy 7.18 relating to the Protecting of Open Spaces clearly states that open spaces in London must be protected, and any loss must be resisted. I cannot believe the Council would want to go against both of these policies laid down by the London Assembly.

In relation to Shirley Park golf course and 700 members, the club provides sport and social activities and also provides an important ecological role in the area. The proposed site of Coombe Farm as a site for Gypsy and Travellers has come as a shock to everyone in the area, as borne out by the recent press coverage and attendance at the Consultation Meetings.

The history of unauthorised `pitches` in this area over the past few years has left a bitter resentment, especially in view of the residual mess and threatening behaviour that has always accompanied their trespass. On each occasion that Gypsy /Travellers have been in the area, the club members here have been threatened with physical and verbal abuse. This behaviour is totally unacceptable and despite the subsequent eviction of the Travellers on each occasion, the residual effect on tax payers and constituents' lives cannot be trivialised. We also have a large Junior section and children play the course during holidays as well as weekends. They are often unaccompanied and the parents

Objection to proposed Gypsy and Traveller sites at Coombe Farm -site 502 and Coombe Nursery -Site 661 on the grounds of de- designation of MOL and Green Belt, going against Policy 7.17 and 7.18 of the London Plan, the likely impact on Shirley Park Golf Club Members of all ages playing on the golf course and the risk to their safety based on previous experience of gypsy and travellers trespassing on the course and impact on residents of surrounding properties and the attractiveness of the local area. Also the locations proposed do not meet criteria of needing to be near schools, and health facilities. Money spent on compulsory purchase would be better spent on the Croydon population. A gypsy and traveller site on Council owned land in an area that will not radically impact on established residents' lives would be a sensible and prudent choice.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

need to know they are in a safe environment. This would certainly not be the case in the parent's minds if there was any chance of aggressive behaviour as previously experienced, towards these children. I am certain that you would not wish to be responsible for putting children in any sort of potentially dangerous situation. Surely these detailed real issues must be taken in to account when determining a permanent site. I understand that the proposed sites are not within the required distance to both schooling and medical needs, therefore I also object on that basis. The land is in private ownership at Coombe Farm and any funds spent on 'compulsory or otherwise' purchase could surely be spent more wisely on behalf of the population of Croydon. No doubt central grants will be available, but Council owned land in an area that will not radically impact on established residents' lives would be a sensible and prudent choice.

1942/01/004/DM43.4/C	Margaret West		DM43.4 502	object to the dedesignation of Metropolitan Land and proposed use for housing at sites 128 504 502 541 542 and 548. if development is allowed it will impact on the sense of community and have an adverse impact of trees and could be subject to flooding. It would also impact on access arrangements and the wildlife	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2015/01/002/DM43.4/O	Mrs Jane M. Smith	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Object Soundness - DM43.4  
Justified 502

Objection to the proposed Gypsy and Traveller site at Coombe Farm (site 502).

No doubt central grants will be available but Council owned land in the area that will not radically impact on residents' lives would be a sensible and prudent choice.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

The London Plan in Policy 7.17 supports the protection of Metropolitan Open Land and inappropriate development should be refused. This policy sets out the criteria for designation as Metropolitan Open Land but does not make it clear how a Council can re-designate an area. I object to any permanent Traveller site being constructed on MOL.

I cannot see any planning justification to change the designation, nor for the intrusion into the lives of residents of Oaks Road and surrounding area. This will massively affect the urban attractiveness of the area and have both emotional and financial repercussions on many lives.

Policy 7.18 of the London Plan relating to open spaces clearly states that open spaces in London must be protected and any loss must be resisted. I cannot believe the Council would want to go against both Policy 7.17 and Policy 7.18 laid down by the London Assembly.

The history of unauthorised pitches in the area over the past few years has left a bitter resentment, especially in view of the residual mess and threatening behaviour that has been accompanied by their trespass. On each occasion that Gypsies and Travellers have been in the area the club members of Shirley Park Golf Club have been threatened with physical and verbal abuse. This behaviour is totally unacceptable and despite the subsequent eviction of the Travellers on each occasion, the residual psychological effect on people's lives cannot be trivialised. The golf club has a large junior section and children play the course during holidays as well as weekends. They are often unaccompanied and parents need to know they are in a safe environment. This would certainly not be the case in the parent's mind if there were any chance of aggressive behaviour as previously experienced towards the children.

Surely these detailed real issues must be taken into account when determining any permanent site.

I understand that the proposed site is not within the required distance to both schooling and medical needs, therefore I object on that basis. The land is in private ownership at

Coombe Farm, and any funds spent on compulsory purchase or otherwise could surely be spent more wisely on behalf of the population of Croydon.

---

2022/01/001/DM43.4/O	Joe Rowe <i>Shirley Hills Residents Association</i>	Object	DM43.4 502	<p>I object to the proposal as Coombe Farm is Green Belt Land. Policy E of the Planning Policy for Traveller Sites, published by the Government in Augsut states very clearly that "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". Previous use does not mitigate this policy. The proximity of this site to the Coombe Lodge Nurseries site, also proposed, would mean a total of up to 45 pitches on 2 sites within a very small area of the Borough. Paragraph 4.19 refers to the need for good access to roads, stating that Gypsies and Travellers "often need to move larger vehicles as part of their livelihood and way of life". Coombe Road junctions with Oaks Road and Conduit Lane are busy and potentially hazardous intersections and are unsuitable for increased, safe movement and manoeuvring of larger vehicles,, especially entering and existing these sites. Oaks Road itself is a narrow rural road with a number of blind bends and an adjacent bridal way, making it unsuitable for large vehicles. The Local Plan has not taken sufficient account of the potential increased danger for motorists and pedestrians, horses and riders.</p> <p>The close proximity of the proposed sites to one another has not been taken into account. All three sites are proposed for a small area in the South of the Borough when there seems to be a successful site I Purley Way which could be expanded. None of three sites proposed has good access to schools, shops and other services. The consequent need for private transport goes against environment and climate initiatives. Government Guidelines ask that local planning authorities policies ensure that children can attend school on a regular basis. These three sites are well away from schools, particularly primary schools and clearly do not reflect the aims of Guidelines or facilitate regular school attendance. The number of Gypsy/Traveller sites in Croydon is to increase from 1 to 4 when our recent experience locally is of travellers responsible for damage, parking illegally, leaving piles of rubbish behind when they are moved on an even engaged in firearms confrontation with the police.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

---

2022/01/005/DM43.4/O	Joe Rowe <i>Shirley Hills Residents Association</i>	Object	DM43.4 502	This land is designated as Metropolitan Open Land and there is no justification for re-designation. An increase of up to 741 homes on this land would put local services including schools, transport and already crowded roads under further pressure.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2027/01/002/DM43.4/O	Mr John Webster	Object	DM43.4 502	I am writing to object to the use of Coombe Farm off Oaks Road, site reference 502 as gypsy and traveller site as this site would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

The site is Green Belt. The proposal would exceed the current built on area and therefore the Green Belt would be lost. The Coombe Farmhouse is also noted in many historical books of Croydon. It is my understanding that the current owner has lodged numerous planning applications over the years which had been denied by the Council. Please can the Council clearly describe why they are now prepared to change the use of the land for the gain of fulfilling their Traveller/Gypsy site quota? The site is also currently privately owned. In order for the Council to proceed with their plans they will need to purchase the site. I challenge this use of Croydon's finance budget as, with all budget as, with all compulsory purchases; the Council should review the return of the investment on any such cost for the benefit of their tax paying community. Increase risk and detrimental impact to the local wildlife such as deer, badgers, newts, toads, hedgehogs, numerous bird life including woodpeckers, owls, herrons, etc. The range of flora and fauna including protected trees such as the large oaks all of which form the beautiful unique Addington Hills Public Open Space and adjoining Green Belt area. The site is also situated near open land which has previously been victim to unauthorised Traveller and Gypsy encampments. A thorough review and statement regarding how the Council and Police propose to exercise control over any additional families encamping on unauthorised land surrounding the site must be produced. Through past experience it has been a difficult and lengthy process for the Police, Council and Local Residents. The general public have been denied safe access to public open land or intimidated when using the Tram or Bus stop during these encampment periods. The Council have to pay the legal and policing costs of the unauthorised encampment removal, the environmental cost to clean up the rubbish, the consideration of the impact to wildlife and the continued safety of the public to relax and enjoy the open countryside and public services. The site proposes a detrimental impact to local business revenue. Oaks farm is an established countryside wedding venue. It would have an increase in traffic at the dangerous junction joining Oaks road and Conduit Lane.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2046/02/001/DM43.4/O Mr Richard Wickham

Object

DM43.4  
502

The proposal to develop Coombe Farm, Oak Road as a residential development for a Gypsy and travelers site does not fall within the Strategic Objectives.  
This proposed development of a travelers site within the Shirley area is not within keeping of the current development within this area. Shirley comprises of large semi and detached houses with large green areas. This development is in no way in keeping with out housing in the area.  
Changing a green area to an area of residential housing will cause harm and reduce the outlook of the area. Building a travelers site will increase noise levels, and ruin the character of the area and this development would overwhelm this green area.  
Paragraph 64 of the National Planning Policy Framework states that permission should be refused for development of poor design that fails to take the opportunities available for improving the character and quality of an area and the way it functions.  
This development would diminish the striking view of the area of Addington Hills and Coombe Farm area.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2056/01/038/DM43.4/O Councillor Dudley Mead  
London Borough of Croydon

Object

DM43.4  
502

I object to the use of Coombe Farm off Oaks Road, site 502; as a gypsy and traveller site as it would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b.

Furthermore, Policy E of 'Planning Policy for Traveller Sites', published by the Government in August, states very clearly that 'Traveller sites (temporary or permanent) in the Green Belt are inappropriate development'. The provision relating to travellers/gypsies in the Housing and Planning Bill will also remove sections 225 and 226 of the Housing Act 2004 which placed a duty on housing authorities to carry out an assessment of the accommodation needs of this group when reviewing housing conditions and needs within their areas (a process required by section 8 of the Housing Act 1985). Section 8 will also be amended to make it clear that the duty covers consideration of the needs of people residing in, or resorting to the district for, caravan sites and houseboat mooring sites.

I am also concerned by the evidence base for these selections, namely the 'Assessment and Selection of Sites for Gypsy and Travellers'. This assessment contains a vast number of very subjective criteria against which to judge site suitability and has been the subject of 'extensive political...consultation'. This political consultation has only taken place with the Labour Administration and has not been conducted on a cross party basis. This begs the question as to what undue political influence may have been placed on the particular criteria which have been used and indeed the selection of the preferred sites. There is also some question as to why the same scoring system has not been used for each set of criteria, rather than subjectively giving weight to certain criteria. Furthermore, the scoring for individual sites has not been carried out in accordance with the table shown at 4.1. A number of sites have been marked incorrectly, for example, site 661 has been scored at 5 for Greenbelt/MOL, when the score should be -5. This begs the question as to how many other inaccuracies are in the document.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2062/01/010/DM43.4/O Councillor Jason Perry  
London Borough of Croydon

Object Soundness - DM43.4  
Justified 502

All three sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Furthermore, Policy E of 'Planning Policy for Traveller Sites', published by the Government in August, states very clearly that 'Traveller sites (temporary or permanent) in the Green Belt are inappropriate development'. This begs the question as to how many other inaccuracies are in the document

I also strongly object to building of traveler camps in Shirley. One , these would be built on green belt land or Mob land against current legislation as. Understand, two, if they are 'travellers' why do they need homes? Surely they just move on in there caravans? If they do need homes, the. Why are they not added to current council housing schemes! Also publish national stats show that most traveler sites are in the south of England, yet the regulations should be to place them evenly through out the country, therefore the south would have over its required quota and ten north needs to provide more and as they are travellers they can easily relocate to these areas. Why over burden an increasingly overpopulated south London area? Also, as shown with the traveler homes in woodmanstern, there is the potential for and increase in fly tipping, and local crime leading to further costs to the council to clean up and provide policy support, yet I have just had a letter from the council saying you have had £90 million cut from central government, and we will have to pay for our own garden waste collecting now as wont be included n our council tax, so pled answer me how you can afford to pay for these developments, and not at the direct or indirect expense of the tax payer in Shirley or Croydon borough. Please show me your business model that shows how this will be funded.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2164/01/002/DM43.4/O	Mr John Mills	Object	Soundness - Justified	DM43.4 502	The respondent objects to the proposal to site three gypsy and travellers sites in the green belt, allowing housing on some of he precious green space and back gardens and would completely change the character of the borough. The sewage and water is up to the limit.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2164/02/002/DM43.4/O	Mr John Mills	Object		DM43.4 502	Croydon Council's plans to build three gypsy/traveller sites in the Green Belt, allow housing on some of our precious green spaces and back gardens and completely change the character of parts of the borough. I agree with Gavin Barwell With regards this destruction of our green belt land.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

I am writing to object to the proposed traveller sites at Coombe Farm and Coombe Lodge Nurseries. I grew up in this area and work at Oaks Farm Wedding Venue so I am very concerned about both of these proposed sites.

I consider the development at Coombe Farm to be inappropriate for the following reasons:

- The site is in a green belt area. National guidelines say that Traveller sites in the green belt are an inappropriate development.
- There is a long history of planning application refusals on the site, so it is unclear why this development would be allowed in the green belt when other developments have not.
- The access road to this site, Oaks Lane, is completely unsuitable for a large number of large vehicles - it is a narrow road and simply was not designed for the high traffic levels we can expect with the proposed additional residents.
- There is no pavement on Oaks Lane so the additional traffic will make the road extremely unsafe to pedestrians.
- It is a tight turning on the entrance on Oaks Road so it will be extremely difficult for large mobile homes and trailers to turn in and out.
- The access from Oaks Road is very congested at rush hour and is also very close to the tram line and traffic lights. It is an accident black spot and there have been a number of road traffic incidents on this stretch of road.
- The proposed size of the traveller site is 15-20 pitches, which can each house 3 mobile homes. Therefore, there could be up to 60 mobile homes on the site. Should further caravans pitch up to use the site, it is unclear how this could be monitored or controlled - so the numbers could increase further. Even at the proposed level, the size of this traveller population, compared to the local community, which is relatively small on Oaks Lane and Oaks Road is totally overwhelming and would not be conducive to social cohesion in the area.
- The location of Coombe Farm is beautiful and adjacent to the fabulous local amenity Lloyds Par. This is a sanctuary for wildlife and local residents and visitors. Green Spaces like this are short supply in Croydon. The appearance of this large traveller site in such a location and the effect on wildlife should be taken into account. A brown field site would be much more appropriate.
- Coombe Farm is listed by the London Borough of Croydon as a grade II listed building of historic

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

interest. The view of this important historical building will be ruined by the proposed settlement. Furthermore I understand that the building itself will be used for toilets and kitchens for the site (up to 60 families). Is this an appropriate change of use for such an important part of local heritage?

- The cost of this site will be enormous, in ground rent or compulsory purchase, removing existing outbuildings, and the work required to make the site ready, building toilets/kitchens, additional drainage, plumbing and electrical work, etc. Croydon Council has an enormous shortfall in council housing for the community already resident in Croydon. Surely it would be better to spend taxpayers money on addressing the housing needs of ordinary families who are currently resident in the borough.
- The schools in this area are so over subscribed that there have been some proposals that a new school needs to be developed off Coombe road. With such a lack of school places for the existing community, there must be insufficient infrastructure to educate the children from up to 60 extra families.
- Since there is no pavement on Oaks Lane and insufficient lighting when it is dark, there is not safe access for the travellers and their children to safely reach essential amenities such as schools, doctors and shops on foot. If they can only go by car then this will add to traffic problems.

---

2178/01/006/DM43.4/O	Anne Barnes	Object	DM43.4 502	I am writing to object to the following: 5 The use of Coombe Farm off Oaks Road as a location for a gypsy/travellers site (ref No 502)	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2191/01/002/DM43.4/C	Mr Rodney Beale	Comment	DM43.4 502	Objection to the proposals for gypsy and travellers as not the most appropriate for Croydon and unsuitable for the lovely country area of Croydon visited throughout the year by families, residents and visitors. The approach is deliverable but undesirable and will ruin the only real part of the country area in Croydon, which grows with housing and office blocks almost daily. The preferred approach will not enable sustainable development as it will spoil the existing areas where sites are suggested and which will never be the same again. It will also affect schooling, health, and cause disturbance around all areas. If Croydon must comply, areas such as Purley Way or an extension of facilities at Laythams Farm should be the correct options.	Reconsider the sites proposed for Gypsy and travellers	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2301/01/010/DM43.4/O	Breda Mohan	Object	DM43.4 502	I object to the use of Coombe Farm off Oaks Road Ref: 502 as a gypsy/traveller site.		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2302/01/007/DM43.4/O	Brenda Stratford	Object	DM43.4 502	The use of the following locations ref 502 & 661 as gypsy/traveller sites		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. It has also been found unsuitable as part of the Strategic Flood Risk Assessment due to high risk of surface water flooding. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2304/01/002/DM43.4/O	Mandy Lambert	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2318/01/002/DM43.4/O	Julie Litchfield	Object		DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2326/02/002/DM43.4/O	Mrs Mollie Dagnell	Object		DM43.4 502	I am writing to object to the use of the location of site 502 as a gypsy and traveller site. The site would constitute in appropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b.		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2334/01/003/DM43.4/O	Mr Noel Vas	Object	Soundness - Consistent with National	DM43.4 502	<p>The council plans to create a Gypsy/Traveller site here. This is a greenbelt site, and it is not appropriate to put a traveller site here. Policy E of "Planning Policy for Traveller Sites", published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development".</p> <p>I would have thought it would be in the Council's interest to arrange for travellers to be in permanent housing and send their children to school. This is because I understand that many travellers do have permanent housing that they live in during the winter and other months when their caravans would get stuck in the mud.</p>	I believe the Council should look to existing sites (e.g. off the existing site on Purley Way) and brownfield sites but only where local services are already available, or even on redeveloping under-used garage spaces, with much needed permanent housing.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2361/01/001/DM43.4/O	Alan Chitty	Object	Soundness - Justified	DM43.4 502	My objections are based on the fact that the proposals are not in the best interests of the electorate of the borough and that the proposals will only be harmful to the environment offering no benefits to the community. Building on the Green Belt is not the best option. In the case of the proposed traveller sites PTF is green belt, there are no suitable transport, school or social services in the vicinity. Combe Farm is green belt and Conduit Lane are both close to well established businesses which will be blighted by having such sites in close proximity.		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2363/01/002/DM43.4/O	Anthony Cole	Object	Soundness - Justified	DM43.4 502	I believe the proposed traveller sites are inappropriate in these Green Belt areas	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2364/01/006/DM43.4/O	Alison Crane	Object	Soundness - Justified	DM43.4 502	Coombe Farm Oaks Road site is not a suitable site for a traveller site.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2382/01/001/DM43.4/O	Miss Lorraine Gooding	Object	Soundness - Consistent with National	DM43.4 502	<p>I strongly object to the proposals for a Gypsy and Traveller site in this area of Croydon. It will certainly change the character of this beautiful part of Croydon.</p> <p>The two locations (Coombe Farm and Coombe Lodge Nurseries) are in the Green Belt and therefore contrary to government policy (Policy E of Planning Policy for Gypsy Sites) which states traveller sites temporary or permanent in the Green Belt are inappropriate.</p> <p>Our neighbourhood has encountered continual and numerous travellers campsites over the years. They left rubbish, human excrement and were seen trying to steal vehicles and prowling around private homes. It took weeks to clear up.</p> <p>I also have weekly encounters near where I work on Imperial Way.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2429/02/001/DM43.4/O	Mr & Mrs E Abdul-Nabi	Object	Soundness - Consistent with National	DM43.4 502	Object to the use of Coombe Farm as a Gypsy and Traveller site as it would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2448/01/010/DM43.4/O  
Andy Stranack  
Croydon Council

Object  
Soundness - DM43.4  
Justified 502

All three sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b. Furthermore, Policy E of 'Planning Policy for Traveller Sites', published by the Government in August, states very clearly that 'Traveller sites (temporary or permanent) in the Green Belt are inappropriate development'. The provision relating to travellers/gypsies in the Housing and Planning Bill will also remove sections 225 and 226 of the Housing Act 2004 which placed a duty on housing authorities to carry out an assessment of the accommodation needs of this group when reviewing housing conditions and needs within their areas (a process required by section 8 of the Housing Act 1985). Section 8 will also be amended to make it clear that the duty covers consideration of the needs of people residing in, or resorting to the district for, caravan sites and houseboat mooring sites.

I am also concerned by the evidence base for these selections, namely the 'Assessment and Selection of Sites for Gypsy and Travellers'. This assessment contains a vast number of very subjective criteria against which to judge site suitability and has been the subject of 'extensive political consultation'. This political consultation has only taken place with the Labour Administration and has not been conducted on a cross party basis. This begs the question as to what undue political influence may have been placed on the particular criteria which have been used and indeed the selection of the preferred sites. There is also some question as to why the same scoring system has not been used for each set of criteria, rather than subjectively giving weight to certain criteria. Furthermore, the scoring for individual sites has not been carried out in accordance with the table shown at 4.1. A number of sites have been marked incorrectly, for example, site 661 has been scored at 5 for Greenbelt/MOL, when the score should be -5. This begs the question as to how many other inaccuracies are in the document

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2450/01/001/DM43.4/O	Mr & Mrs Jeffrey	Object	DM43.4 502	Not too long ago we recently had to remove Gypsies from our village at cost to our residents as they left the village in a complete mess.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2450/02/008/DM43.4/O	Mr & Mrs Jeffrey	Object	DM43.4 502	I will be objecting to the use of either of these locations as gypsy/traveller sites. As the Council acknowledges, they are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". The Council's approach is clearly in breach of that policy. Both sites are also some distance from public services. If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is).	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2455/01/001/DM43.4/O	Alan Warner	Object	DM43.4 502	<p>The purpose of this e mail is to register my objections to the proposed change to the designation of Green Belt and Metropolitan Open Land. I understand that the Council have identified two locations for travellers/gypsy sites at Coombe Farm ref 502. These proposals are contrary to Government Policy (Policy E of Planning Policy for Travellers sites) which states that Travellers sites (temporary or permanent) in the Green Belt are inappropriate development.</p> <p>I have lived in this area for 25 years and in conjunction with the efforts of our Residence Association and Croydon Council they have maintained the beauty of the area for the good of all that live here. I cannot protest strongly enough to ensure that these changes do not proceed as it can only make the area much worse for all concerned. Please consider my objection seriously as I do not want the character of the area changed for the worse. I look forward to receiving your acknowledgement and response at your earliest convenience.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2493/02/002/DM43.4/O	Ben Plummer	Object		DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2540/01/007/DM43.4/O	Mrs Sandra Cooper	Object	Soundness - Justified	DM43.4 502	I object to the use of this site as a Gypsy and Traveller site.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2541/01/011/DM43.4/O	Ms Susanne Million	Object		DM43.4 502	Coombe Farm off Oaks Road reference number 502 for the use as a Gypsy/Traveller site.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2542/01/001/DM43.4/O	N Johnceline	Object		DM43.4 502	Object to proposed Gypsy and Traveller site at Coombe Farm (reference number 502). This site is in the Green Belt a and would not comply with Policy SP2.7a and SP2.7b. -inappropriate development is harmful to the Green Belt and should not be approved, except in exceptional circumstances. Traveller sites ( temporary or permanant) in the Green Belt are in appropriate development'. There are no 'very special circumstances' that warrant the proposed use of these Green Belt sites.  The site does not have any local amenities-shops,healthcare,primary schools (I think there is only one secondary school in the immediated area), so will not serve the traveller community. Surely expanding the existing brownfield site in Purley Way would be more cost effective and preferable to the travellers as it provides opportunities for employment, schools and medical care in the immediate vicinity, which the proposed sites do not.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2543/01/002/DM43.4/O	Mr William Barnett	Object		DM43.4 502	<p>objection to Site 661 and 502 for a gypsy and traveller site as inappropriate development within the Green Belt, with traffic issues at Coombe Road junction, and the proposed sites are not within reasonable walking distance of local amenities. Walkways are inadequate and it is difficult for pedestrians to cross Coombe Road in heavy traffic. Also object to the alternative option of a school on site 661 as there is already a school at the other end of Melville Avenue which causes traffic during term time in the morning and evening in the surrounding area. Traffic in Melville Avenue which is approached via Crohan Road or Coombe Road ( busy roads) is often chaotic and any increase should not be countenanced and may lead to accidents.</p>	<p>Objection to Site 661 and 502 for gypsy and traveller sites as inappropriate development in the Green Belt and the impact on local traffic, with traffic issues at Coombe Road junction, and the proposed sites are not within reasonable walking distance of local amenities. Walkways are inadequate and it is difficult for pedestrians to cross Coombe Road in heavy traffic. Objection to alternative use of site 661 as a school on grounds of traffic impact.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
2546/01/005/DM43.4/O	Mr & Mrs Robert & Patricia Cole	Object	Soundness - Justified	DM43.4 502	<p>The plans for travellers sites on the local green belt are unacceptable and will change the character of the area and also overburden the already problematic local road infrastructure.</p>		Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
2548/02/003/DM43.4/O	Sally Grenville	Object		DM43.4 502	<p>I am writing to object to: Coombe Farm off Oakes Road, site reference 502. This site would constitute inappropriate development in the green belt and would not comply with policies SP2.7a and SP2.7b. In the consultation process with the Gypsy and Travellers they requested small sites that are more manageable. This site is close to a busy road and tram lines that could be dangerous to children. They also requested sites near to doctors, primary schools and shops. There is a suitable brownfield site/ existing site along the Purley Way, offering more opportunities for employment. It is very important that the sites offer safe entrance and exits to sites to ensure there is no danger of accidents. This site is not suitable and would be costly to the council's already stretched budget. The consultation refers for the need for good access for roads as "they often move larger vehicles as part of their livelihood and way of life". Coombe Road and Oaks Road are already very busy, the sites would cause no end of delays and frustration to drivers.</p>		Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

2552/01/002/DM43.4/O	Ms Cliona Moore	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2552/01/007/DM43.4/O	Ms Cliona Moore	Object	DM43.4 502	Incorrect calculation in the selection criteria for 502 (Coombe Farm)	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2556/01/002/DM43.4/O	Miss F Matthews	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2563/03/001/DM43.4/O	Mr Sean McDermott	Object	DM43.4 502	We must protect our green areas and surely there are better sites than this one. It would be detrimental to the green belt and the character of the area. The idea that because there are glass houses already in Council owned nursery that it can bypass the usual green belt restrictions seems dubious. The site is completely impractical in terms of access and safety being cvlose to very busy roads.  Suggestions are: 536- Croydon Airport , Waddon 632- Kent gate way, Bridle way 767- Cane Hill -South part, Coulsdon.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2563/02/002/DM43.4/O	Mr Sean McDermott	Object	DM43.4 502	Objects to the siting of a gypsy and traveller site in this location.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2564/01/004/DM43.4/O	Mrs Shirley M Kell	Object	DM43.4 502	<p>I object to the building of Traveller Sites.</p> <p>1. Ref.No.502-Coombe Farm off Oaks Road identified as suitable for 15-20 pitches.</p> <p>2. Ref.No.661-Coombe Lodge Nurseries off Conduit Lane identified as suitable for 15-25 pitches.</p> <p>I strongly object to either of these areas being used as gypsy/traveller sites.They are both in the Green Belt,and are totally inappropriate for such use. In addition they would be in close proximity to Coome Lodge Travelodge,a very popular local venue.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2566/01/010/DM43.4/O	Mrs S White	Object	DM43.4 502	I object to the use of Coombe Farm off Oaks Road Ref: 502 as a gypsy/traveller site.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Object

DM43.4  
502

I am writing to object about Site References 661/502, both being inappropriate use and development of Green Belt land. There are adjacent areas of outstanding beauty, sites with biological significance, as well as playing fields for the local community. These would all be affected, not least during the construction of Travellers Sites. The London Plan does not advocate such a development and seems unrealistic for two such sites to be located in the London Borough of Croydon, already over-stretched owing to refugees and asylum seekers arriving at the borough's Home Office. Not only will this proposed development overburden Croydon as a whole, but also our homes (within 2 miles of said sites). Amenities, Schools, GP practices and the like will be inadequate for an influx of such a population.

Without adequate provision of facilities more than homes alone, not only will the Travellers be disappointed but also local residents who chose to live, close to this location owing to the outstanding open spaces. We have seen the Riots of 2012. Many foreign visitors have sought to live in our Borough. However, the very nature of the name 'Traveller', suggests this new group of people may be transitory; we may find our Schools and Hospitals will be overstretched and with a nomadic population, teachers and doctors to name but a few will be unable to provide continuity of care, to the excellent standard we desire for the existing community.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Object Soundness - DM43.4  
Justified 502

The proposals to develop this site for Gypsy and Traveller pitches is completely inappropriate because:

- It is in Green Belt and is therefore contrary to Policy E of Planning for Traveller Sites (government guidance)
- The site is some distance from public services
- A site should be found in the Purley Way area instead where the existing site is
- A site here would compromise the ability of the current generation and future generations to enjoy this green space
- Damage to this green space would make Croydon a less attractive place to live in and discourage business relocation to Croydon reducing employment opportunities for Croydon's residents
- The scoring system does not reflect the importance of green spaces and is highly objectively
- The road access to this site is a single track lane which would be inaccessible to large mobile homes.
- There is a mistake in the scoring system and it should be recorded as - 5 for being in Green Belt, not +5
- The social deprivation criterion is illogical as pressures on services apply equally across Croydon

The assessment should be reassessed by an independent party. Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2588/02/001/DM43.4/O M G & T N Flynn	Object	Soundness - Justified	DM43.4 502	<p>Our objections in respect of the Coombe Farm are as follows:</p> <ol style="list-style-type: none"> <li>1. The site is in a green belt area. National guidelines say that travellers/gypsy sites in the greenbelt are inappropriate development. Even if the properties are demolished to provide for the pitches there will still be a large spill over into the Green Belt. This means that planning permission should not be available.</li> <li>2. The site is on a single track lane with a very narrow access onto Oaks Road which the large mobile homes will not be able to access. The lane is also used by aggregate Lorries (shorter than mobile homes), local residents, members of the sports ground and opposing teams and visitors to Lloyds Park, a much loved public amenity.</li> <li>3. The site has no safe walking route to schools, shops, doctors, etc. There is no pavement along Oaks Lane and very poor lighting when dark. There is only partial pavement on one side of the road along Oaks Road as well. How will it be possible to safeguard so many additional people including a great number of children? This development is unsustainable as everyone will have to use cars to access the basics of life.</li> <li>4. The size of the pitches would accommodate a far greater number of caravans than can be controlled by planning restrictions. Even if the restrictions are adhered to, there could be as many as three families on each pitch. With planning for 20 pitches this would mean 60 families and 60 mobile homes, not to mention additional caravans in tow, trucks, vans, trailers and cars.</li> </ol>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Object Soundness - DM43.4  
Justified 502

Coombe Farm Sites is on the Green Belt.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Summary:

Not in line with Government planning policy on the Green Belt

Detail:

- Government planning policy with regards to traveller sites wants to ensure that plan-making and decision-taking should protect Green Belt from inappropriate development.

- The proposal to create a permanent traveller site on land designated as Green Belt land is contrary to Policy E of the Planning Policy: "Inappropriate development is harmful to the Green Belt and should not be approved, except in very special circumstances.". There are no very special circumstances.

- The National Planning Policy Framework makes it clear that unmet housing need (including for traveller sites) is unlikely to outweigh the harm to the Green Belt and other harm to constitute the "very special circumstances" justifying inappropriate development on a site within the Green Belt.

- The local character description is clearly at odds with the proposal.

- The justification acknowledges the Green Belt issue, though insufficiently, but relies on the fact that there are existing structures. These are not in fact substantial – being glasshouses – and could be said to be at least environmentally consistent with the Green Belt. But there is no very special circumstance justification proposed as required by Planning Policies.

- Approving the proposal would set a precedent and open the surrounding areas to be subject to similar development. It is not in the community's interests to allow the erosion of the green spaces surrounding the community and we object to the impact this site could have on the environment and wildlife.

In the light of these issues, it is not appropriate simply to weight Green Belt as one of many factors to be considered, but rather it presents an overarching policy objection that cannot be over-ridden in the way proposed.

The decision making process is contrary to Government guidance. To be considered deliverable, sites should be available now, offer a suitable location for development now and we do not believe that The

Assessment and selection of sites for Gypsy and Travellers undertaken was credible.

Plan makers have not considered the time it will take to commence development on site need for infrastructure improvements – roads, GPS, schools and transport.

There is basis for challenging the way in which this potential site has been selected.

1 Para 3.1 – Green Belt sites included for review of eligible sites “to ensure that all locations for a site considered”, but at the same time “Exclusion of sites in Croydon Metropolitan Centre and within District Centres and Strategic Industrial Locations and Conservation Areas due to viability, deliverability and impact on heritage considerations”. To me, this view appears unbalanced and un-evidenced, as if other relevant criteria have not been considered. Why is a ‘conservation area’ or ‘industrial location’ not viable, yet a very pleasant piece of open parkland near central Croydon which is accessible to most residents of the borough suddenly is viable? There is no evidence for these assertions of viability.

4 Para 4.1 sets out the criteria and weightings. As indicated above, Green Belt with no built form is given a weighting (-10) which, though high, is not very significant given that there are 29 or 30 criteria and can easily be outweighed by other factors that are less significant in policy terms. Furthermore, Coombe Nurseries has been weighted -5 for Green Belt, in recognition of the fact that there are some structures on the site, AND has been given 5 for the fact that (in the assessor’s view) such structures as there are can be converted to traveller use (if the buildings had to be demolished, on a green field site, this would have attracted -5).

1 SP2.7 on the Council’s proposals to deliver 39 additional gypsy and traveller sites indicates that land will be allocated in accordance with the proposals, but that any ADDITIONAL sites that are not so allocated should meet some stated criteria, including good access to local shops and essential services and good transport access; these seem to be criteria that were excluded from the proposed allocation, suggesting that any alternative proposals would need to meet stiffer criteria. Is this a fair view?

2 The bases for site criteria weightings are unclear.

The proposed development does not meet the needs of the present (see further info in section 3):  
Gypsies and Travellers needs are not addressed: not enough local amenities, sites are too big, unfit local roads.

The proposed development does compromise the future of the local area.

- Government planning policy is to ensure local planning authorities have due regard to the protection of local amenities and the local environment.
- It is likely the proposals will have an adverse effect on local businesses
- Coombe Wood is a Site of Nature Conservation Interest (SNCI) (List of Historical Park and Gardens 2008) and borders the proposed Coombe Lodge Nurseries site, and would be negatively impacted by the plans. Croydon Council has already recognised this in its Development Management Policies document.
- The Borough Character Appraisal of 2015, the local area is listed as having special character. The proposed development is not sensitive to, and does not respect, this.

Based on survey responses, most Gypsies and Travellers living in the Croydon area would prefer small, family sized sites. Stakeholder comments suggested that smaller sites have fewer inter-family tensions and are therefore easier to manage. The plan goes against these wishes

- The proposed plan does not take into account the need for good access to roads. The Croydon Local Plan paragraph 4.19 refers to the need for good access to roads, stating that Gypsies and Travellers "often need to move larger vehicles as part of their livelihood and way of life". – this may be an assertion relevant to the assessment of sites and the narrowness of Coombe Lane. The proposed sites are not suitable for traveller vehicles.

- It is very important that the site has a safe entrance and exit. There are very strict Highway regulations about visibility at the entrance/exit to sites to ensure there is no danger of accidents. This links into the insufficient local infrastructure and we know how dangerous the junctions Coombe Road/ Oaks Road/ Conduit Lane can be. Both sites are accessed by single lane roads and the proposed plans do not take into consideration the potential extensive

alterations needed to the local road network.

10.18 The settled community neighboring the sites should also be involved in the consultation from an early stage. There may be scope for expanding existing sites to meet some of the need. However, the preference is for smaller sites which tend to be easier to manage.

- Is there not scope for extending existing sites in the Borough to meet some of the need? It is not clear how much consideration has been given to this.

10.19 In terms of identifying broad locations for new sites, there are a number of factors which could be considered including:

- Social
- School catchment areas

- The area is not in a school catchment area.

10.21 Gypsies and Travellers undertaking the survey also suggested that it is important that new sites are located close to amenities such as shops, schools and health facilities

- There are no local shops and amenities
- There are no local buses although there is a Tram
- The GPs in the area are already full to bursting.
- Croydon University hospital cannot cope with the influx of patients already. This would add further nursing and Finance pressures/

10.22 CLG (2012) guidance suggests that Local planning authorities should strictly limit new traveller site development in open countryside that is away from existing settlements

- Gypsies and Travellers often need mixed-use employment sites (as they often run a business from the place where they live). The proposed plan does not address this in a Green Belt location where commercial activities on site could lead to substantial hazardous contaminants and waste materials escaping from the site.

□

- Gypsies and Travellers often express their preference to be within walking distance of shops/ health centres/ schools/ local amenities. The proposed sites are not close to any of these. The proposed sites go against Gypsies and Travellers preferences and against environment

and climate initiatives by promoting the use of their own vehicles for daily life.

- From Government Guidelines, Local planning authorities should ensure that their policies ensure that children can attend school on a regular basis. The site is well away from schools (particularly primary school provision) and clearly does not reflect the above aim, or facilitate regular school attendance. Widely recognised by Government source that literacy can be an issue within the Travelling community, this would place even more pressure on local schools to provide for support of their needs. Recent studies suggest a greater proportion of ill-health amongst the travelling community, adding more pressure to local health centres. In addition to going against Government Planning Policy for traveller sites, the closest services will therefore have further demands placed on them.

- There is evidence of periodic overcrowding on traveller sites, throughout the year and at a peak during winter months. This would yet further increase demand on local services. The plan makers have made no indication that they would take this into consideration or look to limit overcrowding.

The Croydon Local Plan Note that paragraph 4.19 in referring to the need for good access to roads, states that "they often need to move larger vehicles as part of their livelihood and way of life" – this may be an assertion relevant to the assessment of sites and the narrowness of Coombe Lane. The local roads would not be suitable for the continuous use of "larger" vehicles.

- gypsy-traveller.org - The best type of land is a 'brown field' site. The site should be close to local amenities. It is very important that the site has a safe entrance and exit. There are very strict Highway regulations about visibility at the entrance/exit to sites to ensure there is no danger of accidents and this is very important.

The objections may be summarized as:

- inappropriate use of Green Belt land
- lack of relevant amenities close to hand
- Lack of supportive infrastructure
- adverse effect on neighboring

businesses and leisure amenities  
-site has a more appropriate use for a school

2599/01/007/DM43.4/O	Helen Armstrong	Object	DM43.4 502	Coombe Farm should be acknowledged as Green Belt	Coombe Farm should be acknowledged as Green Belt	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2600/01/001/DM43.4/O	Hitesh Patel	Object	DM43.4 502	<p>I am writing to register my objections for the following proposed sites for Gypsy and Travellers Site Coombe Farm, Oaks Road - Reference 502.</p> <p>Following up from the letter sent by Steve Murphy (General Manage). I too am not happy with what you are planing to impose on our lives. Reiterate, the travellers/Gypsies are very rude &amp; me being of Indian origin, little children of not older than 6 or 7 came over, took our golf balls, calling me racially abusive names with their guardians not standing more than few yards. I do not believe a society of such vulgarity should be accommodated at the cost of decent law abiding citizens. I'm not being a Nimby, just want to enjoy my time at this beautiful golf course at the weekends in the main, so please put yourself in our shoes. Please reconsider your options. As a suggestion, opposite Purley way playing fields would be ideal place to create an enclosure.</p> <p>Its also not fair that whereas we pay for our way in life these get handed pieces of land at our expense. I've every faith in you &amp; your team to make the right choice without upsetting the apple cart.</p>		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2604/01/002/DM43.4/C	I and W Smith		DM43.4 502	<p>We are writing to object to the use of the following locations as gypsy/traveller sites. Coombe Farm off Oaks Road reference number 502</p>		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2605/01/022/DM43.4/O	Ian Broyd	Object		DM43.4 502	Croydon has very few green places that are actually loved and residents are proud of so they need to be left as they are or enhanced. The proposal to place travellers site is not acceptable. These sites are stated by the Council to be in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". Also these sites are far from schools and shops therefore not suitable for the proposed change of use.	The site should not be allocated as gypsy and traveller site.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2617/01/002/DM43.4/O	Richard Parrish <i>Archbishop Tenison's School</i>	Object		DM43.4 502	I am writing on behalf of the school and its Governors to object to the use of the following locations as gypsy and traveller sites: Coombe Farm off Oaks Road, site reference 502. The ground for my objections is: both sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b, with Policy SP7.2 and the protection of the green grid or with 6.15 Strategic Objective 10 relating to the green grid;		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2618/01/004/DM43.4/O	Miss P Jones	Object		DM43.4 502	I most strongly object to the use of either the locations planned as Gypsy/travellers sites as they are both in green belt and one borders a site of Nature Consenation interest. The Government clearly states that "Traveller sites (temporary or permanent) in the green belt are inappropriate development.		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2624/01/001/DM43.4/O	Mr T A Braim	Object	Soundness - Justified	DM43.4 502	Why do Gypsies and Travellers have preferential treatment with regard to having sites where public transport accessibility is not an issue disregarding government guidance. Likewise over privacy.  This site will require access to Coombe Road at a staggered junction which is congested at the best of times and a nightmare in the morning and evening peaks.	If Green Belt sites are being considered why not consider sites such as Site 536, 632 or 767 as well?	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2626/01/001/DM43.4/O	Mrs A Little	Object	DM43.4 502	This is inappropriate development in the green belt; there are no local amenities for mothers and young children - primary schools, local shops, doctors surgeries. There is a need for infrastructure improvements, road access and schools. There are not enough local amenities. IT is highly likely the proposals will have an adverse effect on local businesses. The area is listed as having special character (the Borough Character Appraisal 2015) and the proposals are not sensitive to	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2628/01/001/DM43.4/O	Mr Marin Little	Object	DM43.4 502	<p>The proposed site is not suitable for the proposed development; it is not close to any amenities such as schools, shops, medical services. It would create a significant road hazard and greatly increased traffic. It would be inappropriate use of green belt. There are many more suitable sites for the proposed development. There is a complete lack of local infrastructure, funds and acceptance by local ratepayers and tax payers. Probable hostility between local residents and inhabitants of the proposed site.</p> <p>There is a lack of local amenities, adverse effect on local residents and businesses. Inappropriate use of green belt land; negative impact on local environment, flora and fauna.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2635/01/002/DM43.4/O	Paul Sandford Bourne Society	Object	DM43.4 502	<p>I object to the use of the following locations as gypsy and traveller sites Coombe Lodge Nurseries off Conduit Lane, site 661; Coombe Farm off Oaks Road, site 502; Pear Tree Farm and Pear Tree Farm Cottage, Featherbed Lane, site 755; as all three sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b. Furthermore, Policy E of 'Planning Policy for Traveller Sites', published by the Government in August, states very clearly that 'Traveller sites (temporary or permanent) in the Green Belt are inappropriate development'. The provision relating to travellers/gypsies in the Housing and Planning Bill will also remove sections 225 and 226 of the Housing Act 2004 which placed a duty on housing authorities to carry out an assessment of the accommodation needs of this group when reviewing housing conditions and needs within their areas (a process required by section 8 of the Housing Act 1985). Section 8 will also be amended to make it clear that the duty covers consideration of the needs of people residing in, or resorting to the district for, caravan sites and houseboat mooring sites.</p> <p>I am also concerned by the evidence base for these selections, namely the 'Assessment and Selection of Sites for Gypsy and Travellers'. This assessment contains a vast number of very subjective criteria against which to judge site suitability and has been the subject of 'extensive political consultation'. This political consultation has only taken place with the Labour Administration and has not been conducted on a cross party basis. This begs the question as to what undue political influence may have been placed on the particular criteria which have been used and indeed the selection of the preferred sites. There is also some question as to why the same scoring system has not been used for each set of criteria, rather than subjectively giving weight to certain criteria. Furthermore, the scoring for individual sites has not been carried out in accordance with the table shown at 4.1. A number of sites have been marked incorrectly, for example, site 661 has been scored at 5 for Greenbelt/MOL, when the score should be -5. This begs the question as to how many other inaccuracies are in the document.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
----------------------	---------------------------------	--------	---------------	---	--------	--

Coombe Lodge Nurseries, Conduit Lane is on the Green Belt.  
Not in line with Government Planning policy on the Green Belt.  
- Government Planning Policy with regards to traveller sites wants to ensure that plan-making and decision-taking should protect Green Belt from inappropriate development.  
- The proposal to create a permanent traveller site on land designated as Green Belt land is contrary to Policy E of the Planning Policy  
"Inappropriate development is harmful to the Green Belt and should not be approved, except in very special circumstances. There are no very special circumstances.  
The preferred approach is not deliverable. To be considered deliverable, the sites should be available now, offer a suitable location for development now and we do not believe that the Assessment and selection of the sites for Gypsy and Travellers undertaken was credible.  
Plan makers have not considered the time it will take to commence development on site, need for infrastructure improvements - roads.  
There is basis for challenging the way in which this potential site has been selected.  
1. Para 3.1. Green Belt sites included for review of eligible sites "to ensure that all locations for a site considered" but at the same time "Exclusion of sites in Croydon Metropolitan Centre and within District Centres and Strategic Industrial Locations and Conservation Areas due to viability, deliverability and impact on heritage considerations". Is this even handed?  
4. Para 4.1 sets out the criteria and weightings. As indicated above, Green Belt with no built form is given a weighting (-10) which, though high, is not very significant given that there are 29 or 30 criteria and can easily be outweighed by other factors that are less significant in policy terms.  
Furthermore, Coombe Nurseries has been weighted -5 for green belt, in recognition of the fact that (in the assessors view) such structures as they are can be converted to traveller use (if the buildings had to be demolished, on a green field site, this would have attracted -5).  
1. SP2.7 on the Council's proposals to deliver 39 additional gypsy and traveller sites indicates that land will be allocated in accordance with the proposals, but that any ADDITIONAL sites that are not so allocated should meet some stated criteria, including good access to local shops and essential services and good transport

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

access; these seem to be the criteria that were excluded from the the proposed allocation, suggesting that any alternative proposals would need to meet stiffer criteria. Is this fair and even handed? The basis of the criteria weightings are unclear.

-The national planning policy framework makes it clear that unmet housing need (including for traveller sites) is unlikely to outweigh the harm to the Green Belt and other harm to constitute the "very special circumstances" justifying inappropriate development on a site within a green belt.

- The local character description is clearly at odds with the proposal.

- The justification acknowledges the green belt issue, though insufficiently, but relies on the fact that there are existing structures.

These are not in fact substantial - being glass houses, and could be said to be at least environmentally consistent with the green belt. But there is no very special circumstance justification proposed as required by planning policies.

- Approving the proposal would set a precedent and open the surrounding areas to be subject to similar development. It is not in the community's interests to allow the erosion of the green spaces surrounding the community and we object to the impact this site could have on the environment and wildlife.

In light of these issues, it is not appropriate simply to weight Green Belt as one of the many factors to be considered, but rather it presents an overarching policy objection that cannot be over-ridden in the way proposed. The decision-making process is contrary to Government guidance.

2638/01/001/DM43.4/O	Mrs Tracey Whitfield	Object	DM43.4 502	<p>Buidign on green belt land does not meet the Strategic objectives. National Planning Policy for Traveller Sites states that temporary or permanent sites are inappropriate development in the green belt. There are no apparent exceptional circumstances that could warrant the proposed use of this green belt site. It would set an unwanted precedent.</p> <p>The road infrastructure is inadequate to allow vans and caravans in and out of Coombe Farm and the road is currently a single track. There are no local services such as schools, shops or healthcare facilities and would therefore not serve the traveller community very well.</p> <p>National policy dictates that in planning for traveller sites, the Council must relate the number of pitches or plots to the circumstances of the specific size and location of the site and the surrounding population's size and density. An area impact assessment must be considered by the Council as part of the planning process.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
2639/01/002/DM43.4/C	Mr J Skillicorn		DM43.4 502	<p>The following should be added:to SP2.7;</p> <p>IT MUST BE ENTIRELY ACCEPTABLE IN RELATION TO ITS IMPACT ON NEARBY PUBLIC SPACES AND RESIDENTS AND BUSINESSES IN THE AREA</p> <p>If this was included for site 502 it would be realised that the development was inappropriate due to the green belt and the lovely gardens of Coombe wood</p> <p>These areas should be left to families and dog walkers to enjoy the open space</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

2642/01/002/DM43.4/O	Mr John Walsh	Object		DM43.4 502	<p>Objects to all gypsy and traveller sites (as chairman of Campion Close Freeholders Limited and Parkland Management Company Limited which comprise 75 properties). The proposals conflict with Policy E 'Planning Policy for Traveller Sites' which states that temporary or permanent sites are inappropriate development in the green belt. What happens if the travelling community outgrow these sites? Surely the many industrial sites in the area would be more suitable, or Valley Park?</p> <p>The proposals would clearly harm the green belt and would have a negative impact on the environment and wildlife in Coombe Wood, Shirley Hills and Lloyd Park some of which is a Site of Nature Conservation Interest and it would create a precedent for further erosion of our valuable local amenity.</p> <p>Coombe Road and Coombe Lane are already very busy roads. These proposals would exacerbate this problem if significant road improvements were not carried out. These proposals would also exert pressure on local services that are already stretched. The junctions at Coombe Road, Oaks Road and Conduit Lane are already dangerous.</p> <p>What social and economic benefits would a gypsy and travelling community bring to the existing local community in this area as well?</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2642/02/002/DM43.4/O	Mr John Walsh	Object		DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2644/01/001/DM43.4/O	Mrs E Ballard	Object	Soundness - Justified	DM43.4 502	I object to the allocation of Coombe Farm as a Gypsy and Traveller site. In the past few years we have suffered from frightening results from unauthorised Travellers sites. Residents and local businesses alike have experienced unsociable behaviour problems and unacceptable mess, with both physical and psychological effects. I urge you to see that these plans are not allowed.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

I am writing to object to: The use of the following locations as traveller sites: Coombe Lodge Nurseries off Conduit Lane Site reference 661, Coombe Farm off Oaks Road Site reference 502, Pear Tree Farm Featherbed Lane 755 Because these sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b

To build so close to award winning gardens such as Coombe Gardens, Heathfield or a picturesque Wedding Venue such as Coombe Farm will be detrimental for the local businesses and residents. People from the wider area also enjoy these places. People travel from miles around -even by the coachload -to see these parks in Croydon. If they are built right up to with mobile homes or prefabs and other semi-permanent residences, they cannot fail to appear less attractive. With regard to homes for Travellers, I do not wish to stereotype any group in our society, but first-hand experience of travellers staying recently in Sunken Lane has shown that they do not respect our precious green areas in the same way as the Heathfield and Ballards Farm residents do. I visited Sunken Lane after their recent departure and I saw bathroom suits, mattresses and piles of other waste including dirty nappies and rubbish dumped in and around the beautiful Shirley Hills area. Pathways were blocked and cars could not turn in Sunken lane. Street lights in the local area had been broken so that this fly tipping could not be filmed by CCTV. In the days before, my sons had felt intimidated when travelling home from school by the travellers' children and had to call me to collect them by car from the Coombe Rd tram stop. I took the time to visit the Layhams Farm Traveller site so that I could make an informed opinion and I was greeted by dogs off leads and groups of men gathering as soon as I approached. They did not trouble me, but I was made to feel decidedly unwelcome. Outside of the area some of the teenagers were crouched in the road and were smashing the top off bottles and then sprinkling glass in the road where cars were passing. If the sites proposed are to be like this, then I would be very unhappy if the plans were to go ahead.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

The assessment and selection of sites for Gypsy and Travellers has been unacceptably skewed in favour of remote and unsustainable sites. Premier Inn Hotel Ltd objectives to the proposed allocation for the following reasons:

- The site is located in Metropolitan Green Belt. The DCLG's Planning Policy for Traveller Sites explicitly states in Policy E that traveller sites are inappropriate development in the Green Belt. It also notes that unmet need is not 'very special circumstances' that would justify development in the Green Belt. The proposed allocation is contrary to this policy.

- In the Council's assessment it states that a score of -5 will be applied to sites with 'built form' in the Green Belt. However, in the assessment a score of +5 was applied to this site. The importance of this site's Green Belt designation has been undervalued. The assessment draws a distinction between Green Belt sites with and without 'built form', a distinction that is not supported by national level policies and guidance. Other assessment criteria (e.g Flood Zone) with -5 is given a "red" status whereas the -5 for Green Belt has only been given "amber". This indicates that the Green Belt has not been properly taken into account.

- The Council notes that the Gypsy and Traveller population prefer to use their own transport and be located away from the existing residential community. This is contrary to CLG guidance.

- The changes proposed in the Housing and Planning Bill are also relevant as this indicates that Central Government is against Gypsy and Traveller housing being treated in isolation from the rest of the population, contrary to the approach adopted by Croydon Council in this assessment.

- The Council's assessment under 'privacy' gives a score of +10 to sites away from existing residential areas and -10 for sites in existing residential areas. Other criteria only have a 5 point swing. The assessment therefore gives a strongly weighted preference to comparatively remote and unsustainable potential sites that are considered to be 'private' while underrating factors that are relevant to the sustainability of potential sites which is directly contrary to the NPPF.

In conclusion the proposed allocation is the result of a flawed assessment and should be removed from the Local Plan in favour of a

The site should not be allocated for a Gypsy and Traveller site and the assessment criteria should be reviewed.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

more sustainable site.

---

2652/02/001/DM43.4/O	Colin Hart Oaks Farm Receptions	Object	DM43.4 502	<p>I am writing to strongly object to the permanent Travellers site proposed on Coombe Farm. I have numerous points to raise with Croydon Council.</p> <ol style="list-style-type: none"> <li>1. The access road to Coombe Farm is very narrow especially where it joins Oaks Road. Large mobile homes will not be able to gain access.</li> <li>2. As far as I am aware it does not have main drainage. Who will pay for that improvement?</li> <li>3. The land is constantly water logged even in the summer and prone to flooding. Who will pay for the necessary new drainage?</li> <li>4. Oaks Road suffers from traffic jams due to the tram crossing and the difficulty in turning right onto Coombe Road. Caravans, trailers and lorries owned by Travellers will only add to this problem. Oaks Road has also had numerous accidents due to speeding hence the speed monitor on the road.</li> <li>5. This area already has a serious problem (as in deed does all the borough) with Travellers. The area is surrounded by green fields and a permanent Travellers site will only be a magnet to other Travellers</li> <li>6. Will new street lighting be necessary and who will pay for it?</li> <li>7. If the Travellers have access to the house at Coombe Farm, will you be contacting English Heritage for their approval for any work that is carried out on the property as it is listed.</li> </ol> <p>Travellers have occupied the field in front of our house and adjacent to it on numerous occasions, causing many difficulties and anxiety to us. These are some of the many problems we have had to deal with;</p> <ol style="list-style-type: none"> <li>1. Many times they have driven lorries and vans at speed through our front garden when a wedding was taking place. Young children are playing in this area as well as adults socialising. It is a very frightening experience for everyone and we cannot stop them.</li> <li>2. I have been swore at and shouted at when I have been attempting to clear up the rubbish they have left in the lane before a wedding. This includes bags of faeces on the ground and hanging from the trees.</li> <li>3. We have witnessed young adults and children from the Travellers site stealing scooters, tricycles and space hoppers belonging to our grandchildren from our garden. We have been told by the police not to approach them. The security man and the dog handler that was on the field told me they took our garden toys away with them.</li> <li>4. On one occasion the travellers</li> </ol>	<p>I would not object to Coombe Farm being developed into good social and affordable housing which we so desperately need in the borough. I do object to Travellers being allocated such a prime amenity. Travellers have made a life style choice, however, homeless young people and families have not.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
----------------------	------------------------------------	--------	---------------	---	---	--------	---

arrived in our lane at about 7.00 pm just as some guests at the wedding were leaving and others were arriving for the evening party. The Travellers completely blocked the lane and nobody could move. They were very abusive to the wedding guests. A neighbour called the police on our behalf. The police tried to stop the Travellers getting onto the field but eventually they had to let them enter the field because the Travellers were becoming very nasty. The residence of Oaks Road and Oaks Farm had to then live with these people next to their houses until the council removed them. We were very grateful for the council's action, thank you.

We have taken the advice of the police and never approached the Travellers, they warned us how aggressive they can be. Our house is quite isolated and we have no street lighting. We are very concerned about having Travellers so close. We have always cooperated with the police and Croydon Council in trying to stop the Travellers occupying the fields in this area and have had to report numerous incidences of fly tipping.

A few years ago Croydon Council asked us to contribute £6,000, half the cost of a bund running along the length of our access road. This we agreed to do. Unfortunately a gate had to be put in the bund for access for grass cutting purposes. The Travellers have broken the lock on the gate twice and entered the field. The golf course have recently kept a trailer across the gate to stop the Travellers entering. They have also had many problems with the Travellers.

Having three Traveller's sites so closely located in an area will form a strong and sometimes difficult Traveller and Gypsy community (Romany Gypsies dislike Travellers). This will change the demographics of the Heathfield Ward. As I have said before and cannot emphasize enough, it will attract other Travellers to the green fields in this ward. Croydon Council are storing up a serious problem for themselves, especially as some of the sites are privately owned. Has nobody learnt the lessons of Dale Farm in Essex! Do you really want this to happen in Heathfield in five or six years' time.

2652/01/002/DM43.4/O	Colin Hart <i>Oaks Farm Receptions</i>	Object	DM43.4 502	<p>Oaks Farm Receptions Ltd objects to the proposed allocation of Coombe Lodge Nurseries, Conduit Lane and Coombe Farm, Oaks Road as Gypsy and traveller sites for the following reasons.</p> <p>Both sites are located within the Metropolitan Green Belt. Policy E of the DCLG's Planning Policy for Traveller Sites (August 2015) explicitly states in that traveller sites are inappropriate development in the Green Belt. It also notes that unmet need is not a "very special circumstance" that would justify development in the Green Belt. The proposed allocation is therefore contrary to this policy.</p>	<p>In conclusion, the proposed allocation of Coombe Farm, Oaks Road (site number 502) and Coombe Lodge Nurseries, Conduit Lane (site number 661) as Gypsy and traveller sites is the result of a flawed assessment process. These proposed allocations should be removed from the Local Plan and more sustainable sites that would not result in inappropriate development in the Green Belt should be sought</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
2653/01/003/DM43.4/C	John Clingan <i>South Croydon Community Associ</i>		DM43.4 502	<p>1.Travellers/Gypsy Sites: We echo concerns raised by other voices in Croydon. While accepting the need for appropriate sites for travellers and gypsies we question the ability of the Council with current levels of resourcing to manage an increased number of sites effectively. With specific reference to Coombe Lodge Nurseries and Coombe Farm:</p> <ul style="list-style-type: none"> <li>•The loss of the greenhouses at the Nurseries site (Conduit Lane) has potential significance for community, educational and employment opportunities</li> <li>•This will be a new, permanent development on green belt land</li> <li>•Access to and from the site on a dangerous section of Coombe Road will impact on traffic flow and road safety more generally.</li> <li>•There is no overflow space if and when the site becomes full.</li> <li>•There is likely Impact on parking for access to Coombe Woods, the café and on the elderly visiting the area</li> <li>•As the two nearest schools (Royal Russell and Cedars Catholic) are independent, does this satisfy the criteria that travellers sites be located close to schools?</li> <li>•Similarly, the criteria that sites should be close to shops will not be met.</li> <li>•There is a real concern that there will be a negative impact on the environment of Coombe Woods, its biodiversity and the contamination of groundwater. Recent experience in Lloyd Park demonstrates a potentially serious problem with litter and lack of rubbish disposal. This leads to the Council having to collect rubbish and the creation of a hazardous refuse collection point</li> </ul>		Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

2657/01/031/DM43.4/O	Rebecca Pullinger CPRE London	Object	Soundness - Effective DM43.4 502	<p>The more specific site allocations represent a large reduction in the amount of designated and non-designated open space. While we acknowledge the need to build new homes and associated infrastructure such as schools, Croydon's growing population also needs quality open spaces for all the human amenity and ecosystem services which they provide.</p> <p>This area of Green Belt has not been removed from the Green Belt via the Review process; therefore it must be assumed that it continues to meet the criteria for designation. Therefore, the proposed Gypsy and Traveller Site would be considered to be an inappropriate development (following Policy E of Planning Policy for Traveller sites published by the Government in August 2015) and the Council must prove that exceptional circumstances exist. The fact that it may in part be brownfield is not a reason in itself to waive this protection. We request clarification that any proposed development at the site must ensure that they use the same footprint of the building and do not increase any height, ensuring that the openness of the Green Belt is not affected.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2659/01/007/DM43.4/O	Mr Paul Quaintance	Object	DM43.4 502	Incorrect calculation in the selection criteria for 502 (Coombe Farm)	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2662/01/007/DM43.4/O	Mr Terrence Pais	Object	DM43.4 502	Incorrect calculation in the selection criteria for 502 (Coombe Farm)	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2664/01/001/DM43.4/O	Ms Alison Lawton	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation as it would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b. I believe that in your report you have miscalculated. The category where the mistake has been made is GB/MOL where an amber rating has been correctly given. The score for an amber is -5 and a +5 score has been incorrectly allocated. This reduces the overall score for the site by ten points from 26 to 16.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2666/01/002/DM43.4/O	C Morley-Smith	Object	DM43.4 502	Any permanent sites for these people need to be properly managed and controlled and the occupants seen to be paying their way as other residents in the borough are expected to.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2668/01/001/DM43.4/O	Mrs Zelda Levy	Object	DM43.4 502	Site is in the Green Belt and is contrary to Government Policy. Croydon needs Green Belt more now than ever due to the number of high-rise blocks of flats. It is vital that the Green Belt is kept open, permanent and not subject to encroachment.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2678/01/001/DM43.4/O	Ms Lorna Bennett	Object	DM43.4 502	I have witnessed numerous incidents where travellers have occupied parts of Lloyd Park and the surrounding area without permission. I have always felt intimidated and have been personally threatened and insulted by them. I believe it would be a gross misuse of our vital Green Belt and a detriment to the whole area for this site to be used for Gypsy and Traveller pitches.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2679/01/005/DM43.4/O	Mrs Valerie Mickelburgh	Object	DM43.4 502	The land is green belt.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2682/01/004/DM43.4/O	Mr & Mrs Kellas	Object	DM43.4 502	I would say to the Council Croydon is full and kindly leave our precious Shirley open spaces and attractive streets alone, we don't need an odd assortment of blocks of flats amongst the semi-detached and small detached properties here, or in similar Croydon suburbs -it would be an architectural disaster along the lines of the 1950s concrete jungle development of the centre of Croydon. And we don't have the infrastructure to cope with more people, or the roads to cope with the traffic we already have.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2683/01/003/DM43.4/O	Mr & Mrs Iles	Object	DM43.4 502	The idea of developing the areas in and around Oaks Road is completely nonsensical. Again, who ever thought up this one does not believe in green spaces or the considerable increase in the local road infrastructure.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2695/01/003/DM43.4/C	Cllr Chris Wright <i>London Borough of Croydon</i>	Comment	DM43.4 502	There is concern that sites that have been identified as locations for gypsies and travellers are considered inappropriate in green belt and constitute a dangerous precedent.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

5. Proposed Policy DM43 Creation of Gypsy /Traveller sites at Coombe Farm, off Oaks Road, Coombe Lodge Nurseries, off Conduit Lane and Pear Tree Farm and Pear Tree Cottage Featherbed Lane.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

I object to the use of any of these locations for the creation of Gypsy/Traveller sites. All three locations are within the Green Belt and one borders a site of Nature Conservation Interest. Such development is in breach of Policy E10 Planning Policy for Traveller Sites, which says that 'Traveller Sites (temporary or permanent) in the Green Belt are inappropriate development'. All three sites are also a considerable distance from public services. I believe that the proposal to create three new Gypsy/Traveller sites now, and 39 by 2036 is excessive and will have an adverse effect on the borough. If the number of Gypsy/Traveller sites really needs to be increased by this amount then a more appropriate location would be around the existing site at Purley Way. The positioning of a Gypsy/Traveller site adjacent to the car park for Coombe Woods, between the Chateau Restaurant and the Hotel/restaurant, would probably deter me from using any of these attractions.

For the reasons given above:

1. I do not think that the preferred approach is the most appropriate for Croydon to help us meet our Strategic Objectives set out in Section 3.
2. The preferred approach is deliverable, but not acceptable.
3. I do not think the preferred approach enables sustainable development, because it will compromise the ability of future generations to meet their own needs.
4. I recommend that consultation documents of such importance are given much wider publicity.

I have restricted my objections to those plans that primarily affect the area of Shirley I which I live, but the same objections apply to other proposals in other parts of the borough.

2699/01/002/DM43.4/O	Mr & Mrs Tahir	Object	Soundness - Justified	DM43.4 502	The site should remain as Green Belt and the access is not suitable for large vehicles and mobiles which would cause problems for drivers  It would have an adverse impact on local businesses and the Golf Club	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2700/01/002/DM43.4/O	Mr & Mrs Thomas	Object	Soundness - Consistent with National	DM43.4 502	It is inappropriate to site a Travellers site at this location. It is contrary to government policy as it is Green Belt.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

We wish to object to the proposal Gypsy/Traveller site Ref 502 for the following reasons

- Sustainability of the proposed site and the need for any such provision

The current proposals seem to have been produced in isolation from the other neighbouring Councils even though the above clearly indicated that nearby councils such as Sevenoaks, Tandridge and Bromley have a higher demand. Proposals in the Housing and Planning Bill 2015-16 are to remove the statutory requirement on local authorities to assess the specific accommodation needs of Gypsy and Travellers - the emphasis being that when authorities are carrying out a review of housing need that it considers the needs of all the people residing in or resorting to their district, without any references to Gypsies or Traveller.

We hope that the Council will consider the needs of our neighbours and local services and businesses as weighty as those of the Gypsy and Travelling people. There is a lot of opposition to the proposed sites from people currently residing in the district due to the threat of the Green Belt, increase traffic and increased pressure on local services.

The Assessment selection for the sites for Gypsies and Travellers scored lowly should have resulted in an acceptance that none of the sites are really particularly suitable and that the Council will need to liaise with other Councils if determined to make provision.

With regard to the sustainability of the sites, following on utilising the scoring assessment, we strongly object on a number of grounds:

- All sites lie within the Green Belt. This raises concerns about the impact on the Green Belt as a result of having to provide amenity blocks, communal facilities, safe play areas and areas for grazing horses.
- All three sites are unsuitable because they do not have good means to transport.
- Sites should have access to essential services including health and education facilities and access to local shops. None of the sites have good access to local schools (the nearest primary is over subscribed and the nearest post office is 1.7 miles away).

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2703/01/001/DM43.4/O	Mr & Mrs McFeat	Object		DM43.4 502	Objects to the use of the site for gypsy and traveller accommodation as it would have negative impacts on the adjacent golf course and would not encourage others to join the club. There have been instances in the past where illegal encampments have been set up in the area. Also the junction of Oaks Road onto Oaks Lane is not suitable for the amount and type of vehicles that travellers utilise on a daily basis. It would only be a matter of time before an accident would happen.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2706/01/001/DM43.4/O	Mr & Mrs Panagakis	Object	Soundness - Consistent with National	DM43.4 502	Object to proposed Gypsy and Traveller site at Coombe Farm off Oaks Road (reference number 502). This site is in the Green Belt. Policy E of Planning Policy for Travellers Sites published by the government in August [2015] says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development".  The site would have a detrimental impact on the successful businesses run at Oaks Farm and would not be appropriate next to the nearby school (The Cedars). Traffic along Coombe Road is already heavy and the development of these sites would make this even worse. The site is somewhat from public services. Finally from past experience of Gypsy stays (illegal) in the area, a large amount of rubbish and litter can be expected.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2707/01/001/DM43.4/O	Mr A E Hodgson	Object		DM43.4 502	The area now known as Lloyd Park, all this farmland was gifted to Croydon Council and very heavily covenanted by the Lloyd / Garwood family, so that the people of Croydon should FOREVER be able to use the area as a public open space purely for recreational purposes. I know that the Council took legal opinion and advice on the restrictive covenants earlier in this century when National Grid approached them in connection with a cable tunnel project in Lloyd Park. These covenants still bind Croydon Council legally and yet they are proposing to allow a permanent gypsy traveller site at Coombe Farm located in the surrounding of Lloyd Park	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2709/01/001/DM43.4/O	Mr & Mrs Rowlands	Object	DM43.4 502	<p>We enclose our statement of objection to the local development plan which we believe would profoundly damage the Shirley area and the in particular, we wish to oppose the proposed use of the Coombe Farm site Ref 502 for use as a Gypsy/Traveller site.</p> <p>We have unpleasant first-hand experience of living in close proximity to gatherings of travellers who have from time to time descended on fields neighbouring our house. We believe that allowing large groups to have sites in the same vicinity as the borough is proposing, is likely to bring similar problems. In the past the site of their encampment has been left strewn with litter and with evidence close to the mobile homes themselves, of illegal fly tipping. At times, we found the behaviours of some individuals to be intimidating.</p> <p>The case against the broader proposals as well as against the choice of the traveller sites as is well made in the documents to which we have added our signatures.</p> <p>There may in, the fullness of time be a case for making a legal objection to the Borough's plans along the lines of a judicial review, given the apparent breach by the borough of regulations designated to protect the green belt in the interest of the wider community, a legal objection we believe would command the support of many local residents who share our views.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
2713/01/001/DM43.4/O	Mr Alan Magrath	Object	DM43.4 502	<p>It is a green belt area and national guidelines say that traveller sites in the green belt are inappropriate. Planning permission should not be available. The site is accessed via a narrow road. There is poor lighting and no pavements. The sheer number of caravans, cars, trucks and vans on one site would be an eye sore on the edge of one of the few large green spaces in central Croydon.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Coombe Farm off Oaks Road, site reference 502 for use as a gypsy and traveller site, as this site would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b; or with Policy E of "Planning Policy for Traveller Sites" published by Government in August which states "Traveller sites in the Green Belt are inappropriate development";

Based upon the Scoring criteria Table 1, there are errors in the scoring in the policy designation assessment table under the GB/MOL. In view of the errors the following site should be considered:

- 16 - Heath Clark playing fields, Stafford Road Waddon
  - 120 - Timebridge Community Centre, Field Way, The Admirals Walk, Old Coulsdon.
  - 518 - Wandle Road surface car park, Wandle Road, Croydon Opportunity Area.
  - 536 - Land of former Croydon Airport runway, south of Imperial Way, Waddon.
  - 552 - Wandle Road surface car park, Wandle Road Croydon Opportunity Area.
  - 553 - By Pavillion Playing Fields, Purley Way, Waddon.
  - 632 - Land south of Threehalfpenny Woods, Kent Gateway, Bridle Way Addington.
  - 767 - Cane Hill south part, Hollymeoak Road, Portnalls Road, Coulsdon.
-

2719/01/006/DM43.4/O	Mr Chris Hutchinson Royal Russell School	Object		DM43.4 502	<p>Page 5 Green Belt designation - the applicable scores are -10, -5 and +10. The proposed sites all scored +5. The applicable score should be -5.</p> <p>Page 6 Privacy- this attracts a +10 or -10. A Green Belt, Open Land site will naturally provide greater privacy and so attracts +10, meaning the difference in score from a site with privacy to a site without privacy is 20 points- a sizable margin that impacts heavily on the ultimate score for each site.</p> <p>Page 6 Social Deprivation - why should these areas be treated differently and therefore attract a score of -10?</p> <p>Page 6 Access to Services - attracts a neutral 0 score. Why is access to essential services scored as unimportant?</p> <p>Page 6 Employment and community use re-provision - only scores -5. This should be higher if businesses need to relocate or cease to exist with loss of employment, such as the Wedding venue business on the Oaks Farm land.</p> <p>Page 7 Brownfield vs Greenfield site - The criteria indicated that a brownfield site that has a building that can be converted for traveller use will score 0, whilst a Greenfield site with the same criteria score +5. Please explain.</p>	502 - GBIMOL should be 5, not +5 as shown. Site access should be -2 and not +5. Building on Greenfield site should be 0 not +5. Overall score should be 4 not 26. Not including the +10 for Privacy	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
----------------------	---	--------	--	---------------	---	---	--------	--

2721/01/001/DM43.4/O	Mr A Zelisko	Object	Soundness - Justified	DM43.4 502	<p>I object to the use of this site as a Gypsy and Traveller site. The site is in Green Belt and contrary to national policy (as it is inappropriate development in the Green Belt).</p> <p>The immediate area is sparsely populated. National guidelines state the such sites should not overwhelm the nearest settlements and this site would.</p> <p>The Croydon GTANA 2013 specifies that proposed sites for Gypsies and Travellers should have good access to local shops. There are none near this site.</p> <p>The Croydon GTANA 2013 specifies that proposed sites for Gypsies and Travellers should be near bus routes and have good access to roads, with a specific reference to larger vehicles. This site is a considerable distance from public transport and access is down a single track road.</p>		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Residential development is a viable option. We already have very limited housing. However, this should never be built over green belt.

Build a residential estate instead of a travellers site

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Existing infrastructure just cannot cope with additional population in Croydon:  
1.We have to wait for at least 4-5 days to get appointment at doctors – many times we do not get appointment  
2.We have to wait for at least 15 minutes to get a turn to play swing/slide for my son in any local park. The parks are so crowded during summer. Already children are getting very less exercise. If 40 families come over with more than 80 children then it would be extremely over crowded.  
3.There are not enough schools in the area. We should build more schools  
4.There is very limited green space in Croydon. Government policy states that you cannot build temporary or permanent sites on green belt. Putting the travellers site near green belt will endanger the  
5.Increased traffic due to a planned school and travellers sites will cause traffic chaos.  
6.We need green belts for good health of the citizens. Steps like these would encourage the encroachment of green belts.

Existing infrastructure just cannot cope with additional population in Croydon:  
1.Travellers should be encouraged to settle down and mix with the local community. So permanent housing is better. This way they will avoid the stigma too. Their future generations can have better life. But this needs to be planned properly on the brown field sites.  
2.We have to wait for at least 4-5 days to get appointment at doctors – many times we do not get appointment  
3.We have to wait for at least 15 minutes to get a turn to play swing/slide for my son in any local park. The parks are so crowded during summer. Already children are getting very less exercise. If 40 families come over with more than 80 children then it would be extremely over crowded.  
4.There are not enough schools in the area. We should build more schools  
5.There is very limited green space in Croydon. Government policy states that you cannot build temporary or permanent sites on green belt. Putting the travellers site near green belt will endanger the

6. Conduit lane is a no drive through zone. Increased traffic due to a planned school and travellers sites will cause traffic chaos.  
 7. We need green belts for good health of the citizens. Steps like these would encourage the encroachment of green belts.

Incorrect calculation in the selection criteria for 661 (Conduit Lane) and 502 (Coombe Farm) - If a site is Green Belt/MOL- built form then it is marked as (Amber/Orange), which means a score of "-5". "+5" has been used which increases the rating by 10 points. Error in calculating site access for 661: There are cars parked on that road and the entrance is through a very busy main road. The site cannot have a rating of "+5". It should be -2. That is a difference of 7 rating points.

2754/01/003/DM43.4/O	Mr P Sowan	Object	DM43.4	<p>502</p> <p>The impact of the site proposals on Oaks Lane and LLOYD Park seems incompatible with peoples expectations of enjoyment of open areas and would detract from the attractiveness of the open space. It would also cause traffic and access problems in the area. The proposed use as a travellers site would be incompatible with the "green link" status and a mobile home site of any kind is unacceptable.</p> <p>Also concern regarding the costs of the facilities that would be necessary and fly-tipping at this site is already a problem</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
2765/01/001/DM43.4/O	Pauline Newbold	Object	DM43.4	<p>502</p> <p>The site is in the green belt. Coombe Farm is a listed historic property with covenants on its usage. It is classified as an Archaeological Priority Zone and part of the site is designated a Site of Nature Conservation Importance. Increased vehicle movements to the site would be hazardous because of the present restricted and unsuitable road access to the site, the junction with Oaks Road being near the tram link crossing and the increased congestion at Oaks Road/ Coombe Lane/ Coombe Road that already exists at peak hours. There appear to be inadequate safe walking routes to schools/shops/medical facilities and limited pavement facilities in Oaks Road. 15-20 pitches could overwhelm the existing community.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

2772/01/001/DM43.4/O	Ms Janet McQuade	Object	DM43.4 502	<p>The Council acknowledges that the site is in the Green Belt (and one of the sites borders an SNCI). The Planning Policy for Traveller Sites states that traveller sites in the Green Belt are inappropriate development. The Council's approach is clearly in breach of that policy. Brownfield or industrial land should have been proposed not green belt. Why does the Council need to quadruple the number of sites for gypsy and travellers. The intention may be to do away with illegal encampments but may instead mean the area becomes a hub for travellers.</p> <p>Why were no appropriate sites suggested for Coulsdon? Opening sites at Coombe Lodge Nurseries and Coombe Farm will be detrimental to the amenities of adjoining owners. There is a lack of amenities close at hand. There are insufficient local infrastructure to accommodate the plans.</p> <p>Other sites the council should reconsider instead of both Coombe Lodge Nurseries and Coombe Farm and Pear Tree Farm are:  Expand existing permanent sites in Lathams Way off Beddington Farm Road  Heath Clark playing fields, Stafford Rd, Waddon  Timebridge Community Centre, Field Way, New Addington  Land adjacent to 103 Goodenough Way, Old Coulsdon  Wandle Road, car park, Wandle Rd, Croydon  Land of former Croydon Airport runway, south of Imperial Way, Waddon  Land adjacent to Ashburton playing fields at rear of 2-88 Coleridge Rad, Addiscombe  By Pavilion Playing Fields, Purley Way  Land south Of Threehalfpenny Woods, Kent Gate Way, Bridle Way  Land west of Timebridge Community Centre, Lodge Lande, Elmside, Addington  Cane Hill-south part, Hollymeoak Road, Portnalls Rd, Coulsdon</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
----------------------	------------------	--------	---------------	---	--------	--

2774/01/001/DM43.4/O	Cllr Susan Winborn <i>London Borough of Croydon</i>	Object	DM43.4 502	<p>Objects to this site being used for a gypsy and traveller site. It would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2775/01/010/DM43.4/O Cllr Tim Pollard  
London Borough of Croydon

Object Soundness - DM43.4  
Justified 502

All three sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Furthermore, Policy E of 'Planning Policy for Traveller Sites', published by the Government in August, states very clearly that 'Traveller sites (temporary or permanent) in the Green Belt are inappropriate development'. The provision relating to travellers/gypsies in the Housing and Planning Bill will also remove sections 225 and 226 of the Housing Act 2004 which placed a duty on housing authorities to carry out an assessment of the accommodation needs of this group when reviewing housing conditions and needs within their areas (a process required by section 8 of the Housing Act 1985). Section 8 will also be amended to make it clear that the duty covers consideration of the needs of people residing in, or resorting to the district for, caravan sites and houseboat mooring sites.

I am also concerned by the evidence base for these selections, namely the 'Assessment and Selection of Sites for Gypsy and Travellers'. This assessment contains a vast number of very subjective criteria against which to judge site suitability and has been the subject of 'extensive political consultation'. This political consultation has only taken place with the Labour Administration and has not been conducted on a cross party basis. This begs the question as to what undue political influence may have been placed on the particular criteria which have been used and indeed the selection of the preferred sites. There is also some question as to why the same scoring system has not been used for each set of criteria, rather than subjectively giving weight to certain criteria. Furthermore, the scoring for individual sites has not been carried out in accordance with the table shown at 4.1. A number of sites have been marked incorrectly, for example, site 661 has been scored at 5 for Greenbelt/MOL, when the score should be -5. This begs the question as to how many other inaccuracies are in the document

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Coombe Lodge Nurseries, Gypsy and Traveller Sites:  
 - Detimental to the amenities of adjoining owners.  
 - Inappropriate use of green belt land.  
 -Site that are located on green belt, considered to be inappropriate development for traveller sites (temporary or permanent) and against Government Policy ("Planning policy for Traveller Sites" DCLG, August 2015).  
 - Lack of relevant amenities close to hand.  
 - insufficient Local Infrastructure to accommodate plans.  
 - Selection of proposed Site should have bias towards brownfield or industiral land not green belt.  
 - Why are two sites in very close proximity to one another being proposed.  
 - Imbalance across the borough with all sites being proposed in the south of Croydon.  
 - Why not expand the existing permanent gypsy site in Lathams Way off Beddington Farm Road.  
 - If one has to select one of the proposed sites, the preference s for Perar Tree Farm and Pear Tree Farm Cottage, Featherbed Lane.

Othere sites that the Council should reconsider instead of both Coombe Lodge Nurseries and Coombe Farm are the following.

- 16 Heath Clark playing fields, Stafford Road Waddon
- 120 Timebridge Community Centre Field Way, New Addington
- 518 Land adjacent to 103 Goodenough Way, The Admirals Walk, Old Coulsdon
- 522 Wandle Road surface car park, Wandle Road , Croydon Opportunity Area
- 536 Land of farmer Croydon Airport runway, south of imperial way, Waddon
- 552 Land adjacent to Ashburton playing fields at rear of 2-88 Coleridge Road, Addiscombe
- 533 By Pavillion playing fields Purley Way, Waddon
- 632 Land south of Threehalfpenny Woods, Kent Gate Way, Bridle Way, Addington
- 636 Land west of Timebridge Community Centre, Lodge Lane, Elmside, Addington
- 767 Cane Hill south part, Hollymeoak Road/Portnalls Road, Coulsdon

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Our client is deeply concerned about the manner in which the Evidence for the Croydon Local Plan: Detailed Policies and Proposals (Preferred and Alternative Options) ("the Evidence Paper") has been prepared. The scoring assessment applied by the Council is reductionist and disregards the wider context (for example outreach programme and supports) within which sites sit. Without that appreciation we do not consider that the Evidence Paper adequately supports the Council's Strategic Objectives. The Evidence Paper identifies four "absolutes" for the initial screening. In the absence of any justification and evidence backed rationale behind these "absolutes" we are left to conclude that there is none. A site should be available and deliverable. We consider that to be an appropriate test in determining the suitability of a site for development. There is little explanation as to what factors the Council has taken into account for the purposes of scoring whether a site is deliverable - particularly over a 20 year period. No consideration is given to the use of CPO powers where a site for example could be suitable save for possible issues over deliverability. The use of CPO powers should be a consideration for the purposes of deliverability. The existence of contamination cannot be considered in isolation. There does not appear to be any detailed analysis of whether the extent of contamination on some sites, and the costs of remediating that contamination, would render that site undeliverable in the plan period. A failure to acknowledge the need for sites to be located in proximity of public transport services does not support the principle of sustainable development. In adopting this flawed approach the Council have failed to consider the contribution that smaller sites could make in delivering sites for gypsy and traveller communities. As a result, the initial screening process was biased towards larger sites despite the evidence base showing that such sites were not supported by the gypsy and traveller community. As a result, the Council has not properly considered if there are exceptional circumstances which justify any of the identified Green Belt sites coming forward for use as traveller sites.

To ensure transparency in the planning process the same tests should be applied to allocated sites and windfall sites.

For the reasons detailed above, the assessment proceeded from an erroneous starting point of "absolute" requirements that were neither justified nor supported by the Council's existing gypsy and traveller policy. The Evidence Paper is lacking in detail, and the scoring criteria overly simplistic. As a result, the evidence put forward by the Council is lacking in transparency and is an unsound base for policy making.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Croydon Council

Object Soundness - DM43.4  
Justified 502

All three sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b. I am concerned that all three sites are also some considerable walking distance away from GP practices, shops, schools, public transport and other local services which would be contrary to the Council's Health and Wellbeing Strategy.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Furthermore, Policy E of 'Planning Policy for Traveller Sites', published by the Government in August, states very clearly that 'Traveller sites (temporary or permanent) in the Green Belt are inappropriate development'. The provision relating to travellers/gypsies in the Housing and Planning Bill will also remove sections 225 and 226 of the Housing Act 2004 which placed a duty on housing authorities to carry out an assessment of the accommodation needs of this group when reviewing housing conditions and needs within their areas (a process required by section 8 of the Housing Act 1985). Section 8 will also be amended to make it clear that the duty covers consideration of the needs of people residing in, or resorting to the district for, caravan sites and houseboat mooring sites.

I am also concerned by the evidence base for these selections, namely the 'Assessment and Selection of Sites for Gypsy and Travellers'. This assessment contains a vast number of very subjective criteria against which to judge site suitability and has been the subject of 'extensive political consultation'. This political consultation has only taken place with the Labour Administration and has not been conducted on a cross party basis. This begs the question as to what undue political influence may have been placed on the particular criteria which have been used and indeed the selection of the preferred sites. There is also some question as to why the same scoring system has not been used for each set of criteria, rather than subjectively giving weight to certain criteria. Furthermore, the scoring for individual sites has not been carried out in accordance with the table shown at 4.1. A number of sites have been marked incorrectly, for example, site 661 has been scored at 5 for Greenbelt/MOL, when the score should be -5. This begs the question as to how many other inaccuracies are in the document

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2857/01/009/DM43.4/C	Philip Talmage		DM43.4		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
			502	Two proposed gypsy/traveller sites in Shirley (reference numbers 502 and 661 on Changes to the Policies Map) Both sites are inappropriately located in the Metropolitan Green Belt and poorly located for public services, and there is in any case no need for such an increase in the number of such sites within the Borough.		
2863/01/002/DM43.4/O	Jonathan Nicholas	Object	DM43.4		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
			502	In appropriate development in the green belt. There is an imbalance in the borough with both this site and 502 being in the south of the borough and in close proximity to each other. Such proposals should be located on industrial/brownfield land rather than greenbelt.  As an alternative, expand Laytham's Way. Other sites considered suitable are: 552, 536, 120 - which would not interfere with the little green space we have left.		

502

Additional Objections raised to the use of the following locations as Gypsy/Traveller sites:-  
 Coombe Farm off Oaks Road  
 Reference Number 502  
 Coombe Lodge Nurseries off Conduit Lane  
 Reference Number 661

1. How has the London Borough of Croydon involved its Community in the planning of the Coombe Farm and Coombe Gardens Traveller Sites? What opportunity was given by Croydon Council for the local residents to put forward their own ideas and participate in the development of the Sites? See - London Borough of Croydon's "Statement of Community Involvement - October 2012" (<https://www.croydon.gov.uk/sites/default/files/articles/downloads/involvement-oct12.pdf>) Reference 2.11 & 2.12 - these Guidance Rules have been ignored

2. There is no pavement access to either of the proposed sites therefore most travel to and from these sites to local amenities, (shops/doctors/schools) would be by vehicle – causing even greater traffic problems to the Coombe and Oaks Road junction.

3. Residents call for an independent (i.e non-Labour) lead enquiry into the full extent Mr Ansari (owner of Coombe Farm, a proposed traveller site) has been able to influence Croydon Council specifically & Labour Government more broadly through financial bribery?  
 Quote from the 2011 Localism Act; "Through the Localism Act, the Government has abolished the Standards Board regime. Instead, local authorities will draw up their own codes, and it will become a criminal offence for councillors to deliberately withhold or misrepresent a financial interest. "  
 Tens of thousands of pounds including cash equivalent goods & services (e.g supply of rent-free premises for council business, travel expenses and campaign donations) have been disclosed but misrepresented as donations. These are in fact bribes in return for planning leniency (see press article.) <http://insidecroydon.com/2015/08/21/property-developer-ansari-donates-to-cooper-and-khan/>

4, In the restrictive Covenants for Coombe Farm, (defined as 80 Oaks Road) which are for "the Settlers and their successors in title" states "No part of the Property shall be used for any offensive noisy, dangerous

As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

I am objecting to the following sites being considered as suitable as Permanent Sites for the above use:  
1) Coombe Lodge Nurseries, Conduit Lane, Coombe Road, South Croydon, CR0 5RQ  
2) Coombe Farm, Oaks Road, Shirley, CR0 5HL

I am very disturbed to hear of the proposed plans for providing permanent sites for the Gypsy and Traveller people on these sites, mainly on the grounds that they are both much valued and appreciated areas of natural beauty and relatively unspoiled areas on Green Belt land, which I consider is an inappropriate use of such areas. I understand, in fact, that it is against stated Government Policy ("Planning policy for Traveller Sites" DCLG, August 2015).

My objections are based on the following grounds:

1) Neither of these areas has local amenities nearby, or sufficient infrastructure to accommodate these plans.

2) Whilst it is a statutory duty of local councils to provide these sites for travelling people - and, indeed, an act of common humanity that such groups are catered for - it is usual that brownfield or industrial land is used, rather than open greenbelt land.

3) Both these sites are comparatively close to each other; certainly both are in residential areas in South Croydon, thus impacting on amenities of local owners, and arousing local feelings. What is the reason behind this decision?

4) Can the existing permanent site in Lathams Way off Beddington Farm Road be expanded?

There are many sites which might be considered which are not near areas of heavy residential occupancy, in the Waddon playing fields areas, for example. The Pear Tree Farm area in Featherbed Lane is also more suitable.

Object Soundness - DM43.4  
Justified 502

Residential development is a viable option. We already have very limited housing. However, this should never be built over green belt.

Build a residential estate instead of a travellers site

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Existing infrastructure just cannot cope with additional population in Croydon:  
1.We have to wait for at least 4-5 days to get appointment at doctors – many times we do not get appointment  
2.We have to wait for at least 15 minutes to get a turn to play swing/slide for my son in any local park. The parks are so crowded during summer. Already children are getting very less exercise. If 40 families come over with more than 80 children then it would be extremely over crowded.  
3.There are not enough schools in the area. We should build more schools  
4.There is very limited green space in Croydon. Government policy states that you cannot build temporary or permanent sites on green belt. Putting the travellers site near green belt will endanger the  
5.Increased traffic due to a planned school and travellers sites will cause traffic chaos.  
6.We need green belts for good health of the citizens. Steps like these would encourage the encroachment of green belts.

Existing infrastructure just cannot cope with additional population in Croydon:  
1.Travellers should be encouraged to settle down and mix with the local community. So permanent housing is better. This way they will avoid the stigma too. Their future generations can have better life. But this needs to be planned properly on the brown field sites.  
2.We have to wait for at least 4-5 days to get appointment at doctors – many times we do not get appointment  
3.We have to wait for at least 15 minutes to get a turn to play swing/slide for my son in any local park. The parks are so crowded during summer. Already children are getting very less exercise. If 40 families come over with more than 80 children then it would be extremely over crowded.  
4.There are not enough schools in the area. We should build more schools  
5.There is very limited green space in Croydon. Government policy states that you cannot build temporary or permanent sites on green belt. Putting the travellers site near green belt will endanger the

6. Conduit lane is a no drive through zone. Increased traffic due to a planned school and travellers sites will cause traffic chaos.

7. We need green belts for good health of the citizens. Steps like these would encourage the encroachment of green belts.

Incorrect calculation in the selection criteria for 661 (Conduit Lane) and 502 (Coombe Farm) - If a site is Green Belt/MOL- built form then it is marked as (Amber/Orange), which means a score of "-5". "+5" has been used which increases the rating by 10 points. Error in calculating site access for 661: There are cars parked on that road and the entrance is through a very busy main road. The site cannot have a rating of "+5". It should be -2. That is a difference of 7 rating points.

---

Object Soundness - DM43.4  
Justified 502

1.Mis-calculation of the score while selecting the site:

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

If a site is Green Belt/MOL- built form then it is marked as (Amber/Orange), which means a score of -5

If you go to page number 9 of the document in the link below, you can find that Amber is scored as +5 as opposed to -5.

[https://www.croydon.gov.uk/sites/default/files/articles/downloads/Gypsy%20and%20Travellers\\_Site\\_search\\_Evidence\\_%20August\\_2015.pdf](https://www.croydon.gov.uk/sites/default/files/articles/downloads/Gypsy%20and%20Travellers_Site_search_Evidence_%20August_2015.pdf)

Please, check the other scores too before finalising this site. This site is clearly not suitable for building on the gypsy site as it is a green belt site.

2.I will be objecting to the use of either of these locations as gypsy/traveller sites. As the Council acknowledges, they are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly:

“Traveller sites (temporary or permanent) in the Green Belt are inappropriate development”. The Council’s approach is clearly in breach of that policy. Both sites are also some distance from public services. If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is).

Existing infrastructure just cannot cope with additional population in Croydon:

1.Travellers should be encouraged to settle down and mix with the local community. So permanent housing is better. This way they will avoid the stigma too. Their future generations can have better life. But this needs to be planned properly on the brown field sites.

2.We have to wait for at least 4-5 days to get appointment at doctors – many times we do not get appointment

3.We have to wait for at least 15 minutes to get a turn to play swing/slide for my son in any local park. The parks are so crowded during summer. Already children are getting very less exercise. If 40 families come over with more than 80

children then it would be extremely over crowded.  
 4. There are not enough schools in the area. We should build more schools  
 5. There is very limited green space in Croydon. Government policy states that you cannot build temporary or permanent sites on green belt. Putting the travellers site near green belt will endanger the  
 6. Increased traffic due to a planned school and travellers sites will cause traffic chaos.  
 7. We need green belts for good health of the citizens. Steps like these would encourage the encroachment of green belts.

I am writing to register my strongest possible objection to the following proposals for gypsy and travellers sites:

- Coombe Farm, Oaks Road - Reference 502
- Coombe Lodge Nurseries off Conduit Lane - Reference 661

I am an active member of Shirley Park Golf Club and vividly recall the hugely, disruptive presence of the gypsies when they trespassed onto Coombe Farm a couple of years ago. There is sometimes a romantic notion that gypsy/traveller community wish to get on with their lives and not affect the urban population wherever they pitch up; I am afraid that the bare facts reveal that this to be a complete fallacy and the stark reality is far from this rosy, TV documentary image.

It will come as no surprise to you to learn that there were numerous, illegal intrusions onto the golf course during their uninvited stay. Sadly but I am afraid rather predictably, these incursions resulted (of course) in a plethora of petty thefts and incidents of mindless damage to the course as well as necessitating a "marshalling" of parts of the course.

These factors coupled with the constant verbal abuse made play almost untenable and at one point, a decision was made to close certain parts of the course until they were finally evicted.

I think it is important to stress that this is not just about my personal feelings, there are more far reaching implications. Certainly if their presence was to be made permanent, there is no way I personally would continue my membership at Shirley Park Golf Club and I can safely say a lot of the members feel the same way.

It was apparent what the inhabitants of Croydon thought when another historic business at Reeves Corner was attached not so long ago. Shirley Park Gold Club has been a values part of our community for over 100 years providing enjoyment for thousands of members, safe recreation for youngsters and of course valuable employment for many, not to mention the thousands of pounds raised to help Croydon Opportunities.

The success of the club also allowed the purchase of the land in recent history and it often surprises my guests to see this beautiful side of Croydon. Surely it is not right to jeopardise this great part of our local heritage in attempting to temporarily resolve this long running problem? Croydon is attracting huge investment and is seemingly working

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

A score of "+5" has been used which increases the rating by 10 points.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2889/01/003/DM43.4/O	Mr Peter Lawton	Object	DM43.4 502	I object to the use of this site for a gypsy and traveller site.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

- Detrimental to the Amenities of Adjoining Owners
- Inappropriate use of Green Belt Land. Sites that are located on the Green Belt, considered to be inappropriate development for Traveller sites (temporary or permanent) and against Government Policy (Planning policy for Traveller Sites, DCLG, August 2015)
- Lack of relevant Amenities close at hand
- Insufficient Local Infrastructure to accommodate the plans
- Selection of Proposed Sites should have a bias towards Brownfield or Industrial Land not Green Belt
- Why are the Two Sites in very close proximity to one another being proposed and also imbalance across borough with all Sites being Proposed in the South of Croydon.
- Expansion of the Existing Permanent Gypsy Site in Lathams Way off Beddington Farm Road would be better solution
- If one has to select one of the proposed sites, the Preference is for Pear Tree Farm & Pear Tree Farm Cottage, Featherbed Lane as this would have least impact of the 3 sites.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Other Sites that the Council should reconsider instead of both Coombe Lodge Nurseries and Coombe Farm are the following. Just because a number of the following Sites are GB/MOL (Green Belt / Metropolitan Open Land) this should not preclude them, as it's not impossible to have them redesignated:

- 16 - Heath Clark playing fields, Stafford Road, Waddon
- 120 - Timebridge Community Centre, Field Way, New Addington
- 518 - Land adjacent to 103 Goodenough Way, The Admirals Walk, Old Coulsdon
- 522 - Wandle Road surface car park, Wandle Road, Croydon Opportunity Area
- 536 - Land of former Croydon Airport runway, south of Imperial Way, Waddon
- 552 - Land adjacent to Ashburton playing fields at rear of 2-88 Coleridge Road, Addiscombe
- 553 - By Pavilion Playing Fields, Purley Way, Waddon
- 632 - Land south of Threehalfpenny Woods, Kent Gate Way, Bridle Way, Addington

636 - Land west of Timebridge  
Community Centre, Lodge Lane,  
Elmside, Addington  
767 - Cane Hill-south part,  
Hollymeoak Road / Portnalls Road,  
Coulson

---

2903/01/001/DM43.4/O	Mr Adam Tierney	Object		DM43.4 502	As one of the caterers working at Oaks Farm the proposed location for the travellers's site will have a husge impact on Oaks Farm wedding venue and alos Tierneys Caterers. We as caterers have experienced difficulties with the travellers when we have worked at Oaks Farm when they park up illegally. Abuse, blocking access to the lane when moving their caravans as well as stolen items from the venue while we worked on site. I have seen the impact of when travellers are parked illegally at the top of Oaks Farm. They have not had one booking and it has had a dreadful effect on their future booking which has also had a knock on with Tierneys Caterers an dall the other caterers that work there.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2910/02/008/DM43.4/O	Ms Debbie Butler	Object	Soundness - Justified	DM43.4 502	I object to the use of the following locations as gypsy/traveller sites: •Coombe Far off Oaks Road reference number 502; and •Coombe Lodge Nurseries off Conduit Lane reference number 661;	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

---

I am a member of Shirley Park Gold Club as well as a local resident. I am writing to register my objection to the following proposed gypsy and traveller sites:

- Coombe Farm, Oaks Road, Ref 502
- Coombe Lodge Nurseries, Conduit Lane, Ref 661

The policies laid out on the Mayor of London, policy 7.7 clearly states that the mayor's office fully supports the protection of Metropolitan Open Land , and states that the strongest protection should be given to London MOL and inappropriate development refused. The policy lays out what needs to be established to designate an area as MOL but does not make it clear how Council can de-designate an area.

I therefore object to any permanent traveller site being constructed on MOL, especially if the area is simply going to be de-designated without any consultation with local residents and businesses.

I object strongly that Croydon Council can de-designate MOL or Green Belt to suit their needs to accommodate a permanent pitch. I cannot see any justification to change the designation, and intrude into the lives of the residents of Oaks Road and surrounding area. This will massively affect the attractiveness of the area and both the emotional and financial reprehension for many lives.

Policy 7.18 relating to protection of open spaces clearly states that open spaces within London must be protected and any loss must be resisted. I cannot believe the Council would want to go against both of these policies laid down by London assembly.

The Shirley Gold Club provides sport and social activities for up to 700 members in the local vicinity, and also provides an important ecological node in the area. The proposed sites for gypsies and travelers has come as a shock to everyone in its area, as come out of the recent press coverage and attenance at the consultation meetings.

The history of unauthorised "pitches" in this area over the past four years has left a bitter resentment, especially in view of the residual mess and littering, and crime that is accompaied their trepass. This does not change when the site is official.

On each occasion that gypsies/travellers have been in the area, the residents have been affected by verbal and physcial abuse. We also have a junior section at the club and children play in the comp during holiday period, as well as weekends. They are often unaccompanied and parents need to

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

know that they are in a safe environment. The proposed sites would change that. Please consider other sites.

2913/01/001/DM43.4/O	Wendy Wilkinson	Object	DM43.4 502	I object to the use of the site for gypsy and traveller site as it would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b. An incorrect calculation has been applied to the selection criteria for the site. If a site is Green Belt/MOL built form then it is marked as (Amber/Orange), which means a score of "-5". A score of +5 has been used which increases the rating by 10 points.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2914/01/003/DM43.4/C	Ms Nitin Sambre		DM43.4 502	The Travellers sites should be mixed with the existing population and there is insufficient infrastructure at this site. The loss of green space is unacceptable	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2915/01/002/DM43.4/O	Victoria McVeat Shirley Park Golf Club	Object	DM43.4 502	I am deeply concerned about the proposed site. As a ladies golf member of the golf club, I use the area by the 4th hole regularly to play and practice golf. I remember the last time when the traveller/Gypsies were in the area and the mess and debris that were constantly left behind on the Shirley Park golf course. It was extremely upsetting and worrying. There was a lot of unacceptable behaviour like verbal abuse and bikes being used on the golf course. Additionally, as a mother of two teenage boys who are very fond of this sport and play golf I felt extremely uncomfortable and unsafe for them to use that area for practice or golf play when the gypsies and travellers were in the area last time. I would certainly discourage them to use that area in the future if these plans go ahead due to possible aggressive behaviour and verbal abuse from the gypsies and travellers. I agree with the Club that Policy 7.18 relating to Protection of Open Spaces clearly states that open spaces in London must be protected and any loss resisted'. I am shocked that Croydon Council would want to go against both of these policies laid down by the London Assembly.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

I write concerning Croydon Council's proposals contained in the consultation document of the Croydon Local Plan that includes the re-designation of Metropolitan Open Land in Shirley and specifically within the confines of Shirley Oaks. I consider these proposals and others listed above to be inappropriate as they would significantly change the character of the area in which I have lived all 61 years of my life and I wish to add my voice to those already expressing concerns and objections about these proposals.

I strongly object to the proposal to re-designate Metropolitan Open Land to facilitate the building of new homes on land in Shirley Oaks and the provision of temporary or permanent traveller/gypsy sites in areas that are acknowledged by the Council to be in the green belt at Coombe Farm and Coombe Lodge Nurseries in Conduit Lane.

These proposals are totally out of keeping with the character of the area which predominantly comprise owner-occupied semi and detached homes. Surely areas considered to be brownfield sites are more appropriate than the unacceptable use of Metropolitan Open Land?

The proposals affecting the area surrounding Shirley Library are also of concern as this would adversely change the character of the area and potentially result in the establishment of additional unsightly car- parking sites on the south side of Wickham Road, similar to that at the front of the Shirley Medical Centre at 370 Wickham Road.

2922/01/001/DM43.4/O	Elizabeth Wood	Object	DM43.4 502	<p>The planning authorities should protect local amenity and environment. These do the opposite and will do nothing but harm. Travellers sites in the Green Belt are inappropriate development. The scale of such sites should not dominate the nearest settled community whose interest should be respected. These sites will have a highly deleterious effect on four neighbouring businesses namely The Chateau restaurant, Coach House Café in Coombe Wood, the Premier Inn and the Oaks Farm wedding venue. The numbers being housed will be greater than the occupants already living along Oaks Road. In addition there is no nearby public transport, schooling, doctors surgery or shops. There are not even pavements on both sides of the roads involved. They will be damaging to the nearby site of Nature Conservation Interest. The Council has already spent time and money ensuring that travellers could not park in Conduit Lane. They must have had a reason for so doing. If travellers are allowed on the nursery site there is will make Coombe Wood and gardens a no go area. Why is the Council intending to destroy one of the few remaining unspoilt green spaces in the borough. There must be less sensitive sites within the Croydon boundary where the establishment of a base for the travelling and gypsy communities</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
2926/01/002/DM43.4/O	Mr Michael R Brookbank	Object	DM43.4 502	<p>The proposals are contrary to the Government's Planning Policy for Traveller Sites and are totally unsuitable for the location for large numbers of families with young children.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

2931/01/015/DM43.4/O	Mr John Newman	Object	DM43.4 502	I object to the use fo the site for a gypsy and traveller site. All three sites are in the Green Belt and one borders a site of Nature Conservation. The proposed use would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b and would not be consistent with Policy E of Planning for Traveller Sites published by the Government. If additional sites are required in the borough, it would be more appropriate to expand existing sites eg. Off the Purley Way. None of these siites have easy access to local schools, healthcare, retail and other amenities. The vehicular access into sites 661 and 502 is problematic and egress onto Coombe Lane/Oaks Road at the junction is likely to create additional road hazards.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2932/01/002/DM43.4/O	Mr James Lawton	Object	DM43.4 502	I object to the use of the site as a gypsy and traveller site.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2934/01/003/DM43.4/O	J A Meyer	Object	DM43.4 502	I object to the use of the site for a gypsy and traveller site as it would constitute inappropriate development I nthe green belt and would not comply with Policy SP2.7a and SP2.7b. There are incorrect calculations in the selection criteria for the site. If a site is Geen Belt/MOL - built form then it is marked as (Amber/Orange), which means a score of -5. A score of +5 has been used which increases the rating by 10 points.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. 2935/01/002/DM43.4/O	Mr Ian Cameron	Object	DM43.4 502	The proposed travellers sites are not suitable and are in breach of the Government's statement that "sites are inappropriate in the Green Belt". These sites are also some distance from public services.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2936/02/002/DM43.4/O Mr John Lingwood

Object

DM43.4  
502

This would be in breach of the Government's intentions - Policy E of the Planning Policies for Traveller Sites and that travellers sites (temporary or permanent) are inappropriate development in the greenbelt. This would drain Council resources and reflect on the quality of other services that the Council is required to provide. It would result in the reduction in free and easy access that is currently enjoyed by many. The proposal would have a considerable effect on the business at Oaks Farm and the Premier Travel Inn, forcing these to close potentially. Extending the site at Purley Way should be considered.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

We note that there is a recent (2013) report 'Croydon Gypsy and Traveller Accommodation Needs Assessment 2013-Final Report November 2013' which indicates that there is extra need for gypsy and traveller sites in the period 2015-2036. Coombe Farm is not appropriate because under the criteria in paragraph 4.15 of the Strategic Policies (Partial Review), the site is not well-located or accessible to health facilities, shops or education. It is noted that these criteria have been amended from the earlier draft to omit access via public transport-the site is over 15 minutes walk from a tram or bus stop and this would also have made the site unacceptable. The site at Coombe Farm is not deliverable since it is already being developed using existing buildings being converted for housing in accordance with Development Control advice from Croydon Council planning department in 2009. The use of this site for a gypsy and traveller site would not be sustainable because of its distance from existing facilities such as health, shops and education-see why it is not appropriate. The site is in a Green Belt and use of the site for Gypsy and Traveller Accommodation contravenes the advice given in 'Planning Policy for Travellers 2014'.  
With regard to need, the Housing and Planning Bill 2015 advises that assessment for accommodation for Gypsies and Travellers would no longer be separate from assessment for other housing needs. Accessibility to public facilities is a consideration when assessing new housing locations.

The site has been identified because of an increase in the requirement for gypsy and traveller sites in the 2013 Gypsy and Traveller Accommodation Needs Assessment along with two other sites  
The site is accessible only by a narrow lane and is not suitable for long wheel-base vehicles such as are used by travellers including fairs or circuses including lorries and caravans. To introduce gypsy pitches with portable/moveable vehicles whilst retaining the main existing buildings is likely to reduce the openness of the Green Belt. Like residential uses, gypsy sites need amenity space, parking and refuse storage and this will add to the development of the site. Such development within Green Belts is opposed in 'Planning Policy for Travellers 2014'. The site was formerly used as a residential school. Some of the existing buildings are of

Coombe Farm should not be allocated as a Gypsy and Traveller site as it is not deliverable. Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

local historical interest including the Locally Listed farmhouse. This was extended in the early 20th century to create a larger residential property which takes up a significant part of the building complex. Parts of the complex of buildings on the site are in use by the landowner and parts as housing. The Plan expects that there will be no additional housing on the site. There are at present around 15 units occupied at Coombe Farm and there are also current planning applications for conversions of other buildings to housing being developed in response to planning advice from Development Control, Croydon in 2009 (pre application advice) By 2021-6 when this site is expected by the Plan to be in use as a traveller site the landowner would expect that most of the existing buildings will be converted with areas allocated around the dwellings for amenity space and parking. Planning Policy for Travellers 2014 advises that gypsy and traveller sites should not be located within the Green Belt. Just because there is at present a need for increased number of gypsy and traveller sites, there is no justification for using this site. Such allocations would no longer be appropriate at all if the Housing and Planning Bill comes into force which advises councils not to allocate separately for accommodation for gypsies and travellers. The site is not suitable for traveller vehicles because of access via narrow lanes. With regard to ruling out the alternative option for residential, the length of journey to reach facilities in central Croydon applies just as much to gypsies as other residents so should not be used to rule out other types of residents than gypsies.

---

2942/01/017/DM43.4/O	Dr Anwar Ansair AA Homes and Housing	Object	DM43.4 502	<p>The LB Croydon Cabinet determined on 21.9.15 that consultation be carried out in relation to, inter alia, the prospective allocation of sites for a proposed development plan document.</p> <p>Amongst the prospective allocations is Coombe Farm, a complex of buildings with a large curtilage off Oaks Road in that part of the borough that the Council defines as Shirley. The document puts forward as the 'Proposed use' a Gypsy and Traveller site and as an 'Alternative option for site' - 'Residential development (conversion or new build)'. n.b. the objector owns 'Coombe Farm' but not the adjoining former quarry also forming part of site 502. In a letter of 10.9.15 to the owner the Council states that the 'Reasons for preferred use' are: 'Although the site is in the Green Belt, it already has built form and following an extensive sequential search for sites in the urban area, the site is proposed for a gypsy and traveller site for 15-20 pitches, including a stopping place, with its built form accommodated within the area of the original buildings.'</p> <p>The proposed use as a Gypsy and Traveller Site is objected to on policy and site specific grounds as set out below.</p> <p>The National Planning Policy Framework does not directly cover the issue. Policy is now set out in the DCLG document 'Planning policy for traveller sites' of August 2015 which planning authorities must take account of in both plan preparation and planning application decisions. The document contains all national policy pertinent to the proposed site allocation, specifically the following:</p> <p>16. Inappropriate development is harmful to the Green Belt and should not be approved, except in very special circumstances. Traveller sites (temporary or permanent) in the Green Belt are inappropriate development. London-wide policy on gypsy and traveller accommodation is set out in policy 3.8 of the Mayor's adopted Housing Supplementary Planning Guidance, which is directed towards both Local Development Frameworks and planning decisions, viz.</p> <p>3.8 (i) The accommodation requirements of gypsies and travellers (including travelling showpeople) are identified and addressed in line with national policy, in coordination with neighbouring boroughs and districts as appropriate. The Croydon Local Plan (adopted 2013) sets out policy for Gypsies and Travellers in strategic policy SP2.7 which reads:</p>	The site should be allocated for residential instead of a Gypsy and Traveller site. Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
----------------------	---	--------	---------------	--	--	--

The Council will seek to deliver ten additional Gypsy and Travellers pitches in the borough by 2021 to meet the needs of Croydon's Gypsy and Traveller community. This will be achieved by allocating land for Gypsy and Traveller pitches in the Croydon Local Plan: Detailed Policies and Proposals DPD. Proposals for sites should meet the following criteria:

- a. Should be available and deliverable.
- b. Should have good access to essential services including health and education facilities and access to local shops; and
- c. Have good means of access from roads and be near bus routes and other transport nodes; and
- d. Not be located in areas of high flood risk (Flood Risk Zone 3); and
- e. Should not have unacceptable adverse impact on the biodiversity of the borough.

In parallel with the consultation on the 'Detailed Policies' prospective DPD LB Croydon have consulted on a partial review of strategic policies set out in the Local Plan (2013).

Policy SP2.7 is now proposed to read:

The Council will seek to deliver 39 additional Gypsy and Traveller pitches in the borough by 2036 to meet the need of Croydon's Gypsy and Traveller community. Land is allocated for Gypsy and Traveller pitches in the Croydon Local Plan: Detailed Policies and Proposals DPD .Any proposals for additional sites that are not allocated should meet the following criteria: The criteria are as per those in the existing Local Plan except that c. now reads:

- c. Have good means of access from roads.

i.e. reference to public transport is deleted.

The site is a large complex of buildings with a mainly soft surfaced curtilage. Any site would need to be to the rear of the complex in terms of space. The complex has a number of planning permissions for the use of constituent parts as dwelling units (Class C3). All the site falls within the Metropolitan Green Belt. 1.The site allocation is contrary to national policy as set out in the government's 'Planning policy for traveller sites' (August 2015) and the requirement of the London Housing Supplementary Planning Guidance that gypsy and traveller accommodation requirements be addressed in line with national policy in proposing the use of a site within the Metropolitan Green Belt. 2.Coombe Farm does not meet the locational criteria set out in Croydon Local Plan policy SP2.7 as existing and as proposed to be amended in that:

(a)The owner does not wish to make

the premises available for this purpose.  
 (b)For a London location it is remote from essential services with the nearest retail premises, GP surgery and state primary school all being nearly 2 km distant.  
 (c)With regard to public transport accessibility the score for Coombe Farm on Transport for London's 'PTAL' assessment is 0. This is the worst possible accessibility rating. It is noted that the supporting text for policy SP2.7 as proposed to be altered reads:  
 'In addition Gypsy and Traveller sites need good access to the road network as they often need to move larger vehicles as part of their livelihood and way of life. It is submitted that the single lane approach road to Coombe Farm with blind corners and no footpath would be both unsuitable and unsafe for such larger vehicles.  
 (d)& (e) Whilst the site is not in a high flood risk zone the former quarry which is included as part of site 502 is a Site of Nature Conservation Importance as defined by the Council in its proposals map.

In its letter of 10.9.15 the Council include as 'Reasons for Preferred Use' that '..it already has built form..' . It is not considered that this should be seen as an advantage for a use that primarily requires an open site. In view of the policy and site specific issue set out above the Council is requested to delete 'Gypsy and Traveller site' as the Proposed Use for site 502 and instate 'Residential (conversion or new build) , as per the 'Alternative option for the site' as the Proposed Use.

2950/01/003/DM43.4/O	A Lemell	Object		DM43.4 502	I object to the proposed gypsy and traveller site at Coombe Farm, Oaks Road.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2953/01/002/DM43.4/O	K Brown	Object	Soundness - Justified	DM43.4 502	Objection to Gypsy and Traveller site at Coombe Farm based on past experiences of unauthorised encampments.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

The proposal to develop Coombe Farm, Oak Road as a residential development for a Gypsy and travelers site does not fall within the Strategic Objectives because:-  
Objective 2: This development will not Foster an environment where existing enterprise can prosper, but will reduce enterprise  
Objective 4: This development will not reduce social, economic and environmental deprivation. It will not reduce unemployment, improve skills and education and improve environmental conditions, the development is not in keeping with the surrounding area.  
Objective 5: This development is not high quality and will not enhance the borough's natural environment but will reduce the natural environment by turning a farm into a travelers housing site  
Objective 7: This development will reduce the area as a safe, healthy and cohesive community.  
Objective 10: This development will reduce the quality and accessibility of green space and nature.

This proposed development of a travelers site within the Shirley area is not within keeping of the current development within this area. Shirley comprises of large semi and detached houses with large green areas. This development is in no way in keeping with out housing in the area.  
Changing a green area to an area of residential housing will cause harm and reduce the outlook of the area. Building a travelers site will increase noise levels, and ruin the character of the area and this development would overwhelm this green area.  
Paragraph 64 of the National Planning Policy Framework states that permission should be refused for development of poor design that fails to take the opportunities available for improving the character and quality of an area and the way it functions.  
This development would diminish the striking view of the area of Addington Hills and Coombe Farm area.

this development will compromise the ability of future generations to meet their own needs. The development will change the outlook and community within the Shirley area and future generation swill suffer because of this.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

2965/01/003/DM43.4/O	Janet Nightingale	Object		DM43.4 502	Recently I have heard of Croydon Council's plans for the borough over the next 20 years. I object strongly to the plans for permanent sites for travellers using green belt land. My experience of travellers is not a happy one. In my opinion they are inclined to make a dreadful mess of any area they occupy. They then move on leaving the Council to clear up after them. If they have to be provided with another permanent site please choose somewhere which is not green belt.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2971/01/001/DM43.4/O	Janet Borawiak	Object	Soundness - Justified	DM43.4 502	Having learnt from reading frightening stories regarding the above, I now understand they are true. I hope you are going to listen to the people of Croydon in that this is not what we want	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2974/01/009/DM43.4/O	Jane Bowden	Object	Soundness - Justified	DM43.4 502	4) I understand that the Council has identified two sites in Shirley for gypsy/traveller sites, Coombe Farm off Oaks Road and Coombe Lodge Nurseries off Conduit Lane. (Reference numbers 502 & 661). Both of these are in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". Both Coombe Farm and Coombe Lodge Nurseries are some distance from public services and traveller sites here risk damaging some of the Borough's precious green spaces. Extending sites in areas such as the one at Purley Way would be more suitable.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
2980/01/001/DM43.4/O	Jean Ure	Object		DM43.4 502	I am writing to register the strongest protest possible to any plans for allowing a traveller site at Coombe Farm. If there is a need for more traveller sites in the borough then please do let them be located in brownfield rather than greenfield sites. The latter are so very precious to the people of Croydon and it would be utterly shameful were parts of them to be eroded.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

Object Soundness - DM43.4  
Justified 502

GYPSY/TRAVELLER SITES.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

The Council has identified three location within 3 miles of our home for gypsy/traveller sites:

1. Coombe Farm off Oaks Road, which is proposed as a site for 15-20 pitches (pages 449-450, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 502).

I object to this proposal on the following grounds:

1.1 Coombe Farm is Green Belt Land. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly that "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". Previous use does not mitigate against this policy.

1.2 The proximity of this site to the Coombe Lodge Nurseries site, also proposed, would mean a total of up to 45 pitches on 2 sites within a very small area of the Borough.

1.3 The Croydon Local Plan paragraph 4.19 refers to the need for good access to roads, stating that Gypsies and Travellers "often need to move larger vehicles as part of their livelihood and way of life". Coombe Road junctions with Oaks Road and Conduit Lane are busy and potentially hazardous intersections and are unsuitable for increased, safe movement and manoeuvring of larger vehicles, especially entering and exiting these sites.

Oaks Road itself is a narrow rural road with a number of blind bends and an adjacent bridal way, making it unsuitable for large vehicles. The Local Plan has not taken sufficient account of the potential increased danger for motorists and pedestrians, horses and riders.

All of the three preferred sites are on Green Belt Land, contrary to Government Policy.

The close proximity of the proposed sites to one another has not been taken into account. All three sites are proposed for a small area in the South of the Borough when there seems to be a successful site in Purley Way which could be expanded.

None of the three sites proposed has

good access to schools, shops and other services. The consequent need for private transport goes against environment and climate initiatives. Government Guidelines ask that local planning authorities policies ensure that children can attend school on a regular basis. These three sites are well away from schools, particularly primary schools, and clearly do not reflect the aims of the Guidelines or facilitate regular school attendance

The proposed plan does not take into account the need for good access to roads. The Croydon Local Plan paragraph 4.19 refers to the need for good access to roads." Oaks Road, Coombe Road, Conduit Lane and Featherbed Lane are unsuitable for safe increased movement and manoeuvring of larger vehicles, especially entering and exiting these sites.□

□  
The number of Gypsy/Traveller sites in Croydon is to increase from 1 to 4, when our recent experience locally is of travellers responsible for damage, parking illegally, leaving piles of rubbish behind when they are moved on and even engaged in firearms confrontation with the police.

3014/01/002/DM43.4/O	Julie Lowe	Object	DM43.4 502	I am writing to object to the use of the following locations as gypsy/traveller sites -coombe farm off oaks R's ref 502 -coombe lodge nurseries off conduit lane ref 661	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3015/01/001/DM43.4/O	Julie Valentine	Object	DM43.4 502	I am writing to object to the travellers permanent site in Shirley.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

I am emailing to object to the proposed travellers sites to be built in the shirley/croydon/south croydon areas.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

There are numerous reasons for my objections.

1. This is green belt land and should remain as such. We are lucky to have local green areas that I have enjoyed since my childhood and that my own family benefit from now. Green belt land is not appropriate for any form of dwelling. We need to preserve what we have in the area. Travellers are known to leave their mess around them, this is not what we want on our green belt land
2. There are insufficient local school places as it is. The children (including my own) in the area will be adversely affected by the influx of travellers who normally have large extended families
3. Travellers cause trouble, my son was set upon by a group of travellers in Lloyds park recently and we now avoid this area when the travellers are illegally staying there. I would like my children to be able to use the local parks and amenities without worrying about people who regularly do not abide by the law of the land.
4. My elderly parents who live in the Shirley hills area are vulnerable victims of crime as it is. Do we really need to add to their fears by making the area less safe with a group of people who generally have no regard for the law
5. Crime rates in Croydon are up as it is. Do we really need more residents for our already overstretched police force to watch over
6. And finally, the clue is in the name. These people are travellers and therefore travel, meaning there is no need for a permanent dwelling for them

---

3017/01/009/DM43.4/O	Mr Chris Connor	Object	DM43.4 502	<p>4. REF 502, REF 661 (Gypsy/traveller sites)  The Council are proposing in total 45 permanent pitches. Both sites are some distance from public services. They should consider instead the expanding the existing site off the Purley Way.  More importantly the Council are in breach of policy E Planning Policy for Traveller Sites published by the Government in August which clearly states:  "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development".  The Council have acknowledged both sites are in the Green Belt and one of them borders a Site of Nature Conservation Interest.</p> <p>The access to both Coombe Farm and Coombe Lodge is totally inadequate and the additional traffic would be dangerous.  The Council should be promoting the interests of the people of Croydon who they are supposed to represent.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
3018/01/009/DM43.4/O	Chris Lynam	Object	DM43.4 502	<p>Policy DM43, reference Site 502 Coombe Farm reference Site 661 Coombe Lodge Nurseries and reference Site 755 Pear Tree Farm and Pear Tree Cottage. I object to the use of any of these locations for the creation of Gypsy/Traveller sites. All three locations are within the Green Belt and Coombe Farm is on a site of an Archaeological Priority Zone and contains an area of Nature Conservation Importance. Such development is in breach of Policy E of Planning Policy for Traveller Sites, which says that "Traveller Sites (temporary or permanent) in the Green Belt are inappropriate development". All three sites are also a considerable distance from public services. I believe that the proposal to create three new Gypsy/Traveller sites by 2017 and 39 by 2036 is excessive and will have an adverse effect on the borough.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

I am writing to object to the use of the following locations as gypsy/traveller sites:-

- Coombe Farm off Oaks Road Reference Number 502
- Coombe Lodge Nurseries off Conduit Lane Reference Number 661

1. What is the Council's rationale for proposing Traveller Sites on the very land previous illegal incursions, fly tipping and theft have occurred?  
 2. On what basis has Croydon's Labour Council rejected the prior Conservative Councils proposal for a second Traveller site located on the Purley Way, Roundshaw Open Space?  
 3. Under the Freedom of Information Act, what is the total tax payer investment, Croydon Council has made over the last 5 years securing land, preventing and obstructing illegal incursions?  
 4. Council representatives are referring to Travellers (universally) as "homeless Croydon residents", yet they are of 'no fixed abode', not registered (with the Council) as homeless, not on the electoral role - let alone contributing to the use of/impact upon local amenities. Please clarify the difference between a 'resident' and a 'visitor'.  
 5. Council representatives advise 'It is the right of a Traveller to live in a caravan and is part of their ethnic rights'. Has an Equality Impact Assessment (Government Planning Document) been conducted to ensure the rights of the settled community are not being infringed? (It is understood this is a requirement where there has been significant local opposition as in the case of Croydon).  
 6. Please confirm a) whether a traveller must reside within a given schools catchment area to attend and b) whether the proposed sites were selected with this in mind?  
 7. Actual number of fixed plots revealed during (verbal) consultation was 49, not 39 as documented, indicating likely expansion of a site(s) at later date. (See Dale Farm, Essex for unauthorised 'sprawl' beyond designated site) [https://en.m.wikipedia.org/wiki/Dale\\_Farm](https://en.m.wikipedia.org/wiki/Dale_Farm)  
 8. What consideration has the Council given to the societal impact of introducing both Romany Gypsy & Irish Travellers (known to feud) into two locations just 500m apart on local community?  
 9. Government planning for Gypsies & Travellers determined Green Belt Development as 'inappropriate'. (See Dale Farm, Essex eviction from Green Belt land). What is the rationale for Croydon looking at

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Green Belt vs. Brown Field?

9a) Under the Freedom of Information Act, how many Brown Field Development sites have Croydon Council Overlooked before selecting Green Belt?

([http://www.gypsy-traveller.org/wp-content/uploads/2015/10/Changes-to-planning-for-Gypsies-and-Travellers-leaflet\\_v6.pdf](http://www.gypsy-traveller.org/wp-content/uploads/2015/10/Changes-to-planning-for-Gypsies-and-Travellers-leaflet_v6.pdf))

9. Two of proposed sites in same Ward and the third in adjoining area, all held as Conservative seats with 2 locations less than 500m apart. Why are there no suitable locations in Labour held seats?

10. Croydon Council acknowledge these proposals will not prevent further illegal incursions, fly tipping, damage and theft at the residents/tax payer's expense, suggesting more fixed sites are not the solution. The current investments in the prevention of illegal incursions are working to protect the settled community.

11. Coombe Farm itself is a listed building, yet at least one other site was dropped from the shortlist for this very reason. Why has the evaluation criteria for site selection not been applied in an unbiased, uniform manner?

12. Note Basildon Council ended up \*leasing\* land they did not already own to accommodate travellers. If Croydon Council is blocked from using its own land for the purpose of a Traveller Site, can it be confirmed that the Council will uphold Green Belt planning restrictions and decline private planning applications for the same? (Ref: Dr A Ansari).

[https://en.m.wikipedia.org/wiki/Dale\\_Farm](https://en.m.wikipedia.org/wiki/Dale_Farm)

13. 'Homeless' travellers evicted from Dale Farm returned to their \*homes\* in Ireland.

(4:08 onwards.

<http://youtu.be/T253zUOfXe0>). What is Croydon Council's position where a "homeless Traveller" owns property? What investigation is carried out into the legitimacy of their homeless claim?

14. Taxpayers in Essex ended up funding Traveller-only amenities such as a community hall. What societal integration studies have been completed for homes, schools & businesses adjoining Coombe Farm and Coombe Lodge Nurseries? Precedent suggests their needs are greater than just plots.

15. Why was Coombe Farm initially considered for both Residential and Traveller site prior to Consultation only to be changed to Traveller-only during Consultation?

16. The proposed Coombe Farm Traveller site is:-

- a) Green Belt
- b) A listed Historic Property

c) Is within 'panoramic view' of Addington Hills

d) Has a number of covenants on its usage dating back to the 1950's set by the Garwood Family.

17. On what basis has Croydon Council classified these Travellers as homeless? They have the means to purchase their own vehicles, mobile accommodation and plant machinery. Why wouldn't they register with Croydon Council as homeless (if that is indeed their claim) and be 'Means Tested'?

17 a) Council representatives (at the recent Consultation) deemed adding Travellers to the homeless register as 'unworkable' as the housing waiting list was too long. Does this mean Travellers are being given PRIORITY over legitimate refugees and asylum seekers who are already on the housing register?

18. The introduction of a single traveller site (let alone two) in the Green Belt Heathfield Ward will increase localised fly tipping (please see area immediately surrounding the existing fixed site. Latham's Way, CROYDON) and will therefore be in direct contravention to the NATURE CONSERVATION STRATEGY, Supplementary Planning Guidance No.5 for Croydon on the following grounds;

4.41 "Five of the 8 Golf Courses in Croydon (note; Shirley Park adjoins Oaks Farm) contain all or parts of Metropolitan Nature Conservation Importance in Croydon."

4.63 Problems -cites 'pollution' as one of 7 key problems identified which particularly apply to Croydon".

5.5 "96 sites in Croydon are outlined in the Ecology Handbook 32 'Nature Conservation Guidelines for London' (updated in 1994). The criteria have been used by the Council to protect sites from harmful development through the operation of its own town planning powers".

6.9 Have the "Wardens for the green belt" (a role within the Council) a) been appointed in line with this policy and b) been consulted on the potential impact?

6.6 - Access [to the countryside] for All; "There are physiological & physical barriers [...] putting the countryside beyond the reach of some residents [...]. They may be restricted by [list of reasons] or of not feeling safe in the countryside." The presence of at least one Traveller Site will be viewed as a deterrent with valid concerns for the personal safety of local residents and visitors alike.

- What consideration has been given to existing Tree Preservation Orders, Ancient Woodland (Oaks) & Hedgerows both on the Coombe Farm site as well as the shared

access? Development of the access road would lead inevitably to the loss of further wildlife habitat.

- protected species in the area include deer, badgers (sets in and around Coombe Farm) and bats in the listed building & outbuildings. (4.13, 4.15 & 4.16) "Heathland is one of the rarest habitat types in London. The remnants of 'Heather' heathland found on Croham Hurst & Addington Hills [...] are the most significant in London. Heathland is also increasingly rare on a national basis with much of its characteristic wildlife endangered".

Full Document can be found - <https://www.croydon.gov.uk/sites/default/files/articles/downloads/spg5.pdf>

19. Excerpt from the Aug 2015 'Planning and Travellers: proposed changes to planning policy and guidance' - Consultation response document

Specifically; "re: sites on land designated as Green Belt; sites protected under the Birds and Habitats Directive and / or sites designated as Sites of Special Scientific Interest; Local Green Space; an Area of Outstanding Natural Beauty, or within a National Park (or the Broads)."

[https://www.gov.uk/government/uploads/system/uploads/attachment\\_data/file/458230/Final\\_planning\\_and\\_travellers\\_govt\\_response.pdf](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/458230/Final_planning_and_travellers_govt_response.pdf)

19a. How will the provision of a fixed site prevent the issue of illegal incursion, raised in the above consultation document, specifically Question 10, harm caused by intentional unauthorised occupation? Croydon Council representatives concede it will not, therefore please explain what positive outcome this proposal hopes to produce.

20. Excerpt - Planning policy for Traveller Sites;

[https://www.gov.uk/government/uploads/system/uploads/attachment\\_data/file/11422/2116900.pdf](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/11422/2116900.pdf)

"The new policy will help ensure that traveller sites are developed in appropriate places and not on Green Belt land, ensure planning policy is clear and consistent and thus can operate most effectively in a new localist planning system, and reduce community tensions that can arise over perceptions that planning policy for traveller sites is more lenient than planning policy for housing for settled communities." Perception upheld.

20a. During local Consultation, Counsellors advised repeatedly of a Central Government target being applied to Croydon for Traveller Sites. Excerpt from the 'Planning policyholders traveller's sites -

Equality Impact Assessment' suggests otherwise;  
"Now the Localism Act is in place, the current policy points to a process that no longer exists for setting future traveller site targets because the Act removed the framework for regional strategies meaning that no further regional strategies can be created. The Government will expect local authorities to plan for strategic matters, including accommodation for Gypsies and Travellers, in their Local Plans. Through this process, local authorities will have to justify their policies for traveller site provision using robust evidence that will be tested at the Local Plan examination. However, it will not be clear if the circulars were left in place that local authorities should set targets as part of their decisions on the right level of provision in their areas. The new policy, therefore, asks local authorities to set targets based on their evidence of need and to bring forward land in their plans to meet these."

21. Under the Freedom of Information Act, please supply burglary, assault, theft, disturbance, illegal incursion, damage and arrest data relating specifically to Travellers of 'No Fixed' address immediately following their arrival up to and including their eviction.

22. Under the Freedom of Information Act, please provide all Environmental Agency data relating to the treatment of Travellers waste during and after their occupation and specifically how a fixed site (providing basic sanitation & waste collection) will prevent illegally fly tipped builders waste all over the surrounding area. (See reports for all prior illegal incursions).

23. How has the London Borough of Croydon involved its Community in the planning of the Coombe Farm and Coombe Gardens Traveller Sites? What opportunity was given by Croydon Council for the local residents to put forward their own ideas and participate in the development of the Sites? See - London Borough of Croydon's "Statement of Community Involvement - October 2012" (<https://www.croydon.gov.uk/sites/default/files/articles/downloads/involvement-oct12.pdf>) Reference 2.11 & 2.12 - these Guidance Rules have been ignored

24. In the restrictive Covenants for Coombe Farm, (defined as 80 Oaks Road) which are for "the Settlers and their successors in title" states "No part of the Property shall be used for any offensive noisy, dangerous pursuit or occupation or for any purpose which shall or may be grow

to be in any way a nuisance damage grievance or annoyance to neighbouring properties or the neighbourhood."  
 25. There is no pavement access to either of the proposed sites therefore most travel to and from these sites to local amenities, (shops/schools) would be by vehicle – causing even greater traffic problems to the Coombe and Oaks Road junction.  
 26. If these proposals go ahead will the council be offering 'blight' compensation to all of the affected local residents and businesses?  
 27. Will the travellers be required to pay council tax, rent, gas, electricity, and all other charges?  
 I look forward to your response to the above questions/concerns.

3028/01/004/DM43.4/O	Mr Nick Barnes	Object	Soundness - Justified	DM43.4 502	<p>Having read both local plans for the Shirley area, I strongly object to all aspects in both plans, this includes the 750 new homes on Shirley Oaks Village, 35 new homes in Shrublands, the two gypsy sites at Combe Fram and Conduit Nursery and the development for up the four storeys along Wickham Raod.</p> <p>None of these plans will benefit Shirley and I object to them all.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
3029/01/007/DM43.4/O	Mr Paul Newton <i>Addington Village Residents Assoc</i>	Object	Soundness - Justified	DM43.4 502	<p>Happy for the Council to replace under-used garages with much-needed homes, but will be objecting to building on precious open space.</p> <p>Objecting to the use of either of these locations as gypsy/traveller sites. As the Council acknowledges, they are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly:</p> <p>Traveller sites (temporary or permanent) in the Green Belt are inappropriate development.</p> <p>The Council's approach is clearly in breach of that policy. Both sites are also some distance from public services.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

3040/01/001/DM43.4/O	Sandra Baker	Object		DM43.4 502	<p>As a resident whose property borders Addington Hills, I am extremely concerned regarding the resulting detrimental effect of Travellers' sites in the area. There have been numerous illegal instances of Travellers siting themselves in the car park adjacent to the restaurant in Addington Hills and also in the Sunken road making access to the tram stop impossible by vehicle as the entire road was filled with broken glass and metal and concrete. Building rubbish, human detritus, and many hazardous waste materials have been dumped in and around the Hills. If permanent legal sites are provided as proposed, the surrounding areas will be the perfect place for limitless dumping, it will in fact be their idea of utopia. I strongly object to this proposal and the inappropriate use of the Green Belt. This beautiful area of Croydon will be seriously changed for the worse for the many people who enjoy its unusual, unspoilt beauty.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
----------------------	--------------	--------	--	---------------	---	--------	---

3042/01/001/DM43.4/O	Sarah Stone	Object	Soundness - Justified	DM43.4 502	<p>I am writing to protest in the strongest possible terms to the council's proposals to create traveller sites at Coombe Lodge Nurseries and Coombe Farm.</p> <p>As you know, both of these sites are in the green belt, with one of them bordering a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, states: "Traveller sites (temporary or permanent) in the green belt are inappropriate development."</p> <p>The areas of Coombe Lodge Nurseries and Coombe Farm are not wasteland nor are they brownfield sites (as the current travellers' encampment in Croydon is). Instead, they are precious stretches of green land well loved and well used by Croydon residents for sports and leisure activities. They also provide an invaluable habitat for wildlife, including deer.</p> <p>I urge you to reconsider and will be continuing to campaign against this entirely inappropriate plan which will result in the desecration of two of Croydon's valuable green spaces.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
----------------------	-------------	--------	-----------------------	---------------	--	--------	---

3043/01/006/DM43.4/O	Sarah Stenning	Object		DM43.4 502	The use of Pear Tree Farm and Pear Tree Farm Cottage on Featherbed Lane as a location for a Gypsy/traveller site. (reference number 755) You know that this is Greenbelt Land. It is not appropriate for a site to be placed there particularly as you are planning to make it larger in the future and it has no local amenities close by; No transport links and already there is a vast amount of fly tipping in that area, which is a site of natural beauty with a scout camp nearby. Look at Policy E of planning policy for traveller sites published by the government which states that it is inappropriate development whether temporary or permanent. In all these areas I believe you should be looking at brownfield sites and not greenbelt, let us protect the little greenbelt we have left.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3045/01/008/DM43.4/O	Mr Stuart Marsh	Object		DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3070/01/004/DM43.4/O	Christine Denney	Object	Soundness - Consistent with National	DM43.4 502	I should like to protest against the site chosen for gypsy camps and a new secondary school being built on green belt. There must be better sites for them as we must protect our green belt sites.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3072/01/004/DM43.4/O	Christine McCarthy	Object		DM43.4 502	I object to all the proposals set out for new housing and travellers sites in Shirley. I feel it will ruin the area by taking up all the open spaces.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3074/01/002/DM43.4/O	Christine Younger	Object		DM43.4 502	I strongly object to this council building or using Green Belt sites for this and any other purpose. Also high rise flats will upset the balance of the areas. I do accept that we need more housing but these should be build on existing empty or land filled sites.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3077/01/002/DM43.4/O	Mrs Clare Gardner	Object	Soundness - Consistent with National	DM43.4 502	<p>I am writing to object to:</p> <p>1.The use of the following locations as gypsy and traveller sites:</p> <ul style="list-style-type: none"> <li>•Coombe Lodge Nurseries off Conduit Lane, site reference 661;</li> <li>•Coombe Farm off Oaks Road, site reference 502;</li> <li>•Pear Tree Farm and Pear Tree Farm Cottage on Featherbed Lane, site reference 755</li> </ul> <p>as all these sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b.</p> <p>(If the Council really needs to quadruple the number of gypsy/traveller sites in the borough they should look elsewhere, e.g., off the Purley Way where the existing site is).</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3080/01/008/DM43.4/O	Mr John Mills	Object		DM43.4 502	I object to the use of the site for a gypsy and traveller site. As the Council acknowledges, all three of these sites are in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". The Council's approach is clearly in breach of that policy. All three sites are also some distance from public services and they are all in the same part of the borough (two are in Heathfield ward, one just over the border in Croham). Why has Heathfield been singled out in this way? If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is).	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3083/01/002/DM43.4/O	Mr Edward Hart	Object	DM43.4 502	I wish to comment on the proposals for the following sites: Coombe Farm, Oaks Road (site 502) The proposal to use these sites as gypsy and traveller sites does not comply with Policy SP2.7a and SP2.7b. Both sites are clearly isolated in respect of local services. Site 661 would be unsuitable for school use as it lacks access to nearby public transport. Both sites would be acceptable for residential development and at least would not be worse served than some other housing in the area.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3084/01/002/DM43.4/O	Mrs Elaine Grant	Object	DM43.4 502	•Site reference 661 – Coombe Lodge Nurseries off Conduit Lane and site reference 502 Coombe Farm off Oaks Road – both sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b The proposals conflict with policy. The proposed options does not achieve sustainable development as it will compromise the ability of future generations to sustain Green Belt and SSSI as well as Nature Conservation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Third, the Council has identified two locations on the edge of Shirley for gypsy/traveller sites:• Coombe Farm off Oaks Road and Coombe Lodge Nurseries off Conduit Lane. I am objecting to the use of either of these locations as gypsy/traveller sites. As the Council acknowledges, they are both in Green Belt areas and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development".

The Council's approach is clearly in breach of that policy. Both sites are also some distance from public services. If the Council really needs to quadruple the number of gypsy/traveller sites in Croydon why don't you develop the existing site at Purley Way? It is an outrage that our diminishing open spaces will be turned into Gypsy sites. Coombe Road is so busy. It is the link between Shirley, Addington, Forestdale, Warlingham, Selsdon etc to central Croydon. It does not need more traffic nor traveller sites on it. We should be trying to diminish traveller sites, not expanding them or using valuable land to allow for more. I currently work for the Department of Work and Pensions and we have a joint operation with the local Police and other local service providers in our area to reduce fraud, rubbish, fly tipping etc. and we have been very successful in concentrating our efforts on gypsy areas. I do not want that for Croydon, especially near to where I live and where my children will grow up. My husband has his own house removals business and the amount of families he is moving from Croydon to other areas in England is astonishing. These families are not just moving down the road to the next borough to get away from Croydon, they are moving to Sussex, Devon and Scotland etc. I

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Object Soundness - DM43.4  
Justified 502

Coombe Farm is on the Green Belt.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Summary:

Not in line with Government planning policy on the Green Belt

Detail:

- Government planning policy with regards to traveller sites wants to ensure that plan-making and decision-taking should protect Green Belt from inappropriate development.

- The proposal to create a permanent traveller site on land designated as Green Belt land is contrary to Policy E of the Planning Policy: "Inappropriate development is harmful to the Green Belt and should not be approved, except in very special circumstances.". There are no very special circumstances in this case.

- The National Planning Policy Framework makes it clear that unmet housing need (including for traveller sites) is unlikely to outweigh the harm to the Green Belt and other harm to constitute the "very special circumstances" justifying inappropriate development on a site within the Green Belt.

- The local character description is clearly at odds with the proposal.

- The justification acknowledges the Green Belt issue, though insufficiently, but relies on the fact that there are existing structures. These are not in fact substantial – being glasshouses – and could be said to be at least environmentally consistent with the Green Belt. But there is no very special circumstance justification proposed as required by Planning Policies.

- Approving the proposal would set a precedent and open the surrounding areas to be subject to similar development. It is not in the community's interests to allow the erosion of the green spaces surrounding the community and we object to the impact this site could have on the environment and wildlife.

In the light of these issues, it is not appropriate simply to weight Green Belt as one of many factors to be considered, but rather it presents an overarching policy objection that cannot be over-ridden in the way proposed.

The decision making process is contrary to Government guidance.

NO - To be considered deliverable, sites should be available now, offer a suitable location for development

now and we do not believe that The Assessment and selection of sites for Gypsy and Travellers undertaken was credible.

Plan makers have not considered the time it will take to commence development on site:

- Need for infrastructure improvements (roads), need for local amenities improvement (primary school, doctor)
- Plan makers have not considered the time and necessity to show due diligence in assessing the sites:
  - need for an Environmental Impact Assessment (this would be a schedule 2 development having significant effects on the environment and needing an EIA)
  - need for a Local Biodiversity Action plan to determine the sensitivity of the location
- Plan makers have not ensured that the process has credibility and acceptance: the bases for site criteria weightings are unclear.
- Plan makers will need to provide robust, up to date evidence to support the deliverability of sites, ensuring that their judgements on deliverability are clearly and transparently set out.
- Plan makers have not taken the cost and time needed to mitigate the impact of the development on the sites: Croydon Council has already recognised in its Development Management Policies document that the Site of Nature Conservation Interest (SNCI) which borders the Coombe Lodge Nurseries Site, Coombe Wood (List of Historical Park and Gardens 2008) would be negatively impacted by the proposed development.

Sustainable development is development that meets the needs of the present, without compromising the ability of future generations to meet their own needs.

The proposed development does not meet the needs of the present (see further info in section 3):

Gypsies and Travellers needs are not addressed: not enough local amenities, sites are too big, unfit local roads.

The proposed development does compromise the future of the local area.

•Government planning policy is to ensure local planning authorities have due regard to the protection of local amenities and the local environment.

•It is likely the proposals will have an adverse effect on local businesses

•Coombe Wood is a Site of Nature Conservation Interest (SNCI) (List of

Historical Park and Gardens 2008) and would be negatively impacted by the plans. Croydon Council has already recognised this in its Development Management Policies document.

- The Borough Character Appraisal of 2015, the local area is listed as having special character. The proposed development is not sensitive to, and does not respect, this.

- From the Croydon Gypsy and Traveller Accommodation Needs Assessment 2013, Gypsies and Travellers living in the Croydon area prefer small family sized sites, with smaller sized sites having fewer inter-family tensions. The plans clearly go against this.

- The proposed plan does not take into account the need for good access to roads. The Croydon Local Plan paragraph 4.19 refers to the need for good access to roads, stating that Gypsies and Travellers "often need to move larger vehicles as part of their livelihood and way of life". – this may be an assertion relevant to the assessment of sites and the narrowness of Coombe Lane. The proposed sites are not suitable for traveller vehicles.

- It is very important that the site has a safe entrance and exit. There are very strict Highway regulations about visibility at the entrance/exit to sites to ensure there is no danger of accidents. This links into the insufficient local infrastructure and we know how dangerous the junctions Coombe Road/ Oaks Road/ Conduit Lane can be. Both sites are accessed by single lane roads and the proposed plans do not take into consideration the potential extensive alterations needed to the local road network.

- It is Government policy / guideline to have new sites near existing development. The proposed plan does not take this into consideration. Is there not scope for extending existing sites in the Borough to meet some of the need. It is not clear how much consideration has been given to this.

- The proposed plan highlights the benefit of close public transport to the sites but use of public transport amongst Gypsies and Travellers has been noted to be low.

- Gypsies and Travellers often need mixed-use employment sites (as they often run a business from the place where they live). The proposed plan does not address this in a Green Belt

location where commercial activities on site could lead to substantial hazardous contaminants and waste materials escaping from the site.

- Gypsies and Travellers often express their preference to be within walking distance of shops/ health centres/ schools/ local amenities. The proposed sites are not close to any of these. The proposed sites go against Gypsies and Travellers preferences and against environment and climate initiatives by promoting the use of their own vehicles for daily life.

- From Government Guidelines, Local planning authorities should ensure that their policies ensure that children can attend school on a regular basis. The site is well away from schools (particularly primary school provision) and clearly does not reflect the above aim, or facilitate regular school attendance. Widely recognised by Government source that literacy can be an issue within the Travelling community, this would place even more pressure on local schools to provide for support of their needs. Recent studies suggest a greater proportion of ill-health amongst the travelling community, adding more pressure to local health centres. In addition to going against Government Planning Policy for traveller sites, the closest services will therefore have further demands placed on them.

- There is evidence of periodic overcrowding on traveller sites, throughout the year and at a peak during winter months. This would yet further increase demand on local services. The plan makers have made no indication that they would take this into consideration or look to limit overcrowding.

The prime objection can thus be summarised as being an inappropriate use of Green Belt Land, together with the lack of relevant amenities to hand.

3089/01/002/DM43.4/O Mr Paul Grant

Object

DM43.4  
502

- Site reference 661 – Coombe Lodge Nurseries off Conduit Lane and site reference 502 Coombe Farm off Oaks Road – both sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3092/01/001/DM43.4/O	Mr Paul Simner	Object	DM43.4 502	Travellers Site Coombe Farm , Oaks Road, Ref 502 Some years ago we had unwanted visitors camp on a plot of land in Oaks road adjacent to Shirley Park Golf club. At the time I was the junior organiser for the club and we had untold problems with these people, invading the course, stealing golf balls and trying to steal unattended golf clubs. There was constant abuse given to members who dared to stand up to these people and it came to the point that when they were camped in order to make sure the kids were not harmed or have their equipment stolen. Whilst I understand their need for permanent site I do think that this location could cause many problems to our membership and especially for the juniors who regularly play there. A golf course it a place for kids to enjoy themselves and a place their parents should feel confident they are in a safe environment. I would like to point out this is not in any way an attempt to discriminate against anyone but just my concerns, after first hand experience, the problems this could cause and mainly fo the safety of our junior members.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3097/01/009/DM43.4/O	Mr Ben Lynam	Object	DM43.4 502	Policy DM43, reference Site 502 Coombe Farm reference Site 661 Coombe Lodge Nurseries and reference Site 755 Pear Tree Farm and Pear Tree Cottage. I object to the use of any of these locations for the creation of Gypsy/Traveller sites. All three locations are within the Green Belt and Coombe Farm is on a site of an Archaeological Priority Zone and contains an area of Nature Conservation Importance. Such development is in breach of Policy E of Planning Policy for Traveller Sites, which says that "Traveller Sites (temporary or permanent) in the Green Belt are inappropriate development". All three sites are also a considerable distance from public services. I believe that the proposal to create three new Gypsy/Traveller sites by 2017 and 39 by 2036 is excessive and will have an adverse effect on the borough.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3098/01/008/DM43.4/O	Mr Derrick Thurley	Object	DM43.4 502	Locations for 15 to 20 gypsy/traveller sites at Coombe Farm off Oaks Road These are both on Green Belt land which is in breach of Government policy which states as being inappropriate development. Existing site at Purley Way should be expanded	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3103/02/007/DM43.4/O	Mr Varsha Patel	Object	DM43.4 502	Incorrect calculation in the selection criteria for 502 (Coombe Farm)	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3103/02/002/DM43.4/O	Mr Varsha Patel	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3103/01/002/DM43.4/O	Mr Varsha Patel	Object	DM43.4 502	<p>Build a school please? School is a viable option as there are no schools in our area. The Plan makers have missed a big point that existing infrastructure cannot cope with the influx of additional population at such a fast pace. Also, it has to be planned over a few years. It should never be on a green belt/attached to a green belt sites as it is disastrous for the environment There are quite a few brownfield sites in Croydon. Those should be explored. What are the criteria behind selecting two sites within 1 mile of each other? The plan makers do not know the grass root situation. They have just assumed things without knowing the facts. This is a grave situation. There are quite a few public and independent schools in the nearby area. Building a new school will support the selsdon and nearby citizens. Besides we do not have a grammar school in Croydon. So it would be ideal if we build a grammar school in Croydon on one of the proposed sites. Existing infrastructure just cannot cope with additional population in Croydon:</p> <ol style="list-style-type: none"> <li>1) We have to wait at least 4-5 days to get drs appointment</li> <li>2) We have wait for at least 15 minutes to get a turn to play swing/slide for my son in any local park. The parks are so crowded during summer. Already children are getting very less exercise. If 40 families come over with more than 80 children then it would be extremely over crowded.</li> <li>3) There are not enough schools in the area. We should build more schools.</li> <li>4) There is very limited green spcae in Croydon. Government policy states that you cannot build temporary or permanent sites on green belt.</li> <li>5) Conduit lane is a no drive through zone. Increased traffic due to a planned chool and travellers sites will cause traffic chaos.</li> <li>6) We need green belts for good health of the citizens. Steps like these would encourage the encroachment of green belts. Build a school instread of a travellers site.</li> </ol>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

---

3106/01/006/DM43.4/O	Mrs Michelle Sawyer	Object	DM43.4 502	<p>It is inappropriate development to locate Travellers sites at Coombe Farm (502) and Coombe Lodge Nurseries (661) as they are both in the Green belt</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
----------------------	---------------------	--------	---------------	--	--------	---

---

The proposals to locate traveller sites at Coombe Farm, Ref 502 and Coombe Lodge Nurseries, Ref 661, are both inappropriate.

As the Council acknowledges, both sites are in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development".

The Council's approach is clearly in breach of that policy. Both sites are also some distance from public services. If the council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is).

The proposals to locate traveller sites at Coombe Farm, Ref 502 and Coombe Lodge Nurseries, Ref 661, if adopted, would compromise the ability of the current generation and future generations to enjoy these green spaces. Enjoyment of green spaces is a basic need of any community.

This is particularly relevant given the redevelopment of Croydon and the fact that many more people will be living in the centre of Croydon and will want and need to use these green spaces ("green lungs" of Croydon).

Companies looking to relocate businesses to Croydon do not only consider factors such as cost. Transport links and housing for staff - they also consider environmental factors. The damage to these two green spaces, which would inevitably arise should these proposals go ahead, would make Croydon a less attractive place to live in and would discourage businesses relocation to the area. This would reduce employment opportunities for Croydon's residents.

SP2.7 makes no mention of impact on the surroundings of the site or local residents. Accordingly, an additional criterion should be added as follows:

"f. Must be entirely acceptable in relation to its impact on nearby public spaces and residents and businesses in the area"

If this were included in the proposals, Ref. 502 Coombe Farm and Ref 661, Coombe Lodge Nurseries, would immediately be inappropriate.

Coombe Farm is green belt land in Lloyd Park. Lloyd Park was left to the people of Croydon by the Lloyd Family. At present families enjoy the

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

open space, children play in the play area, joggers and walkers exercise, people walk their dogs sports are played, and families snack in the café. Coombe Lodge Nursery is by the lovely gardens of Coombe Wood with its popular tea room and wooded area.

The proposals RE 502 and ref 661 if implemented would not be in accordance with the Green Grid concept (reference green Spaces 6.15, 6.16) in that they would significantly damage these two valuable assets and discourage their use by the residents of Croydon. I note under the Plan: "Local Green Spaces which make a contribution to the borough's heritage value, visual character, recreational opportunities, tranquility, and amenity qualities will be protected and safeguarded. These proposals would have exactly the opposite effect.

I would make the following comments on the "Assessment and Selection of Sites for Gypsy and Travellers":

A) The scoring system does not reflect the importance of the preservation of Green Spaces and is inconsistent with the Green Grid concept.

B) For both sites the scoring appears highly subjective.

C) In particular for both sites the scores for "green space", "impact on local character", "privacy", and "local character" need to be reconsidered - they are all quite clearly wrong.

D) Site 502 is on a single track lane with very narrow access to Oaks Road. It would be practically inaccessible for large mobile homes. This fact is not reflected in the assessment.

E) for both sites "GB/MOL" is shown as amber and should therefore be minus 5 not plus 5.

F) The "social deprivation" criterion is illogical as pressures on local services apply equally across Croydon. If one was considering a large area such as a Country this would make sense; it makes no sense at the borough level. This criterion should be removed from the assessment.

I would recommend that this Assessment be reassessed by an independent party. I am sure that such a reassessment would indicate the unsuitability of these two sites.

I value Lloyd Park and Coombe Wood very highly, as, I am sure, do many other residents of Croydon. Lloyd Park and Coombe Wood are important and irreplaceable assets of our town, to be cherished. They should not be damaged by proceeding with these proposals.

3107/01/002/DM43.4/O	Dr Natasha Newlands	Object	DM43.4 502	<p>I am writing regarding two proposed Traveller site developments at Coombe Farm (502). I am concerned about these developments for a number of reasons:</p> <ol style="list-style-type: none"> <li>1) The two sites are proposed to be in locations that are not in easy walking distance of everyday amenities such as shops, schools and health services. This will mean that the Travellers who move in to these sites will have to drive to use these services adding further burden to an already very congested main route in to Croydon, Coombe Road.</li> <li>2) Local schools and health services are also already stretched in catering for the current local population.</li> <li>3) I feel it is important to discuss these propositions with local residents as many are unaware of the plans; it may alter how residents and visitors use the park and also the developments are likely to have a significant impact on local businesses.</li> <li>4) Coombe Farm is situated within Lloyd Park and any change in usage should comply with the conditions with which it was donated.</li> <li>5) These sites are in Green Belt areas and government publications advise that Traveller sites in the Green Belt are inappropriate developments - Ref: Policy E of Planning Policy for Traveller Sites</li> </ol>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. 3109/01/008/DM43.4/O	Mr Dominic Quinn <i>A3 Architecture London LTD</i>	Object	DM43.4 502	<p>Object to the dedesignation of MOL around Shirley Oaks Village as it will change the character of the area. The Travellers site would be in breach of government guidance and there would be no services local to the area</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

Not in line with government planning policy on the Green Belt.  
Detail:  
- Government planning policy with regards to traveller sites wants to ensure that plan-making and decision-taking should protect Green Belt from inappropriate development.  
- The proposal to create a permanent traveller site on land designated as Green Belt land is contrary to Policy E of the Planning Policy "Inappropriate development is harmful to the Green Belt and should not be approved, except in very special circumstances". There are no very special circumstances.  
- The National Planning Policy Framework makes it clear that unmet housing need (including traveller sites) is unlikely to outweigh the harm to the Green Belt and other harm to constitute the "very special circumstances". Justifying inappropriate development on a site within the Green Belt.  
- The local character description is clearly at odds with the proposal.  
- The justification acknowledges the Green Belt issue, although insufficiently, but relies on the fact that there are existing structures. These are not in fact substantial, being glass houses - and could be said to be at least environmentally consistent with the Green Belt. But there is no very special circumstance justification proposed as required by the planning policies.  
- Approving the proposal would set a precedent and open the surrounding areas to be subject to similar development. It is not in the community's interests to allow the erosion of the green spaces surrounding the community and we object to the impact this site could have on the environment and wildlife. The fact that this is a green belt area should be the end of the discussion. Green belt areas are designated as such, and should not be allowed to be disrupted when it is suitable for the Council. This opens up the area to manipulation, and is not in line with the character of the area.  
The current residents should be able to decide how they see the area being developed, and the current crisis around school places is much higher on the priority list. The needs of the majority of children and residents should not be swept aside. This is not a democratic outcome.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3112/01/005/DM43.4/C	Mr Paras Shah		DM43.4 502	<p>Object to the use of the following locations as gypsy and traveller sites:</p> <p>Coombe Lodge Nurseries off Conduit Lane, site reference 661;</p> <p>Coombe Farm off Oaks Road, site reference 502;</p> <p>as both sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b;</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
----------------------	---------------	--	---------------	---	--------	--

3113/01/009/DM43.4/O	Mr Stuart Beaton	Object	DM43.4 502	<p>2.Traveller Sites/ Coombe Farm</p> <p>The proposal to use two locations in Shirley for traveller sites: Coombe Farm off Oaks Road (pages 449-450, reference number 502) and Coombe Lodge Nurseries off Conduit Lane (pages 468-469, reference number 661).</p> <p>My main objections are:</p> <p>Both sites are some distance from the nearest public services, making them inherently inappropriate locations for the purpose intended. Increased congestion in the adjacent, and rather narrow, local roads. In turn, this will result in increased pollution and accident black-spots. Both sites are in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, states: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". If enacted, the Council would be in breach of that policy.</p> <p>Conclusion</p> <p>The proposals I have highlighted can only be viewed as negative. If adopted, they will increase the local population - and the density of that population - without providing any supporting infrastructure. The new residents from the planned apartment blocks and traveller sites will need additional public services such as schools, medical services and shops. Older residents will give way to young families who require greater social support, yet no additional resources are identified to help manage the changing demographic. Traffic congestion along already busy roads will increase, as will pollution and accident black-spots. The few remaining green spaces will disappear. Overall, the proposals signal a reduction in the quality of life for both the existing residents and the newcomer</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
----------------------	------------------	--------	---------------	--	--------	--

3114/01/002/DM43.4/O	Mr Simon Smith	Object	DM43.4 502	I want to object very strongly to the use of Conduit Lane (661) and Coombe Farm (502) being used as gypsy and traveller sites. It would be totally inappropriate for these greenfield, Green Belt sites being used for this kind of development. It would also be in contravention of other policies (SP2.7a and SP2.7b) which are there to protect the green grid.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3123/01/001/DM43.4/O	Georgia Taylor	Object	DM43.4 502	With reference to the above mentioned document, I am writing to strongly object to the following; The use of the following locations as gypsy/traveller sites: 1. Coombe Farm off Oaks Road (reference no. 502) 2. Coombe Lodge Nurseries off Conduit Lane (reference no. 661) The selection of these sites is clearly in breach of Policy E of the Planning Policy for Traveller Sites - published by Government in August 2015, which clearly states; "Traveller sites (temporary or permanent) in the green belt are in inappropriate development." Can you please confirm why the Council is considering the use of Green Belt sites over Brownfield sites? I live very close to the above mentioned sites and feel that this inappropriate development will destroy the local area and community. I have worked extremely hard to be able to afford to live in this area and would like the Council to re-consider their proposal.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3127/01/001/DM43.4/O Kim Riley

Object

DM43.4  
502

I am writing to object to the use of the following locations as gypsy/traveller sites on Green Belt Land:  
•Coombe Farm off Oaks Road reference number 502 ]. This site will very much change the character of the area and should be located on alternative disused industrial sites, not our precious green space.

When camped illegally near the hills, these people have shown no respect for local residents or our beautiful surroundings.  
The children sped across Addington Hills on electric scooters and cars making it very dangerous for families, dog walkers and their dogs who have made good use of this location for many years.  
The rubbish and excrement was abysmal.

The proposed locations of these sites will adversely affect the local businesses such as the Coombe Garden Café, as no doubt the parking bays will be in constant use by the travellers and not available to those people who frequently use the café but who have to drive to that location. It will make Conduit Lane and other local roads a hazard.  
The local schools are also not within walking distance of these sites and as there is very little public transport nearby this will put more pressure on the already overcrowded trams.

As someone who has lived in Shirley for 25 years and a frequent walker in our surrounding area I see these proposals changing our local environment for the worst.

Please, please, please do not proceed with these sites but find alternatives away from our precious green space.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

---

3130/01/003/DM43.4/O Mr Laurie King

Gypsy / Traveller sites in Featherbed Lane and off Coombe Road / Conduit Lane / Oaks Lane - These areas are Green Belt so why would the Council consider these suitable for such developments when this contravenes the current legislation? Additionally, the areas currently have considerable residential and community leisure activities and facilities, so again why would the Council be wanting to destroy the environment to create these Gypsy/Traveller sites for persons of no fixed abode and who are temporary residents to the borough only. It strikes me that this is an imbalance of priorities over the current fixed residents of Croydon and a set of proposals that I object to most strongly.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3131/01/001/DM43.4/O	Mr Leonard Gregory	Object	DM43.4 502	<p>May I register my strong objection to the proposal that Coombe Farm (an historic farmhouse, circa 15th Cent.) be turned into a site for Travellers. I have watched the deterioration of Coombe Farm over the last two decades as the grounds have been progressively turned into an illicit recycling centre by the current owner (Anwar Ansari) and about which Croydon has done nothing, despite many complaints.</p> <p>Surely, in the current climate where massive nationwide redevelopment is seen as the answer to the ever increasing pressure for social housing, not just for the indigenous population, but also to cope with the requirement of immigrants and refugees, we should be protecting what little beauty we have. There must be many other alternatives to using beautiful green belt land – such as expansion at the old airfield on Purley Way - and other under-used plots in Croydon?</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
3132/01/002/DM43.4/O	Carole Shorey	Object	DM43.4 502	<p>I am emailing to object to a number of the proposals.</p> <p>My parents live in Forestdale so are close to Addington and Shirley and I worry for them if there are more gypsy sites located in the area.</p> <p>My son was involved in a road traffic incident with a traveller from the Layhams Farm site, the traveller caused the accident by pulling out of the road next to the site in front of my son's oncoming right of way car, he then jumped out of his car and ran from the scene and the police were too frightened to enter the site. My view of the police has been very jaded since this incident. My son could have been killed in this crash. If the police are too frightened to patrol these sites, these people are above the law, I definitely do not want to see more sites in or around my local area, I feel very strongly about this. I basically do not agree with many of the plans listed in Gavins email. I do agree we need more housing but that is mainly because too many people are being let into the country in the first place, housing them all is not the answer as other amenities will not be able to cope even if we build more houses.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

3135/01/003/DM43.4/O	Caroline Kohn	Object	DM43.4 502	<p>I am writing concerning the draft Croydon Local Plan.</p> <p>I have objections to the sites which have been designated for travellers sites including Coombe Lodge Nurseries Policy DM44 Site number 661, and Coombe Farm, Policy DM43, Site 502.</p> <p>While accepting the need for appropriate sites for travellers and gypsies, I question the ability of the Council with current levels of resourcing to manage an increased number of sites effectively.</p> <p>In addition, this will be a new, permanent development on green belt land, which is against government policy.</p> <p>Access to and from the site on a dangerous section of Coombe Road will impact on traffic flow and road safety</p> <p>There is no access to local amenities at these sites, including shops, schools and doctors surgeries, something recommended for travellers sites.</p> <p>There is also a concern that there will be a negative impact on the environment of Coombe Woods, its biodiversity and the contamination of groundwater.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

I am writing to object to the use of the following locations as travellers / gypsy sites

Coombe farm site (ref no 502)  
Coombe lodge nurseries (ref no 661)

Both sites are in a beautiful green belt area which the public use a lot , I believe national guide lines do not agree with the use of green belt areas for these sites

There are covenants which bind Croydon council to use the Lloyd park area only for recreational purposes which does not include these proposed sites

The lane from busy oaks rd to Coombe farm is very narrow with pot holes and no pavements , the lighting is poor and obviously this area is not suitable for lots of heavy traffic and caravans

The families who would live on these sites would have children and need to use the lane to get to all needs facilities such as shops schools buses and trams etc .

There would be much coming and going along the narrow lane on to busy oaks rd and Coombe rd which are main thoroughfare to Croydon this all creates a dangerous situation Nearby is cedars school who use Lloyd park for rugby and other sports and this school is receiving more pupils in the future increasing the number of vehicle and people movement in the area of Lloyd park and the main roads to and from Croydon

Large number of people use not only Lloyd park but also the nearby conduit lane these visitors need to park in conduit lane to go to Coombe woods and gardens and to the local cafe there

School parties often visit these woods and have to use conduit lane and it would be crazy and dangerous to have gypsy travellers using this lane to get to a permanent site there All of us have seen the terrible mess that these travellers have created wherever they have been and the owner of Coombe farm has himself allowed rubbish accumulation on his land in Lloyd park which the public have had to complain about

The Coombe farm and conduit lane areas are just not suitable for permanent gypsy travellers sites and the council should find more suitable areas with less problems

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3140/01/002/DM43.4/O	Lisa Dinnick	Object	DM43.4 502	<p>I live on the Forestdale Estate and thankfully our management committee via Gavin have advised us of the Councils plans to build three gypsy/traveller sites in the Green Belt. I totally agree with Gavin that these plans will completely change the character of parts of the borough, including where I live. As resident of Croydon and employee of Croydon Council I completely understand the need for more housing and I am looking forward to the regeneration taking place in the town centre over the next few years. However one of the reasons I love Croydon and continue to defend its negative reputation is the mix of 'city' feel and countryside. If the Council continue with these plans you will effect the character of the area and you will ultimately fail in your efforts to change peoples perception of Croydon.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3142/01/001/DM43.4/O	Mr David Perry	Object	DM43.4 502	<p>I would like to register my objection to the proposal for a site for travellers which is being considered to be situated at the rear of Shirley Park Golf Club land.</p> <p>I have been a member for over 20 years and there have been "visitors" on that land before - always causing problems for members and guests whilst playing golf. They have disrupted games (taking balls during games), the iron flag poles on holes have been stolen, members and guests have been verbally abused, some threatened and there has even been the disgusting habit of defecating on greens.</p> <p>I pay a substantial amount in membership fees and do not want my golfing experience and that of fellow members/guests to be marred by a group of people with absolutely no respect for our club. Please keep me informed of developments ... a definite NO to this proposal.</p>	No change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3145/01/004/DM43.4/O	Mr David Harwood	Object	DM43.4 502	<p>I object to the following sites for use of Traveller sites at the following locations</p> <p>Coombe Farm off Oaks Road reference number 502</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3148/01/003/DM43.4/O	Dawn Lambert	Object		DM43.4 502	I'm writing to protest about the Council's plan to designate two areas of Green Belt land (reference numbers 502, 661 and 775) suitable for gypsy/traveller sites. I acknowledge that such sites are needed but NOT on Green Belt land. I believe it is unlawful to build on such land and once this is ignored one wonders how far it will be allowed to encroach by default over the years. In fact I believe that Government policy states that traveller sites (temporary or permanent) in the Green Belt are inappropriate development.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3149/01/001/DM43.4/O	Mr Frederic Demay	Object	Soundness - Consistent with National	DM43.4 502	The use of the following locations to be established as gypsy and traveller sites: <input type="checkbox"/> Coombe Lodge Nurseries off Conduit Lane, site reference 661; <input type="checkbox"/> Coombe Farm off Oaks Road, site reference 502; I believe both sites would be found an inappropriate development in the Green Belt and would be in breach of Policy SP2.7a and SP2.7b, in addition to Policy SP7.2 and the protection of the green grid or with 6.15 Strategic Objective 10 relating to the green grid	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3161/01/002/DM43.4/O	Mr Jim Cowan	Object	Soundness - Justified	DM43.4 502	I have read Gavin Barwell's assessment of policies and proposals in the Croydon Local Plan and totally agree that if implemented would destroy the character of Shirley.  The infrastructure in Shirley is already stretched to the limit and can not withstand any further burdens.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3182/01/001/DM43.4/O	Rev Simon Foster	Object	Soundness - Consistent with National	DM43.4 502	I am writing to object to: 1. The use of the following locations as gypsy and traveller sites: • Coombe Lodge Nurseries off Conduit Lane, site reference 661; • Coombe Farm off Oaks Road, site reference 502; as both sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b, with Policy SP7.2 and the protection of the green grid or with 6.15 Strategic Objective 10 relating to the green grid;	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3186/01/001/DM43.4/O	Mr Simon Taylor	Object	DM43.4 502	<p>I am writing to object to the proposed new travellers site at Coombe Farm and Conduit lane.</p> <p>The siting of a permanent traveller camp will have a serious detrimental effect on the local areas Residents and Businesses, and our ability to enjoy safely the local area and amenities.</p> <p>The Premier inn and Coombe lodge are major draws in the immediate area adjacent to conduit lane and Coombe farm. I have seen first-hand in areas in and around parts of Chelmsford where large groups travellers have completely overwhelmed local businesses including bars &amp; restaurants and leisure facilities rendering them unusable by anyone else unconnected with the traveller community.</p> <p>On a couple of occasions recently we have seen Travellers illegally set up camp in Sunken Road next to Coombe lane tram stop. This road and the near surrounding areas become a 'no go ' area with mountains of rubbish dumped in the road and in Shirley hills. We see youths riding around on motorbikes in the parks and woods without helmets apparently unchecked by the local Police force. This coincides with a rise in thefts from Gardens and Sheds in the area, as well as an increase in unsolicited and sometimes aggressive doorstep sales techniques for various building or landscaping works.</p> <p>We are absolutely positive that this area cannot support a large community of people that will not assimilate, and actively distance themselves from the wider community in this area.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
----------------------	-----------------	--------	---------------	--	--------	---

3188/01/002/DM43.4/O	Sheila Childs	Object	DM43.4 502	<p>I attended the open meeting on Wed 25th in Selsdon and wish to express my concern over the 3 proposed travellers sites. Whilst I understand the council have to provide these I have to ask why are they all within a few miles of each other and all south of the borough ? Indeed the Oaks Farm and Conduit lane are only yard away. If you could address these proximity issues I would be pleased to hear why they cannot be more evenly spread and assume the plans will improve assess to them .</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
----------------------	---------------	--------	---------------	---	--------	---

3193/02/003/DM43.4/O	Mr Stan Minter	Object	DM43.4 502	<p>I have major concerns over the planned development of the Shirley Area. This is currently one of the nicest areas of Croydon and you plan to swamp it with a number of housing developments and some travellers sites. This will be very detrimental to the whole area.</p> <p>I understand that nationally we need to have more accommodation for families. We need to achieve this with out destroying the whole fabric of our society. This scale of development will transform the whole area into a old fashioned "Estate".</p> <p>There are not sufficient services in the wider area to support such an influx of families.</p> <p>The road infrastructure already struggles at time and these developments will make the whole situation much worse.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3193/01/003/DM43.4/O	Mr Stan Minter	Object	DM43.4 502	<p>I have major concerns over the planned development of the Shirley Area. 3202/01/002/DM43.4/O	Mr Stephen Massey	Object	DM43.4 502	<p>I would like to register my objection to the proposed pitches for travellers/gypsy sites (ref 502 &amp; ref 661). These are in an area of Green Belt and Metropolitan open land. As a resident of this area on Sandpits Road I strongly object these changes would massively effect the character of our area, the waste from when they have previously camped there was strewn all over the neighbouring roads for weeks after they had moved.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3208/01/007/DM43.4/O	Mr Stephen Smith	Object		DM43.4 502	2. I also object to the use of locations at Coombe Farm and Coombe Farm Nurseries as gipsy/traveller sites.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3209/01/001/DM43.4/O	Mr Steve Thornton	Object		DM43.4 502	I will help any objections to this area being utilised as a site for travellers at Coombe Farm. It will have a seriously adverse effect on the local business's there and will only bring (as has been seen in the past) conflict of interest between those who live and work in the area and travelers. Please note my objection to this proposal	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3215/01/008/DM43.4/O	Mr Steve White ASPRA	Object	Soundness - Consistent with National	DM43.4 502	3.the use of the following locations as gypsy/traveller sites:  •Coombe Farm off Oaks Road reference number 502;  •Coombe Lodge Nurseries off Conduit Lane reference number 661; and  •Pear Tree Farm and Pear Tree Farm Cottage on Featherbed Lane reference number 755;  As the Council acknowledges, all three of these sites are in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly:  "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development".  The Council's approach is clearly in breach of that policy. All three sites are also some distance from public services and they are all in the same part of the borough (two are in Heathfield ward, one just over the border in Croham). Why has Heathfield been singled out in this way? If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is);	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3224/01/001/DM43.4/O	Sarah Anderson	Object	DM43.4 502	<p>I would like to make my objection known regards the proposed travellers sites at Coombe Lodge Nurseries, Conduit Lane and Coombe Farm, Oaks Road. Detrimental to the amenities of adjoining owners.</p> <p>inappropriate use of green belt land. Sites that are located on the green belt, considered to be inappropriate development for Traveller sites (temporary or permanent) and against Government Policy (planning policy for Traveller sites DCLG, Aug 2015).</p> <p>Lack of relevant Amenities close at hand.</p> <p>Insufficient local infrastructure to accommodate the plans.</p> <p>Selection of proposed sites should have a bias towards Brownfield or Industrial Land and not Green Belt. The two proposed sites are in very close proximity to one another.</p> <p>Imbalance across the borough with all sites being proposed in South Croydon.</p> <p>Could the existing permanent Gypsy Site in Lathams Way be expanded? If one has to select one of the proposed sites, the preference is for Pear Tree Farm &amp; Pear Tree Farm Cottage, Featherbed Lane.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3228/01/002/DM43.4/O	Mr Paul Ashton	Object	DM43.4 502	<p>I would like to register my strong objection to the Council's proposals for the consideration of Coombe Farm and Coombe Lodge Nurseries as gypsy/traveller sites (Croydon Local Plan: Strategic Policies Partial Review and Croydon Local Plan: Detailed Policies &amp; Proposals).</p> <p>The sites are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. The Government's policy is I believe that traveller sites should not be located in the Green Belt, but that hardly needs stating, surely? I cannot imagine why such sites would be considered at all, or in preference to other, clearly more suitable and higher-scoring sites cited in Assessment and selection of sites for Gypsy and Travellers August 2015 – there appears to be no logic to this approach.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3230/01/003/DM43.4/O	Patricia Jakeman	Object	DM43.4 502	<p>I object to the proposal to create three gypsy/traveller sites reference numbers 502/661/755. All sites are in the Green Belt which makes them an inappropriate development. In addition they are some distance from schools, public services etc.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3235/01/004/DM43.4/O	Mr Peter Kenny	Object	DM43.4 502	I am writing to object to the use of the following locations as gipsy/traveller sites: Coombe Farm off Oaks Road reference number 502 Coombe Lodge Nurseries off Conduit Lane reference number 661		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3237/01/002/DM43.4/O	Mr Peter Howard	Object	DM43.4 502	I as a resident in Shirley, strongly object to gipsy/traveller encampments being built in Shirley area, and your proposal to put houses on Green belt land, and wholeheartedly agree with the Views of Gavin Barwell, MP. This land was left to ensure the residents in London had "Lungs" from the Pollution of the City and its environs. Next you will be wanting to put industrial units in the Green Belt!!		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3261/01/001/DM43.4/O	Paras Kothari	Object	DM43.4 502	Detrimental to the Amenities of Adjoining owners, inappropriate use of Green Belt Land against government policy ("planning policy for Traveller Sites" DCLG Aug 2015), lack of relevant Amenities close at hand and insufficient local infrastructure to accommodate the plans.	Alternative suggested sites: Pear tree farm & Pear tear cottage, Addington	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

The location in Green Belt should preclude all development per se apart from GDO rights to the few existing dwellings at Coombe Farm. The Conduit Lane site has been rejected in the past as unsuitable. Such erosion of the Green Belt runs wholly against the interests of the local community. It would set a precedent that can be used to further erode local and national planning policy. The impact would be more pronounced on both sites as the subject Group need mixed use sites. This is because they often run businesses from where they live. This issue is not addressed by the Consultation. Such a mixed use requirement is wholly inappropriate on both sites. Both sites are not deliverable now. Each would require the construction of a new access road as a minimum particularly to Coombe Farm. The construction of a two lane highway here with footpaths either side is bound to change the semi rural nature of this location as the existing access here is a narrow lane. A new access at Conduit Lane might be shorter but would put further pressure onto an already dangerous staggered junction with Oaks Road. This is again contrary to current policy. The Coombe Farm site is bound to require the application of more scarce resources into the maintenance of Lloyd Park if a large number of new residents are located onto its edge. This is a facility that serves the whole Borough, not just the surrounding area. Any impact here due to the development will affect adversely many in the Borough. Coombe Farm is not immediately available and as such again puts it outside Government policy. The proposal highlights the proximity to public transport at both sites. This is a consideration of low importance here as the subject socio economic group concerned are known to be infrequent users of public transport. It ignores however the clear lack of local facilities nearby. The lack of local facilities goes against the stated preference of the particular Group concerned to be within a short walk of everyday amenities. These circumstances will promote the use of personal vehicles which is against environmental policy. The proposal mentions only the number of pitches at each site. No account is taken of the number of people who might use each site due to the tight knit nature of the subject community. The number of residents may therefore result in overcrowding which will be difficult to control. This is detrimental to public health and so in breach of environmental

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

considerations.

---

3264/01/001/DM43.4/O	Mr Brian Watkins	Object		DM43.4 502	I am writing to object to the use of the following locations as gypsy and traveller sites: Coombe Farm off Oaks Road, site reference 502 as it would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3266/01/001/DM43.4/O	Mr Mark Ashley	Object	Soundness - Justified	DM43.4 502	I am writing to object to the proposed plans for two locations in Shirley to be used as traveller sites as detailed below:  Coombe Farm off Oaks Road, which is identified as suitable for 15-20 pitches (pages 449-450, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 502);  Your proposal is in clear breach of Policy E of planning policy "Traveller sites (temporary or permanent) in the green belt are inappropriate development".  Croydon does not need it's very own Dale Farm.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3269/01/004/DM43.4/O	Mr Matthew Searles	Object		DM43.4 502	I am writing to object to:  object to the use of the following locations as gypsy and traveller sites:  Coombe Lodge Nurseries off Conduit Lane, site reference 661;  Coombe Farm off Oaks Road, site reference 502;  as both sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b;	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

---

3277/01/003/DM43.4/O	Mr Terrence McCarthy	Object	DM43.4 502	<p>I am a Croydon resident and am writing to object to the use of the following locations as gypsy and traveller sites: Coombe Lodge Nurseries off Conduit Lane, site reference number 661, policy number DM44; and Coombe Farm off Oaks Road, site reference number 502, policy number DM43 Pear Tree Farm and Pear Tree Farm Cottage on Featherbed Lane, site reference number 755, policy number DM32. All three sites are in the Green Belt, with one bordering a site of Nature Conservation. The proposed use of each of these sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b and would not be consistent with Policy E of 'Planning Policy for Traveller Sites' published by the Government. If additional sites are required in the Borough it would more appropriate to expand existing sites e.g. the site off the Purley Way or by smaller developments on the Croydon Airport site which is currently wasteland. In addition none of the sites has easy access to local school, healthcare, retail and other amenities; the vehicular access into sites 661 and 502 is problematic and egress onto Coombe Lane/Oaks Road at the road junction is likely to create additional road hazards. The current road traffic on Coombe Road is heavy and this will only serve to add to the congestion.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
3279/01/008/DM43.4/O	Terry Lewin	Object	DM43.4 502	<p>I object to the use of the site as a traveller site.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

3280/01/001/DM43.4/C	Tracey Hillier Oaks Farm Weddings			DM43.4 502	I want to object to the permanent travellers sight you are planning for Coombe Farm. I am an employee at Oaks Farm Wedding Venue, the next property along Oaks Lane from Coombe Farm. Over many years we have endured a continual problem with travellers taking over the field opposite Oaks Farm. When they are there we never get a new booking and the clients who have Weddings at that time are extremely worried. I am in no doubt the travellers sight at Coombe Farm will damage our business at Oaks Farm and all our suppliers of which there are many. It will also put my employment into jeopardy.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3282/01/002/DM43.4/O	Mr William Harland	Object		DM43.4 502	I am writing to object to: The use of the following locations as gypsy and traveller sites: •Coombe Farm off Oaks Road, site reference 502;	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3289/01/002/DM43.4/O	Mr Matthew Dickson	Object	Soundness - Justified	DM43.4 502	It is absolutely crazy to allow or encourage development on green belt land and/or green spaces in such a built-up area as Croydon; people need green spaces for numerous leisure and recreation activities. From a general health point of view people need to be able to play sport or go for a walk. After the Paris summit isn't it obvious that action is needed to arrest the damaging consequences of climate change. Green spaces absorb carbon dioxide, they are the green lungs of towns and cities. Allowing woods and tress to be destroyed is environmental vandalism and flies in the face of climate change science.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3291/01/003/DM43.4/O	Suzanne Kearnon	Object		DM43.4 502	<p>I strongly object to the Council's proposals for gypsy/traveller sites at Coombe Farm (Ref 502) and Coombe Lodge Nurseries (Ref 661).</p> <p>Both these sites are in the Green Belt and the proposals are contrary to Government policy (Policy E of Planning Policy for Traveller sites) which states "Traveller Sites (temporary or permanent) in the Green Belt are inappropriate development".</p> <p>The sites are also unsuitable as they are not near any public services and would completely change the character of the area in an extremely detrimental way.</p> <p>If more space must be provided, why not expand the existing site off the Purley Way?</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3292/01/002/DM43.4/O	Mr Matthew Blanshard	Object	Soundness - Justified	DM43.4 502	<p>I am writing to strongly object to proposals to changes in Shirley regarding changing the classification of green areas from MOL so it can be built on along with proposals to create traveler sites near Coombe gardens or the farm.</p> <p>Shirley has always been a beautiful place with lots of green land, please don't ruin it.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3294/01/001/DM43.4/O	Mr Barry O'Neal	Object		DM43.4 502	<p>I object in the strongest possible way to the plans outlined for this development in my local area, Shirley and Addiscombe. In particular, I understand the Council has identified two locations on the edge of Shirley for gypsy/traveller sites. I object to the use of either of these locations as gypsy/traveller sites. As the Council acknowledges, they are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". The Council's approach is clearly in breach of that policy. Both sites are also some distance from public services. If the Council really needs to quadruple the number of gypsy/traveller sites in the borough, I think they should look elsewhere (for example, off the Purley Way where the existing site is).</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. 3314/01/001/DM43.4/O Mrs Dawn White

Object

DM43.4  
502

In my years of dog walking at Lloyd Park, there has been a number of occasions where travellers have set up site for weeks at a time. They seem to have no respect for the park and leave rubbish and mess all around. Plus they do not clean up after their animals which is a hazard for my young children who often use the park. Another concern of mine is the impact which travellers will have on the ratings of local schools and also the decrease in house prices. It is exciting times for Croydon with the new building developments, including Westfield - much needed for the reputation of Croydon after the riots and fires of 4 years ago. I strongly urge you not to approve the proposals for the traveller sites at Coombe Farm and Coombe Lodge Nurseries. It will result in good families and people who care about the community moving away from Croydon.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Object Soundness - DM43.4  
Justified 502

Finally, the Council has identified two locations on the edge of Shirley for gypsy/traveller sites:  
•Coombe Farm off Oaks Road, which is identified as suitable for 15-20 pitches (pages 449-450, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 502); and  
•Coombe Lodge Nurseries off Conduit Lane, which is identified as suitable for 15-25 pitches (pages 468-469, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 661).  
I vigorously object to the use of either of these locations as gypsy/traveller sites. As you have to be aware, they are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly:

“Traveller sites (temporary or permanent) in the Green Belt are inappropriate development”.

The Council's approach is blatantly in breach of that policy. Both sites are a considerable distance from public services. If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - there must be more suitable sites which are closer to local amenities (there is nothing in the way of shops or even a bus-stop at these sites, necessitating extra vehicular traffic on an already busy road at best or pedestrians attempting to cross at a very dangerous point with blind bends and junctions at worst). There have to be sites which are not in Green Belt land, perhaps even sites which already exist and could be expanded (such as the one on Purley Way).

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3337/01/007/DM43.4/O	Mr Roger Willaimes	Object	Soundness - Justified DM43.4 502	<p>Happy for the Council to replace under-used garages with much-needed homes, but will be objecting to building on precious open space.</p> <p>Objecting to the use of either of these locations as gypsy/traveller sites. As the Council acknowledges, they are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly:</p> <p>Traveller sites (temporary or permanent) in the Green Belt are inappropriate development.</p> <p>The Council's approach is clearly in breach of that policy. Both sites are also some distance from public services.</p>	If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is).	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3338/01/003/DM43.4/O	Ms Maura Keane	Object	DM43.4 502	<p>I appreciate that we all need somewhere to live. However, I have had severe problems with gypsies in the past (criminal damage with police involved and, separately quite a lot of fly tipping. As the 3 areas are generally quite attractive, I am loathe to have them destroying the ambiance: they certainly have a reputation for doing so (and of not paying Council tax, so I have been told recently).</p> <p>Conduit Lane, near the award winning Coombe Woods would be too busy for others to park and enjoy the amenity, albeit the site is away from Coombe Road. The school would also create traffic in the Lane and on the very busy Coombe Road at specific times but, maybe, this would be a pleasant site for the children.</p> <p>Similarly, the site in Oaks Road would be spoilt.</p> <p>Coming to Featherbed Lane: sadly, the place is already an eyesore. If planning permission carries with it a responsibility to improve the look of the place from Featherbed Lane, great. However, I doubt it can. What is needed here is a tidy up, not an increase in the mess.</p> <p>I suspect the Council has a duty to provide a site. If so, Featherbed Lane of the three, as it is already a mess.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.	

3342/01/003/DM43.4/O Mr Keith Cooper

Object

DM43.4  
502

I thought Metropolitan Open Land was protected, but then having said that the council are proposing building Gipsy encampments on Green Belt land - ridiculous, immoral and probably illegal!  
Has anybody in the council actually had first hand experience of a Gipsy Site - we have as we back onto Ashburton playing fields, and the last invasion of Gipsy's cost tens of thousands of pounds to clear up!  
Are the council going to keep these proposed sites clean and properly policed?  
Are the Gipsy's going to be charged a going rate for using these sites, or are we subsidising them out of our council tax?  
In short I am totally opposed to Green Belt land being destroyed in this manner, also I am opposed the proposed enlargement of the Shirley Oaks estate hence destroying the Metropolitan Open Land, for all the reasons stated above.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

I am writing to register my objections for the following proposed sites for Gypsy and Travellers Sites:  
Coombe Farm, Oaks Road - Reference 502  
Coombe Lodge Nurseries off Conduit Lane - Reference 661

The Policies laid out on the Mayor of London - London Assembly website, and Policy 7.17 clearly states that the Mayor's office truly supports the protection of Metropolitan Open Land, and indeed states that "The strongest protection should be given to London's MOL and inappropriate development refused". The Policy lays out what needs to be established to designate an area as MOL, but does not make it clear how a Council can re-designate an area. I therefore object to any permanent Traveller site being constructed on MOL and especially if the area is simply going to be re-designated without any consultation with the local residents and businesses.

I object strongly that Croydon Council can re-designate Metropolitan Open Land or Green Belt land to suit their needs to accommodate a permanent pitch. I cannot see any Planning justification to change the designation, nor for the intrusion into the lives of the residents of Oaks Road and surrounding area. This will massively affect the urban attractiveness of the area and have both emotional and financial repercussions on many lives. Policy 7.18 relating to Protection of Open Spaces clearly states that open spaces in London must be protected, and any loss must be resisted. I cannot believe the Council would want to go against both of these policies laid down by The London Assembly.

I am a member of Shirley Park Golf Club, which not only provides sport and social activities to over 700 members in the local vicinity, but also provides an important ecological role in the area. The proposed site of Coombe Farm as a site for Gypsies and Travellers has come as a shock to everyone in the area, as borne out by the recent press coverage and attendance at the Consultation Meetings.

The history of unauthorised pitches in this area over the past few years has left a bitter resentment, especially in

view of the residual mess and threatening behaviour that has always accompanied their trespass. On each occasion that Gypsies/Travellers have been in the area, the club members here have been threatened with physical and verbal abuse. This behaviour is totally unacceptable and despite the subsequent eviction of the Travellers on each occasion, the residual psychological effect on tax payers and constituents' lives cannot be trivialised.

I personally have experienced dreadful behaviour from the travellers. They have damaged the greens, used the golf bunkers as toilets, damaged course furniture & stolen equipment.

We also have a large Junior Section and children play the course during holidays as well as weekends. They are often unaccompanied and the parents need to know they are in a safe environment. This would certainly not be the case in the parents' minds if there was any chance of aggressive behaviour, as previously experienced, towards these children. I am certain that you would not wish to be responsible for putting children in any sort of potentially dangerous situation.

Surely these detailed real issues must be taken into account when determining any permanent site. I understand that the proposed sites are not within the required distance to both schooling and medical needs, therefore I also object on that basis. The land is in private ownership at Coombe Farm, and any funds spent on compulsory or otherwise purchase could surely be spent more wisely on behalf of the population of Croydon. No doubt Central Grants will be available, but Council owned land in an area that will not radically impact on established residents' lives would be a sensible and prudent choice.

---

I am writing to object to the use of the following locations as gypsy and traveller sites:  
Coombe Lodge Nurseries off Conduit Lane, site reference 661;  
Coombe Farm off Oaks Road, site reference 502;  
as both sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b;

I additionally comment that:

- The proposals are detrimental to the Amenities of Adjoining Owners
- Development is on Green Belt and would therefore require a change of land use
- The proposed Sites should be on Brownfield or Industrial Land not Green Belt
- There is an imbalance, with all sites being proposed in the South of Croydon
- Existing sites could/ should be expanded
- If a new site is to be developed for the travelling community, I would express a preference is for Pear Tree Farm & Pear Tree Farm Cottage, Featherbed Lane. This already virtually developed to the point where there would be no further detriment if the site were to be developed. However, there is no proposal as to where the existing activity would be relocated to.
- The Pear Tree Cottage/ Farm site, provides ample space for all or most to the 39 additional pitches. Any remaining pitches could be located at other, brownfield, sites within the borough.
- If the nurseries site is to be redeveloped, it would be far better for this to be used for the relocation of a school, thus freeing up land elsewhere in the borough for housing.
- The travelling community are by definition mobile whereas the proposed development(s) are permanent and in built form. This is contradictory and may suggest that the council is considering further redevelopment at some future point. If so, the council should either be open about this or unequivocally deny it.

Other Sites that the Council should reconsider instead of both Coombe Lodge Nurseries and Coombe Farm are the following:

- 518 - Land adjacent to 103 Goodenough Way, The Admirals Walk, Old Coulsdon
- 536 - Land of former Croydon Airport runway, south of Imperial Way, Waddon
- 552 - Land adjacent to Ashburton playing fields at rear of 2-88

I am writing to object to the use of the following locations as gypsy and traveller sites:  
Coombe Lodge Nurseries off Conduit Lane, site reference 661;  
Coombe Farm off Oaks Road, site reference 502;  
as both sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Coleridge Road, Addiscombe  
 553 - By Pavilion Playing Fields, Purley Way, Waddon  
 632 - Land south of Threehalfpenny Woods, Kent Gate Way, Bridle Way, Addington  
 767 - Cane Hill-south part, Hollymeoak Road / Portnalls Road, Coulsdon

3359/01/003/DM43.4/O	Mr Dan Camalich	Object	Soundness - Justified	DM43.4 502	<p>I am writing in order to object to the use of Green Land, especially in and around Croydon, for use as any kind of residential use, or any other kind of development for that matter. Such new developments, for Travellers or any kind of development, would be better made on non-green land, or in any suitable properties which are currently unused. Green land should be cherished and preserved because it takes a long time to become like that and there is less and less of it these days. The only real exception to that rule might be playgrounds for kids; but, even then, sensitivity to wild life, habitats and a location's general "greenness" should always be employed.</p>		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3362/01/002/DM43.4/O	Karen Muldoon	Object		DM43.4 502	<p>I am very concerned about the plans to introduce traveller sites near Oaks road. Roads are already narrow and congested in this area. At peak times there are always queues in Oaks Rd and Coombe lane so I don't believe adding the large entourage of vehicles used by travellers will be particularly helpful. We experience the mess left behind by travellers every year and this continually concerns me.</p> <p>I am not sure what happens at Coombe Farm but there is already a rubbish site building there on the edge close to Lloyds park - I know there have been campaigns for some time about this and it has not been closely monitored. I imagine this would also be the case if it became a traveller site. It seems to make far more sense that traveller sites be in open, easily accessible areas - not tucked away sites like Coombe farm.</p>		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3364/02/002/DM43.4/O	Mr Amit Patel	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3370/01/003/DM43.4/O	Claire Rutland	Object	DM43.4 502	<p>As a shareholder of the open space in Shirley Oaks I would like to object to the proposals made in Policy Map 43.</p> <p>One of the reason I bought the property was for the nice open spaces that surround the houses.</p> <p>Building unnecessarily on this land will change the whole look and feel of the community of Shirley Oaks Village. We have one road in and out of the village and cramping in 700+ homes onto our lovely open space will also create congestion on the one road.</p> <p>Shirley Oaks is privately owned and we take pride in our village and how it looks and will fight against these proposals.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3372/01/002/DM43.4/O	Alison Larmand	Object	DM43.4 502	Please be advised that I would like to enter an objection to Croydon Council's plans to de designate several land spaces in order to enable the positioning of three gypsy/traveler sites in the green belt and also the development of homes on some of the green spaces. The proposed locations for traveller sites brings great concern as to what impact this will have on the area as the locations are not really close to any public services. I believe there is also some question about whether the areas being proposed for the traveller sites can be used for this purpose due to a Government policy that states traveller sites (temporary or permanent) in the Green Belt are inappropriate development. As a resident of Shirley for the past 7 years I would be extremely disappointed to see any of these proposed developments come to fruition. Whilst I welcome the development of new homes I think Croydon Council should look for alternative locations instead of green land. I do hope to hear from your office in due course as to what the future may hold for our lovely green spaces that provide fresh air and outdoor enjoyment for our family and many others'.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3378/01/008/DM43.4/O Veronica Fox

Object Soundness - DM43.4  
Consistent 502  
with National

Third, the Council has identified two locations on the edge of Shirley for gypsy/traveller sites:  
•Coombe Farm off Oaks Road, which is identified as suitable for 15-20 pitches (pages 449-450, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 502); and  
•Coombe Lodge Nurseries off Conduit Lane, which is identified as suitable for 15-25 pitches (pages 468-469, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 661).  
I will be objecting to the use of either of these locations as gypsy/traveller sites. As the Council acknowledges, they are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly:

"Traveller sites (temporary or permanent) in the Green Belt are inappropriate development".

The Council's approach is clearly in breach of that policy. Both sites are also some distance from public services. If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is).

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3379/01/002/DM43.4/O Mr Tim Cattell

Object DM43.4  
502

The purpose of Green Belt legislation has always been to preserve areas of amenity land for the benefit of local people, and other potential users, against any form of building development. I therefore consider it totally unacceptable, indeed absolutely incredible, that the Council would even consider designating areas of the Green Belt for potential gypsy/traveller sites, as the Plan proposes for Coombe Farm, Coombe Lodge Nurseries and 2 sites on Featherbed Lane. The Coombe Lodge Nurseries site is especially inappropriate as it is very adjacent to Coombe Gardens, an important local amenity, and to the land along Conduit Lane that has strong conservation value.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3380/01/005/DM43.4/O	Sylvia Dibbs	Object	Soundness - Consistent with National	DM43.4 502	The Council seems to be in breach of the Government's Policy E of Planning Policy for Traveller Sites ie '...traveller sites.....in the Green Belt are inappropriate development'. None of the places in Shirley is appropriate, being Green Belt and one on the border of a Site of Nature Conservation Interest and public services are too far.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3390/01/002/DM43.4/O	Mr Adrian Cowie	Object		DM43.4 502	I object very strongly to the council proposals to create Traveller sites on Green Belt Land. I believe the Green Belt is a resource which should be protected at all cost. Our countryside is a precious resource which provides recreation for walkers, cyclists, horse riders and separates urban sprawl. It should be held in trust for the enjoyment of future generations. Once it is gone, it is gone forever! Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development" The Council's approach is clearly in breach of that policy. The site is also some distance from public services. If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is). This area is one, which I regularly walk & cycle a. Any development, such as the one above, would completely ruin the surrounding countryside. The proposals go against the government policies on Green Belt. Before any development of Green Belt, Brownfield sites should be used.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3394/01/006/DM43.4/O	Mr Alan Heathcote	Object	Soundness - Justified	DM43.4 502	This is to object strongly to your ill-conceived proposals for high density dwellings on greenbelt parkland, on existing semi-detached housing areas, and gardens in the Shirley Oaks / Library regions. Also for travellers sites in the vicinity of Coombe farm. All as outlined in Gavin Barwell's email.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3396/01/015/DM43.4/O	Ms A Pavon-Lopez	Object	DM43.4 502	Coombe Farm off Oaks Road, which is identified as suitable for 15-20 pitches (pages 449-450, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 502); and	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3397/01/002/DM43.4/O	Ms A Cheetham	Object	DM43.4 502	Other sites the council should reconsider instead of both Coombe Lodge Nurseries and Coombe Farm are: Heath Clark playing fields, Stafford Rd, Waddon Timebridge Community Centre, Field Way, New Addington Land adjacent to 103 Goodenough Way, Old Coulsdon Wandle Road, car park, Wandle Rd, Croydon Land of former Croydon Airport runway, south of Imperial Way, Waddon Land adjacent to Ashburton playing fields at rear of 2-88 Colerdige Rad, Addiscombe By Pavilion Playing Fields, Purley Way Land south Of Threehalfpenny Woods, Kent Gate Way, Bridle Way Land west of Timebridge Community Centre, Lodge Lande, Elmside, Addington Cane Hill-south part, Hollymeoak Road, Portnalls Rd, Coulsdon	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3397/01/001/DM43.4/O	Ms A Cheetham	Object	DM43.4 502	<p>I would like to object to the proposed plans to set up gypsy and traveller sites for the following reasons:</p> <ul style="list-style-type: none"> <li>* It is an inappropriate use of Green Belt Land - this classification of land has been created to protect green areas, not to develop on them.</li> <li>* Should have proposed Brownfield or Industrial Land NOT green belt</li> <li>* Might set a dangerous precedent for more Green Belt land to be developed on</li> <li>* It will be potentially detrimental to the amenities of adjoining owners - for example, the business of The Coach House Café.</li> <li>* Sites that are located on the Green Belt, considered to be inappropriate development for Traveller sites and against Government Policy ("Planning policy for Traveller Sites", DCLG, August 2015)</li> <li>* Lack of relevant Amenities close at hand</li> <li>* Insufficient Local Infrastructure to accommodate the plans</li> <li>* Why are 2 proposed sites so close to each other?</li> <li>* Why are sites all based in South Croydon - not balanced proposal</li> <li>* Wouldn't it make more sense to expand existing permanent sites in Lathams Way off Beddington Farm Road</li> </ul>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3400/01/002/DM43.4/O	Mr Barnaby Powell	Object	DM43.4 502	<p>I am writing to object to the use of Coombe Farm off Oaks Road, site reference 502 as a gypsy and traveller site.</p> <p>These sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b, with Policy SP7.2 and the protection of the green grid or with 6.15 Strategic Objective 10 relating to the green grid;</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Object

DM43.4  
502

SP2.7 makes no mention of impact on the surroundings of the site and nearby residents. Accordingly, an additional criterion should be added 'f. Must be entirely acceptable in relation to its impact on nearby public spaces and residents and businesses in the area.' If this were included the proposals Ref 502, Coombe Form, and Ref 661, Coombe Lodge Nurseries, would immediately be seen to be inappropriate. Coombe Lodge Nursery is by the lovely gardens of Coombe Wood with its popular tea room and wooded area. Coombe Farm is green belt land in Lloyd Park, left to the people of Croydon by the Lloyd family and where families enjoy the open space, kids play in the play area, joggers, dog walkers and of other walkers exercise, spots are played, families snack in the café and everyone feels reasonably safe"

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

- 1 The area has already suffered from illegal camps on several occasions
- 2 The illegal camps have deposited substantial rubbish , including human waste, on each occasion
- 3 The camps have been noisy and disruptive and thefts have occurred from my garden shed whilst the travellers were in occupation
- 4 This area is Metropolitan Open Land and/or Green Belt and as such is protected from the proposed development. Such proposals are against planning policy at both local and national level
- 5 Coombe Farm is a listed building and the proposed development would be entirely detrimental to its setting even if not actually within its curtilage
- 6 Coombe Farm is within the panoramic view of Addington Hills which is subject to local planning policies
- 7 All land in the are subject to covenants over the freehold titles set by the Garwood family which prohibit the proposed development
- 8 There is little or no public transport provision, no shopping or schools within any reasonable distance of the sites. These are major requirement for any traveller settlement proposal in government guidance and policy
- 9 Why are no brownfield sites proposed which would be far more suitable, comply with planning policies and offer the amenities which are required to support the community of travellers
- 10 What are the findings of an Equality Impact Assessment - which must have been carried out - comparing the alleged benefits to the travelling community and the residents of the area. Have similar assessments been carried out and published on suitable brownfield sites.
- 11 Why has Heathfield Ward been selected as the location for two proposed sites when it is on the fringes of Croydon with little amenity provision suitable to support the traveller sites
- 12 The Local Plan sets no description of the council's statutory duties towards travellers. Do these proposals exceed the statutory responsibility and, if so, what are the council's reasons since none has been provided in the plan or in any consultations. Given the funding cuts leading to threatened reductions in services to residents and tax payers has the council carried out any consultations or sought the views of residents as to the priority to be given to the provision of travellers' sites?
- 13 The council admits that the sites will not deter other illegal

encampments. What measures have been considered to protect vulnerable sites in the area from incursion by travellers if/when the site are full

14 The area has a population of protected wildlife including deer, badgers, owls as well as an abundance of other wildlife. No measures are proposed to minimise the effect of the proposed developments nor any mitigation measures

15 Traffic in the area is already substantial. The junctions at both ends of Oaks Road are congested at peak times and are dangerous for pedestrians at all times. The proposed sites will increase the existing problems

16 Little or no consideration has been given in the plan to the protection of local amenity and the local environment quite apart from the other deviations from or contravention of local and national planning policy

17 It is clear from the plan that the council has ignored many alternative and more suitable sites which do comply with local and national planning policies and do not infringe on Green Belt Land. The proposals are illogical, counter to any tenets of sustainable development and appear to be prejudiced against a single ward - as no other options for location of the sites have been explored or have been dismissed without reason.

3414/01/007/DM43.4/O	Mr Chris McInerney	Object	Soundness - Justified	DM43.4 502	<p>Objecting to the use of either of these locations as gypsy/traveller sites. Gypsy/traveller sites should not be built on existing Green Belt land. This is totally inappropriate, as Green Belt is designed to remain undeveloped.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

---

Object	Soundness - DM43.4 Justified 502	As a local resident I am writing to object to the use of the following locations as travellers/gypsy sites:  Coombe Farm off Oaks Road, reference number 502 Coombe Lodge Nurseries off Conduit Lane, reference number 661  Coombe Farm site (ref. no. 502) 1.it is in a Green Belt area. National guidelines say that travellers/gipsy sites in the Green Belt are inappropriate development. Even if the properties are demolished to provide for the pitches there will still be a large spill over into the Green Belt. This means that planning permission should not be available. 2.The site is on a single track lane with a very narrow access into Oaks Road which the large mobile homes will not be able to access. the lane is also used by aggregate lorries which are smaller, local residents, members of the sports ground and teams and visitors to LLOYD Park, a much loved and used public amenity. 3.The site has no safe waking route to schools, shops, doctors etc. There is no pavement along Oaks Lane and very poor lighting when dark. There is only partial pavement along one side of Oaks Road. How will this be safe to accommodate a large number of people including children. this means that the incomers will have to use their own means of transport to access the basics of life. 4.The size of the pitches would accommodate a far greater number of caravans than can be controlled by planning restrictions. Even if the restrictions are adhered to, this means there could be as many as three families on each pitch. With planning for 20 pitches this would mean 60 families and 60 mobile homes, not to mention cars, trucks, vans and caravans in tow. 5.National guidelines state that the site should not overwhelm the nearest settlement. the residents of Oaks Farm, Oaks Road and Oaks Lane would certainly be overwhelmed. how would social cohesion be achieved with local residents and potential conflict between Travellers of different nationalities. 6.There has been a long history of planning application refusals and avoidance of planning permission at Coombe Farm and the reasons for this should be re-visited. There is a history of unauthorised "pitches" in areas of Croydon over the past few years that has left a bitter resentment, especially in view of the residual mess and threatening	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
--------	-------------------------------------	--	--------	--

behaviour that has accompanied Travellers/Gypsies trespass. This behaviour is totally unacceptable and would not be tolerated in other groups in society. Despite their eviction it is the taxpayer who has to clean up their mess.

These two sites are totally unsuitable for Traveller/Gypsy sites and will be contravening National Guidelines on the use of Green Belt Land. This proposal has not been thought through in its effects on local residents and the needs of the Traveller/Gypsy community who will be abandoned on sites with no close amenities and very poor and unsafe access to their homes.

---

3428/01/006/DM43.4/O	Mr Daniel Nuthall	Object	DM43.4 502	Also the proposal of a Gypsy site does not sit well with me at all. Firstly both the proposed sites ref 502 & ref 661 are in a green belt, a clear breach of policy. The site at Stroud Green is also liable to flooding together with the land being owned by Thames Water and who's offices are a listed building.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
----------------------	-------------------	--------	---------------	--	--------	--

Object Soundness - DM43.4  
Justified 502

All three sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Furthermore, Policy E of 'Planning Policy for Traveller Sites', published by the Government in August, states very clearly that 'Traveller sites (temporary or permanent) in the Green Belt are inappropriate development'. The provision relating to travellers/gypsies in the Housing and Planning Bill will also remove sections 225 and 226 of the Housing Act 2004 which placed a duty on housing authorities to carry out an assessment of the accommodation needs of this group when reviewing housing conditions and needs within their areas (a process required by section 8 of the Housing Act 1985). Section 8 will also be amended to make it clear that the duty covers consideration of the needs of people residing in, or resorting to the district for, caravan sites and houseboat mooring sites.

I am also concerned by the evidence base for these selections, namely the 'Assessment and Selection of Sites for Gypsy and Travellers'. This assessment contains a vast number of very subjective criteria against which to judge site suitability and has been the subject of 'extensive political consultation'. This political consultation has only taken place with the Labour Administration and has not been conducted on a cross party basis. This begs the question as to what undue political influence may have been placed on the particular criteria which have been used and indeed the selection of the preferred sites. There is also some question as to why the same scoring system has not been used for each set of criteria, rather than subjectively giving weight to certain criteria. Furthermore, the scoring for individual sites has not been carried out in accordance with the table shown at 4.1. A number of sites have been marked incorrectly, for example, site 661 has been scored at 5 for Greenbelt/MOL, when the score should be -5. This begs the question as to how many other inaccuracies are in the document

3438/01/009/DM43.4/O	Mr D Lane	Object	DM43.4 502	<p>I object to the use of the site for gypsy and traveller accommodation. ----------------------	---	--------	---	---	--------	--

---

3483/01/002/DM43.4/O	Depal Patel	Object	DM43.4 502	<p>I have heard of Croydon Councils proposals for Traveller sites within the borough. I understand that "favoured sites" are Conduit Lane, Coombe Farm and Featherbed Lane. As a resident of Croydon, I am extremely concerned that this green belt area is being considered for use as residence. Addington hills and Coombe woods are an area of outstanding beauty and home to the largest area of heathland in London. Locating Traveller's encampments sites right on the doorstep of this green belt area would undoubtedly have dire consequences for flora, fauna, the natural habitat and wildlife as a whole, leading to irreversible damage. Please could Croydon Council reconsider this issue and please consider not going ahead with this proposal. The consequences to the natural environment and the delicate socio-ecological balance that currently exists would be damaged permanently with travellers' communities housed in a wildlife locality. There are better options to house people in Croydon and right in the middle of a green belt area which the residents of Croydon hold a lot of regard and pride for is not one of them. I would strongly advocate considering urban areas of the borough which are fit for housing - such proposals must not be made or favoured without a thorough ecological and environmental impact assessment and evaluation. I am very concerned with this proposal also because Croydon Council is meant to work in partnership with the British Trust for Conservation (BTCV) and a regional office is located on the woodland premises. Scrapping this proposal is the right thing to do and the right thing for Croydon.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
----------------------	-------------	--------	---------------	---	--------	--

The proposal to develop Coombe Farm, Oak Road as a residential development for a Gypsy and travelers site does not fall within the Strategic Objectives because:-

Objective 2: This development will not Foster an environment where existing enterprise can prosper, but will reduce enterprise

Objective 4: This development will not reduce social, economic and environmental deprivation. It will not reduce unemployment, improve skills and education and improve environmental conditions, the development is not in keeping with the surrounding area.

Objective 5: This development is not high quality and will not enhance the borough's natural environment but will reduce the natural environment by turning a farm into a travelers housing site

Objective 7: This development will reduce the area as a safe, healthy and cohesive community.

Objective 10: This development will reduce the quality and accessibility of green space and nature.

This development will compromise the ability of future generations to meet their own needs. The development will change the outlook and community within the Shirley area and future generation will suffer because of this. This proposed development of a travelers site within the Shirley area is not within keeping of the current development within this area. Shirley comprises of large semi and detached houses with large green areas. This development is in no way in keeping with out housing in the area. Changing a green area to an area of residential housing will cause harm and reduce the outlook of the area. Building a travelers site will increase noise levels, and ruin the character of the area and this development would overwhelm this green area. Paragraph 64 of the National Planning Policy Framework states that permission should be refused for development of poor design that fails to take the opportunities available for improving the character and quality of an area and the way it functions. This development would diminish the striking view of the area of Addington Hills and Coombe Farm area.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3485/01/003/DM43.4/O	Mr Alnoor Visram	Object	DM43.4 502	<p>SP2.7 makes no mention of impacts on the surroundings of the site and nearby residents.</p> <p>Accordingly, an additional criterion should be added "f. Must be entirely acceptable in relation to its impact on nearby public spaces and residents and businesses in the area".</p> <p>If this were included the proposals ref 502, Coombe Farm, and Ref. 661, Coombe Lodge Nurseries, would immediately be seen to be inappropriate.</p> <p>Coombe Lodge Nursery is by the lovely gardens of Coombe Wood with its popular tea room and wooded area. Coombe Farm is green belt land in Lloyd Park, left to the people of Croydon by the Lloyd family and where families enjoy the open space, kids play in the play area, joggers, dog walkers and of other walkers exercise, spots are played, families snack in the café and everyone feels reasonably safe.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
3487/01/001/DM43.4/O	Mr G von Gerard	Object	DM43.4 502	<p>I wish to register my objection to the proposed locations for traveller sites, namely Coombe Farm (Ref 502) and Coombe Lodge Nurseries (Ref 661) in the Local Plan proposals. These sites are in the Green Belt and, as the Government's policy (Policy E of Planning Policy for Traveller Sites) states, 'Traveller Sites (temporary or permanent) in the Green Belt are inappropriate development'.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

Objections raised to the use of the following locations as Gypsy/Traveller sites:-

Coombe Farm off Oaks Road  
Reference Number 502  
Coombe Lodge Nurseries off Conduit Lane Reference Number 661

1. How has the London Borough of Croydon involved its Community in the planning of the Coombe Farm and Coombe Gardens Traveller Sites? What opportunity was given by Croydon Council for the local residents to put forward their own ideas and participate in the development of the Sites? See - London Borough of Croydon's "Statement of Community Involvement - October 2012" (<https://www.croydon.gov.uk/sites/default/files/articles/downloads/involvement-oct12.pdf>) Reference 2.11 & 2.12 - these Guidance Rules have been ignored

2. There is no pavement access to either of the proposed sites therefore most travel to and from these sites to local amenities, (shops/doctors/schools) would be by vehicle – causing even greater traffic problems to the Coombe and Oaks Road junction.

3. Residents call for an independent (i.e non-Labour) lead enquiry into the full extent Dr Anwar Ansari (owner of Coombe Farm, a proposed traveller site) has been able to influence Croydon Council specifically & Labour Government more broadly through financial bribery?

4, Under the freedom of information act, can you please confirm how planning applications Dr Anwar Ansari or a member of his family have submitted to Croydon Council and how many have been accepted/approved ( including those with conditions).

Quote from the 2011 Localism Act; "Through the Localism Act, the Government has abolished the Standards Board regime. Instead, local authorities will draw up their own codes, and it will become a criminal offence for councillors to deliberately withhold or misrepresent a financial interest. "

Tens of thousands of pounds including cash equivalent goods & services (e.g supply of rent-free premises for council business, travel expenses and campaign donations) have been disclosed but misrepresented as donations. These are in fact bribes in return for planning leniency (see press article.) <http://insidecroydon.com/2015/08/21/property-developer-ansari-donates-to-cooper-and-khan/>

4, Under the freedom of information act, can you please confirm how

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

planning applications Dr Anwar Ansari or a member of his family have submitted to Croydon Council and how many have been accepted/approved ( including those with conditions).  
 5,the restrictive Covenants for Coombe Farm, (defined as 80 Oaks Road) which are for "the Settlers and their successors in title" states "No part of the Property shall be used for any offensive noisy, dangerous pursuit or occupation or for any purpose which shall or may grow to be in any way a nuisance damage grievance or annoyance to neighbouring properties or the neighbourhood."

3492/01/008/DM43.4/O	Helen Silk	Object	DM43.4 502	I am writing to object to the plans to build gypsy/traveller sites in the area of Shirley and the building of anything on any area of green belt land, green spaces or back gardens	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3495/01/003/DM43.4/O	Mr Ian Harris	Object	DM43.4 502	<p>I am writing to object to the use of the following locations as gypsy and traveller sites:          Coombe Lodge Nurseries off Conduit Lane, site reference 661;          My objection is based on the fact that the use of both sites for such a purpose would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b. To summarise my objections to the location of traveller sites at either (or both) Conduit Lane and/or Coombe Farm, these would be that:</p> <ul style="list-style-type: none"> <li>•they would be detrimental to the amenities of adjoining owners</li> <li>•it would constitute inappropriate use of Green Belt Land</li> <li>•sites that are located on the Green Belt, considered to be inappropriate development for Traveller sites (temporary or permanent) would be against Government Policy ("Planning policy for Traveller Sites", DCLG, August 2015)</li> <li>•there would be a lack of relevant amenities close at hand</li> <li>•there would be insufficient local infrastructure to accommodate the plans</li> <li>•the selection of proposed sites should have a bias towards 'brownfield' or industrial land, not Green Belt</li> </ul>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3495/01/008/DM43.4/O	Mr Ian Harris	Object	DM43.4 502	I would also ask: Why are the two sites in very close proximity to one another being proposed? What is the rationale for creating an imbalance across the borough with all sites being proposed in the South of Croydon? Why not expand the existing Permanent Gypsy Site in Lathams Way off Beddington Farm Road? If one has to select one of the proposed sites, the preference is for Pear Tree Farm & Pear Tree Farm Cottage, Featherbed Lane	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3496/01/006/DM43.4/O	Mr Ian Leggatt	Object	DM43.4 502	This site is in Green Belt and to create a Traveller site here constitutes 'Inappropriate Development' in contravention of Policy E of the Governments Planning Policy for Traveller Sites. I object to the proposal.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3497/01/002/DM43.4/O	Mr Ian Enlgeback	Object	DM43.4 502	I am writing to object to the use of the following locations as gypsy/traveller sites at Coombe Farm off Oaks Road (reference number 502). These locations are designated Green Belt and close to sites of Nature Conservation Interest, allocation of such land to gypsy/traveller sites is in contradiction to established government policy as laid out in Planning Policy for Traveller Sites (Policy E).	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3501/01/004/DM43.4/O	Gaynor Lawrence	Object	DM43.4 502	Please see this email as my objection to the proposed housing. This is ridiculous. The village is small and the road going through the village would NOT suffice the extra traffic! I pay a maintenance charge and moved here as it is a quiet location. I have been burgled a couple years back due I believe to the travellers that squatted on the land here and I do not want that fear again. Please rethink this crazy idea and let me know how I can further stop this.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3503/01/004/DM43.4/O	Mr Gary Kenney	Object	DM43.4 502	<p>I am writing to show that I object to a number of your plans around the Shirley area. I contest that you need to build on our green sites and bring in new 'traveler' sites into Shirley.</p> <p>On top of this I cannot understand the need to bring 'medium' high rise buildings in and around Shirley, including Devonshire way and the new proposals around Hartland way.</p> <p>Please can you let me know if my objection has been noted and how I can make it more official?</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3507/01/002/DM43.4/O	Mrs Jolanta Berry	Object	DM43.4 502	<p>It has come to my attention, that the Council is currently considering to change the designation of areas of Green Belt and Metropolitan Open Land, in particular, that of Coombe Farm off Oaks Road, and Coombe Lodge Nurseries off Conduit Lane.</p> <p>I am most surprised and disappointed, that people within the Council who have been employed to represent and implement the views and wishes of local residents, are pursuing such ideas.</p> <p>I am very strongly objecting to the idea, and ask you to withdraw the proposals. They will have a detrimental effect on the quality of life for the local residents, and will forever change the character of the area for the worse.</p> <p>I would ask you to withdraw any plans to change the current status, and to confirm in writing, that my objection and representation has been received, and will be given a due attention. As I understand, a large majority of residents are opposing the idea and expect that you will respect their wishes and views.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3508/01/002/DM43.4/O	Jennifer Worstall	Object	DM43.4 502	<p>I urge the Council to re-consider allowing traveller sites in the former Croydon nursery in Coombe Woods and at Coombe farm in Lloyd Park – both unsuitable sites, as they are not near amenities such as shops/schools etc which travellers may need to access. The A23 offers a better location for these traveller sites and has better road access too.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3510/01/010/DM43.4/O	Katrina Neal	Object	DM43.4 502	<p>I most virulently object against the proposal for gypsy traveller sites on Coombe Farm off Oaks Road - ref 502.</p> <p>This is because I have been a victim of travellers and their general anti social behavior/culture/damage/ threatening behaviour in the past....most recently when they illegally took over property in Wickham Road (the old La Rijoca site) in 48 hours you cannot believe the damage they did and how awful it was..I will object to anything that is EVER planned to house them near anywhere I live</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
3511/01/004/DM43.4/O	Jenny Hayden	Object	DM43.4 502	<p>Ref nos 502, and 661</p> <p>I strongly object to the use of either of these sites for gypsy/traveller sites. They are both in the Green Belt and one of them borders a conservation site. Policy E of Planning Policy for Traveller sites, published by the Government in August, states unequivocally " Traveller site, temporary or permanent , in the Green Belt are inappropriate ." The Council's approach is clearly in breach of that policy. Both of these sites are some distance from public services. There is an existing site off the Purley Way, could this site not be increased ? The public services in this area are far better than by the other proposed sites.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

3514/01/007/DM43.4/O Julia Sims	Object	DM43.4 502	<p>As a local affected resident, I am registering my comments and objections to the proposals as documented in the Croydon Local Plans CLP1.1 and CLP2.</p> <p>6 Proposed Policy DM43 Creation of Gypsy/Traveller sites at Coombe Farm, off Oaks Road, Coombe Lodge Nurseries, off Conduit Lane and Pear Tree Farm and Pear Tree Cottage, Featherbed Lane As a local affected resident, I am registering my comments and objections to the proposals as documented in the Croydon Local Plans CLP1.1 and CLP2.</p> <p>Policy DM43, reference Site 502 Coombe Farm reference Site 661 Coombe Lodge Nurseries and reference Site 755 Pear Tree Farm and Pear Tree Cottage. I object to the use of any of these locations for the creation of Gypsy/Traveller sites. All three locations are within the Green Belt and Coombe Farm is on a site of an Archaeological Priority Zone and contains an area of Nature Conservation Importance. Such development is in breach of Policy E of Planning Policy for Traveller Sites, which says that "Traveller Sites (temporary or permanent) in the Green Belt are inappropriate development". All three sites are also a considerable distance from public services. I believe that the proposal to create three new Gypsy/Traveller sites by 2017, and 39 by 2036 is extremely excessive and will have a significant adverse impact on the borough.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3519/01/001/DM43.4/O Mr G Brooks	Object	DM43.4 502	Both my wife and I formally wish to object to the councils proposals for development to the green belt at Coombe Farm and especially for the creation of Travellers sites to them.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Object Soundness - DM43.4  
Justified 502

I wish to voice my concerns regarding the following:

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

I totally object to any reduction of green space in the borough of Croydon in favour of development. I agree wholeheartedly with Garvin Barwell MP and wish to oppose any such plans. In particular, the idea of a travellers site at the suggested sites is preposterous.

There have been problems in this borough with 'travellers' for many years. To the extent that defences, barriers built up grass mounds, have been created to keep out such illegal encampments. Whilst what the Council are proposing is to legalise such sites, I have witnessed the conditions these area have been left in when travellers have moved on, piles of rubbish including human waste and damaged the area! This has been a massive expense to the council over the years. Areas around Coombe Gardens and Lloyd park are much loved and used recreational areas for the people of Croydon and surrounding areas. A gypsy encampment would be a disaster!!

If there is an obligation for the council to provide facilities for travellers, any such area should be very carefully assessed and considered, taking into account all the attributes of the area and how such a camp would affect it. In this instance the suggested areas are totally inappropriate.

I object to the proposed sites of Coombe Lodge Nurseries 661, and Coombe Farm 502, being used as sites for gypsies and travellers because;

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

1. It will be detrimental to the amenities of adjoining owners.
2. It is inappropriate use of Green Belt Land. Sites that are located on the Green Belt are considered to be inappropriate for Traveller sites (temporary or permanent) and against Government Policy, "Planning policy for Traveller Sites," DCLG, August 2015.
3. There is a total lack of amenities close at hand.
4. There is insufficient Local Infrastructure to accommodate the plans.
5. The selection of Proposed Sites should have a bias towards Brownfield or Industrial Land, not Green Belt.
6. Imbalance across the borough with all Sites being Proposed in the South of Croydon.
7. Why not expand of the existing Site in Lathams Way, off Beddington Farm Road.
8. If one has to select one of the proposed Sites, the preference would be for Pear Tree Farm & Pear Tree Farm Cottage, Featherbed Lane.

Other Sites that the council should consider are:

1. 16 Heath Clark playing fields, Stafford Road, Waddon.
2. 120 Timebridge Community Centre, Field Way, New Addington.
3. 518 Land adjacent to 103 Goodenough Way, The Admirals Walk, Old Coulsdon.
4. 522 Wandle Road surface car park, Wandle Road, Croydon Opportunity Way.
5. 536 Land of former Croydon Airport Runway, south of Imperial Way, Waddon.
6. 552 Land adjacent to Ashburton playing fields, at rear of 2 - 88 Coleridge Road, Addiscombe.
7. 553 By Pavillion Playing Fields, Purley Way, Waddon.
8. 632 Land south of Threehalfpenny Woods, Kent Gate Way, Bridle Way, Addington.
9. 636 Land west of Timebridge Community Centre, Lodge Lane, Elmside, Addington.
10. 767 Cane Hill - south part, Hollymeoak Road / Portnalls Road Coulsdon.

3539/01/002/DM43.4/O	Mary Norman	Object	DM43.4	<p>I object to plans to de-designate the metropolitan open land on either side of Shirley Oaks Road and all around Shirley Oaks Village as it is Green Belt and precious open land. I also object to gypsy/travellers sites; Coombe Farm off Oaks Road (Ref No. 502), as they are both in the Green Belt and one of them borders a site of Nature Conservation interest. Policy E of Planning Policy for Travellers Sites published by the Government clearly states: 'Travellers sites (temporary or permanent) in the Green Belt are inappropriate development'. The Council is clearly in breach of that policy. Both sites are also some distance from public services. If the Council really needs, as it claims, to quadruple the number of gypsy/travellers sites in the borough - they should look elsewhere (for example, off the Purely Way where the existing site is).</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
3547/01/010/DM43.4/O	Mr I Fuell	Object	Soundness - Justified DM43.4 502	<p>5.The use of the following locations as gypsy/traveller sites:</p> <ul style="list-style-type: none"> <li>•Coombe Farm off Oaks Road; reference number 502; and</li> <li>•Coombe Lodge Nurseries off Conduit Lane; reference number 661.</li> </ul> <p>These are both in the Green Belt, where Policy E of Planning for Traveller Sites clearly says that "travellers sites (temporary or permanent) in the Green Belt are inappropriate development".</p> <p>This is also likely to have a negative effect on the Site of nature conservation interest that one of the sites would border, and both sites are a distance from public services. It is also likely to create increased traffic problems in an area that is not best suited for such sites.</p> <p>Consideration should be given to the refurbishment of the existing sites, or where this is not possible, alternative and more appropriate sites.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

I have been a Croydon resident for many years (over 47), and have watched Croydon wax and wane. In all those years, Croydon has often been regarded as rather down at heel and a bit of a joke; it has been misrepresented in the media too many times in my view. Croydon remains a vital communications hub, which seems only recently to have been recognised. Given all the development in and around East Croydon station, your plan for these improvements is beginning to take shape. As we all know, London Victoria in 20 minutes, London Bridge in 20 minutes; not to mention the east/west Tramlink which has become so popular that TfL decided to grab it! Croydon's communications should be more widely acknowledged. You were elected on a ticket to not only improve Croydon for ALL its residents but also to preserve its assets such as the green belt and areas of special scientific interest. Imagine my dismay and great disappointment when I discovered in your proposal that you considered it perfectly legitimate to build on green belt – absolutely at odds with your manifesto. AND that you are prepared to ignore your promises in preserving Croydon's assets to the very people who elected you. How can the electorate trust you in the future, especially at the next council election, if you blatantly disregard your election pledges and set about to destroy the green spaces enjoyed by many of Croydon's residents? All green belt is part of Croydon's assets, it represents the lungs of Croydon, benefitting all and in many cases providing a haven for migratory birds as they stop-over en route and indeed other wild life whose habitat is likely to be destroyed/diminished if the green belt is built on. Altering the status of green belt or areas of special scientific interest enabling it to be built on does NOT alter the fact that once built on it will never revert to green belt and therefore will be lost (to Croydon and its electorate), forever. I would urge you to reconsider you proposals to destroy part of the green belt and to maintain the status of the open spaces as is. Croydon occupies a vast area and I am certain you could find suitable alternatives for the travellers which met their needs of access to public transport and retail amenities without destroying the green belt or areas of special scientific interest if you tried hard enough. I am sure you are aware that Government policy states "Traveller sites temporary or permanent in the Greenbelt are

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

inappropriate development "

3551/01/002/DM43.4/O	Mr & Mrs Halliday	Object	DM43.4 502	POLICY: Sites Proposed for Gypsy and Traveller Sites: Site Ref: Number 661, Site Ref: Number 502 REASONS FOR OBJECTING: 1.Increased Traffic Congestion 2.Detrimental to Amenities of Local Residents 3.Lack of Amenities in Area 4.Not suited for Green Belt Land 5.Preservation Of Green Belt is of Vital Importance 6.Lack of Sufficient Police Services 7.Insufficient Local Infrastructure to Accommodate such a Development 8.Proximity of Many Schools, Infant Nurseries and Restaurants	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3552/01/002/DM43.4/O	Miss Lisa K Hall	Object	DM43.4 502	I write to object to:  •The use of the following locations as gypsy and traveller sites on the basis that both sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b: •Coombe Lodge Nurseries off Conduit Lane, site reference 661; •Coombe Farm off Oaks Road, site reference 502;	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3563/01/002/DM43.4/O	Mr Michael Gorman	Object	DM43.4 502	I write to you with regards to the proposed Traveller site's at Coombe Lodge Nurseries/Coombe Farm & Pear Tree Farm, Featherbed Lane. I was shocked and surprised to find out these sites are being proposed, can this really be the vision of Croydon we want to promote? I have had the pleasure of travellers parking up in the park opposite where I live on Shirley Church Road and I can assure you the rubbish, destruction and human feces left were frankly disgusting. I appreciate sites have to be made available but why in such densely populated areas like Croydon? I know fellow local residents will be very upset and apprehensive regarding the safety of their property with a site so close.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3566/01/007/DM43.4/O	Maureen Wilcox	Object	Soundness - Justified DM43.4 502	<p>Happy for the Council to replace under-used garages with much-needed homes, but will be objecting to building on precious open space.</p> <p>Objecting to the use of either of these locations as gypsy/traveller sites. As the Council acknowledges, they are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly:</p> <p>Traveller sites (temporary or permanent) in the Green Belt are inappropriate development.</p> <p>The Council's approach is clearly in breach of that policy. Both sites are also some distance from public services.</p>	If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is).	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3568/01/004/DM43.4/O	Mr Mike Jones	Object	DM43.4 502	Why build gypsy encampments? They are travellers and should be encouraged to continue travelling. If such land is available then it should be for social or normal housing		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3570/01/004/DM43.4/O	Mr & Mrs Adams	Object	DM43.4 502	It is entirely inappropriate to consider creating Gypsy/Traveller sites in these locations. Not only are these greenbelt sites, they are also very close to residential areas and several schools. In August, the Government published "Planning Policy for Traveller Sites" in which Policy E states: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development".		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3574/01/002/DM43.4/O	Mr Peter Newsham	Object	DM43.4 502	<p>I am a resident of Shirley and I wish to register my objection in the strongest possible terms to proposed developments in Shirley and to add my voice to that of my MP, Mr Gavin Barwell, whose views on this matter I echo.</p> <p>The proposed Travellers' site, ref. 502, contravene present legislation because they are in the Green Belt and are therefore classed in Government documents as 'Inappropriate development'. Does the Council propose to break the law as well as ride roughshod over massive public objection to this plan?</p>		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3591/01/004/DM43.4/O Mr Nick Barnes

Object

Soundness -  
Justified DM43.4  
502

Having read both local plans for the shirley area, I strongly object to all aspects in both plans, this includes the 750 new homes on Shirley Oaks Village, 35 new homes in Shrublands, the two gypsy sites at Combe Fram and Conduit Nursery and the development for up the four storeys along Wickham Raod.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

None of these plans will benefit Shirley and I object to them all.

---

502

I wish to object to some of the proposals in the Croydon Local Plan as follows:

I object to the proposal (policy DM44.2 Table 11,17) to create a Gypsy/Traveller site on Conduit Lane next to Coombe Wood Gardens (site 661) and/or Coombe Farm (site 502). Policy E of "Planning Policy for Traveller Sites" published by the Government in August states that "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development" This would not comply with Policy SP2.7a and SP2.7b Previous scenes from Traveller sites demonstrate that they end up as dump; not the sort of image we want to portray for Croydon.

I object to the proposed loss of Green Belt status for  
(1) Coombe Playing Fields - (site ref 662) and object to the proposal for development in Policy DM44.2 Table 11.17  
(2) Croham Hurst - this is a biological Site of Special Scientific Interest and a Site of Metropolitan Importance for Nature Conservation  
(3) Sanderstead Plantation  
The de-designation of these sites would not comply with Policy SP7.2 and protection of the green grid.

I object to the proposed loss of Local Area of Special Character protection for many roads such as West Hill, Campden and Spencer Roads, the Woodcote Estate and Hartley Farm. Loss of protection will open up these roads to inappropriate development. Roads, such as Oakwood Avenue in Purley should also be included as new Local Heritage Areas.

I object to the possible "Garden Grabbing" that policy DM2 will make much easier. National and London policy classifies gardens as green field, but the proposed new policy DM2 says that the Council will allow building on gardens. We need to keep our green spaces.

I also object to the proposed retail development of the old "Good Companions Pub" site in Hamsey Green, which the proposed policy DM4 1.3 table 11.14 (site 306) would allow. A retail outlet in such a location would cause traffic chaos. It will be far better to develop it as a residential site (with ample parking) and in character with other housing in the area - not a block of flats.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

On the question of parking; I note that some new developments do not seem to cater for this. Green Dragon House being a typical example. All new developments should provide for ample parking for residents and their families.

Please take the above comments into account when assessing the proposed Croydon Local Plan.

Yours faithfully

---

Object Soundness - DM43.4  
Justified 502

All three sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b. I am concerned that all three sites are also some considerable walking distance away from GP practices, shops, schools, public transport and other local services which would be contrary to the Council's Health and Wellbeing Strategy.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Furthermore, Policy E of 'Planning Policy for Traveller Sites', published by the Government in August, states very clearly that 'Traveller sites (temporary or permanent) in the Green Belt are inappropriate development'. The provision relating to travellers/gypsies in the Housing and Planning Bill will also remove sections 225 and 226 of the Housing Act 2004 which placed a duty on housing authorities to carry out an assessment of the accommodation needs of this group when reviewing housing conditions and needs within their areas (a process required by section 8 of the Housing Act 1985). Section 8 will also be amended to make it clear that the duty covers consideration of the needs of people residing in, or resorting to the district for, caravan sites and houseboat mooring sites.

I am also concerned by the evidence base for these selections, namely the 'Assessment and Selection of Sites for Gypsy and Travellers'. This assessment contains a vast number of very subjective criteria against which to judge site suitability and has been the subject of 'extensive political consultation'. This political consultation has only taken place with the Labour Administration and has not been conducted on a cross party basis. This begs the question as to what undue political influence may have been placed on the particular criteria which have been used and indeed the selection of the preferred sites. There is also some question as to why the same scoring system has not been used for each set of criteria, rather than subjectively giving weight to certain criteria. Furthermore, the scoring for individual sites has not been carried out in accordance with the table shown at 4.1. A number of sites have been marked incorrectly, for example, site 661 has been scored at 5 for Greenbelt/MOL, when the score should be -5. This begs the question as to how many other inaccuracies are in the document

3700/01/001/DM43.4/O	Ms J Doran	Object	Soundness - Justified	DM43.4 502	<p>As a supplier to Oaks Farm I am objecting to the use of Coombe Farm as a Gypsy and Traveller site.</p> <p>The site is in Green Belt and is contrary to national policy that says that Gypsy and Traveller sites are inappropriate development in Green Belt.</p> <p>There is a long history of planning application refusals and avoidance of planning permission at Coombe Farm.</p> <p>The access road is single track and not suitable for larger mobile homes, or trucks, cars, vans or trailers.</p> <p>There is no safe walking route to schools, shops or doctors as there is no pavement and very poor lighting when dark. Local schools are oversubscribed and too far away.</p> <p>The land is in private ownership and any funds spent on purchasing the site by Croydon Council could surely be better spent elsewhere on behalf of the population of Croydon.</p> <p>Several businesses which make a big contribution to the local economy and also provide much needed amenity to the public will be detrimentally affected by the site.</p> <p>There could be up to three families per pitch as won't be controlled by planning condition and this would overwhelm the residents of Oaks Farm, Oaks Road and Oaks Lane and would not be cohesive to social cohesion.</p> <p>The</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3702/01/002/DM43.4/O	Ms J Fasham	Object		DM43.4 502	I object to the use of these locations as traveller sites, as they are both in green belt land and one of them borders a site of Nature Conservation interest, this is clearly in breach of policy E . Both sites are some distance from Public Services and the road here could not cope with more traffic.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3704/01/004/DM43.4/O	Mrs J Horton	Object		DM43.4 502	I wish to log my objection to the borough-wide planned changes Croydon Council are proposing to make in their Local Plans for 2016-2036. These proposals are 750 new homes in Shirley Oaks and 35 new homes on the Shrublands Estate. Also the proposed work to the two large gypsy/travellers site in Coombe Farm and the Conduit Nursery of Coombe Road.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3715/01/007/DM43.4/O	Jenny Tighe	Object	DM43.4 502	would also like to object to the following applications for traveller sites. Application numbers: 502, 661 and 755. All three are in green belt land and therefore inappropriate developments and should not be allowed to go ahead.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3720/01/002/DM43.4/O	Mr J Wilkinson Jamar	Object	DM43.4 502	I would like to object to these proposals in particular as they seriously impinge on The Green Belt. They would be inappropriate development and not comply with relevant Policy. They are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. Where I live in The Ballards Farm Area there is a significant number of development proposals annually - mainly back garden development - all with negative implications for the valuable Green Belt. Croydon needs more not less. "Protecting the borough's open space and the (sic) distinctive heritage and character, alongside the necessary infrastructure to mitigate the impact of growth" is in everyone's long term interest.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3723/01/008/DM43.4/O	Mrs j Middleton	Object	DM43.4 502	I object to the use of the site for a gypsy and traveller site.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3724/01/003/DM43.4/O	Mr Mike Marcroft	Object	DM43.4 502	Please do not allow the above to settle on Green Belt land. There must be other sites in the Borough that can be made available. Our Green Belt land is precious to us all.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3728/01/003/DM43.4/O	Sarah McNamara	Object		DM43.4 502	I would just like to express my concern about Croydon Council's plans to build in these three Green Belt areas. I understand and appreciate the need for more homes across the borough but could you, again, consider using all the empty homes and office spaces instead of filling up beautiful and plentiful land?	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3735/01/010/DM43.4/O	Mr Tim Duce	Object	Soundness - Consistent with National	DM43.4 502	I strongly object to the building of gypsy traveller sites on Green Belt, especially as one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". Nature Conservation is indeed a very low priority to the travellers that I have seen. I voluntarily clear up the dumping at Addington Hills and have witnessed the appalling environmental destruction wreaked by visiting travellers. Cleaning up after their visits is a very costly exercise, so putting travellers close by a Conservation Site would be extremely foolhardy. Over the next few years, it would cost council tax payers a fortune.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3738/01/001/DM43.4/O	Tina Ferron	Object		DM43.4 502	Refusal to the gypsy site application in Shirley. I'm a resident in Shirley. I strongly advise this shouldn't happen.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3739/01/001/DM43.4/O	Mr Tom Tannion	Object	DM43.4 502	<p>I wish to register the strongest possible objection to the specific proposals in the Croydon Local Plan proposing a school or gypsy site at Conduit Lane, and a Gypsy site at Coombe Farm.</p> <p>Regarding Conduit Lane, clearly, Niccolo Machiavelli would have been proud of the tactic of proposing a gypsy site or a school there. Presumably, the thought was that people are gullible enough to believe that these are either / or proposals!! They are certainly as different as chalk and cheese. I consider both options to be unhelpful, inappropriate and out of keeping with the current use of the area. I am also generally surprised that they are considered viable options worthy of serious consideration as they appear random in nature and devoid of any real local knowledge.</p> <p>Regarding both gypsy site proposals, neither are in keeping with the existing 'texture' of the areas. They add nothing to the quality of life of local residents (quite the contrary) and generally they are so out of keeping with the current general use enjoyed by those neighbourhoods that one is left wondering how they even made it into a plan? Were the proposals drawn up by someone completely ignorant of the area?</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
3743/01/002/DM43.4/O	Mr Bryan Baker	Object	DM43.4 502	<p>SP2.7 makes no mention of impact on the surroundings of the site and nearby residents. Accordingly, an additional criterion should be added 'f. Must be entirely acceptable in relation to its impact on nearby public spaces and residents and businesses in the area.' If this were included the proposals Ref. 502, Coombe Farm, would immediately be seen to be inappropriate. Coombe Farm is green belt land in Lloyd Park, left to the people of Croydon by the Lloyd family and where families enjoy the open space, kids play in the play area, joggers, dog walkers and other walkers exercise, sports are played, families snack in the café and everyone feels reasonably safe. I consider both Coombe Farm and Coombe Lodge Nursery as wholly inappropriate places to locate gypsies and travellers.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

3744/02/007/DM43.4/O	Diane Simpson	Object	Soundness - Justified	DM43.4 502	<p>Happy for the Council to replace under-used garages with much-needed homes, but will be objecting to building on precious open space.</p> <p>Objecting to the use of either of these locations as gypsy/traveller sites. As the Council acknowledges, they are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly:</p> <p>Traveller sites (temporary or permanent) in the Green Belt are inappropriate development.</p> <p>The Council's approach is clearly in breach of that policy. Both sites are also some distance from public services.</p>	If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is).	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
----------------------	---------------	--------	-----------------------	---------------	---	--	--------	--

3748/01/001/DM43.4/O	Juliet Stevenson	Object	Soundness - Justified	DM43.4 502	<p>I am objecting the the proposed sites - Coombe Lodge Nurseries, Coombe Farm, Pear Tree Farm - on the following grounds:</p> <p>It is an inappropriate use of Green Belt land and the proposals are contrary to the Government policy (Policy E of the Planning Policy for Traveller sites) which states that "Traveller Sites (temporary or permanent) in the Green Belt are inappropriate development"</p> <p>Selection of proposed sites should have a bias towards Brownfield or Industrial land not Green Belt</p> <p>It is detrimental to the amenities of the adjoining owners</p> <p>There is a lack of relevant amenities close at hand</p> <p>There is a lack of local infrastructure to accommodate the plans and additional traffic</p> <p>All the proposed sites are in the south of the borough with two being very close together</p> <p>There is already an existing permanent site in Lathams Way which could be expanded</p>		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
----------------------	------------------	--------	-----------------------	---------------	--	--	--------	--

3749/01/001/DM43.4/O	Mr Michael Eldridge	Object	DM43.4 502	I am making representations against the proposed Travellers' sites at Coombe Lodge Nurseries, Conduit Lane, Coombe Road, South Croydon., CR0 5RQ (Site reference number: 661) and at Coombe Farm, Oaks Road, Shirley, CR0 5HL ( Site reference number:502). Both these proposed sites are within the Green Belt and the proposals are contrary to Government policy (Policy E of Planning Policy for Traveller Sites) which states that 'Traveller sites (temporary or permanent) in the Green Belt are inappropriate development.' In addition the areas in question form a particularly precious 'green lung' not far from the centre of Croydon and any development would in my view be deleterious to this amenity. I cannot suggest alternative suggested sites but would prefer one that is not within Green Belt/Metropolitan Open land, of which I understand there are several in the Borough of Croydon.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3753/01/006/DM43.4/O	Moyra Ruffell	Object	DM43.4 502	I am emailing you to express my concerns about Croydon Council's Plans to build Gypsy/Traveller sites in Green Belt areas. I understand that there is a great need for housing in the Croydon area and that the number of homeless people in Croydon is high. However, I need assurance that in providing this need we do not destroy our few remaining green spaces as these are vital to the well-being of our environment and people's health. When I received the information about these proposals from my MP and local residents' association I had been away from home and so have not studied these plans in depth. However, with the information I have I cannot visualize how these proposals would work without destroying the character of the Shirley area and the destruction of our few remaining green areas. In order for me to agree to these proposals I would not only require the assurance that these environmental issues were taken into account but the homes that are planned for were affordable to those who are in need of a home, and that they were of good quality, energy efficient homes. Finally, having lived in Shirley for many years I have seen the increase in traffic which has brought about an increase in air pollution which is detrimental to our health. This is another important factor that has to be borne in mind when increasing the density of the population of the area.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3754/01/006/DM43.4/O	Myra Rand	Object		DM43.4 502	I fully oppose the proposals to build on green land, especially for travellers' sites.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3756/01/001/DM43.4/O	Mr Neil Stevenson	Object	Soundness - Justified	DM43.4 502	<p>I am objecting the following proposed sites:</p> <ul style="list-style-type: none"> <li>•Coombe Lodge Nurseries (Site Reference Number 661)</li> <li>•Coombe Farm (Site Reference Number 502)</li> </ul> <p>The reasons for my objection are on the following grounds:</p> <p>It is an inappropriate use of Green Belt land and the proposals are contrary to the Government policy (Policy E of the Planning Policy for Traveller sites) which states that "Traveller Sites (temporary or permanent) in the Green Belt are inappropriate development"</p> <p>Selection of proposed sites should have a bias towards Brownfield or Industrial land not Green Belt</p> <p>It is detrimental to the amenities of the adjoining owners</p> <p>There is a lack of relevant amenities close at hand</p> <p>There is a lack of local infrastructure to accommodate the plans and additional traffic</p> <p>All the proposed sites are in the south of the borough with these two in particular being very close together</p> <p>There is already an existing permanent site in Lathams Way which could be expanded</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3757/01/001/DM43.4/O	Kavinda Pelpola	Object		DM43.4 502	I live on Coombe Lane in Croydon and would like to formally object to the proposal to build traveller sites at Coombe Farm (off Oaks Road) and Coombe Lodge Nurseries off Conduit Lane. I believe these proposals will change the character of this area which I live in significantly for the worse. I also understand that the proposals are contrary to Government policy (Policy E of Planning Policy for Traveller Sites) which states that traveller sites, temporary or permanent, may not be built on Green Belt land.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Object Soundness - DM43.4  
Justified 502

1. It is in a green belt area. National guidelines say that travellers/gypsy sites in the greenbelt are inappropriate development.
2. There is a long history of planning application refusals and avoidance of planning permission at Coombe Farm. The reasons for this should be re-visited.
3. The site is on a single track lane with a very narrow access onto Oaks Road which is not suitable for large mobile homes, or the additional traffic from travellers' trucks, cars, vans and trailers as well.
4. The site has no safe walking route to schools, shops, doctors, etc. There is no pavement along Oaks Lane and very poor lighting when dark. There is only partial pavement on one side of the road along Oaks Road as well.
5. The size of the pitches would accommodate far greater number of caravans than can be controlled by planning restrictions.
6. Even if the restrictions are adhered to, there could be as many as three families on each pitch, allowing for 60 mobile homes. This would totally overwhelm the residents of Oaks Farm, Oaks Road and Oaks Lane and would not be conducive to social cohesion.
7. The proposed site is not within the required distance to both schooling and medical needs. The closest schools are oversubscribed so would be unable to meet the needs of so many new children to the area.
8. The land is in private ownership at Coombe Farm, and any funds spent on "compulsory or otherwise" purchase could surely be spent more wisely on behalf of the population of Croydon.
9. Several businesses which make a big contribution to the local economy and also provide much needed amenity to the public will be detrimentally affected by the site.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Not in line with Government planning policy on the Green Belt Detail:

- Government planning policy with regards to traveller sites wants to ensure that plan-making and decision-taking should protect Green Belt from inappropriate development.
- The proposal to create a permanent traveller site on land designated as Green Belt land is contrary to Policy E of the Planning Policy:

"Inappropriate development is harmful to the Green Belt and should not be approved, except in very special circumstances.". There are no very special circumstances.

- The National Planning Policy Framework makes it clear that unmet housing need (including for traveller sites) is unlikely to outweigh the harm to the Green Belt and other harm to constitute the "very special circumstances" justifying inappropriate development on a site within the Green Belt.
- The local character description is clearly at odds with the proposal.
- The justification acknowledges the Green Belt issue, though insufficiently, but relies on the fact that there are existing structures. These are not in fact substantial "being glasshouses" and could be said to be at least environmentally consistent with the Green Belt. But there is no very special circumstance justification proposed as required by Planning Policies.
- Approving the proposal would set a precedent and open the surrounding areas to be subject to similar development. It is not in the community's interests to allow the erosion of the green spaces surrounding the community and we object to the impact this site could have on the environment and wildlife. In the light of these issues, it is not appropriate simply to weight Green Belt as one of many factors to be considered, but rather it presents an overarching policy objection that cannot be over-ridden in the way proposed. To be considered deliverable, sites should be available now, offer a suitable location for development now and we do not believe that The Assessment and selection of sites for Gypsy and Travellers undertaken was credible. Plan makers have not considered the time it will take to commence development on site need for infrastructure improvements-roadsThere is basis for challenging the way in which this potential site has been selected.

Para 3.1: Green Belt sites included for review of eligible sites "to ensure that all locations for a site considered", but at the same time

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

"Exclusion of sites in Croydon Metropolitan Centre and within District Centres and Strategic Industrial Locations and Conservation Areas due to viability, deliverability and impact on heritage considerations". Is this even-handed? Para 4.1 sets out the criteria and weightings. As indicated above, Green Belt with no built form is given a weighting (-10) which, though high, is not very significant given that there are 29 or 30 criteria and can easily be outweighed by other factors that are less significant in policy terms. SP2.7 on the Council's proposals to deliver 39 additional gypsy and traveller sites indicates that land will be allocated in accordance with the proposals, but that any ADDITIONAL sites that are not so allocated should meet some stated criteria, including good access to local shops and essential services and good transport access; these seem to be criteria that were excluded from the proposed allocation, suggesting that any alternative proposals would need to meet stiffer criteria. Is this fair and even-handed? The bases for site criteria weightings are unclear. Note that paragraph 4.19 in referring to the need for good access to roads, states that "they often need to move larger vehicles as part of their livelihood and way of life"- this may be an assertion relevant to the assessment of sites and the narrowness of Coombe Lane. The objections may be summarized as:  
 -inappropriate use of Green Belt land  
 -lack of relevant amenities close to hand  
 -adverse effect on neighboring businesses and leisure amenities  
 -site has a more appropriate use for a school

---

3764/01/001/DM43.4/O	Mr & Mrs Chambers	Object	DM43.4 502	The proposed Traveller Sites are totally inappropriate developments for these Green Belt Areas. We strongly object to this part of the Croydon Plan.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
----------------------	-------------------	--------	---------------	--	--------	--

---

3769/01/011/DM43.4/O Mr K George

Object

DM43.4  
502

Given what I have recently observed at an illegal Traveller occupation at the former Rioja Tapas bar just outside Shirley I object to the use of areas off Oaks Road and Conduit Lane as Traveller sites. References 502 and 661.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

---

RE: LAND ON EITHER SIDE OF SHIRLEY OAKS ROAD, SHIRLEY OAKS VILLAGE, POPPY LANE; STROUD GREEN PUMPING STATION; COOMBE FARM, COOMBE LODGE NURSERIES off Conduit Lane, land west of Shirley Oaks Road, rear of 5-13 Honeysuckle Gardens OBJECTION TO DE-DESIGNATION GREEN BELT ; SHIRLEY, NEW ADDINGTON, FOREST HILL

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

We have lived in the Borough of Croydon for 30 years and value its vibrancy and diversity.

As Croydon ratepayers we object to the de-designation of Metropolitan Open Land generally, especially land detailed above, which will change forever Croydon's character.

We would ask you to encourage policies/development to:

1. Build new housing on brown field sites by all means AND preserve invaluable green space for the benefit of the community of Croydon; 2. Protect green belt land and preserve the green corridors we desperately vital for wildlife and biodiversity; 3. Amend the tall buildings policy and keep the tall building zone where it is suited in the centre of town; 4. Utilise brownfield sites for new low-level housing only where it can be developed alongside new GP surgeries, schools and improved public transport; 5. Traveller sites are not appropriate in the green belt and is a clear breach Policy E of Planning Policy for Traveller Sites. When travellers camped on Addington Playing Fields in 2012/13 they left rubbish, debris, waste, and deterioration to a local green space. Sadly true of most traveller sites.

"Nowadays people know the price of everything and the value of nothing". Green Belt is vital and precious. Once lost for future generations and will not be replaced by developers.

We understand the need for housing, schools, hospitals and infrastructure. Are the Developers investing these also alongside their building investments?

Please protect our few remaining green spaces on the borough map, by making better use of brown field sites.

3778/01/006/DM43.4/O	Mr & Mrs Wakelam	Object	DM43.4 502	A further inappropriate development of the Green Belt which would not comply with Policy SP2.7a and SP2.7b, and to which we also object, is the proposed use of Coombe Lodge Nurseries off Conduit Lane, site reference 661 and Coombe Farm off Oaks Road, site reference 502, as locations for gypsy and traveller sites.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3782/01/002/DM43.4/O	Mr David Reid	Object	DM43.4 502	I am writing to object to:  Coombe Farm off Oaks Road, site reference 502 for use as a gypsy and traveller site, as this site would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b; or with Policy E of "Planning Policy for Traveller Sites" published by Government in August which states "Traveller sites in the Green Belt are inappropriate development";	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Object Soundness - DM43.4  
Justified 502

Can I remind you of the definition / meaning of "GREEN BELT":

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

The Government formerly set out its policies and principles towards green belts in England and Wales in Planning Policy Guidance Note 2: Green Belts,[4] but this planning guidance was superseded by the National Planning Policy Framework (NPPF) in March 2012. Planning Authorities are strongly urged to follow the NPPF's detailed advice when considering whether to permit additional development in the green belt. In the green belt there is a general presumption against inappropriate development, unless very special circumstances can be demonstrated to show that the benefits of the development will outweigh the harm caused to the green belt. The NPPF sets out what would constitute appropriate development in the green belt. According to the NPPF, there are five stated purposes of including land within the green belt:

- To check the unrestricted sprawl of large built-up areas
- To prevent neighbouring towns from merging into one another
- To assist in safeguarding the countryside from encroachment
- To preserve the setting and special character of historic towns
- To assist in urban regeneration, by encouraging the recycling of derelict and other urban land.

Once an area of land has been defined as green belt, the stated opportunities and benefits include:

- Providing opportunities for access to the open countryside for the urban population
- Providing opportunities for outdoor sport and outdoor recreation near urban areas
- The retention of attractive landscapes and the enhancement of landscapes, near to where people live
- Improvement of damaged and derelict land around towns
- The securing of nature conservation interests
- The retention of land in agricultural, forestry and related uses.

This is a totally preposterous proposition and I am quite frankly astonished that such a ludicrous idea has been proposed.

3789/01/007/DM43.4/O Mr Paul Slaughter

Object Soundness - DM43.4  
Justified 502

Objecting to the use of either of these locations as gypsy/traveller sites. As the Council acknowledges, they are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly:

Traveller sites (temporary or permanent) in the Green Belt are inappropriate development.

The Council's approach is clearly in breach of that policy. Both sites are also some distance from public services.

If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is).

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Finally, the Council has identified two locations on the edge of Shirley for gypsy/traveller sites:

- Coombe Farm off Oaks Road, which is identified as suitable for 15-20 pitches (pages 449-450, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 502); and
- Coombe Lodge Nurseries off Conduit Lane, which is identified as suitable for 15-25 pitches (pages 468-469, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 661).

I vigorously object to the use of either of these locations as gypsy/traveller sites. As you have to be aware, they are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development".

The Council's approach is clearly in breach of that policy. Both sites are also some distance from public services. If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - there must be more suitable sites which are closer to local amenities (there is nothing in the way of shops or even a bus-stop at these sites, necessitating extra vehicular traffic on an already busy road at best or pedestrians attempting to cross at a very dangerous point with blind bends and junctions at worst), sites which are not in Green Belt land, perhaps even sites which already exist and could be expanded (such as the one on Purley Way).

Again, I stress that I am not opposed to development as such, and applaud the efforts that the council is making to build on the work of the previous administration and improve Croydon yet further. But these proposals go too far, and in my opinion they go in the wrong direction.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3793/01/010/DM43.4/O	Mr Stephen Barnes	Object	DM43.4 502	<p>Fourth, the Council has identified two locations on the edge of Shirley for gypsy/traveller sites:</p> <p>- Coombe Farm off Oaks Road, which is identified as suitable for 15-20 pitches (pages 449-450, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals, reference number 502); and</p> <p>I object to the use of either of these locations as gypsy/traveller sites. As the Council acknowledges, they are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". 3797/01/001/DM43.4/O	Mr & Mrs Andrews	Object	Soundness - Justified DM43.4 502	<p>We understand our local Member of Parliament, Mr Gavin Barwell, has produced a comprehensive assessment and objection to the Proposed Croydon Local Plan. We agree and support his objections.</p> <p>In particular the proposed positions of the Gypsy/Travellers' encampments (Refs 502 + 661) would be in suburban residential/Green Belt areas and as such are totally unacceptable. The most suitable positioning could be near Recycling Centres and situated in commercial/factory estates where the Travellers' encampments would not impinge upon residential properties.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

It is in a green belt area. National guidelines say that travellers/gypsy sites in the greenbelt are inappropriate development. There is a long history of planning application refusals and avoidance of planning permission at Coombe Farm. The reasons for this should be re-visited. The site is on a single track lane with a very narrow access onto Oaks Road which is not suitable for large mobile homes, or the additional traffic from travellers trucks, cars, vans and trailers as well. The site has no safe walking route to schools, shops, doctors, etc. There is no pavement along Oaks Lane and very poor lighting when dark. There is only partial pavement on one side of the road along Oaks Road as well. The size of the pitches would accommodate far greater number of caravans than can be controlled by planning restrictions. Even if the restrictions are adhered to, there could be as many as three families on each pitch allowing for 60 mobile homes. This would totally overwhelm the residents of Oaks Farm, Oaks Road and Oaks Lane and would not be conducive to social cohesion. The proposed site is not within the required distance to both schooling and medical needs. The closest schools are oversubscribed so would be unable to meet the needs of so many new children to the area. The land is in private ownership at Coombe Farm, and any funds spent on 'compulsory or otherwise' purchase could surely be spent more wisely on behalf of the population of Croydon. Several businesses which make a big contribution to the local economy and also provide much needed amenity to the public will be detrimentally affected by the site.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3804/01/003/DM43.4/O	Cllr L Hale London Borough of Croydon	Object	DM43.4 502	<p>Policy E of 'Planning Policy for Traveller Sites', published by the Government in August, states very clearly that 'Traveller sites (temporary or permanent) in the Green Belt are inappropriate development'. The provision relating to travellers/gypsies in the Housing and Planning Bill will also remove sections 225 and 226 of the Housing Act 2004 which placed a duty on housing authorities to carry out an assessment of the accommodation needs of this group when reviewing housing conditions and needs within their areas (a process required by section 8 of the Housing Act 1985). Section 8 will also be amended to make it clear that the duty covers consideration of the needs of people residing in, or resorting to the district for, caravan sites and houseboat mooring sites.</p> <p>I am also concerned by the evidence base for these selections, namely the 'Assessment and Selection of Sites for Gypsy and Travellers'. This assessment contains a vast number of very subjective criteria against which to judge site suitability and has been the subject of 'extensive political...consultation'. This political consultation has only taken place with the Labour Administration and has not been conducted on a cross party basis. This begs the question as to what undue political influence may have been placed on the particular criteria which have been used and indeed the selection of the preferred sites. There is also some question as to why the same scoring system has not been used for each set of criteria, rather than subjectively giving weight to certain criteria. Furthermore, the scoring for individual sites has not been carried out in accordance with the table shown at 4.1. A number of sites have been marked incorrectly, for example, site 661 has been scored at 5 for Greenbelt/MOL, when the score should be -5. This begs the question as to how many other inaccuracies are in the document</p>	Not use the location as gypsy and traveller sites	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. No 502 Coombe Farm Oaks Road - I object to the use of these locations as traveller sites, as they are both in green belt land and one of them borders a site of Nature Conservation interest, this is clearly in breach of policy E. Both sites are some distance from Public Services and the road here could not cope with more traffic.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

I would like to object to object to Policy DM 44 and DM 43 for proposing Gypsy and traveller sites on the Conduit Lane nursey and Coombe Farm off Oaks Road. Both sites are located on the Green Belt and clearly considered to be inappropriate development for Traveller sites (temporary or permanent) and against Government Policy. There are no very special circumstances that have been advanced by the council to allow the use of this land. It is not in the local community's interest to erode the Green Belt and would set a worrying precedent for future planning applications. This is not deliverable on either sites and they are clearly not a suitable location for development and the council has not taken into account the time it would take to bring the plan to fruition. There is a lot of implications for the local area that don't seem to have been taken into account: the road network is at capacity, local amenities are not ready to take an increase in demand (no space in local primary schools). The council has provided little credibility in the assessments that due diligence had been done regarding the sites: do we need an Environmental Impact Assessment to safeguard the local Coombe Gardens ? How much would it cost to mitigate the impact of the sites on this local SNCI ? Impact on Lloyd Park? These two sites are not sustainable in the fact that they do not seem to meet the Gypsies and travellers needs. There are not enough local amenities for this community (where are the local shops they can walk to ? Where are the local doctors they can walk to ? What school would the children go to ?).

The proposed developments also compromise the future of the local area and are therefore not sustainable. There are an awful lot of issues that the council doesn't seem to have taken into account when looking at both sites of Conduit Lane and Oak Farm. The sites seem to be too big for what the travellers community express preference for. The sites are too far for local amenities that they prefer to walk to. The local road network would not be safe for moving larger vehicles. Coombe Lane is incredibly busy all day long and is too narrow to provide safe entrance and exit to larger vehicles. The visibility at the entrance and exit of the sites is not good enough to ensure there will be no accidents. The junction of Coombe Road / Oaks road and Conduit Lane is dangerous enough as it currently is.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

The council doesn't seem to have taken into account that travellers sites are generally mixed-use employment sites and does not address how commercial activities on site would be compatible with surrounding Green belt land and local SNCI. How can the council safeguard these local lands from waste materials and possible hazardous materials ?

---

Development is on Green Belt The Croydon Plan states 'The Council will seek to protect the special character of wooded hillsides and ridges. Development that would adversely affect the character of the area ... will be refused.' (UDP Policy UD9). We feel very strongly that the character of the wooded hill side would not be maintained as there would not be space to grow trees. This development will simply add a built up area with little thought to conservation or environmental issues. The proposed new house would be visible from two areas of Green Belt: the grounds of Royal Russell School, Croham Hurst and Croham Hurst Golf Course. The Croydon Plan (UDP Policy RO6) states 'Development within or conspicuous from the Metropolitan Green Belt or Metropolitan Open Land will not be permitted if it would harm their visual amenity.' Proposed Sites should be on Brownfield or Industrial Land not Green Belt. It is very odd that the proposed two sites are not only in very close proximity to one another but they are also both in South Croydon. This creates an imbalance across the borough with all sites being proposed in the South of Croydon. We are also concerned that DCLG good practice guidance: Designing Gypsy and Traveller Sites – A Good Practice Guide, 2008 has not been followed:

- Nothing has been done to encourage community cohesion - this is being forced on local residents and will do nothing to encourage social integration.
- These are semi-rural locations and noise from vehicles will disturb residents.
- Both the proposed sites are on green belt land, as stated above and thus the proposal is NOT in accordance with existing planning policies.
- A traveller site at these locations would in no way be in keeping with the local environment of a green belt area.
- Vehicles of this size would require a suitably large turning space to allow entry and exit from the site, high traffic volumes on Coombe Road and Oaks Road often travelling in excess of the speed limit, combined with the regular movement of large slow vehicles at these locations would introduce a substantial safety risk to road users.
- There is no evidence to suggest that there has been any gypsy family who has historically resided at, or near the proposed sites. There is no evidence of local family support existing in the vicinity of these sites.

We believe that instead of both Coombe Lodge Nurseries and Coombe Farm, the Council should expand the Existing Permanent Gypsy Site in Lathams Way off Beddington Farm Road. Alternatively, Pear Tree Farm & Pear Tree Farm Cottage, Featherbed Lane should be considered.

If these are not acceptable then the Council should consider the following sites:

- 16 - Heath Clark playing fields, Stafford Road, Waddon
- 120 - Timebridge Community Centre, Field Way, New Addington
- 518 - Land adjacent to 103 Goodenough Way, The Admirals Walk, Old Coulsdon
- 522 - Wandle Road surface car park, Wandle Road, Croydon Opportunity Area
- 536 - Land of former Croydon Airport runway, south of Imperial Way, Waddon
- 552 - Land adjacent to Ashburton playing fields at rear of 2-88 Coleridge Road, Addiscombe
- 553 - By Pavilion Playing Fields, Purley Way, Waddon
- 632 - Land south of Threehalfpenny Woods, Kent Gate Way, Bridle Way, Addington
- 636 - Land west of Timebridge Community Centre, Lodge Lane, Elmside, Addington
- 767 - Cane Hill-south part, Hollymeoak Road / Portnalls Road, Coulsdon

Although a number of these following Sites may be Green Belt / Metropolitan Open Land, this should not preclude them, as they could be re-designated.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

- Where is the evidence that there is need for a site at these particular locations? This information has not been provided.  
 - When will the detailed site plans be made available? If not available at the start of the consultation period then this is surely a serious breach of government planning guidelines.

3842/00/001/DM43.4/O	Ms M de Villiers	Object	Soundness - Consistent with National	DM43.4 502	I also object to the following policies in relation to Shirley (neighbouring area to where I live):  - Both proposed traveller sites are in the Green Belt and thus inappropriate as they are in breach on the Government Policy E, in relation to Planning Policy for Traveller Sites. They are also far from public services. I suggest the existing site on Purley way is reconsidered.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3844/01/003/DM43.4/O	Lee Kirby-Walker	Object		DM43.4 502	I am writing to object to:  The use of the following locations as gypsy/traveller sites;  <ul style="list-style-type: none"> <li>• Coombe Farm off Oaks Road reference number 502</li> <li>• Coombe Lodge Nurseries off Conduit Lane reference number 661</li> </ul>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3846/01/002/DM43.4/O	Cllr M Gatland	Object	Soundness - Consistent with National	DM43.4 502	I wish to object to the following The use of the following as traveller or gypsy sites Coombe Lodge Nurseries site ref 661 Coombe Farm. Site ref 502 This is inappropriate development on Greenbelt.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Object	DM43.4 502	<p>Sites are located on the Green Belt, considered to be inappropriate development for Traveller sites (temporary or permanent) and against Government Policy ("Planning policy for traveller sites", DCLG, August 2015): the proposal to create a permanent traveller site on land designated as Green Belt land is contrary to Policy E of the Planning Policy. Inappropriate development, harmful to the Green Belt, should only be approved in very special circumstances. There are no very special circumstances that have been, or can be, advanced to allow the use of this land (The National Planning Policy Framework makes it clear that unmet housing need (including for traveller sites) does NOT constitute exceptional circumstance). Inappropriate development is clearly harmful to the Green Belt. It is not in the surrounding community's interest for the Green Belt to be eroded - approving this application would also set a precedent and open the surrounding areas to be subject to similar planning applications. Negative impact on the local environment and wildlife. Inappropriate to simply weight Green Belt as one of many factors to be considered in the assessment process, rather it presents a policy objection that cannot be over-riden in the way proposed. To be considered deliverable, sites should be available now, and offer a suitable location for development now. The site is clearly not a suitable location for development. Plan makers have not considered the time it will take to commence development on site: Need for infrastructure improvements (roads), need for local amenities improvement (primary school, doctor). Plan makers have not considered the time and necessity to show due diligence in assessing the sites: need for an Environmental Impact Assessment (this would be a schedule 2 development having significant effects on the environment and needing an EIA), need for a Local Biodiversity Action plan to determine the sensitivity of the location. Plan makers have not ensured that the process has credibility and acceptance: the bases for site criteria weightings are unclear. Plan makers will need to provide robust, up to date evidence to support the deliverability of sites, ensuring that their judgements on</p>	<p>Sustainable development is development that meets the needs of the present, without compromising the ability of future generations to meet their own needs. The proposed development does not meet the needs of the present (see further info in section 3): Gypsies and Travellers needs are not addressed: not enough local amenities, sites are too big, unfit local roads. The proposed development does compromise the future of the local area. Government planning policy is to ensure local planning authorities have due regard to the protection of local amenities and the local environment. It is likely the proposals will have an adverse effect on local businesses. Coombe Wood is a Site of Nature Conservation Interest (SNCI) (List of Historical Park and Gardens 2008) and borders the proposed Coombe Lodge Nurseries site, and would be negatively impacted by the plans. Croydon Council has already recognised this in its Development Management Policies document. The Borough Character Appraisal of 2015, the local area is listed as having special character. The proposed development is not sensitive to, and does not respect, this.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
--------	---------------	--	--	--------	---

deliverability are clearly and transparently set out. Plan makers have not taken the cost and time needed to mitigate the impact of the development on the sites: Croydon Council has already recognised in its Development Management Policies document that the Site of Nature Conservation Interest (SNCI) which borders the Coombe Lodge Nurseries Site, Coombe Wood (List of Historical Park and Gardens 2008) would be negatively impacted by the proposed development.

3858/01/004/DM43.4/O	Mr Nicholas Barnes	Object	Soundness - Justified	DM43.4 502	<p>Having read both local plans for the Shirley area, I strongly object to all aspects in both plans, this includes the 750 new homes on Shirley Oaks Village, 35 new homes in Shrublands, the two gypsy sites at Combe Fram and Conduit Nursery and the development for up the four storeys along Wickham Raod.</p> <p>None of these plans will benefit Shirley and I object to them all.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. Coombe Farm is Green Belt land

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Summary:

Not in line with Government planning policy regarding the use of Green Belt land

Detail:

- Government planning policy with regards to traveller sites wants to ensure that plan-making and decision-taking should protect the Green Belt from inappropriate development.

- The proposal to create a permanent traveller site on land designated as Green Belt land is contrary to Policy E of the Planning Policy: "Inappropriate development is harmful to the Green Belt and should not be approved, except in very special circumstances.". There are no very special circumstances.

- The National Planning Policy Framework makes it clear that unmet housing need (including for traveller sites) is unlikely to outweigh the harm to the Green Belt and other harm to constitute the "very special circumstances" justifying inappropriate development on a site within the Green Belt.

- The local character description is clearly at odds with the proposal.

- The justification acknowledges the Green Belt issue, though insufficiently, but relies on the fact that there are existing structures. These are not in fact substantial – being glasshouses – and could be said to be at least environmentally consistent with the Green Belt. But there is no very special circumstance justification proposed as required by Planning Policies.

- Approving the proposal would set a precedent and open the surrounding areas to be subject to similar development. It is not in the community's interests to allow the erosion of the green spaces surrounding the community and we object to the impact this site could have on the environment and wildlife.

In the light of these issues, it is not appropriate simply to weight Green Belt as one of many factors to be considered, but rather it presents an overarching policy objection that cannot be over-ridden in the way proposed.

The decision making process is contrary to Government guidance.

To be considered deliverable, sites should be available now, offer a suitable location for development

now and we do not believe that The Assessment and selection of sites for Gypsy and Travellers undertaken was credible.

Plan makers have not considered the time it will take to commence development on site  
need for infrastructure improvements  
– roads

There is basis for challenging the way in which this potential site has been selected.

1 Para 3.1 – Green Belt sites included for review of eligible sites “to ensure that all locations for a site considered”, but at the same time “Exclusion of sites in Croydon Metropolitan Centre and within District Centres and Strategic Industrial Locations and Conservation Areas due to viability, deliverability and impact on heritage considerations”. Is this even-handed?

4 Para 4.1 sets out the criteria and weightings. As indicated above, Green Belt with no built form is given a weighting (-10) which, though high, is not very significant given that there are 29 or 30 criteria and can easily be outweighed by other factors that are less significant in policy terms. Furthermore, Coombe farm has been weighted -5 for Green Belt, in recognition of the fact that there are some structures on the site, AND has been given 5 for the fact that (in the assessor's view) such structures as there are can be converted to traveller use (if the buildings had to be demolished, on a green field site, this would have attracted -5).

1 SP2.7 on the Council's proposals to deliver 39 additional gypsy and traveller sites indicates that land will be allocated in accordance with the proposals, but that any ADDITIONAL sites that are not so allocated should meet some stated criteria, including good access to local shops and essential services and good transport access; these seem to be criteria that were excluded from the proposed allocation, suggesting that any alternative proposals would need to meet stiffer criteria. Is this fair and even-handed?

2 The bases for site criteria weightings are unclear.

Inadequate Road Access which is an issue made particularly acute because of the current traffic issues in the area

10.14 Based on survey responses, most Gypsies and Travellers living in the Croydon area would prefer small,

family sized sites. Stakeholder comments suggested that smaller sites have fewer inter-family tensions and are therefore easier to manage.

10.18 The settled community neighbouring the sites should also be involved in the consultation from an early stage. There may be scope for expanding existing sites to meet some of the need. However, the preference is for smaller sites which tend to be easier to manage.

10.19 In terms of identifying broad locations for new sites, there are a number of factors which could be considered including:

•Social

•School catchment areas

10.21 Gypsies and Travellers undertaking the survey also suggested that it is important that new sites are located close to amenities such as shops, schools and health facilities – the current proposal does not meet the needs identified by this criteria.

10.22 CLG (2012) guidance suggests that Local planning authorities should strictly limit new traveller site development in open countryside that is away from existing settlements

The Croydon Local Plan Note that paragraph 4.19 in referring to the need for good access to roads, states that “they often need to move larger vehicles as part of their livelihood and way of life” – this may be an assertion relevant to the assessment of sites and the narrowness of Coombe farm.

mixed-use employment sites restrict commercial activities on site. Use of public transport amongst Gypsies and Travellers has been noted to be low. By providing sites in more accessible locations

Pressure on public services, local school and medical facilities  
•other needs of Gypsies/Travellers are not met particular concerns for the disabled and elderly, young people A recent study states that: There is a greater incidence of ill-health amongst Gypsies and Travellers adequate services would not be provided for Gypsies/Travellers It is widely recognised by government sources that literacy can be an issue within the Gypsy/Traveller community, - extra pressure on local schools who

are over-subscribed as it is

- Some evidence of periodic overcrowding on site – year round and at peak in winter months - Scotland

- gypsy-traveller.org - The best type of land is a 'brown field' site, The site should be close to local amenities. It is very important that the site has a safe entrance and exit. There are very strict Highway regulations about visibility at the entrance/exit to sites to ensure there is no danger of accidents and this is very important.

The objections may be summarized as:

- inappropriate use of Green Belt land
- lack of relevant amenities close to hand
- adverse effect on neighbouring businesses and leisure amenities
- site has a more appropriate use for a school
- critical increase in traffic harming the local area
- proposed site does not meet the criteria as set down in the guidance

Object

DM43.4  
502

I object in the strongest possible way to the plans outlined for this development in my local area, Shirley and Addiscombe. In particular, I understand the Council has identified two locations on the edge of Shirley for gypsy/traveller sites:

•Coombe Farm off Oaks Road, which is identified as suitable for 15-20 pitches (pages 449-450, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 502);

I object to the use of either of these locations as gypsy/traveller sites. As the Council acknowledges, they are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly:

“Traveller sites (temporary or permanent) in the Green Belt are inappropriate development”.

The Council's approach is clearly in breach of that policy. Both sites are also some distance from public services. If the Council really needs to quadruple the number of gypsy/traveller sites in the borough, I think they should look elsewhere (for example, off the Purley Way where the existing site is).

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3885/01/007/DM43.4/O	Mrs Barbara Cumming	Object	DM43.4 502	<p>I understand that Council has identified two new locations on the edge of Shirely for gypsy/traveller sites:</p> <ul style="list-style-type: none"> <li>- Coombe Farm off Oaks Road, which is identified as suitable for 15-20 pitches</li> </ul> <p>I object to the use of either of these locations as gypsy/traveller sites. 3892/01/006/DM43.4/O	Ms M Bailey	Object	DM43.4 502	<p>It is a green belt area. National guidelines say that travellers sites in the greenbelt are inappropriate development. Even if the properties are demolished to provide for the pitches there will still be a large spill over into the Green Belt. This means that planning permission should not be available. The site is on a single-track lane with a very narrow access onto Oaks Road that the large mobile homes will not be able to access. The lane is also used by aggregate lorries (shorter than mobile homes), local residents, members of the sports ground and opposing teams and visitors to Lloyd Park, a much loved public amenity. The site has no safe walking route to schools, shops, doctors etc. There is no pavement along Oaks Lane and very poor lighting when dark. There is only partial pavement on one side of the road along Oaks Road. How will it be possible to safeguard so many additional people including a great number of children? This development is unsustainable, as everyone will have to use cars to access the basic of life. The size of the pitches would accommodate a far greater number of caravans than can be controlled by planning restrictions. Even if the restrictions are adhered to there could be as many as three families on each pitch. With planning for 20 pitches this would mean 60 families and 60 mobile homes, not to mention additional caravans in two, trucks, vans, trailer and cars.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
3893/01/011/DM43.4/O	Jan Payne	Object	DM43.4 502	<p>Coombe Farm off Oaks Road reference number 502; As the Council acknowledges, all three of these sites are in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". The Council's approach is clearly in breach of that policy. All three sites are also some distance from public services and they are all in the same part of the borough (two are in Heathfield ward, one just over the border in Croham). Why has Heathfield been singled out in this way? If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is);</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

3894/01/002/DM43.4/O Mr & Mrs Croxford & Leese

Object

DM43.4  
502

We wish to object to the proposal to establish traveller sites at Coombe Lodge Nurseries ( site ref no. 661) and Coombe Farm (site reference 502).  
Such use of these sites would, we feel, be inappropriate in the Green Belt, and contrary to Policy SP2.7a and SP2.7b, and not consistent with Policy E of the Government's "Planning Policy for Traveller Sites".  
The road hazards that would be associated with such use would require additional expenditure by the Council to resolve.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

The sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b. Furthermore, Policy E of 'Planning Policy for Traveller Sites', published by the Government in August, states very clearly that 'Traveller sites (temporary or permanent) in the Green Belt are inappropriate development'. The provision relating to travellers/gypsies in the Housing and Planning Bill will also remove sections 225 and 226 of the Housing Act 2004 which placed a duty on housing authorities to carry out an assessment of the accommodation needs of this group when reviewing housing conditions and needs within their areas (a process required by section 8 of the Housing Act 1985). Section 8 will also be amended to make it clear that the duty covers consideration of the needs of people residing in, or resorting to the district for, caravan sites and houseboat mooring sites.

I am also concerned by the evidence base for these selections, namely the 'Assessment and Selection of Sites for Gypsy and Travellers'. This assessment contains a vast number of very subjective criteria against which to judge site suitability and has been the subject of 'extensive political...consultation'. This political consultation has only taken place with the Labour Administration and has not been conducted on a cross party basis. This begs the question as to what undue political influence may have been placed on the particular criteria which have been used and indeed the selection of the preferred sites. There is also some question as to why the same scoring system has not been used for each set of criteria, rather than subjectively giving weight to certain criteria. Furthermore, the scoring for individual sites has not been carried out in accordance with the table shown at 4.1. A number of sites have been marked incorrectly, for example, site 661 has been scored at 5 for Greenbelt/MOL, when the score should be -5. This begs the question as to how many other inaccuracies are in the document.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3899/02/010/DM43.4/O Ms E Rudduck

Object

DM43.4  
502

I object to the use of the following locations as gypsy/traveller site on Coombe Farm off Oaks Road Ref 502.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

---

1. Central Government is currently reviewing the approach to providing gypsy/traveller sites and so any proposals in the local plan should be subject to future government guidance.

2. Both sites are in the Green Belt and are contrary to Government policy which says that temporary or permanent gypsy/travellers sites in the Green Belt are inappropriate development.

3. Gypsy/traveller sites in both locations are completely out of character with the immediate surroundings - parkland, private schools, hotel, playing fields, golf course, middle/high value housing.

4. Access to public transport is poor - no buses and 15 minutes to the nearest tram stop.

5. Local doctors are difficult to get into.

6. There are no government schools nearby.

7. There are no shops within reasonable distance - closest are in Croydon town centre.

8. The evaluation system used to select the two sites is highly questionable and relies on LBC views of the relative importance of each criteria and then the points given. This form of weighted scoring is useful in giving guidance but not in delivering precise conclusions. It appears as if the wishes of the gypsy/travellers have been given more importance than those of local people. It would be interesting to see which sites were selected if more weight had been given to local interests and therefore how robust the evaluation system is to changes in how the criteria are viewed and scored.

9. Both sites will inevitably have a negative impact on property values.

10. Both sites pose a perceived increased security risk in the area.

11. Re site 661 the local plan in its justification says "the gypsy and traveller site will provide no greater impact on the openness of the Green Belt and the purposes of the Green Belt than the existing buildings". Impact does not only apply to the visual impact. Even on this narrow criteria it is hard to envisage the development from gypsy/traveller sites having a similar impact as the existing use which is periodic during the day and very much related to nature. Using the site for gypsy/travellers would mean a much higher overall impact on the local area - regular access, high activity, and a use out of character with the surrounding area, particularly the Site of Nature Conservation Interest.

12. Re site 502 the comment re "no greater impact" also applies.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

The proximity to a school and existing housing means that this would have a significant impact on the character of the area in terms of increased traffic flow on a very quiet road and increased activity and noise in a very quiet area.

3904/01/001/DM43.4/O	Mr & Mrs Golbourn	Object	DM43.4 502	I am writing to object to the proposed use of Coombe Farm off Oaks Road (reference number 502) and Coombe Lodge Nurseries off Conduit Lane (reference number 661) as gypsy/traveller sites. I believe that both of these sites are in the Green Belt and one of them borders a Site of Nature Conservation Interest. We should not encroach on the Green Belt. Surely there must be brownfield sites that could be used instead.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3907/01/001/DM43.4/O	Mr & Mrs Foggo	Object	DM43.4 502	We are writing to object to The use of the locations (Coombe farm ref 502 and Coombe lodge nurseries drew 661) as gipsy/travellers sites. It would drastically change the area's local character (policyDM31.4). We are very concerned by these plans and it is our opinion that these areas don't suit for travellers sites at all.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
3918/01/001/DM43.4/O	Mr & Mrs Willis	Object	DM43.4 502	I strongly object to these proposals as they would both be in the Green Belt and one of them borders a site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". Therefore the Council's approach is clearly in breach of that policy. The Council should instead consider expanding the existing site off the Purley Way.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3919/01/001/DM43.4/O	Ms L Chatfield	Object	DM43.4	<p>I am writing my objections development on the following sites as a resident as well as in my capacity as Warden of Croydon Ecology Centre. The sites are in areas that are essential foraging grounds for wildlife, including badgers, which are a protected species. I believe that they are also all on Green Belt Land. I realise that local authorities are being given new powers that allows them to build on parts of Green Belt Land, but I sincerely believe that this will be a terrible mistake, for which future generations will not thank us. These sites are also part of one of the very few large stretches of open green spaces so close to the centre of Croydon, which makes an huge difference to the air quality in our town and to the visual aspect thereof. There is ample evidence to prove that these green urban spaces are essential for the mental well-being of crowded cities. All the open green spaces are there for the benefit of all Croydon's residents and those visiting our Borough, by building on them you are taking away this right from people all over the Borough. Please think again and make use of brown field sites instead. By using brown field sites you have the opportunity improve those sites with well planned and laid out housing and amenities.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
3921/01/001/DM43.4/O	Mr E Thompson	Object	Soundness - Consistent with National DM43.4 502	<p>The Council's preferred option for this site would breach UDP Policies RO1 and RO2.</p> <p>It is also based on a points scoring system that affords insufficient weight to the protection and preservation of the Green Belt, and no weight to harm to amenity of the surrounding area, including impact on nearby public spaces, residents, schools and businesses.</p> <p>It would not comply with Policies B and E of Planning for Travellers Sites, the government guidance.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

The site does have existing brick buildings including the grade listed Coombe Farmhouse. The proposed volume of 15 -20 pitches, each individual pitch requiring a sizeable plot to accommodate a mobile home / touring caravan, a utility brick building and ample space for parking cars / vans. This would mean the proposed planning would exceed the current built on area and therefore, the Green Belt land would be lost. The Coombe Farmhouse is also noted in many historical books of Croydon. It is my understanding that the current owner has lodged numerous planning applications over the years which had been denied by the Council. Please can the Council clearly describe why they are now prepared to change the use of land for the gain of fulfilling their Traveller / Gypsy site quota? The site is also currently privately owned. In order for the Council to proceed with their plans they will need to purchase the site. I challenge this use of Croydon's finance budget as, with all compulsory purchases; the Council should review the return of the investment on any such cost for the benefit of their tax paying community. Increase risk and detrimental impact to the local wildlife such as deer, badgers, newts, toads, hedgehogs, numerous bird life including woodpeckers, owls, herons etc. The range of flora and fauna including protected trees such as the large Oaks all of which form the beautiful unique Addington Hills Public Open Space and adjoining Green Belt area. The site is also situated near open land which has previously been victim to unauthorised Traveller and Gypsy encampments. A thorough review and statement regarding how the Council and Police propose to exercise control over any additional families encamping on unauthorised land surrounding the site must be produced. Through past experience it has been a difficult and lengthy process for the Police, Council and Local Residents. The general public have been denied safe access to public open land or intimidated when using the Tram or Bus stop during these encampment periods. The Council have to pay the Legal and Policing costs of the unauthorised encampment removal, the environmental cost to clean up the rubbish, the consideration of the impact to wildlife and the continued safety of the public to relax and enjoy the open countryside and public services. This site proposes a detrimental impact to local business

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

revenue.

This was proven during the periods of unauthorised encampments. Oaks Farm is an established countryside wedding venue situated next door to Coombe Farm. The local cafe and gardens have been enjoyed by local families together with some of the long established dining destinations in Croydon. The golf course next to Coombe Farm has also dealt with complaints of aggressive behaviour towards their junior members from unauthorised encampment dwellers so building trust and integration is an important consideration especially due to low levels of the Local Residential population. National guidelines state "that the site should not overwhelm the next nearest settlement". The proposals clearly would overwhelm the entirety of the settled area and is, therefore, in breach of the guidelines. It is worth noting all the affected businesses rely and up-sell their countryside location as a key benefit to their business and service delivery. Increased traffic at the dangerous junction joining Oaks road and Conduit Lane onto Coombe Road the safety risk is further increased due to the Tram track / crossings situated yards from the junction. The suitability of this site access is limited via the single track road which would require reconfiguration for access to the site due to the type of vehicles used by the Traveller and Gypsy communities. The track road would also require additional lighting for safety of the site residents. Although the Traveller and Gypsy community are against CCTV coverage, the existing cameras on this road must be kept in place due to Croydon's fly tipping issues. It is also worth noting the lack of immediate access to schools and Doctors surgeries are over a 20 minute walk which is too far in accordance to government guidelines. Coombe Farm should have been excluded due to its Green Belt status and recent planning applications by the current owner. I understand the pressure Croydon Council is under ensuring the regeneration programme goes to plan and budget. I also understand the need to fairly accommodate all communities within the town. However, to me the Councils plans are flawed and serve no good outcome for any party involved.

1. The two site locations are not ideal for the: Traveller / Gypsy Community, Local Residents or Local Businesses and also has a detrimental affect on the wildlife and breaks the policy of the protected green spaces.
2. It will fulfil the Croydon Councils target but if the outcome does not

satisfy any of the groups then the Council have failed in their duty.

3. Traveller sites are recommended to remain for a minimum of 10 years. Due to the increased risks and the close location of the two sites has the Council factored in the on-going additional legal, environmental and policing costs?

4. Coombe Farm's recent planning applicants have not been permitted, is this due to the potential compulsory Council purchase? If the Council do buy this land is it their ultimate objective to sell the land for a housing development? This brings me to question if the wildlife and countryside have to suffer due to the growing human population. Then the best use of purchasing Coombe Farm would be to convert the existing built-on land into a small housing development as part of the Council's housing quota, retaining the Listed Farmhouse. This proposal would provide social and private occupation in a sort after location. Certain risks raised above would still be applicable but a number would be resolved, mainly the Council's housing target and provision of a very good revenue return on the taxpayer investment.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

This proposed site is in a green belt area, and national guidelines state that traveller/gypsy sites are an inappropriate development in the green belt. Even if existing properties are demolished to provide the pitches the site would still encroach on green belt land.

The site has no safe walking route to, and is not within a reasonable distance of schools, medical facilities, shops etc. and there does not appear to be any specific plans to increase the numbers of these amenities, nor is there the space to create such amenities in the locale. Oaks Road only has partial footpaths and increased pedestrian use without footpaths will undoubtedly lead to increased chances of road traffic incidents.

The plan is for 20 pitches but the size of the plot could accommodate three times as many unplanned, unauthorised pitches and planning restrictions would not be able to "police" this.

National guidelines also state that such sites should not overwhelm the next nearest settlement. Residents in Oaks Farm, Oaks Road and Oaks Lane will almost certainly be overwhelmed.

We understand that the Council has historically refused countless planning applications At Coombe Farm yet seems keen to approve this one, the reasons for the refusals need to be addressed if this is accurate.

We feel that the adjacent businesses would be adversely affected but the introduction of this site.

The Council has spent, would assume, hundreds of thousands of pounds both removing unauthorised travellers and cleaning the remaining detritus for many years at this and other areas such as the Sunken Road, yet now seems to feel it appropriate to create permanent pitches in the same locations. On a personal note the only time that we have felt intimidated or abused is by travellers illegally pitched in the Sunken Road, what measures and what costs are involved to Croydon Council Tax payers for the inevitable additional policing and refuse removal?

Adjacent to both of these sites are a beautiful landscaped park and an

area of outstanding beauty, home to many species of wild life with unparalleled open green spaces sorely lacking in other parts of South East London.

We understand that there is an existing travellers site in the Purley Way that is underused and feel that the energy would be better expended in improving the facilities at this site, which is far better services by public transport et.

We strongly object to the plans for a permanent travellers site at both of the above locations for the reasons given.

3933/01/011/DM43.4/O	Mr & Mrs Thacker	Object	DM43.4 502	Coombe Farm off Oaks Road reference number 502; As the Council acknowledges, all three of these sites are in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". The Council's approach is clearly in breach of that policy. All three sites are also some distance from public services and they are all in the same part of the borough (two are in Heathfield ward, one just over the border in Croham). Why has Heathfield been singled out in this way? If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is);	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

I wish to appeal against the proposed Traveller Sites in Coombe Farm, off Oaks Road, and Coombe Lodge Nurseries off Conduit Lane.  
As a resident of Oaks Road for over 20 years, I find this proposal extremely poorly planned. This is a Green Belt area, of which I believe, building is not permitted. Also, an area of Nature Conservation Interest.  
We have had the misfortune several times over the years, of travellers stopping in this area. We have had to put up with noise, litter, and general bad behaviour, including theft from our property.  
Since Labour have come into power at the council, the litter collection has been severely depleted, leaving our beautiful road a mess. I fear the unwanted traveller sites would only make things worse.  
Has anyone checked that the entrance to the site from Oaks Road is extremely narrow, and NOT suitable for large caravans to enter or leave?  
Also, the transport links from that area are poor.  
I suggest this is political, as the sites chosen are in a Conservative held part of the borough.  
Please look again at your proposals, and not attempt to damage one of the few remaining green and pleasant parts of this borough.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

The site is in a Green Belt area Traveller/gypsy site are inappropriate in Green Belt areas as per national guidelines. Even in properties are demolished to provide the pitches there will still be a large overspill in the surrounding Green belt area. The proposed site is off Oaks Road where access is via a very narrow lane .The lane is used by local residents members of the sports ground and opposing teams and visitors to lloyds park where the venue is used for charity events. Large mobile homes will not be able to access the site with ease. There is no safe walking route from the site to schools shops Doctors surgery etc. due to lack of pavement along oaks road The pavement is only there further up the road. The route is very busy during peak times and any development of this nature will add greatly to the congestion on Oaks road and Coombe lane. The site of the pitch will accommodate a greater number of caravans the controlled by planning restrictions. I feel the restriction will not be adhered to and if they were there would be three families per pitch and with planning for 20 pitches 60 families and 60 mobile homes and additional vans cars trucks trailers. National guidelines state that the site should not overwhelm the next nearest settlement. The residents of Oaks Farm Oaks Road and Oaks lane (all in isolated positions) would certainly be overwhelmed. How will cohesion be achieved with the local residents? I am in the vicinity of Oaks road and I am concerned about conflict between different Travellers. There is a long history of planning refusals and avoidance of planning permission at Coombe Farm..these reasons should be re-visited. The history of unauthorised pitches is neighbouring areas has left bitter resentment as there is a residual mess and threatening behaviour that has accompanied their trespass. I have a retail business in another area and whenever travellers come in they is a degree of pilferage and I can't see this being any different .There would also be a big worry when pupils go to school and is the council going to take responsibility in case of a confrontation and thing getting out of hand. The proposed site is not within required distance for schooling and medical needs therefore I object on that basis. The land is in Private ownership at Coombe farm and any funds spent on "compulsory or otherwise" should be spent more wisely for the population of Croydon.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Object Soundness - DM43.4  
Justified 502

We are writing to object to:

1. The use of the following locations as gypsy and traveller sites:

Coombe Farm Site, ref. 502

This would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b;

Policy E of "Planning Policy for Traveller Sites", published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development"

The site is on a single track lane with a very narrow access onto Oak Road which the large mobile homes will not be able to access. The lane is also used by local residents, members of the sports ground and visitors to Lloyd Park, a much loved public amenity.

The site has no safe walking route to schools, shops, doctors etc. There is no pavement along Oaks Lane and very poor lighting when dark. There is only a partial pavement on one side of the road along Oaks Road as well. How will it be possible to safeguard so many additional people including a great number of children?

The size of the pitches would accommodate a far greater number of caravans than can be controlled by planning restrictions. Even if the restrictions area adhered to, there could be as many as three families in each pitch. With planning for 20 pitches, this would mean 60 families and 60 mobile homes, if not more.

National guidelines state that the site should not overwhelm the next nearest settlement. The residents would certainly be overwhelmed. Also, how will social cohesion be achieved with local residents?

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

3977/01/001/DM43.4/O	Mr N Robinson	Object	Soundness - Justified	DM43.4 502	<p>I have received an e-mail from Steve Murphy regarding the proposed traveller's site close to Shirley Park Golf Club. As a member of the club for 31 years I have seen the rubbish and general mayhem the travellers cause. In the last few years they got into our course and we had children running over the greens and stealing flags. When they left the rubbish was terrible.</p> <p>Whilst I appreciate they will be on a site you propose, you will not have the manpower to stop the travellers from entering our club grounds and doing anything they want to do.</p> <p>Perhaps you would like to live near them and see what it is like, just look at the bottom of West Wickham High Street as a good example.</p> <p>Therefore I am greatly opposed to them being anywhere in the vicinity of Shirley Park Golf Club.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
----------------------	---------------	--------	--------------------------	---------------	---	--------	---

3978/01/002/DM43.4/O	Ms S Ikpa	Object		DM43.4 502	<p>I am a Croydon resident and am writing to object to the use of the following locations as gypsey and traveller sites: Coombe Lodge Nurseries off Conduit Lane, site reference number 661. policy number DM44: and Coombe Farm off Oaks Road, site reference number 502. policy number DM43 Pear Tree Farm and Pear Tree Farm Cottage on Featherbed Lane, site reference number 755, policy number DM32. All three sites are in the Green Belt, with one bordering a site of Nature Conservation. The proposed use of each of these sites would constitute inappropriate development in the Green Belt and would not comply with Policy 5P2.7a and SP2.7b and would not be consistent with Policy E of 'Planning Policy for Traveller Sites' published by the Government. If additional sites are required in the Borough it would more appropriate to expand existing sites eg the site off the Purley Way. In addition none of the sites has easy access to local school, healthcare, retail and other amenities; the vehicular access into sites 661 and 502 is problematic and egress onto Coombe Lane/Oaks Road at the road junction is likely to create additional road hazards.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

4015/01/001/DM43.4/O	Mr R Thurlow	Object	DM43.4 502	<p>Conduit Lane and Coombe Farm sites are on greenbelt land. Government policy states "Traveller sites temporary or permanent in the Greenbelt are inappropriate developments".</p> <p>As well as damaging the local environment, there are not sufficient local amenities to cope with two traveller sites in close proximity.</p>		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4016/01/001/DM43.4/O	Mr R Toomey	Object	DM43.4 502	<p>I would like to object to use of the following sites; Coombe lodge Nurseries, site reference 661 Coombe Farm site reference 502. Both these sites are Green Belt. Also the whole character of the area would change. The doctors surgeries are already overcrowded as are dentists and hospitals. The schools in the area are at bursting point. I use the trams and they are also overcrowded especially during the rush hour.</p> <p>If the Green belt site is de designated this could be the start of many more. There are other sites in Croydon that are not Green Belt. Why can't existing sites be expanded? I hope you take my views into consideration as everybody that I know in the area is of the same view. Yours faithfully,</p>		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4018/01/003/DM43.4/O	Ms R Magee	Object		DM43.4 502	Proposed Gypsy/Traveller sites proposed for Addiscombe and East Croydon, Addington, Forresdale and Addington and Shirley - This sounds like a dreadful idea. I strongly object to the above proposal – This is a dreadful idea and surely anyone with any love or concern for Croydon would also object strongly.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4019/01/001/DM43.4/O	Mr R Appadu	Object	Soundness - Justified	DM43.4 502	I would like to lodge my objection to the use of this location as gypsy/traveller sites. As the Council acknowledges, they are both in the Green Belt and one of them borders a Site of Nature Conservation Interest.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4020/01/003/DM43.4/O	Mr & Mrs Smith	Object		DM43.4 502	<p>I wish to object to the proposed 'Permanent Gypsy &amp; Traveller sites in:</p> <p>Coombe lodge nurseries, conduit lane, coombe road, south Croydon – ref 661 &amp; Coombe farm, oaks road, Shirley – ref 502</p> <p>My main reasons for objecting are that this land is Green belt and we only recently moved to our home in this area due to the fact that we did have this open land, of which at least the green belt we had been lead to believe was 'protected' from development of or for other uses such as permanent homes or structures. I strongly believe that the proposals would be an inappropriate use of Green Belt land and would also actually be against the government's policy for Traveller sites, DCLG aug 2015. I believe any site proposal should look instead at Brownfield or Industrial land.</p> <p>Alternatively, I feel it is much more logical to expand existing permanent Gypsy sites in Lanthams Way off Beddington Farm Road. Other alternatives which would in our view be much more appropriate use of land would be: the land of the former Croydon Airport runway south of Imperial Way, Waddon ref 536 or Cane Hill-south part, Hollymeoak Road/Portnalls Road Coulsdon ref 767.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4022/01/006/DM43.4/O	Mr & Mrs Ewin	Object	Soundness - Justified	DM43.4 502	Objection to Croydon Council's proposal to provide sites for travellers & the building of houses, etc on green land in Shirley & other areas.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4023/02/002/DM43.4/O	Ms S Amin	Object		DM43.4 502	I am writing to object to the use of the location of site 502 as a gypsy and traveller site. The site would constitute in appropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4024/01/002/DM43.4/O	Ms S Bailey	Object		DM43.4 502	<p>I register an objection to both of these proposals on the following grounds. Both are acknowledged to be in the Green Belt and the proposal is contrary to Policy E of Planning Policy for Traveller Sites which was published by the government in August 2015, which says "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". One of the sites adjoins a Site of Nature Conservation Interest, which would suffer detrimentally as a result of this proposed development and the impact on such a site should be a criteria when assessing potential locations. A lack of suitable criteria, not to have an unacceptable adverse impact on biodiversity, have been used when looking at potential locations which has resulted in the rather perverse selection of two sites in the Green Belt. It seems turning green belt in to a gypsy / traveller site can only have an impact on biodiversity. Additional criteria should also be utilised, including:</p> <ul style="list-style-type: none"> <li>- Not in the Green Belt.</li> <li>- Does not impact upon important open spaces such as a Sites of Nature Conservation Interest / Areas of Outstanding Natural Beauty / SSSI's or other protected locations.</li> <li>- Residential properties or other recreational areas, such as parks and gardens, will not be impacted by the "setting" of gypsy / traveller sites.</li> <li>- Existing services (water, sewerage, highways) and other public services are already in place and easy to access.</li> </ul> <p>Suitable alternatives have not been considered. Even a cursory drive around the area of the existing gypsy / traveller site will reveal much more suitable locations in close proximity to existing facilities.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
----------------------	-------------	--------	--	---------------	---	--------	--

4026/01/001/DM43.4/O	Mr S Dhanda	Object	Soundness - Justified	DM43.4 502	<p>The use of land to provide pitches at Coombe Farm, Oaks Road or Coombe Lodge Nurseries, Conduit Lane is entirely out of keeping with the character of those areas. Why ruin such beautiful areas so close to central Croydon for future generations? Once gone, that land will be gone forever. We should treasure areas such as these and put them to a much more appropriate use in keeping with the use of similar surrounding land. Housing/Residential/Pitches are not good uses of this land.</p>	The only real alternative if there has to be one is at Pear Tree Farm, Featherbed Lane where there already exists a large scale housing development and appropriate facilities including schools, transport and infrastructure nearby.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
----------------------	-------------	--------	--------------------------	---------------	--	--	--------	--

4027/01/002/DM43.4/O	Debby Stanhope	Object		DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4028/01/001/DM43.4/O	Mrs S Dixon	Object	Soundness - Consistent with National	DM43.4 502	I am writing to object to: 1. the use of the following locations as gypsy and traveller sites: Coombe Lodge Nurseries off Conduit Lane, site reference 661; Coombe Farm off Oaks Road, site reference 502; as both sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b;	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4029/01/002/DM43.4/O	Mr Islam Hameed	Object		DM43.4 502	SP2.7 makes no mention of impact on the surroundings of the site and nearby residents. Accordingly, an additional criterion should be added 'f. Must be entirely acceptable in relation to its impact on nearby public spaces and residents and businesses in the area.' If this were included the proposals Ref 502, Coombe Farm, and Ref 661, Coombe Lodge Nurseries, would immediately be seen to be inappropriate. Coombe Lodge Nursery is by the lovely gardens of Coombe Wood with its popular tea room and wooded area. Coombe Farm is green belt land in Lloyd Park, left to the people of Croydon by the Lloyd family and where families enjoy the open space, kids play in the play area, joggers, dog walkers and of other walkers exercise, spots are played, families snack in the café and everyone feels reasonably safe"	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

As a resident in the area, I am writing to object to, the use of the following locations as gypsy and traveller sites;  
a) Coombe Lodge Nurseries off Conduit Lane, site reference 661  
b) Coombe Farm off Oaks Road, site reference 502  
as above sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7A and SP2.7B;

The de-designation of: Croham Hurst as Green Belt, despite being a biological Site of Special Scientific Interest (SSSI) and a site of Metropolitan Importance for Nature Conservation; Coombe Road Playing Fields as Green Belt, site reference 662; as the de-designation of both sites would not comply with Policy SP7.2 and protection of the green grid.

These proposals are clearly harmful for the Green Belt and would have a negative impact on the environment and wildlife in Coombe Wood, Shirley Hills and Lloyd Park. It would create a precedent for further erosion of our valuable local amenity. Coombe Road and Coombe Lane are already very busy roads and one of the main arteries into the town centre. The additional traffic emanating from these two sites, without significant road improvements, would exacerbate the traffic congestion, not to mention the additional pressure on the already stretched local services such as schooling and general practitioners. The access roads to these proposed sites are clearly unsuitable for the larger vehicles that this community use as part of their livelihood and way of life. The junctions at Coombe Road, Oaks Road and Conduit Lane are already dangerous for vehicles and this area has the potential with this proposal to become a major accident black spot without significant very costly improvements to the local road network.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4036/01/007/DM43.4/O	Ms S Wheeler-Kiley	Object	Soundness - Justified	DM43.4 502	<p>Happy for the Council to replace under-used garages with much-needed homes, but will be objecting to building on precious open space.</p> <p>Objecting to the use of either of these locations as gypsy/traveller sites. ---

4045/01/002/DM43.4/O	Mr S Maniar	Object	DM43.4 502	I object as it would be: 1) Detrimental to the amenities of adjoining owners, 2) Insufficient local infrastructure to accomodate the plan, 3) Inappropriate use of green belt land. Alternative suggested sites: 1) 536: Land of Former Croydon Airport runway, South of Imperial Way, Waddon - 2) 767-Cane Hill-south Part, Hollymeok Raod, Portnails Road, Coulsdon.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4048/01/001/DM43.4/O	Lise Land	Object	DM43.4 502	I would like to register my strong objection to the Council's proposals for the consideration of Coombe Farm and Coombe Lodge Nurseries as gypsy/traveller as stated in the above documents and reference numbers. The sites are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". The Council's proposals would be in breach of that policy. In addition to this policy breach, these sites are surrounded by parks which are regularly enjoyed by many local residents (including myself) for their natural beauty and relaxing environments. Their positive contributions to our well-being cannot be underestimated and will be significantly impacted by your proposals. It is therefore hard to imagine why such sites have even been considered at all, or in preference to other sites in the Council's document 'Assessment and selection of sites for Gypsy and Travellers August 2015'. The scoring method applied is rather confusing. For example, the GB/MOL criteria in the table in section 4.1 has the possible scores of -10, -5 or +10, yet the two references above have been given a GB/MOL score of 5, which is detrimental to their overall score. I would be grateful if the Council could reconsider its plans. Please explain regarding the issues raised around the above objections.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

502

I am grateful to the Council for consulting on the detailed policies and proposals that will make up the Croydon Local Plan. There is much in the document that I agree with, but some of the proposals would, in my opinion, change the character of parts of Croydon very much for the worse. I hope you will forgive me if I focus on these areas of contention. I am therefore writing to formally object to:

1.de-designation of the Metropolitan Open Land around Shirley Oaks Village;

2.the use of the following five sites for housing:

- land at Poppy Lane reference number 128;

- Stroud Green Pumping Station, 140 Primrose Lane reference number 504;

- land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House reference number 541;

- land to the west of Shirley Oaks Road reference number 542; and

- land to the rear of 5-13 Honeysuckle Gardens reference number 548.

If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces. Building housing on them would mean the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of this part of Shirley. As far as I can see, these are the only bits of Metropolitan Open Land in the whole borough which the Council is proposing to de-designate and allow housing to be built on. Why has Shirley Oaks been singled out in this way?

3.the use of the following locations as gypsy/traveller sites:

- Coombe Farm off Oaks Road reference number 502;

- Coombe Lodge Nurseries off Conduit Lane reference number 661; and

- Pear Tree Farm and Pear Tree Farm Cottage on Featherbed Lane reference number 755;

As the Council acknowledges, all three of these sites are in the Green

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly:

"Traveller sites (temporary or permanent) in the Green Belt are inappropriate development".

The Council's approach is clearly in breach of that policy. All three sites are also some distance from public services and they are all in the same part of the borough (two are in Heathfield ward, one just over the border in Croham). Why has Heathfield been singled out in this way? If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is);

4.focussed intensification associated with gradual change of an area's local character under Policy DM31.4 of the Shirley Road Shopping Parade, Shirley local centre and Forestdale. Shirley Road Shopping Parade is surely worthy of protecting rather than replacing with medium-rise blocks? Shirley local centre is defined not just as a stretch of the Wickham Road (where some intensification may be appropriate) but Ridgemount Avenue, Wickham Avenue, Peregrine Gardens, West Way Gardens, the northern section of Hartland Way and the western parts of Bennetts Way and Devonshire Way. Replacing the largely semi-detached buildings in these residential roads with medium-rise blocks would completely change the character of Shirley. Replacing the largely terraced housing and small blocks of flats in Forestdale with medium-sized blocks would completely change that area too;

5.Policy DM2 on development on garden land, which is too subjective and therefore too weak. There should be a much stronger presumption against development on garden land; and

6.Policy DM28, which should allow higher levels of parking in developments of low public transport accessibility. Restricting parking spaces in such areas doesn't lead to fewer people owning their own car; it just leads to greater competition for existing spaces.

4051/01/008/DM43.4/O	Mr Matt Knight	Object	DM43.4 502	I object to the use of the site as a traveller site.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4054/01/003/DM43.4/O	Mr & Mrs Shah	Object	DM43.4 502	<p>We would like to notify you of our objection to the proposed traveller sites at Coombe Farm off Oaks Road and Coombe Lodge Nurseries off Conduit Lane, as described in your consultation on the detailed policies and proposals for The Croydon Local Plan.</p> <p>We understand that there are plans to change the designation of areas of Green Belt and Metropolitan Open Land. Specifically, we understand that the Council have identified two locations in the Shirley area for gypsy/traveller sites at Coombe Farm off Oaks Road and Coombe Lodge Nurseries off Conduit Lane.</p> <p>We wish to object to the Council's proposals as both these sites are in the Green Belt and the proposals are contrary to Government policy (Policy E of Planning Policy for Traveller Sites) which states "Traveller Sites (temporary or permanent) in the Green Belt are inappropriate development". Clearly the Council's approach is in breach of this policy.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4054/01/005/DM43.4/C	Mr & Mrs Shah		DM43.4	We would like to notify you of our objection to the proposed traveller sites at Coombe Farm off Oaks Road and Coombe Lodge Nurseries off Conduit Lane, as described in your consultation on the detailed policies and proposals for The Croydon Local Plan.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
			502	We understand that there are plans to change the designation of areas of Green Belt and Metropolitan Open Land. Specifically, we understand that the Council have identified two locations in the Shirley area for gypsy/traveller sites at Coombe Farm off Oaks Road and Coombe Lodge Nurseries off Conduit Lane.		
				We wish to object to the Council's proposals as both these sites are in the Green Belt and the proposals are contrary to Government policy (Policy E of Planning Policy for Traveller Sites) which states "Traveller Sites (temporary or permanent) in the Green Belt are inappropriate development". Clearly the Council's approach is in breach of this policy.		
				It is also our understanding that one of these proposed locations for gypsy/traveller sites borders a Site for Nature Conservation Interest. Also both these proposed sites are some distance away from public services.		
				It is our view that the proposals will change the character of our area very much for the worse.		
				In the circumstances, these proposals should not be approved.		
4056/01/002/DM43.4/O	Mr & Mrs Ferguson	Object	DM43.4	We are writing to object to: 1. the use of the following locations as gypsy and traveller sites: Coombe Lodge Nurseries off Conduit Lane, site reference 661; Coombe Farm off Oaks Road, site reference 502; because both sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b:	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
			502			

4058/01/011/DM43.4/O	Mrs Mary Gray	Object	DM43.4 502	Coombe Farm off Oaks Road reference number 502; As the Council acknowledges, all three of these sites are in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". The Council's approach is clearly in breach of that policy. All three sites are also some distance from public services and they are all in the same part of the borough (two are in Heathfield ward, one just over the border in Croham). Why has Heathfield been singled out in this way? If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is);	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
----------------------	---------------	--------	---------------	--	--------	--

4059/01/011/DM43.4/O	Shirley Lidbury	Object	DM43.4 502	Coombe Farm off Oaks Road reference number 502; As the Council acknowledges, all three of these sites are in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". The Council's approach is clearly in breach of that policy. All three sites are also some distance from public services and they are all in the same part of the borough (two are in Heathfield ward, one just over the border in Croham). Why has Heathfield been singled out in this way? If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is);	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. 4069/01/002/DM43.4/O	Dr Kenneth Lim	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4070/01/002/DM43.4/O	Ann McEvaddy	Object	DM43.4 502	I am writing to object to the use of Coombe Farm off Oaks Road, site reference 502 as gypsy and traveller site as this site would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4071/01/006/DM43.4/O	Mr & Mrs Tross	Object	DM43.4 502	Given the existing levels of brownfield sites in the area, these should be exhausted before encroaching on areas that would significantly alter the character of the area.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4072/01/006/DM43.4/O	Dr Abia Afsar-Siddiqui	Object	DM43.4 502	I am writing to object to the use of the following locations as gypsy and traveller sites: Coombe Lodge Nurseries off Conduit Lane, site reference 661; Coombe Farm off Oaks road, site reference 502; as both sites would consistute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4073/01/002/DM43.4/O	Mr Graham Lyon	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4074/01/002/DM43.4/O	Mr S Litchfield	Object	DM43.4	Reasons for Objecting:	The alternative suggested site that would have far less impact on the local area and it residents (not all being on Green Belt either!!!!!!) in my opinion would be:	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
			502	<ul style="list-style-type: none"> <li>- The development would cause a detrimental effect to the Amenities of Adjoining Owners in the local area</li> <li>- The proposed development is on Green Belt</li> <li>- Surely a sensible site should be on Brownfield or Industrial Land as in an ever increasing urbanised area where developments and buildings are being built at an alarming rate we are losing all green space.</li> <li>-To use the Sites would require a Change of Land Use</li> <li>- Why on earth are two of the proposed sites in such close proximity from one another in an area the size of the borough of Croydon?</li> <li>- There is a complete imbalance across the borough with all Sites being Proposed in the South of Croydon</li> <li>- Potential increased crime in our local area (this was highlighted only last week when the South Croydon area (Brighton Road and surrounding areas) came to a stand still and hit national press with the eviction of travellers found to have firearms. The local School I worked in had to lock its gates and not allow students into the surrounding area until the conflict had been dealt with (my young families security and happiness are paramount, hence the reason I chose South Croydon to live in and paid the large additional house price to ensure my family were free from this sort of activity.</li> <li>- My preference would be to simply expand the existing permanent Gypsy Site in Lathams Way off Beddington Farm Road, would this not provide a simple and cost effective option for the council and far less issues to a huge number of tax paying, law abiding citizens in the Croydon Borough???? If the council is unwilling to do this then from the proposals then Pear Tree Farm &amp; Pear Tree Farm Cottage, Featherbed Lane should be one of the selected sites</li> </ul>	<ul style="list-style-type: none"> <li>16 - Heath Clark playing fields, Stafford Road, Waddon</li> <li>120 - Timebridge Community Centre, Field Way, New Addington</li> <li>518 - Land adjacent to 103 Goodenough Way, The Admirals Walk, Old Coulsdon</li> <li>522 - Wandle Road surface car park, Wandle Road, Croydon Opportunity Area</li> <li>536 - Land of former Croydon Airport runway, south of Imperial Way, Waddon</li> <li>552 - Land adjacent to Ashburton playing fields at rear of 2-88 Coleridge Road, Addiscombe</li> <li>553 - By Pavilion Playing Fields, Purley Way, Waddon</li> <li>632 - Land south of Threehalfpenny Woods, Kent Gate Way, Bridle Way, Addington</li> <li>636 - Land west of Timebridge Community Centre, Lodge Lane, Elmside, Addington</li> <li>767 - Cane Hill-south part, Hollymeoak Road / Portnalls Road, Coulsdon</li> </ul>		

4075/01/007/DM43.4/O	Kaljit Gata-Aura	Object	DM43.4	Objection to the use of following locations as gypsy or traveller sites: Coombe Farm off Oaks Road - Ref 502	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
			502			

4078/01/006/DM43.4/O	Mr & Mrs Belsey	Object	DM43.4 502	The area where the travellers site is being suggested is Greenbelt. We must not build on Greenbelt sites, as these are areas for relaxation, wild life and nature. Again this will result in a decrease in wild life and more flooding.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4079/01/002/DM43.4/O	Melissa Chu	Object	DM43.4 502	I am a Croydon resident and am writing to object to the use of the following locations as gypsey and traveller sites: Coombe Lodge Nurseries off Conduit Lane, site reference number 661. policy number DM44: and Coombe Farm off Oaks Road, site reference number 502. policy number DM43 Pear Tree Farm and Pear Tree Farm Cottage on Featherbed Lane, site reference number 755, policy number DM32. All three sites are in the Green Belt, with one bordering a site of Nature Conservation. The proposed use of each of these sites would constitute inappropriate development in the Green Belt and would not comply with Policy 5P2.7a and SP2.7b and would not be consistent with Policy E of 'Planning Policy for Traveller Sites' published by the Government. If additional sites are required in the Borough it would more appropriate to expand existing sites eg the site off the Purley Way. In addition none of the sites has easy access to local school, healthcare, retail and other amenities; the vehicular access into sites 661 and 502 is problematic and egress onto Coombe Lane/Oaks Road at the road junction is likely to create additional road hazards.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4080/01/002/DM43.4/O	Natwarlal Patel	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4081/01/002/DM43.4/O	Mr & Mrs Hyde	Object	DM43.4 502	<p>We object to:</p> <p>the proposed de-designation of Croham Hurst and Coombe Road playing fields as Green Belt.</p> <p>the proposed use of Coombe Lodge Nurseries (site 661) and Coombe Farm (site 502) as gypsy &amp; traveller sites.</p> <p>These linked areas, which connect with Lloyd Park &amp; Shirley Hills, contribute hugely to the amenity of the borough. This public continuum is precious to many from across Croydon and beyond. Development and traveller sites would change the character of the amenity, particularly the Conduit Lane footpath.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4082/01/002/DM43.4/O	Philip Jupp	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4083/01/009/DM43.4/O	Mr Reuben Gata-Aura	Object	DM43.4 502	<p>object to The use of following locations as gypsy or traveller sites:</p> <p>Coombe Farm off Oaks Road - Ref 502</p> <p>Coombe Lodge Nurseries off Conduit Lane - Ref 661</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4087/01/001/DM43.4/O	Kelly Welly	Object	DM43.4 502	I have been advised by a neighbour that a rumour is circulating regarding a Travellers site being given planning permission on the Shirley oaks village (Primrose Land) green land! I am extremely concerned about this as my house backs onto said land Can you confirm if this is true and if so confirm the exact location of the proposed site?	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4089/01/006/DM43.4/O	Victoria Moore	Object	DM43.4 502	the Council has identified two locations on the edge of Shirley for gypsy/traveller sites: Coombe Farm off Oaks Road, which is identified as suitable for 15-20 pitches (pages 449-450, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 502). "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". The Council's approach is clearly in breach of that policy. Both sites are also some distance from public services. If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is).	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4096/01/004/DM43.4/O	Mr Vince Hemment	Object	DM43.4 502	I will be objecting to the use of either of these locations as gypsy/traveller sites. As the Council acknowledges, they are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development". The Council's approach is clearly in breach of that policy. Both sites are also some distance from public services. If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is).	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4100/01/002/DM43.4/O	Mr Tim Newman	Object	DM43.4 502	I particularly object to Coombe Farm, Oaks Road (ref 502) on the edge of Shirley which the Council has identified for Gypsy/Traveller sites. Both of these sites are in the Green Belt and therefore inappropriate for development in my opinion.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4104/01/007/DM43.4/O	Terrence & Jacqueline Spriggs	Object	Soundness - Justified DM43.4 502	<p>Happy for the Council to replace under-used garages with much-needed homes, but will be objecting to building on precious open space.</p> <p>Objecting to the use of either of these locations as gypsy/traveller sites. As the Council acknowledges, they are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly:</p> <p>Traveller sites (temporary or permanent) in the Green Belt are inappropriate development.</p> <p>The Council's approach is clearly in breach of that policy. 4117/01/003/DM43.4/O	Cllr S Brew	Object		DM43.4 502	<p>I object to the use of the following locations as gypsy and traveller sites: Coombe Farm off Oaks Road, site 502;</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

As a local Resident in the Croham Ward of South Croydon the subject area is well known to me and my family, and in my opinion its use as proposed, or indeed for any kind of development, is wholly inappropriate, and accordingly I object. I have carefully reviewed the documentation prepared by the Council, and specifically looked at the Assessment and Selection of Sites for Gypsy and Travellers. Whilst the document is very comprehensive, I am unclear as to whether or not it is a universally adopted one that is used for the whole Country, and in any event question the methodology with its use of selective criteria and the RAG scoring which is very subjective. I noticed that the scoring for the subject site includes a positive  $\pm 5$  under the criteria heading of Green Belt/Metropolitan Open Land. This appears incorrect, and if I am reading and interpreting the document accurately then this score should be a negative -5. Assuming this is an error then it distorts the resultant figure by ten. Given this error, are there indeed others aswell? I also noted in the Gypsy and Traveller Accommodation Needs Assessment prepared by Croydon Council that it highlights a substantially higher level of additional pitches required in the first five years (2013-2018) where 27 pitches are stated, whereas in the subsequent five year periods only 7 or 8 pitches are scheduled for each of the three periods through to 2033. I would suggest that these lower figures in the latter years are unrealistic and in all probability are likely to rise. If so, then the pressure to enlarge the overall area of the subject site will increase, and it will of course be easier for the Council to try and justify it and probably win the argument because of the established use and precedent. Therefore, the size of the subject site and/or another one in the locality, will in all probability substantially increase. Fundamentally, this location is 'Green Belt' land and notwithstanding that it has some development and land use, the proposed use, or indeed for any kind of development, is wrong and in my opinion would not comply with Policy SP2.7a and SP2.7b. It is also my understanding that under Central Government policy if such land is designated as 'Green Belt', then it should enjoy the protection from all forms of development and not favour any particular group or person within the community unless there are special circumstances. In this case there are no such special circumstances. If any private

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

business person or organisation wanted to create a caravan and/or static home site in this location it would not receive Planning Permission - this is the 'test' for such a proposal, and we should not have differing sets of rules for the Council and the Public. In addition to the above I also note a list of other salient points as to why in my opinion the use of the subject land as proposed is inappropriate:

- Notwithstanding some nominal use of the area for local business, housing, and school/education purposes, the general locality is one of woodland, playing fields, parkland, and rural space. Any kind of use for more intense housing, and possibly associated businesses as well, for any sector of the community whether it be caravans, static homes, prefabricated houses, or traditional housing would be inappropriate.
- This area of Coombe is of some historical significance with several notable houses of architectural merit. Notwithstanding that some of the area and buildings have changed and indeed increased over the more recent decades, it still retains a relatively rural and spacious charm which should be respected and retained for current and future generations.
- More intense housing for any sector of the community will increase noise and light pollution and would be inappropriate.
- Local nature and wildlife is present in this area and as such should not be subjected to pressure from an increased resident population. Lloyd Park, Coombe Park, and the woods of Addington Hills which border and/or are in close proximity to the subject development site are of high public interest and could be negatively impacted by the proposals.
- The access road from Oaks Road that will form the route to the subject site is relatively narrow and already used by other residents and those accessing the playing fields. This road would need to be up-graded at considerable expense if the proposal were to proceed.
- Vehicle access onto Oaks Road is restricted with reduced visibility as well as being in very close proximity of the tram/road crossing.
- Notwithstanding the presence of the local Tramlink service, public transport is otherwise very limited and as such will force new residents to use private vehicles and thus cause more environmental pollution in an otherwise rural locality.
- Local amenities and facilities such as shops, health centres, possibly suitable schools are essentially non-existent and will force the residents to

use private vehicles unnecessarily.  
 - The proposed subject site is relatively large, and if approved, would potentially house a significant number of people and which may be further exacerbated by the possible location of another similar site in relatively close proximity. My understanding is that gypsy and traveller families actually prefer smaller sites.  
 - Development of this subject site with new and extended infrastructure in the form of services, sewage, power, fencing, roads, and hardstanding is likely to be very expensive, and indeed disruptive in providing.

Other locations, some thus far dismissed but there may be others, will almost certainly offer better use of the limited public funds available. Partial infrastructure may well be already in place or more readily available in these other locations and help to lessen the burden on the public purse. Also, in comprehensively reviewing other locations, it may be possible to address suitable brownfield sites that in all but easy situations private developers ignore and disregard, but which nevertheless remain a serious blight on the landscape of the Borough.

Object Soundness - DM43.4  
Justified 502

All three sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Furthermore, Policy E of 'Planning Policy for Traveller Sites', published by the Government in August, states very clearly that 'Traveller sites (temporary or permanent) in the Green Belt are inappropriate development'. The provision relating to travellers/gypsies in the Housing and Planning Bill will also remove sections 225 and 226 of the Housing Act 2004 which placed a duty on housing authorities to carry out an assessment of the accommodation needs of this group when reviewing housing conditions and needs within their areas (a process required by section 8 of the Housing Act 1985). Section 8 will also be amended to make it clear that the duty covers consideration of the needs of people residing in, or resorting to the district for, caravan sites and houseboat mooring sites.

I am also concerned by the evidence base for these selections, namely the 'Assessment and Selection of Sites for Gypsy and Travellers'. This assessment contains a vast number of very subjective criteria against which to judge site suitability and has been the subject of 'extensive political consultation'. This political consultation has only taken place with the Labour Administration and has not been conducted on a cross party basis. This begs the question as to what undue political influence may have been placed on the particular criteria which have been used and indeed the selection of the preferred sites. There is also some question as to why the same scoring system has not been used for each set of criteria, rather than subjectively giving weight to certain criteria. Furthermore, the scoring for individual sites has not been carried out in accordance with the table shown at 4.1. A number of sites have been marked incorrectly, for example, site 661 has been scored at 5 for Greenbelt/MOL, when the score should be -5. This begs the question as to how many other inaccuracies are in the document

Whilst I agree that we desperately need new housing, it should be built on brownfield sites not our remaining precious green spaces! I understand the Council has identified two locations on the edge of Shirley for gypsy/traveller sites: Coombe Farm off Oaks Road, which is identified as suitable for 15-20 pitches (pages 449-450, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 502); and Coombe Lodge Nurseries off Conduit Lane, which is identified as suitable for 15-25 pitches (pages 468-469, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 661). I object to the use of either of these locations as gypsy/traveller sites. As the Council acknowledges, they are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: 'Traveller sites (temporary or permanent) in the Green Belt are inappropriate development'. The Council's approach is clearly in breach of that policy. Both sites are also some distance from public services. If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is).

4139/02/002/DM43.4/O	Mrs S Chandarana	Object	DM43.4 502	<p>Build a school please. School is a viable option as there no schools in our area. The plan makers have missed a big point that existing infrastructure cannot cope with the influx of additional population at such a fast pace. Also it has to be planned over few years. It should never ben on a green belt/attached to a green belt sites as it is disastrous for the environment. There are quite a few brownfield sites in Croydon should be explored. What are the criteria behind selecting two sites within 1 mile of each other? The plan makers do not know the grass root situation. They have just assumed things without actually knowing the facts. This is a grave situation. There are quite a few public and independent schools in the nearby area. Building a new school will support Selsdon and nearby citizens. Besides we do not have a Grammar schol in Croydon. So, it would be ideal if we build a grammar school in Croydon on one of the proposed sites. Existing infrastructure just cannot cope with additional population in Croydon:</p> <ul style="list-style-type: none"> <li>- We have to wait at least 4-5 days to get appointment at doctors- many times do not get appointment</li> <li>- We have to wait at least 15 minutes to get a turn to play swing/slide for my son in any local parkl. The parks are so crowded during summer. Already children are getting very less exercise. If 40 families come over with more than 80 children then it would be extremely over crowded.</li> <li>- There are not enough schools in the area. We should build more schools</li> <li>- There is very limited green space in Croydon. Government policy states that you cannot build temporary or permanent sites on Green Belt. Putting the travellers sites near green belt will endanger.</li> <li>- Conduit lane is a no drive zone. Increased traffic due to a planned school and travellers sites will cause traffic chaos.</li> <li>- We need green belts for good health of the citizens. Steps like these would encourage the encroachment of green belts</li> </ul>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Build a school please. School is a viable option as there no schools in our area. The plan makers have missed a big point that existing infrastructure cannot cope with the influx of additional population at such a fast pace. Also it has to be planned over few years. It should never ben on a green belt/attached to a green belt sites as it is disastrous for the environment. There are quite a few brownfield sites in Croydon should be explored. What are the criteria behind selecting two sites within 1 mile of each other? The plan makers do not know the grass root situation. They have just assumed things without actually knowing the facts. This is a grave situation. There are quite a few public and independent schools in the nearby area. Building a new school will support Selsdon and nearby citizens. Besides we do not have a Grammar schol in Croydon. So, it would be ideal if we build a grammar school in Croydon on one of the proposed sites. Existing infrastructure just cannot cope with additional population in Croydon:

- We have to wait at least 4-5 days to get appointment at doctors- many times do not get appointment
- We have to wait at least 15 minutes to get a turn to play swing/slide for my son in any local parkl. The parks are so crowded during summer. Already children are getting very less exercise. If 40 families come over with more than 80 children then it would be extremely over crowded.
- There are not enough schools in the area. We should build more schools
- There is very limited green space in Croydon. Government policy states that you cannot build temporary or permanent sites on Green Belt. Putting the travellers sites near green belt will endanger.
- Conduit lane is a no drive zone. Increased traffic due to a planned school and travellers sites will cause traffic chaos.
- We need green belts for good health of the citizens. Steps like these would encourage the encroachment of green belts

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4140/01/001/DM43.4/O	Mr S Illingworth	Object		DM43.4 502	There has been a history of unauthorised "pitches" in this area over the past few years, in particular on the field adjacent to the practise area and 5th hole on the golf course. On each occasion these pitches have been accompanied by residual mess, threatening behaviour and mindless theft of golf club property. Each time that Gypsies/Travellers have been in the area, they have trespassed onto the golf course while club members are playing, threatening those members with physical and verbal abuse on numerous occasions. This behaviour is totally unacceptable and very demoralising, and should either of these pitches go ahead I am sure that it will have a serious detrimental affect on both the club and it's members.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4141/02/001/DM43.4/O	Mrs S Deshpande	Object	Soundness - Consistent with National	DM43.4 502	I am writing to object to:  1.The use of the following location as a gypsy and traveller site:  •Coombe Farm off Oaks Road, site reference 502  as the site would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b.  There is also an error in the calculation for the Green Belt score in the selection criteria. The site should be scored -5 for being in Green Belt and not +5.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4145/01/007/DM43.4/O	Mr & Mrs Andrews	Object	Soundness - Justified	DM43.4 502	<p>I am grateful to the Council for consulting on the detailed policies and proposals that will make up the Croydon Local Plan. There is much in the document that I agree with, but some of the proposals would, in my opinion, change the character of parts of Croydon very much for the worse. I hope you will forgive me if I focus on these areas of contention. I am therefore writing to formally object to:</p> <p>3. the use of the following locations as gypsy and traveller sites:</p> <ul style="list-style-type: none"> <li>• Coombe Farm off Oaks Road reference number 502;</li> <li>• Coombe Lodge Nurseries off Conduit Lane reference number 661; and</li> <li>• Pear Tree Farm and Pear Tree Farm Cottage on Featherbed Lane reference number 755;</li> </ul> <p>As the Council acknowledges, all three of these sites are in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the government in August, says very clearly:</p> <p>“Traveller sites (temporary or permanent) in the Green Belt are inappropriate development”.</p> <p>The Council's approach is clearly in breach of that policy. All three sites are also some distance from public services and they are all in the same part of the borough (two are in Heathfield ward, one just over the border in Croham). Why has Heathfield been singled out in this way? If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is).</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
4146/01/008/DM43.4/O	Mr & Mrs Carpenter	Object		DM43.4 502	<p>We object on the basis that both sites are on Green Belt land and one is adjacent to a Site of Nature Conservation Interest. This proposed siting appears to be contrary to the Government's published policy which says that such sites in the Green Belt are inappropriate development.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

4148/01/001/DM43.4/O	Mr & Mrs Dennis	Object	Soundness - Justified DM43.4 502	Under no circumstances do we agree with a Gypsy and Traveller site at this location.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4150/01/004/DM43.4/O	Mr & Mrs Kennard	Object	DM43.4 502	I am writing to object to The use of Coombe Farm off Oaks Road reference number 502; and Coombe Lodge Nurseries off Conduit Lane reference number 661 as locations for gypsy/traveller sites. Both sites are within the Green Belt, are a substantial distant from public services such doctors and schools and one is adjacent to a Site of Nature Conservation Interest.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4152/01/002/DM43.4/O	Mr & Mrs Munnery	Object	DM43.4 502	National guidelines clearly state 'Travellers Sites emporary or per,nanent) hi the Green Bell are inappropriate development'. The Council's proposals, therefore, clearly breach such guidelines. Also, we question the Council's assertion that it needs to quadruple the number of travellers/gypsy sites in the Borough. Apart from this major objection, the above sites identified for such use would have: - poor access via narrow roads/lanes for large vehicles; - consequent impact upon local traffic congestion with movements of large vehicles; - no safe paved walking routes to schools, shops, doctors, etc.; - additional requirement for services and facilities for hygienic occupation; - increased pressure on local schools, medical facilities, waste disposal, etc.; - impact upon local facilities and amenities of current residents. Also, we understand that the proposed pitches would accommodate considerably more caravans and associated vehicles than can be controlled by planning restrictions.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4153/01/001/DM43.4/O	Mr Gary Dean	Object	DM43.4 502	am writing to object to the use of the following locations as gypsy and traveller sites at Coombe Lodge Nurseries off Conduit Lane, site reference 661 and Coombe Farm off Oaks Road, site reference 502; as both sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4154/01/002/DM43.4/O	Mr John Gibson	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4155/01/007/DM43.4/O	Mr John Gibson	Object	DM43.4 502	Incorrect calculation in the selection criteria for 502 (Coombe Farm)	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4155/01/002/DM43.4/O	Mr John Male	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4157/01/002/DM43.4/O	Mr Mark Walker	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

The GTANA report (2013) does not consider why there is a requirement to provide such facilities and refers to the CLG's document 'Planning Policy for Traveller Sites (March 2014)' which states that Local Authorities should in producing their local plans, consider joint development plans that set targets on a cross authority basis. This proposal seems to have been produced in isolation from other neighbouring councils even though the above clearly indicates that nearby councils such as Sevenoaks, Tandridge and Bromley have higher demand. Proposals in the Housing and Planning Bill 2015-2016 are to remove the statutory requirement on local authorities to assess the specific accommodation needs of Gypsies and Travellers - the emphasis being that when authorities are carrying out a review of housing needs that it considers the needs of all the people residing in their district, without any reference to Gypsies and Travellers. We hope this means that Croydon Council will consider our needs and the needs of our neighbours and local services and businesses as weighty as those of Gypsy and Travelling people. We understand that there is a lot of opposition to the proposed sites from people currently residing in the district due to the threat to the Green Belt, increased traffic and increased pressure on local services. Surely such low scores within the "Assessment and Selection of Sites for Gypsy and Travellers" (August 2015) should have resulted in an acceptance that none of the sites are really particularly suitable and that the council will need to liaise with other council if determined to make provision. All three sites are in Green Belt land - Policy E of Planning Policy for Traveller Sites - traveller sites (temporary and permanent) in the Green Belt are inappropriate development. Further concern for the impact upon Green Belt is highlighted in the GTANA Stakeholder consultation. The sites are contrary to the Strategic Policies (April 2013) in terms of access from roads and proximity to bus routes; and access to essential services including health and education facilities.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4161/01/002/DM43.4/O	Mr Trevor Watkins	Object	DM43.4 502	I am a Croydon resident and am writing to object to the use of the following locations as gypsy and traveller sites: Coombe Lodge Nurseries off Conduit Lane, site reference number 661. policy number DM44: and Coombe Farm off Oaks Road, site reference number 502. policy number DM43 Pear Tree Farm and Pear Tree Farm Cottage on Featherbed Lane, site reference number 755, policy number DM32. All three sites are in the Green Belt, with one bordering a site of Nature Conservation. The proposed use of each of these sites would constitute inappropriate development in the Green Belt and would not comply with Policy 5P2.7a and SP2.7b and would not be consistent with Policy E of 'Planning Policy for Traveller Sites' published by the Government. If additional sites are required in the Borough it would more appropriate to expand existing sites eg the site off the Purley Way. In addition none of the sites has easy access to local school, healthcare, retail and other amenities; the vehicular access into sites 661 and 502 is problematic and egress onto Coombe Lane/Oaks Road at the road junction is likely to create additional road hazards.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4166/01/004/DM43.4/O	Carol Holmes	Object	DM43.4 502	I am writing to you to object to use of Green Belt Land for gypsy/traveller sites (reference numbers 502, 661) Coombe Farm off Oaks Road (reference number 502) and Coombe Lodge Nurseries off Conduit Lane (reference number 661) are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. These proposals are in breach of policy E of Planning Policy for Traveller Sites, published by the Government in August, which says that Traveller Sites in the Green Belt are inappropriate development. Alternative sites should be found.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4167/01/001/DM43.4/O	Mr A Majeed	Object	Soundness - Justified DM43.4 502	The proposed Gypsy and Traveller site is contrary to government policy as it is in Green Belt. In addition, based on past experience of unauthorised encampments I think there would be a threat to the safety, security and well-being of my family.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4168/01/002/DM43.4/O	Catherine Martin	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4174/01/006/DM43.4/O	Mr B Williams	Object	DM43.4 502	I object to the site being allocated for a gypsy and traveller site. It is in the Green Belt and one of the sites borders a Site of nature Ocnervation Interest. Policy E of Planning Policy for Travellers Sites published by the government in August says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate developemtn". The Council's approach is clearly in breach of this policy.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4178/01/001/DM43.4/O Mr Brian Mole	Object	DM43.4 502	<p>It is in a green belt area. National guidelines say that travellers/gypsy sites in the greenbelt are inappropriate development. There is a long history of planning application refusals and avoidance of planning permission at Coombe Farm. The reasons for this should be re-visited. The site is on a single track lane with a very narrow access onto Oaks Road which is not suitable for large mobile homes, or the additional traffic from travellers trucks, cars, vans and trailers as well. The site has no safe walking route to schools, shops, doctors, etc. There is no pavement along Oaks Lane and very poor lighting when dark. There is only partial pavement on one side of the road along Oaks Road as well. The size of the pitches would accommodate far greater number of caravans than can be controlled by planning restrictions. Even if the restrictions are adhered to, there could be as many as three families on each pitch allowing for 60 mobile homes. This would totally overwhelm the residents of Oaks Farm, Oaks Road and Oaks Lane and would not be conducive to social cohesion. The proposed site is not within the required distance to both schooling and medical needs. The closest schools are oversubscribed so would be unable to meet the needs of so many new children to the area. The (and is in private ownership at Coombe Farm, and any funds spent on (compulsory or otherwise) purchase could surely be spent more wisely on behalf of the population of Croydon. Several businesses which make a big contribution to the Local economy and also provide much needed amenity to the public will be detrimentally affected by the site.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4200/01/008/DM43.4/O	Mr G Furmanski	Object	Soundness - Justified	DM43.4 502	I object to 4. the use of the following locations as gypsy/traveller sites a) Ref No. 502 — Coombe Farm off Oaks Road b) Ref No. 661 — Coombe Lodge Nurseries off Conduit Lane	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4203/01/010/DM43.4/O	Mr J Beaven	Object	Soundness - Justified	DM43.4 502	I am writing to submit my objection to: 5. The use of the following locations as gypsy/traveller sites: - Coombe Farm off Oaks Road, reference number 502; and - Coombe Lodge Nurseries off Conduit Lane, reference number 661.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4206/01/007/DM43.4/O	Dr K Parke	Object	DM43.4 502	Incorrect calculation in the selection criteria for 502 (Coombe Farm)	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4206/01/002/DM43.4/O	Dr K Parke	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

5. Proposed Policy DM43 Creation of Gypsy / Traveller sites at Coombe Farm, off Oaks Road, Coombe Lodge Nurseries, off Conduit Lane and Pear Tree Farm and Pear Tree Cottage Featherbed Lane.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

I object to the use of any of these locations for the creation of Gypsy/Traveller sites. All three locations are within the Green Belt and one borders a site of Nature Conservation Interest. Such development is in breach of Policy E10 Planning Policy for Traveller Sites, which says that 'Traveller Sites (temporary or permanent) in the Green Belt are inappropriate development'. All three sites are also a considerable distance from public services. I believe that the proposal to create three new Gypsy/Traveller sites now, and 39 by 2036 is excessive and will have an adverse effect on the borough. If the number of Gypsy/Traveller sites really needs to be increased by this amount then a more appropriate location would be around the existing site at Purley Way. The positioning of a Gypsy/Traveller site adjacent to the car park for Coombe Woods, between the Chateau Restaurant and the Hotel/restaurant, would probably deter me from using any of these attractions.

For the reasons given above:

1. I do not think that the preferred approach is the most appropriate for Croydon to help us meet our Strategic Objectives set out in Section 3.
2. The preferred approach is deliverable, but not acceptable.
3. I do not think the preferred approach enables sustainable development, because it will compromise the ability of future generations to meet their own needs.
4. I recommend that consultation documents of such importance are given much wider publicity.

I have restricted my objections to those plans that primarily affect the area of Shirley I which I live, but the same objections apply to other proposals in other parts of the borough.

4211/01/002/DM43.4/O	B Busa	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4211/01/007/DM43.4/O	B Busa	Object	DM43.4 502	Incorrect calculation in the selection criteria for 502 (Coombe Farm)	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4212/01/007/DM43.4/O	Bhavil Vyas	Object	DM43.4 502	Incorrect calculation in the selection criteria for 502 (Coombe Farm)	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4212/01/002/DM43.4/O	Bhavil Vyas	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4213/01/008/DM43.4/O	Mr & Mrs DB Good	Object	DM43.4 502	<p>Proposed Policy DM43 Creation of Gypsy /Traveller sites at Coombe Farm, off Oaks Road, and Coombe Lodge Nurseries, off Conduit Lane I object to the use of any of these locations for the creation of Gypsy/Traveller sites. All three locations are within the Green Belt and one borders a site of Nature Conservation Interest. Such development is in breach of Policy Eat Planning Policy for Traveller Sites, which says that 'Traveller Sites (temporary or permanent) in the Green Belt are inappropriate development'. All three sites are also a considerable distance from public services. I believe that the proposal to create three new Gypsy/Traveller sites now, and 39 by 2036 is excessive and will have an adverse effect on the borough. If the number of Gypsy/Traveller sites really needs to be increased by this amount then a more appropriate location would be around the existing site at Purley Way. The positioning of a Gypsy/Traveller site adjacent to the car park for Coombe Woods, between the Chateau Restaurant and the Hotel/restaurant, is totally undesirable. As users of the restaurants, gardens, park and golf course it would be hard to imagine we will wish to visit these attractions if it is blighted in this way. As members of Shirley Park Golf Club we have experienced threatening behaviour, trespass verbal abuse and stonishing residual mess travellers create. The golf club provides social and sporting activity for some 700 members and many visitors including junior players who play during school holidays and weekends. Their safe environment will be endangered. We understand that the proposed sites fail to meet criteria with regard to schooling and medical needs and it seems obvious that these proposals need to be scrapped as soon as possible.</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>

502

I object to the use of the site for  
gypsy and traveller accommodation.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

---

- It is in a green belt area. National guidelines say that travellers! gypsy sites in the greenbelt are inappropriate development. Even if the properties are demolished to provide for the pitches there will still be a large spill over into the green belt. This means that planning permission should not be available.

- The site is on a single track lane with a very narrow access onto Oaks Road which the large mobile homes will not be able to access. The lane is also used by aggregate lorries (shorter than mobile homes), local residents, members of the sports ground and opposing teams and visitors to Lloyd Park.

- The site has no safe walking routes to schools, shops, doctors etc. There is no pavement along Oaks Lane and very poor lighting when dark. There is only partial pavement on one side of Oaks Road as well. The safeguard of so many additional people including a great number of children must make this site un-feasible. This is unsustainable as everyone will have to use cars to access everything involved in their day to day lives.

- The size of the pitches would accommodate a far greater number of caravans that can be controlled by planning restrictions. Even if the restrictions are adhered to, there could be as many as three families on each pitch. This equates to 60 possible families, 60 mobile homes, with additional tow trucks, vans, trailers and cars.

- National guidelines state that the site should not overwhelm the next nearest settlement. The residents of Oaks Farm, Oaks Road and Oaks Lane (all in isolated positions) would certainly be overwhelmed. We are also concerned about conflict between Romany Travellers and Irish Travellers.

- There is a long history of planning refusals and avoidance of planning permissions at Coombe Farm. Reasons for this should be re-visited.

- Oaks Farm is the adjacent property to Coombe Farm and whenever travellers are in the vicinity this local wedding business is adversely affected. Local businesses should be supported in many ways including the surrounding environments use.

- Shirley Park Golf Club is another local business that I believe has been adversely affected by travellers' presence. In this instance through verbal and physical abuse to club members.

This is not acceptable and must be considered as part of this objection. We understand the proposed sites are not within the required distance to both schooling and medical needs,

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

therefore am objecting on that basis also. The land is in private ownership at Coombe Farm, and any funds spent on "compulsory or otherwise purchase" could surely be better spent on behalf of the population of Croydon.

4223/01/007/DM43.4/O	Mrs Mary Lane	Object	DM43.4 502	I object to the use of the following locations as gypsy/traveller sites: Coombe Farm off Oaks Road reference number 502 - As the Council acknowledges, all three of these sites are in the Green Belt and one of them borders a Site of Nature Conservation Interest. Policy E of Planning Policy for Traveller Sites, published by the Government in August, says very clearly: "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development. The Council's approach is clearly in breach of that policy. All three sites are also some distance from public services and they are all in the same part of the borough (two are in Heathfield ward, one just over the border in Croham). Why has Heathfield been singled out in this way? If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Putley Way where the existing site is).	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4228/01/002/DM43.4/O	Sheila Newman	Object	DM43.4 502	I am a Croydon resident and am writing to object to the use of the following locations as gypsy and traveller sites: Coombe Lodge Nurseries off Conduit Lane, site reference number 661. policy number DM44: and Coombe Farm off Oaks Road, site reference number 502. policy number DM43 Pear Tree Farm and Pear Tree Farm Cottage on Featherbed Lane, site reference number 755, policy number DM32. All three sites are in the Green Belt, with one bordering a site of Nature Conservation. The proposed use of each of these sites would constitute inappropriate development in the Green Belt and would not comply with Policy 5P2.7a and SP2.7b and would not be consistent with Policy E of 'Planning Policy for Traveller Sites' published by the Government. If additional sites are required in the Borough it would more appropriate to expand existing sites eg the site off the Purley Way. In addition none of the sites has easy access to local school, healthcare, retail and other amenities; the vehicular access into sites 661 and 502 is problematic and egress onto Coombe Lane/Oaks Road at the road junction is likely to create additional road hazards.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Object	Soundness - Justified	DM43.4 502	<p>Coombe Farm Site (ref. no. 502) This is also located in a Green Belt area. Under National Guidelines, Travellers/Gypsy sites in the Green Belt are inappropriate development. Even if properties are demolished to provide space for the pitches, there will be a significant overspill into the Green Belt. This means that planning permission should not be granted.</p> <p>2. The site is situated on a single track lane with a very narrow access onto Oaks Road which the large mobile homes will not be able to access. The lane is also used by aggregate Lorries (shorter than mobile homes), local residents, members of the sports ground and opposing teams and visitors to Lloyds Park, a much loved and cherished public amenity.</p> <p>3. The site offers no safe walking route to schools, shops, doctors, etc. There is no pavement along Oaks Lane and very poor lighting when dark. There is only partial pavement on one side of the road along Oaks Road as well. It will not be possible to safeguard so many additional people including a great number of children. This development is unsustainable as everyone will have to use cars to access the basics of life.</p> <p>4. The size of the pitches would accommodate for a greater number of caravans than can be controlled by planning restrictions. Even if the restrictions are adhered to, there could be as many as three families on each pitch. With planning for 20 pitches this would mean 60 families and 60 mobile homes, not to mention additional caravans in tow, trucks, vans, trailers and cars.</p> <p>5. According to National Guidelines, the site should not overwhelm the next nearest settlement. However the residents of Oaks Farm, Oaks Road and Oaks Lane, which are all in isolated positions, would certainly be overwhelmed. It will not be possible to attain social cohesion with the local residents. Residents are also gravely concerned about conflicts between Romany Travellers and Irish Travellers.</p> <p>6. There is a long history of planning application refusals and avoidance of planning permission at Coombe Farm. The reasons for this should be re-visited.</p> <p>7. Oaks Farm is the adjacent property to Coombe Farm. The presence of Travellers in the vicinity has an adverse effect on the businesses</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
--------	-----------------------	---------------	--	--------	---

located in that area and will also adversely affect the numerous suppliers and staff that are reliant on those businesses.

B. Shirley Park Golf Club is also affected by these proposals and have written separately on many different aspects of flaws in the Planning proposals, including misuse of MOL Policies. They have also added this regarding both sites:

The history of unauthorised "pitches" in this area over the past few years has left a bitter resentment, especially in view of the residual mess and threatening behaviour that has always accompanied their trespass. On each occasion that Gypsies/Travellers have been in the area, the club members here have been threatened with physical and verbal abuse. This behaviour is totally unacceptable and despite the subsequent eviction of the Travellers on each occasion, the residual psychological effect on tax payers and constituents' lives cannot be trivialised. We also have a large Junior Section and children play the course during holidays as well as weekends. They are often unaccompanied and the parents need to know they are in a safe environment. This would certainly not be the case in the parents' minds if there was any chance of aggressive behaviour, as previously experienced, towards these children. I am certain that the Council would not wish to be responsible for putting children in any sort of potentially dangerous situation.

Surely these detailed real issues must be taken into account when determining any permanent site. I understand that the proposed sites are not within the required distance to both schooling and medical needs, therefore I

also object on this basis. The land is in private ownership at Coombe Farm. Any funds spent on "compulsory or otherwise" purchase clearly could be spent more wisely on behalf of the population of Croydon. No doubt Central Grants will be available, but Council owned land in an area that will not radically impact on established residents' lives would be a sensible and prudent choice.

5. Proposed Policy DM43 Creation of Gypsy / Traveller sites at Coombe Farm, off Oaks Road, Coombe Lodge Nurseries, off Conduit Lane and Pear Tree Farm and Pear Tree Cottage Featherbed Lane.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

I object to the use of any of these locations for the creation of Gypsy/Traveller sites. All three locations are within the Green Belt and one borders a site of Nature Conservation Interest. Such development is in breach of Policy E10 Planning Policy for Traveller Sites, which says that 'Traveller Sites (temporary or permanent) in the Green Belt are inappropriate development'. All three sites are also a considerable distance from public services. I believe that the proposal to create three new Gypsy/Traveller sites now, and 39 by 2036 is excessive and will have an adverse effect on the borough. If the number of Gypsy/Traveller sites really needs to be increased by this amount then a more appropriate location would be around the existing site at Purley Way. The positioning of a Gypsy/Traveller site adjacent to the car park for Coombe Woods, between the Chateau Restaurant and the Hotel/restaurant, would probably deter me from using any of these attractions.

For the reasons given above:

1. I do not think that the preferred approach is the most appropriate for Croydon to help us meet our Strategic Objectives set out in Section 3.
2. The preferred approach is deliverable, but not acceptable.
3. I do not think the preferred approach enables sustainable development, because it will compromise the ability of future generations to meet their own needs.
4. I recommend that consultation documents of such importance are given much wider publicity.

I have restricted my objections to those plans that primarily affect the area of Shirley I which I live, but the same objections apply to other proposals in other parts of the borough.

4237/01/002/DM43.4/O	Jagdish Patel	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. RE: Objection to Croydon Local Plan (Ref.502)— Coombe Farm Oaks Road as a prpuosed Traveller I Gypsy site

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

I wish to strongly object to Croydon Council's proposal to site a Gypsy / Traveller site at Coombe Farm. There are numerous reasons for my objection; including:

- The Coombe Farm site is in designated Green Belt and as a result should not be developed. The Government's Planning Policy for Traveller Sites (published August 2015) states:
  - o "Traveller sites (temporary or permanent) in the Green Beft are inappropriate development"
- The site is close to Coombe Wood and Park which is enjoyed by many visitors each day, including the very young. It has a very good Café. These tranquil amenities will be spoilt by the influx of Traveller/Gypsy families who would have access to the Park and Woodland making it a no go area for other Families.
- The site is close to the other proposed Traveller/Gypsy site 661 in Conduit Lane. This will attract an exchange of visits of the occupants from both sites, regularly visiting one another, and also increasing Traveller/Gypsy visitors to the Park.
- Potential for extra litter / fly tipping both in Oaks Road and in the Park/Woodland in Conduit Lane.
- Travellers/Gypsy's form the 2 sites would dominate the current Parking Bays adjacent to the Park entrance making it impossible for the general public to park
- All three of Croydon Council's proposed Gypsy / Traveller sites we within a 3 mile radius of one another and in adjacent wards. This is unfair and inequitable for those living in the area
- There is already a shortage of local school places
- Doctor surgeries — same as above
- How will Croydon Council control & monitor official number of travellers — could easily be overrun
- How will they police the area as there is already very little police presence in the area (and even less going forward).
- The traffic using Oaks Road would increase causing additional waiting time to enter into Coome Lane and to cross over the lights at the Tram fackjunction.

4261/01/002/DM43.4/O	Mr B Pope	Object		DM43.4 502	I object to the use of the site for gypsy and traveller accommodation. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4301/01/002/DM43.4/O	Mr K MacKenzie	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

5. Proposed Policy DM43 Creation of Gypsy / Traveller sites at Coombe Farm, off Oaks Road, Coombe Lodge Nurseries, off Conduit Lane and Pear Tree Farm and Pear Tree Cottage Featherbed Lane.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

I object to the use of any of these locations for the creation of Gypsy/Traveller sites. All three locations are within the Green Belt and one borders a site of Nature Conservation Interest. Such development is in breach of Policy E10 Planning Policy for Traveller Sites, which says that 'Traveller Sites (temporary or permanent) in the Green Belt are inappropriate development'. All three sites are also a considerable distance from public services. I believe that the proposal to create three new Gypsy/Traveller sites now, and 39 by 2036 is excessive and will have an adverse effect on the borough. If the number of Gypsy/Traveller sites really needs to be increased by this amount then a more appropriate location would be around the existing site at Purley Way. The positioning of a Gypsy/Traveller site adjacent to the car park for Coombe Woods, between the Chateau Restaurant and the Hotel/restaurant, would probably deter me from using any of these attractions.

For the reasons given above:

1. I do not think that the preferred approach is the most appropriate for Croydon to help us meet our Strategic Objectives set out in Section 3.
2. The preferred approach is deliverable, but not acceptable.
3. I do not think the preferred approach enables sustainable development, because it will compromise the ability of future generations to meet their own needs.
4. I recommend that consultation documents of such importance are given much wider publicity.

I have restricted my objections to those plans that primarily affect the area of Shirley I which I live, but the same objections apply to other proposals in other parts of the borough.

4308/01/007/DM43.4/O	Mrs Kathleen Swan	Object	DM43.4 502	<p>I understand the Council has identified two locations on the edge of Shirley for gypsy/traveller sites: Coombe Farm off Oaks Road, which is identified as suitable for 15-20 pitches (pages 449- 450, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Padial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals, reference number 502)</p> <p>I object to the use of either of these locations as gypsy/traveller sites. As the Council acknowledges, they are both in the Green Belt and one of them borders a Site of Nature Conservation Interest. The Council's approach is clearly in breach of that policy. Both sites are also some distance from public services. If the Council really needs, as it claims, to quadruple the number of gypsy/traveller sites in the borough - which I would question - they should look elsewhere (for example, off the Purley Way where the existing site is).</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
----------------------	-------------------	--------	---------------	---	--------	---

4309/01/009/DM43.4/O	Mrs Rita Evans	Object	DM43.4 502	<p>The proposals for two Gypsy and Traveller sites on Green Belt land at the periphery of Shirley is in direct contravention of the Government's Planning Policy for Traveller Sites which clearly states that such are 'inappropriate development' in the Green Belt. It has been stated that any such sites must be for true Travellers. Planning Resource highlights that the new Planning Policy document published in August 2015 redefines Traveller to exclude those who no longer travel permanently, thus avoiding the need for static homes which has greatly reduced the number of pitches that Councils are required to provide. Could this be a long-term strategy to de-designate Green Belt land, then when it is under-used, claim it for housing?</p>	Change	<p>The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.</p>
----------------------	----------------	--------	---------------	--	--------	---

4315/01/002/DM43.4/O	Mr M Buja	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4315/01/007/DM43.4/O	Mr M Buja	Object	DM43.4 502	Incorrect calculation in the selection criteria for 502 (Coombe Farm)	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4316/01/002/DM43.4/O	Mr M Ogarwu	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4318/01/002/DM43.4/O	Mr M Gooch	Object	DM43.4 502	Incorrect calculation in selection criteria for site 661 and 502. If site is in Green Belt/MOL built form then it is marked as Amber/Orange which means a score of -5, +5 has been used which increase the rating by 10 points.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4320/01/006/DM43.4/O	Mr N Turnbull	Object		DM43.4 502	I am writing to object to: 1. the use of the following locations as gypsy and traveller sites: Coombe Lodge Nurseries off Conduit Lane, site reference 661; Coombe Farm off Oaks Road, site reference 502; as both sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b Incorrect calculation in the second criteria for 661 (Conduit Lane) and 502 (Coombe Farm) - if a site is green Belt/MOL - built form then it is marked as (Amber/organce), which means it is a score of "-5". "+5" has been used which increases its rating by 10 points. Incorrect calculating site access for 661: there are cars parked on that road and the entrance is through a very busy main road. The site cannot have a rating of "+5". It should be -2. That's a difference of 7 rating points.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4327/01/008/DM43.4/O	Mrs J Furmanska	Object	Soundness - Justified	DM43.4 502	I object to 4. the use of the following locations as gypsy/traveller sites a) Ref No. 502 — Coombe Farm off Oaks Road b) Ref No. 661 — Coombe Lodge Nurseries off Conduit Lane	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4330/01/002/DM43.4/O	Mr K Shah	Object		DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4331/01/002/DM43.4/O	Mr N Chanuarana	Object		DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4331/01/007/DM43.4/O	Mr N Chanuarana	Object	DM43.4 502	Incorrect calculation in the selection criteria for 502 (Coombe Farm)	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4332/01/006/DM43.4/O	Ms P Allen	Object	DM43.4 502	I am writing to object to the use of the following locations as gypsy and traveller sites at Coombe Lodge Nurseries off Conduit Lane, site reference 661 and Coombe Farm off Oaks Road, site reference 502; as both sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b;	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4333/01/002/DM43.4/O	Mr P Bhanji	Object	DM43.4 502	I am a Croydon resident and am writing to object to the use of the following locations as gypsey and traveller sites: Coombe Lodge Nurseries off Conduit Lane, site reference number 661. policy number DM44: and Coombe Farm off Oaks Road, site reference number 502. policy number DM43 Pear Tree Farm and Pear Tree Farm Cottage on Featherbed Lane, site reference number 755, policy number DM32. All three sites are in the Green Belt, with one bordering a site of Nature Conservation. The proposed use of each of these sites would constitute inappropriate development in the Green Belt and would not comply with Policy 5P2.7a and SP2.7b and would not be consistent with Policy E of 'Planning Policy for Traveller Sites' published by the Government. If additional sites are required in the Borough it would more appropriate to expand existing sites eg the site off the Purley Way. In addition none of the sites has easy access to local school, healthcare, retail and other amenities; the vehicular access into sites 661 and 502 is problematic and egress onto Coombe Lane/Oaks Road at the road junction is likely to create additional road hazards.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4334/01/006/DM43.4/O	Mr P Chapman	Object	DM43.4 502	am writing to object to the use of the following locations as gypsy and traveller sites at Coombe Lodge Nurseries off Conduit Lane, site reference 661 and Coombe Farm off Oaks Road, site reference 502; as both sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b;	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4337/01/002/DM43.4/O	Mr P Nesbeth	Object	DM43.4 502	I am writing to object to the use of Coombe Farm off Oaks Road, site reference 502 as gypsy and traveller site as this site would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4339/01/002/DM43.4/O	Mr R Indheuser	Object	DM43.4 502	Incorrect calculation in selection criteria for site 661 and 502. If site is in Green Belt/MOL built form then it is marked as Amber/Orange which means a score of -5, +5 has been used which increase the rating by 10 points.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4340/01/007/DM43.4/O	Mr R Spurgeon	Object	DM43.4 502	Incorrect calculation in the selection criteria for 502 (Coombe Farm)	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4340/01/002/DM43.4/O	Mr R Spurgeon	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4342/01/007/DM43.4/O	Mr R Patel	Object	DM43.4 502	Incorrect calculation in the selection criteria for 502 (Coombe Farm)	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4342/01/002/DM43.4/O	Mr R Patel	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4343/01/006/DM43.4/O	Mr R Venuatakrisna	Object	DM43.4 502	I am writing to object to: 1. the use of the following locations as gypsy and traveller sites: Coombe Lodge Nurseries off Conduit Lane, site reference 661; Coombe Farm off Oaks Road, site reference 502; as both sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4345/01/006/DM43.4/O	Messrs Eccles & Hivdess	Object	DM43.4 502	I am writing to object to: 1. the use of the following locations as gypsy and traveller sites: Coombe Lodge Nurseries off Conduit Lane, site reference 661; Coombe Farm off Oaks Road, site reference 502; as both sites would constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b;	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4347/01/002/DM43.4/O	Mr S Patel	Object	DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4360/01/002/DM43.4/O	Susana Winter	Object	DM43.4 502	Gypsy and Traveller use is not appropriate development in the Green Belt and would not comply with Policy SP2.7. There is also an error in the scoring for this site in the evidence base.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
4363/01/002/DM43.4/O	Mrs Sarah Moise	Object	DM43.4 502	I object to the use of Coombe Farm off Oaks Road, Site 502 as a Gypsy and Traveller site.  This site should constitute inappropriate development in the Green Belt and would not comply with Policy SP2.7a and SP2.7b.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

5. Proposed Policy DM43 Creation of Gypsy / Traveller sites at Coombe Farm, off Oaks Road, Coombe Lodge Nurseries, off Conduit Lane and Pear Tree Farm and Pear Tree Cottage Featherbed Lane.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

We object to the use of any of these locations for the creation of Gypsy/Traveller sites. All three locations are within the Green Belt and one borders a site of Nature Conservation Interest. Such development is in breach of Policy E10 Planning Policy for Traveller Sites, which says that 'Traveller Sites (temporary or permanent) in the Green Belt are inappropriate development'. All three sites are also a considerable distance from public services. I believe that the proposal to create three new Gypsy/Traveller sites now, and 39 by 2036 is excessive and will have an adverse effect on the borough. If the number of Gypsy/Traveller sites really needs to be increased by this amount then a more appropriate location would be around the existing site at Purley Way. The positioning of a Gypsy/Traveller site adjacent to the car park for Coombe Woods, between the Chateau Restaurant and the Hotel/restaurant, would probably deter me from using any of these attractions.

For the reasons given above:

1. I do not think that the preferred approach is the most appropriate for Croydon to help us meet our Strategic Objectives set out in Section 3.
2. The preferred approach is deliverable, but not acceptable.
3. I do not think the preferred approach enables sustainable development, because it will compromise the ability of future generations to meet their own needs.
4. I recommend that consultation documents of such importance are given much wider publicity.

I have restricted my objections to those plans that primarily affect the area of Shirley I which I live, but the same objections apply to other proposals in other parts of the borough.

5. Proposed Policy DM43 Creation of Gypsy / Traveller sites at Coombe Farm, off Oaks Road, Coombe Lodge Nurseries, off Conduit Lane and Pear Tree Farm and Pear Tree Cottage Featherbed Lane.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

I object to the use of any of these locations for the creation of Gypsy/Traveller sites. All three locations are within the Green Belt and one borders a site of Nature Conservation Interest. Such development is in breach of Policy E10 Planning Policy for Traveller Sites, which says that 'Traveller Sites (temporary or permanent) in the Green Belt are inappropriate development'. All three sites are also a considerable distance from public services. I believe that the proposal to create three new Gypsy/Traveller sites now, and 39 by 2036 is excessive and will have an adverse effect on the borough. If the number of Gypsy/Traveller sites really needs to be increased by this amount then a more appropriate location would be around the existing site at Purley Way. The positioning of a Gypsy/Traveller site adjacent to the car park for Coombe Woods, between the Chateau Restaurant and the Hotel/restaurant, would probably deter me from using any of these attractions.

For the reasons given above:

1. I do not think that the preferred approach is the most appropriate for Croydon to help us meet our Strategic Objectives set out in Section 3.
2. The preferred approach is deliverable, but not acceptable.
3. I do not think the preferred approach enables sustainable development, because it will compromise the ability of future generations to meet their own needs.
4. I recommend that consultation documents of such importance are given much wider publicity.

I have restricted my objections to those plans that primarily affect the area of Shirley I which I live, but the same objections apply to other proposals in other parts of the borough.

5 Proposed Policy DM43 Creation of Gypsy/Traveller sites at Coombe Farm, off Oaks Road, Coombe Lodge Nurseries, off Conduit Lane and Pear Tree Farm and Pear Tree Cottage, Featherbed Lane  
Policy DM43, reference 502 Coombe Farm reference 661 Coombe Lodge Nurseries and reference 755 Pear Tree Farm and Pear Tree Cottage. I object to the use of any of these locations for the creation of Gypsy/Traveller sites. All three locations are within the Green Belt and one borders a site of Nature Conservation Interest. Such development is in breath of Policy B of Planning Policy for Traveller Sites, which says that "Traveller Sites (temporary or pennant) in the Green Belt are inappropriate development". All three sites are also a considerable distance from public services. I believe that the proposal to create three new Gypsy/Traveller sites now, and 39 by 2036 is excessive and will have an adverse effect on the borough. If the number of Gypsy/Traveller sites really needs to be increased by this amount, then a more appropriate location would be around the existing site at Purley Way. The positioning of a Gypsy/Traveller site adjacent to the car park for Coombe Woods, between the Chateau Restaurant and the Hotel/restaurant, would deter me from using any of these local amenities.

For the reasons given above:

1. I do not think that the preferred approach is the most appropriate for Croydon to help us meet the Strategic Objectives set out in Section 3.
2. The preferred approach is deliverable, but not acceptable.
3. I do not think the preferred approach enables sustainable development, because it will compromise the ability of future generations to meet their own needs.
4. I recommend that consultation documents of such importance are given much wider publicity.

I have restricted my objections to those plans that primarily affect the area of Shirley in which I live, but the same objections apply to other proposals in other parts of the borough.

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

4374/01/002/DM43.4/O	Tracey Plummer	Object		DM43.4 502	I object to the use of the site for gypsy and traveller accommodation.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

7284/01/005/DM43.4/O	Dr I Jayamanne	Object	Soundness - Justified	DM43.4 502	I wish to protest vehemently about your plans to destroy Shirley which is a village by building hundred of homes and setting up a Gypsy and Traveller site. You will destroy the Green Belt and increase the traffic in the area thus polluting the environment and the air we breathe.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

7286/01/001/DM43.4/O	Miss Jenna Manji	Object	Soundness - Consistent with National DM43.4 502	<p>I am writing to object to the use of the following locations as gypsy/traveller sites:</p> <ul style="list-style-type: none"> <li>• Coombe Farm off Oaks Road reference number 502; and</li> <li>• Coombe Lodge Nurseries off Conduit Lane reference number 661;</li> </ul> <p>These proposals will have a detrimental effect on the settled community and in no way do they take into consideration the 2008 DCLG Designing Gypsy and Traveller Sites: Good Practice Guide, point 3.8, which states 'Consideration must be given to the relationship of sites to the surrounding community. The last time travellers settled in that area my nieces and nephews were confronted by gypsy kids and my sister's property was trespassed by the gypsies who stole her kids' bikes and scooters. So I can vouch for the fact that having gypsies permanently in the area is not good consideration of the relationship of the site to the community already living there. Furthermore, if the Council were not willing to develop the Green Belt land to build more beautiful homes in line with the properties already in the area, how is it possible that there is now a proposal to create gypsy and traveller sites in the area and burden the area and the community there with all that comes with travellers such as anti-social behaviour and loud noise and to top it off destroy the current property prices? I am strongly opposed to this proposal and feel that the gypsy site in Purley Way should be extended to house the more space needed gypsies and travellers there.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

---

7300/01/008/DM43.4/O	Ann & Alan Gibbs	Object	DM43.4 502	<p>Both of these sites have been identified as potential locations for gypsy/traveller sites. These sites are both within the Green Belt and one borders a site of Nature Conservation Interest and therefore are wholly unsuitable for any form of development. The Government policy on traveller sites explicitly states they are an inappropriate development within the Green Belt. The existing Green Belt should be retained and not be undermined by the local authority.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
----------------------	------------------	--------	---------------	---	--------	--

---

7304/01/008/DM43.4/O	Mr Ian Fraser	Object	Soundness - Justified	DM43.4 502	The proposed use of land to create gypsy/traveller sites (reference 502 and 661) is particularly unwelcome. Residents and the council have bitter experience of disruption and the waste left by travellers when they have visited Croydon. Any encouragement of this situation should be avoided, as it will encourage additional travellers to come to our town.	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
7308/01/007/DM43.4/O	Mr John Carley	Object	Soundness - Justified	DM43.4 502	I object to the proposed use of the following locations as gypsy/traveller sites; at Coombe Farm (off Oaks Road) ref Number 502 and at Coombe Lodge Nurseries (off Conduit Lane) ref Number 661. The areas proposed are completely unsuitable for the proposed purpose being adjacent to the Tram link, Lloyd Park, Golf Course, Recreational Woodland, Ornamental Park, School and Small Businesses. Both proposed sites are in the Green Belt and one borders a Site of Nature Conservation interest. Government Policy E of Planning Policy for Traveller Sites states that "Traveller sites (temporary or permanent) in the Green Belt are inappropriate development".	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
7310/01/001/DM43.4/O	Mr John Mathers	Object		DM43.4 502	We have seen information suggesting that 3 Traveller sites maybe placed around the Forestdale and Shirley Areas, and also plans to Intensify the Housing of Forestdale! We believe the plans for Traveller sites are wholly unfair and building on land which is Green Belt is inappropriate development. Policy E of Planning for Traveller Sites, published by the Government in August indeed states this also. The building of such sites would also be hugely detrimental to house values, and totally unacceptable. We completely object to this so these plans need to be scrapped NOW!	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
7314/01/006/DM43.4/O	P L Johnson	Object		DM43.4 502	I wish to object to the use of the following sites: The use of Coombe Farm for a gypsy/traveller site. Such sites become eyesores and would seriously affect Coombe Farm as a useful wedding centre and to some extent the gold course (Ref 502)	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

7323/01/002/DM43.4/O	Mrs L Woods	Object	DM43.4 502	<p>In particular I have grave concerns about the choice of location for the proposed gypsy and traveller sites and also the building of 750 new homes at Shirley Oaks Village. The local schools are already struggling to cope with ever increasing numbers of children, and the journey from Shirley into Croydon can be extremely congested at peak times.</p> <p>The extra traffic generated by the proposals would cause misery in my opinion. The loss of green spaces in the proposed areas of development would also be most detrimental. I would therefore urge Croydon Council to consider and respect the very real concerns and fears of the majority of residents in the Shirley area.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
----------------------	-------------	--------	---------------	---	--------	--

7326/01/002/DM43.4/O	Mrs Parveen Majeed	Object	DM43.4 502	<p>I am writing to object to the use of the following locations as gypsy/traveller sites: Coombe Farm off Oaks Road reference number 502; and Coombe Lodge Nurseries off Conduit Lane reference number 661;</p> <p>I am so upset to hear of these proposals for my family living close by to Coombe Farm. My daughter who lives in Scotland was also living close to gypsies and every single day she had a different problem. They steal, they fight, they make so much noise and they throw their rubbish all over the place and they have rough dogs who bark at everyone. We stopped visiting her because it was too much trouble.</p> <p>This area you are choosing is so nice and quiet, so clean and pretty. Why would you chose to ruin it with traveller sites. This is a most stupid decision and also very thoughtless to the people who live in that area. They will have to build 6 feet high walls all around their homes. Is the council going to pay for the extra security needed? I cannot stress enough how much I am against this proposal.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
----------------------	--------------------	--------	---------------	---	--------	--

Object Soundness - DM43.4  
Consistent 502  
with National

I am writing to object to the use of the following locations as gypsy/traveller sites:

- Coombe Farm off Oaks Road reference number 502; and
- Coombe Lodge Nurseries off Conduit Lane reference number 661;

I am strongly against these proposals for a number of reasons. Both the proposed sites are on Green Belt land and as such are inappropriate and harmful to the land. The area is pretty and supports plenty of wildlife which we love discovering with the grandchildren. The effect on the community already settled in that area, which includes my daughter and grandchildren, will be detrimental in many ways. I fear for their safety and security if this proposal were to be passed as the gypsies have tried to settle their before. My grandchildren were bullied and my daughter experienced vandalism to her property and theft from the garden. I cannot begin to imagine what it might be like if the travellers became permanent residents in the Coombe Farm and Coombe Lodge area. It would be disastrous. How can you think of placing a gypsy and traveller site in Conduit Lane, in the green belt, next to the award winning Coombe Wood Gardens? That place would be ruined within a very short space of time. If gypsies began frequenting the Coombe Wood it would mean that elderly people such as myself would no longer feel safe taking our grandchildren to the gardens and that would be a huge loss for us in so many ways. I urge you to re-think and place the gypsies and travellers in areas that would be better suited to them and would less infringe upon the lives of already settled and happy communities.

Change

The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

7330/01/001/DM43.4/O	Deborah Davis	Object	Soundness - Justified	DM43.4 502	<p>am writing to object to Reference Numbers 502 and 661— Location of Gypsy and Travellers sites in Coombe Lane and Coombe Lodge Nurseries. The reasons of my objections are as follows:</p> <ul style="list-style-type: none"> <li>• They are being built in Green Belt areas.</li> <li>• The sites are built on single track lanes but in your document you state “In addition Gypsy and Traveller sites need good access to the road network as they often need to move larger vehicles as part of their livelihood and way of life” . Neither has good access especially for larger vehicles, If there are to be 39 pitches with at least 2 families on each pitch and an average of 3 vehicles per family that is 234 vehicles. I don't think you could park that many vehicles in these sites let alone access on a one vehicle wide road.</li> <li>• I really do not believe these pitches are within the required distance of schools, doctors, shops.</li> <li>• I understand that Croydon wishes to increase Travellers sites fourfold yet I have seen no explanation why that number is used.</li> </ul>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
7333/01/001/DM43.4/O	Gisela & Patrick Pachebat & Maguire	Object		DM43.4 502	<p>We are objecting very strongly to a gypsy and traveller site in Conduit Lane and at Coombe Farm. Both sites are green belt and should not be used for any other purposes. You should listen to all the objections of all the people living around these sites. We can not understand why the council has to pick sites in South Croydon when other places would be much more suitable.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
8812/01/002/DM43.4/O	P A J Galhia	Object	Soundness - Justified	DM43.4 502	<p>Oaks Farm as an alternative site situated between a public path and much loved public woodland is not much better than Coombe Lodge Nurseries as a site for Gypsy and Traveller pitches.</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
8818/01/002/DM43.4/O	Owner of <i>Royal Garden Chinese Bar Restau</i>	Object		DM43.4 502	<p>Object to the te Travellers site as it would be in be in a Green Belt and in breach of government guidance and there would be no services local to the area</p>	Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.

8822/01/010/DM43.4/O	Mrs M Davies	Object	DM43.4 502	I object to the following: - The use of the site at Coombe Farm for a gypsy traveller site (502) - The use of the site at Coombe Lodge for a gypsy traveller site (661)		Change	The site is in private ownership and the land owners have indicated they would not be interested in developing it as a Gypsy and Travellers site. As the deliverability of this site for Gypsy and Travellers would now be difficult it will no longer be considered for this use.
0115/04/009/DM43.4/O	Mr Bob Sleeman	Object	DM43.4 504	I am therefore writing to formally object to: the use of the following five sites for housing:- □ Stroud Green Pumping Station, 140 Primrose Lane reference number 504; If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces. Building housing on them would mean the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of this part of Shirley. As far as I can see, these are the only bits of Metropolitan Open Land in the whole borough which the Council is proposing to de-designate and allow housing to be built on. Why has Shirley Oaks been singled out in this way?		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
0120/02/025/DM43.4/O	<i>Addiscombe Residents Associatio</i>	Object	DM43.4 504	If the Council will not keep them as Metropolitan Open Land, the five sites should at least be designated as Local Green Spaces and not used for housing.	The site should be Local Green Space.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

0122/05/003/DM43.4/O	Mrs Hilary Chelminski Addiscombe & Shirley Park RA	Object	Soundness - Justified DM43.4 504	<p>I am therefore writing to formally object to:</p> <p>1.de-designation of the Metropolitan Open Land around Shirley Oaks Village;</p> <p>2.the use of the following five sites for housing:</p> <ul style="list-style-type: none"> <li>•land at Poppy Lane reference number 128;</li> <li>•Stroud Green Pumping Station, 140 Primrose Lane reference number 504;</li> <li>•land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House reference number 541;</li> <li>•land to the west of Shirley Oaks Road reference number 542; and</li> <li>•land to the rear of 5-13 Honeysuckle Gardens reference number 548.</li> </ul> <p>If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces. Building housing on them would mean the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of this part of Shirley. As far as I can see, these are the only bits of Metropolitan Open Land in the whole borough which the Council is proposing to de-designate and allow housing to be built on. Why has Shirley Oaks been singled out in this way?</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
0391/02/017/DM43.4/O	Mrs Mira Armour HOME Residents Associaton	Object	DM43.4 504	<p>De-designation of the Metropolitan Open Land bordering Addiscombe Place (around Shirley Oaks Village) – OBJECT</p> <p>If the Council will not keep them as Metropolitan Open Land, the five sites should at least be designated as Local Green Spaces and not used for housing:</p> <p>Ref 128: Land at Poppy Lane Ref 504: Stroud Green Pumping Station, 140 Primrose Lane Ref 541: Land east of Shirley Oaks Road and to the rear of Beech House and Ash House, Shirley Oaks Road Ref 542: Land to west of Shirley Oaks Road, Shirley Oaks Road Ref 548: Land to rear of, 5-13 Honeysuckle Gardens</p>	designate as Local Green Spaces and not use for housing No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

0391/01/017/DM43.4/O	Mrs Mira Armour <i>HOME Residents Associaton</i>	Object		DM43.4 504	De-designation of the Metropolitan Open Land bordering Addiscombe Place (around Shirley Oaks Village) – OBJECT If the Council will not keep them as Metropolitan Open Land, the five sites should at least be designated as Local Green Spaces and not used for housing: Ref 128: Land at Poppy Lane Ref 504: Stroud Green Pumping Station, 140 Primrose Lane Ref 541: Land east of Shirley Oaks Road and to the rear of Beech House and Ash House, Shirley Oaks Road Ref 542: Land to west of Shirley Oaks Road, Shirley Oaks Road Ref 548: Land to rear of, 5-13 Honeysuckle Gardens	designate as Local Green Spaces and not use for housing	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
0790/02/002/DM43.4/O	Mr Mathew Frith <i>London Wildlife Trust</i>	Object	Soundness - Justified	DM43.4 504	Whilst we welcome the approach to meeting these two Vision elements: A Sustainable City: A place that sets the pace amongst London boroughs on promoting environmental sustainability and where the natural environment forms the arteries and veins of the city A Caring City: A place noted for its safety, openness and community spirit where all people are welcome to live and work and where individuals and communities feel empowered to deliver solutions for themselves  London Wildlife Trust is concerned at the assessment undertaken to identify potential new travellers' sites (Assessment and Selection of sites for Gypsy and Travellers, Evidence for the Local Plan: Detailed Policies and Proposals (P&A Options), August 2015). It sets out criteria and scoring for the assessment of sites in Table 1.  For Green Belt/MOL: - No built form -10 - Built form -5 - Not GB/MOL +10  There is no +5 score amber or green. Yet for the GB/MOL scoring of each site in Table 5, a score in amber of +5 is sometimes used. This is incorrect as it overscores sites by 10 points (i.e. +5 when it should be -5). Therefore the accumulated site scores in Table 8.2 are incorrect.	For this site Green Belt/Metropolitan Open Land should be listed as a policy designation prohibiting further exploration of options. This means that for this should not have a positive score.	Change	The evidence base will be corrected, although this will not affect the preferred use of the site which was discounted on other grounds as being unsuitable for Gypsy and Traveller pitches.

1180/01/007/DM43.4/O	Mr & Mrs K Davenport	Object	Soundness - Justified DM43.4 504	I am horrified at the proposals regarding Shirley. There may be a need for more housing but there are alternatives and it is up to the Council to find these rather than making it easier and more profitable for builders which is what is now happening.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
1682/01/003/DM43.4/O	A Arbisman	Object	DM43.4 504	I hereby inform you of my STRONG OBJECTION to allow development on the land noted on your Policy Map 43. Ref 541; Ref 542; Ref 548; Ref 128; Ref 504 This land forms the reason why I , along with the majority of my neighbors purchased our homes. As freehold property owners we each have a shareholding in the company owning the land and do not wish for this , OUR land to be built on. We also find it unbelievable that the Council wishes to have a legal battle against 800 of its residents who not just own the land but are determined that the land keeps its 'Metropolitan Open Land ' protected status. The idea of building on these main green spaces when the existing houses were built with minimal sized gardens is disastrous , such development would obviously not just spoil the look and value of the area but would damage the health of the residents. This is the land where the residents catch the summer sun , go for walks , jog , children play , and has the most amazing natural wildlife that we all enjoy	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
1683/01/003/DM43.4/O	Balvir & Shobhna Patel	Object	DM43.4 504	I as resident of Shirley Oaks Village am against any change of our Metropolitan Land ( with protection to being built on ) being allowed as acceptable for development. I have been living in the Village for almost 30 years and paying for this land to be maintained as grass areas. We own the land as shareholder in our management company ( Once designated as Amenity Open Land and transference to our Management company.) I strongly oppose any moves to develop on these grass areas.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

1684/01/003/DM43.4/O Colin Ward	Object	DM43.4 504	<p>I am writing to express my objection to the planning proposals in the Shirley Oaks area. The land has been set aside for our use as we have very undersized gardens on the estate and we have also paid to keep those areas in a well maintained condition.</p> <p>The road around Shirley Oaks only has 2 exits as well, so would make it very congested as there are only 2 options for traffic to leave and enter and there are already a lot of problems at the Wickham Road end as people drive in and out.</p> <p>I object to the following Ref Numbers :</p> <p>Ref 541 Ref 542 Ref 548 Ref 128 Ref 504</p> <p>I would appreciate any information you could send me in relation to upcoming meeting's about the proposals.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.</p>

Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.</p>

Re your development plans 541,542,548,128 and 504. Consultation.

I am writing in response to your notices for development of the greenfield sites on the Shirley Oaks Village estate, changing the status of this land to allow development of around 700 new homes.

When I bought my house here 18 years ago, it was on the understanding that this had been designated by Croydon Council as metropolitan amenity open land, an attractive feature of the original development, important not least due to the relatively small gardens of some properties, a mixture of unit sizes in an harmonious design. Thus there is a mixture of family unit sizes and age groups at home here. For many years, I and my fellow-resident members of the Shirley Oaks Management Ltd company have contributed regularly to First Port Property Services and their predecessors under our common upkeep obligation, including provision of boundary posts at various points of these areas to ensure that visiting Travellers could not reoccupy them.

As I understand your plans, you now wish to "designate" this as non-metropolitan land, on which purchasers could build however suits their purposes. This does of course risk a complete change in the nature of our Village. I cannot pretend to understand how you can effectively cut a swathe through all of this, even if you do consider it justified. Some residents might I imagine now be considering the impact on their original investment and individual legal aspects. Against these general considerations, I would like to highlight some specific and practical concerns at the outset.

#### ROAD SAFETY

The perimeter road via Primrose Lane and Shirley Oaks Road is arguably no longer fit for purpose, increased car ownership and parking, fast through traffic including commercial and public transport all contributing. Buses on the 367 route for example frequently mount pavements to pass each other. There have been accidents, some serious, even fatal and involving elderly pedestrian residents. The road surface is nowadays subject to excessive heavy usage. Clearly, 700 new homes will surely accentuate these problems and dangers.

#### ENVIRONMENT

Your plans will effectively remove an important green-field area and with it much unique wildlife. Residents will

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

lose many of the valuable areas for walking, exercise and fresh-air, as will visitors. Any balanced village appearance and community feel to the estate will be consumed by so many new properties of different designs.

In summary many will surely feel betrayed by a Council which proposes removing green-fields against all promises. Some might also suspect that, whatever the social arguments, their interests are being sacrificed against political and ultimately commercial imperatives.

1713/02/003/DM43.4/O	Alison Connor	Object	Soundness - Justified	DM43.4 504	<p>Once the area surrounding Shirley Oaks Village is re-designated the Council plans to build 751 homes on 5 separate sites. Supposing the average house is for 4 people, 3000 people in total will move to the area. The housing will attract families - potentially half being children. The Council mention no where in their 700 page document about the building of new schools (primary and secondary) nor the building of doctor surgeries, nor the expanding of the local shopping area let alone the already stretched local road infra structure. Our local area can't cope as it is - St John's primary school has applied for an extension to cope with the current demand on its places. During rush hour buses frequently don't stop at bus stops because they are full. Traffic is often diverted down our road, Shirley Church Road, if there is an accident on Wickham Road or Gravel Hill. The dual carriage way (Shirley Park) is crawling along during rush hour. The council are planning to add another 1000 plus cars to this equation. Shirley is often described according to estate agents as leafy, popular, excellent schools. Prices reflect this. Just walking around the area people look after their houses and take pride in living here. People pay more money to live in this area. By building 751 more homes the character of the area will change completely.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.</p>

1782/01/004/DM43.4/O	Angus & Olivia Bloom	Object	Soundness - Justified	DM43.4 504	As a resident of Shirley Oaks I am writing to object the proposals for housing development on the estate and surroundings. Having lived in Shirley all of my life I would be deeply disappointed to see it change unrecognisably. I envisage the property on Shirley Oaks Road will either be demolished or surrounded by high density housing. Either eventuality will be highly detrimental. I have viewed the Detail Policies and Proposals on Croydon Councils website and object the following plans, references - Ref 128; Ref 504; Ref 541; Ref 542; Ref 548; Ref 938; Ref 502; Ref 661	Object to Site 504	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
1827/01/003/DM43.4/O	Jane & Paul Riley	Object	Soundness - Justified	DM43.4 504	Objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). Also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.	If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

Object Soundness - DM43.4  
Justified 504

I am writing to object to: 1.THE DE-DESIGNATION of the following five pieces of land as Metropolitan Open Land around Shirley Oaks Village and their proposed use as housing: Stroud Green Pumping Station, 140 Primrose Lane reference number 504; There is only one narrow very winding road which runs through the village and this could not cope safely with any additional traffic. It is single file around bends as it is and the local road infrastructure would be over-burdened. These open spaces are collectively designated as Metropolitan Open Land and it would be unacceptable to lose a link to this chain. Additionally, this area is a flood plain and there is a sink pond to the rear of Honeysuckle Gardens. There would be a detrimental effect and potential flooding of existing and planned properties. Stroud Green Pumping Station reference number 504 - this land is not only Metropolitan Open Land but it is owned by Thames Water and there is a listed building on the site currently used as offices by Thames Water. In your consultation document 'Assessment and Selection of sites for Gypsy and Travellers' you have also referred to this land as suitable for a Gypsy site, page 15 reference number 504. In the column "use proposed for site or policy designation prohibiting further exploration of option" you have failed to mention that it is also considered a site suitable for 68 homes. Which is it? Is it suitable for homes or a Gypsy site? Surely it can't be both? This is not only Metropolitan Open Land but has a listed building which Thames Water use as offices. It is also prone to flooding and in the Planning Policy for Traveller's Sites published in August 2015 it clearly says in Policy B reference 13g: do not locate sites in areas at high risk of flooding, including functional floodplains, given the particular vulnerability of caravans.

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

I am writing to voice my full-throated objections to the above proposals because of the irreparable damage it would do to the character of one of the leafier, more pleasant, parts of the borough. The council seeks de-designation of Metropolitan open land that, as a homeowner in Shirley Oaks Village, I own a share of, and it is protected by covenant. Such thoughtless destruction of our precious little green space (we were granted this Amenity Open Land in 1985 by the council due to our under-sized gardens) is obnoxious, ill-conceived and damaging to the value of our properties, as planning blight could linger for a decade. Myriad other neglected parts of the borough are far more appropriate for such massive development and would not stir up so much ire from the current residents, nor would they require the politically-expedient moving of goalposts regarding land use. Our village simply does not currently have the infrastructure nor the capacity to expand in order to cope with these proposals. There is barely enough parking space available in the village at present, so quite where up to 683 other families will park and seek recreation, I do not know. Quite how all the construction vehicles involved in such huge building works would access the proposed sites without further detriment to the quality of life of the residents is another issue I raise. We are served by one bus route that can only use small, single decker buses. The roads are too narrow for larger vehicles. How would this be overcome? Additionally, the fact that the council would seek to house the travelling community so close to the town centre, on land where in 2012 a group of them set up an illegal encampment and defecated in our woodland, beggars belief. If the council has an inexplicable legal obligation to designate land to travellers, then expand capacity at their existing sites in Beddington Lane and Featherbed Lane rather than dispersing them further across the borough into otherwise salubrious areas. I do hope that common sense prevails and that all five of the above proposals are quickly abandoned. I chose to live in this area precisely because it is not blighted by these hideous developments. I am sure that many other residents echo my sentiments.

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

DM43.4  
504

I object to the following specific proposals for the building of new homes on this site, as detailed in Changes to the Policies Map arising from Proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan, Detailed Policies & Proposals:

Policy DM43, reference Site 128 to build new homes at Poppy Lane

Policy DM43, reference Site 504 to build new homes at Stroud Green Pumping Station (including the conversion of the pumping station which is a locally-listed building)

Policy DM43, reference Site 541 & 542 to build new homes on land to the East & West of Shirley Oaks Road

Policy DM43, reference Site 548 to build new homes on land to the rear of Honeysuckle Gardens

Not only would these developments entail the loss of the green corridor between Shirley Oaks and the surrounding areas, the local road infrastructure would not be able to cope with the additional traffic. Also, the local schools are over-subscribed as well as the already-stretched social and healthcare facilities would be overloaded.

For the reasons given above:

1. I do not think that the preferred approach is the most appropriate for Croydon to help us meet our Strategic Objectives set out in Section 3.
2. The preferred approach is deliverable, but not acceptable.
3. I do not think the preferred approach enables sustainable development, because it will compromise the ability to meet the needs of future generations.
4. I recommend that consultation documents of such importance are given much wider publicity.

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

1872/01/002/DM43.4/O	Mr C Johnson	Object	DM43.4 504	<p>This land is owned by Shirley Oaks Management limited (SOML). This is the management company for the estate whose shareholders are the home owning residents. SOML owns and manages the open spaces on behalf of and for the benefit of the residents for whom the land is 'amenity open land', ie communal, recreational space. The land was transferred to SOML's ownership in 1985</p> <p>whilst the estate was under development. I believe that the developer had infringed planning regulations by reducing the sizes of the gardens included with the dwellings that it was building in order to increase the density of the housing beyond that which had been agreed with the local planning authority. The open land, which is currently being scrutinised as part of the Council's policy proposals review, was effectively, a penalty levied on the developer whereby an amount of green space was given over to SOML to own and manage as redress and compensation to the residents for skimping on the sizes of individual gardens. I am assured by a Director of SOML that the company has documentary proof of all of the above points. The residents pay a service charge that, inter alia, covers the cost of managing and maintaining these open spaces.</p> <p>SOML is bound by its covenants with the residents that this land shall be managed and maintained as communal open areas for the collective enjoyment and benefit of residents as long as the estate should be in existence. Thus, there is no scope on SOML's part for participating in any effort to develop these spaces and any attempt to develop them undermines the importance of those spaces in providing amenity open land, as previously ordered by the local Council.</p>	<p>the land is owned entirely on behalf of the resident shareholders by a resident run management company (SOML) which is bound to preserve that space and which also has a specific object in its Memorandum of Association requiring it to resist any attempt to enforce regulations or plans which impact negatively on the estate. Regardless of its covenants in this regard, I am told that SOML has no wish to develop or to allow the development of, the land in question.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.</p>

DM43.4  
504

I have just received a letter about proposals to Shirley Oaks Village open land being built upon. We have lived here happily for 13 years. We want to say we don't want houses or a gypsy site down the road. I will be writing to my local MP Gavin Barwell to defend our way of life in Shirley Oaks village. Leave our open / green spaces alone.

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

---

The proposal to build new houses in Honeysuckle Gardens does not fall within the Strategic Objectives because:-  
Objective 2: This development will not Foster an environment where existing enterprise can prosper, but will reduce enterprise  
Objective 4: This development will not reduce social, economic and environmental deprivation. It will not reduce unemployment, improve skills and education and improve environmental conditions, the development is not in keeping with the surrounding area.  
Objective 5: This development is not high quality and will not enhance the borough's natural environment but will reduce the natural environment by turning a green area into housing  
Objective 7: This development will reduce the area as a safe, healthy and cohesive community but making the area overcrowded with residential property  
Objective 10: This development will reduce the quality and accessibility of green space and nature.

If this development is undertaken it will not deliver the strategic objective.

This development will compromise the ability of future generations to meet their own needs. The development will change the outlook and community within the South Croydon area and future generation will suffer because of this. This proposed development of new housing in Honeysuckle Gardens is not within keeping of the current development within this area. Shirley comprises of large semi and detached houses with large green areas. This development is in no way in keeping with housing in the area.

Changing a green area to an area of residential housing will cause harm and reduce the outlook of the area and is not in keeping with the surrounding area

Building a travelers site will increase noise levels and ruin the character of the area and this development would overwhelm this green area.

Paragraph 64 of the National Planning Policy Framework states that permission should be refused for development of poor design that fails to take the opportunities available for improving the character and quality of an area and the way it functions.

This development would diminish the area of green fields and recreational land within the area.

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

2128/02/002/DM43.4/O	Cllr Steve O'Connell AM	Object	DM43.4 504	I object to the de-designation of Metropolitan Open Land for the purpose of house building. My objection references MOL bearing the same protection from development as the Green Belt. If the Council will not agree to maintain the MOL status, designation as Local Green Space would lessen the negative impact on the local environment. This land should not be de-designated as Metropolitan Open Land as it is a vital green corridor between Shirley Oaks and the surrounding areas, providing much loved and well used amenity space. This would total change the character of the area and have a great impact on the local road infrastructure impacting Primrose Lane.	The site should be at least designated as Local Green Space.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2131/01/002/DM43.4/O	Ronald H. Street	Object	DM43.4 504	The planning permissions proposals below I object to ref 504. If the Council will not keep the land as MOL it should at least be designated as Local Green Spaces. I am particularly concerned about the effect of local roads that the suggested development will have as, when Heron Homes built the original development some years ago they were prevented by the local council from building the number of houses now proposed because of inadequate access roads onto the estate. Under present conditions the A232 Wickham Road is particularly subject to traffic delays especially in term time. Your proposed developments would also have a detrimental effect on our already crowded local schools and doctor's surgeries.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2135/02/001/DM43.4/O	Mrs Susan Lockyer	Object	DM43.4 504	It is unrealistic to develop this land with a functional listed building in situ. The 'local character area' (in the borough character appraisal) is described as industrial estates - what does this refer to? I do not consider it deliverable therefore it will not meet the present needs, let alone future needs. There is mention of a gypsy site here - by definition of 'travellers' this is not a sustainable use of land. The transient nature means that this would be a temporary use not a sustainable one. It would have a negative impact of every single existing property thereby compromising on the needs of the current as well as future generations. This does not in anyway tick the sustainability box. Transport issues will arise with sprawl as well as social problems.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

2145/02/003/DM43.4/O	Paul Vernon & Natalie Payne	Object	DM43.4 504	I am writing to object to: The de-designation of the five pieces of land as metropolitan open land and their proposed use of housing land at poppy lane reference number 128. I feel that building more houses on the green land would totally destroy the wildlife in the area and would ruin an area of beauty, and that the one road into the village wouldn't be able to cope with more traffic as its already busy.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances.
2147/01/002/DM43.4/O	Patrick Thomas	Object	DM43.4 504	I am writing at this time to record my objections on the following basis - the use o this site , 504, for housing	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2185/01/002/DM43.4/O	Jonathan E Miller	Object	DM43.4 504	I object to ref 504 -I am writing to you with regard to the recent changes in Planning policies by Croydon Council and their impact on the designation of grass areas in Shirley Oaks Village. These areas weere formerly designated as Metropolitan Open Land and had protection form being built on . However my understanding is that these areas may now be changed to no Metropolitan Land thus allowing their use for future housing developments. As a resident of Shirley I would like to point out that our land was designated as 'Amenity Open Land ' in 1985 by Croydon Council because of our undersized gardens and transferred to a Management Company, with each property owner as a shareholder of the Company. Whilst I fully accept the need for new housing in Croydon, in particular affordable housing for first time owners, it is clear the sheer scale of the proposed development and the resultant destruction of a precious greenfield site in Shirley Oaks Village that I object to. I would have no issue with a much smaller scale development of the village, as part of an overall plan for Croydon where new housing was primarily targetted toward development of brownfield sites under the council's jurisdiction. I urge you to consideration of my suggestions in the weeks ahead and look forward to receiving feedback in due course.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

2195/01/003/DM43.4/O	Mrs Jane Smith	Object	DM43.4 504	Object to development on these sites as they are MOL and amenity land used by surrounding residents. This would be detrimental to the area as the existing houses on the Estate have undersized gardens and would be obtrusive and lead to increase in traffic and access problems and noise issues	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2301/01/004/DM43.4/O	Breda Mohan	Object	DM43.4 504	I object to the use of the •Stroud Green Pumping Station, 140 Primrose Lane reference number 504 for housing:	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2302/01/003/DM43.4/O	Brenda Stratford	Object	DM43.4 504	The use of the following 5 sites for housing; ref no. 128, 504, 541, 542, 548. If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as local green spaces	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2371/01/004/DM43.4/O	Christopher Palmer	Object	DM43.4 504	I object to the use of the •Stroud Green Pumping Station, 140 Primrose Lane reference number 504 for housing:  If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces.  Developing these sites with the amount of homes suggested would increase the volume of traffic in an area which is already congested in morning and afternoon rush hours and would put increased pressures on local schools and public transport.  I am aware that more affordable houses are needed but please reconsider these plans which will totally change the area in which we have chosen to live and definitely not for the better.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

2429/02/011/DM43.4/O	Mr & Mrs E Abdul-Nabi	Object	Soundness - Justified	DM43.4 504	Object to the use of this site for housing.	If the Council will not keep it as Metropolitan Open Land it should be at least designated as Local Green Space.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2448/01/041/DM43.4/O	Andy Stranack Croydon Council	Object	Soundness - Justified	DM43.4 504	Site 504, Stroud Green Pumping Station, 140 Primrose Lane, is identified as suitable for 26 to 68 homes. This land should not be de-designated as Metropolitan Open Land as it is a vital green corridor between Shirley Oaks and the surrounding areas, providing much loved and well used amenity space. This would total change the character of the area and have a great impact on the local road infrastructure impacting Primrose Lane.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2450/02/003/DM43.4/O	Mr & Mrs Jeffrey	Object		DM43.4 504	I will be objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection. I will also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2450/01/005/DM43.4/O	Mr & Mrs Jeffrey	Object		DM43.4 504	I thoroughly object to these proposals, the traffic has built up over time and I wouldn't even want to begin to imagine what Shirley Oakd would be like if another 600+ homes where to be built, that would be practically doubling the size of Shirley Oaks as it is at present.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

We strongly object to Croydon Council's local planning proposals and plans for development to the site being used for residential development. We strongly object to the de-designation of the Metropolitan Open Land around Shirley Oaks Village. No more housing should be built on MO land and it is inappropriate for development since it would overstretch the local road infrastructure with the additional traffic. The road in and out of Shirley Oaks Village is very narrow and there is hardly enough room for the bus to get by. The increased volume of traffic and parked vehicles would be unmanageable bringing traffic in all directions to a complete standstill. We believe the council needs to rethink its proposals for the sites, but would hope that in any event, an overwhelming majority of homeowners living in the village will reject the council's proposals. Not only would the area be an eyesore, but the proposal to build a whopping 700 new homes is unrealistic as the open green spaces are very small. You would also be destroying the wildlife by cutting down our precious trees and removing the open green spaces. It was agreed, and we believe documented, that after the build of phase 5 on Shirley Oaks Village that no more houses would be built, and this was a deciding factor when individuals bought their properties on Shirley Oaks Village. If over 700 new homes are built, it would no longer be a village but instead an ugly built up housing estate, changing the character of the landscape completely. From our perspective, if the proposals were approved, we would have no choice but to move away from the area. It would be too upsetting to see our open green spaces developed to excess with over 700 new homes. I have no doubt that developing the land would also devalue the property prices in the future. We find the council's proposals ludicrous and unreasonable. It is imperative that we protect the precious remaining green spaces around Shirley Oaks Village. On that basis, we vigorously object to the council's proposal to develop the land.

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

2539/01/007/DM43.4/O	Lydia Benady	Object		DM43.4 504	We strongly object to the changes to designations of our grass areas. As a resident and shareholder I point out that our land was designated by Croydon Council in 1985 as Amenity Open Lan because of our under-sized gardens. This land is for our use. Not only would building be detrimental to our health and well being but also to the varied and protected wildlife that we have. There are plenty of rundown places in Croydon which should be regenerated and can be built on without impinging into our green spaces.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2540/01/002/DM43.4/O	Mrs Sandra Cooper	Object	Soundness - Justified	DM43.4 504	I object to the designation of Metropolitan Open Land around Shirley Oaks enabling parts of this land to be used for housing and in particular site 548, with which I have an adjoining boundary. Should the Council not keep this land as Metropolitan Open Land these spaces should at the least be designated as Local Green Space.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2541/01/004/DM43.4/O	Ms Susanne Million	Object		DM43.4 504	I object to the use of the site for housing.  If the Council will not keep this site as MOL, it should at least be designated as Local Green Spaces.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

2544/01/004/DM43.4/O	Sara Palmer	Object	DM43.4 504	<p>I object to the use of the •Stroud Green Pumping Station, 140 Primrose Lane reference number 504 for housing:</p> <p>If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces.</p> <p>Developing these sites with the amount of homes suggested would increase the volume of traffic in an area which is already congested in morning and afternoon rush hours and would put increased pressures on local schools and public transport.</p> <p>I am aware that more affordable houses are needed but please reconsider these plans which will totally change the area in which we have chosen to live and definitely not for the better.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2558/01/003/DM43.4/O	Miss Margaret A Williams	Object	DM43.4 504	I wish to register my objection to the proposed plans for the housing development on the green areas around the Shirley Oaks Estate.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2560/01/004/DM43.4/O	M.K White	Object	DM43.4 504	I strongly object to your proposed development plans for this site.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

2564/01/005/DM43.4/O	Mrs Shirley M Kell	Object	DM43.4 504	<p>Our LocalGreen Belt should remain as such and not dedesignated as Metropolitan Open Land which then could be used for new housing. I strongly object to this proposal. Plans for residential development:-</p> <p>Ref.No.128- the land at Poppy Lane is identified as suitable for 51-107 homes.</p> <p>Ref.No.504-Stroud Green Pumping Station,140 Primrose Lane including the conversion of the locally-listed pumping station, is identified as suitable for 26-68 homes.</p> <p>Ref.No.541- land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House is identified as suitable for SD-215 homes.</p> <p>Ref No.542 -land to the west of Shirley Oaks Road is identified as suitable for 88-236 homes.</p> <p>Ref.No.548 -land to the rear of 5-13 Honeysuckle Gardens is identified as suitable for 59-125 homes.</p> <p>Development on any of these sites would change the whole character of the area, and surely add to the congestion of local roads, which would increase the risk of accidents</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
----------------------	--------------------	--------	---------------	---	-----------	--

2565/01/003/DM43.4/O	Ms Karen Fletcher	Object	DM43.4 504	<p>We wish to register our objection to the proposals to change the policy map 43 in relation to Metropolitan Open Land at Shirley Oaks Village. Like many residents we purchased our home on the understanding that the MOL was owned by the residents themselves and would not be developed. It was a strong factor in our decision to purchase our house. The land itself was transferred to the management company by a transfer dating 30 July 1991 made between Heron Homes Limited and Shirley Oaks Management Limited. The third schedule to this transfer contains restrictive covenants and I have attached the relevant clauses. These clauses state that the land is to be used as open space so I do not understand how you can ignore this and grant planning permission to build houses. We understand the need for more housing but feel that this is not the way forward. It would be far better to look at the buildings/land owned by the London Borough of Croydon first to see which could be used as residential properties. The old Ashburton Library in Ashburton Park is such a building that could be redeveloped and used for housing and I am sure there are many more.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances.

DM43.4  
504

I object to the use of the •Stroud  
Green Pumping Station, 140  
Primrose Lane reference number 504  
for housing:

No change

The land does not meet the  
criteria for designation as  
Metropolitan Open Land, it  
has no public access, and is  
therefore considered  
suitable for development  
subject to consideration of  
specific site circumstances.  
Any development of the site  
should not result in an  
increase of flood risk in the  
area, and should in fact aim  
to reduce flood risk in the  
area overall.

---

Object Soundness - DM43.4  
Justified 504

Please note that I wish to object to the proposals set out in reference numbers 504, 541, 542, 548 and 128, for the following reasons

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

- There has been insufficient notice of the consultation period, and the proposals are not clearly set out as pertaining to Shirley Oaks Village.
- This land is designated as Metropolitan Open Land, and I do not agree that it does not meet the criteria, as it does contribute to the physical structure of London, and there currently are open-air facilities, which serve significant parts of London.
- Increasing the housing density in this development will have a detrimental effect on the overall environment, and will decrease the value of these homes, as the development contains smaller gardens than those originally planned, and the surrounding green spaces were left vacant to compensate for the lack of adequate open space.
- Any change in the restrictions will adversely affect the accessibility to nature and wildlife of the area, which contains features of metropolitan importance.
- There is inadequate infrastructure in the locality to accommodate such an increase in population
- There has not been a true 'fit for purpose' investigation of the 'brownfield sites', which already exist in the borough, or of other open land which could be used without.

In view of the above please register my objection to all five proposals, and please acknowledge receipt of this email. Please note that I wish to object to the proposals set out in reference numbers 504, 541, 542, 548 and 128, for the following reasons

- There has been insufficient notice of the consultation period, and the proposals are not clearly set out as pertaining to Shirley Oaks Village.
- This land is designated as Metropolitan Open Land, and I do not agree that it does not meet the criteria, as it does contribute to the physical structure of London, and there currently are open-air facilities, which serve significant parts of London.
- Increasing the housing density in this development will have a detrimental effect on the overall environment, and will decrease the value of these homes, as the development contains smaller gardens than those originally planned, and the surrounding green

In view of the above please register my objection to all five proposals, and please acknowledge receipt of this email.

2573/01/003/DM43.4/O	Mr Keith Harris	Object	DM43.4 504	Development Reference Numbers 541,542,548,128,504  This we cause dangerous increase traffic through Shirley Oaks Road & Primrose Lane, and also increase parking by the Synagogue which is bad at the best of times	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2574/01/005/DM43.4/O	Mr Lewis Reynolds	Object	DM43.4 504	I wish to object to planned proposals; ref 504. These planned proposals will not fit within the current aesthetics of the estate so please accept this email as an objection to the proposal.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

2578/01/006/DM43.4/O Mr Tau Wey

Object

DM43.4  
504

I am concerned about this proposal. When I bought my house in Angelica Gardens, Shirley Oaks Village, it was my understanding that I would also become a communal owner of the surrounding Amenity Open Land. This was guaranteed by each freeholder in Shirley Oaks owning a share of the Shirley Oaks Management Limited, which in turn owns and manages the Amenity Open Land.

Like many residents, I purchased my house partly due to the pleasant areas of green space available in my surroundings. I also think that the character of the current surrounding gives each property the value that it currently has.

I would also object to attempts by Croydon Council or other agencies to attempt to purchase the land from Shirley Oaks Management Limited in the future.

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

2580/01/005/DM43.4/O	Mr Steven Hunt	Object	DM43.4 504	<p>I am emailing to outline my objections to the planning notices in relation to the above reference numbers which concern land near to Shirley Oaks Road, Honeysuckle Gardens, Poppy Lane and Primrose Lane.</p> <p>I object to these proposed developments for the following reasons:</p> <ol style="list-style-type: none"> <li>1. The move to unravel the protection of Metropolitan open land from significant housing developments is a disappointing and avoidable move by Croydon Council. This sets an unnecessary precedent. This land should be protected by its designation and the council has sufficient options elsewhere in the borough on land that has no such designation.</li> <li>2. Much of the land concerned was designated by Croydon Council in 1985 as "Amenity Open Land" because of the under-sized gardens of many of the Shirley Oaks property. I live with a young family on Shirley Oaks with a very small garden and object to the loss of this open land which is regularly used by young families and residents of the area who do not have large gardens or any gardens at all in some instances.</li> <li>3. Such proposals will unduly change the character and desirability of the local area which is defined by its open space. Shirley Oaks remains one of the few genuine peaceful residential areas within the borough and such thoughtless development will threaten this.</li> <li>4. The roads leading to Shirley Oaks are roads not given to significant volumes of traffic. Increasing the density of the population within the immediate area as substantially as you are proposing creates challenges for traffic and parking. The scale of the developments will exponentially increase the volume of traffic and create challenges for parking.</li> </ol>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.</p>
2582/01/007/DM43.4/O	Ms Ellie London	Object	DM43.4 504	<p>I object to the use of the site for housing.</p>	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.</p>

2583/01/004/DM43.4/O	Sue Ridenton	Object	DM43.4 504	<p>I would like to raise my objection to the proposed land changes for the Ref. 504 - Up to 68 new homes or GYPSY site at the water board HW, Primrose lane</p> <p>The land we are talking about above was designated by Croydon council in 1985 as Amenity Open Land, because of our under-sized gardens and transferred to the Management Company – with each property owner as a shareholder in that company.</p> <p>No one in the village will want any more homes built the open space keeps the village unique and a nice place to live Any more homes will not enhance the village at all and of course will lower our house prices and a GYPSY site what on earth are the council thinking !!</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2585/01/005/DM43.4/O	Ms Rachel James	Object	DM43.4 504	<p>I object to the following proposal for shirley oaks village. Ref: 541, Ref: 542, Ref: 548, Ref: 128, Ref: 504 I love my home currently on shirley oaks our gardens are considerably in the small side and I daily take walks on to the land with have with my 2 children and husband. I feel this would depreciate the area and I wouldn't be happy with any of the above plans.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2599/01/003/DM43.4/C	Helen Armstrong		DM43.4 504	<p>I am writing to register my household's objection to the prooposed developments in Shirley. The projected number of homes will impact dramatically not only on the existing residents and the open feel of the site, but essentially on the transport infrastructure. Wickham Road is a major route, prone to congestion at peak hours and any significant increase in road users will have a dramatic knock on effect not for residents and also for commuters in all directions. The Trinity roundabout is a major junction with many bus routes passing through, this would grind to even more of a halt. The potential number of proposed properties is unacceptably high.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall. Any development proposals that come forward will need to comply with all the policies of the Local Plan which included providing transport assessments for major development.

2605/01/025/DM43.4/O	Ian Broyd	Object	DM43.4 504	If the Council will not keep them as Metropolitan Open Land, the five sites should at least be designated as Local Green Spaces and not used for housing.	The site should be Local Green Space.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2618/01/005/DM43.4/O	Miss P Jones	Object	DM43.4 504	Having lived in Shirley for over 50 years I strongly object to Croydon Council plans to de-designate the Metropolitan open land so that most of this land can be used for new housing. At the moment it has the same Protection as Green Belt.  Firstly, this would entail the loss of a vital green corridor between Shirley Oaks and the surrounding area, changing the character of the area, more importantly the road infrastructure couldn't cope with the additional traffic. Try getting out to the Wickham Road from Orchard Avenue in rush hour.		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2635/01/035/DM43.4/O	Paul Sandford <i>Bourne Society</i>	Object	DM43.4 504	Stroud Green Pumping Station, 140 Primrose Lane, is identified as suitable for 26 to 68 homes. This land should not be de-designated as Metropolitan Open Land as it is a vital green corridor between Shirley Oaks and the surrounding areas, providing much loved and well used amenity space. This would total change the character of the area and have a great impact on the local road infrastructure impacting Primrose Lane		No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. 2745/01/005/DM43.4/O Mrs Frances Pearce

Object Soundness - DM43.4  
Justified 504

I am writing regarding the Council's plans for a massive redevelopment in the Shirley Area. More houses mean more traffic on our already crowded roads. I no longer go into Croydon because of the journey times. How long would it be before the Council considered bringing in a congestion charge. When you build all these properties do you consider the local amenities and the effect that more people would have on these. Where are the school places for all of these children? Regarding doctors. Unless it is an emergency I have to wait at least a week for an appointment. This waiting time can only increase if there are more patients. Is it the Council's policy to build over green belt land to the detriment of locals? I sincerely hope not. I think you need to seriously reconsider these plans.

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

2764/14/003/DM43.4/O Mr Derek Ritson  
Monks Orchard Residents Associa

Object Soundness - DM43.4  
Justified 504

These open spaces are collectively designated as Metropolitan Open Land. It would be disastrous to lose a link in this chain.

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

THE SHIRLEY GREEN CHAIN  
The green open spaces of Shirley Oaks Village provide several links in the Shirley Green Chain. This chain starts at the South Norwood Country Park in the north and runs south through Ryland Fields, Long Lane Woods, Ashburton Playing Fields, the open spaces of Shirley Oaks Village, Trinity School playing fields, Shirley Park Golf Course and up to the Shirley Hills. From there the Green Chain continues through Heathfield, Bramley Bank Nature Reserve, Littleheath Woods and via Selsdon Park to Kings Wood at Hamsey Green. These open spaces are collectively designated as Metropolitan Open Land. It would be disastrous to lose a link in this chain.

Planning Policy Guidance Note 9  
This guidance stresses the importance of nature conservation, not only on nationally important sites, but also suggests that many urban sites for nature conservation have enhanced local importance as a consequence of the relative lack of wildlife sites in built up areas. Statutory and nonstatutory sites which provide wildlife corridors, links or stepping stones from one habitat site to another, all help to form a network necessary to endure the maintenance of the current range and diversity of our flora and fauna.

The Green Spaces in Shirley Oaks were designated as Metropolitan Open Land and today still meet the criteria for this protection. The sites (1) contain conservation and habitat interest of value at a metropolitan level and (2) forms part of the Shirley Green Chain. These are two of the criteria for Metropolitan Open Land. The Green Spaces in Shirley Oaks Village were designated as Metropolitan Open Land and today still meet the criteria for this protection.

The sites  
(1) contain conservation and habitat interest of value at a metropolitan level and  
(2) form part of the Shirley Green Chain. These are two of the criteria for Metropolitan Open Land.

These sites possibly have a section 52 agreement, and are part ownerships shared by each of the Shirley Oaks Village residents.

Re-designation of MOL falls foul of

the London Plan.

Existing dwellings to be retained or demolished? If retained the Site Area should be adjusted to take account of the existing dwellings: The Lodge, Beech House & Ash House? On the East site And the Synagogue and the two house (can't read their names) on the West side.

Infrastructure not specified to support development.

Schools are oversubscribed; GP Surgeries oversubscribed

Road system could not cope with the increase in traffic during peak travel times

Area has high water table and is subject to flooding.

London Plan

POLICY 7.17 METROPOLITAN OPEN LAND  
Strategic

A The Mayor strongly supports the current extent of Metropolitan Open Land (MOL), its extension in appropriate circumstances and its protection from development having an adverse impact on the openness of MOL.

Planning decisions

B The strongest protection should be given to London's Metropolitan Open Land and inappropriate development refused, except in very special circumstances, giving the same level of protection as in the Green Belt.

Essential ancillary facilities for appropriate uses will only be acceptable where they maintain the openness of MOL.

LDF preparation

C Any alterations to the boundary of MOL should be undertaken by Boroughs through the LDF process, in consultation with the Mayor and adjoining authorities.

D To designate land as MOL

boroughs need to establish that the land meets at least one of the following criteria:

- a) it contributes to the physical structure of London by being clearly distinguishable from the built up area
- b) it includes open air facilities, especially for leisure, recreation, sport, the arts and cultural activities, which serve either the whole or significant parts of London
- c) it contains features or landscapes (historic, recreational, biodiversity) of either national or metropolitan valued it forms part of a Green Chain or a link in the network of green infrastructure and meets one of the above criteria.

The London Plan 7.56  
 The policy guidance of paragraphs 79-92 of the NPPF on Green Belts applies equally to Metropolitan Open Land (MOL). MOL has an important role to play as part of London's multifunctional green infrastructure and the Mayor is keen to see improvements in its overall quality and accessibility. Such improvements are likely to help human health, biodiversity and quality of life. Development that involves the loss of MOL in return for the creation of new open space elsewhere will not be considered appropriate. Appropriate development should be limited to small scale structures to support outdoor open space uses and minimise any adverse impact on the openness of MOL. Green chains are important to London's open space network, recreation and biodiversity. They consist of footpaths and the open spaces that they link, which are accessible to the public. The open spaces and links within a Green Chain should be designated as MOL due to their London-wide importance.

2775/01/041/DM43.4/O	Cllr Tim Pollard <i>London Borough of Croydon</i>	Object	Soundness - Justified	DM43.4 504	Site 504, Stroud Green Pumping Station, 140 Primrose Lane, is identified as suitable for 26 to 68 homes. This land should not be de-designated as Metropolitan Open Land as it is a vital green corridor between Shirley Oaks and the surrounding areas, providing much loved and well used amenity space. This would total change the character of the area and have a great impact on the local road infrastructure impacting Primrose Lane.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. 2910/02/003/DM43.4/O Ms Debbie Butler

Object Soundness - DM43.4  
Justified 504

I object to the use of the following five sites for housing:  
•Land at Poppy Lane reference number 128;  
•Stroud Green Pumping Station, 140 Primrose Lane reference number 504;  
•Land to the east of Shirley Oaks Road and to the rear of Beech House and Ash House reference number 541;  
•Land to the west of Shirley Oaks Road reference number 542; and  
•Land to the rear of 5-13 Honeysuckle Gardens reference number 548;  
If the Council will not keep them as Metropolitan Open Land, these five sites should at least be designated as Local Green Spaces.

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

I write concerning Croydon Council's proposals contained in the consultation document of the Croydon Local Plan that includes the re-designation of Metropolitan Open Land in Shirley and specifically within the confines of Shirley Oaks. I consider these proposals and others listed above to be inappropriate as they would significantly change the character of the area in which I have lived all 61 years of my life and I wish to add my voice to those already expressing concerns and objections about these proposals.

I strongly object to the proposal to re-designate Metropolitan Open Land to facilitate the building of new homes on land in Shirley Oaks and the provision of temporary or permanent traveller/gypsy sites in areas that are acknowledged by the Council to be in the green belt at Coombe Farm and Coombe Lodge Nurseries in Conduit Lane.

These proposals are totally out of keeping with the character of the area which predominantly comprise owner-occupied semi and detached homes. Surely areas considered to be brownfield sites are more appropriate than the unacceptable use of Metropolitan Open Land?

The proposals affecting the area surrounding Shirley Library are also of concern as this would adversely change the character of the area and potentially result in the establishment of additional unsightly car- parking sites on the south side of Wickham Road, similar to that at the front of the Shirley Medical Centre at 370 Wickham Road.

2924/01/005/DM43.4/O	Mr Roohi F Khan	Object		DM43.4 504	<p>This area is close to the exit from Primrose lane into Shirley Road, a heavily congested road, this exit is shared by the adjacent ambulance station and at present is marred by locals who park their cars to attend the Shirley Health clinic (proposed to be developed into a neighbourhood centre and therefore more parking), also by those who park daily to catch local transport to Croydon Centre and London and residents cars of the opposite social housing accommodation whose parking area is inadequate.</p> <p>This area also backs onto the Addiscombe and Shirley Woodside Leisure Garden Ltd which has an entrance onto Primrose Lane adjacent to this area this proposal could make access to the Leisure Garden difficult and could lead to increased criminal damage within the Gardens.</p> <p>Any residential building in this area will increase the congestion which is already evident at the exit into Shirley Road. The increase in parking and road usage would definitely be restrictive to the emergency exits of ambulances.</p> <p>It is noted that this area was accessed as a potential site for Travellers but not highlighted as a preferred site - ALL RESIDENTS STRONGLY OBJECT TO THIS</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2931/01/007/DM43.4/O	Mr John Newman	Object		DM43.4 504	I object to the use of the site for housing.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
2948/02/002/DM43.4/O	Mrs Carolyn Dare	Object	Soundness - Justified	DM43.4 504	I raise strong objection to the allocation of this site for development. I am a shareholder in Shirley Oaks Management Company which owns the land and maintains it. I pay a quarterly charge towards its upkeep. The traffic is already too much for the road through the village. Please do not allow our village to be destroyed.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

---

The proposal to build new houses in Honeysuckle Gardens does not fall within the Strategic Objectives because:-  
 Objective 2: This development will not Foster an environment where existing enterprise can prosper, but will reduce enterprise  
 Objective 4: This development will not reduce social, economic and environmental deprivation. It will not reduce unemployment, improve skills and education and improve environmental conditions, the development is not in keeping with the surrounding area.  
 Objective 5: This development is not high quality and will not enhance the borough's natural environment but will reduce the natural environment by turning a green area into housing  
 Objective 7: This development will reduce the area as a safe, healthy and cohesive community but making the area overcrowded with residential property  
 Objective 10: This development will reduce the quality and accessibility of green space and nature.  
 This proposed development of new housing in Honeysuckle Gardens is not within keeping of the current development within this area. Shirley comprises of large semi and detached houses with large green areas. This development is in no way in keeping with housing in the area. Changing a green area to an area of residential housing will cause harm and reduce the outlook of the area and is not in keeping with the surrounding area  
 Building a travelers site will increase noise levels and ruin the character of the area and this development would overwhelm this green area.  
 Paragraph 64 of the National Planning Policy Framework states that permission should be refused for development of poor design that fails to take the opportunities available for improving the character and quality of an area and the way it functions.  
 This development would diminish the area of green fields and recreational land within the area.

this development will compromise the ability of future generations to meet their own needs. The development will change the outlook and community within the South Croydon area and future generation will suffer because of this.

No change

The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

2974/01/004/DM43.4/O	Jane Bowden	Object	Soundness - Justified	DM43.4 504	2) I understand that the Council are seeking to de-designate various pieces of land on either side of Shirley Oaks Road and around Shirley Oaks village, so that it is no longer Metropolitan Open Land, with a view to potentially building between 304 and 751 new homes. (Reference numbers 128, 504, 541, 542 & 548). Open, green land is essential to maintain a pleasant living area, and to maintain the character of the area. In addition, this number of additional dwellings would seriously overwhelm the local infrastructure. In particular, the local road infrastructure could not cope with the additional traffic.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
3001/01/005/DM43.4/O	Mr John Helen	Object		DM43.4 504	Stroud Green Pumping Station, 140 Primrose Lane, including the conversion of the locally-listed pumping station, is identified as suitable for 26 to 68 homes (pages 451-452, Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies & Proposals, reference number 504);  I will be objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection. I will also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.  I am happy for the Council to replace under-used garages with much-needed homes, but I will be objecting to building on precious open space.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
3002/01/005/DM43.4/O	Mr John Hitchcock	Object		DM43.4 504	Our family has lived on Shirley Oaks Village approx 20 years ago and understood the village to be a Private estate and I am writing to object to the de-designation of the open land around the village and to the use of five sites for housing.  The land rightfully belongs to the residents, the area and roads will become congested and property values will decrease.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

3005/01/002/DM43.4/O	Mr John Roberts	Object		DM43.4 504	<p>I am writing to object to: The use of the Stroud Green Pumping Station, 140 Primrose Lane, reference number 504, for housing:</p> <p>If the Council will not keep these areas as Metropolitan Open Land, these 5 sites should at least be designated as Local Green Space.</p> <p>My objections are based on the following:</p> <ul style="list-style-type: none"> <li>i. The change in local designation and subsequent development would lead to a material reduction to an important green space and amenity within a basically urban area,</li> <li>ii. The effect and congestion on the local infra-structure which would be caused by the building of more housing to an already densely developed site,</li> <li>iii. The effect on existing property values of property to Shirley Oaks and surrounding areas caused by the reduced amenity and congestion.</li> </ul> <p>I urge that the Council should take these and other objections in consideration and not continue with their plans to re-designate the areas described above</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
----------------------	-----------------	--------	--	---------------	--	-----------	--

3010/01/005/DM43.4/O	Mr Joseph Rowe	Object	Soundness - Justified	DM43.4 504	<p>Land currently designated as Metropolitan Open Land at Poppy Lane, Stroud Green Pumping Station, to the east of Shirley Oaks Road, to the west of Shirley Oaks Road and to the rear of 5-13 Honeysuckle Gardens has been identified as suitable for up to 741 homes (pages 445-446, 451-452, 453-454, 455-456, 457-458 Changes to the Policies Map arising from proposals contained within the Croydon Local Plan: Strategic Policies Partial Review and the Croydon Local Plan: Detailed Policies &amp; Proposals, reference numbers 128, 504, 541, 542 and 548).</p> <p>I object to these proposals on the grounds that:</p> <p><input type="checkbox"/> This land is designated as Metropolitan Open Land and there is no justification for re designation. An increase of up to 741 homes on this land would put local services including schools, transport and already crowded roads under further pressure.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.
----------------------	----------------	--------	-----------------------	---------------	---	-----------	--

3017/01/004/DM43.4/O	Mr Chris Connor	Object		DM43.4 504	<p>2. REF:128, REF:504, REF:541, REF:542, REF:548 (Shirley Oaks Village)</p> <p>Once the area surrounding Shirley Oaks Village is re-designated the Council plans to build 751 homes on 5 separate sites.</p> <p>Supposing the average house is for 4 people, 3000 people in total will move to the area. The housing will attract families - potentially half being children. The Council mention no where in their 700 page document about the building of new schools (primary and secondary) nor the building of doctor surgeries, nor the expanding of the local shopping area let alone the already stretched local road infrastructure. Our local area can't cope as it is - St John's primary school has applied for an extension to cope with the current demand on its places. During rush hour buses frequently don't stop at bus stops because they are full. Traffic is often diverted down our road, Shirley Church Road, if there is an accident on Wickham Road or Gravel Hill. The dual carriage way (Shirley Park) is crawling along during rush hour. The council are planning to add another 1000 plus cars to this equation. Shirley is often described according to estate agents as leafy, popular, excellent schools. By building 751 more homes the character of the area will change completely.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.	
3028/01/005/DM43.4/O	Mr Nick Barnes	Object	Soundness - Justified	DM43.4 504	<p>Having read both local plans for the shirley area, I strongly object to all aspects in both plans, this includes the 750 new homes on Shirley Oaks Village, 35 new homes in Shrublands, the two gypsy sites at Combe Fram and Conduit Nursery and the development for up the four storeys along Wickham Raod.</p> <p>None of these plans will benefit Shirley and I object to them all.</p>	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.	
3029/01/003/DM43.4/O	Mr Paul Newton <i>Addington Village Residents Assoc</i>	Object	Soundness - Justified	DM43.4 504	<p>Objecting to the decision to de-designate this land as Metropolitan Open Land (MOL). Also be objecting to any of these five sites being used for residential development. Not only would this entail the loss of a vital green corridor between Shirley Oaks and the surrounding areas, changing the character of the area, the local road infrastructure couldn't cope with the additional traffic.</p>	If the Council won't keep it as MOL, it should at least designate it as Local Green Space so that it has some protection.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

3041/01/002/DM43.4/O	Sarah Minter	Object	DM43.4 504	I strongly object to the proposed development plans for the Shirley Area. I have lived here all my life and have seen a steady influx of people, and a massive reduction in the green space in the area. The roads are already far too congested and the social infrastructure is already struggling to cope with the number of residents. There are many areas in the Croydon borough much more suited to such large scale development. I am thinking particularly of areas around Purley Way. There are also many brown field sites in the borough that could be put to more effective use as housing without affecting the green areas. I guess the council prefers to redevelop the green areas rather than the brown field areas due to cost. As I said I do not want my local area turned into a concrete jungle where there is nowhere for people to relax in the open.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and there is a willing landowner, so it is considered developable subject to consideration of specific site circumstances.
3045/01/004/DM43.4/O	Mr Stuart Marsh	Object	DM43.4 504	I object to the use of the site for housing.	No change	The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.

3047/01/001/DM43.4/O	Mr Brian Jacobs	Object	Soundness - Justified	DM43.4 504	<p>I am writing to object to all the proposed changes and plans affecting the Shirley neighbourhood as advised to me by Gavin Barwell and the Executive Committee of Spring Park Residents Association.</p> <p>1) I object strongly to any plans to change the definition of existing land and use.</p> <p>2) When dealing with the further extension of Shirley Oaks site I am disturbed by the fact there are just two access points i.e.. Shirley Road and Wickham Road the later being onto the A232 which is very busy all day and particularly during rush hour periods, when traffic backs up westwards to the Shirley Road roundabout and beyond.</p> <p>3) The proposals for Shirley Oaks, given to me indicate land being suitable for between 304 and 751 additional homes. As many properties nowadays have at least one car this will have a serious additional congestion to Shirley and Wickham Roads.</p> <p>4) Additionally, development of this size would have a serious demand on existing schools (primary particularly), doctors and other local</p>	I am writing to object to all the proposed changes and plans affecting the Shirley neighbourhood	No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.</p>
3072/01/005/DM43.4/O	Christine McCarthy	Object		DM43.4 504	<p>I object to all the proposals set out for new housing and travellers sites in Shirley. I feel it will ruin the area by taking up all the open spaces.</p>		No change	<p>The land does not meet the criteria for designation as Metropolitan Open Land, it has no public access, and is therefore considered suitable for development subject to consideration of specific site circumstances. Any development of the site should not result in an increase of flood risk in the area, and should in fact aim to reduce flood risk in the area overall.</p>
