4. RESPONSES TO PETITIONS

a) Petition resented by **Councillor Matthew Kyeremeh**, on behalf of residents:

“We, residents of Mersham Road, Thornton Heath, note with great concern traffic incidents with potential severe consequences on our road due to the nature of the road, especially its width. These incidents have happened over a period of many years and are quite frequent and concerning, with residents having to come out of their homes to diffuse arguments between drivers. We therefore request the Council to take immediate action to address the matter including making it or at least part of it into one-way.”

Response from Councillor Kathy Bee, Cabinet Member for Transport and Environment.

This petition will be included in the agenda for the Traffic Management Advisory Committee to be held on 26th April 2016.
