Comparing CCGs for 5a) Smoking Cessation Advice
(NHS Croydon CCG shown highlighted)

Practice variation within Croydon CCG for those General Practice Outcomes Standards where practice level data is available

5a) Smoking Cessation Advice
Most recent datapoints for each practice in

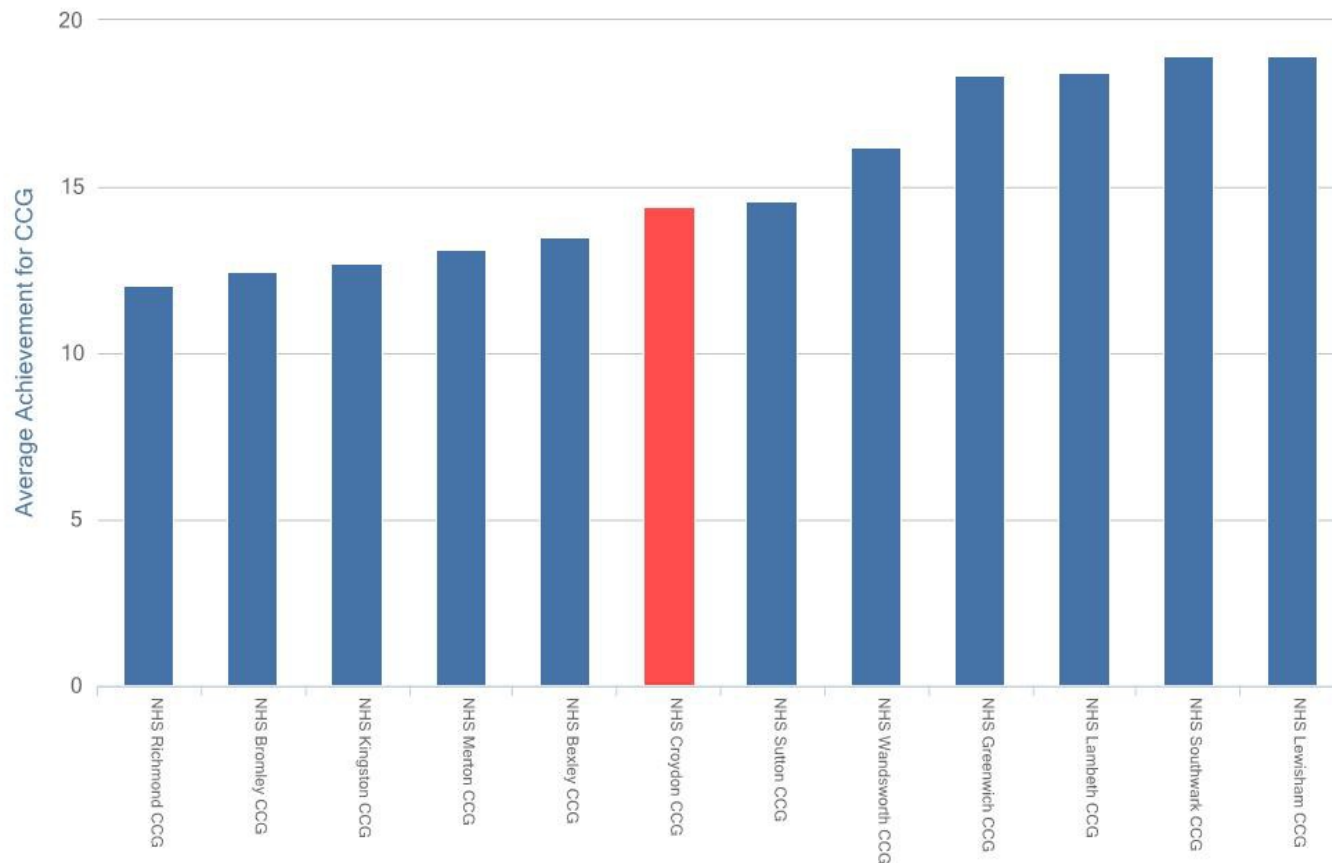

Generated by the Primary Care Web Tool 3-10-2014

Croydon CCG compared to other CCG within the Area Team

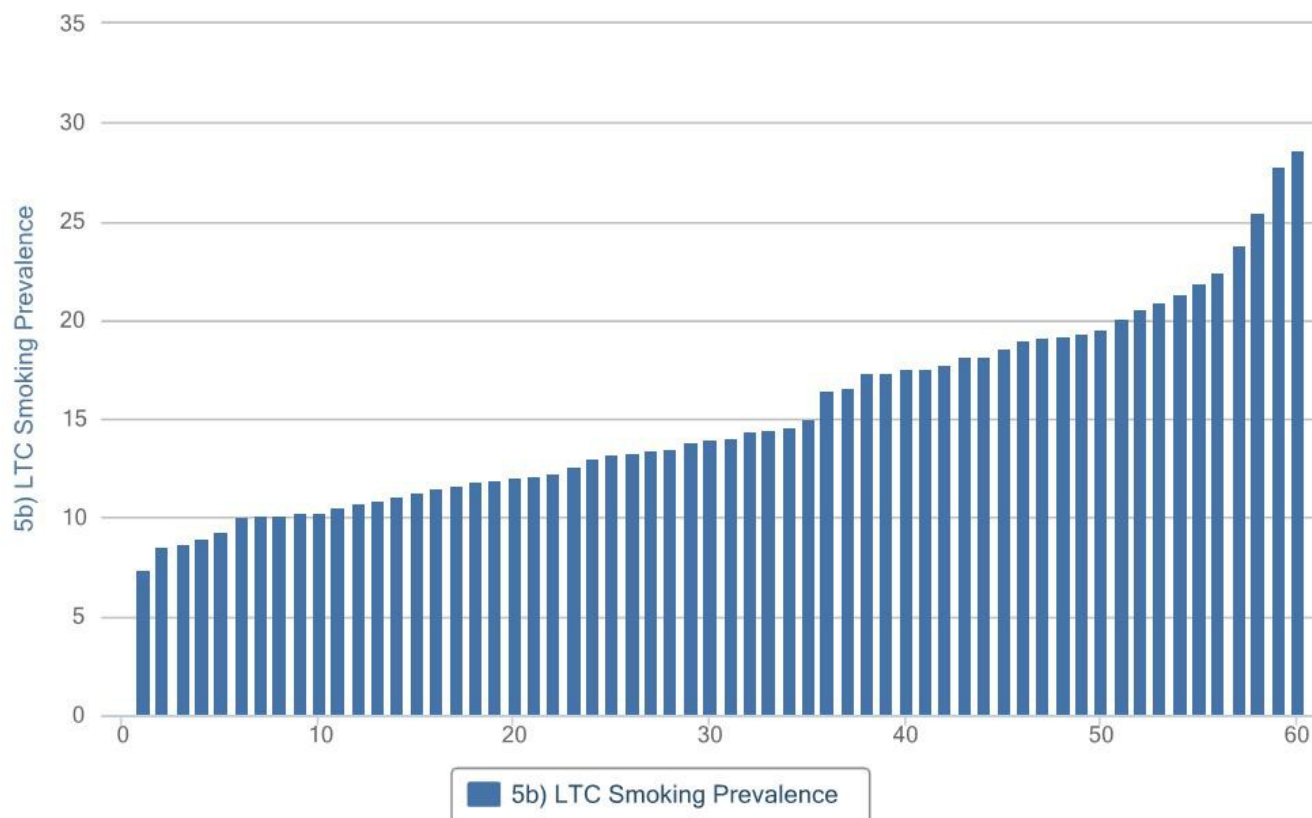

Comparing CCGs for 5b) LTC Smoking Prevalence
(NHS Croydon CCG shown highlighted)

Practice variation within Croydon CCG for those General Practice Outcomes Standards where practice level data is available

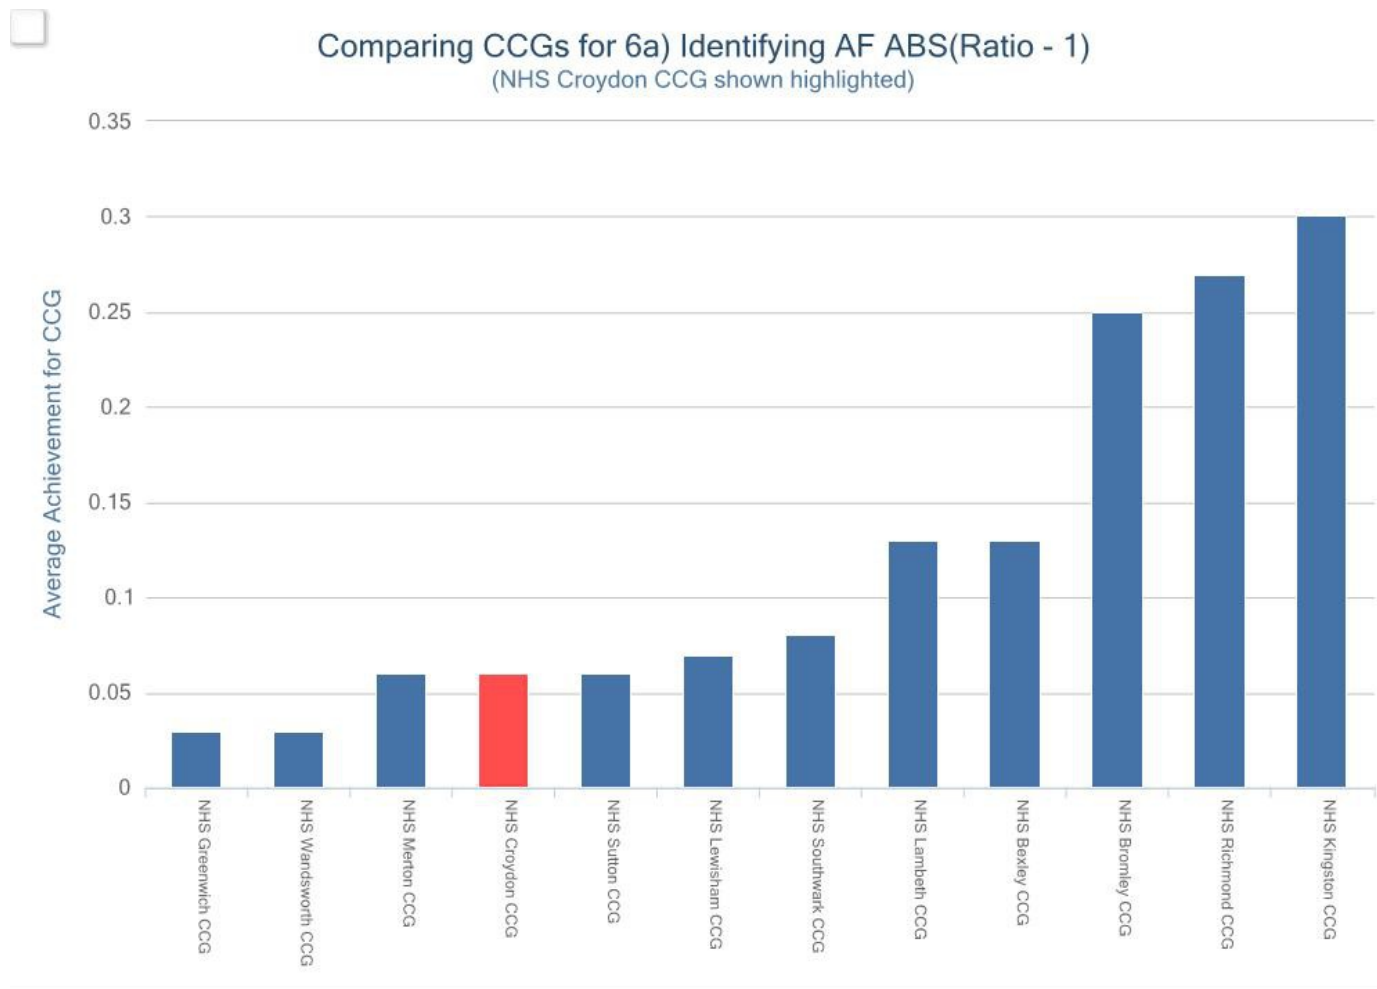

5b) LTC Smoking Prevalence
Most recent datapoints for each practice in

Generated by the Primary Care Web Tool 3-10-2014

Croydon CCG compared to other CCG within the Area Team

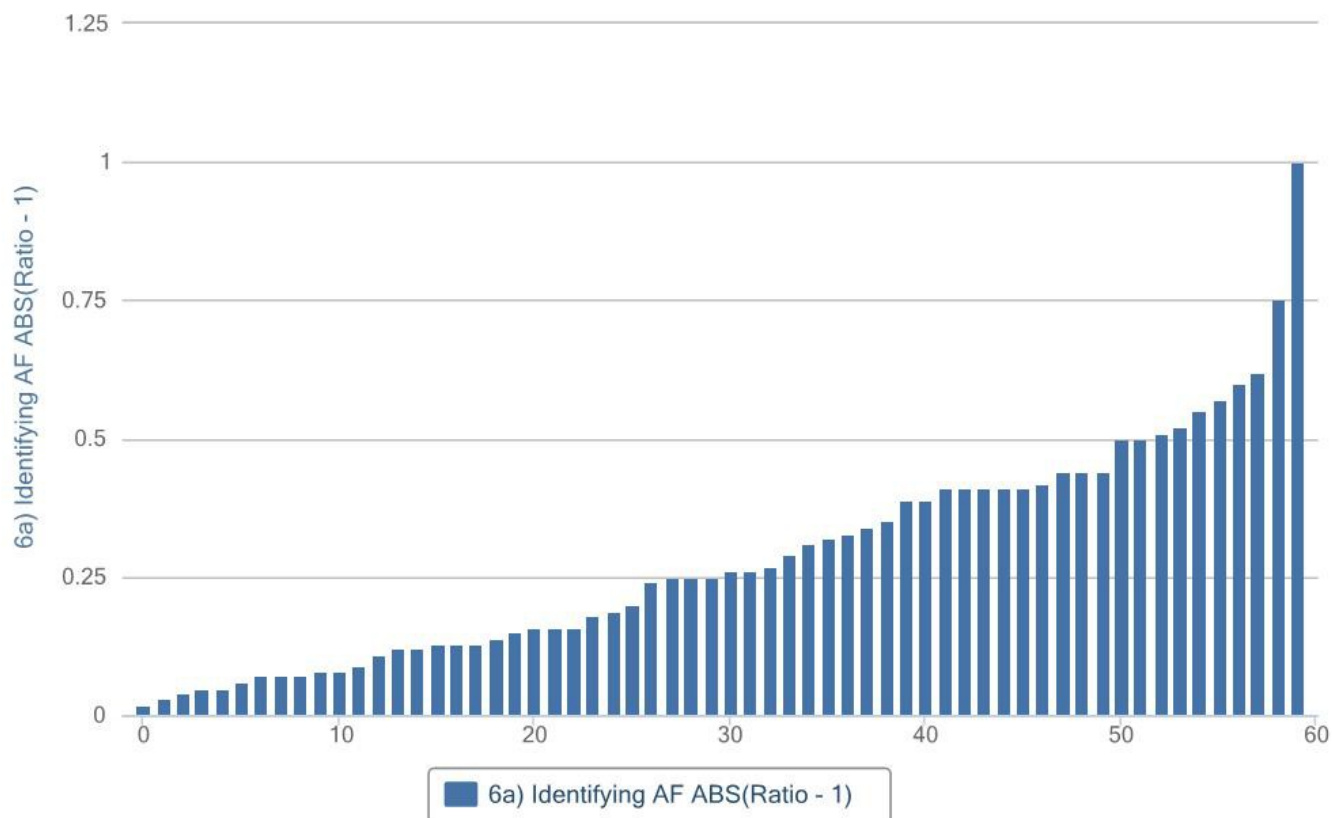

Practice variation within Croydon CCG for those General Practice Outcomes Standards where practice level data is available

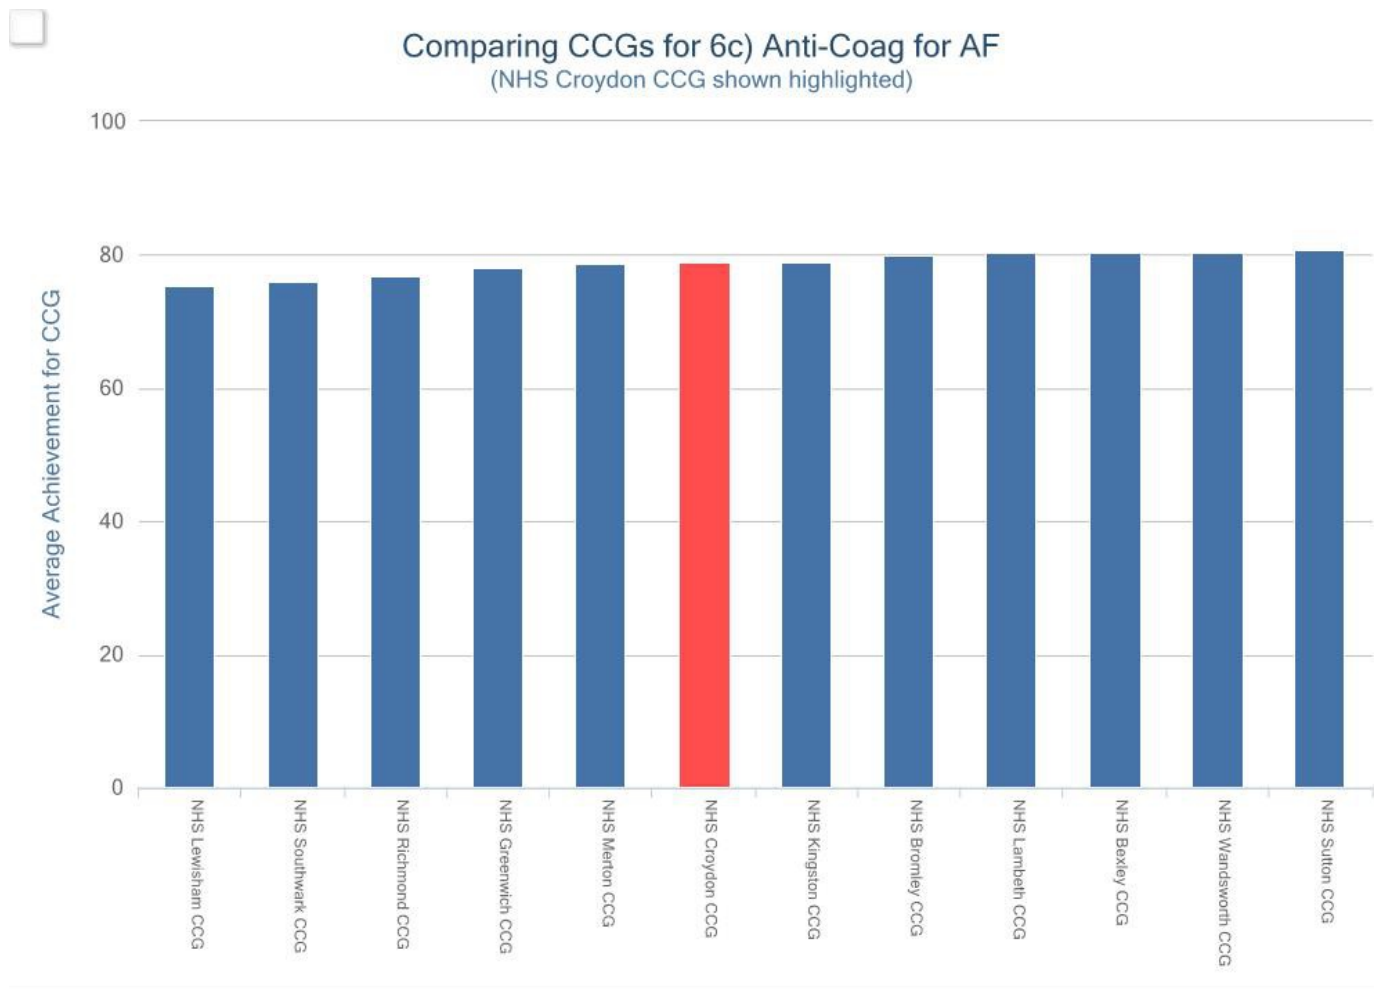

6a) Identifying AF ABS(Ratio - 1)

Most recent datapoints for each practice in

Generated by the Primary Care Web Tool 3-10-2014

Croydon CCG compared to other CCG within the Area Team

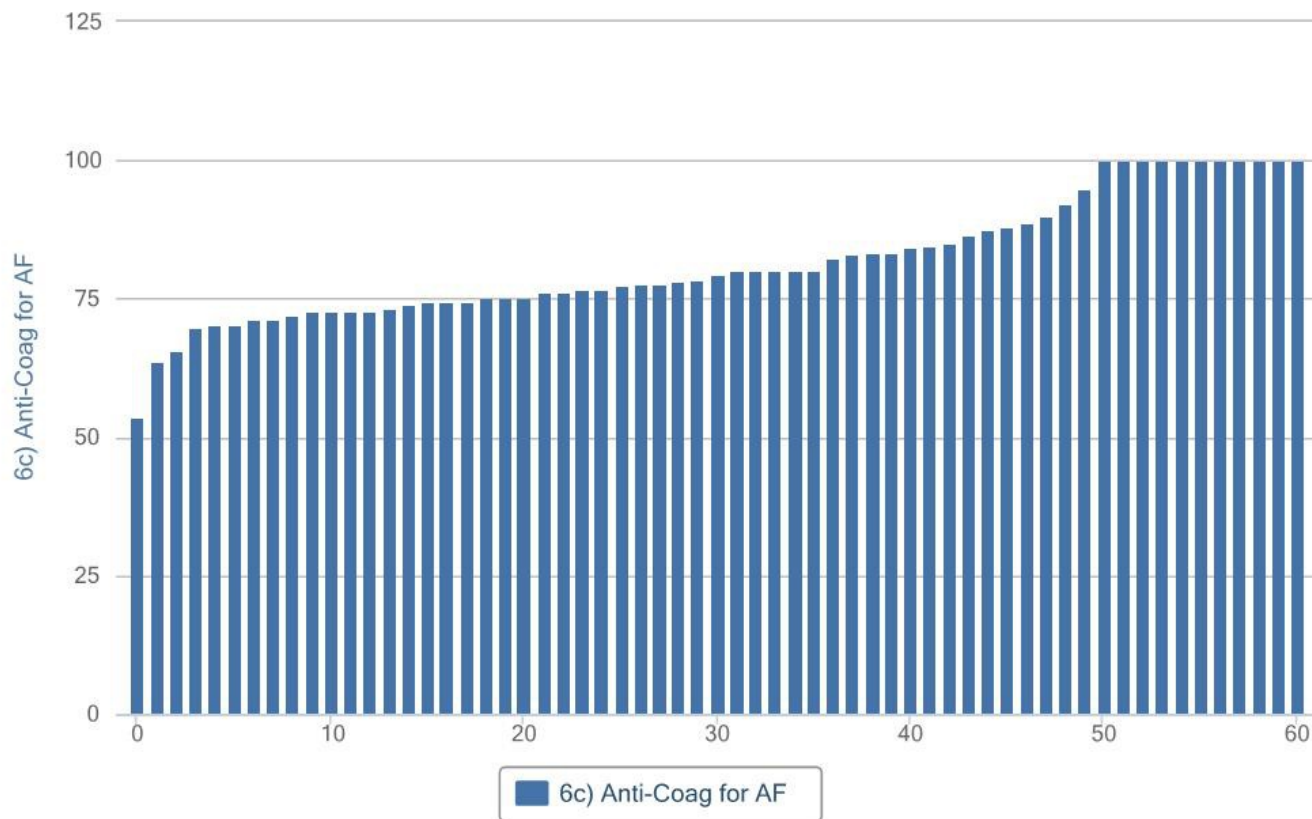

Practice variation within Croydon CCG for those General Practice Outcomes Standards where practice level data is available

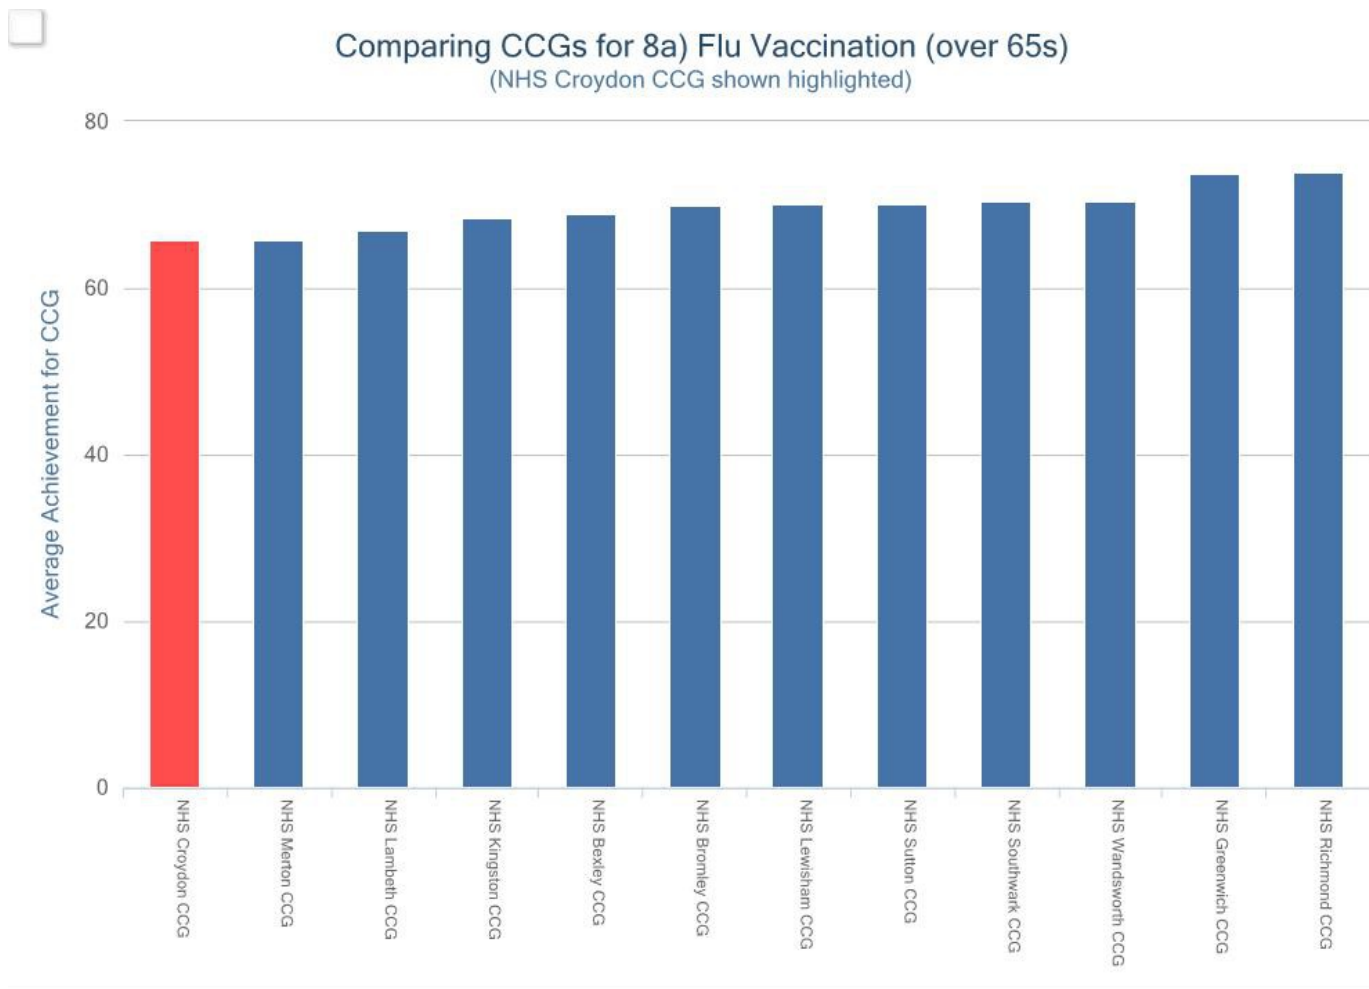

6c) Anti-Coag for AF

Most recent datapoints for each practice in

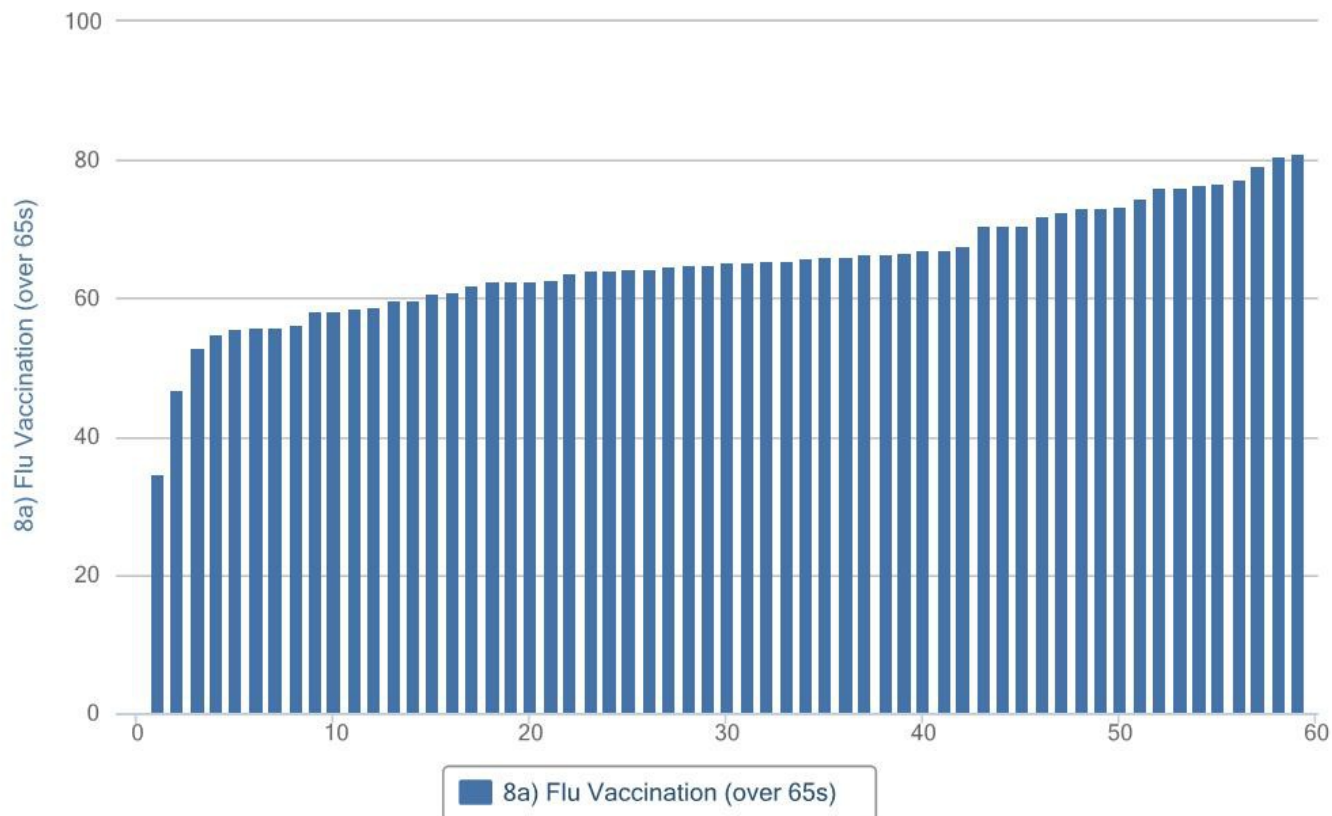

Generated by the Primary Care Web Tool 3-10-2014

Croydon CCG compared to other CCG within the Area Team

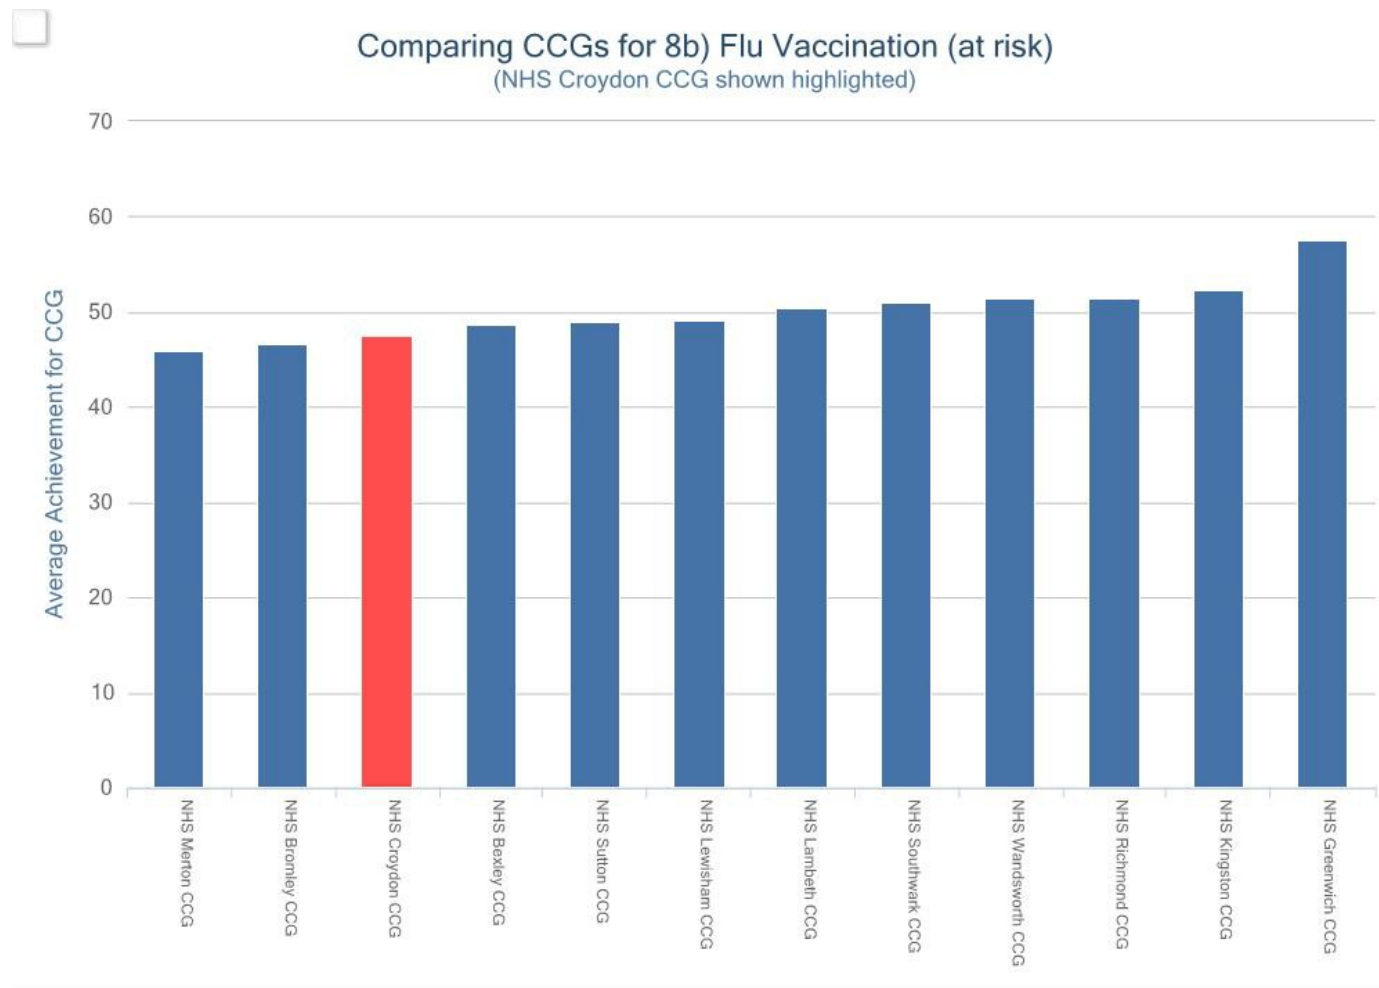

8a) Flu Vaccination (over 65s)
Most recent datapoints for each practice in

Generated by the Primary Care Web Tool 3-10-2014

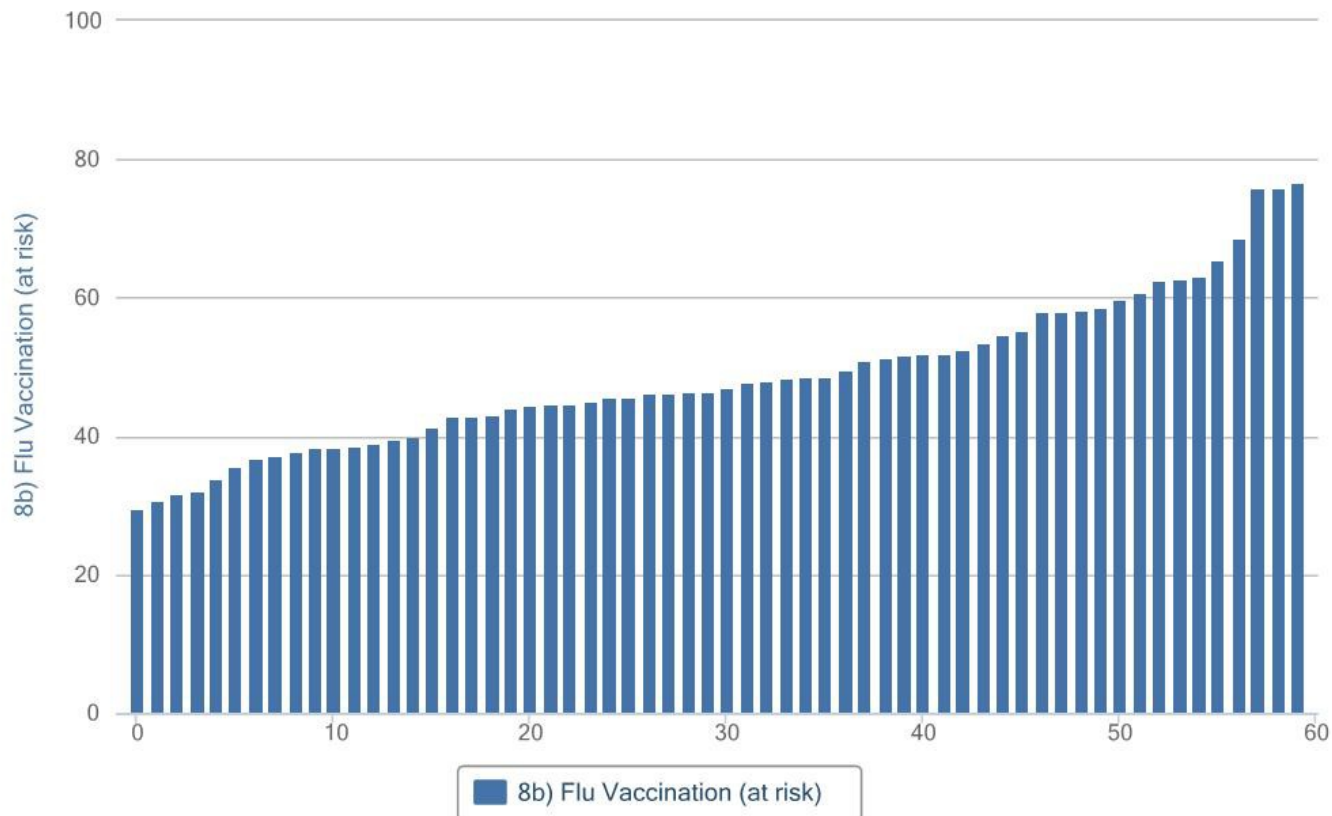

Croydon CCG compared to other CCG within the Area Team

Practice variation within Croydon CCG for those General Practice Outcomes Standards where practice level data is available

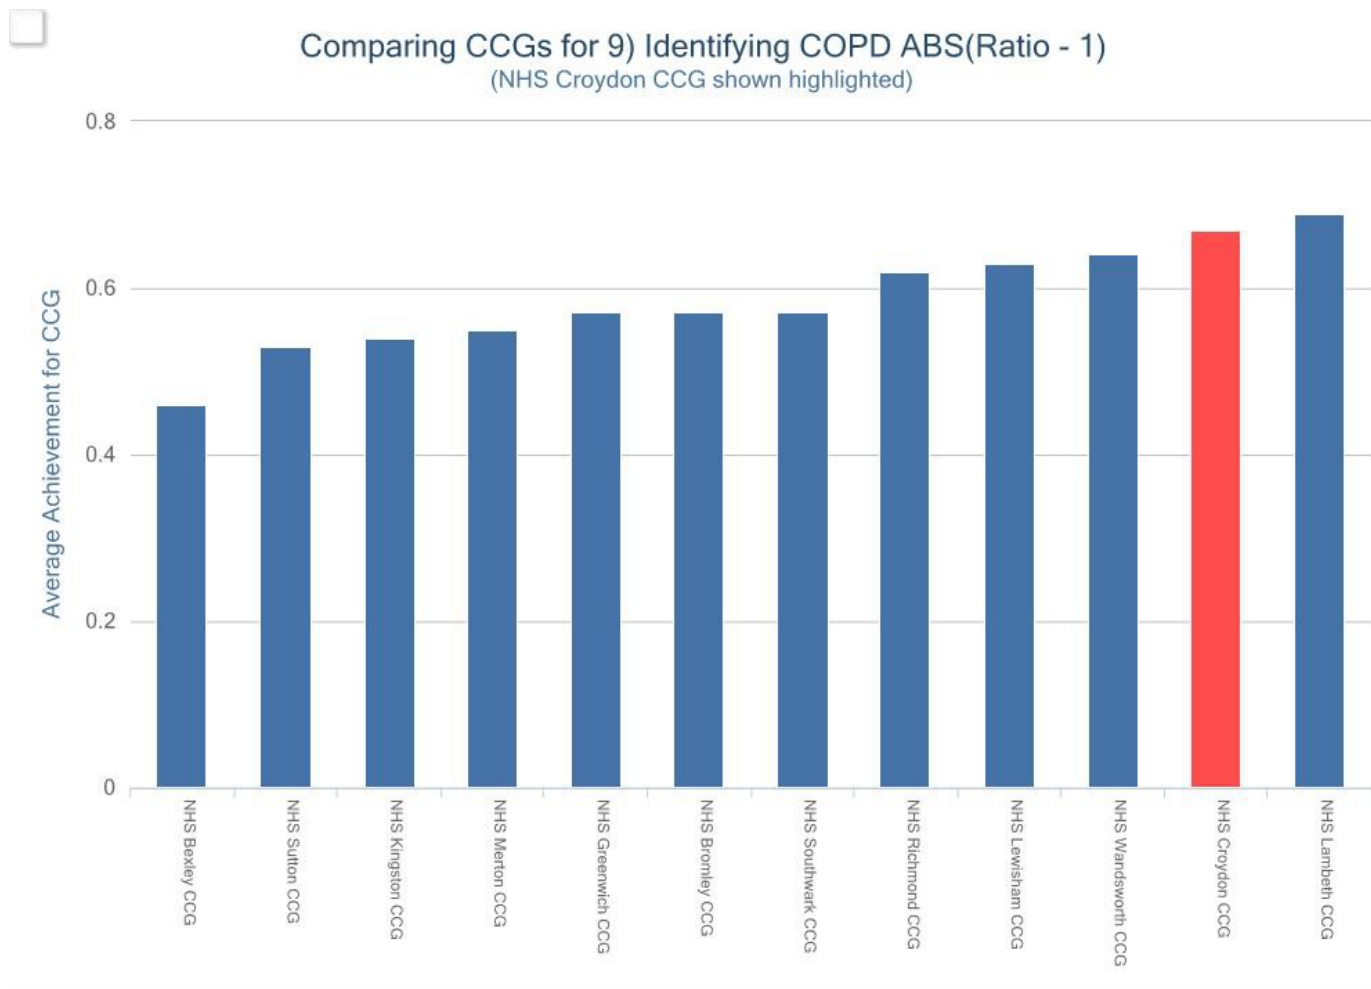

8b) Flu Vaccination (at risk)
Most recent datapoints for each practice in

Generated by the Primary Care Web Tool 3-10-2014

Croydon CCG compared to other CCG within the Area Team

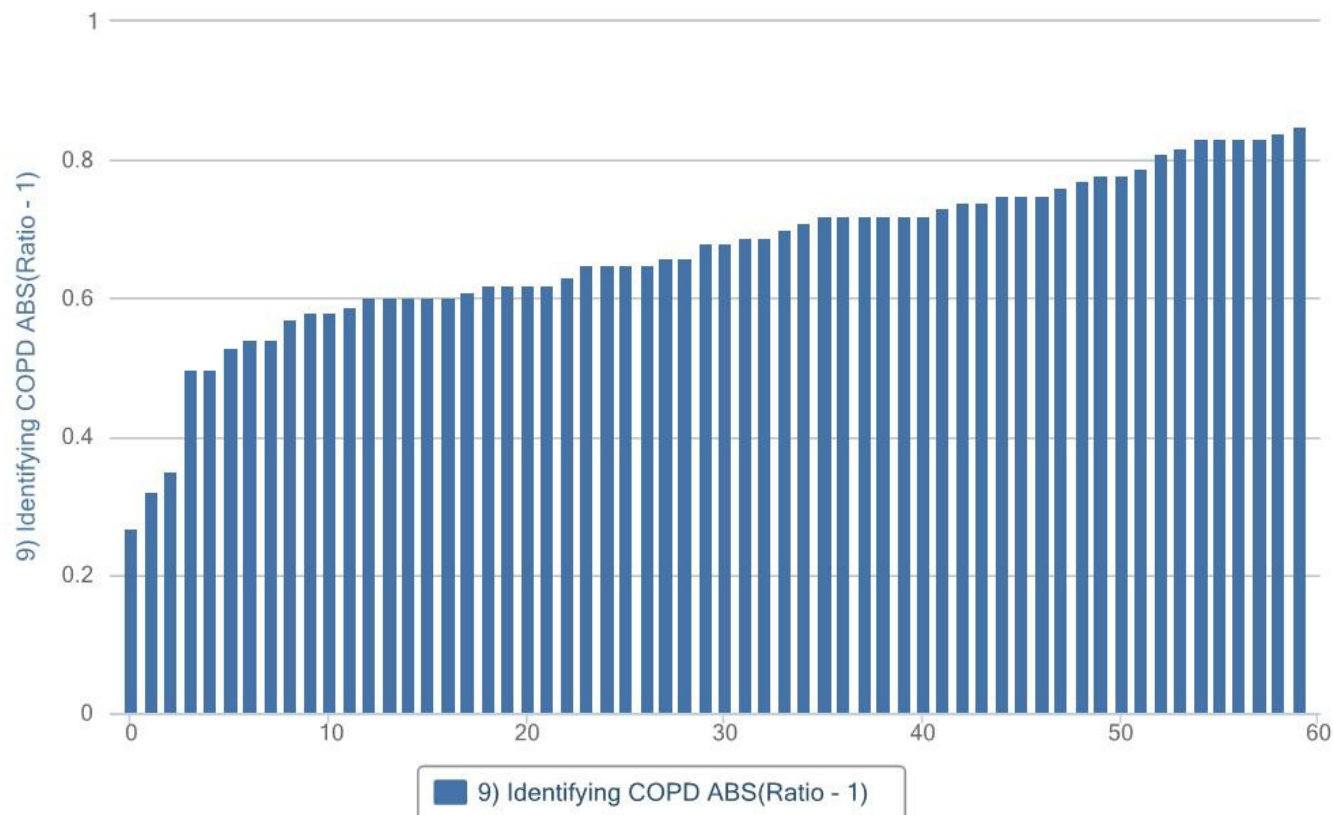

Practice variation within Croydon CCG for those General Practice Outcomes Standards where practice level data is available

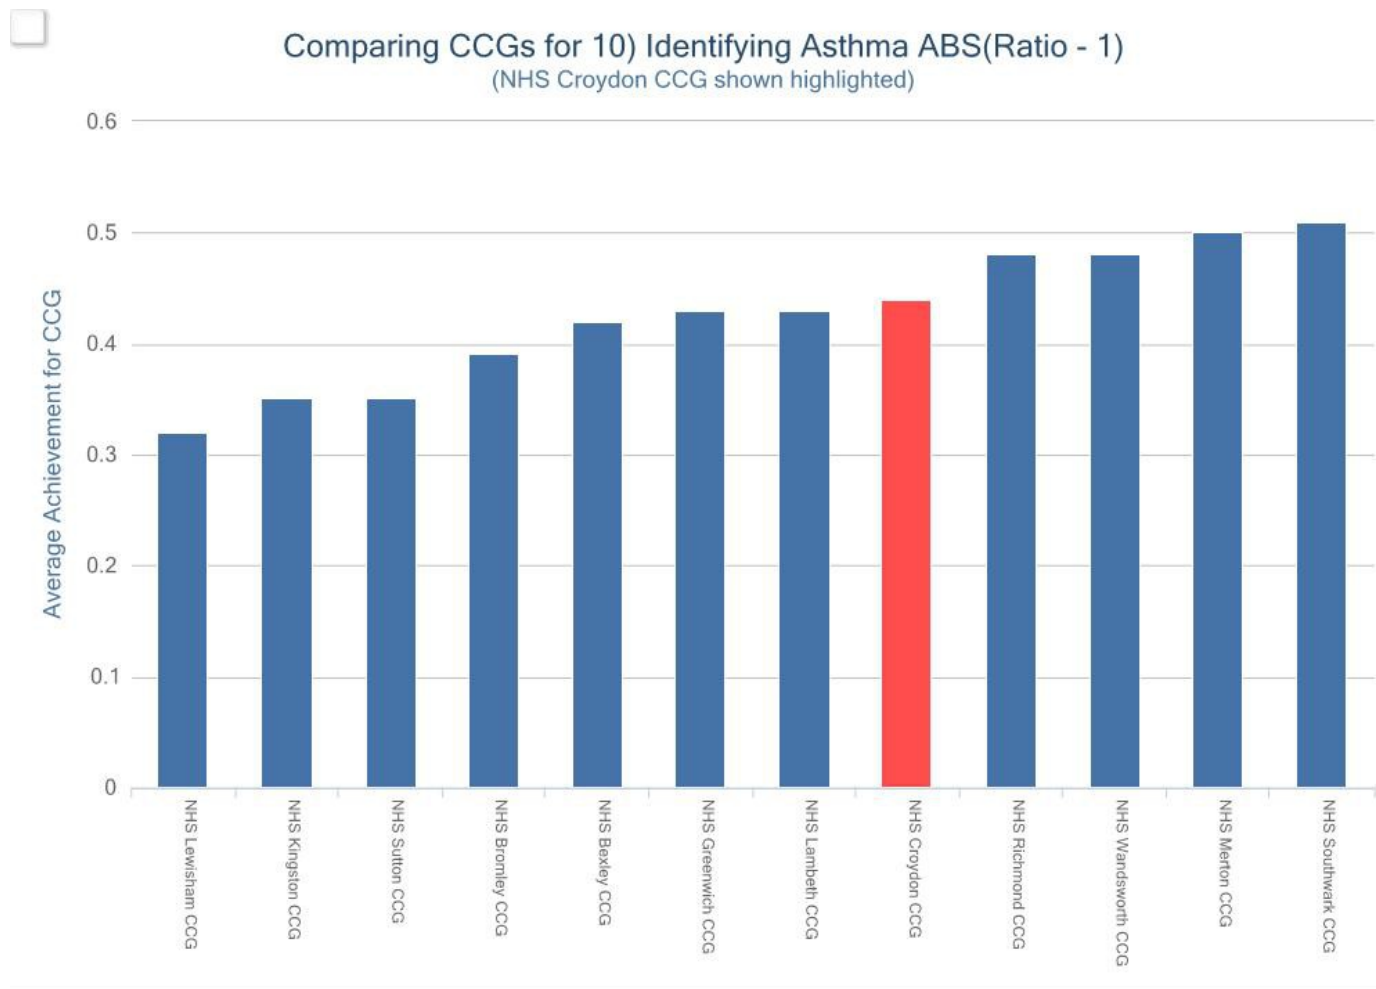

9) Identifying COPD ABS(Ratio - 1)

Most recent datapoints for each practice in

Generated by the Primary Care Web Tool 4-10-2014

Croydon CCG compared to other CCG within the Area Team

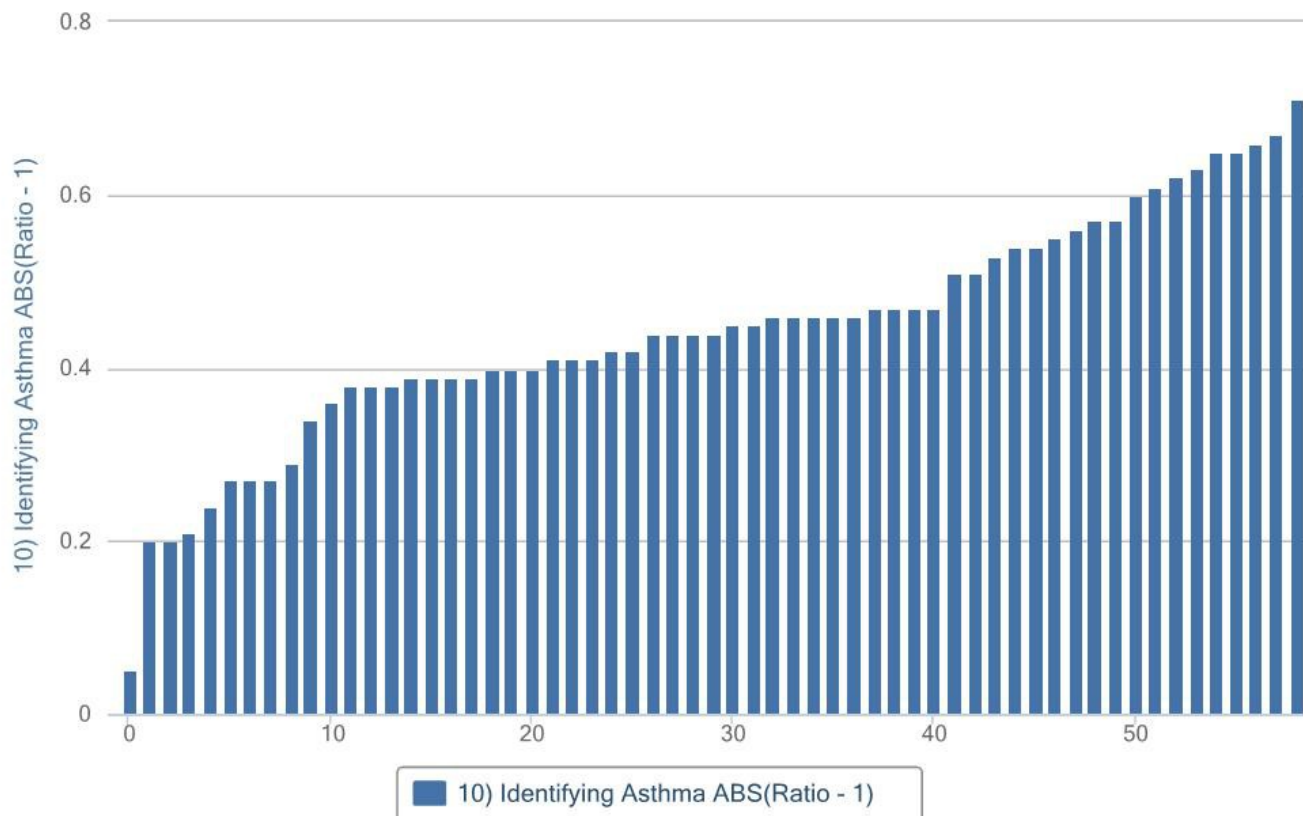

Practice variation within Croydon CCG for those General Practice Outcomes Standards where practice level data is available

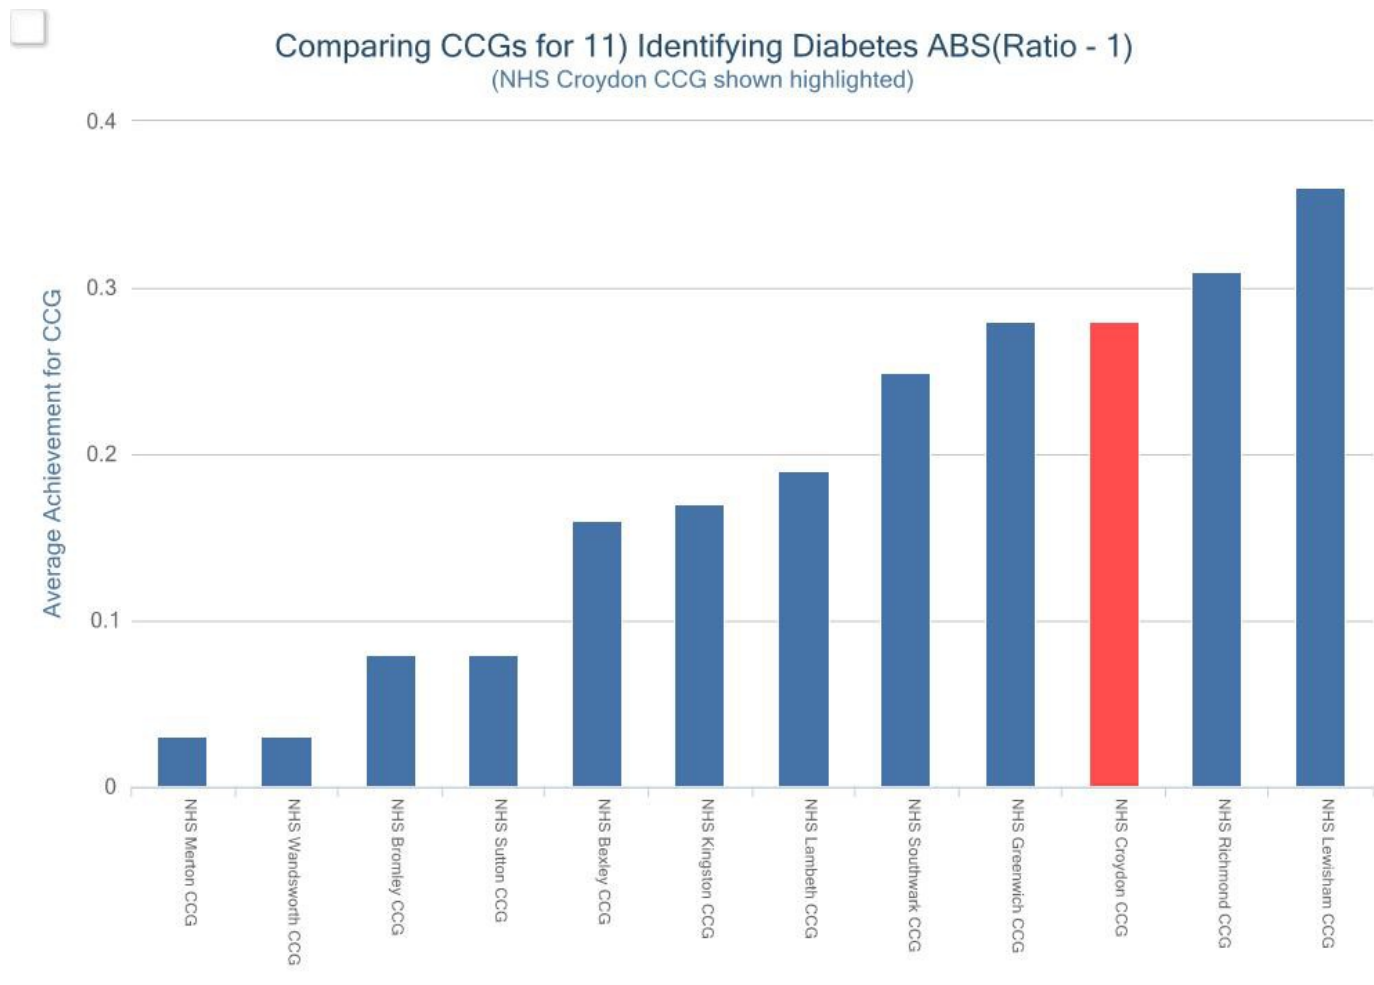

10) Identifying Asthma ABS(Ratio - 1)

Most recent datapoints for each practice in

Generated by the Primary Care Web Tool 3-10-2014

Croydon CCG compared to other CCG within the Area Team

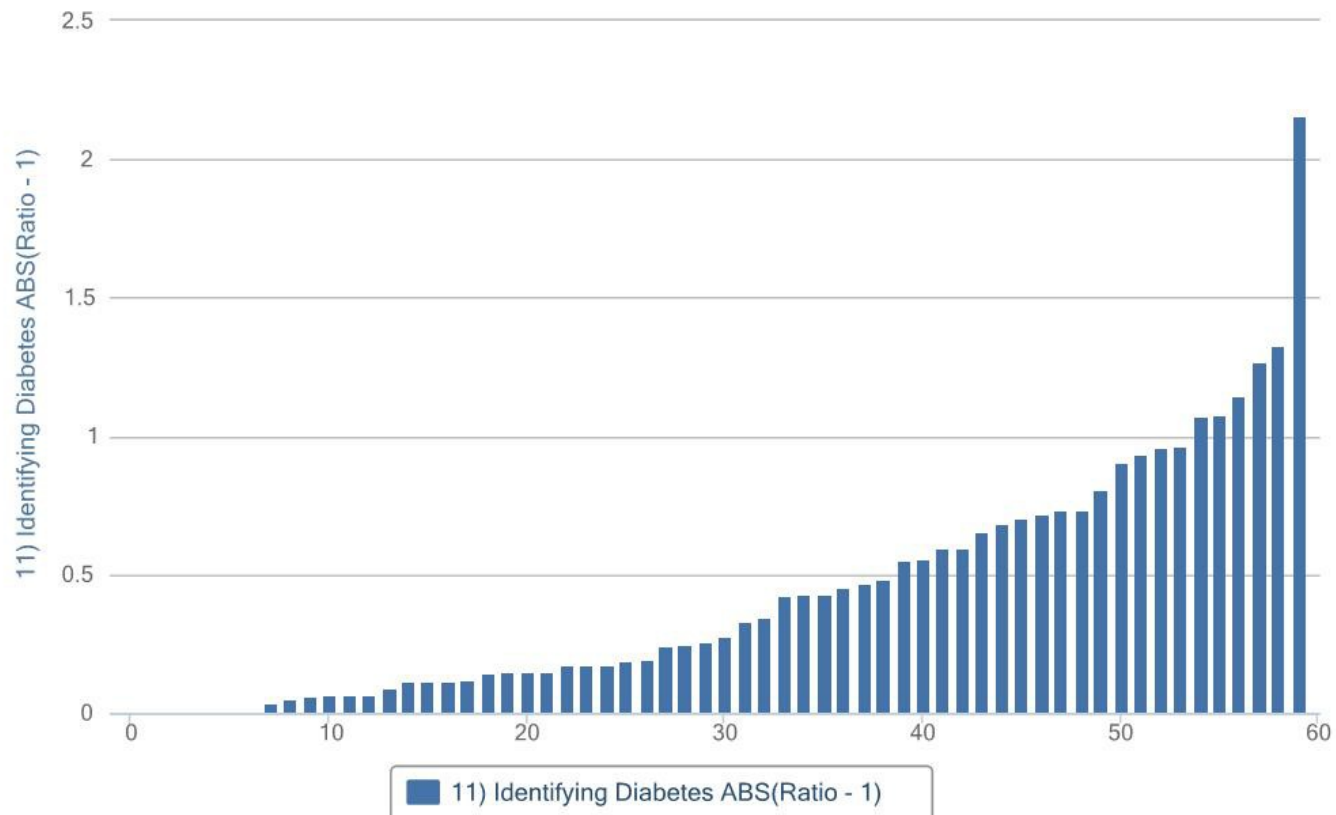

Practice variation within Croydon CCG for those General Practice Outcomes Standards where practice level data is available

11) Identifying Diabetes ABS(Ratio - 1)

Most recent datapoints for each practice in

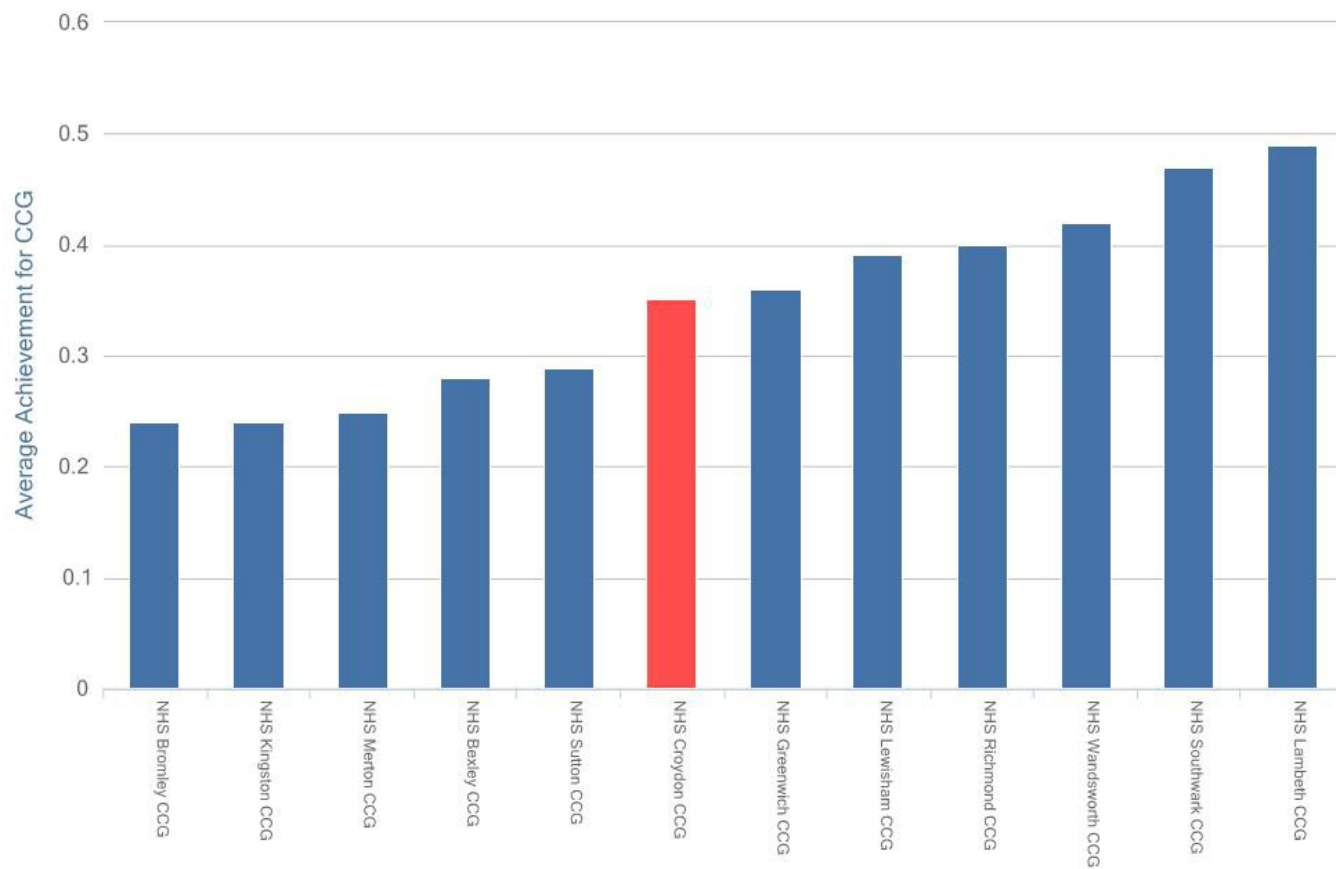

Generated by the Primary Care Web Tool 3-10-2014

Croydon CCG compared to other CCG within the Area Team

Comparing CCGs for 12) Identifying CHD ABS(Ratio - 1)
(NHS Croydon CCG shown highlighted)

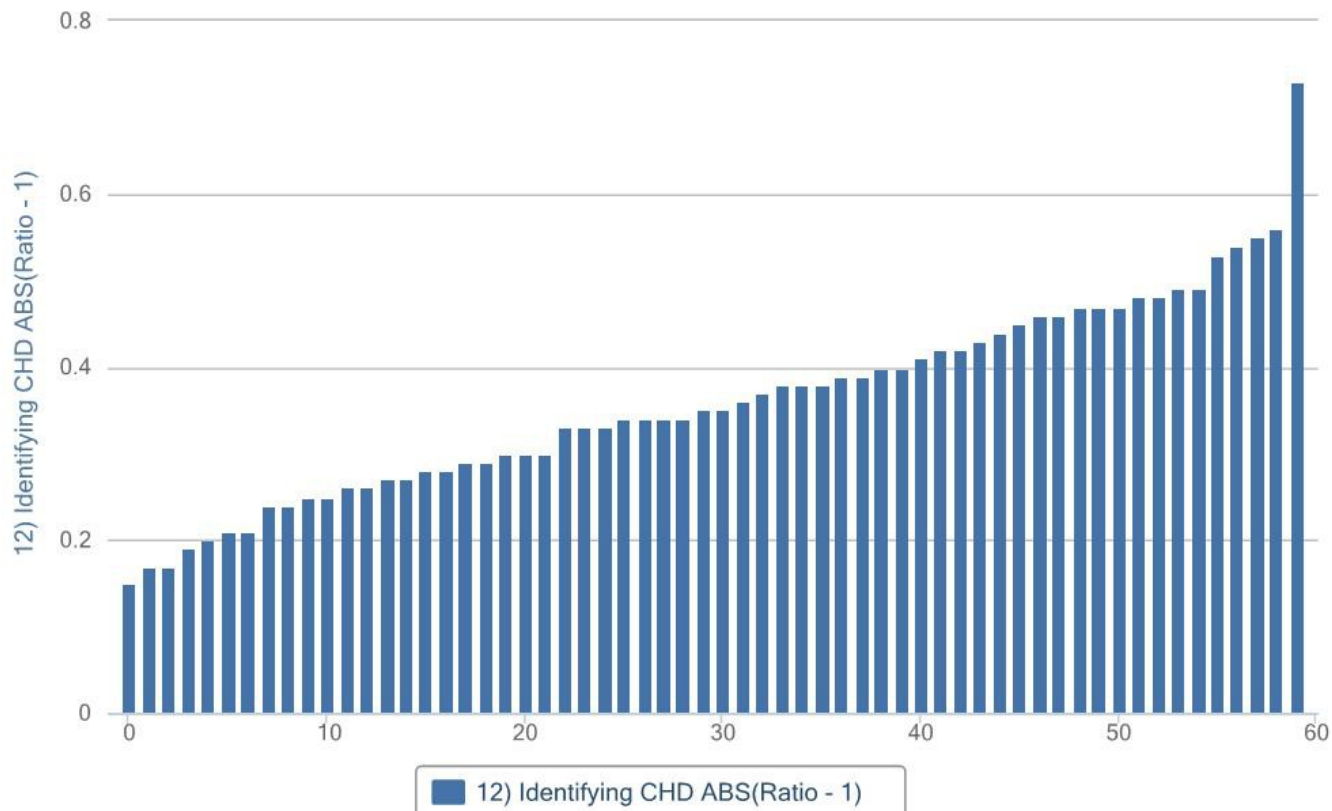

Practice variation within Croydon CCG for those General Practice Outcomes Standards where practice level data is available

12) Identifying CHD ABS(Ratio - 1)

Most recent datapoints for each practice in

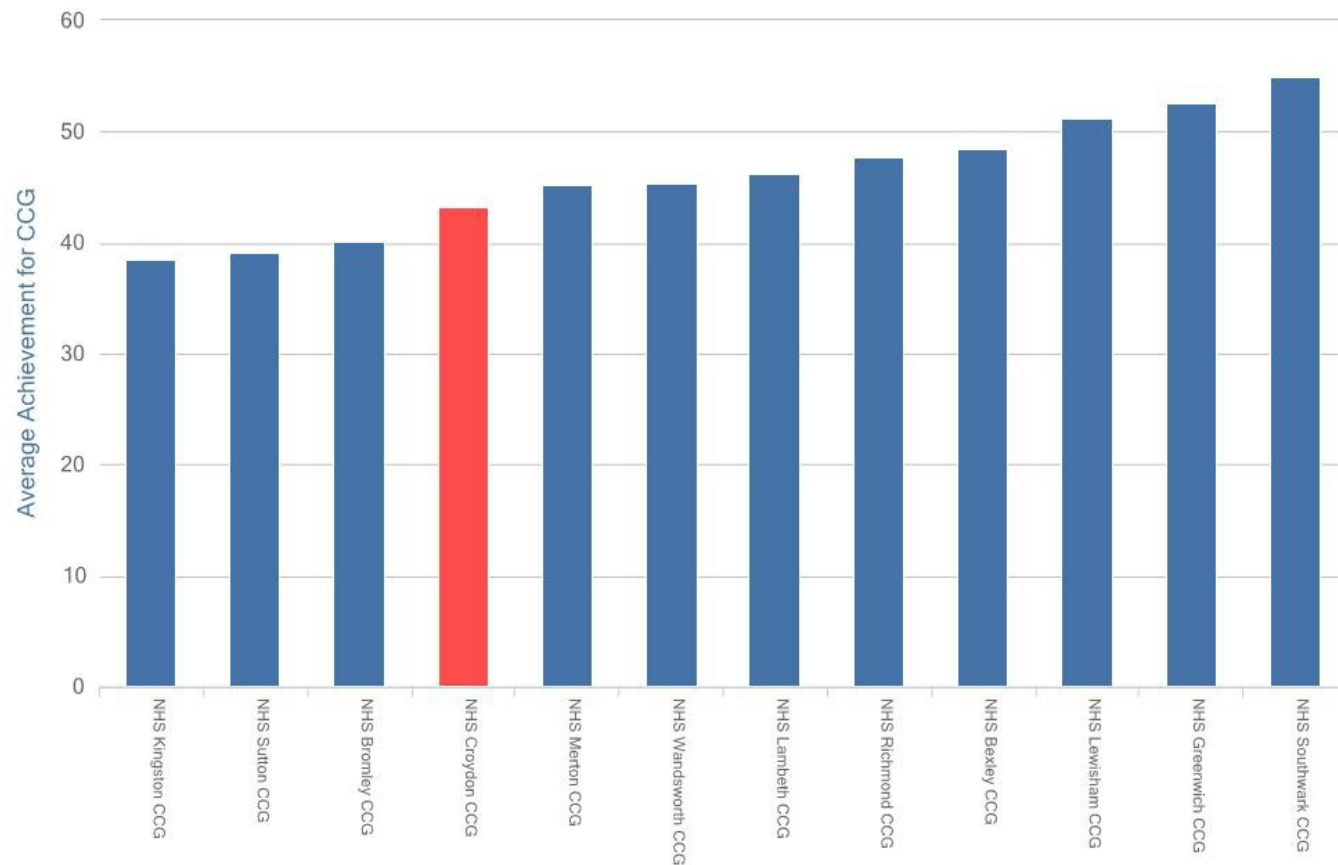

Generated by the Primary Care Web Tool 3-10-2014

Croydon CCG compared to other CCG within the Area Team

Comparing CCGs for 13a) Dementia Diagnosis Rate (Adjusted)
(NHS Croydon CCG shown highlighted)

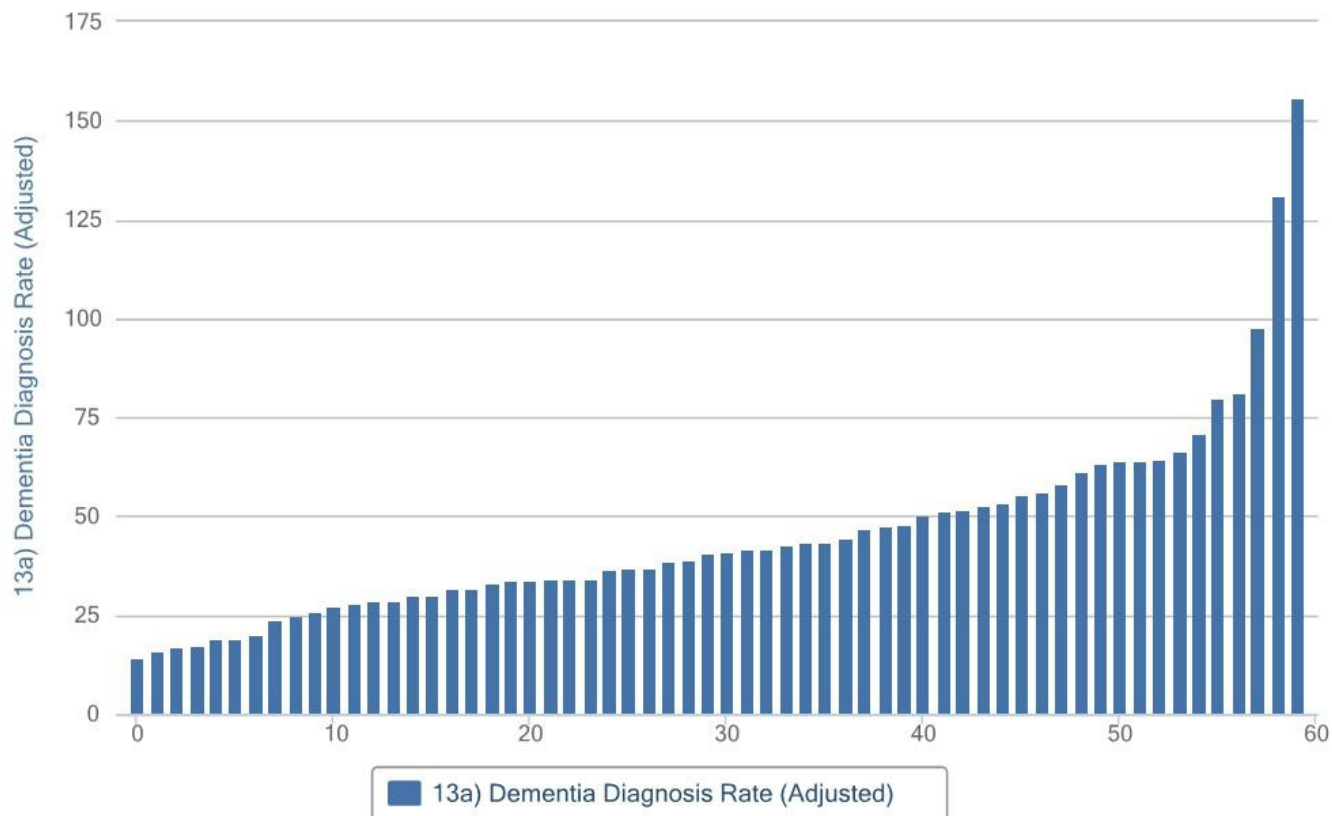

Practice variation within Croydon CCG for those General Practice Outcomes Standards where practice level data is available

13a) Dementia Diagnosis Rate (Adjusted)

Most recent datapoints for each practice in

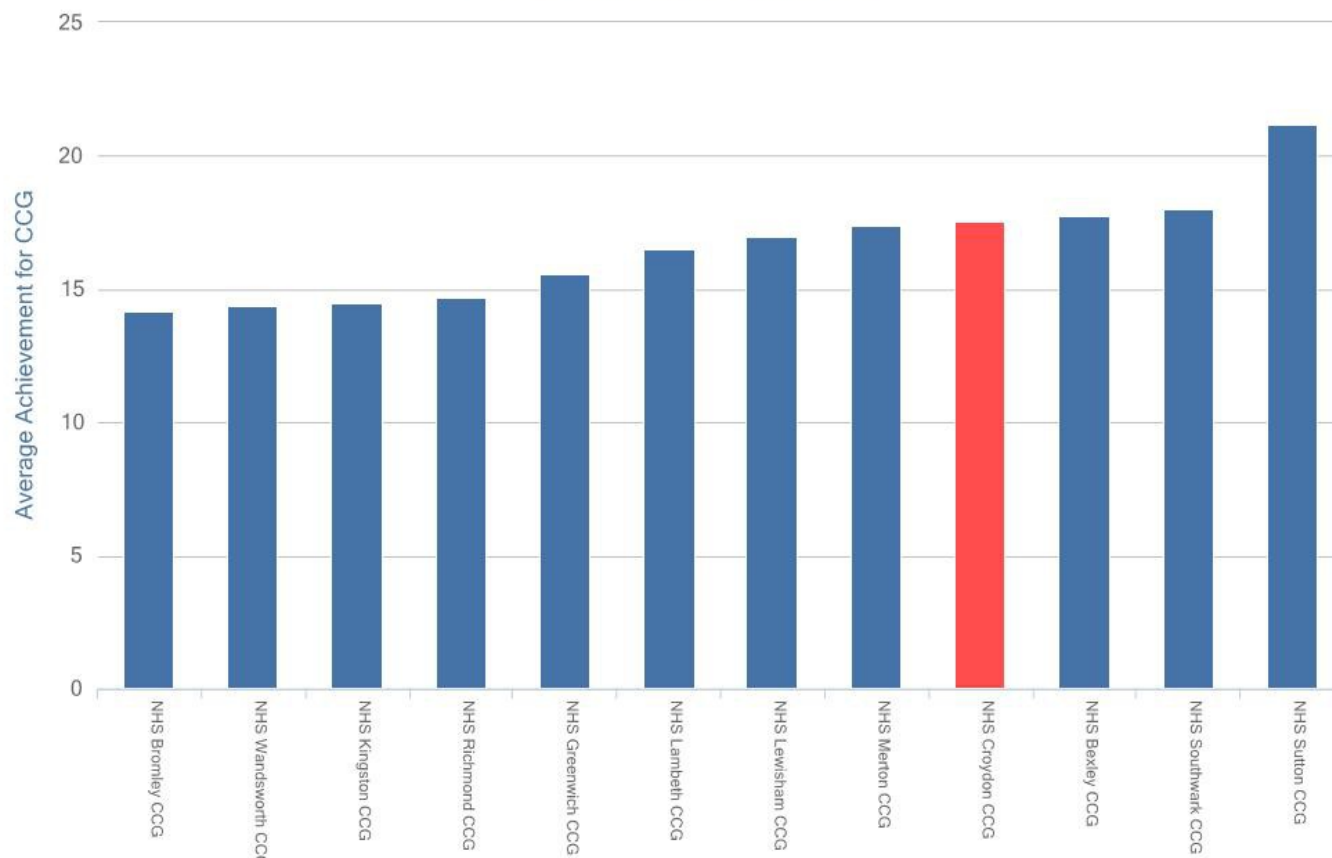

Generated by the Primary Care Web Tool 3-10-2014

Croydon CCG compared to other CCG within the Area Team

Comparing CCGs for 15) Emergency LTC Admissions
(NHS Croydon CCG shown highlighted)

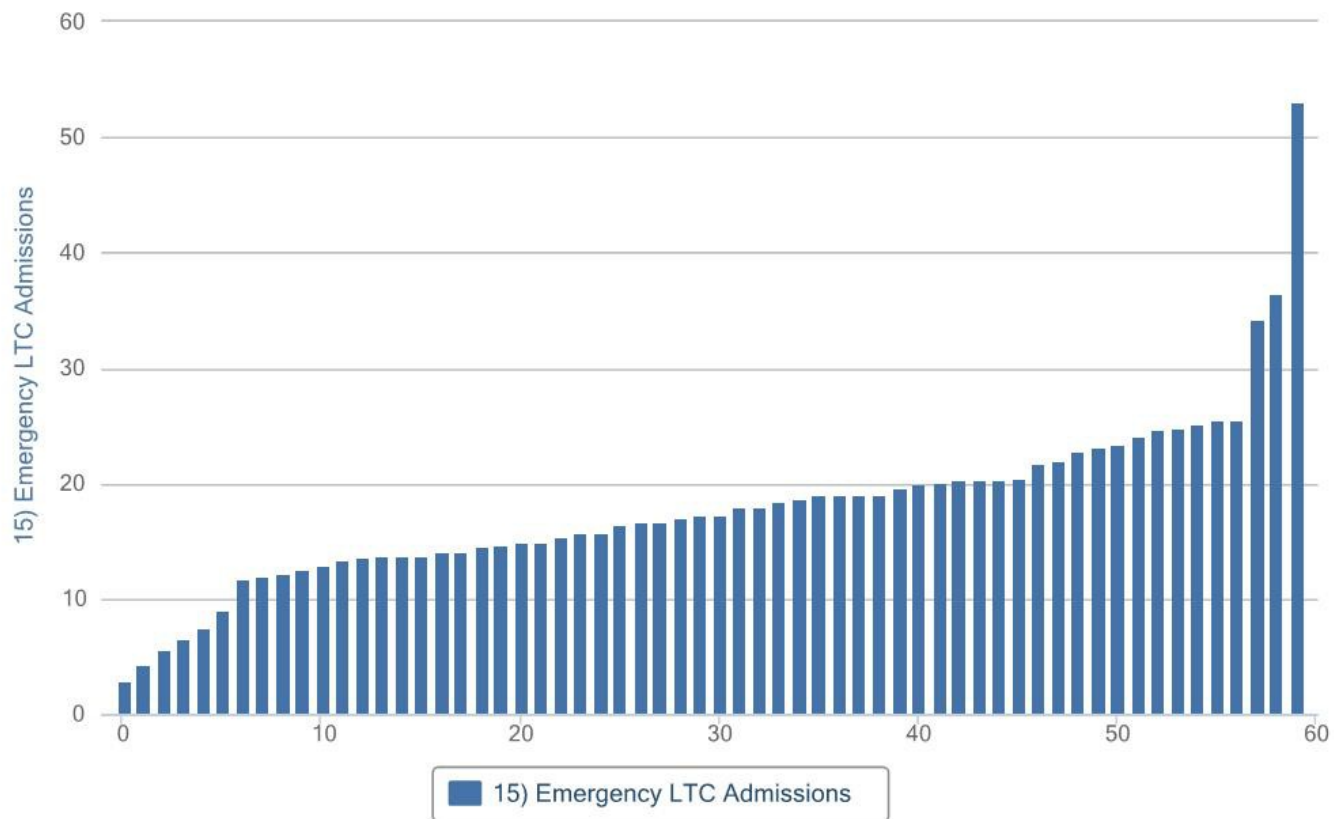

Practice variation within Croydon CCG for those General Practice Outcomes Standards where practice level data is available

15) Emergency LTC Admissions

Most recent datapoints for each practice in

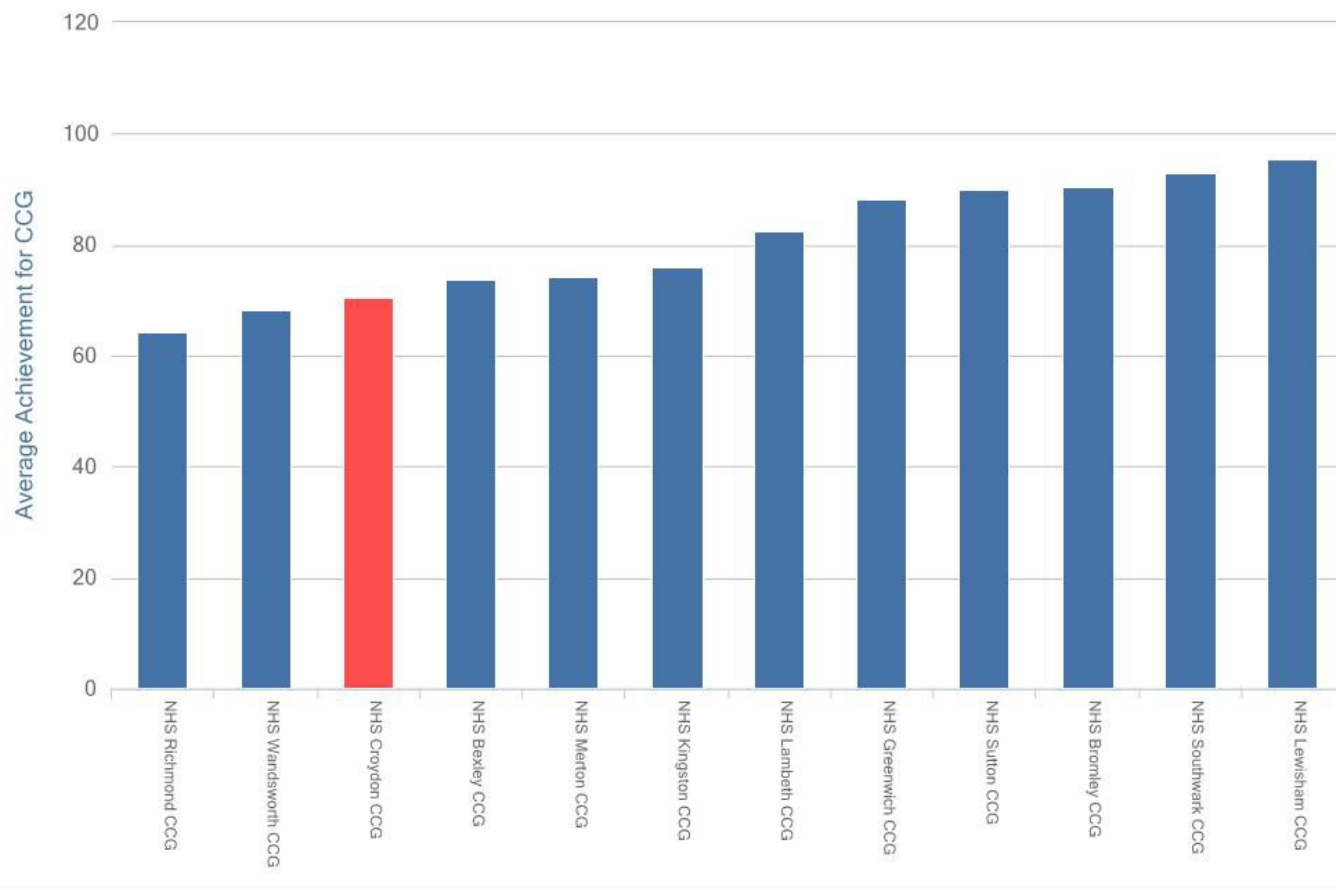

Generated by the Primary Care Web Tool 6-10-2014

Croydon CCG compared to other CCG within the Area Team

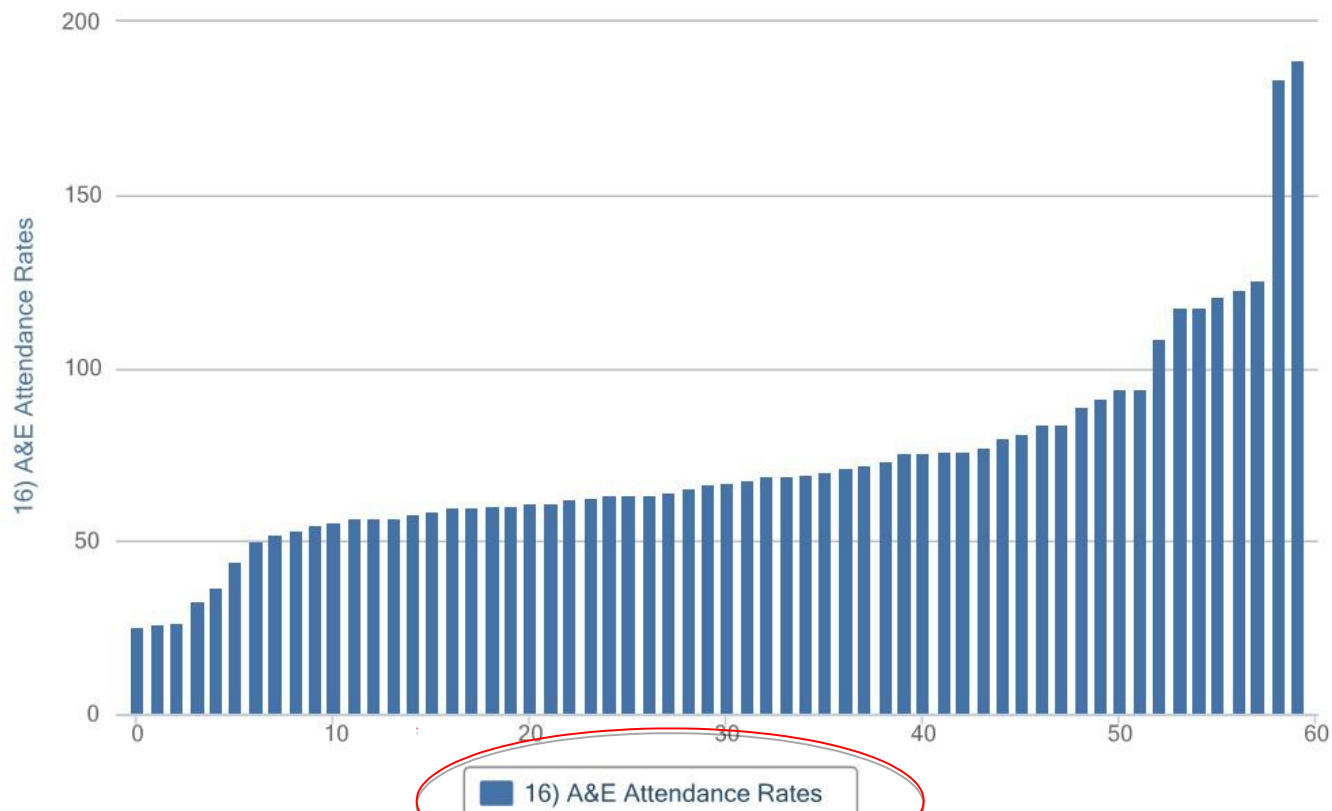

Comparing CCGs for 16) A&E Attendance Rates
(NHS Croydon CCG shown highlighted)

Practice variation within Croydon CCG for those General Practice Outcomes Standards where practice level data is available

Practice variation within Croydon CCG for those General Practice Outcomes Standards where practice level data is available

17) Satisfaction (Quality) a-g
Most recent datapoints for each practice in

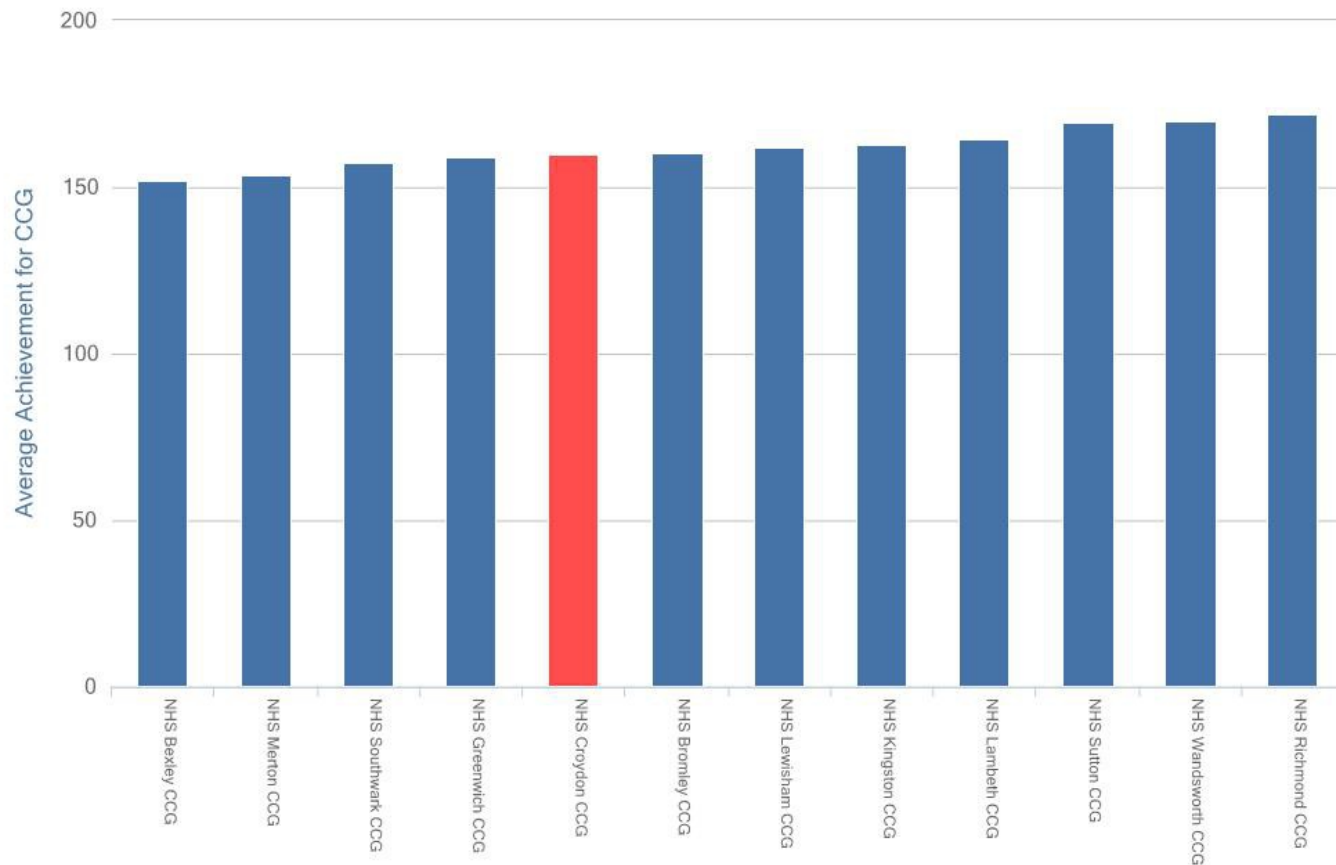

Generated by the Primary Care Web Tool 6-10-2014

Croydon CCG compared to other CCG within the Area Team

Comparing CCGs for 18) Satisfaction (Overall Care) a-b
(NHS Croydon CCG shown highlighted)

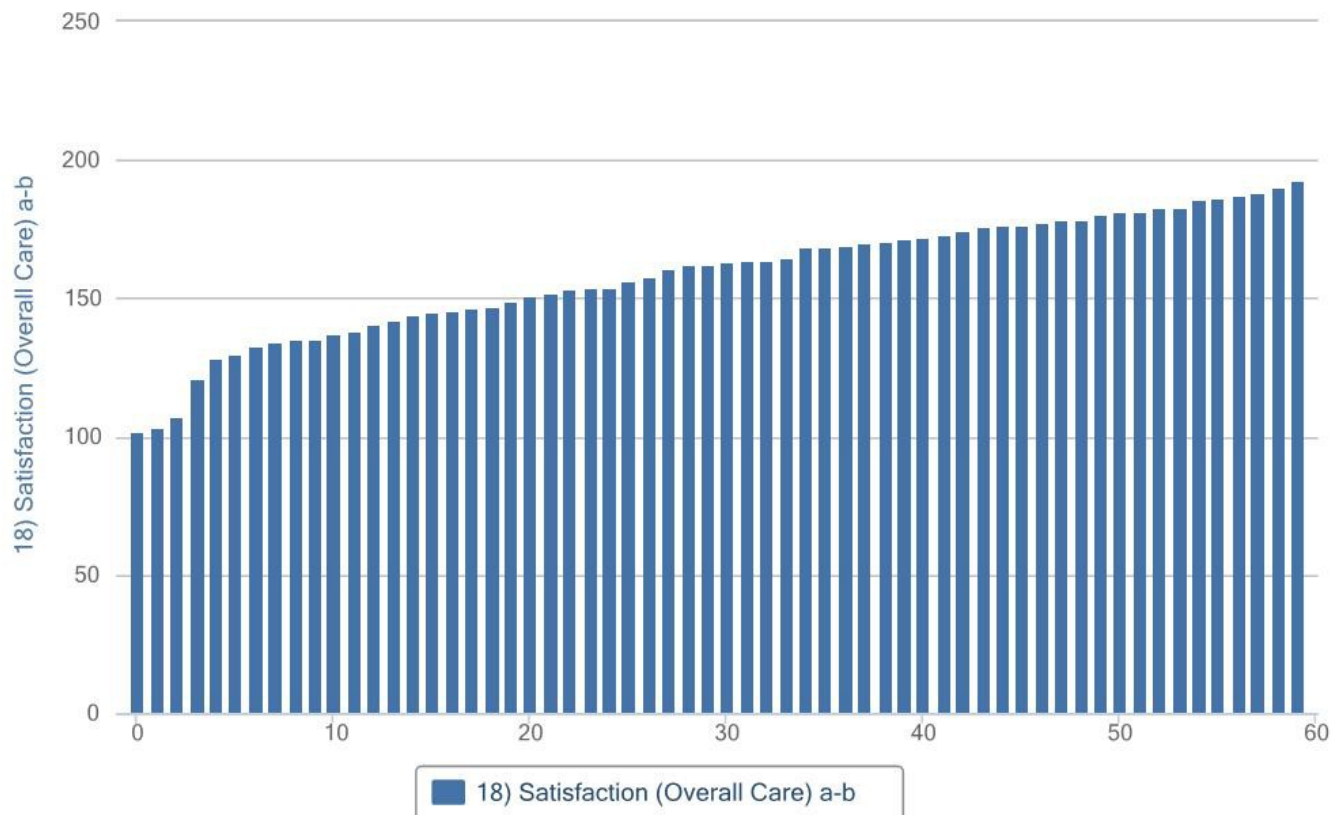

Practice variation within Croydon CCG for those General Practice Outcomes Standards where practice level data is available

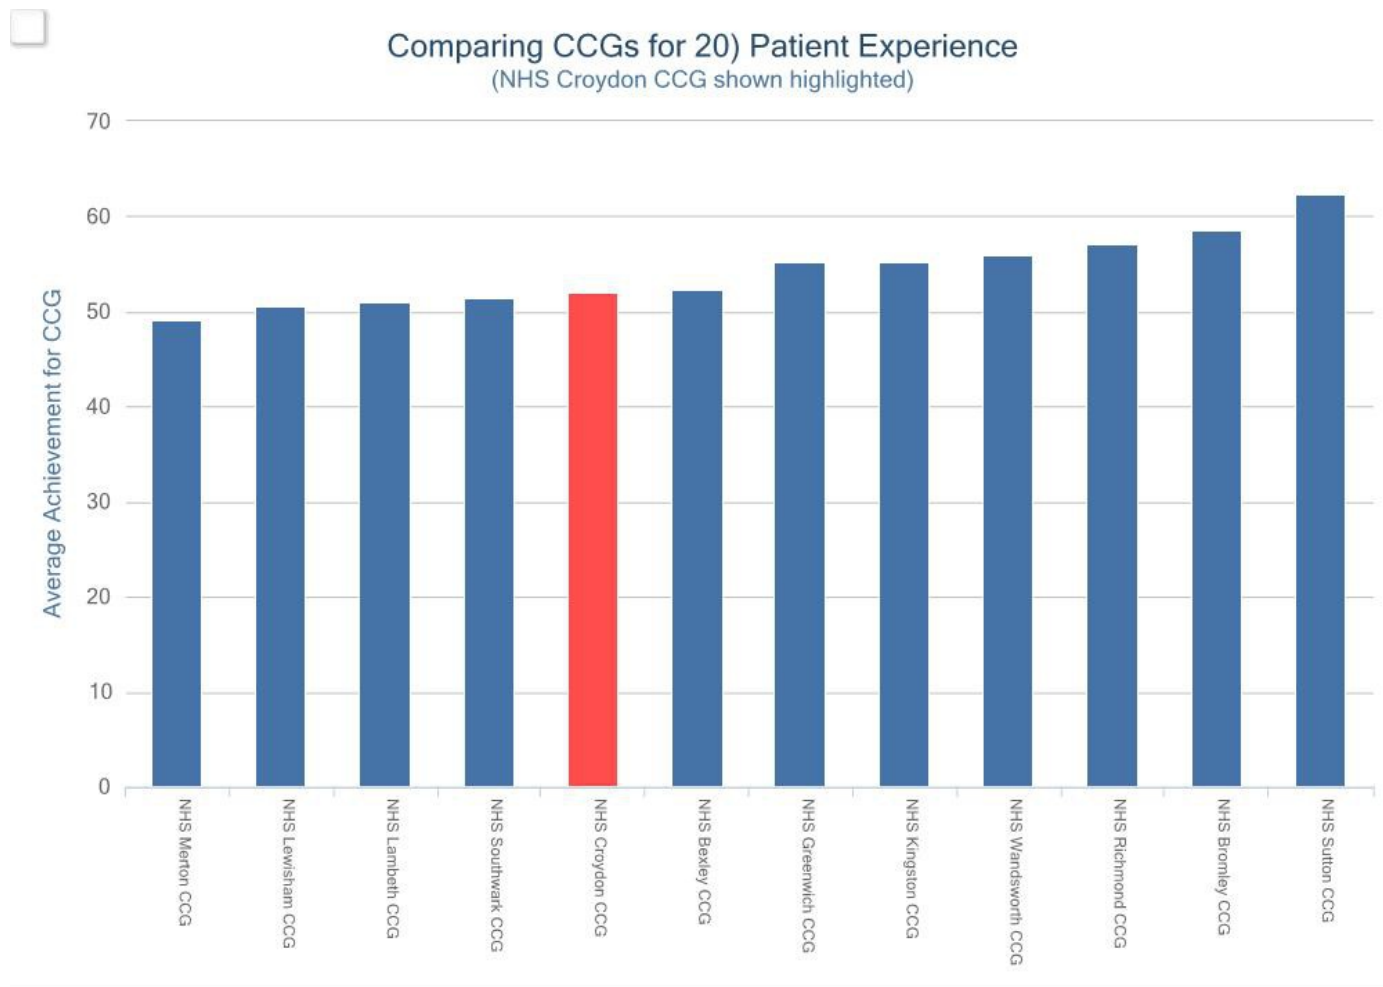

18) Satisfaction (Overall Care) a-b

Most recent datapoints for each practice in

Generated by the Primary Care Web Tool 6-10-2014

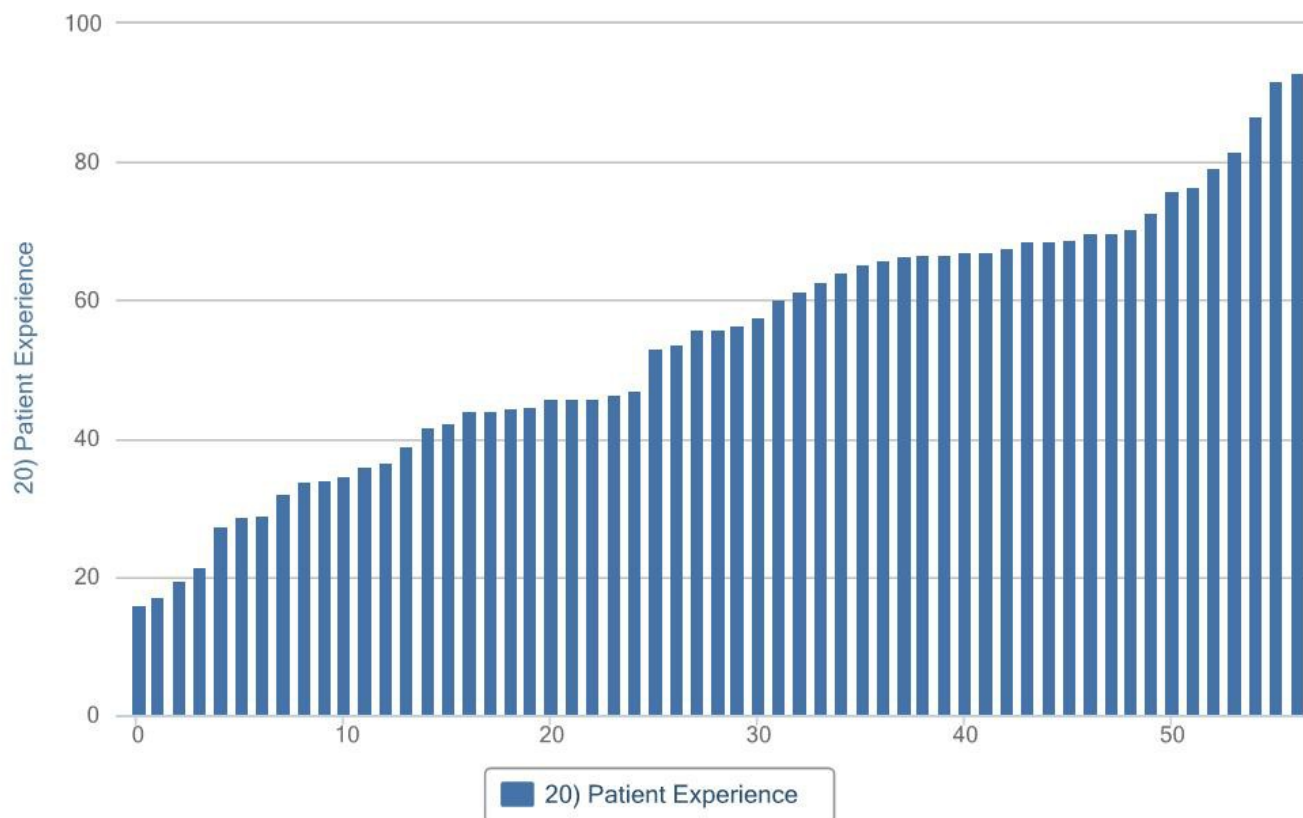

Croydon CCG compared to other CCG within the Area Team

Practice variation within Croydon CCG for those General Practice Outcomes Standards where practice level data is available

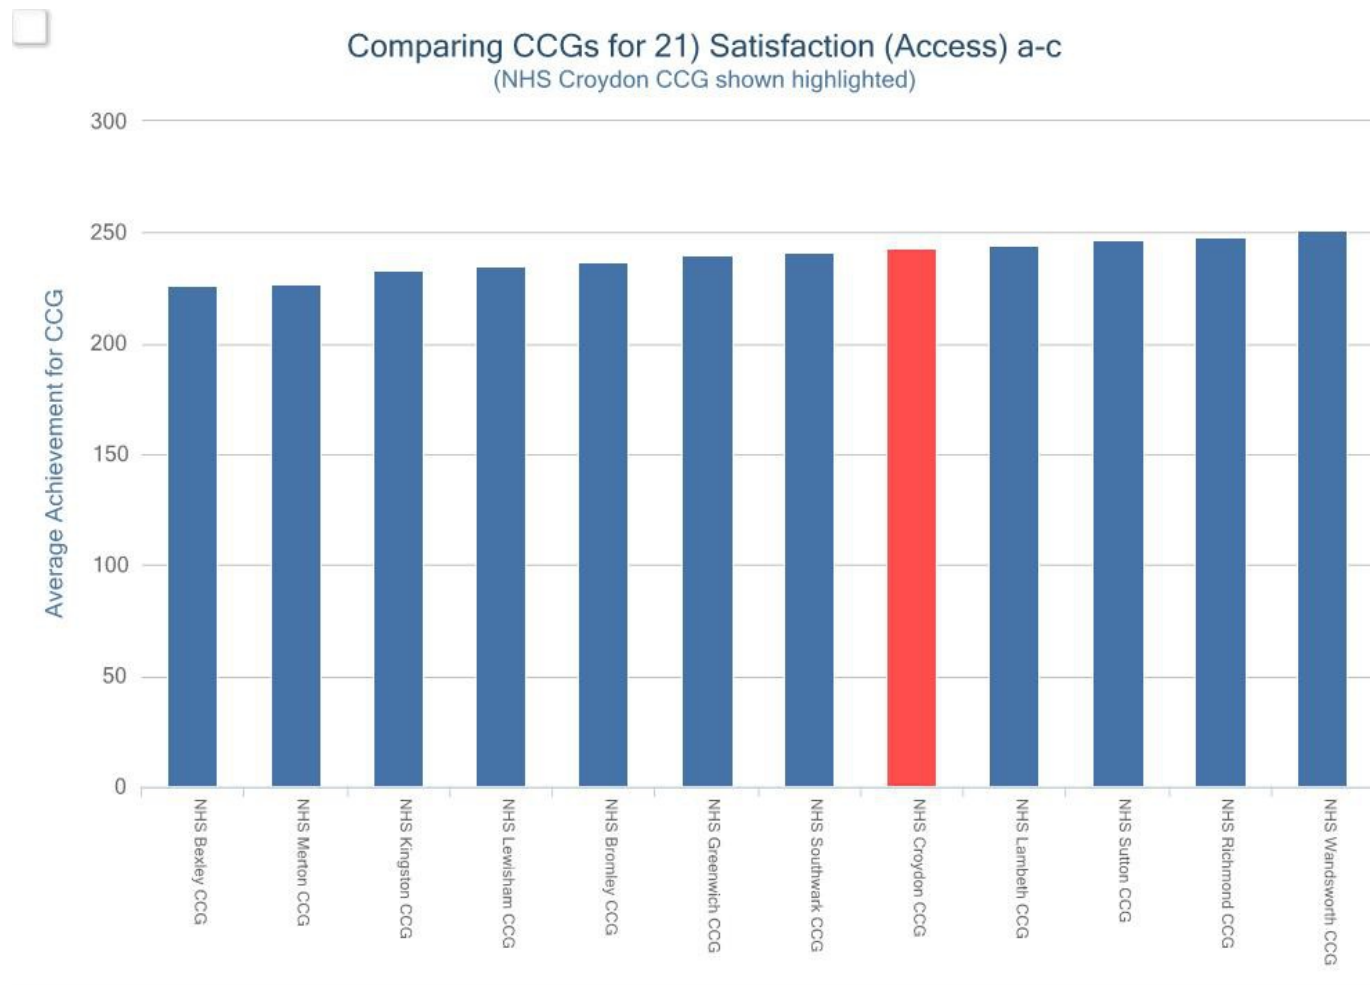

20) Patient Experience
Most recent datapoints for each practice in

Generated by the Primary Care Web Tool 6-10-2014

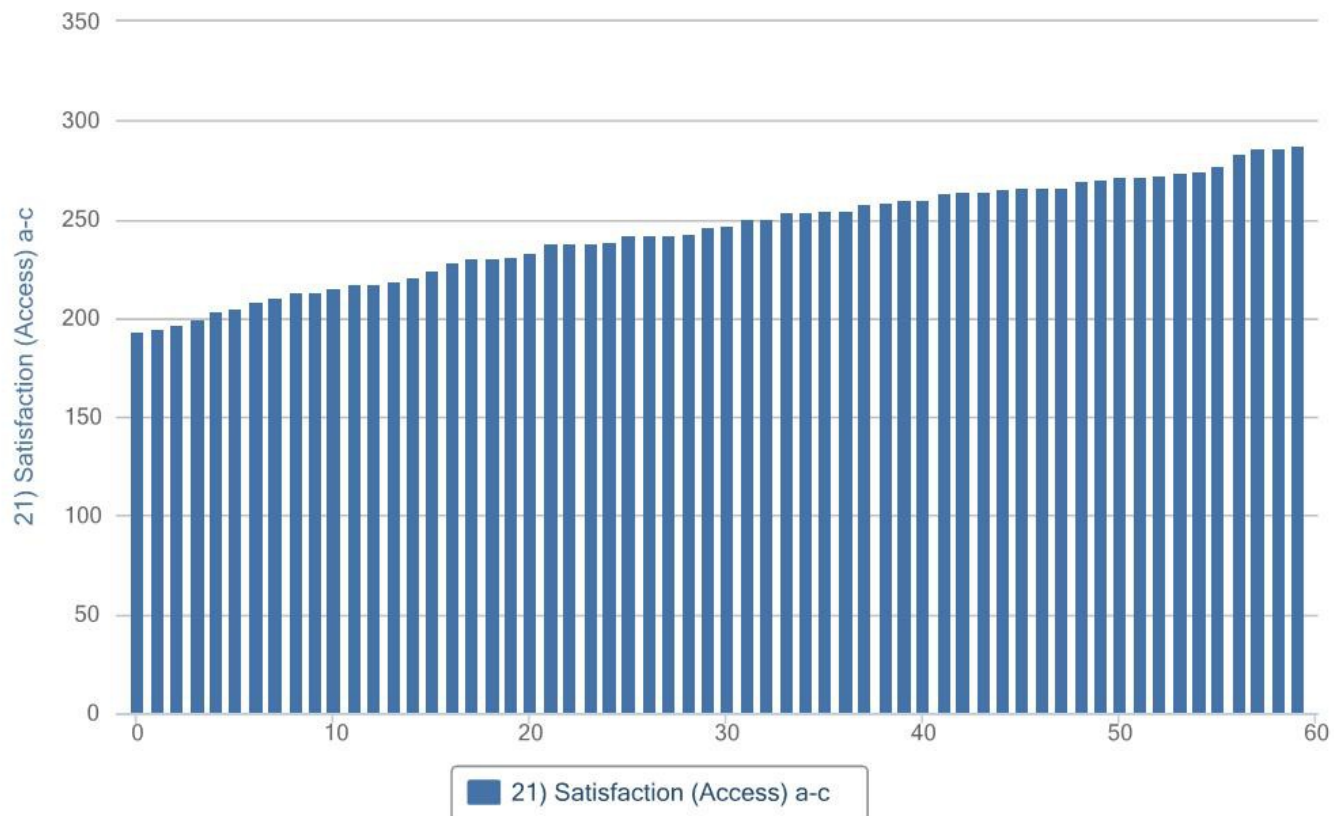

Croydon CCG compared to other CCG within the Area Team

Practice variation within Croydon CCG for those General Practice Outcomes Standards where practice level data is available

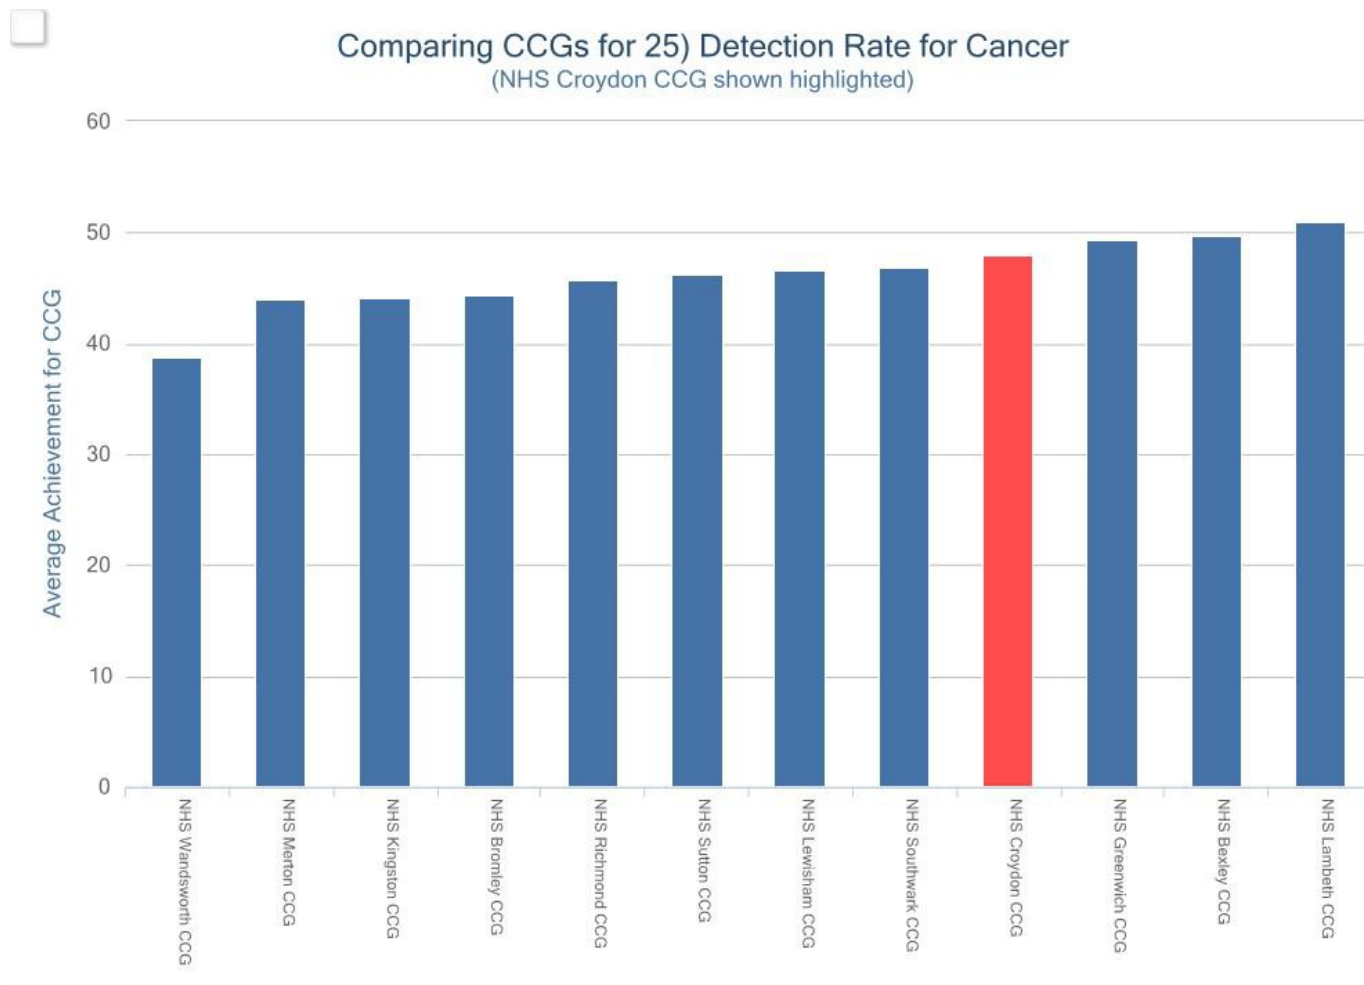

21) Satisfaction (Access) a-c
Most recent datapoints for each practice in

Generated by the Primary Care Web Tool 6-10-2014

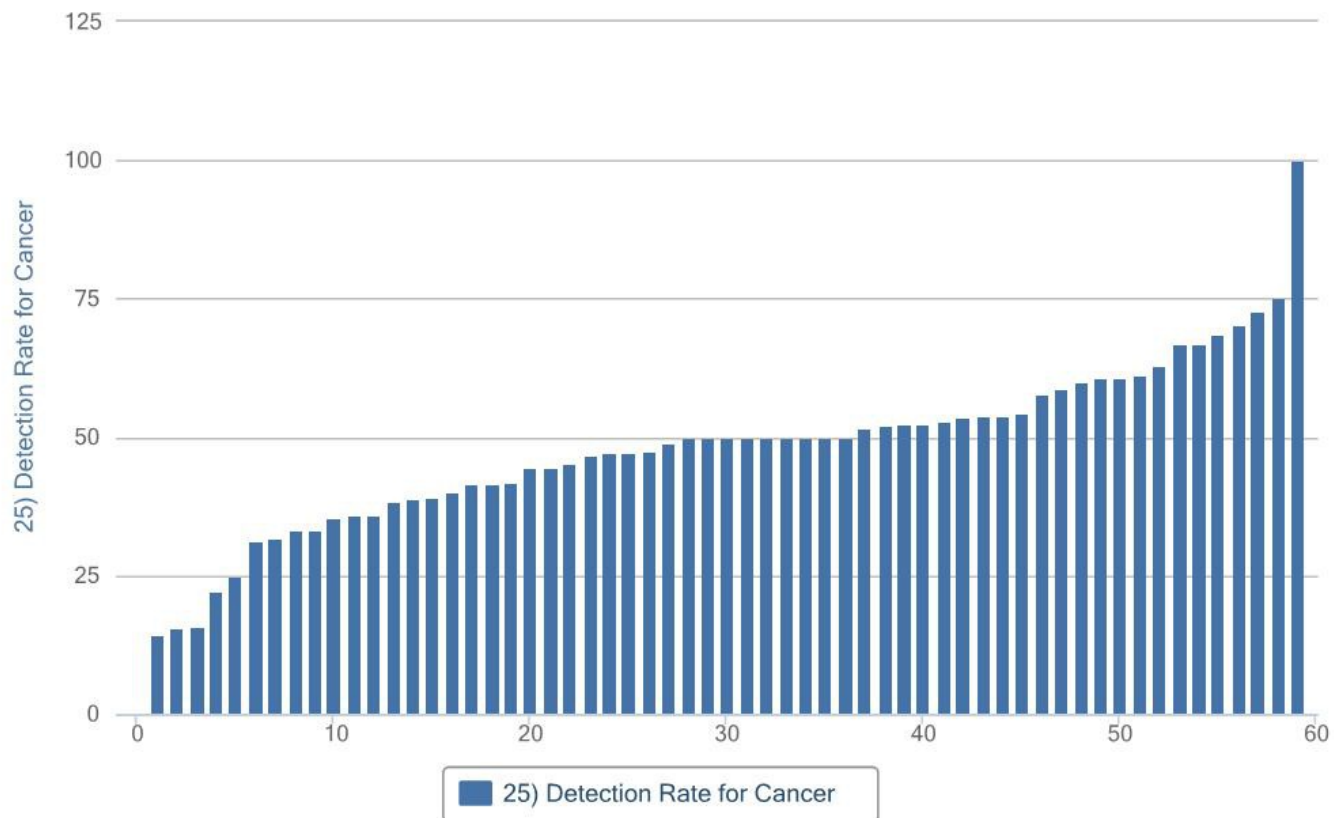

Croydon CCG compared to other CCG within the Area Team

Practice variation within Croydon CCG for those General Practice Outcomes Standards where practice level data is available

25) Detection Rate for Cancer
Most recent datapoints for each practice in

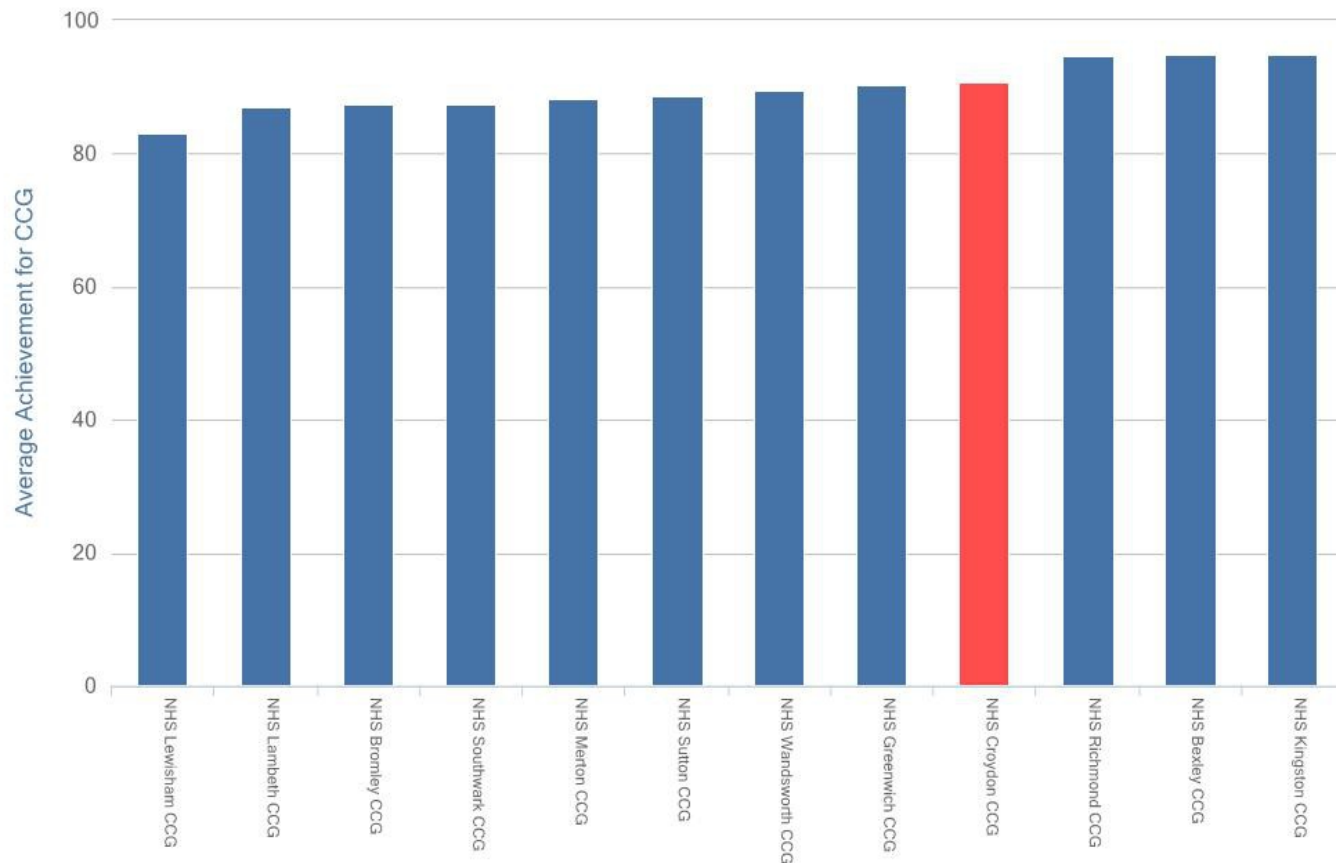

Generated by the Primary Care Web Tool 6-10-2014

Croydon CCG compared to other CCG within the Area Team

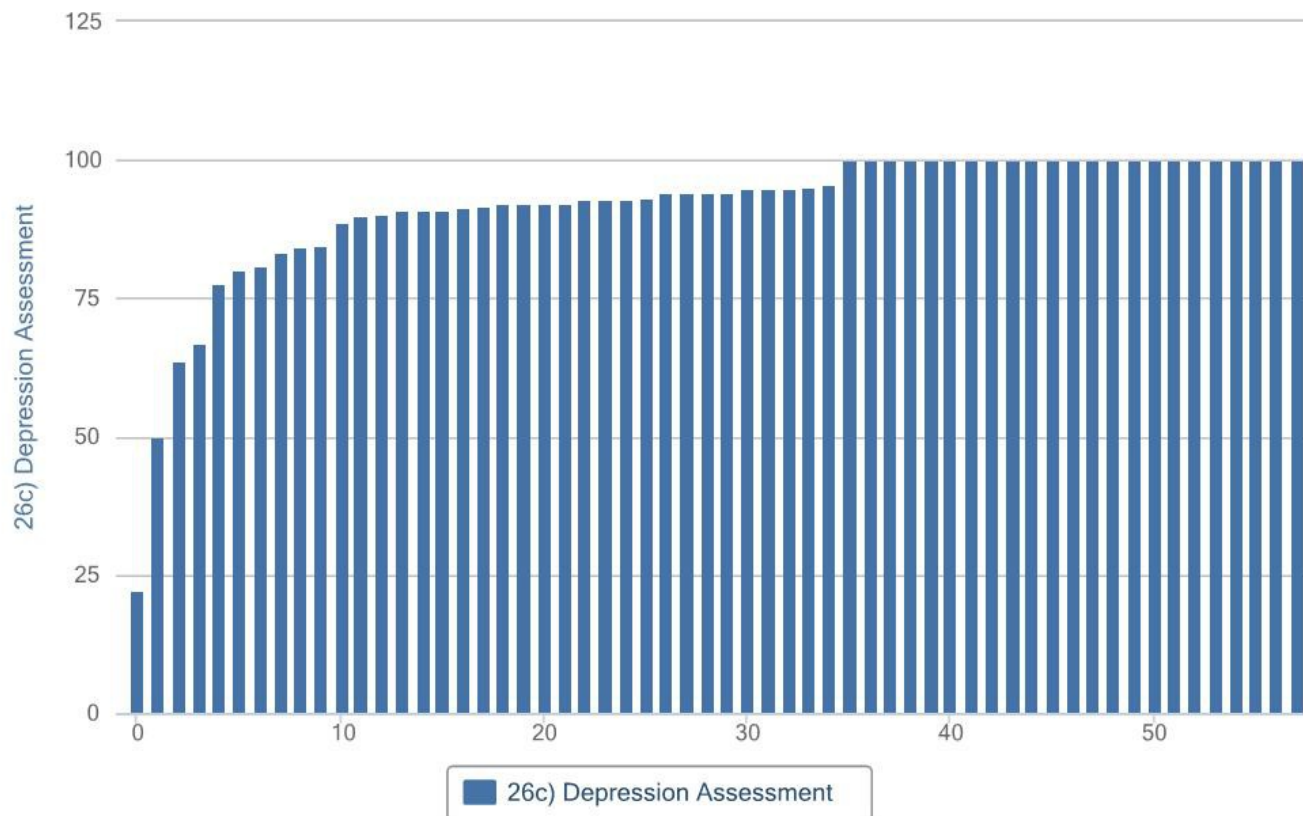

Comparing CCGs for 26c) Depression Assessment
(NHS Croydon CCG shown highlighted)

Practice variation within Croydon CCG for those General Practice Outcomes Standards where practice level data is available

26c) Depression Assessment
Most recent datapoints for each practice in

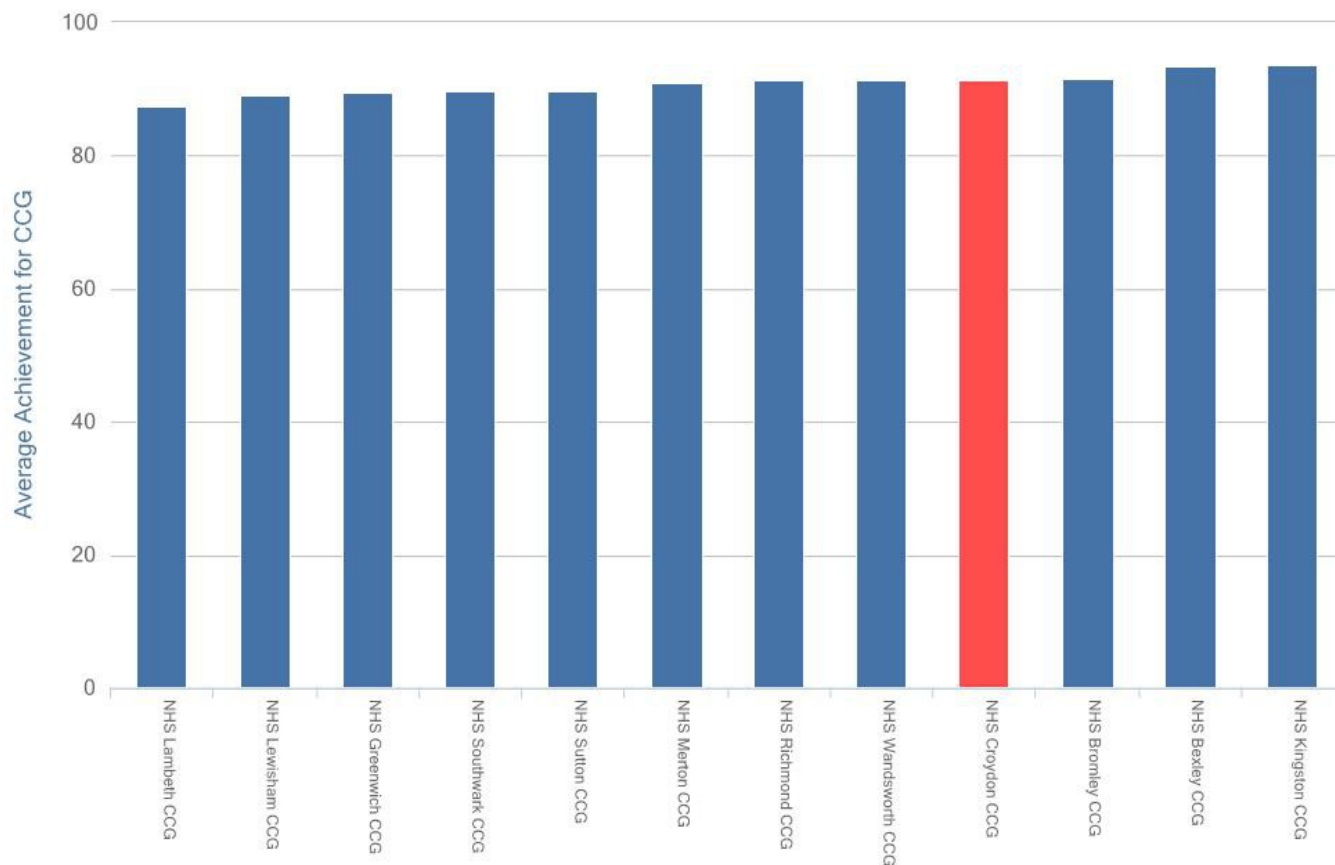

Generated by the Primary Care Web Tool 6-10-2014

Croydon CCG compared to other CCG within the Area Team

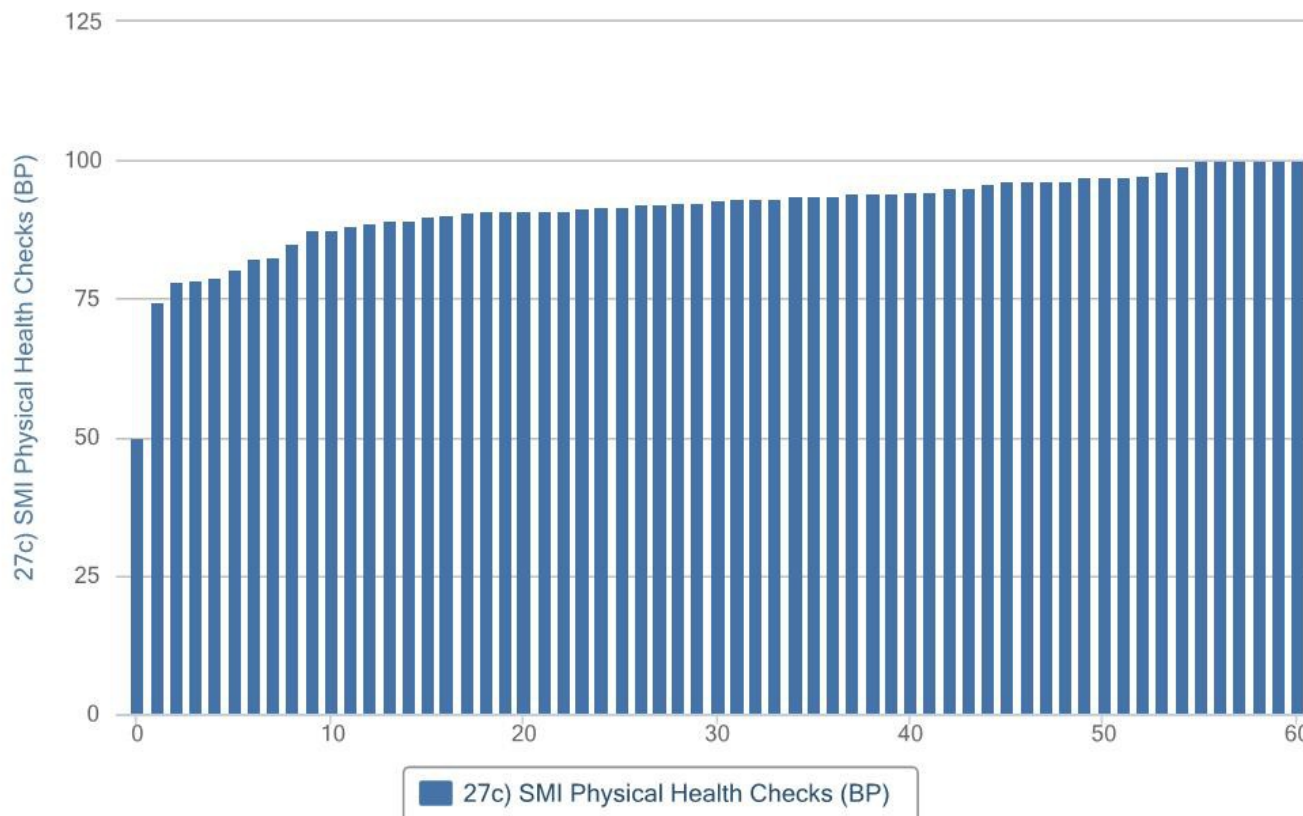

Comparing CCGs for 27c) SMI Physical Health Checks (BP)
(NHS Croydon CCG shown highlighted)

27c) SMI Physical Health Checks (BP)

Most recent datapoints for each practice in

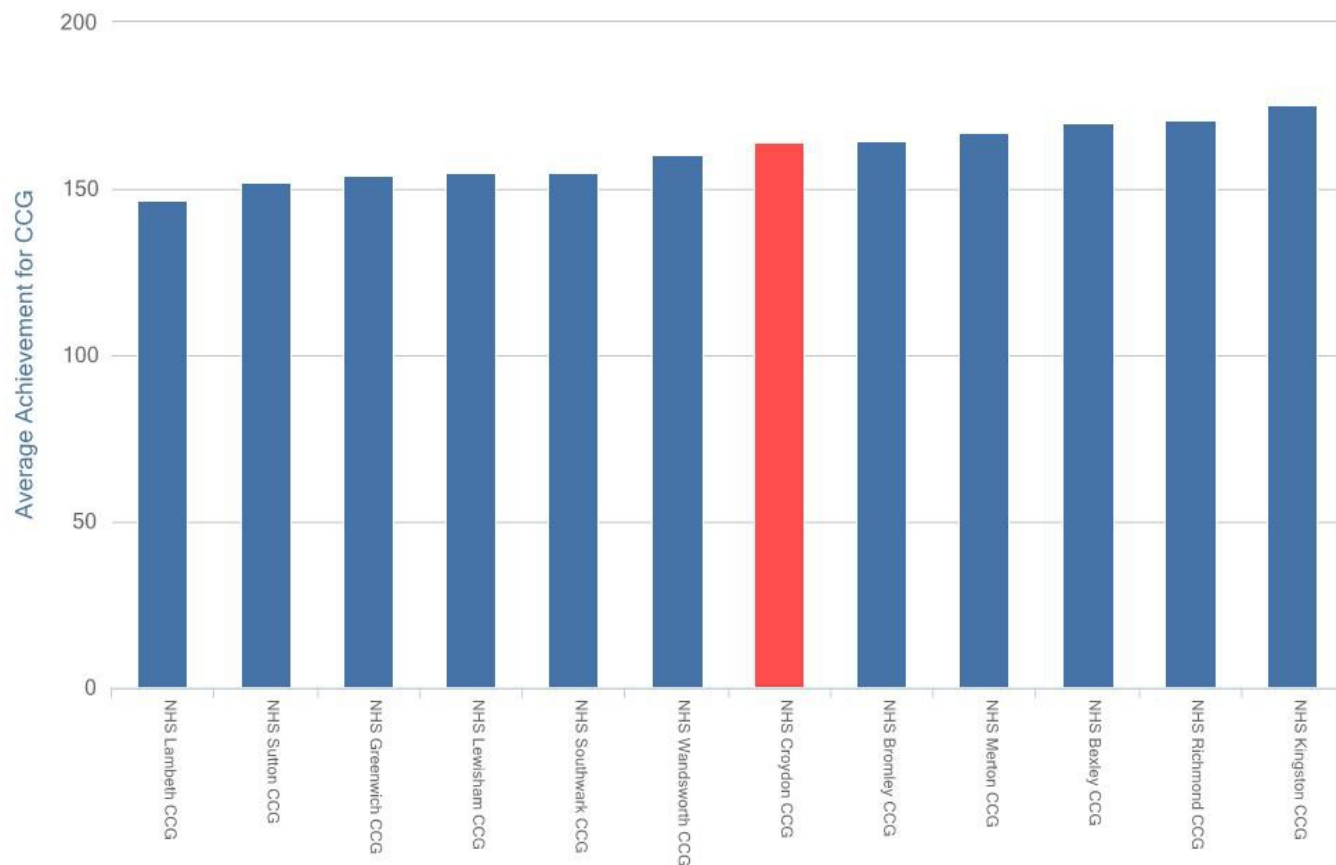

Generated by the Primary Care Web Tool 6-10-2014

Croydon CCG compared to other CCG within the Area Team

Comparing CCGs for 27d) SMI Physical Health Check (d1+d2)
(NHS Croydon CCG shown highlighted)

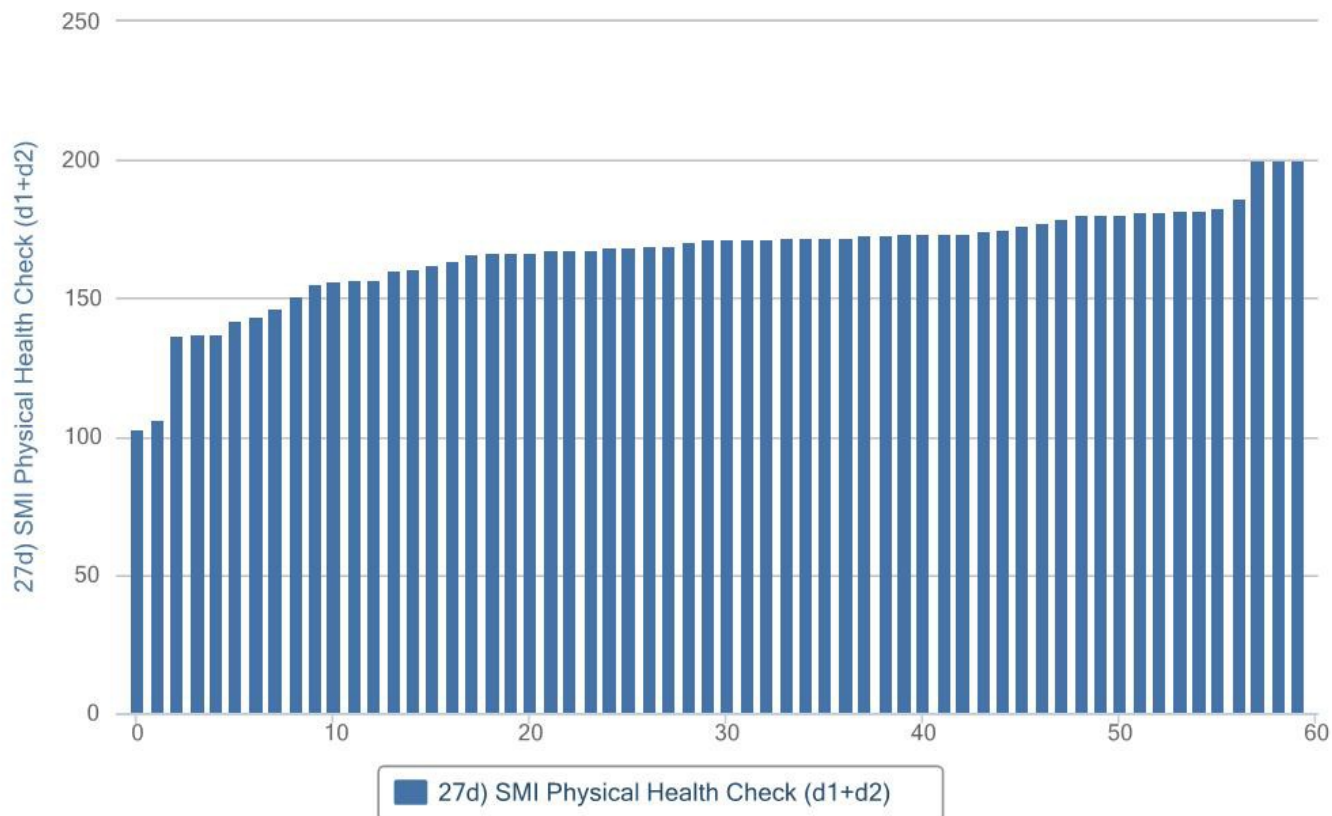

Practice variation within Croydon CCG for those General Practice Outcomes Standards where practice level data is available

27d) SMI Physical Health Check (d1 d2)

Most recent datapoints for each practice in

Generated by the Primary Care Web Tool 6-10-2014

Discussion

- Note variability between practices for different indicators
- Not variation between CCGs in S London
