

APPENDIX F

Applicant: Mr Mohammed Kafeel

Location: On the footway outside 16a & 16b High Street Thornton Heath Surrey CR7 8BF

Measurements: The measurement from the shop window to the edge of the pavement is 5.33 m. The applicant has applied for a trading area of 1.14 m, which leaves a clear pavement width of 4.19m. High Street is maintained by Croydon Council and the required clear pavement width is 2 m.

A total length of 4.24 m and a height of 2 m are also applied for.

Appendix F1 shows a plan of the site.
Appendix F2 is a photograph of the display.

Proposed Times of Trading:

Sunday to Saturday 0600 hours until 2200 hours

To Display: Fruit & Vegetables

1. Detailed Considerations

1.1 The application was received by the Planning & Environment Department on 22 February 2012.

A copy of the application is attached as Appendix F3.

This application was deferred from the meeting of the 16th May 2012 as the applicant was unable to attend that hearing due to a family bereavement.

1.2 The applicant was advised by letter that as this site is on High Street Thornton Heath and in accordance with Council Policy the Committee will generally be minded to refuse any further requests for designation, due to 'additional sites would have a detrimental impact on the safe and convenient passage of pedestrians in that part of the street', but will consider each request on its merits. A copy of the letter is attached as Appendix F4

1.3 The application was duly advertised in the Croydon Guardian, no objections were received.

1.4 The Police licensing Officers, Food Safety team, Planning, Highways, and parking services divisions were invited to comment on this application, no objections have been received.

- 1.5 The measurements outlined above have been checked and agreed by an Enforcement Officer during a site visit.

Would the Committee please note that the Council have recently painted permanent white lines on the pavement in this parade of shops. The owner of No 16a and 16b is also the owner of No 18 High Street where the display area was significantly reduced in width following the marking of the white lines, this is the reason why he is applying for the additional space at no's 16 a and 6b.

- 1.6 A temporary licence was issued to the applicant which is valid until 22.8.2012 pending the committee's decision. A copy is attached as Appendix F5.

- 1.7 There are 3 other nearby premises in High Street who currently hold a street trading licence. No 18 fruit and vegetables, no 20-22 household goods and no 26 fruit and vegetables.

The position of these sites are marked with a * and the site applied for is shaded on the attached map Appendix F6.

- 1.8 If the application for a street trading licence is granted the applicant will be invited to apply for a Street Trading Licence which will then be valid for a year

Dear Mr Kafeel

Subject: Street Designation Order
Address: 16a -16b High Street Thornton Heath

I acknowledge receipt of your recent application for a street designation order and temporary licence to display goods on the highway at the above premises.

Your attention is drawn to the Council's Street Trading Policy which states:-

'In relation to the parts of the streets listed below the Council, having consulted with the officers responsible for food safety, planning, parking, street scene and district centre managers, the Highway Authority, Transport for London, Police and licence holders in those streets or trade bodies representing them, are of the view that there are enough existing designated sites. This is on the basis that any addition to the number of existing designated sites would have an overall detrimental impact on the safe and convenient passage of pedestrians in that part of the street. The Committee will therefore generally be minded to refuse any further requests for designation but will consider each request on its merits.

- Entire length of London Rd

-Entire length of High St Thornton Heath

Where the Licensing Committee considers that, in any other parts of streets in the borough, there are enough existing designated sites it may, subject to a similar process of consultation, decide to include these additional parts of streets with those listed above. Similarly the Licensing Committee may from time to time determine that due to a change in circumstances parts of streets may be removed from that list. '

Your application will be heard by the Licensing Committee on the ^{13th June} ~~9th March~~ and as your application falls within the specified area outlined in the policy, the committee will be minded to refuse the application. You should therefore attend the meeting to explain to the committee the particular reasons why you consider that your application should be granted.

Please note that all fees paid are non refundable should the application be refused

Yours sincerely

Mrs Wendy Shepherd
Safety/Licensing Officer
