- ADDENDUM TO AGENDA -

Item 6.3 - 13 Tindale Close

Under Section 6 - Local Representation the report erroneously states that only one letter of objection has been received. There are in fact two letters of objection received. However the second letter raises issues in regard to the adjoining trees and the proposals impact on these preserved under the area action order. These issues have been addressed in the report and no further justification is required.

Nevertheless the report should be amended to read as follows:

No of individual responses: 2 Objecting: 2 Support: 0
