---

## **1. RECOMMENDATIONS**

1.1 The Panel is asked to note the report summarising the topics discussed at all housing panel meetings and agree that a similar report be provided with the agenda to all future meetings of this panel. This report also asks the Panel to agree amendments to the constitution of the Sheltered Housing Panel.

## **2. DETAIL**

2.1 Attached as appendix A is a report summarising the discussions which have taken place at Community Housing Panels, Sheltered Housing Panel, Housing Disability Panel and the Leaseholder Panel.

2.2 It is proposed that a similar report be attached to agendas of all future Panel meetings. The summary will be for information only but Panel members may comment on the report at the discretion of the Chair. All minutes of housing panel meetings are available for download on the council's website.

2.3 The Sheltered Housing Panel has agreed amendments to its constitution to allow for any sheltered housing resident to become a member. Previously membership was restricted to one representative elected from each scheme.

2.4 Changes to the constitution need to be ratified by the Panel. The revised constitution is attached as appendix B.
