

## **22<sup>nd</sup> June 2023 Planning Sub-Committee Addendum**

### **Item 5.1 22/055/1/FUL – 27 Harewood Road**

Cllr Gatland did not refer the application to Planning Sub-Committee. She did object to the scheme and here representation is accurately reflected in paragraph 6.2 of the Officer Report.

Therefore paragraph 1.1 should be substituted with the following:

- 1.1 This application is being reported to committee because:
- Objections above the threshold in the Committee Consideration Criteria have been received.
