KEY SERVICE TARGETS / PRIORITIES FOR 2018/19

1. Strengthen transformation and demand management across all services, creating more preventative and joined up approaches which also strengthen efficiencies. In particular:
- Deliver adult social care transformation, based on the principles of personalisation and demand management
 - Further strengthen the integration of health and care
 - Further develop joined up, preventative working across services through the further development of the Gateway approach
 - Develop and implement an Early Help strategy for children's services to provide support to children sooner and reduce demand on higher tariff services
2. Deliver the Independence Strategy and the promises therein, for example:
- Support communities to achieve their own aspirations by building on their own assets
 - Work with partners to tackle attitudes to domestic violence and child sexual exploitation
 - Use information, advice and guidance to more effectively help people to live independent and healthy lives
 - Continue to improve the proportion of schools judged good or better by OFSTED
 - Give children and better start in life through the implementation of the Early Provision
3. Safeguard and protect children and vulnerable adults, continuing to improve the quality of services and supporting the delivery of the business plan of the children's and adults' safeguarding boards. To improve outcomes for children through our targeted interventions.
4. To embed a public health approach across the Council in order to reduce health inequalities and supporting people to maximise their potential and remain fitter and healthier for longer.

TOP FINANCIAL RISKS 2018/19

The changing social housing policy context continues to increase the pressure on the Housing Revenue Account (HRA) budget and could significantly alter the way the Council delivers housing services including the way it maintains and invests in existing Council stock, delivers a range of services on estates and our ability to invest in building new affordable homes.

The government's Welfare reforms, particularly the roll out of Universal Credit, impacts on the level of demand for housing need services including for Emergency and Temporary Accommodation. Financial pressure arises from the increased rate of rent arrears

STAFF ESTABLISHMENT NUMBERS - REASONS FOR VARIATIONS

Gateway and Welfare additional - 20.6 staff to fulfil requirements of the Homelessness Reduction Act; other staff changes with a net impact of 0.6 FTEs

Early Help and Children's Social Care - staff changes are due to a decrease of 19.2 FTE which transferred to Education and Youth Engagement, an increase of three new teams which consist of 21 FTE within the Care Planning team, an increase of 12 FTE within the Assessment Team, an increase of 3 FTE across Safeguarding and Targeted Services teams and a net decrease of 1.59 FTE within Early Help and Children's Social Care.

Education and Youth Engagement - transfer of 84.8 FTE to CALAT, growth of 10.4 FTE in 0-25 in SEND and other staff changes with a net impact of 5.8 FTE

Adult Social Care and AAD - 3.7 due to movement of Services from Gateway, less 5 posts transferred to Resources.

SERVICE DESCRIPTION

The Safeguarding and Looked after Children Quality Assurance Service has a range of functions. The service is responsible for the independent chairing of Child Protection Conferences and the statutory Independent Reviewing Service for Looked after Children. The Service co-ordinates the business management of the Local Safeguarding Children's Board ensuring that the Board's accountability in relation to multi-agency understanding of their responsibilities are fulfilled and that the appropriate action is taken where safeguarding concerns are raised. The Service is also responsible for the Learning and Development Service for Children's Social Care, and provides logistical support to the Safeguarding Board's training programmes. The Service further manages the implementation and maintenance of the electronic Children's Recording System throughout Children Social Care (CSC). The service contains the LADO function (Local Authority Designated Officer) whose purpose is to coordinate investigations where there are allegations of abuse by professionals working with children. The service has the lead function for the roll-out and implementation of new ways of working including for example the "Strengthening Families" systemic model and the Graded Care Profile targeting neglect. The Quality Assurance service has a key role to play in benchmarking quality and compliance with a range of local and national indicators that together underpin the quality of services to children, young people and their families.

The **Assessment and Care Planning Service** is responsible for the assessment and on-going care planning and support for all children in need, including children in need of protection, some looked after children and those subject to Court Proceedings. The Assessment Teams are employed to undertake assessments on new cases referred to Children's Social Care, including child protection investigations. The Care Planning Teams work with cases where children are on child protection plans and those who have longer term needs. These teams are responsible, in the main, for applications to court when children are assessed as requiring a Court Order for their protection. Moreover, they provide reports to the Court for private proceedings in relation to children. Other services within Assessment and Care Planning include Private Fostering and the Family Group Conferences.

The **Looked after Children and Resources** is responsible for the planning and delivery of statutory social care services for approximately 800 looked after children and 750 care leavers. These are children and young people aged 0-18 years, placed for adoption, cared for in fostering placements, residential homes, or placed with family and friends carers, and care leavers aged 18-25 years. Approximately 330 looked after children in the Borough are Unaccompanied Asylum Seeking Children (UASC) whose costs are funded from United Kingdom Border Agency (UKBA) grant arrangements. The Business Relationships Unit identifies the appropriate placement for the child on becoming looked after within the in-house fostering service or by commissioning fostering or residential care from the independent sector. The Service also includes the Fostering Service, supporting over 200 foster placements, and the Adoption Service, which prepares and trains adopters, places children for adoption and offers a full range of adoption support services to children and adults.

Early Help and MASH - there are a range of **Early Help** services for children, young people and families in Croydon; some of these are run by the Local Authority and some are commissioned by the Local Authority and delivered by local and national organisations. To support practitioners and agencies across the Borough, Croydon's Early Help Hub delivers access, advice and support for families and for professionals. Croydon's **MASH** (Multi-Agency Safeguarding Hub) brings together a range of partner agencies, and their data, and is the 'Front Door' for residents and children's practitioners who have concerns about a child or young person's welfare and where they believe a child has suffered or is at risk of suffering significant harm. Croydon's MASH includes: Children's Social Care, The Police, Health agencies, Probation, Early Help and the YOS. Through multi-agency information sharing the MASH make decisions and assessments on the most appropriate intervention, decisions and timescales depend on statutory need, child protection or Early Help.

Targeted Services - the services work with risky and vulnerable adolescents, as well as providing domestic abuse services. This includes two social work teams for young people (aged 13 years plus) who are experiencing difficulties at home and often display challenging behaviour. Sitting alongside these are a team that manages children who go missing and provide return home interviews. This team will also support and give advice on children who are being exploited, either sexually or criminally, they are also specialists in trafficking and processes around this. The Youth Offending Service is within Targeted Services, they offer a range of services including diversion from the system (for eligible first time offences), as well as supervising statutory court orders both within the community and in custody. This is a multi-agency service and includes the local authority, police, education, health, probation, substance misuse and housing. The gangs team also sits within this service. Domestic abuse services sit within the family justice centre providing help, support and advice to professionals as well as working directly with survivors of abuse.

Children's integrated commissioning, working on behalf of Croydon Council, oversees the commissioning and contract management of children's health services including health visiting, family nurse partnership, speech and language therapy, school nursing, weight management and open access counselling. Additionally, the service oversees Best Start commissioning and the Troubled Families programme. The service also leads the commissioning of all children's health services funded by the CCG (including CAMHS, hospital based acute paediatrics and children's community health services) and maternity services. It is held to account by the Joint Commissioning Executive (Council and CCG).

SERVICE DESCRIPTION

The Education and Youth Engagement service provide support and services to education establishments to ensure the best possible provision for children and young people throughout the borough.

The service has responsibility for ensuring there are sufficient school places for every child in Croydon, implementing transparent policies and arrangements to ensure each child is allocated an appropriate place at a local school and co-ordinating supporting parents and carers to ensure their child's safe journey to school, in designated areas across the borough.

The School Places Team is responsible for forecasting pupil demand and securing the right levels of capital funding to support changes to the school estate. They work closely with the School Delivery team in the Place Department, commissioning it to deliver expansions and improvements to meet an exceptional increase in demand for places.

The Schools Standards Service consists of the team who ensure the Council meets its statutory duties. They devise, in consultation with external partners, the key strategic school improvement priorities for the Borough and monitor progress towards them. Where schools are causing significant concern the team is responsible for exercising the Council's statutory powers of intervention.

The team focuses on key themes to improve the quality of education and learning provision in Croydon identified by outcomes for children and young people in the Borough. These include improving service delivery, raising all standards, narrowing the gap for identified vulnerable groups, enriching the curriculum and building learning communities.

This service also delivers targeted and specialist group work interventions for young people aged 8 - 18 through a variety of models and settings.

The team also has specialist outreach workers for young people who are socially excluded and/or vulnerable, for example working with young people in the Town Centre or hotspots identified by the police and community safety teams. They also work with children and young people in our estates and in temporary accommodation. The team facilitates a network of youth providers who are commissioned and independently funded across the Borough to deliver services for young people.

SERVICE DESCRIPTION

The Gateway and Welfare division comprises of 5 services areas. These include:

Enablement and Welfare - responsible for financial stability and housing sustainability for residents during points of crisis and working with them to establish sustainable longer term solutions. The service supports over 42,000 residents per annum. This service is critical in shaping the councils response to welfare reforms, including Universal credit, Benefit cap, Local Housing Allowance freeze-approx. 16,000 residents affected by these changes are supported by Enablement and Welfare.

Bereavement & Registrars - responsible for the Statutory Funerals, Public Mortuary, over 300 burials, 1800 cremations and maintenance of 3 cemeteries 1 crematorium and the provision of our registration services including birth, deaths, marriages and citizenship. Combined, the services generate over £3.2m per year in income.

Emergency Accommodation - responsible for the assessment and placement of residents requiring emergency and short term accommodation, supporting over 3,000 residents per year, The service also supports our more vulnerable young adults, who do not meet the statutory need - through Supporting, Needs, Assessment, Placement (SNAP). This service will also lead on the introduction/effects of the homelessness reduction bill, which could see the number of customers supported dramatically increasing.

Gateway Service Improvement - responsible for the co-ordination of the people departments approach to ICT, community empowerment and work with the third sector focusing in particular around the areas of information and advice, managing demand and street homelessness. The service also leads on Family Link, a service that was established to work collaboratively to reduce costs to the council, improve residents' outcomes and promote independence.

SERVICE DESCRIPTION

The Adult Social Care and All Age Disability Division undertakes the Councils statutory social services functions. It provides for the requirements under The Care Act 2014 and other legislation such as the Mental Health Act. Providing both universal services such as information, advice, advocacy and assessment as well as more specialist personalised services in accordance with individuals assessed needs and improved outcomes for both individuals and the wider community within its allocated resources. The Council coordinates the safeguarding of vulnerable adults alongside the Police and NHS. Care and support will be provided either directly from Council Services or through Council commissioned services with other independent and voluntary sector agencies. The Division also works closely with other parts of the Council such as Children's, Housing, Gateway and Public Health as well as partners such as the NHS to deliver integrated care and support where possible. A major element of health and social care integration is the commencement of One Croydon, an alliance with Croydon Clinical Commissioning Group, Croydon Health Services, South London and Maudsley NHS Foundation Trust, Age UK – Croydon and Croydon GP Collaborative which began providing a unified service for the over 65s from September 2017.

Our priority is to use resources that enable individuals and communities to be safe, prevent care and support needs by promoting independence and resilience, provide care and support to those who need it in a timely and appropriate way and enhance quality of life.

SERVICE DESCRIPTION

The Housing Needs Service (General Fund) includes the following sections:

Housing Renewal

Responsible for the Staying Put Home Improvement Agency which enables older, vulnerable people and people with disabilities to stay in their own homes. This can be through repairs, adaptations, re-ablement, hospital discharge, gardening and handyman services. The service also provides loans for vulnerable home owners who are on low incomes for repairs and improvements to bring their homes up to the Decent Homes Standard. Together with the Major Adaptations Unit, provides the disabled adaptation service for all private sector tenures, including processing of Disabled Facilities Grants applications, approvals and completion of works on site. Also includes the Empty Property Service which assists with returning vacant homes to use, where possible by the council for homeless persons, by providing grant assistance, advice, enforcement and where required compulsory purchase on long term vacant homes to increase available housing supply.

Service Development

Responsible for collecting service charges from leaseholders, issuing legal proceedings from tenancy breaches including rent arrears, anti-social behaviour, disrepair and unauthorised occupants.

It promotes youth involvement, tackles worklessness and undertakes fund raising activity. It collates performance management information on all housing management services and reports regularly to resident scrutiny panel.

Temporary Accommodation and Housing Solutions

Responsible for the housing and transfer registers, and allocation of social housing (including registered social landlords). It promotes home ownership (right to buy, social home buy and Assisted Purchase Scheme). It provides and manages temporary accommodation and facilitates access to the private sector to prevent and discharge the council's homelessness duty, providing subsequent support to landlords and tenants to sustain tenancies.

SERVICE DESCRIPTION

This page describes the funding that is passed to Croydon schools to provide education for children from age 2 to Post-16

1) The main funding is the Dedicated Schools Grant (DSG) from the Department for Education (DfE) via the Education and Skills Funding Agency (ESFA). This funding is broken down into 4 main blocks:

i) Early Years block – this includes funding for 2, 3 and 4 year olds in nursery schools, nursery classes and private, voluntary and independent schools (PVI) and childminders. It also includes funding for some early years central services

ii) Schools block – this includes funding for primary and secondary schools/academies and Growth Funding for items such as expansions and bulge classes.

Note most funding for academies is passed directly to the academies by the Education Funding Agency (EFA).

iii) High Needs block – this includes the funding for the education of all Croydon responsible children and young adults with high needs from birth until age 25.

Other funding streams from the EFA include:

- Pupil Premium funding for 5 to 16 year olds in mainstream schools
- post 16 pupils

iv) Central Schools Services Block – this funds education services carried out by the LA and covers historic commitments such as admissions and schools forum.

2) Of the £337m DSG allocation, £243m is Schools Block, £6m is Central Block, £59m is High Needs (PED 6.3), £29m is Early Years (PED 1.7) of this an estimated £154m is recouped by the EFA to fund academies within the Borough, there are also Central amounts of DSG held within Corporate (for Prudential Borrowing) and Universal Services (for Admissions and Servicing of the School Forum)

3) Education establishments are broken down into the following categories and numbers:

i) PVI - currently 155 (note settings close and open throughout the year)

ii) Child minders – currently 97 (note child minders join and leave throughout the year)

iii) Nursery and early years centres - 5

iv) Primary Schools – 87 (39 Maintained, 46 Academies and 2 free schools)

v) Secondary Schools – 23 (6 Maintained and 17 Academies)

vi) Special Schools - 5 schools (1 setting is included within PRU's)

Vii) Pupil Referral Units (PRUs) - 2 PRUs (Previously 4 Amalgamated into 1 and counted in 1 within special schools)

Viii) All Through Schools – 1 (1 Academy)

Note numbers above are projected as at December 2017 and are subject to change due to academy conversions.

4) All schools and PRUs have fully delegated staffing powers. Some staff who work in schools are purchased through service agreements. Some schools are now providing provision outside of the school day either directly or through the services of another organisation

5) DSG that is retained to fund LA provided services is shown on the relevant division's page of the budget book.

SERVICE DESCRIPTION

The council took over the responsibility for public health functions from 1 April 2013, this included a dedicated ring-fence budget allocated to provide a range of mandatory and non-mandatory services (set out in legislation) . The Director of Public Health, a statutory appointment, and her team are required to provide a range of statutory responsibilities and, as such, have a specialist skill set- all the senior team are considered equivalent , by the Royal Colleges and GMC, to medical consultants in hospital settings.

The public health specialists provide public health advice and expertise to commissioners of health care for Croydon residents, mostly but not exclusively to Croydon CCG; , and providing information and advice to other agencies such as Public Health England and NHS England. This information and advice ensures that the health of our residents is protected through vaccination and immunisation, health screening and emergency planning. The Director is also responsible to ensure that a range of services are commissioned which include Health visiting, School nursing, sexual health services, drug and alcohol services, obesity prevention and management (including child measurement) and NHS Health Checks. These functions are entirely funded by the Public Health Grant.

Public health management covers core staffing and operating costs for the division.

In addition to the core services and core team the public health ring-fence has been used to fund a range of Croydon Council services that contribute to the health and wellbeing of the people of Croydon.

Public Health Contracts and Funding covers the following areas:

- ~ Sexual and reproductive health covers a range of mandatory public health services, most of which are provided through the NHS
- ~ Health protection covers services to protect the health of the population including environmental health
- ~ Behaviour change covers both mandatory and non-mandatory services to support individuals lead healthier lifestyles. They are delivered by a range of external and internal providers.
- ~ Children's public health services covers mainly mandatory services most of which are delivered by external NHS providers.
- ~ Targeted public health projects are mainly non-mandatory services many of which are delivered by internal council providers but also through the Third Sector and NHS
- ~ Substance misuse services covers prevention and harm reduction, mainly delivered by external providers
- ~ Wider determinants covers projects to improve health by addressing economic and social factors impacting health (e.g. housing, income, education). They are mainly delivered by internal council services.

KEY SERVICE TARGETS / PRIORITIES FOR 2018/19

Across all areas is the cross cutting theme to better manage demand and promote more efficient and targeted service delivery. The priorities are to:

- 1) Increase the supply of appropriate homes in the borough through the Council's Development Company and by working in partnership with developers and registered providers - key projects will be Taberner House, College Green & Fairfield and quick-win smaller sites packages.
- 2) Creating district centres that are vibrant, well-used places where people and businesses want to be - delivering key initiatives in Thornton Heath, Ashburton, South Norwood, and New Addington plus developing new initiatives in areas such as Norbury, and Purley.
- 3) Deliver joined-up licensing and hands on enforcement activity on and off our estates which keeps the streets clean and people safe including licensing private landlords to ensure that residents can be assured of minimum standards of rented accommodation.
- 4) Deliver high quality Planning and Building Control services which respond quickly and appropriately to meet the needs of developers and homeowners.
- 5) Use our statutory powers to enable growth, development and investment as well as use them to retain heritage assets and preserve the uniqueness of the borough.
- 6) Work with regional and central government around devolution deals to unlock investment and growth, particularly through the Croydon Growth Zone.
- 7) Deliver key projects in the metropolitan centre, working with partners including Transport for London, Croydon Local Partnership, the Metropolitan Police, Croydon BID and others to ensure the centre remains a safe, usable and vibrant destination for visitors which is attractive to investors now and in the future.
- 8) Drive out improvements, efficiencies and added value from our waste, recycling, green spaces, leisure and highways contracts exploring new service models and ways of working.
- 9) Deliver a job brokerage service which links unemployed and under-employed residents into the jobs created through regeneration, investment and growth.

TOP FINANCIAL RISKS 2018/19

The Place department generates significant levels of income, particularly within the Planning and Strategic Transport division and Safety division. These are sensitive to changes in external conditions which can be difficult to predict and shortfalls in income could result in budget pressures.

Croydon Council has signed a new waste contract and where waste tonnages exceed forecast levels, the council could incur additional costs as a result.

The changing social Housing Policy context continues to increase the pressure on the HRA budget and could significantly alter the way the Council delivers housing services including the way it maintains and invests in Council stock and delivers a range of services on estates.

SERVICE DESCRIPTION

This cost centre contains the Executive director associated costs, it is used to charge all administration costs relating to the Place department, such as insurance, legal and training costs, and pension costs relating to past employees.

These costs are apportioned between the Place Divisions at the end of the financial year through Interdepartmental charges.

SERVICE DESCRIPTION

The Streets Division is made up of Parking infrastructure, Highway services and Waste management. The Waste management cost centre also includes associated budgets for grounds maintenance of open spaces and leisure centres.

Parking Infrastructure implements and maintains parking schemes including new and extended CPZ's (Controlled Parking Zones), disabled parking and upkeep of the boroughs signs and lines. Additionally this area facilitate Traffic Management Orders on behalf of internal and external clients.

Highways service ensure the safety of highway users by delivering maintenance to carriageways, footways, public footpaths, street lighting and highway structures, drainage and flood management . The Highways team also monitor all statutory works across the borough to coordinate and minimise the delay and disruption to road users. The service also provides a road safety service which covers both preventative measures such as educational and physical measures on the highway. They also play a key role in the development and implementation of School travel planning.

As part of the Waste management service:

- The Environmental services team oversee the management of street services as part of the South London Waste Partnership (SLWP) contracts. The SLWP was formed in 2003 between the boroughs of Croydon, Kingston, Merton, and Sutton and has a proven record of providing improved and more cost-effective waste management services through the procurement of complex waste disposal treatment, both household and commercial waste and recycling. Operates the Household Reuse and Recycling Centre and street cleansing contracts.

- The leisure contract management team manage Croydon's leisure centres and sports offer within parks and open space in partnership with Greenwich Leisure Limited ("GLL") GLL. An integrated approach to sports and physical activity that ensures we maximise the use of our leisure assets, parks, and green spaces to increase participation and improve health outcomes and build foundations for an active life for our residents. A key priority is to ensure that our parks and green spaces support and encourage active lifestyles, provide high quality sports facilities, give children a space to play in, address inequalities and host a range of well publicised activities for all (walks for health, outdoor gyms, etc.)

- The Green Spaces grounds maintenance team oversee and manage the green spaces contract, they are responsible for the maintenance of all of the borough's parks and green spaces including management and maintenance of open countryside, park buildings and games courts.

SERVICE DESCRIPTION

Croydon has a once in a lifetime opportunity to ensure that our residents and businesses benefit from the pace and scale of regeneration activity in the borough.

The Economic Growth division:

- Links unemployed residents into jobs created by regeneration and growth through Croydon Works;
- Helps residents move into better paid jobs and out of poverty;
- Ensures that our residents have the right skills for employment and life through CALAT (Croydon Adult Learning and Training);
- Ensures that our schools and colleges are equipping their students with the skills and attitudes that employers want;
- Works with our business community to maximise growth – providing businesses with funding, support and networks to promote trade; and
- Brings new jobs to the borough through inward investment.

Priorities for 2018/19 include

- Croydon Means Business – a year-long programme designed to support existing businesses and attract new ones to the borough;
- Apprenticeships and Work Experience – developing programmes that support our residents, particularly our young people, into work; and
- Work & Health Programme – ensuring that this devolved funding from Department of Work & Pensions (DWP) supports the long term unemployed and those with disabilities and health conditions into meaningful work.

SERVICE DESCRIPTION

The Culture, Museums and Archives service area covers support for cultural development in Croydon including:
 The operational aspects of the Fairfield Halls development
 Support for cultural projects, programmes and events
 The Museum, Gallery and Archives services

Croydon's cultural offer is an important part of the borough's regeneration and change over the next few years. Central to that is the refurbishment of the Fairfield Halls, Croydon's largest cultural venue; a 1500 seater concert hall, the 800 seat Ashcroft Theatre and 3 flexible studio spaces at different scales. BHLive has been appointed as operator for the Fairfield Halls and 2018/19 will be a key time for working with them on the mobilisation phase prior to them taking on full running of the venue.

We need to build our audiences in Croydon and continue to support our cultural sector to grow during this time. The ongoing work to consolidate and develop Croydon's cultural calendar of events is a key priority at this time; building the capacity of our cultural sector partners to deliver a great offer for Croydon and bringing in national programming and producing partners to work with us.

Having recently achieved formal accreditation for the Archives Service, we are looking now to develop the case for the re-accreditation of our Museum Services. 2018/19 is the timeline to prepare our submission, initially for permission to apply and then for the application itself. All of this is in the context of the developing and changing role of the Croydon Clocktower as a more integrated cultural services hub.

Croydon will also be preparing to deliver a great cultural programme in line with its bid to be the first London Borough of Culture, whether it is successful in gaining the title or not.

SERVICE DESCRIPTION

The Growth Zone programme management team are responsible for the design, development and delivery of the Growth Zone programme.

Tasks include programme management, stakeholder engagement, scheme design, support and guidance to other directors, tracking progress and reporting to the steering group and Board.

In 2018/19 the programme will focus on feasibility and design of transport and public realm schemes, mitigating against construction related traffic, progressing the formal enactment and loan draw down of the Growth Zone and implementation of meanwhile projects.

SERVICE DESCRIPTION

The Planning & Strategic Transport Division comprises Building control, Development Management, Spatial Planning and Transport.

Building Control is a statutory service to regulate the built environment for the protection of the public through the implementation and enforcement of Building Regulations and other legislation. The service aims to promote an accessible, healthy, safe and sustainable built environment within Croydon through provision of a customer focused service that offers value for money, and that is efficient, effective, and equitable.

Development management processes applications for planning permission relating to all development types from householder extensions to large commercial or housing developments. A range of pre-application enquiry processes are also available to assist applicants. The service responds to appeals to the Planning Inspectorate against decisions to refuse planning permission or in relation to a condition on a planning permission and also investigates, and remedies where necessary, allegations about breaches of planning control.

Spatial Planning provides the functions of place making and plan making, which combined provide the councils spatial planning strategy over a future time horizon spanning twenty years. Plan making carry out the analysis and interpretation of evidence to support the preparation of Croydon's Local Plan principally through the Strategic Policies and other key spatial planning documents - Detailed Policies and Proposals, Infrastructure Delivery Plan (IDP) and Community Infrastructure Levy (CIL).Place making provides qualitative inputs into the plan making processes regarding design and local distinctiveness through character appraisals, briefs, feasibility studies and master planning. It also integrates with Development Management through the pre-application process.

Transport is responsible for developing transport policy and translating local priorities and regional policies into delivery plans and programmes. As well as developing and managing the Local Implementation Plan (LIP), the team also provides transport advice to the planning authority on development plan and master plan making and advises the Development Management Service and Planning Committee(s) on the transport implications of development proposals . The team also bids for funds through the LIP drawing funding from TfL, CIL and the Capital Programme to improve transport and infrastructure in Croydon and runs a large 'Active Travel' programme including School Travel Planning, Work Place Travel Planning and overseeing and reporting delivery of the Biking Borough programme.

SERVICE DESCRIPTION

| District Centres and Regeneration | |
|---|--|
| <p>The District Centre & Regeneration division makes places where people want to be by helping create district centres that are places that residents choose to stay by ensuring that they include high quality homes, schools, leisure facilities and parks /open spaces with vibrant and attractive high streets and well-used community spaces.</p> | |
| <p>The services in the division encompass the following functions: Homes & School Improvement - Schools Capital Delivery & Housing Planned Maintenance & Improvement, regeneration capital delivery programmes Regeneration - Regeneration & Development Active Lifestyles – Parks, Sports and Physical Activity Libraries</p> | |
| <p>The key objectives of the division are to:</p> <ul style="list-style-type: none"> - Work in partnership with local people to develop and regenerate our district centres - To encourage business to invest in our district centres and to employ local people. - Work towards increasing employment and reducing poverty across all our communities. - Support our colleagues in the People department to deliver the necessary additional school places through our schools delivery programme. - Ensure that all residents have the right to a decent home. - Undertaking several significant procurement projects for improvement work on our housing estates. - Ensure that our parks and open spaces are sustainable and can be enjoyed by future generations. - Through sport and physical activity, promote health and wellbeing across the borough. - Integrating the new division – bringing together different parts of the Council that have not worked together before. | |

SERVICE DESCRIPTION

| |
|---|
| <p>Safety</p> <p>The Safety Division comprise four services - Parking, Public Protection, Community Safety (Partnership & Intelligence Support and Neighbourhood Operations) and Licensing. Community Safety Management comprises directorate costs.</p> <p>Parking services are responsible for ensuring the free movement of traffic and availability of parking around the Borough. This includes on-street parking spaces, car parks and various parking permits. The Parking team is also responsible for enforcement of parking regulations and Blue Badges.</p> <p>The Public Protection Team includes the anti social behaviour team, food safety, health and safety, trading standards, pollution control and housing environmental health functions including enforcement relating to the licensing of privately rented properties (selective licensing). The Food Team ensures that food sold, offered and stored for sale and entering the borough is wholesome, fit for human consumption and properly labelled and described. Occupational Safety secures the health, safety and welfare of people in those premises where the local authority is the designated enforcement agency. Trading Standards ensures that local people and businesses are protected from illegal and unfair trade practices. Pollution control deals with a range of statutory environmental pollution matters including air pollution, contaminated land and noise pollution. The ASB Unit is responsible for implementing the council's statutory and partnership obligations relating to ASB.</p> <p>Community Safety includes the development and implementation of the crime reduction strategy, the Borough CCTV team and the Environmental response Team, which clears graffiti and other enviro improvements, the Neighbourhood Safety service, which is split into 5 area teams focussing on enviro crime and ASB as well as the Environmental Enforcement Team which leads on prosecutions for enviro offences, highways offences and unauthorised encampments.</p> <p>The Licensing team secure the suitability of those premises where the council is the licensing or certifying authority to ensure the health and safety of those attending these premises, which includes alcohol licences, betting shops, special treatments, sex establishments, scrap metal, pet shops, etc. The team also processes licences for privately rented properties and issues highways licences such as scaffolding, skips, hoardings etc.</p> |

KEY SERVICE TARGETS / PRIORITIES FOR 2018/19

The Resources Department is an integral part of Croydon Council and supports the full spectrum of service activity across the borough. In particular, the Resources department plays a key role in providing enabling services to the rest of the council and ensuring we deliver Value for Money services. The key priorities for 2018/19 are;

- Continue to support the organisation to deliver VFM and manage its reducing budget
- Transform the back office services to continue to make them more efficient and effective
- The delivery of major ICT transformation projects around our financial platform and ICT delivery model
- Lead on reviewing our third party contracts to ensure they are delivering effectively and our model of contract management is effective
- Further improve collection rates on Council tax and Business rates so strive to be in the top quartile in London
- Embed the new in-house commercial legal support model
- Review our Governance processes to ensure we take a risk based approach to decision making
- Review of ICT sourcing model
- Replacement of Finance & Human Resources & Procurement system

SERVICE DESCRIPTION

The Commissioning and Improvement is a hub of support services that helps the rest of the Council, with partners to;

- Support the identification and assessment of need, through the provision of qualitative and quantitative data and information including the maintenance of the Council's observatory
- Provide partnership and corporate policy and strategy development and implementation working with the local strategic partnership and across the organisation
- Provide equality policy, strategy and best practice advice and guidance across the organisation and with partners from the public, private, community, faith and voluntary sector
- Provide policy, strategy and best practice advice and guidance on working innovatively with the community, faith and voluntary sector encouraging community development, participation and engagement as well as managing a wide range of community relations
- Provide strategic support, intelligence and challenge to decision-makers across the Council
- Develop strategic commissioning across the organisation;
- Provide a professional focus for procurement activities;
- Put in place performance analysis and improvement frameworks to drive service quality and accountability, including robust contract performance management.
- Create a single integrated travel service for eligible children and adults, reducing reliance on statutory services and increasing longer term independence

SERVICE DESCRIPTION

The Human Resources Division provides a range of services designed to support the organisation through supporting a workforce that is sustainable, skilled and well-led. The work of the division involves the determination of people strategy, HR policy, pay and reward, recruitment and selection, workforce monitoring and planning, organisational change and employee relations.

Provision of HR management information, payroll services and establishment control, is provided within the Finance Service Centre but works closely with the HR team

SERVICE DESCRIPTION

The Finance, Investment and Risk Division consists of 4 service areas;
Financial Services; Pensions and Treasury; Asset Management and Risk, Insurance and Business Continuity (including Coroners Services).

Financial Services
Provision of financial advice across the council; Financial planning and financial strategy; ensuring the robustness of the Council's annual budget (revenue and capital); Preparation of the accounts within statutory deadlines; Robust and detailed in-year financial monitoring of spend against budget and trends for the Council's delivery of its annual budget.

Insurance, Risk and Business Continuity (including Coroners Services)
Support the Risk Management and Insurance framework; Provide Business continuity and emergency planning services.

Pensions and Treasury
The cash management function for the authority; Administration of the Croydon local government pension scheme; and Investment and administration of the Croydon Pension Fund.

Asset Management
To provide commercial property advice; To ensure that there is a corporate asset strategy and estate management for the Council, ensuring that assets are efficiently and effectively utilised and fit for purpose through the implementation of the corporate property and estate strategy - and asset management implementation plan.

SERVICE DESCRIPTION

The Governance Division consists of the following service areas;
Corporate Anti-Fraud, Governance, Democratic Services & Scrutiny, Electoral Services.

The Corporate Anti-Fraud Team investigates allegations of fraud committed against the Council by members of the public, staff, Members, contractors or other parties. Where appropriate it seeks the application of sanctions and uses proceeds of crime legislation to recover funds.

The Governance Team provides advice and support to the organisation on matters of good governance. It includes the Council's internal audit service which gives assurance on the effectiveness of risk management, internal control and governance.

The Democratic Services and Scrutiny team provides support to Members and the democratic process, including the management of meetings and support for scrutiny.

The Electoral Services team maintains the register of electors and organises the running of elections and referenda and the Civic Event Fund.

SERVICE DESCRIPTION

Croydon Legal Services (CLS) is structured across three main teams: Litigation and Corporate Legal dealing with litigation, housing and corporate governance. Commercial and Property Legal dealing with commercial, property, planning and internal legal support to major projects. Social Care and Education Legal dealing with child protection, adult social care and education.

A new contract for specified external services will commence on 1 January 2018 for five years, establishing a strategic partnering arrangement with a single legal provider. A legal business manager has contract management responsibility for the contract, providing dedicated support to instructing officers and a gatekeeping role to ensure the cost effectiveness of legal services from the strategic partner.

KEY SERVICE TARGETS / PRIORITIES FOR 2018/19

The Chief Executive's Office is about positioning Croydon so that it can be a successful place for all its residents and businesses. The key priorities for the year ahead include:

- Creating a clear 3 year corporate plan for the organisation and supporting business plans
- Working closely with communities and individuals so that they can contribute positively to the borough and live independently
- Promoting a clean, safe and healthy borough
- Managing and improving the reputation and influence of Croydon
- Developing a leadership programme as part of a broader culture programme

SERVICE DESCRIPTION

The Communications and Engagement service work to secure Croydon's reputation both locally and nationally as a fantastic place to live, work, learn and visit – where no one is left behind.

The Leaders, Mayors and Cabinet Office provides a full range of private office services to enable the most senior elected members to carry out and achieve their core duties and vision. This service includes time and diary management, providing information and coordinating briefings, correspondence handling, managing casework and community visits and supporting key meetings.

The Communities and Policy team support the council in achieving its vision - including its relationships with strategic partners and community groups – with strategic planning and policy development.

Learning and Organisational Development build the organisational and workforce capability so that the council is a collaborative, inclusive and creative environment which allows talent to flourish.

KEY SERVICE TARGETS / PRIORITIES FOR 2018/19

Croydon's Housing Strategy sets out the following key priorities (funded both from the General Fund and the Housing Revenue Account):

- 1) Maximise the supply of affordable housing, meet housing need and reduce the number of households in temporary accommodation
- 2) Promote independent living for vulnerable people
- 3) Improve housing conditions to ensure a decent home for all and maintain the Decent Homes Standard for council Housing
- 4) Promote better and fair access to housing services
- 5) Develop sustainable communities

TOP FINANCIAL RISKS 2018/19

- 1) 1% rent reduction - Year 3 of the government's 4-year policy to reduce social rents
- 2) Risk of increased bad debt (owing partly to the implementation of universal credit)
- 3) Anticipated impact of the High Value Voids (HVV) government manifesto commitment

SERVICE DESCRIPTION

The HRA Housing Needs Service is made up of the following sections: Service Development , Income and Lettings, Tenancy and Neighbourhood Services, Housing Solutions and Housing Renewals.

Income to the Housing Revenue Account

Income to the Housing Revenue Account derives from four main sources:

- 1) Rental income due from the letting of dwelling and garages met by tenants and direct credits for rent rebates.
- 2) Service charges due to tenants for caretaking and grounds maintenance
- 3) Recharges of energy costs from communal heating schemes
- 4) Service charges to Leaseholders

For 2018-19 there is a reduction of 1% on dwellings rents which is estimated to have an impact of £1.437m.

Service Development

A leaseholder service is responsible for collecting service charges and payments for major works from leaseholders. Collates performance management information on all housing management services and reports regularly to resident scrutiny panel.

The Legal team take legal proceedings for tenancy breaches including: rent arrears, anti-social behaviour, disrepair and unauthorised occupants. Housing standards undertake occupancy checks and tenancy audits. Sustainable communities promote youth involvement, access to work, digital inclusion, money management, outreach work and community development. It collates performance management information on all housing management services and reports regular to resident scrutiny panel

Income and Lettings

Responsible for rent collection (collection of £78m annually). It provides welfare and debt advice for Council tenants and signs up new tenants and lets Council garages. This part of the Housing Revenue Account budget includes those costs that relate to the general management of the landlord service together with the administration of tenancy applications, rent collection and accounting.

This part of the Housing Revenue Account budget includes those costs that relate to the general management of the landlord service together with the administration of tenancy applications, rent collection and accounting.

Tenancy and Neighbourhood Services

Responsible for tenancy services including enforcement of conditions of tenancy and changes to tenancies. It tackles anti-social behaviour and carries out regular estate inspections. It promotes resident participation and runs a caretaking service. This part of the Housing Revenue Account includes any expenditure which relates only to specific estates rather than the general housing stock. This includes services such as Caretaking and grounds maintenance. The income from the charges made for central heating is credited directly to income and the full cost of the standard space water heating provided will be recovered from tenants.

Housing Solutions

Responsible for the housing and transfer registers, and allocation of social housing (including registered social landlords). It promotes home ownership (right to buy, social home buy and Assisted Purchase Scheme). It provides and manages temporary accommodation and facilitates access to the private sector to prevent and discharge the council's homelessness duty, providing subsequent support to landlords and tenants to sustain tenancies.

Housing Renewal

Responsible for the Major Adaptations Unit and for providing adaptations to council homes to enable older and disabled people to stay in their own homes. A Home Safety service is provided for council tenants with young children to prevent accidents in the home. Also includes

SERVICE DESCRIPTION

The HRA elements of the Place department include the following services:
 Responsive Repairs and cyclical maintenance of the Council's Housing stock. The service responds to around 60,000 repair requests each year. The repairs service is delivered through a long term partnering contract.
 Asset Management and Engagement to ensure that tenants are informed and consulted on the priorities for the HRA and to develop the HRA strategy for stock and Investment.
 The Home and School Improvement service focuses on major capital improvements to HRA properties such as energy efficiency, kitchen and bathroom and security programmes. The above services are contained within the Service category District Centres and Regeneration - HRA

SERVICE DESCRIPTION

The Directorate and Centralised budgets are used to fund the following items within the HRA:
 - Capital charges relating to the HRA asset base (i.e. depreciation, impairment, etc)
 - Servicing of HRA debt transferred to the council (including interest, debt repayments, etc)
 - Revenue contributions to the funding of the capital programme
 - HRA contingency budgets set aside to manage emerging risks and in-year budget pressures
