Item 5.2 – 6 Westow Hill – 20/02725/FUL

Since the publication of the committee report one additional representation has been submitted. The following comments were made:

- “I am writing to raise concerns about the planning application to open an adult gaming centre in Westwood Hill, Crystal Palace. I can see no benefit to the local community in having such an outlet in this street area. It is gambling under a socially accepted heading and will not one that is needed in this area”. (*Officer Comment: this matter has already been addressed in the committee report*).

It is noted that the Committee report indicates that advertisement consent will be required for the proposed advertisement. This is incorrect and the advertisement consent has been granted under LPA reference: 20/03182/ADV.
