REPORT TO:	Appointments Committee 19th February 2021
SUBJECT:	Croydon Council Pay Policy Statement 2021/2022
LEAD OFFICER:	Sue Moorman, Director of Human Resources
CABINET MEMBER:	Councillor Callton Young, Cabinet Member for Resources and Financial Governance
FINANCIAL IMPACT: There is no additional expenditure arising directly from the recommendations contained in this report	
1. RECOMMENDATIONS: Members of the Appointments Committee are recommended to:- i. Note the annual pay policy statement and to recommend this to Council as part of the annual budget papers to be presented in consideration of the budget for 2021/2022.	

1. BACKGROUND

- 1.1 In accordance with Section 38 of the Localism Act, the Council is required to present and publish an annual Pay Policy Statement.
- 1.2 The policy for 2021/22 is attached as Appendix A and covers the legal requirement to set out :
 - The remuneration of its senior staff designated Chief Officers
 - The remuneration of its lowest paid employees
 - The relationship between the remuneration of its Chief Officers and the remuneration of staff who are not Chief Officers

2. PAY POLICY KEY CONTEXT

- 2.1 The Council aims to ensure that its remuneration packages are fair, equitable and transparent and offer suitable reward for the employment of high quality staff with the necessary skills and experience to deliver high quality services.
- 2.2 This Pay Policy Statement sets out the Council's policy relating to the pay of its workforce (excluding school-based employees) as required under the Localism Act 2011. The Localism Act requires the Council to have considered, approved and published a Pay Policy Statement for each financial year. The areas to be

covered in the statement are salary, expenses, bonuses, performance related pay, severance payments, how election fees are paid and the pay policy on re-engagement of ex- employees.

- 2.3 The policy includes setting out the remuneration and appointment of chief officers. Notably this year the policy sets out the proposed introduction of new Chief Officer Grades to complement the proposals for a new senior management structure which are currently out for consultation and anticipated to be implemented within this financial year.
- 2.4 Statutory guidance issued by the Secretary of State under section 40 of the Localism Act 2011 states that Full Council takes decisions about remuneration packages for new appointments of £100,000 per year or more, as well as severance packages of £100,000 or more. Following the decision of the Annual Council meeting on 03 June 2014, the Appointments Committee has delegated responsibility for approving appointments and severance packages in accordance with those thresholds.
- 2.5 On 4th November 2020, the Restriction of Public Sector Exit Payments Regulations 2020 came into force. The Regulations placed a £95,000 cap on public sector exit payments in connection with people leaving employment or vacating office. The £95,000 cap applied to redundancy payments (whether compulsory or voluntary) (including statutory and contractual redundancy payments) and, significantly also covered, pension strain costs, which arise when a Local Government Pension Scheme pension is paid unreduced before a member's normal pension age.
- 2.6 On 12th February 2021, the Government announced that it will be revoking the Restriction of Public Sector Exit Payments Regulations 2020 and issued Treasury Directions, the Exit Payment Cap Directions 2021 which came into force on 12th February 2021, to suspend the Restriction of Public Sector Exit Payments Regulations 2020 whilst the formal process of revocation takes place. The Government also issued Guidance which states at paragraph 3.2: *'In light of the withdrawal of the Regulations, employers are encouraged to pay to any former employees who had an exit date between 4th November 2020 and 12th February 2021 and to whom the cap was applied, the additional sums that would have paid but for the cap. Given that the cap has now been disapplied, it is open to employers to do so and HM Treasury's expectation is that they will do so.'* The Council will therefore comply with the Exit Payment Cap Directions 2021 and Guidance.
- 2.7 It is noted that the Guidance at paragraph 1.5 states that *'HM Treasury will bring forward proposals at pace to tackle unjustified exit payments'*, therefore it may be necessary to amend this Pay Policy Statement and the Pensions Discretion Statement in 2021, should any further changes to the law be made.

3. FINANCIAL AND RISK ASSESSMENT CONSIDERATIONS

- 3.1 An annual pay policy is a requirement of the Localism Act. The policy sets out the pay policy of the Council but there is no direct expenditure as a result of publishing the document

Approved by: Matt Davies, Deputy S151 Officer

4. LEGAL CONSIDERATIONS

- 4.1 The Head of Litigation and Corporate Law comments on behalf of the Interim Director of Law and Governance that the Council has to comply with the requirements of the Localism Act 2011, which requires the Council to approve a Pay Policy Statement for the financial year 2021/2022 and in future years and must have regard to any guidance issued or approved by the Secretary of State. The Council must also comply with its obligations under the Accounts and Audit (England) Regulations 2015 and the Local Government Transparency Code.
- 4.2 The proposed statement complies with the statutory requirements for Pay Policy Statements as set out in the Localism Act 2011. As per section 112 of the Local Government Act 1972 the remuneration of employees must be such reasonable remuneration as the Council thinks fit. The Localism Act 2011, contains a definition of 'Chief Officer' which is set out in the proposed policy. The Localism Act 2011 also requires that the Council must decide on a definition of 'lowest paid employees' and set out the reasons for that decision.
- 4.3 On 12th February 2021, the Government announced that it will be revoking the Restriction of Public Sector Exit Payments Regulations 2020 and issued Treasury Directions, the Exit Payment Cap Directions 2021 which came into force on 12th February 2021, to suspend the Restriction of Public Sector Exit Payments Regulations 2020 whilst the formal process of revocation takes place. The Government also issued Guidance which states at paragraph 3.2: *'In light of the withdrawal of the Regulations, employers are encouraged to pay to any former employees who had an exit date between 4th November 2020 and 12th February 2021 and to whom the cap was applied, the additional sums that would have paid but for the cap. Given that the cap has now been disapplied, it is open to employers to do so and HM Treasury's expectation is that they will do so.'* The Council will therefore comply with the Exit Payment Cap Directions 2021 and Guidance.
- 4.4 It is noted that the Guidance at paragraph 1.5 states that *'HM Treasury will bring forward proposals at pace to tackle unjustified exit payments'*, therefore it may be necessary to amend this Pay Policy Statement and the Pensions Discretion Statement in 2021, should any further changes to the law be made.

Croydon Council

Pay Policy Statement 2021-22

1. Introduction

- 1.1. The Council aims to ensure that its remuneration packages are fair, equitable and transparent and offer suitable reward for the employment of high quality staff with the necessary skills and experience to deliver high quality services.
- 1.2. This Pay Policy Statement sets out the Council's policy relating to the pay of its workforce (excluding school-based employees) as required under the Localism Act 2011. The Localism Act requires the Council to have considered, approved and published a Pay Policy Statement for each financial year.
- 1.3. Under section 112 of the Local Government Act 1972, the Council has the "power to appoint officers on such reasonable terms and conditions as the authority thinks fit". In accordance with Section 38 of the Localism Act, this Pay Policy Statement sets out the Council's policy for 2021/22 on:
 - The remuneration of its senior staff designated Chief Officers
 - The remuneration of its lowest paid employees
 - The relationship between the remuneration of its Chief Officers and the remuneration of staff who are not Chief Officers
- 1.4 Where this policy refers to Chief Officers, this means the Chief Executive, Executive Directors, and Directors. Where the policy refers to the Council's lowest-paid employees this means those that are paid on the lowest established grade and scale point i.e. Grade 1, point 02. This definition of lowest-paid employees has been adopted because it reflects the lowest salary payable under the Council's job evaluation scheme and grading structure.
 - 1.4.1 The Council is proposing to introduce a new JNC pay scale for Chief Officers, excluding the Chief Executive in line with new senior management structure proposals. The new grading structure for Croydon Chief Officer Grades is at Appendix B and is proposed for adoption during the financial year 2021/22.
- 1.5 Remuneration in this context is defined widely to include not just pay but also charges, fees, allowances, benefits in kind, increases in enhancements of pension entitlements and termination payments.
- 1.6 Following the decision of the Annual Council meeting on 03 June 2014, the Appointments Committee has delegated responsibility for approving appointments in accordance with the threshold specified in statutory guidance issued by the Secretary of State under section 40 of the Localism Act 2011. Government guidance is that Full Council takes decisions about remuneration packages for new appointments of £100,000 per year or more, as well as severance packages of £100,000 or more

1.7 Once approved, all remuneration paid to officers will comply with this policy for the 2021-22 financial year. The statement will be reviewed in accordance with legislation prevailing at the time.

1.8 In accordance with Part 3 of the Constitution – Responsibilities for Functions the Chief Executive’s Scheme of Authorisations provides delegated authority to the Director of Human Resources for pay and terms and conditions for staff other than the Chief Executive and senior staff covered by the Joint National Council for Chief Officers. Grading and conditions of service for senior staff are approved by the Appointments Committee. Reference paragraph 4.2.8 and 4.2.9 of Part 3 of the Constitution Responsibilities for Functions – see extracts below:

“.....the Chief Executive’s delegation is subject to:

4.2.8 “the approval of the Director of Human Resources to the grading and conditions of service of staff (other than those based in schools or subject to the conditions of service of the Chief Officers and Chief Executives J.N.C

4.2.9 the approval of the Appointments Committee to grading and conditions of service of staff employed subject to the conditions of service of the Chief Officers and Chief Executives J.N.C”

1.9 Subject to circumstances it may be necessary to amend this Pay Policy statement during the financial year. Any changes or amendments made will be subject to full Council approval.

2. Pay structure

2.1. The Council uses a combination of locally and nationally determined pay structures for its workforce.

2.2. The Council will determine the appropriate grade for each job in accordance with either the Greater London Provincial Council (GLPC) Job Evaluation Scheme or the Hay Job Evaluation Scheme depending upon the job requirements and the level of responsibility of its employees within the organisation. The GLPC scheme considers posts graded from Grade 1 to Grade 17 and the Hay scheme is used for posts graded Croydon Special Range A and B and will be used for the introduction and maintenance of newly determined local grades for JNC senior staff, Croydon Chief Officer Grades 1-5 to be introduced during the 2021/2022 financial year..

a) The pay structures, including basic pay, for the Chief Executive and Head of Paid Service, Executive Directors, Directors and posts at Croydon Special Range (CSR) level are determined locally. This will also be the case for the proposed Croydon Chief Officer Grades to be implemented during the 2021/2022 financial year.

b) The basic pay for teachers, lecturer, youth workers and Soulbury staff is in accordance with nationally negotiated pay structures.

c) To reflect market and industry specific factors, staff in the in-house bailiff service have locally determined pay arrangements which includes an element

of performance pay. Social Workers and social work managers in children's social care services receive recruitment and retention payments to reflect key skills shortages in this sector.

- d) For the majority of other staff, the Council uses a locally determined grading structure aligned to the relevant London pay spine of the Greater London Provincial Council.
- 2.3. Pay allowances other than basic pay are the subject of local or nationally negotiated rates having been determined from time to time in accordance with the collective bargaining arrangements and/or as determined by the Council.
- 2.4. Other than for the Chief Executive and Head of Paid Service, Executive Directors and Directors, the Council adheres to national pay bargaining and will normally apply a nationally negotiated cost of living pay award for staff covered by the relevant negotiating body and any increase will be payable with effect either from 1 April for NJC and or 1 September (for Soulbury, Youth and Centrally Appointed Teachers).
- 2.4.1 With the introduction of the anticipated Croydon Chief Officer Grades during the 2021/22 financial year, with the exception of the Chief Executive and Head of Paid Service the Council will reflect the JNC pay award payable from 1st April, as per national pay bargaining for those who will in future be paid on those grades.
- 2.5. Employees who have joined the Council as a result of a Transfer of Undertakings Protection of Employment (TUPE) transfer may have different arrangements. In accordance with TUPE the Council will comply with any such contractual arrangements in relation to the pay for such employees. Should conditions arise which support a business case for staff to be offered an opportunity to move to Council terms and conditions this will be considered in accordance with legal obligations.

3. Remuneration

- 3.1. For the purpose of this pay policy statement, Chief Officers include:
- a) The Chief Executive and Head of Paid Service; Executive Directors; Directors;
- 3.2. Current remuneration for Chief Officers is set out below:
- a) The Chief Executive and Head of Paid Service is to be paid a spot salary of £192,474, The salary, is subject to review every two years and is next due to be reviewed in April 2022.
 - b) Executive Directors and Directors are currently paid on spot salaries as set out in Appendix A without provision for incremental progression. Salaries are subject to review every two years with the last review being 01 April 2019
 - c) It is anticipated that during 2021/22 a new pay range for Croydon Chief Officer Grades will be introduced in line with a proposed senior

management structure. This will include new Corporate Director roles and Director posts. These roles will be placed on a grade and salary within the Croydon Chief Officer Grades 1-5, following evaluation of their post using the Hay job evaluation scheme with provision for incremental progression to the top spinal point of the grade. Salaries will be reviewed in line with national awards, as determined by the JNC for Local Authority Chief Executives.

3.3 For the purposes of this pay statement posts defined as deputy chief officers are those paid on Croydon Special Range grades who report to Directors, and include:-

a) Heads of Service and certain senior staff in posts above grade 17 but below Chief Officer. These posts are placed on a salary within Croydon Special Range A and B following evaluation using the Hay job evaluation scheme with provision for incremental progression to the top spinal point of the grade. Salaries are reviewed in line with national joint council pay awards

The grades and salary structures for Chief Officers and Croydon Special Range A and B are shown in Appendix A.

The proposed Croydon Chief Officer Grades are shown in Appendix B

3.4 The pay of the Chief Executive and Head of Paid Service is determined on appointment with reference to market rates. In establishing market rates, the Council will compare remuneration data from other comparable local authorities. This allows closer benchmarking where possible to take account of factors such as population size, social demographics, budgetary responsibilities, economic and regeneration activity.

Additional remuneration elements

3.5 The Council does not apply any bonuses or performance payments to its senior staff. In addition to basic pay, elements of “additional pay”, other than those that constitute re-imbursement of expenses incurred during the fulfilment of duties, are set out below:

- a) In order to recruit or retain employees in a post at its designated grade or spot point consideration will be given to the use of market supplements as approved by the Director of Human Resources and Chief Executive with such payments being subject to periodic review. Market supplements will, when added to basic pay, not normally exceed 10% of base pay but by formal exception may be up to 20% of base pay. Any market supplement for the Chief Executive and Chief Officers will be recommended by the Director of Human Resources and Chief Executive and determined by the Appointments Committee.
- b) A compulsory car allowance may be made to authorised car users at all levels of the workforce other than to Chief Officers. The compulsory car allowance applies to employees where driving a car is an integral feature of the employee’s post and the employee is unable to carry out their post

without providing and using their own car. The amount of the allowance depends on the engine size and emissions of the employee's car as shown in Appendix C.

- c) Returning Officer fees: the Council is required by the Representation of the People Act 1983 to appoint an officer to act as the Electoral Registration Officer (ERO) for any constituency or part of a constituency within its area to be responsible for the preparation and maintenance of the electoral register and to act as the Returning Officer (RO) for all elections. Such duties attract a fee payable to the individual, paid for by the Government except in relation to local elections. The fees are set by central government for national elections and referenda and for local elections fees are prescribed by and agreed on an annual basis by the Chief Executives' London Committee, which reports into the London Councils network. The Council's Electoral Registration Officer and Returning Officer is the Chief Executive and Head of Paid Service, as agreed by resolution of the Council or as delegated to a committee.

In her capacity as the Council's Electoral Registration Officer and the Council's Returning Officer, the Chief Executive and Head of Paid Service may appoint deputy Electoral Registration Officers and a deputy Returning Officer. Fees for carrying out such duties are payable to appointed individuals.

- d) From time to time consideration will be given to making additional payments, as approved by the Director of Human Resources, to senior staff who undertake additional and/or higher level responsibilities for example when covering the duties of a vacant Chief Officer post. Such payments are temporary and subject to periodic review.

Remuneration on appointment

- 3.6 Where employees are appointed to a grade, it is the Council's policy to appoint all employees on the bottom spinal point of the grade unless there are exceptional circumstances as authorised by the relevant Director and approved by the Director of Human Resources or in the case of senior staff, the Appointments Committee
- 3.7 In exceptional circumstances and subject to approval of the Director of Human Resources, where it is necessary for a newly appointed employee to relocate and move home to take up appointment a contribution towards certain relocation expenses may be made. A copy of the scheme, is attached as Appendix D.
- 3.8 Appointments to Chief Officer posts will be made within the grade and salaries stated for the respective post as set out in Appendix A. With the introduction of the proposed Croydon Chief Officer Grades, once these are implemented, appointments will be made within the grade and salaries stated for the respective post as set out in Appendix B

Redundancy payments and payments on leaving and the Restriction of Public Sector Exit Payments Regulations 2020

- 3.9 The Council has a single redundancy scheme which applies to all employees including Chief Officers (see Appendix D). The Council does not make any other payments to employees on termination of their employment other than those, where there is a statutory or contractual requirement to do so, such as payment for accrued and untaken annual leave.
- 3.10 Subject to paragraph 1.6 above, in exceptional circumstances other severance payments may be made subject to agreement of the Chief Executive and Head of Paid Service and the Director of Human Resources and as allowed for in the Council's scheme of delegation. Such payment will take account of the Council's contractual and legal obligations, the Council's reputation and whether the payment would have the effect of improving the Council's financial situation.
- 3.11 On 4th November 2020, the Restriction of Public Sector Exit Payments Regulations 2020 came into force. The Regulations placed a £95,000 cap on public sector exit payments in connection with people leaving employment or vacating office. The £95,000 cap applied to redundancy payments (whether compulsory or voluntary) (including statutory and contractual redundancy payments) and, significantly also covered, pension strain costs, which arise when a Local Government Pension Scheme pension is paid unreduced before a member's normal pension age.
- 3.12 On 12th February 2021, the Government announced that it will be revoking the Restriction of Public Sector Exit Payments Regulations 2020 and issued Treasury Directions, the Exit Payment Cap Directions 2021 which came into force on 12th February 2021, to suspend the Restriction of Public Sector Exit Payments Regulations 2020 whilst the formal process of revocation takes place. The Government also issued Guidance which states at paragraph 3.2: *'In light of the withdrawal of the Regulations, employers are encouraged to pay to any former employees who had an exit date between 4th November 2020 and 12th February 2021 and to whom the cap was applied, the additional sums that would have paid but for the cap. Given that the cap has now been disapplied, it is open to employers to do so and HM Treasury's expectation is that they will do so.'* The Council will therefore comply with the Exit Payment Cap Directions 2021 and Guidance.
- 3.13 It is noted that the Guidance at paragraph 1.5 states that *'HM Treasury will bring forward proposals at pace to tackle unjustified exit payments'*, therefore it may be necessary to amend this Pay Policy Statement and the Pensions Discretion Statement in 2021, should any further changes to the law be made.

Re-employment of officers previously made redundant and retirement

- 3.14 Where an officer who has previously been made redundant from the Council applies for employment with the Council, their application will be treated on its own merits, the financial merits and wider interests of the Council and will have regard to any agreement under which the officer left their previous employment. Where an officer leaves the Council's employment through voluntary severance or voluntary redundancy arrangements, they will not be allowed to work for the

Council in any capacity, including engagement via employment agencies or as a consultant, for a period of at least one year after leaving.

- 3.15 The Council permits flexible retirement, as permitted by the Local Government Pension Scheme Regulations where by an employee can receive a salary and be in receipt of a pension for doing the same job. Flexible retirement will usually only be agreed where there is no cost to the Council. Exceptions to this will be based on the best interest of the Council and will be agreed by the Corporate Director of Resources in consultation with the Director of Human Resources, except where such a decision relates to either of themselves, when the Chief Executive will be consulted. Employees retiring before their normal retirement age will, therefore, usually receive what is known as an actuarial reduction in their pension as allowed for under the Local Government Pension Scheme Regulations, to reflect the financial impact on the pension fund by the employee's early retirement.

4 Remuneration of lowest paid employees

- 4.1 The definition of "lowest paid employee" is for local determination. The Council has agreed that the lowest paid employee will be those workers employed under a contract of employment on full-time equivalent hours, in accordance with the minimum grade of the Council's agreed grading structure i.e. Grade 1, scale point 02. Workers, such as apprentices, who are engaged on fixed term training contracts, are excluded from this definition.
- 4.2 The Council is a Real Living Wage (formerly the London Living Wage) employer and will pay the Real Living Wage as its minimum rate of pay to employees, other than those engaged specifically on apprentice or similar training contracts. The Council will apply increases in the Real Living Wage with effect from the 01 April following announcement of the increase. With effect from 01 April 2021 the full-time equivalent annual pay of the lowest paid employee will be £21,030, which equates to an hourly rate of pay of £11.20 (this reflects the current Real Living Wage London which is £10.85 per hour).

5 The relationship between the pay of Chief Officers and that of other staff

- 5.1 The Council does not set the pay of individuals or groups of individuals by reference to a simple multiple of the pay of another individual or group. The use of simple pay multiples cannot capture the complexities and dynamics of a highly varied workforce. The Council sets pay as outlined above by reference to the evaluated level of responsibilities of the post or at a rate determined by a national pay body.
- 5.2 Guidance produced under section 40 of the Localism Act recommends that a pay multiple is included in these statements as a way of illustrating the Council's approach to pay dispersion and the Council has decided to publish its pay multiples to aid transparency and future benchmarking:
- The multiple for 2021-22 between the lowest paid employee and the chief executive and head of paid service is a ratio of 1:9

- The multiple between the lowest paid employee and the median chief officer is a ratio of 1:59
 - The multiple between the median pay and the chief executive and head of paid service's pay is a ratio of 1:35
 - The multiple between the median pay and the average chief officers' pay is a ratio of 1:47
- 5.3 As part of its overall and ongoing monitoring of alignment with external pay, both within and outside the sector, the Council will use available benchmarking information as appropriate.

6 Non-permanent staffing resources

- 6.1 To maintain flexibility in delivering services the Council supplements its employee workforce with workers who are not Council employees or on the Council payroll. This non-permanent resource includes consultants, who are procured under a Contract for (Consultancy) Services, and interims who are procured through the Council's managed service provider (the London Group Recruitment Partnership) or other approved third party providers including through the Council's neutral vendor framework.
- 6.2 In managing its non-permanent staffing resource, the Council seeks to ensure that: the Council and the wider public sector achieve value for money; tax and national insurance liabilities are managed appropriately; and contractual relationships between the Council, workers and third parties are properly reflected. In this regard, it is the Council's policy not to engage directly with self-employed individuals, or wholly owned one person limited companies in all but the rarest of exceptions. Where such arrangements are used, the Council seeks to limit them to a maximum duration of 24 months.
- 6.3 Where it is necessary to engage a worker at Tier 1 or Tier 2 temporarily as an interim or consultant, the remuneration paid to the individual will generally fall within the following rates. The higher rates of pay, compared to those paid to directly employed staff, are in recompense of interims and consultants not receiving all of the same conditions of employment, most notably regarding leave, pension, redundancy and notice.

Grade of post	Day rate range £ (payable to the individual)
Croydon Special Range	£400 - £525
Director	£525 - £775
Corporate Director	£775 - £900
Chief Executive	£1200 - £1500

- 6.4 Workers engaged directly by the Council will be assessed to establish whether they fall within the scope of the IR35 legislation using the HMRC employment status tool.

Workers who fall within scope will have Income Tax and National Insurance Contributions deducted and paid over to HMRC.

7 Publication

- 7.1 Upon approval by the full Council this statement will be published on the Council's website. In addition, the Council's Annual Statement of Accounts will include a note setting out the remuneration paid to each member of the corporate management team (the Chief Executive and Head of Paid Service and those reporting directly to her) including the total amount paid to each individual by way of: salary, including fees and allowances; performance related pay; expense allowances; compensation for loss of office; benefits in kind and employers pension contributions. The Annual Statement of Accounts is published on the Council's website.
- 7.2 The Annual Statement of Accounts will also report on termination payments for all employees in keeping with international financial reporting standards. This will show the number of termination payments, within specific financial bands, made to employees during the year.

CROYDON COUNCIL**RELOCATION SCHEME****Introduction**

These guidelines may be used to overcome a skills shortage or as a recruitment and retention tool. The Council's approach to attracting, recruiting, developing and retaining talent sometimes needs to be supported to enable the placement of someone with known abilities and expertise into a specific role.

The decision to apply this scheme should be agreed before an offer of employment has been accepted and should preferably be displayed in the job advertisement. An "in principle" offer of assistance, subject to meeting the requirements of the scheme, must be contained in the offer of employment letter. An offer of a relocation package cannot be made after employment commences.

There is no automatic entitlement to help with relocation or the amount paid. Payment is subject to approval in all cases by the relevant tier 1 manager, production of receipts and the amount of budget available within the service. No central relocation budget exists, so payments must be made from the relevant department's own budget.

Relocation assistance will not exceed £8,000, will not normally be provided to employees already employed by the Council (including those on fixed term or temporary contracts) and can be paid once only. Any subsequent moves will not attract a payment.

Eligibility

The following criteria must be met to be eligible for a relocation payment;

- The applicant lives more than 90 minutes travelling distance away from the new workplace and is relocating to a location within that limit.
- all owners or joint owners of the residence are moving, if claiming fees connected with the sale and purchase of a property
- the applicant is moving within 6 months of starting their employment with the Council
- the applicant is not benefiting from relocation assistance from another source (e.g. their partner's employer)
- the applicant is moving to work solely for Croydon

Conditions

The recipient must sign an agreement to remain in Croydon Council's employment for a minimum of three years. If they leave voluntarily or are dismissed on grounds of misconduct or capability within three years, repayment will be due, charged at 1/36 of the total amount of expenses paid per uncompleted month of service.

Two quotes must be obtained for removal and storage expenses for which the lower amount may be reimbursed. Records of payments made will be recorded on the employee's personal file and retained by the manager who signs the agreement.

The employee is responsible for:

- taking steps to sell their property (if applicable) and obtaining accommodation within reasonable travelling distance (90 minutes) within 6 months of their start date with Croydon Council.
- seeking approval for any relocation expenses prior to incurring the expense.
- signing the three year agreement
- providing a full breakdown of costs and comprehensive receipts for all expenses claimed for under the scheme. Bank statements or credit card receipts cannot be accepted.
- providing at least two quotes if claiming for removal expenses.

The manager is responsible for:

- obtaining approval of the Director of Human Resources and their Director and the correct financial authorisation (including departmental expenditure panel if relevant), before offering a relocation package
- subject to the eligibility criteria, informing the successful candidate of the relocation scheme when offering the appointment
- ensuring that finances are available to fund a relocation package
- agreeing with the employee the types of expenses they are able to cover and the maximum amount to be paid
- reviewing the situation if positive steps are not being taken by the candidate/employee to sell and/or buy a new property within 6 months of starting their employment.
- ensuring an agreement is signed by the employee and storing a copy on their personal HR file
- keeping a copy of the agreement, a full breakdown of costs, receipts and quotes.
- arranging for payment(s) to be paid into the employee's bank account before the end of the tax year following their appointment date and that taxable payments are paid via Payroll

- ensuring that records of all payments are kept on the employee's personal HR file
- arranging the recovery of expenses if the employee leaves within three years, including writing to them to confirm the outstanding amount due and informing them if it will be taken out of their final salary or pension contributions.

Tax

Relocation expenses up to £8,000 per move are currently tax free as long as they are provided by the employer before the end of the tax year following the date of appointment (including VAT on expenses), but some payments are taxable. The following expenses may or may not be included in the agreed package.

EARLY RETIREMENT & REDUNDANCY SCHEME (incl. Efficiency of the Service)

Council approved 1981.

Amended by Corporate Services Committee on 11 October 2006; effective from 1st December 2006

Amended 010410: legislative changes

Amended 010411: Employee Based Cost Review (EBCR)

1. SCOPE AND PURPOSE OF SCHEME

- 1.1. This scheme is without prejudice to the Council's and the trade unions' general policy of opposition to redundancies. It outlines the approach the Council may use when making staffing reductions through redundancy, early retirement on the grounds of redundancy, and early retirement on the grounds of efficiency of the service.
- 1.2. The scheme covers all categories of staff except teachers and lecturers for whom a separate scheme exists.
- 1.3. The scheme sets out the normal level of payments made to employees. Certain payments in the scheme are enhanced by the Council exercising its discretion, as allowed for in legislation. The exercise of the Council's discretion is subject to a decision in each case, and the Council reserves the right to apply different payments in particular cases. The Council also reserves the right to withdraw or suspend the scheme at any time.

2. GENERAL

- 2.1. Where redundancies as defined in the Employment Rights Act 1996 are contemplated the Council may choose to seek volunteers for early retirement or redundancy from the staff. Should the number of volunteers for early retirement or redundancy exceed the required number of post reductions the Council will consult staff representatives about the method of selection.

3. EARLY RETIREMENT BY REASON OF REDUNDANCY (only for employees aged 55 and over)

- 3.1. Employees aged 55 or more who are made redundant (including those who volunteer under paragraph 2.1) will be eligible for immediate payment of pension benefits if they have 2 or more years membership in the LGPS (or have less than 2 years membership, but have had a transfer of pension rights into the LGPS from another source).
- 3.2. In addition to immediate payment of pension benefits, employees with 2 years continuous service will also be entitled to a redundancy payment. The redundancy payment will be calculated as set out in section 4.

- 3.3. The granting of any augmentation in respect of redundancy and early retirement in the interests of the efficiency of the service is at the Council's discretion to compensate officers for the loss of position and future expectations as a result of the Council's actions. It is not in respect of past service, which is covered by pension entitlement arising from contributions made into the Pension Fund.
- 3.4. The costs of the early payment of benefits are charged to departmental budgets rather than the Pension Fund.

4. REDUNDANCY

- 4.1. Employees who are made redundant will receive a redundancy payment based on length of continuous service and age as laid down in the Employment Rights Act. The details of the statutory redundancy payments vary with age and length of service and a ready reckoner is set out in Appendix 1.
- 4.2. Continuous local government service (and certain related service) will be used where this exceeds service with the London Borough of Croydon and in calculating the redundancy payment the weekly pay used for calculating redundancy payments will be as follows:
- a) In cases of compulsory redundancy, by reducing by 50% the amount by which an employee's actual weekly pay exceeds the statutory cap e.g. with the statutory cap at £400 and an employee's actual weekly pay at £500, redundancy pay would be calculated on a revised weekly pay of £450.
 - b) In cases of voluntary redundancy, by reducing by 25% the amount by which an employee's weekly pay exceeds the statutory cap e.g. with the statutory cap at £400 and an employee's actual weekly pay at £500, redundancy pay would be calculated on a revised weekly pay of £475.

5. EARLY RETIREMENT IN THE INTERESTS OF THE EFFICIENCY OF THE SERVICE

- 5.1. The Council will consider applications from staff, supported by their Directors, for early retirement on the grounds of the efficiency of the service. Each case will be decided on its merits by the Corporate Director Resources (Section 151 Officer) in consultation with the Director of Human Resources and the relevant departmental Director. They will use their discretion based on the following criteria:
- (a) staff suffering ill-health of a nature not covered by the ill-health provisions of the Pension scheme
 - (b) a change in the organisation of an establishment or department which does not give rise to redundancy
 - (c) staff who are unable to meet the changed requirements of their post
- 5.2. Employees aged 55 or over, who retire on the grounds of efficiency of the service are eligible for immediate payment of pension benefits if they have 2 or more

years membership in the LGPS (or have less than 2 years membership, but have had a transfer of pension rights into the LGPS from another source).

5.3. In these cases there is no entitlement to a redundancy payment.

6. COMPLYING WITH LEGISLATION

6.1 The Council will only apply the above policy in a manner which is compatible with the law (inc. legislation, subordinate legislation and case law) and anything in this policy which is incompatible with the law shall be disregarded or applied only to the extent that doing so would not be contrary to the law as it is understood when the policy is applied in any particular case.

* The same figures should be used when calculating the redundancy payment for a person aged 61 and above.

Notes:

Statutory redundancy payments are based on length of continuous service (up to max of 20 yrs) and age as follows:

- for each completed year of service up to age 21 inclusive: half a week's pay
- for each completed year of service from age 22-40 inclusive: one week's pay.
- for each completed year of service from age 41 inclusive: one and a half week's pay.
