### PART A

8/19 **Minutes of the Previous Meeting**

The minutes of the meeting held on 24 January 2019 were agreed as an accurate record.

9/19 **Urgent Business (if any)**

There were no items of urgent business.

10/19 **Disclosure of Interests**

There were no disclosures.

11/19 **Application for Street Designation Order - London Local Authorities Act 1990**

The Committee considered the application for a street designation order for **32-34 High Street, Thornton Heath, CR7 8LE** (Appendix A).

The Licensing Manager introduced the item, explaining the process of designation for street trading and applying for street trading licences and the details of the application before the Committee. It was said that the premises was also within the saturation area.

The applicant was not present to provide any comment on the application.

*Councillor Bird arrived to the meeting at approximately 6.39pm.*

In response to questions from the Committee it was confirmed by the licensing manager that the Committee had previously deferred this application (21 November 2018) in order to enable the applicant to attend and make representations and then refused it following consideration at the deferred hearing (19 December 2018). The applicant was invited to attend each Committee but was not present when these decisions were made.

It was noted that there were 8 premises nearby on Thornton Heath High Street which were currently designated for street trading. In order to ensure premises as well as those operating with temporary licenses were not encroaching on the pavement or exceeding the designated (or proposed) area, officers do carry out checks across the borough and review whether they are adhering to the agreed conditions and parameters.

Members expressed concern about the granting of temporary licenses within a saturation zone pending consideration by the Full Committee, which could exacerbate existing concerns in those areas around the ability of users to safely navigate the pavements. Members asked officers to consider the matter and bring a future report to the Committee for consideration regarding potential solutions to these concerns.

Following discussion of the application in question by Members.

The Committee **RESOLVED**:

To refuse to designate 32-34 High Street, Thornton Heath for the purposes of street trading on the basis that the proposed site was within the saturation zone and the Committee was of the view that any addition to the number of existing designated sites would have an overall detrimental impact on the safe and convenient passage of pedestrians in that part of the street. It was accordingly unnecessary to consider whether or not to grant or refuse a street trading license to the Applicant at this site.

12/19 **Rescinding Designation of Licensed streets/parts of streets - London Local Authorities Act 1990**

The Licensing Manager presented the report to the Committee. The Licensing Manager explained the purpose of the report and the provisions of the London Local Authorities Act 1990.

The Licensing manager then addressed Members on the proposed recommendations as set out in Section 1 of the Report. The sites which were recommended for de-designation were listed in Appendix 1.

The Chair invited members' questions on the report and presentation.

The Committee heard that these sites were previously designated and were being suggested for de-designation because they were not being used by

traders. It was stated that no existing traders would lose their right to trade from those areas if the Committee approved the recommendations.

The Committee **RESOLVED** to agree to the recommendations of the report and give notice of its intention to rescind the designation of the sites listed at Appendix 1 to this report under the London Local Authorities Act 1990.

13/19 **Revision to Standard Licensing Conditions for Premises offering Special Treatments - London Local Authorities Act 1991**

The Licensing Manager was invited by the Chair to present the report to the Committee. The Licensing Manager explained the purpose of the report and the provisions of the London Local Authorities Act 1991 (“The Act”).

The Licensing manager then addressed Members on the proposed recommendations as set out in Section 1 of the Report.

Members were referred to Appendix 1, the Standard Licensing Conditions for Premises offering Special Treatments, which were previously approved in 2004 and reviewed in 2011. There are a range of treatments offered under the definition of “special treatments”, many of which have emerged since the Act was written and therefore the Act does not list them all. There are currently 156 licensed special treatment premises in the borough and a current list of special treatments is listed in Appendix 2 of the report.

The Chair invited members’ questions on the report and presentation.

The Committee heard that the training and hygiene of staff needed to be to a high standard for special treatment premises to be fit for business. Some of the amendments to the standard conditions included premises’ providing documentation, to prove staff were qualified for the job and named operatives on licenses for those performing the treatments. It was also stated that having the correct information of customers’ age and health was important to ensure treatments were safe and lawful.

*Councillor Neal arrived to the meeting at approximately 7.15pm.*

The Committee **RESOLVED** to agree the recommendations of the report relating to the revised/updated ‘Standard Conditions for Places offering Special Treatments’ under the London Local Authorities Act 1991.

14/19 **Special Treatments Licensing Fee Setting - London Local Authorities Act 1991**

The Licensing Manager was invited by the Chair to present the report to the Committee. The Licensing Manager explained the purpose of the report and the provisions of the London Local Authorities Act 1991.

The Licensing manager then addressed Members on the proposed recommendations as set out in Section 1 of the Report.

The Chair invited members' questions on the report and presentation.

The Committee heard that the proposed fees were set based on the cost recovery principle and the cost breakdown was listed in Appendix 2 of the report.

The Committee **RESOLVED** to agree the recommendations of the report and the setting of Licence fees under the provisions of the London Local Authorities Act 1991 in respect of Special Treatment Licensing.

15/19 **Exclusion of the Press and Public**

This was not required.

### PART A

#### 21/19 **Appointment of Chair**

Councillor Karen Jewitt nominated Councillor Chris Clark.  
Councillor Margaret Bird seconded the motion.

The Sub-Committee **RESOLVED** to appoint Councillor Clark as Chair of the Sub-Committee.

#### 22/19 **Disclosure of Interests**

#### 23/19 **Urgent Business (if any)**

There were no items of urgent business.

#### 24/19 **Exclusion of the Press and Public**

The following motion was moved by Councillor Clark and seconded by Councillor Jewitt to exclude the press and public:

“That, under Section 100A(4) of the Local Government Act, 1972, the press and public be excluded from the meeting for the following items of business on the grounds that it involves the likely disclosure of exempt information falling within those paragraphs indicated in Part 1 of Schedule 12A of the Local Government Act 1972, as amended.”

The motion was put and it was agreed by the Committee to exclude the press and public for the remainder of the meeting.

25/19 **Licensing Act 2003: Application for Personal Licence**

The Applicant was not present at the commencement of the item however the Sub-Committee were satisfied that the Applicant had been notified by letter and by email of the date, time and location of the hearing and no correspondence/contact had been received to indicate that attendance would not be possible. The Sub-Committee therefore commenced consideration of the Item. The Applicant arrived at 16h35 and the Chair summarised the proceedings which had taken place until that point in time for the benefit of the Applicant and requested that the Police repeat their verbal representations for the Applicant's benefit. The Applicant confirmed that they had received the police objection notice.

The Licensing Sub-Committee considered the Application for a Personal Licence and the objection notice received from the police as contained in the report of the Executive Director 'Place'.

The Sub-Committee also considered the verbal representations from the police and the applicant.

The Sub-Committee, having reference to the licensing objectives under the Licensing Act 2003, the Statutory guidance issued under Section 182 of the Licensing Act 2003 and the Council Licensing Policy **RESOLVED** to REFUSE the application for a personal license for the following reasons:

- The provisions of section 120(7)(b) of the Licensing Act 2003 provide that having regard to the objection notice by the police, the authority must reject the application if it considers it necessary for the promotion of the crime prevention objective to do so;
- The conviction in question is never regarded as being spent and was for serious fraud related offences of conspiracy to defraud and conspire to steal and the committee was not satisfied that it would promote the crime prevention objective to grant the license in the current circumstances;
- Whilst the committee was sympathetic to the applicant's desire to move on and noted the other business interests that the applicant is involved in and the changed personal circumstances, the primary concern for the Committee in relation to whether to grant or refuse a personal license in these circumstances is whether or not rejecting this application would be necessary for the promotion of the crime prevention objective to do so and in the circumstances considered that it was necessary.
- Having regard to the provisions of paragraph 4.24 of the Statutory Guidance which provides as follows: "A number of relevant offences never become spent. However, where an applicant is able to demonstrate that the offence in question took place so long ago and that the applicant no longer has a propensity to re-offend, a licensing

authority may consider that it is appropriate to grant the application on the basis that doing so would not undermine the crime prevention objective,” the committee was not satisfied that the crime prevention objective would not be undermined or that given the nature of the offences, that they occurred so long ago that there was no longer a propensity to re-offend.

In relation to the receipt of the police objections beyond the 14 days and implications as set out in Appendix A and the legal comments section of the report, the Sub-Committee noted the reasons given by the police for the delay were due to an amalgamation of police licensing functions with neighbouring boroughs. The Sub-Committee were of the view that it was appropriate from a public policy perspective to nevertheless consider the application and provide an opportunity for the Applicant to make representations to the Sub-Committee.

<b>SUBJECT:</b>	<b>London Local Authorities Act 1990</b> <b>Application for Street Designation Order x6</b>
<b>LEAD OFFICER:</b>	<b>Executive Director, Place Department</b>
<b>CABINET MEMBER:</b>	<b>Councillor Hamida Ali, Cabinet Member for Safer</b> <b>Croydon &amp; Communities</b>
<b>WARDS:</b>	<b>Crystal Palace and Upper Norwood</b> <b>Purley and Woodcote Sanderstead</b> <b>Fairfield Bensham Manor</b>
<b>CORPORATE PRIORITY/POLICY CONTEXT:</b>	
This report is specific to this application and has no implications on the Council's Corporate Policies	
<b>FINANCIAL SUMMARY:</b>	
There are no direct financial implications arising from this report.	
<b>FORWARD PLAN KEY DECISION REFERENCE NO.:</b> N/A	

**For general release**

<b>1.</b>	<b>RECOMMENDATIONS</b>
1.1	The Committee is asked to determine whether to designate the sites detailed at Appendices A to F for the purposes of street trading and if designated to then determine whether to grant a street trading licence for each site.

**2. EXECUTIVE SUMMARY**

2.1 The purpose of this report is to seek the Committee's decision on the proposal to designate six sites in the Borough as 'licence streets' for street trading and the granting of a street trading licence under the provisions of the London Local Authorities Act 1990 (as amended).

**3. DETAIL**

3.1 The London Local Authorities Act 1990 (as amended) (The Act) provides a legislative framework to control street trading in the Borough. Trading in respect of services as well as goods comes within the scope of the Act.

- 3.2 Licensed street trading may only take place in streets or parts of streets which have been formally designated as “licence streets”.
- 3.3 Appendices A to F to this report provide details of the designation applications. The applicants have been invited to attend the meeting.
- 3.4 If the sites outlined in Appendices A to F are formally designated as ‘licence streets’ by the committee then the committee will decide whether to grant a street trading licence for each site.
- 3.5 The measurements of the individual display areas as outlined in Appendices A-F will allow for the required 2 metre clear distance between the edge of the display and the kerb or the nearest item of street furniture, which is the requirement for roads maintained by Croydon Council or the required 2.8 metre clear distance for roads maintained by Transport for London (TfL), whichever is applicable.

#### **4. CONSULTATION**

- 4.1 The applications were duly advertised in the Croydon Guardian and brought to the attention of the police, planning, highways/TfL (as applicable), parking services and the food & safety team.

#### **5. FINANCIAL AND RISK ASSESSMENT CONSIDERATIONS**

##### **5.1 The effect of the decision**

There are no direct financial implications as a result of this report.

##### **5.2 Risks**

If an applicant is refused a licence on any of the grounds mentioned in paragraph 7.2 (a) - (g) he/she will have the right of appeal to the Magistrates’ Court against the decision. The decision of the Committee may also be subject to Judicial Review.

An appeal against a decision of the Committee or a Judicial Review of the application process may present financial risks to the Council with regard to any award of costs against it.

##### **5.1 Options**

The options available are: to grant the application, to vary the application, with or without further conditions, or to refuse the application.

##### **5.4 Future savings/efficiencies**

There are no savings or efficiencies arising directly from the recommendations in the report.

5.5 Approved by: Flora Osiyemi, Head of Finance, Place Department.

## **6. COMMENTS OF THE SOLICITOR AND MONITORING OFFICER**

### **LICENCE STREET**

6.1 If the borough council considers that street trading should be licensed in an area, they may pass a resolution designating any street within the borough as a “licence street” in accordance with Section 24 of the Act.

6.2 The first decision which has to be made is whether to designate the particular location as a “licence street”, which in turn would permit the consideration of a licence application.

6.3 Under Section 24 of the Act, the designation of a location as a “licence street” is at the discretion of the Committee and this decision is not subject to any direct appeal.

6.4 Each application must be considered on its own merits.

### **6.5 STREET TRADING LICENCE**

If a site has been designated as a ‘licence street’, the committee must then decide whether to grant a licence to trade at that site – a ‘street trading licence’.

## **7. GROUNDS FOR REFUSAL**

7.1 Under Section 25(4) of the Act, a street trading licence:

(a) shall not be granted:

(i) to a person under the age of 17 years; or

(ii) except where the application is made by a company incorporated under the Companies Acts, or by a partnership, for a licence to carry on ice-cream trading to a person, on a corresponding day, days or time, who holds a street trading licence in any other licence street granted under this Part of the Act but nothing in this paragraph shall prevent the renewal of such a licence; or

(iii) except where the application is made by a company incorporated under the Companies Acts, or by a partnership, for a licence to carry on ice-cream trading to a body corporate or to an unincorporated association;

(iv) in respect of an application for a licence which is not a temporary licence to trade in a street which is not a licence street; or

(v) where the street to which the application relates is a street in

respect of which the borough council have by resolution passed under Sub-Section 1) (b) of Section 24 of this Act, specified a class of articles or things, or services which they will not prescribe in any street trading licence and the grant of the licence would be contrary to any of the terms of that resolution;

- (b) shall not be granted unless the borough council are satisfied that there is enough space in the street for the applicant to engage in the trading in which he desires to trade without causing undue interference or inconvenience to persons or vehicular traffic using the street.

7.2 Under Section 25(6) of the Act, the Council may refuse an application on any of the following grounds:

- (a) that there are enough traders trading in the street or in any street adjoining the street in respect of which the application is made in the goods in which the applicant desires to trade;
- (b) that the applicant is on account of misconduct or for any other sufficient reason unsuitable to hold the licence;
- (c) that the applicant is an individual who has without reasonable excuse failed personally to avail himself of a previous street trading licence;
- (d) that the applicant has at any time been granted a street trading licence by the borough council which was revoked or could have been revoked on the grounds that he had refused or neglected to pay fees or other charges due to them in respect of the licence;
- (e) that the applicant has failed to provide or to identify suitable or adequate premises for the storage of any receptacles or perishable goods in which he proposed to trade when street trading is not taking place;
- (f) that the application is for the grant (but not the renewal) of a street trading licence; and
  - (i) the only available position is in that part of the street which is contiguous with the frontage of a shop; and
  - (ii) the articles, things or services mentioned in the application are sold or provided at the shop;
- (g) that
  - (i) the application is for the grant (but not the renewal) of a street trading licence; and
  - (ii) the only available position in the street is within the curtilage of a shop; and

- (iii) the applicant is not the owner or occupier of the premises comprising the shop.

7.3 The Head of Litigation and Corporate Law comments on behalf of the Director of Law and Governance that there are no additional legal implications arising from the recommendations in the report other than those already set out within the body of the report.

7.4 (Approved by: Sandra Herbert, Head of Litigation and Corporate law on behalf of the Director of Law and Governance and Deputy Monitoring Officer).

## **8. HUMAN RESOURCES IMPACT**

8.1 The Human Resources impact of supporting the Licensing Hearings will be contained within the budgeted establishments of the Democratic and Legal Services and Licensing Teams.

8.2 (Approved by: Jennifer Sankar, Head of Human Resources, Place Department)

## **9. CUSTOMER IMPACT**

9.1 There are no specific customer services issues relating to these applications.

## **10 EQUALITIES IMPACT ASSESSMENT (EIA)**

10.1 The arrangements for the Licensing Hearings seek to ensure that all applicants and other interested parties receive a fair hearing and that the process is accessible to all groups within the community.

## **11. ENVIRONMENTAL AND DESIGN IMPACT**

11.1 There are no perceived environmental and design impacts relating to these applications.

## **12. CRIME AND DISORDER REDUCTION IMPACT**

12.1 The Police Licensing Officer has been consulted on these applications.

## **13. HUMAN RIGHTS IMPACT**

13.1 The Human Rights 1998 (HRA) requires public bodies to ensure everything they do is compatible with Convention Rights and makes it unlawful for a public authority to act incompatibly with those Rights. **Article 6 (A6)** of the European Convention on Human Rights (ECHR) is the right to a fair trial. The key elements of this include

- The right to a *fair* hearing;
- The right to a *public* hearing;
- The right to a hearing before an *independent and impartial tribunal*;

- The right to a hearing *within a reasonable time*.

13.2 When hearing an application, the proceedings of a non-judicial body such as the Licensing Committee, as opposed to an actual Court, need not meet the full requirements of A6 where there is a right of appeal from the Licensing Committee to a Court that does meet the full A6 standards and can consider all aspects of the case (even if that does not include a full re-hearing of the facts).

13.3 So, while it is good practice to make a hearing before the Licensing Committee as A6 compliant as possible, it will not be a breach of the HRA if it is not. Further, the hearing of all applications are subject to the principles of Natural Justice and the requirement for decisions to be 'Wednesbury reasonable'.

#### **14. FREEDOM OF INFORMATION/DATA PROTECTION CONSIDERATIONS**

14.1 Protocols agreed in relation to Licensing Hearings are within the Council's Constitution and will be accessible as part of the Council's Publication Scheme maintained under the Freedom of Information Act.
