CONSTITUTION OF THE LONDON BOROUGH OF CROYDON

PART 1

SUMMARY AND EXPLANATION

1 INTRODUCTION

- 1.1 Croydon Council (the London Borough of Croydon) has established decision-making arrangements that comply with the requirements of the Local Government Act 2000 as amended by the Local Government and Public Involvement in Health Act 2007 and the Localism Act 2011. They are known as the Executive Leader and Cabinet model.
- 1.2 This Constitution provides for all the Council's responsibilities and functions to be separated between Executive Leader and Council responsibilities and functions. The Articles (Part 2) of the Constitution set out the rules and framework which govern the operation of the Authority, and Parts 3 to 6 of the Constitution provide further details of the allocation of responsibility for functions; procedure rules, codes and protocols for specific parts of the decision-making structure. The main elements of the Council's Constitution are summarised below.

2 THE COUNCIL

- 2.1 All 70 Members (also referred to as Councillors) are entitled to attend and take part in meetings of the Full Council. The Council Year begins in May each year with an Annual Meeting that appoints a new Mayor, and Deputy Mayor. It also appoints the Leader (for a period of four years) and makes appointments to Committees, Sub-Committees, Working Parties and Outside Bodies for that Municipal Year.
- 2.2 Ordinary Full Council meetings are held on six other occasions during the Council Year. One of the Ordinary Meetings is to set the Council Tax. Extraordinary and Special Meetings of the Full Council may also be convened.
- 2.3 Only the Full Council meeting may set the Budget for the Authority or approve the policies, plans and strategies that are specified in the Council's "Policy Framework", as defined in Article 4.02 of this Constitution.
- 2.4 Certain decision taking functions may be retained by the Full Council or delegated to a non-executive Committee or to Executive Directors. Other decision taking functions must be discharged by the Leader or by the Chief Executive. Part 3 of the Constitution sets out how the responsibility for functions is allocated to the Leader and Committees.

- 2.5 At Ordinary Meetings of the Full Council, the Leader and Cabinet:
- Reply to questions from the public (except at the meeting of the Council at which the Council sets the rate of Council Tax);
 - Present a Report including any recommendations for decision and replies to Members' questions on the Report; and
 - Reply to questions asked by Members.
- 2.6 Ordinary Full Council Meetings also deal with:
- The formal presentation to the Council of petitions by Members;
 - Petitions from Members of the Public for Debate in accordance with the Part 4A , 3.12 of this Constitution; and
 - Motions for Debate.
- 2.7 All meetings of the Council are open to the public and press, unless they are exempted.

3 THE LEADER AND CABINET

- 3.1 The Cabinet comprises up to 10 Members including the Leader and Deputy Leader(s). Details of the responsibilities and functions allocated by the Leader to the Cabinet as a whole or to individual Cabinet Members are set out fully in the Leader's Scheme of Delegation. For the avoidance of doubt, such Cabinet arrangements may include provisions for job-share portfolios however there may not be more than 10 acting Members of Cabinet inclusive of the Leader at any one time and any non-acting job share Cabinet Member may not exercise any executive functions whilst not Acting Cabinet Member for the relevant portfolio.
- 3.2 The Leader is responsible, in consultation with others, for shaping the plans and strategies which form the Council's Policy Framework and recommending them to the Council; and for taking decisions on executive matters within that framework. The Leader gives political direction to the Chief Executive and Executive Directors in relation to the way in which services are managed within the budgets allocated to them. The Leader may establish one or more Cabinet Committees to exercise specified executive functions.
- 3.3 All meetings of the Cabinet are open to all Members, the public and press to attend. In the event of there being confidential or exempt business to discuss in accordance with the Council's Access to Information Procedure Rules, that part of the meeting is held in private. Notice of meetings and availability of papers prior to a meeting shall also comply with the Council's Access to Information Procedure Rules set out at Part 4 of the Constitution.
- 3.4 "Key Decisions", shall be published in accordance with the Council's Access to Information Procedure Rules set out fully in Part 4B of the Constitution.

- 3.5 Informal meetings of the Leader and Cabinet Members occur from time to time. No executive decision can be taken at an informal meeting of Cabinet Members. These meetings are not subject to the Access to Information Procedure Rules.
- 3.6 Cabinet Members may publish Bulletins at regular intervals as an added means of informing non-executive Members, the public and press of matters of significance but not requiring Cabinet consideration. Bulletins issued are included in the Leader and Cabinet Questions agenda item at Ordinary Council and are therefore open to questions.

Chief Executive

- 3.7 Certain matters not reserved to the Council, Leader, Cabinet or a Cabinet Committee are decided by the Chief Executive acting under delegated powers.

The Scrutiny and Overview Committee

- 3.8 The Scrutiny and Overview function is part of the Council's executive arrangements as required by the law. The Council has one overarching Scrutiny and Overview Committee encompassing all scrutiny functions required by Statute. Seats are allocated according to the rules of proportionality, which provide for the allocation of seats on committees so that they continue to reflect the overall political composition of the Council.
- 3.9 The Scrutiny and Overview Committee ensures the efficient and effective conduct of its responsibilities through the work of a number of Sub-Committees, and "task and finish" groups.
- 3.10 The Scrutiny and Overview Committee and its Sub-Committees hold the executive to account, monitor the performance of Council services and investigate matters affecting the wellbeing of Croydon. In addition the Scrutiny and Overview function has a statutory duty to scrutinise Health Services, Community Safety issues and education matters. They carry out these roles in a number of ways including:
- Reviews of services which often cut across organisational boundaries and roles.
 - The scrutiny of Action Plans and Implementation.
 - In certain circumstances and in accordance with the Scrutiny and Overview Procedure Rules at Part 4 of the Constitution, Members may request the review of an executive key decision taken by the Cabinet or a Cabinet Member but not yet implemented.
- 3.11 Any Councillor except a Cabinet Member is eligible to be appointed to the Scrutiny and Overview Committee or any of its Sub-Committees.

- 3.12 The Scrutiny and Overview Committee reports annually to the Council. During the year the Committee and its Sub-Committees may make recommendations to the Leader and Cabinet and exceptionally direct to the Council.
- 3.13 Members, the Chief Executive and Executive Directors or other senior staff are under a duty to attend the Scrutiny and Overview Committee or Sub-Committee to answer questions. There is a power to co-opt non-Council members onto the Committee or any Sub-Committee. There is a statutory requirement to co-opt church and parent-governor representatives when matters related to the duties of the Council relating to education functions **are** considered.
- 3.14 All meetings of the Scrutiny and Overview Committee and its Sub-Committees are open to the public and press, except where confidential or exempt information is considered. Confidential or exempt business is discussed in private in accordance with the Council's Access to Information Procedure Rules.

4 NON-EXECUTIVE COMMITTEES

- 4.1 The Full Council has made arrangements to delegate various powers and duties that are not executive functions to a number of Committees, Sub-Committees and the Chief Executive for the efficient conduct of business. These Delegations are set out in 'Responsibility for Functions' contained in Part 3 of the Constitution and the Non-Executive Committee Procedure Rules at Part 4. As with the Scrutiny and Overview Committee, seats on the non-executive committees are allocated between the party groups in proportion to their respective numbers of Members.

5 SHADOW CABINET

- 5.1 The Shadow Cabinet comprises the Leader of the Opposition and up to nine other Members nominated by the largest political Group represented on the Council having no executive members. Shadow Cabinet members hold policy portfolios that broadly mirror the portfolios held by members of the Cabinet. The Shadow Cabinet has no power to discharge any function of the Authority.

6 PARTNERSHIPS

- 6.1 The Council continues to develop a wide range of partnerships and other consultative bodies. These bodies are not part of the Council's formal decision making structure but are an important part of informing the policy process and of collaborative working.

7. SCHEME OF MEMBERS' ALLOWANCES

- 7.1 The Council has adopted a Scheme of Members' Allowances in

accordance with the relevant Regulations. This Scheme is set out at Part 6A of the Constitution.

- 7.2 Members also known as “Councillors” are not employees of the Council. They have a role description but do not have fixed “hours of work”. They carry out their duties at all and sundry times.
- 7.3 Some Members are in paid employment elsewhere. Although they are entitled to reasonable time off without pay for public duties some employers are very uncooperative and do not willingly allow the amount of time off required. However, Members have to balance the need to take time off for Council work and the impression given to their employer by the amount of time to take off work in order to perform their public duties.

- 6.2 A balanced work programme should be developed including pre- and post-decision scrutiny, monitoring and external scrutiny. As far as reasonably practicable, there should be wide consultation on the work programme with Members, Chief Officers, external agencies and the wider community prior to its consideration by the Scrutiny and Overview Committee.
- 6.3 The Scrutiny and Overview Committee will oversee Sub-Committee workloads, having regard to the available officer and other resources.

7 AGENDA ITEMS

- 7.1 The Agenda for each Committee or Sub-Committee meeting should be based on the agreed Work Programme. Timings and the order of business should be decided by the Chair, Deputy Chair or Vice Chair, as appropriate, in sufficient time to allow invitations and requests for reports to be made with adequate notice.
- 7.2 Any Member of the Scrutiny and Overview Committee or a Sub-Committee shall be entitled to give notice to the Chair of their wish to add an item, which is not already on the agreed Work Programme, to the agenda for the Committee or Sub-Committee of which they are a member, subject to such item being relevant to the functions of the Committee or Sub-Committee in question. In addition, any Member of the Council shall be entitled to give notice to the Chair of their wish to add an item, not already on the agreed

Work Programme, to the agenda for the Committee or Sub-Committee with responsibility for the function to which the matter relates, provided that the item is both relevant to the functions of the Committee or Sub-Committee and it is not an “excluded matter” as defined in regulations pursuant to the Local Government Act 2000, as amended. The Committee or Sub-Committee may agree to include this item at the next or a subsequent meeting.

7.3 Any changes to the work programme agreed by Sub-Committees will be reported to the Chair of the Scrutiny and Overview Committee for information. The Scrutiny and Overview Committee will monitor these arrangements and keep them under review.

7.4 It is recognised that Cabinet Members or officers may not be available at short notice. Members and officers invited to scrutiny meetings should always, unless there are exceptional circumstances, receive adequate notice and where appropriate reminders of meeting dates.

11 CALL-IN - EXERCISE OF THE POWER TO REVIEW A DECISION TAKEN BUT NOT YET IMPLEMENTED

11.1 This procedure may only be used for executive Key Decisions after they are taken but before they are implemented.

11.2 When a Key Decision is made the decision shall be published in accordance with the Council's Access to Information Procedure Rules at Part 4B of the Constitution.

11.3 The notice of the decision will specify that the decision may not be implemented until after 13.00 hours on the 6th working day following the day on which the decision was taken unless referred to the Scrutiny and Overview Committee.

11.4 Any request shall be made on a pro-forma, available from democratic services, which should be submitted to the Council Solicitor or their representative electronically or on paper before 13.00 hours on the 6th working day following the day on which the decision was taken. A decision may only be subject to the referral process once.

11.5 The referral request shall be signed by:

- i) The grounds for the referral
- ii) The outcome desired
- iii) The date and the signatures of the Members requesting the Call-In

11.7 The decision-taker and the relevant Chief Officer(s) shall be notified of the referral and shall suspend implementation of the decision. The Chair of the Scrutiny and Overview Committee shall also be notified.

11.8 The referral shall be considered at the next scheduled meeting of the Scrutiny and Overview Committee unless, in the view of the Council Solicitor, this would cause undue delay. In such cases the Council Solicitor will consult with the decision-taker and the Chair of Scrutiny and Overview to agree a date for an additional meeting. The Scrutiny and Overview Committee may only consider a maximum of three referrals at any one meeting.

11.9 At the meeting, the referral shall be considered by the Committee which shall

determine how much time it will give to the call-in and how the item will be dealt with including whether or not it wishes to review the decision. If having considered the decision there are still concerns about the decision then the Committee may refer it back to the Cabinet for reconsideration, setting out in writing the nature of the concerns. The Cabinet shall then reconsider the decision, amending the decision or not, before making a final decision.

- 11.10 The Scrutiny and Overview Committee may refer the decision to the Council if it considers that the decision taken by the Leader or Cabinet is outside the Budget and Policy Framework of the Council. In such circumstances, the provisions of Rule 7 of the Budget & Policy Framework Procedure Rules (Part 4C) apply. The Council may decide to take no further action in which case the decision may be implemented. If the Council objects to Cabinet's decision it can nullify the decision if it is outside the Policy Framework and/or inconsistent with the Budget.
- 11.11 If the Scrutiny and Overview Committee decides that no further action is necessary then the decision may be implemented.
- 11.12 If the Council determines that the decision was within the Policy Framework and consistent with the Budget, it will refer any decision to which it objects, together with its views on the decision, to the Cabinet. The Cabinet shall choose whether to either amend, withdraw or implement the original decision within 10 working days, or at the next meeting of the Cabinet after the referral from the Council.
- 11.13 The responses of the decision-taker and the Council shall be notified to all Members of the Scrutiny and Overview Committee once the Cabinet or Council has considered the matter and made a determination.
- 11.14 If either the Council or the Scrutiny and Overview Committee fails to meet in accordance with the Council calendar or in accordance with Rule 11.8 above, then the decision may be implemented on the next working day after the meeting was scheduled or arranged to take place.
- 11.15 The referral procedure shall not apply in respect of urgent decisions. A decision will be urgent if any delay likely to be caused by the referral process would seriously prejudice the Council's or the public interests. The record of the decision and the notice by which it is made public shall state if the decision is urgent and therefore not subject to the referral process. The Chair of the Scrutiny and Overview Committee must agree that the decision proposed cannot be reasonably deferred and that it is urgent. In the absence of the Chair, the Deputy Chair's consent shall be required. In the absence of both the Chair and Deputy Chair, the Mayor's consent shall be required. Any such urgent decisions must be reported in the Cabinet Business Report to the next available meeting of the Council including the reasons for urgency.

CONSTITUTION OF THE LONDON BOROUGH OF CROYDON

Part 4.G – Delegations to Executive Directors Decision Making Procedure Rules

1 Departmental Schemes

- 1.1 This Constitution includes a range of delegations. Executive Directors should identify who amongst their senior staff shall exercise these, both on a day to day basis and in the event of their absence. These arrangements shall be written up by each Executive Director as their departmental scheme, which shall be deposited with the Council Solicitor.
- 1.2 A departmental scheme might involve specific delegations to individual senior officers or generic delegations to a group of officers. It is for each Executive Director to decide what is reasonable in the context of their Department's needs and staffing structure. It would not be unreasonable for an Executive Director to delegate the entirety of his delegated powers to the Department's second tier staff but not appropriate to re-delegate on a general basis more widely. Further advice is available from the Monitoring Officer on the style and content of the scheme of delegations appropriate for a particular Department. The Council's Financial Regulations at Part 4 of this Constitution provide that the Chief Finance Officer must approve all financial schemes of delegation.

2 Decisions which should be formally recorded

- 2.1 Most of the Council's most senior managers are taking decisions on a regular basis and the general nature of the delegations included in the Constitution provides authority for this. However, certain classes of decisions and the reasons for them should be recorded in writing in order that they can be defended if challenged (either informally or through the Courts) and to protect managers from any suggestion that they are abusing their authority. Furthermore, certain types of decisions are required by statute to be recorded and made available to the public. Finally, where executive decisions are being taken by officers, regard must be had to the provisions of Part 4B Access to Information Procedure Rules in this Constitution.
- 2.2 Given that Officers shall be taking a wide range of managerial, service and statutory decisions it is not easy to identify with complete certainty those where a formal record should be retained. However the following classes of decision, which are not mutually exclusive, are required by statute to be formally recorded:

- i. Any decision taken by an officer which would otherwise have been taken by the relevant Council decision making body, or a committee or sub-committee of that body or a joint committee in which that body participates, but it has been delegated to an officer of that body either-
 - Under a specific express authorisation; or
 - Under a general authorisation to officers to take such decisions and, the effect of the decision is to:
 - a) Grant a permission or licence;
 - b) Affect the rights of an individual; or
 - c) Award a contract or incur expenditure which, in either case, materially affects that relevant local government body's financial position.

- ii. A written record must be produced as soon as reasonably practicable after the decision making officer has made the decision and must contain the following information –
 - The date the decision was taken;
 - A record of the decision taken along with the reasons for the decision;
 - Details of alternative options, if any, considered and rejected, and
 - Where the decision is taken pursuant to an express authorisation from a the relevant Council decision making body, the names of any Members of the Council decision making body who has declared a conflict of interest in relation to the decision.

2.3 In addition to the above, the following classes of decision, which are not mutually exclusive, provide a guide as to those where a specific record including reasons should be retained:

- i. Statutory Determinations
- ii. Any decision which is prejudicial to the rights or interests of an individual or a third party
- iii. Any decision which is likely to be challenged
- iv. Any decision to issue a formal Notice or instigate a formal procedure
- v. The dismissal of a member of staff or any decision which is prejudicial to the interests of an individual or a group of staff
- vi. The approval of expenditure over £10,000
- vii. Any decision, which may be or is at variance with Government guidance

- viii Any decision requiring the execution of formal documentation by the Council Solicitor.
 - ix Any other executive decision, as defined in Part 4B Access to Information Procedure Rules in this Constitution, such record to include the decision and date it was made; the reasons for the decision; details of any alternative options considered and rejected by the officer when making the decision ; any conflict of interest declared by any Executive Member who is consulted by the officer which relates to the decision; and in respect of any declared conflict of interest, a note of dispensation granted by the Head of Paid Service
- 2.3 Decisions relating to the appointment of staff are already well documented if carried out in accordance with the Council's recruitment policies and the Guide to Successful Staff Selection.
- 3 Decision documentation**
- 3.1 The need to document decisions and their reasons can be met in a number of ways. It is suggested that the most appropriate is either:
- (a) A decision letter setting out reasons and signed by a manager with delegated authority;
 - (b) An internal memorandum setting out reasons and a recommendation to a manager with delegated authority and then endorsed as "approved" and signed and dated by that manager; or
 - (c) A decision record form for non-executive decisions designed for the purpose – an example of such a form is attached at appendix 1 to these rules.
 - (d) In relation to an executive decision as defined in Part 4B Access to Information Procedure Rules in this Constitution, an executive decision record form is required, as attached at appendix 2 to these rules.
- 3.2 The decision documentation should then be retained (in hard or electronic form) on a central departmental file in addition to any subject file. The Council Solicitor shall require a copy of the documentation when executing formal documentation on such matters.
- 3.3 The manager with delegated authority must be either the Executive Director or a senior manager given delegated authority under the departmental scheme referred to in paragraph 1 above.
- 3.4 As with a report to the Leader, the Cabinet or a Committee for decision the reasons given should show that the Authority (acting through the delegated manager) has had regard to all appropriate considerations in reaching a

decision. This must include all those that the Authority is required to have regard to by statute (such as human rights or crime and disorder) as well as those that are required by good practice. The general approach adopted in Committee or Leader/Cabinet reports may be a helpful guide although the documentation for delegated decisions may be more concise.

1. Status of Financial Regulations

- 1.1 The Financial Regulations (the Regulations) provide the governance framework for managing the Council's financial affairs. They apply to all Members, officers of the Council and anyone acting on its behalf. It is likely to be considered a disciplinary offence to breach these Financial Regulations and procedures.
- 1.2 They seek to ensure that the Council conducts its affairs in a way that complies with specific statutory provisions, generally accepted accounting practices and professional good practice.
- 1.3 The Local Government Act 1972 (Section 151) makes the Chief Financial Officer responsible for the proper administration of the Council's financial affairs. These Regulations are issued pursuant to these responsibilities.
- 1.4 All Members and Officers have a general responsibility for taking reasonable action to provide for the security of the assets under their control and for ensuring that the use of these resources is legal, is properly authorised and achieves value for money. Background

These Tenders and Contracts Regulations are designed to ensure that all Contracts covered by these Regulations will be cost effective and meet the priorities of our Corporate Plan, link below:

[https://www.croydon.gov.uk/sites/default/files/articles/downloads/Corporate%20 Plan%202018-22.pdf](https://www.croydon.gov.uk/sites/default/files/articles/downloads/Corporate%20Plan%202018-22.pdf)

The Council's Commissioning Framework principles which these regulations support are outlined below:

Ethical And Sustainable Commissioning					
We will embed ethical and sustainable procurement considerations in all aspects of commissioning practice. We will use the Council's purchasing power to maximise social value, fostering local employment, promoting fair pay, encouraging local business growth and supporting community priorities.					
Principles					
Evidence based	Preventative	Locality based	Collaborations and Partnerships	Resident Focused	Delivering Outcomes
We will use data and insights at the locality level together with service user input to inform robust decisions that aid our commissioning and procurement practices.	We will focus on a preventative approach, in partnership with our communities, businesses and residents, enabling empowerment and self-resilience.	We will take a locality based commissioning approach, which takes account of the existing strengths, skills and resources to ensure that investment decisions support community empowerment.	We will collaborate or work jointly with other organisations to ensure improved outcomes and value for money for our residents.	We will put our residents at the center of our commissioning approach. We will involve customers and service users in the co-production of services.	We will commission for sustainable and effective outcomes that deliver beyond service and organisational structures.

The principles of these regulations are:

- to achieve good value for money and deliver social value wherever possible;
- to deliver a competitive process; ensuring there is no discrimination, with fair and transparent procedures, and equal treatment of all potential suppliers;
- to encourage and ensure continuous improvement in the delivery of Council services through the application of value for money principles;
- to incorporate effective and best practice procedures;
- to publish clear and understandable rules;

- to minimise risks and to protect the Council's interests and reputation;
- to ensure controls and accountability, and always to act within the law;
- to maintain an auditable trail of all tender activity;
- to be responsive to any weaknesses identified by internal/external audit;
- to ensure that regulations reflect the current procurement environment;
- to effectively support the delivery of direct services;
- to have regulations with which everyone complies.

These Tenders and Contracts Regulations are designed to achieve these key commissioning and procurement principles.

These Regulations are also the best defence against allegations that a purchase has been made unfairly, incorrectly or fraudulently. All those involved in the commissioning and procurement process must comply with these Regulations. Failure to do so may lead to disciplinary action being taken.

Section 2 – Make or Buy

7. Pre Procurement

- 7.1 Any new commissioning of services including existing services where the contract is due to end, must consider the Make or Buy decision, in line with the Council's' Commissioning Framework and guidance in the Procurement and Contract Management Handbook. The Director responsible must submit a

report to CCB for agreement to the proposed outcome for values over £100,000.

- 7.2** Consideration must be given to what procurement method is most likely to achieve the commissioning and procurement objectives, including packaging (Lots) strategies, internal or external sourcing, shared services, partnering arrangements and collaborative procurement arrangements with other local authorities and government departments. Officers will also consider working with CCGs, statutory undertakers and Central Purchasing Bodies. They may also consider the establishment of separate trading entities.
- 7.3** The relevant Officer must refer to the Procurement & Contract Management Handbook for further details on process and requirements before instigating any procurement exercise.

Section 3 – How we Buy - Approach and Principles

8. How we Buy

- 8.1** The Director responsible must submit a How we Buy (procurement strategy) Report to the CCB, setting out commissioning intentions and sourcing strategy, (in the format required), for all proposed Contract awards for goods and services with an estimated total Contract value of £100,000 and above. Where it is intended to complete a mini competition or call off for works from an existing Council contract or an OJEU procured framework as advertised for works, then a report is not required up to an estimated total contract value of £500,000.
- 8.2** A Report must be presented to Cabinet (in the required format) for approval that has been recommended by CCB, where the eventual Contract value is estimated at £5m or above unless the underlying procurement strategy to which it relates has already been reported and agreed by Cabinet. In these cases, the Leader has delegated the authority to agree the procurement strategy to the relevant Cabinet Member.
- 8.3** The How we Buy report or Cabinet report should, as a minimum, set out the project plan, the proposed procurement route, compliance with the Council's policies on LLW, Social Value, data protection and equality analysis recommendations, any proposed departures from standard procurement practice or these regulations, the evaluation approach, risks, timetable, project structure and details of the Contract, e.g. term, value and any other relevant information.
- 8.4** No advertisement should be placed or invitation to tender made prior to approval of the How we Buy report in accordance with Regulation 11.

9. E-Procurement and the Use of E-Sourcing (Tendering)

- 9.1** E-Procurement is a critical method of ensuring transparency, fairness and accountability in procurement processes. As such, all quotation and tendering processes for Contracts run by the Council or on behalf of the Council must use an e-tendering portal under the supervision of the relevant C&P Head of Service. When the Council is running a quotation or tendering process it will use its own e-tendering portal. Any other tendering method or use of other e-tendering portals may be used only with prior authorisation via a Waiver request.
- 9.2** All electronic documentation will be securely accessed and retained on the Council's e-sourcing website. The Council will not accept hard copies of suppliers tender submissions.
- 9.3** The relevant Director must ensure that all information required to commence an e-procurement process effectively, and to provide a full audit trail for the process, is provided, including details of evaluation criteria, their weightings and the way in which evaluation scores will be calculated.

10. Contract Value, Aggregation and Existing Council Contracts

- 10.1** The Officer responsible must not divide any Contract ordinarily treated as a single Contract into two or more Contracts or in phased or staged delivery in such way as to avoid the application of any of these Regulations, the UK Regulations or the EU Rules.
- 10.2** The value of Contracts which are subject to the UK Regulations shall be calculated as provided for in those regulations. The value of any Contract is calculated net of VAT and over the total duration of the Contract, including any pilot, phases or stages of delivery.
- 10.3** The Officer responsible may not arrange to purchase separately any supplies, services or works that are available to be purchased through an existing contractual arrangement with the Council, where the items sought are either the same or sufficiently similar to those that are the subject of the existing contract to fulfil the Council's needs. Unless it can be clearly demonstrated to the satisfaction of the Chair of CCB for spend above £100,000 and to the satisfaction of the Strategic Procurement Manager for spend below £100,000, that using the existing Contract would not fulfil the Council's statutory duty to provide Best Value under Section 3 of the Local Government Act 1999.

11. Procedures and Approval Process for the Council's Tendering and Request for Quotation Activities

- 11.1** These regulations apply to all purchases except for those where Regulation 19.3 applies.
- 11.2 Low Value Procurement (below £100,000)**

11.2.1 For all contracts with an estimated value of below £100,000 the following thresholds apply:

Contract Value	Procedure	Approval
Up to £10,000	Preferably two written quotations both to be from local supplier using the Council's Business Directory (if possible).	In accordance with the Council's Scheme of Financial Delegation and Departmental Scheme of Delegation.
Over £10,000 up to £100,000	Min. three written quotations with two from local suppliers using the Council's Business Directory (if possible) and processed by the Council's Buying Team via the Council's e-tendering portal.	

11.2.2 For values over £10,000 written quotations should be processed through the Central Buying Team using the Council's e-tendering system. Quotations must be processed in accordance with the information on low value procurement provided in the Commissioning & Procurement Handbook.

11.2.3 Where the procurement route will not follow Regulation 11.2.1, a waiver is required as set out in Regulation 19. The Director of C&P may approve a list of general exemptions for circumstances where it is not feasible or advantageous to seek written quotations or Waivers.

11.3 Formal Tendering (£100,000 and above)

11.3.1 For all contracts with an estimated value of £100,000 and above, formal tendering procedures should be followed using the Council's e-tendering portal in accordance with the requirements of Regulations 8 & 26 and the UK Regulations. No procurement can commence without prior approval of the RP2 How we Buy - procurement strategy and no contracts can commence without prior approval of the award of contracts. Approvals are in accordance with the table below and where approval is sought from a Cabinet Member then it is in consultation with the Cabinet Member for Finance & Resources or where the Cabinet Member is the Cabinet Member for Finance & Resources then it is in consultation with the Leader of the Council.

Approval Required	Chair of CCB Approval	Cabinet Member Approval	Cabinet Approval
RP2 How we Buy - Procurement Strategy	Up to £5,000,000	Cabinet Member(s) to be sighted on all reports	Over £5,000,000
RP3 Contract Award	£100,000 up to £500,000	Over £500,000 up to £5,000,000	Over £5,000,000

11.3.2 Unless as otherwise specified in these Regulations, the approval of strategies and awards relating to Framework Agreements and the establishment/initial appointment of providers to a DPS shall be subject to the requirements and

procedures applicable to Contracts, by reference to the estimated value of contracts to be called off over the life of the Framework or DPS.

11.3.3 The periodic appointment of new providers to an approved DPS or (where relevant) Framework shall be reported to CCB with such frequency as shall be specified in the report seeking approval for the award of a Framework Agreement or establishment/initial appointment of providers to a DPS ('Framework/DPS Award report').

11.3.4 Unless as otherwise stated in these Regulations, the approval of strategies and awards in relation to Call-off Contracts under a Framework or DPS approved via a Framework/DPS Award Report shall be subject to the requirements and procedures applicable to Contracts, except as may be otherwise specified and approved in the relevant Framework/DPS Award Report.

12. Pre Tender Market Consultation

12.1 Before submitting a procurement strategy to CCB, the officer responsible for the procurement and in consultation with the relevant Category Manager, may issue a Prior Indicative Notice (PIN) or conduct market consultations with a view to informing the eventual procurement approach, scope of contract, specification etc. and/or to communicate to prospective applicants and tenderers the Council's procurement plans and requirements such as the nature, level and standard of the provision, contract packaging, timescales and other relevant matters.

12.2 For this purpose, the officer responsible may, for example, seek or accept advice from independent experts, other authorities or from market participants.

12.3 Such advice may be used in the planning and the proposed procurement procedure, provided that it does not have the effect of distorting competition (by giving those who participate in the pre-tender market consultation an unfair advantage over others in relation to future procurement opportunities) and does not result in a violation of the EU Rules and transparency and furthermore, is conducted in line with the UK Regulations.

13. London Living Wage (LLW)

13.1 The Council will include a requirement for all staff to be paid no less than the LLW, as defined by the Living Wage Foundation. For these purposes the scope will be defined as by the Living Wage Foundation. For 'staff' means all persons employed by the contractor to perform its obligations under the relevant Council contract together with the Provider's servants, agents, suppliers and sub-contractors used in the performance of its obligations under that Contract.

14. The Public Services (Social Value) Act 2012

14.1 This Act places a requirement on commissioners to consider the economic, environmental and social benefits of their approaches to commissioning and

procurement before the process starts. The Act requires authorities to make the following considerations at the pre-procurement (commissioning) stage:

- a) How, what is proposed to be procured, might improve the economic, social and environmental well-being of the 'relevant area';
- b) How in conducting a procurement process, the Authority might act with a view to securing that improvement and whether to undertake a consultation on these matters.

14.2 Commissioners should use this Act, including any updates to it and the Council's Social Value Policy to consider outcomes and the types of services to commission before starting the procurement process. When considering how a procurement process may improve the social, economic or environmental well-being of a relevant area, the Council must only consider matters that are relevant to what is proposed to be procured. The Council must only consider those matters to the extent to which it is proportionate, in all the circumstances, to take those matters into account. See: <http://www.legislation.gov.uk/ukpga/2012/3/enacted>

15. Nominated or Named Sub-contractors and Suppliers

- 15.1** In accordance with Croydon's commitment to developing the local supply base and proactively implementing the Social Value Act, sub-contracting can provide a useful tool for engaging small businesses, voluntary organisations and the community sector in the supply of goods, supplies and services.
- 15.2** Officers should consider whether the inclusion of sub-contracting clauses is appropriate for their commissioning activity.
- 15.3** Where a Director nominates or names a sub-contractor or supplier to a main contractor, they must ensure the compliance with LLW, Modern Day Slavery, Council's Equality and Diversity policy, data protection legislation and any other such policy or legislation relevant to the goods, services or works being contracted for is included in that suppliers agreement. They must seek approval from the Chair of CCB prior to engagement with the sub-contractor or supplier.

16. Collaboration

- 16.1** In order to secure value for money, the Council may enter into a procurement arrangement with a Central Purchasing Body (CPB) such as Crown Commercial Services (CCS) or another such body. These agreements should include (where possible) compliance with the Council's policy and procedures, and must be approved in accordance with Regulation 11. The terms and conditions of the CPB must be fully complied with, including any requirement to undertake competition between providers, roles and responsibilities and liabilities must be clearly set out in all Call-off and contract documentation when using these agreements.
- 16.2** In order to secure value for money, the Council may enter into collaborative procurement arrangements with another local authority, government department, Clinical Commissioning Groups (CCG) and health providers,

statutory undertaker or other contracting authority. These arrangements must be approved in accordance with Regulation 11 and must ensure that roles and responsibility and liability has been clearly set out within the documentation.

17. Provision of Services and Works for Other Organisations

17.1 This Regulation applies whenever the Council carries out or provides any services or work or other action on behalf of another Local Authority/ consortium of Local Authorities, Government Department, Statutory Body or third sector organisation (third parties). The following conditions apply:

- a. the Officer responsible must be satisfied that the Council's interests will not be prejudiced by any such action; and
- b. there must be sufficient budget for the work in the Council's own estimates; and
- c. the third party must sign an agreement with the Council that clearly states liabilities, roles and responsibilities, and include contingency arrangements should the third party no longer exist during the term of the provision; and
- d. the third party must authorise any additional requirements, variations or departures and any additional funding required by the Council must be authorised in accordance with the Financial Regulations; and
- e. the third party must first confirm that it accepts financial responsibility for the provision of services or work.

17.2 Approval must be sought from the CCB via a RP2 How we Buy report prior to any notable commitment of Council resources or budget

18. Tendering with or through other Public Bodies

18.1 Subject to the requirements of EU Rules, UK Regulations and any other applicable legislation, regulation, policy and/or guidance document, the Officer responsible can call off tenders with or through the following organisations, provided that they can obtain equivalent or more advantageous terms than by inviting competitive tenders:

- a. Another Local Authority, consortium of local authorities, Commissioning Partnerships, a Mutual;
- b. Government Department, Purchasing Organisation which has been approved by the Director responsible for procurement;
- c. Statutory Body;
- d. Utility Undertaking (public or previously public).

18.2 However, the Officer responsible must obtain the most favourable terms possible for the Council and must be able to demonstrate Best Value for Money under Section 3 of the Local Government Act 1999. An award report recommending any award must be submitted in accordance with Regulation 11.

19. Waivers and Emergencies

- 19.1** Where the value is under £100,000 any waivers must be signed by the relevant Director of the service area in consultation with either the Strategic Procurement or Sourcing Managers of the Central Buying Team.
- 19.2** Over and above this, the Director of Commissioning & Procurement (exercising delegated non-executive powers) can waive any requirements contained within these Tenders and Contracts Regulations for specific projects, following a recommendation from the CCB. Any such waivers granted with a value over £100,000 must be reported to Cabinet at its next meeting.
- 19.3** For Disasters and Emergencies where there is a clear need to provide a service or product immediately in the instance of a sudden unforeseen crisis or the immediate risk is to health, life, property or environment, compliance when these regulations may not be feasible. Any Director may place an order for supplies, services or works as the circumstances require after seeking approval from the chair of CCB, clearly stating the immediate procurements required. If that is not feasible for example due to outside of normal working hours then immediately after when reasonably feasible. A report of contracts awarded and any future procurements required will require approval by the Chair of CCB and if applicable Cabinet at the next available meeting after the event.
- 19.4** For emergency placements (Placement) relating to children or vulnerable adults, where it is not possible to arrange the Placement through an existing Council Contract, the relevant Director may authorise an order for the Placement. As soon as practical the Director shall review the Placement to satisfy themselves that it is and continues to be appropriate to the circumstances and provides value for money.
- 19.5** A monthly report of all Placements and other emergency orders made under this Regulation 19 in the relevant month shall be presented to CCB, Cabinet Member or Cabinet as appropriate (by reference to regulation 28 in accordance with the value of award and reporting protocols). Where the Director making the Placement or emergency order is not an Executive Director such report shall also be provided to the relevant Executive Director.
- 19.6** All waivers against any of these regulations, including the reasons for them and the period for which the waiver is valid must be recorded and approved. Where a waiver is to be sought, the procurement process may not begin before approval has been granted. This restriction cannot be avoided by seeking approval of a waiver with retrospective effect, unless it is confirmed that it was not reasonably practicable to obtain it prior to approval. All requirements of these Regulations relating to the approval to award still remain.

20. Preparation of a Specification

- 20.1** The Officer responsible must prepare a clear and unambiguous specification. It must be in keeping with the Council's commissioning principles (including Social Value outcomes), they must be outcome-based and must include any necessary outputs, plans, sections, drawings and bills of quantities. This specification must be agreed by the relevant Category Manager or the Central Buying Team for values below £100,000.

- 20.2** Sometimes, because of the type of work, the Officer responsible may not consider it practical or possible to prepare a detailed specification of every item of work necessary for the contract to be carried out. Here, the Officer responsible may include, in general words, provision for such works in the specification. This is subject to the requirement that any such work is carried out under the direct supervision of and on the written authority of the Officer responsible.
- 20.3** If the specification is for a contract for works, the Officer responsible must include provision within the budget for contingencies.

21. Advertising and the Number of Tenders

- 21.1** One of the principles of Croydon's commissioning framework is to let contracts via an open and transparent competitive process.
- 21.2** Officers shall ensure that all tender processes that are to be advertised are done so in a sufficiently accessible manner and where proposed Contracts, irrespective of their total Contract value, might be of interest to potential suppliers located in other member states of the EU, a sufficiently accessible advertisement is published. Generally, the greater the interest of the Contract to potential suppliers the wider the coverage of the advertisement should be. Advertisements for tenders must as a minimum be placed as follows:
- a.** Where the value exceeds the current EU thresholds for goods, service and works Contracts, tender advertisement rules must be followed in accordance with the current EU Rules and UK Regulations;
 - b.** For procurement activity of any value, Officers must use the Council's own e-tendering portal and website(s). They may use additional advertisements in national official journals, specialist trade papers or websites, if relevant and if affordable.
- 21.3** As a minimum, any advertisement must state the place where interested providers may obtain the procurement documents and the deadline for receipt of submissions. As appropriate and as an alternative to advertising; tenderers may be selected either via an accepted framework (Croydon's own, via an established CPO or authorised 3rd party) or via an approved list such as 'Constructionline'. Details should be provided in the RP2 How we Buy report.

22. Standards and Evaluation Criteria

- 22.1** Where the value is £100,000 and above the Director for whom the procurement is being undertaken must ascertain the relevant EU, UK, European or international standards which apply to the subject matter of the contract. The Officer must include those standards which are necessary to properly describe the required quality and obligations under the contract. Advice from the relevant C&P Head of Service or Category Manager must be sought, as necessary.
- 22.2** The composition of and assessment of the SQ and ITT must be carried out in line with the EU Rules and UK Regulations which provides for transparency,

non-discrimination, equal treatment, mutual recognition and proportionality amongst the freedom of movement of goods, freedom of establishment and freedom to provide services.

- 22.3** The Officer responsible for the procurement must define evaluation criteria that are appropriate to the purchase and designed to secure an outcome that meets the objectives of the Council. This must be included in the approved RP2 How we Buy Report. The evaluation criteria chosen must, where relevant, be compliant and in accordance with the UK Regulations. This must be either MEAT for goods, services and works, or Highest Price if payment is to be received for sale or disposal.
- 22.4** When awarding on the basis of MEAT, the split between cost and quality is to be 40% cost and 60% quality. Where the Officer responsible does not consider this split appropriate, the reasons for the use of an alternative percentage split must be substantiated and a Waiver sought to this regulation. This must be included in the RP2 How we Buy Report, which is in accordance with Regulation 8, for approval by the CCB. Where, under the MEAT approach, quality is adopted as a criterion, it must be further defined by reference to sub-criteria. There is no definitive list of quality criteria that should be applied to all procurements, but they must be linked to the subject matter of the contract and proportionate. Please reference the Procurement & Contract Management Handbook for further advice.
- 22.5** The 60% quality evaluation assessment must include an allocation for a minimum of 10% for the Social Value criteria, any deviation from this must be in accordance with Regulation 19.
- 22.6** The Director must ensure that, whatever method of tendering is chosen, financial appraisals of contractors are part of the selection/award process. Directors must also ensure abnormally low tender submissions have been fully evaluated to ensure it does provide value for money. Any concerns regarding the evaluation especially with consideration of the Modern Day Slavery Act, should be reported to the Chair of CCB.
- 22.7** Officers must indicate in the contract notice whether or not they authorise variants. Variants shall not be authorised without this indication.
- 22.8** Officer must state in the tender documents the minimum requirements to be met by the variants and any specific requirements that need to be met. Only variants meeting those minimum requirements shall be taken into consideration

23. Standard Contract Clauses

- 23.1** All Contracts valued in excess of £100,000 must be in writing and signed by an Authorised Signatory on behalf the Council, or sealed with the Council's Seal in the presence of an Authorised Signatory.
- 23.2** The Officer responsible must include the following standard clauses in every written Contract. Any proposed changes to the standard clauses are subject to

legal advice and approval by the Director of Commissioning & Procurement, if not included in a RP2 How we Buy Report.

23.3 All Contracts must include:

- a. Default procedures. These may include charges for defaults.
- b. A clause enabling the Council to claim actual or liquidated damages or an appropriate combination, depending upon the nature of the contract. Where a liquidated damages clause is used, there must also be included a clause for an extension of the time for completion. Appropriate advice must be sought on the type of damages clause suitable for each proposed contract.
- c. A genuine pre-estimate of liquidated damages must be quoted in the contract to be valid. Liquidated damages clauses generally yield limited sums in damages and, therefore, the risks of adopting a liquidated damages clause should be assessed in each case.
- d. A clause requiring the Contractor to maintain and test a business continuity plan at least annually and to keep the Council informed of how that plan would be deployed to protect the Council's interests, in the event of any interruption in the delivery of goods, services or works.

- g. A clause permitting the termination of the Contract in whole or in part, and without penalty, where the Council elects to do so.
- h. A clause that entitles the Council to terminate a Contract without penalty where it has been subject to a substantial modification by the provider without prior consultation and agreement.
- i. A provision requiring the Council to pay undisputed invoices, within 30 days of receipt of a valid invoice (subject to any contractual or statutory obligation to pay earlier).
- j. Provision that any significant deviation from the tender proposal shall constitute a default in the same manner as a deviation from the Specification and may constitute grounds upon which to terminate the contract.
- k. Suitable clauses to enable the Council to cancel the contract and recover any loss due to the cancellation of the contract if the Contractor or any person employed by the Contractor or acting on the Contractor's behalf shall have committed any offence under the Bribery Act 2010 or shall have given any fee or reward the receipt of which is an offence under Section 117(2) of the Local Government Act 1972 or shall have given any fee or reward to any member or officer of the Council which shall have been exacted or accepted by such officer by virtue of office or employment and is otherwise than such officer's proper remuneration.

- l. A clause that states the Council will require all staff engaged by the Contractor in the delivery of services or works under the Contract be paid the LLW.
 - m. Where appropriate a clause that states the Contractor must comply with the Modern Day Slavery policy.
 - n. Where appropriate a clause that states the Contractor will ensure they maintain their compliance with Council policies that are relevant to the services that the Council are procuring.
 - o. Where personal data is being used within the delivery of the services, the appropriate data protection provision is made including that the Contractor must indemnify the Council against any relevant liabilities applicable to the Contractors responsibilities.
 - p. Where appropriate, relevant safeguarding provisions must be included.
- 23.4** Standard contract clauses for securing social value are set out in the Social Value Framework. The Officer responsible should refer to this framework to ensure the appropriate clauses are used. Every Contract awarded by the Council must have a commitment on social value.
- 23.5** The Officer responsible must consider the obligation to require tenderers to provide a Performance Bond and/or Parent Company Guarantee where a contractor is a subsidiary of a parent company, as a Contract requirement in the following circumstances:
- (i) the award is based on evaluation of the parent company;
 - (ii) the financial status of the contractor (having regard, inter alia, to the proposed contract) warrants the same; and or
 - (iii) the S151 Officer recommends;
 - (iv) where it is proposed to make stage or other payments in advance of receiving the whole of the subject matter of the Contract.
- 23.6** The decision to require a Performance Bond and/or Parent Company Guarantee as a Contract requirement should be detailed in the RP2 How we Buy report.
- 23.7** If during the tendering exercise it becomes a requirement for a tenderer to provide a Performance Bond and/or Parent Company Guarantee as a Contract requirement - perhaps to support a financial standing issue, then this requirement, if different from that stated in the procurement should be reported in the eventual award report.
- 23.8** If required, advice should be sought from the relevant Finance Head of Service and included as part of the RP2 How we Buy report or Contract Award report for approval by the Chair of CCB.

23.14 Every contract must ensure that the contractor acknowledges that the Contract and the information associated with it is subject to the Freedom of Information Act 2000 ('FoIA').

23.15 Every Contract must name the supervising person/s.

23.16 Every Contract must have a clause requiring the contractor to observe statutory requirements as to the manner in which work is to be carried out.

23.17 Every Contract must incorporate the specification and any drawings and bills of quantities as required/relevant.

23.18 Every Contract must contain a provision enabling the Council to deal with cases where the contractor, without good reason, either wholly or partly fails to complete delivery of the supplies, services or works, the subject of the Contract, to the contract standard or at all. The provision must enable the Council, if so desired, to:

a. engage an alternative provider, and in situations of urgency, without notice to the original contractor;

b. arrange for the delivery of necessary supplies or materials from an alternative source;

c. change quality or quantity of supplies, services or works required;

- 26.3** Officers must notify all suppliers of the correct tender return instructions, including the date, time and place (details of the e-sourcing system).
- 26.4** In exceptional circumstances, the deadline for receipt of tenders may be extended, but only with the agreement of the relevant C&P Head of Service and the C&P Head of Service Corporate and only if such extension of time will not disadvantage a tenderer. No extension to the deadline can be given once the original deadline has passed and the seal has been broken on the e-tendering portal.
- 26.5** The relevant C&P Head of Service must arrange for all tenders for any one Contract to be opened at the same time. All tenders received via the Council's e-tendering portal should be opened by those listed below providing they are not involved in the tender exercise:

- a.** if, between the submission of tenders and the Contract being awarded, a tenderer seeks to reduce the price without changing the original specification, then the Director must consult with the Chair for CCB to determine if there are reasons for accepting the new price and, if appropriate, offer the same opportunity to all the other tenderers. Opportunities to other tenderers to revise their bid prices would not normally be given to those previously eliminated for reasons other than cost or where a tenderer rectifies a mathematical error;
 - or**
 - b.** if there are errors in totals;
 - or**
 - c.** if the tender price is so low, the Director believes that the tenderer may have made an error and that acceptance might lead to difficulties of performance;

 - d.** where the lowest tenderer agrees to reduce their price (without varying the specification) after negotiation because:
 - i)** the original tender was unacceptably high;
 - or**
 - ii)** the schedule covers a range of requirements and, although lowest overall, negotiations might allow further savings to the Council.
 - e.** where, for a particular requirement:
 - i)** the lowest tender exceeds the Department's allocation;
 - or**
 - ii)** where it offers an alternative specification and negotiation would permit an assessment of the scope for savings.
 - f.** If there is a Professional or local Code of Practice, that may restrict price negotiation and must be taken into consideration.
- 27.4** If the Director amends the original specification or the acceptable alternative differs from the original specification, then they must give similar opportunities to all other tenderers that submitted a tender.
- 27.5** The tenderer must subsequently confirm, in writing, any alterations to a tender before the Director may consider all the tenders received.

1 INTRODUCTION

- 1.1 This Procedure applies to all meetings of the Planning Committee and the Planning Sub-Committee in relation to the determination of planning applications and any other business dealt with at either of these Committees. Reference to Committee in this Procedure is a reference to both or either of these Committees. Likewise, reference to a Planning Committee Member also encompasses reference to a Planning Sub-Committee Member. Reference to the Chair or Vice Chair is a reference to the Chair or Vice Chair of both or either of these Committees.
- 1.2 The determination of planning applications is a formal statutory administrative process involving the application of national, regional and local planning policies that takes place within a legislative framework. Planning decisions can be appealed by unsuccessful applicants and challenged by way of judicial review by aggrieved parties. Complaints about maladministration and injustice can also be made to the Local Government Ombudsman.
- 1.3 In order to mitigate these risks, it is vital that those involved in the determination of planning applications and particularly officers and Members, at all times act reasonably and fairly to applicants, supporters and objectors. These rules are designed to help ensure this is achieved, but they should not be read in isolation; Members need to also have regard to the Planning Code of Good Practice to be found at Part 5D of this Constitution. Both this Procedure and the Planning Code of Good Practice are subordinate to the requirements set out in the Members' Code of Conduct and nothing in this Procedure or the Code shall be read as implying greater obligations on Members than as set out in the Members' Code of Conduct in Part 5I of this Constitution.

2 COMMITTEE CONSIDERATION CRITERIA

- 2.1 Part 3 of the Constitution (Responsibilities for Functions: Planning Committee and Planning Sub-Committee) sets out the types of planning application that may be considered by these Committees. This part of the Procedure sets out the circumstances where such an application will be referred to Committee for decision.
- 2.2 The Timescales, General Requirements and Criteria set out below will be applied in determining whether any Representations received in respect of an application that may be considered by Committee would require that application to be determined by that Committee rather than dealt with under officer's delegated powers. The term Representation(s) also includes Petition(s).
- 2.3 This section deals with:
- **Timescales:** within which all Representations must be with the Development Management service
 - **General Requirements:** that all Representations must comply with
 - **Criteria:** that apply to the Representations from specific people or bodies such as the Chair or Vice Chair, a Member for the Ward within which the application site is situated or immediately adjoins (Ward Member), the Croydon Member of the Greater London Assembly (GLA Member), the Member of Parliament ('MP') for the constituency within which the application site is situated or immediately adjoins and Resident Associations (RA) plus Representations from other people or bodies
- 2.4 For probity reasons, the Timescales, General Requirements and Criteria set out in this Procedure must be adhered to. The decision of the Director of Planning and Strategic Transport will be final in determining whether the Timescales, General Requirements or Criteria are met.
- 2.5 Any Representation that does not meet the Timescales, General Requirements and Criteria will therefore not be a factor in deciding whether the application will be considered by Committee. Such Representations will still however be considered by the case officer in finalising their report and recommendation, provided he/she receives the Representation before submitting their report for authorisation or at least by noon on the day of the Committee (see paragraph 3.13 below) .
- 2.6 Nothing in this Procedure interferes with the absolute right of the Director of Planning and Strategic Transport to refer an application or planning matter to Committee as prescribed by Part 3 of the Constitution.

Timescales

Statutory Notification Period

- 2.7 The Town and Country Planning (Development Management Procedure) (England) Order 2015 requires the local planning authority to publicise applications for planning permission by site display in at least one place on or near the land to which the application relates for not less than 21 days or by serving a notice on any adjoining owner or occupier. There are also situations (in relation to “major” application, applications that are considered to depart from the provisions of the development plan and applications involving works to listed buildings and properties in conservation areas) where such development is advertised in the local press and by way of site notice(s) in vicinity of the relevant site. The local planning authority is obliged to comply with these statutory requirements.
- 2.8 It does not matter how someone gets to hear about a proposal, as anyone can submit Representations to the Development Management service. Representations on applications must be made in writing (letter or email) or via the Council’s web site. The time limit for doing this is specified on the site notice, press advertisement or the notification forwarded to adjoining occupiers/owners. Where applications are publicised through the service of a notice on an adjoining occupier or owner, those individuals will have 23 days to respond to this notification (to take into account the period for postage).
- 2.9 Where amended plans for an application have been accepted by the Council and if it is necessary to re-publicise them, the Council will undertake further application publicity. In the case of major applications, the local planning authority will display a new site notice on different coloured paper to the original so that local people can distinguish it. Local residents will be given a further 14 days to respond to any re-notification.
- 2.10 Amended plans are often negotiated in response to Representations. Whilst the Council may consider that an amendment it receives has overcome the Representations previously made, it might elect to advise local people of the changes (depending on the specific circumstances) to see whether they would like to make further Representations as follows:

If the amendments do overcome their concerns, they may write to confirm this, but the General Requirements below (paragraph 2.15) are designed to take account of such circumstances, so people do not have to take any further action.

- If someone has already made a Representation and the amendments do not overcome their concerns, they need to make further Representations to that effect.
- If the amendments raise new concerns, such further Representations should also be made.

Chair, Vice Chair, Ward and GLA Member and MP Timescales

- 2.11 All elected representatives will be notified by email about planning applications in respect of which they have a right of referral. The Chair and Vice Chair will be notified by email about planning applications in Croydon.

- 2.12 If the Chair, Vice Chair, a Ward Member, GLA Member or MP wishes to make Representations on the application they must respond by replying to the notification email within 23 days – to tie in with the period offered to adjoining occupiers/owners. This timescale may be extended in certain circumstances at the discretion of the Development Management Service to ensure that the timescales for elected representatives align with the deadlines set for members of the public. It is the intention that the Chair, Vice Chair and elected representatives will be notified at the same time as local residents.
- 2.13 Where the elected representative receives an additional notification email informing them about amendments to an application, the deadline for making further Representations by replying to the additional email notification within 14 days. Where the Member indicated in the initial notification that they wished the application to be referred to Committee for consideration and the amendment overcomes their concerns, they should respond to the email explicitly, withdrawing their wish for the Committee to consider the application. See paragraph 2.10 above for additional advice on amendments.
- 2.14 Representations on a planning application which are sent by email should be sent only to the email address on the notification email as other email addresses may not be monitored and the email may therefore not be actioned. Representations sent by post must be sent to the exact address specified on the notice or other written notification from the Council.

3 PUBLIC SPEAKING PROCEDURE

- 3.1 For applications for planning permission for the following development types, a speaking slot shall be a maximum of five minutes each:
- a residential development containing 200 or more new dwellings or, where the number of dwellings is not given, the site area is 4 hectares or more; or
 - the erection of a building or buildings with a gross floor space of 10,000 square metres or more or, where the floor space is not given, the site area is 2 hectares or more.
- 3.2 For all other items, a speaking slot shall be a maximum of three minutes each.
- 3.3 Subject always to the notification and registration requirements in paragraphs 3.6 and 3.8 there are up to five separate speaking slots in the following order allocated to:
1. Objectors/Residents Associations
 2. The applicant or his/her agent/representative/supporters – hereinafter referred to as the Applicant
 3. The Member of the Greater London Assembly for the constituency within which the application site is situated where they have clearly indicated that they wish to address the Committee in accordance with the Committee Referral Criteria
 4. The MP for the constituency within which the application site is situated (or immediately adjoins) where they have clearly indicated that they wish to address the Committee in accordance with the Committee Referral Criteria
 5. A Member for the Ward within which the application site is situated or immediately adjoins who has clearly indicated that they wish the application to be referred to Committee for consideration in accordance with the Committee or (b) has clearly indicated that they wish to address the Committee regarding a major application which has automatically been referred to Committee
- 3.4 Where a planning application is reported on the “Planning Applications for Decision” part of the agenda, all of the individuals and organisations who have expressed views (by letter or email) on the application will be sent a letter/email that informs them that the application will be considered by Committee. The applicant (or his/her agent) will be sent a similar letter/email. The Ward Member, GLA Member and MP (where appropriate) will also be sent such a letter/email. The letter/email will also explain the provisions regarding public speaking.
- 3.5 Requests to address Committee will not be accepted prior to the publication of the agenda.
- Notification
- 3.6 Any Objector or Applicant or elected representative (i.e. a referring Ward Member, GLA Member or MP) who wishes to address Committee must notify

the Democratic Services Manager by 4pm on the Tuesday prior to the day of the meeting or, where the meeting is held on a day other than a Thursday by 4pm two working days before the meeting. Email or telephone should be used for this purpose. In the case of an Objector or Applicant, this communication should provide the name and contact details (email address and/or phone number) of the intended speaker so that changes in arrangements can be communicated. In addition, in the case of Objectors if they individually agree, contact details will be shared so that where more than one person has registered to speak, contact can be made to resolve either who will address the Committee or how they will divide up the allocated speaking slot. Where more than one Objector, Ward Member or MP has registered to speak, the provisions of paragraphs 3.9 and 3.10 will apply. Failure to comply with these requirements will prevent the speaker from addressing the Planning Committee

- 3.7 If a public speaker needs special arrangements (such as an interpreter) this must be brought to the attention of the Democratic Services Manager when notifying him/her of their wish to speak so that arrangements can be put in place.

Registration

- 3.8 On the night of the Committee meeting:

- Objectors and Applicants who have notified the Democratic Services Manager that they wish to address the Committee in accordance with paragraph 3.6;
- A Ward Member, GLA Member or MP who have clearly indicated that they wish to address the Committee in accordance with the Committee Consideration Criteria above and paragraph 3.6;

must register their attendance at the Town Hall with the Democratic Services representative in attendance at the meeting at least 15 minutes before the meeting starts.

- 3.9 Where more than one Objector has registered to speak and the arrangements have not been resolved in advance, the Democratic Services Manager will inform the parties involved as they register so that they can decide either who will address the Committee or how they will divide up the allocated speaking slot. Objectors are expected to come to an agreement between themselves on this. Where Objectors cannot come to an agreement, the Chair will be notified of this through the Democratic Services Manager and the Chair will decide who will be accorded the right to speak. Preference will normally be given to those who are potentially most affected by the planning application and particularly those closest to the application site. The Chair may take advice from officers in making this decision. In order to ensure the most efficient progress of Committee business on the evening, the decision of the Chair will be final and not be the subject of further debate, including in the Committee.

- 3.10 If more than one Ward Member or MP indicates that they wish to speak, they will share the speaking slot equally, unless they agree a different distribution of the time.
- 3.11 If a Ward Member wishes to speak but is unable to attend the Committee, they may nominate a substitute Member representing the same Ward, or a neighbouring Ward, to address the Committee on their behalf. If a referring Ward Member (or substitute Ward Member), GLA Member or Local MP has not registered to speak by 4pm on the Tuesday prior to the day of the meeting or, where the meeting is held on a day other than a Thursday, by 4pm two working days before the meeting (see paragraph 3.6 above) or who has registered to speak does not attend the Committee and there are no other reasons for Committee consideration, the application will be referred back to the Director of Planning and Strategic Transport for delegated decision.

Speaking

- 3.12 All those involved in public speaking are restricted to an oral presentation only. The officers' slide presentation is therefore not available for use by public speakers.
- 3.13 If a speaker, or any other member of the public, wishes to bring additional representations or other material beyond those which they have already submitted to the Committee's attention, they need to supply it to the Development Management service. This needs to be done by, at the latest, noon on the day of Committee, to be included in the Addendum Report (see paragraphs 5.6 to 5.11 below for procedures, limitations and deadlines). The distribution of additional material or information to Members of the Committee is not prohibited but objectors and supporters should be aware that although they may have sent information directly to Members of the Committee via email or other means, the Members are not under an obligation to consider the information and may not have an opportunity to review such material. Members of the public are therefore encouraged to ensure they send their correspondence directly to the Development Management service.
- 3.14 Following the completion of a speaker's address to the Committee, that speaker shall take no further part in the proceedings of the meeting unless permitted to do so by the Chair of the Committee.

MP, GLA Member and Ward Members

- 3.15 An MP, GLA Member or Ward Member may address the Committee in accordance with the Procedures and must additionally:
- declare, before making their speech, details of any material contact with the applicant, agent, adviser, neighbour, objector or other interested party and whether or not the speech is made on behalf of such person(s) or any other particular interest;
 - sit separately from the Committee Members, so as to demonstrate clearly that he/she is not taking part in the discussion, consideration or vote; and

not communicate in any way with Members of the Committee or pass papers or documents to them during the meeting.

In relation to Ward Members:

- be aware that if they have a disclosable pecuniary interest, they may only participate in any discussion of or vote on any matter in which they have a disclosable pecuniary interest if they have been granted a dispensation for this purpose.

Committee Member wishing to speak as a Ward Members

- 3.16 A Ward Member, who is also a Member of the determining Committee, may address the Committee in accordance the Public Speaking Procedure set out above but, where they do so, they cannot take part in the debate or vote on the application they have referred. They may address the Committee on their referral in accordance with the above procedures provided they do not have a disclosable pecuniary interest in the matter. Where the Member has a disclosable pecuniary interest, the Member may only participate in any discussion of or vote on any matter in which they have a disclosable pecuniary interest if they have been granted a dispensation for this purpose.

Chair's Discretion

- 3.17 At the discretion of the Chair, such as in the interests of natural justice or in exceptional circumstances, the public speaking procedures may be varied. The reasons for any such variation shall be recorded in the minutes. The number of objectors or supporters would not, of itself, be a factor. If changes are made to the speaking times, the Applicant will be offered the same time to speak as Objectors.

4 FORMAT OF COMMITTEE AGENDA

- 4.1 The Committee's agenda may contain the following three sections for planning reports:
- **Development presentations:** to enable the Committee to receive presentations on proposed developments, including when they are at the pre-application stage. These items do not normally attract public speaking rights, other than at the Chair's discretion.
 - **Planning applications for decision:** these items attract public speaking rights as detailed above.
 - **Other planning matters:** non-application matters that require Committee consideration (such as an Article 4 Direction, policy papers or a consultation from Government) or reports that are for information only. These items do not normally attract public speaking rights, other than at the Chair's discretion.

5 REPORTS

- 5.1 Each planning application for decision is the subject of a written report with an officer recommendation. Reports will be produced in a standard form provided by the Director of Planning and Strategic Transport and will identify and analyse the material considerations, of which the Committee will need to take account when considering the application on the planning merit.
- 5.2 In addition to the written report, illustrative material will usually be presented by officers at the meeting to explain the scheme.

Recommendations

- 5.3 The recommendations in the reports to Committee do not set out the full wording of planning conditions, reasons for refusal, informatives and planning obligations, but are a summary of them. There are two reasons for this:
- it communicates the details of the recommended decision more clearly to Members than many pages of detailed conditions or grounds; and
 - there can sometimes be a delay before a decision is issued (such as waiting for the signing of a legal agreement or views from the Mayor of London and/or the National Planning Case Unit) and something may arise which necessitates an amendment, a deletion or an addition (including the use of pre commencement conditions).
- 5.4 Delegated powers are therefore given to the Director of Planning and Strategic Transport (Responsibility for Functions at Part 3 of the Constitution) to communicate the detailed wording to applicants. In addition, where the wording of a condition/ground/informative/obligation has been amended, a new condition/ground/informative/obligation introduced or an existing condition/ground/informative/obligation deleted either at the meeting by the Committee or subsequent to the meeting by the Director, the Director will be responsible for finalising the wording. This obviates the need for further reference to Committee and delay to the process.
- 5.5 The exercise of this delegated power by the Director is limited to circumstances where the change(s) could not reasonably be regarded as deviating from the overall principle of the decision reached by the committee nor that such change(s) could reasonably have led to a different decision having been reached by the Committee.

Addendum Report

- 5.6 It is common for material (such as late representations) to be received by the Development Management service after the close of the agenda. Such material will be placed on the public planning file along with all the other papers for the application, subject only to any public exclusion restrictions. Where this material needs to be brought to the attention of the Committee so that it can be taken into account, it will be presented in written form in the Addendum Report. It will comprise a summary of whatever has been raised, in the same way as representations are summarised in the main Committee report.

- 5.7 The Head of Democratic Services and Scrutiny will email the Addendum Report to Planning Committee members as soon as it is ready.
- 5.8 The practicality of producing such a report means there has to be a cut-off point for the receipt of late material by the Development Management service, which is noon on the day of the meeting. Generally material received after this time will not be reported to the Committee. The Director of Planning and Strategic Transport has an absolute discretion in this regard.
- 5.9 Material must not be distributed to Committee Members by members of the public (including public speakers) or other Members of the Council during the course of the meeting. The distribution of such material should be done in advance of the meeting in accordance with 3.13 above.
- 5.10 The points raised in representations about a particular application, which are received prior to the cut-off point (paragraph 5.8 above) are summarised either in the main Committee report or in the addendum report.

6 ORDER OF PROCEEDINGS

- 6.1 Except as otherwise stated on the agenda, generally meetings take place at the Town Hall in Katharine Street (CR0 1NX). The time the meeting is expected to begin will be stated on the agenda papers. Where any item is on the agenda only because it has been referred by a Ward Member, GLA Member, MP or Resident Association and none of the referring person(s)/organisation(s) or their representative(s) have registered their attendance at the Town Hall in accordance with paragraphs 3.6 and 3.8 and notwithstanding the fact that other parties may have also registered to speak, the item will revert to the Director of Planning and Strategic Transport to deal with under delegated powers and not be considered by the Committee.
- 6.2 At the discretion of the Chair, the agenda may be re-ordered at the meeting.

Development Presentations

- 6.3 The procedure for considering each item shall be as follows:
- the developer will present their scheme for no longer than 15 minutes unless the Chair, exercising his/her discretion, has allowed a longer period; and through the Chair, Committee Members may ask questions.
 - A Ward Councillor (who is not a member of the Planning Committee) may address the Planning Committee for up to 5 minutes to present a local viewpoint on the development presentation. This may be either before or after the questions referred to above. In the latter case, additional questions may be asked by the Chair or Committee Members to address new points raised by the Ward Councillor. Ward Councillors within whose Ward the emerging development is proposed will be contacted by the Development Management service by email and the Ward Councillor will be required to contact the Democratic Services Manager by 4pm on the

Tuesday before the Committee meeting to advise whether he/she is attending (or, where the meeting is held on a day other than a Thursday by, 4pm two working days before the meeting). Where more than one Ward Councillor wishes to address the Planning Committee, the 5 minute slot will be shared

- At the end of this process, the Chair or Senior Planning Officer will summarise the issues, points and questions raised

Planning Applications for Decision

6.4 The procedure for considering each application shall be as follows:

- the Director of Planning and Strategic Transport, or his/her representative, will introduce the development the subject of the application;
- through the Chair, Committee Members may ask questions of clarification;
- public speaking in accordance with the Public Speaking Procedure above
- the Director of Planning and Strategic Transport or his/her representative, will present the report, outline the reasons for the officer recommendation and will respond (as appropriate) to comments raised by the Speakers; and
- the Committee will then consider the item and reach a decision.

Other Planning Matters

6.5 The procedure for considering each item shall be as follows:

- the Director of Planning and Strategic Transport, or his/her representative, will present the report and introduce the main issues;
 - through the Chair, Committee Members may ask questions of clarification; and
- the Committee will consider the report and either note the content or reach a decision (as required).

Other Procedural Issues

6.6 Where a decision is made on an agenda item, in order to be able to vote a Committee Member must be present throughout the whole of the Committee's consideration of that item, including the officer introduction and any public speaking.

6.7 The minutes of the meeting will record the Members and officers present at the meeting and record any disclosures of interest made by Members or officers. For each item, the minutes will record the identify of any public speakers and the decisions.

6.8 Meetings of the Committee are subject to a guillotine of 10:00pm. After that time, any item of the agenda that has not started to be considered by the Committee is delegated to the Director of Planning and Strategic Transport to determine along the lines set out in the Committee report, unless the

Committee has already voted (on a two thirds majority) to defer or adjourn the non-determined item earlier in the meeting.

Role of the Committee Chair

- 6.9 With the assistance and support of officers, the Chair of the Planning Committee/Sub Committee is responsible for the good and orderly running of Planning Committee/Sub Committee meetings. The Chair aims to ensure, with the assistance of officers where necessary, that the meeting is run in accordance with the provisions set out in the Council's Constitution and particularly Part 4K of the Constitution. The Chair's most visible responsibility is to ensure that the business of the meeting is conducted effectively and efficiently. This includes several components:-
- determining the order in which questions may be addressed from the Committee members following the officers presentation;
 - ensuring that the Public Speaking Procedure is followed which allows time slots specified timeslots for Applicants, Supporters, Objectors, Ward Members, GLA Members and Members of Parliament to address the Committee where relevant criteria are met;
 - managing the Committee members debate about applications including the order in which Members who wish to address the Committee may speak;
 - determining when the debate has come to a close and votes should be cast in the order in which the motions were first completed (i.e. where the motion has been moved and seconded by Members of the Committee).
 - Ensuring that debate is suitably focussed on relevant planning considerations.
- 6.10 The Chair has discretion in the interests of natural justice to vary the public speaking rules where there is good reason to do so and such reasons will be minuted.
- 6.11 The Chair is also charged with ensuring that the general rules of debate are adhered to (e.g. Members should not speak over each other) and that the debate remains centred on relevant planning considerations.
- 6.12 Notwithstanding the fact that the Chair of the Committee has the above responsibilities, it should be noted that the Chair is a full member of the Committee who is able to take part in debates and vote on items in the same way as any other Member of the Committee. This includes the ability to propose or second motions. It also means that the Chair is entitled to express their views in relation to the applications before the Committee in the same way that other Members of the Committee are so entitled and subject to the same rules set out in the Council's constitution and particularly Planning Code of Good Practice.

Role of Committee Members

- 6.8 The role of Members of the Planning Committee is to make planning decisions on applications presented to the Committee openly, impartially, with sound judgement and for sound planning reasons. In doing so Members should have familiarised themselves with Part 5D of the Council's Constitution 'The Planning Code of Good Practice'. Members should also seek to attend relevant training and briefing sessions organised from time to time for Members
- 6.9 Members are to exercise their responsibilities with regard to the interests of the London Borough of Croydon as a whole rather than with regard to their particular Ward's interest and issues.

7 DECISION MAKING

7.1 In making a decision on a planning application a Committee Member must:

- Come to meetings with an open mind.
- Comply with the procedures set out in this Part 4k of the Constitution.
- Not allow anyone (except officers, other Committee Members and public speakers when they are addressing the Committee) to communicate with them during the Committee's proceedings (orally or in writing) as this may give the appearance of bias. For the same reason, it is best to avoid such contact before the meeting starts.
- Consider the advice that planning, legal or other officers give the Committee in respect of the recommendation or any proposed amendment to it.
- Comply with section 38(6) of the Planning and Compulsory Purchase Act 2004 and make decisions in accordance with the development plan unless there are good planning reasons to come to a different decision.
- Come to their decision only after due consideration of all of the information reasonably required to base a decision upon. This will include the local information that Members are uniquely placed to access, but always remembering to take decisions on planning grounds alone. If they feel there is insufficient time to digest new information or that there is insufficient information before them, then they should seek an adjournment to address these concerns.
- Not vote on a proposal unless they have been present to hear the entire debate, including the officers' introduction and any public speaking.
- Make sure that if they are proposing, seconding or supporting a decision contrary to the officer's recommendation or the Development Plan, that they clearly identify and understand the planning reasons leading to this conclusion and that they take into account any advice planning, legal or other officers give them. Their reasons must be given prior to the vote and be recorded. Be aware that they may have to justify the resulting decision by giving evidence in the event of challenge.

7.2 The Council is expected to make a decision on all applications within statutory timescales. Whilst this may not always be possible, particularly for applications that are to be considered by Committee, applications are always

included on the agenda of the first available Committee after completion of the officer's report so that a decision can be taken in the shortest possible time. For this reason, Members should avoid requests for officers to speed up or delay the determination or assessment of particular applications for their own personal or political convenience or following lobbying by applicants, agents/advisers, local residents or other interested parties.

8 VOTING PROCEDURES

- 8.1 The Chair will bring the Committee to a vote when he/she considers that there has been sufficient debate of an item.
- 8.2 For any motion to be successful there needs to be a majority vote in favour of that motion. In the event of a deadlock (ie equality of votes) the Chair may exercise his/her casting vote. This can be done irrespective of whether or not the Chair has already voted on that motion.

When There Are Two Motions

- 8.3 If there are two motions before the Committee, each motion needs to be considered separately. When a motion has been moved and seconded, it becomes a complete motion. The motion which is completed first should be considered first.
- 8.4 If the first motion is successful (ie the vote is for it) the second motion automatically falls.
- 8.5 If the first motion is unsuccessful (ie the vote is against it) it falls and is thereby extinguished. Members then move to voting on the second motion.
- 8.6 To enable officers to give the Committee the best advice and to allow the business to run efficiently, it is preferable for the recommendation set out in the report to be moved and voted on first (unless a motion is made and seconded to defer or adjourn consideration of a particular item, for example for a site visit or further information/advice).
- 8.7 Amendments to the recommendation (such as an additional condition) may be made in the normal manner (as prescribed in the Non-Executive Committee Procedure Rules part 4 of the Constitution).

Officer's Advice

- 8.8 If the recommendation is not supported, before a new motion to either grant or refuse the application is proposed the Committee must first receive advice from the Director of Planning and Strategic Transport, or his/her representative, as to what form a new motion could take. That advice will be based upon the material considerations that have been discussed by the Committee and whether there are grounds that could be defended in the event of an appeal or legal challenge. The solicitor advising the Committee will be called upon as necessary to give advice on legal matters.

- 8.9 If the officer considers that he/she is unable to give that advice immediately, further consideration of the matter will be suspended and the agenda item will be adjourned so that the officer can bring a report to the next available Committee setting out his/her advice.

Decisions Contrary to the Development Plan

- 8.10 The law requires that where the Development Plan is relevant, decisions must be taken in accordance with it unless there are good planning reasons to do otherwise (Section 38(6) of the Planning and Compulsory Purchase Act 2004). If a Committee intends to approve an application which is contrary to the Development Plan, the material considerations must be clearly identified and the justification for overriding the Development Plan clearly demonstrated. The application will have to be advertised in accordance with Article 13 of the Town and Country Planning (Development Management Procedure) Order 2010 and, depending upon the type of development proposed, may also have to be referred to the Department for Communities and Local Government.
- 8.11 If the recommendation in the officer report would be contrary to the Development Plan, the justification will be included in that report.
- 8.12 If, having considered the report, the Committee decides to determine the application contrary to the Development Plan, a detailed minute of the Committee's reasons, which as a matter of law must be clear and convincing, shall be made and a copy placed on the application file.

9 SITE VISITS BEFORE A COMMITTEE MEETING

- 9.1 It is advisable that Members are familiar with the sites of the applications on the agenda to enable them to make informed decisions on the planning applications before them and to avoid deferring or adjourning those decisions pending site visits.
- 9.2 Where Members visit the site themselves before the meeting, care must be taken to ensure that they comply with the Planning Code of Good Practice (part 5D of the constitution). Such visits should be carried out discreetly and Members should avoid making themselves known to the applicant or to neighbours. Accordingly Members should not go onto the actual application site or into a neighbouring property. The reason for this is that contact between a Member of the Committee and the applicant or a local resident could be misinterpreted as lobbying and may create a suspicion of bias. If such contact is made this should be declared in Committee, but this should not prevent that Member from taking part in the consideration of that application, provided that the Member has followed the advice in the Planning Code of Good Practice and acts in accordance with the Members' Code of Conduct.

10 FORMAL SITE VISITS BY THE COMMITTEE

- 10.1 A formal site visit will be arranged where the Committee have resolved, on a majority vote, to visit the site. Site visits should only be selected where there is a clear and substantial benefit to be gained. The Director of Planning and Strategic Transport may recommend that the Committee should conduct a site visit.
- 10.2 The procedure for formal site visits by the Committee shall be as follows:
- Any of the Members and substitute Members of the Committee and officers can attend a site visit.
 - Arrangements for visits will not normally be publicised or made known to applicants, agents or third parties.
 - Where permission is needed to go onto land, contact will be made with the owner by officers. The owner cannot take any part in the visit, other than to effect access onto the site.
 - The purpose of a site visit is to enable Members to inspect the site and to better understand the impact of the development. The Committee should not receive representations or debate issues during a site visit.
 - An application cannot be determined at a formal site visit by a Committee and must be considered at the next appropriate meeting of the Committee.
 - The Democratic Services Manager will make a note of the site visit and it will be included in the Addendum Report.
 - Failure to attend a formal site visit shall not bar a Member from voting on an item at the Committee meeting that considers it, provided the Member is satisfied that he/she is sufficiently familiar with the site.
- 10.3 When a site visit has taken place, Members are reminded about the principles referred to above under the heading 'Order of proceedings' concerning the need to have heard the whole of a planning application before taking part in the voting.

11 AMENDMENTS/ VARIATION

- 11.1 Where amendments/variation to these part of the Constitution is necessary due to legislative changes, the Council Solicitor may make such consequential changes as are necessary to take such changes into account

CONSTITUTION OF THE LONDON BOROUGH OF CROYDON

Part 5.B – Protocol on Staff – Councillor Relations

INTRODUCTION

- 1.1 The relationship between Members and staff is important to the successful working of the Authority. This relationship within Croydon Council is characterised by mutual respect and trust. Members and employees feel free to speak to one another openly and honestly. Nothing in this Protocol is intended to change this relationship. The purpose of this Protocol is to help Members and employees to perform effectively by giving guidance on their respective roles and expectations and on their relationship with each other. The Protocol also gives guidance on what to do on the rare occasions when things go wrong.
- 1.2 The Protocol must be read and operated in the context of any relevant legislation and the Members' Code of Conduct and any procedure for confidential reporting.

ROLES OF MEMBERS AND STAFF

- 1.3 The respective roles of Members and staff can be summarised as follows:

Members and staff are servants of the public and they are indispensable to one another. But their responsibilities are distinct. Members are responsible to the electorate and serve only so long as their term of office lasts. Staff are responsible to the Authority. Their job is to give advice to Members and the authority, and to carry out the Council's work under the direction and control of the Council, the Executive, and relevant committees.
- 1.4 Mutual respect between Members and staff is essential to good local government.

MEMBERS' RESPONSIBILITIES

- 1.5 Members have three main areas of responsibility: determining the policy of the Council and giving it political leadership, representing the Authority externally, and acting as advocates on behalf of their constituents. It is not the role of Members to involve themselves in the day to day management of Authority services.

1.6 Members of the Executive, Chairs and Vice Chairs

- (i) Members of the Executive and Chairs and Vice Chairs of Committees have additional responsibilities. Because of those responsibilities, their relationships with employees may be different from and more complex than those of Members without those responsibilities and this is recognised in the expectations they are entitled to have.

1.7 Opposition Members

- (i) Members shall be given timely access to information that they require in their role as Members. As individual Members of the Council, all Members have the same rights and obligations in their relationship with employees and should be treated equally. This principle is particularly important in the context of scrutiny and overview. However, where a political group forms an administration, either alone or in partnership with another group or groups, it is recognised that the relationship between staff, particularly those at a senior level in the organisation, and the administration shall differ from that with opposition groups.

STAFF

1.8 The role of staff is to give advice and information to Members and to implement the policies determined by the Council.

1.9 Certain employees e.g. Head of Paid Service, Monitoring Officer, Chief Financial Officer (Section 151 Officer) and the Statutory Chief Officers have responsibilities in law over and above their obligations to the Authority and its Members which they must be allowed to discharge.

EXPECTATIONS

1.10 Members can expect from staff:

- (i) A commitment to the Authority as a whole, and not to any political group
- (ii) A working partnership
- (iii) An understanding of and support for respective roles, workloads and pressures
- (iv) Timely response to enquiries and complaints
- (v) Professional advice not influenced by political views or preference, which does not compromise the political neutrality of employees.
- (vi) Regular, up to date information on matters that can reasonably be considered appropriate and relevant to their needs, having regard to

any individual responsibilities that they have and positions that they hold

- (vii) Awareness of and sensitivity to the political environment
- (viii) Respect, dignity and courtesy
- (ix) Training and development in order to carry out their role effectively
- (x) Integrity, mutual support and appropriate confidentiality
- (xi) That staff shall not use their relationship with Members to advance their personal interests or to influence decisions improperly
- (xii) That staff shall at all times comply with the relevant Code of Conduct.

1.11 Staff can expect from Members:

- (i) A working partnership
- (ii) An understanding of and support for respective roles, workloads and pressures
- (iii) Political leadership and direction
- (iv) Respect, dignity and courtesy
- (v) Integrity, mutual support and appropriate confidentiality
- (vi) Not to be subject to bullying *or harassment or to be intimidated* or put under undue pressure *or improper influence. This specifically includes any person who is involved in any complaint about any alleged breach of the Council's Member's Code of Conduct.* Members should have regard to the seniority of employees in determining what reasonable requests are, having regard to the power relationship between Members and employees, and the potential vulnerability of employees, particularly at junior levels
(Note: Bullying may be characterised as: offensive, intimidating, malicious or insulting behaviour; or an abuse or misuse of power in a way that intends to undermine, humiliate, criticise unfairly or injure someone. Harassment may be characterised as unwanted conduct which has the purpose or effect of violating an individual's dignity or creating an intimidating, hostile, degrading, humiliating or offensive environment for an individual.)
- (vii) That Members shall not use their position or relationship with employees to advance their personal interests or those of others or to influence decisions improperly
- (viii) That Members shall at all times comply with the relevant Code of Conduct.

WHEN THINGS GO WRONG

1.12 Procedure for staff

- (i) From time to time the relationship between Members and staff may break down or become strained. Whilst it shall always be preferable to resolve matters informally, through conciliation by an appropriate senior manager or Member, staff shall have recourse to the Council's Monitoring Officer, as appropriate to the circumstances. The Monitoring Officer shall decide whether the matter should be referred to the Chief Executive. The Chief Executive, who, having advised the Leader of the Council and where appropriate, the appropriate Group Leader shall decide on the course of action to be taken.

1.13 Procedure for Members

- (i) In the event that a Member is dissatisfied with the conduct, behaviour or performance of an employee, the matter should be raised with the appropriate Executive Director. Where the matter concerns an Executive Director, it should be raised with the Chief Executive. Where the matter concerns the Chief Executive it shall be raised with the Director of Human Resources or with the Leader as appropriate.

AMENDMENTS/ VARIATION TO THIS PROTOCOL

- 1.14 Where amendments/variation to this Protocol are necessary due to legislative changes, the Council Solicitor may make such consequential changes to this Protocol as are necessary to take such changes into account.

CONSTITUTION OF THE LONDON BOROUGH OF CROYDON

Part 5.C – Monitoring Officer Protocol

- 1.1 The Monitoring Officer undertakes to discharge their duties in a manner that will support the Executive and the democratic responsibilities of Members. Their ability to discharge the duties in this way depends upon excellent working relations with Members, Executive Directors and other senior officers to facilitate the flow of information and access to issues at an early stage.
- 1.2 The following arrangements and understandings between the Monitoring Officer, the Executive, Members and the Chief Executive and Executive Directors are designed to help ensure the effective discharge of the Monitoring Officer's functions:
 - a) The Monitoring Officer is entitled to attend the Council Management Team meetings and will have advance notice of those meetings and be provided with copies of all agendas and reports and, at all times, has access to, and is available to assist, all Members of the Council.
 - b) Advance notice of meetings whether formal or informal between Chief Officers and members of the Executive or Committee Chairs will be given to the Monitoring Officer where any procedural, vires, legal or constitutional issue is likely to arise.
 - c) Executive Directors and their senior staff will alert the Monitoring Officer to all emerging issues of concern regarding legality, probity, vires and constitutional issues.
 - d) The Council's external contracted solicitors have standing instructions to inform the Monitoring Officer of any such issues that are identified in the course of their work for the Council.
 - e) The Monitoring Officer will be consulted at the earliest possible stage where any possible change is proposed in Council policy or services.
 - f) The Monitoring Officer will have access to all papers held by any officer or Department of the Council including all papers supplied by officers to Members.
 - g) The Monitoring Officer will report to the Council from time to time on the Constitution and any necessary desirable changes following consultation with the Head of Paid Service and the Section 151 Officer.

- h) The Monitoring Officer will develop good liaison and working arrangements with the Audit Commission and the Ombudsman including the giving and receiving of relevant information whether confidential or otherwise.
- i) The Monitoring Officer shall consider applications for a grant of a dispensation from Members in accordance with the Code of Conduct in the following circumstances:
 - i. That so many Members of the decision-making body have disclosable pecuniary interests (DPIs) in a matter that it would impede the transaction of the business; or
 - ii. That, without a dispensation, no Member of the Cabinet would be able to participate in consideration of this matter.

And may refer the dispensation request to the Ethics Committee to advise on or express a view should the Monitoring Officer consider it appropriate to do so. Granting dispensations in other circumstances is a matter reserved to the Ethics Committee.

- 1.3 To ensure the effective and efficient discharge of the arrangements set out herein, Members and officers will report any breaches of statutory duty or Council policies or procedures and other vires or constitutional concerns to the Monitoring Officer, as soon as practicable.
- 1.4 The Monitoring Officer will have absolute right of access to all meetings and all papers and will have absolute right of access to Full Council.
- 1.5 The Monitoring Officer is available for Members and officers to consult on any issues of the Council's legal powers, possible maladministration, impropriety and probity issues, or general advice on the constitutional arrangements (e.g. Standing Orders, policy framework, terms of reference, scheme of delegations etc).
- 1.6 To ensure the effective and efficient discharge of this Protocol, the Chief Financial Officer will ensure adequate insurance and indemnity arrangements are in place for the same to protect and safeguard the interests of the Council and the proper discharge of the Monitoring Officer role.
- 1.7 Where amendments/variation to this Protocol are necessary due to legislative changes, the Council Solicitor may make such consequential changes to this Protocol as are necessary to take such changes into account.

1 INTRODUCTION

- 1.1 This code has been prepared using the advice in the Local Government Association's revised guidance note on good planning practice for Members and officers dealing with planning matters – Probity in Planning: the Role of Councillors and Officers (May 2009).
- 1.2 **The aim of this code:** To ensure that in the planning process there are no grounds for suggesting that a decision has been biased, partial or not well founded in any way.
- 1.3 **The key purpose of planning:** To manage development in the public interest.
- 1.4 **Your role as a Member of the Planning Committee:** To make planning decisions openly, impartially, with sound judgement and for justifiable planning reasons.
- 1.5 **When the Code applies:** This code applies to Members at all times they are involved in the planning process. This includes, where applicable, when part of decision making meetings of the Council, in exercising the functions of the planning authority or when involved on less formal occasions, such as meetings with officers or the public and consultative meetings. It applies as equally to planning enforcement matters or site specific policy issues as it does to planning applications. If you have any doubts about the application of this code to your own circumstances you should seek advice early, and preferably well before any meeting takes place, from the Monitoring Officer.
- 1.6 In this Code when the term "Councillor" or "Member" is used it means that the advice is applicable to all Members of the Council. The term "Planning

Committee Member” means a Member or a substitute Member of any of the Council’s Planning Committees or sub-committees.

- 1.7 **Relationship to the Members’ Code of Conduct:** Members are reminded that the Planning Code of Good Practice is designed primarily for Members of the Council’s Planning Committees and Members who, for whatever reason, find themselves involved in the planning process. Whilst the planning code interprets the Members’ code of conduct with respect to planning matters it is subordinate to the Members’ Code of Conduct and in the event of any inconsistencies arising between this Code and the Members’ Code of Conduct, the Members’ Code of Conduct shall prevail.

2 GENERAL ROLE AND CONDUCT OF MEMBERS AND OFFICERS

General roles of Members and officers

- 2.1 Members and officers have different, but complementary roles. Both serve the public. Officers are responsible to the Council as a whole, whilst Members are responsible to the electorate.
- 2.2 Officers are not appointed to serve any political group and therefore advise all Members and the Council. Officers carry out the daily functions of the Council’s business in accordance with Council, Cabinet or Committee decisions or under powers delegated to them pursuant to the constitution. Officers are governed by the Employees Code of Conduct contained in the constitution. In addition, planning officers, who are Members of the Royal Town Planning Institute (RTPI), are subject to a professional code of conduct and breaches may be subject to disciplinary action by the RTPI. Similarly, officers who are solicitors are subject to regulation by The Solicitors Regulation Authority. Officers in other professions will have corresponding codes.

Relationship between Members and officers

- 2.3 Mutual trust, respect and understanding between Members and officers are the keys to achieving effective local government. A successful relationship between Members and officers can only be based upon mutual trust and understanding of each other’s positions. This relationship, and the trust that underpins it, must never be abused or compromised.
- 2.4 Planning officers’ views, opinions and recommendations will be presented on the basis of their overriding obligation of professional independence, which may on occasion be at odds with the views, opinions or decisions of the Committee or its Members.
- 2.5 Members must not put pressure on officers to put forward a particular recommendation or deal with a planning matter in a particular way. This does not prevent a Member from asking questions or submitting views to the officer. These views, when received in written form, will be placed on the planning file and considered together with other material planning considerations.

3 INTERESTS: DISCLOSABLE PECUNIARY INTERESTS

- 3.1 A Member should refer to the Members' Code of Conduct for assistance in identifying Disclosable Pecuniary Interests or seek advice from the Monitoring Officer prior to attending a meeting.
- 3.2 Members should have regard to the Members' Code of Conduct in relation to actions required where a Disclosable Pecuniary Interest exists.
- 3.3 Under the Members' Code of Conduct a Member who has a disclosable pecuniary interest must, if the interest is not one which is already on the register of interests or subject to a pending notification to the Monitoring Officer, disclose the existence of that interest to the meeting and thereafter notify the Monitoring Officer of that interest within 28 days of this disclosure.
- 3.4 Where a Member has a disclosable pecuniary interest, the Member may not participate or participate further in any discussion of the matter at the meeting or participate in any vote or further vote on the matter although there is no obligation for that Member to withdraw from the Chamber. This means that a Member with a disclosable pecuniary interest is precluded from making representations orally to the Committee or from making representations on behalf of a party to the hearing.
- 3.5 A Member with a disclosable pecuniary interest can still present their views to the Committee through other means. For example, the Member can:
- make written Representations in their private capacity in accordance with Committee Consideration Criteria as set out in the Planning and Planning Sub-Committee Rules The existence and nature of the interest should be disclosed in such representations and the Member should not seek preferential consideration for their representations. Such written representations should be addressed to officers rather than other Members of the Authority;
 - use a professional representative to make a representation on the Members' behalf in circumstances where the Members' planning application is under consideration; and
 - arrange for another Member of the Authority to represent the views of the Member's constituents on matters in which their ward Member has a disclosable pecuniary interest.

4 PREDISPOSITION, PREDETERMINATION AND BIAS

- 4.1 In addition to being aware and taking appropriate action in relation to Disclosable Pecuniary Interests, Planning Committee Members need to avoid bias or predetermination or any appearance of bias or predetermination before taking a decision on a planning application.
- 4.2 Avoidance of bias or predetermination or the appearance of bias or predetermination is a principle of natural justice that the decision maker is expected to adhere to. The determination of a planning application is a formal administrative process involving the application of national, regional and local policies, reference to legislation and case law as well as rules of procedure.

Members of the Committee should not decide or declare which way they will vote in advance of the planning meeting, or before hearing evidence and arguments on both sides. However, Members will often form an initial impression or view; this is not necessarily predetermination or bias. A distinction is drawn by the courts between having clearly expressed an intention to vote in a particular way before a meeting (predetermination), and a predisposition to an initial view (such as supporting the policies in the Development Plan) where the Member is clear they are willing to listen to all the material considerations presented at the Committee and keep an open mind before deciding on how to exercise their vote. In the latter case there would be no predetermination or bias, just a legitimate predisposition.

- 4.3 This distinction is particularly important in the context of the Council's practice of facilitating presentations by developers of schemes at the pre-application stage. After these presentations, the Committee Members question details of the development so that they have the opportunity to input into the design development of these strategic developments. They will therefore express views on aspects of the development (such as its external appearance, impact on neighbours or transport network implications) which will often display predisposition around these elements. What the Members of the Committee should not do at this stage is to express a firm view on the development as a whole, as this could amount to predetermination. Such a view should only be formed at the end of the process when all the material considerations are available to the Members of the Committee to consider and weigh up before finalising their view.
- 4.4 A useful test to determine whether a position or view could be considered to be biased is to think about whether a fair-minded and informed observer, having considered the facts, would conclude that there was a real possibility of bias. Predetermination goes beyond predisposition and essentially evades the process of weighing and balancing relevant factors and taking into account other viewpoints.
- 4.5 If a Planning Committee Member has been lobbied and wishes to promote or oppose a planning application, they will need to consider whether this is likely to be regarded as amounting to bias and going against the fair determination of the planning application. If they have predetermined their position or have given that impression, they should avoid being part of the decision-making body for that application.
- 4.6 A Planning Committee Member who is also a ward Member and wishes to campaign for or against a proposal, could speak at the Planning Committee (in accordance with the Council's public speaking procedures) on behalf of their constituents, having declared their pre-determined position. The Member can continue to represent those ward interests as a spokesperson for their local community, notwithstanding their normal Planning Committee Membership provided that if the Member has a Disclosable Pecuniary Interest, they may not participate in any discussion of the matter unless they have received a dispensation to do so.

4.7 Participation in a Planning Committee where a Member is or may be perceived to be biased, in addition to the risk of a complaint against the individual Member, also places the decision of the Committee at risk from legal challenge. As such, if a Planning Committee Member considers that they are or have given the impression that they are biased or predetermined it is advisable that they carefully consider whether it is appropriate for them to participate in the matter.

5 APPLICATIONS SUBMITTED BY THE COUNCIL, MEMBERS OR OFFICERS

Applications submitted by the Council

5.1 Proposals for a Council's own development can give rise to suspicions of impropriety. It is perfectly legitimate for such proposals to be submitted to and determined by the Council. Proposals for a Council's own development will be treated no differently from any other application.

5.2 Certain Members, such as Cabinet Members, may through their other roles outside of a Planning Committee, have been heavily committed to or involved in a Council's own development proposal. In such circumstances, when an item comes to be considered at Committee the Member concerned, if they sit on the Committee, must consider whether they have an interest or degree of involvement with the proposals that could give the impression of bias. If in doubt, they are encouraged to seek advice from the Monitoring Officer. The most appropriate course of action if that is the case, is that the Member concerned may address the Committee in the applicant's speaking slot (see part 4K of the constitution: Planning and Planning Sub-Committee Procedure Rules) but does not take part in its consideration and determination and therefore withdraws before the debate by Members commences. It is important that the Member should restrict their address to the Committee to relevant planning considerations rather than wider non-planning issues that are not material to the determination of the application.

Applications submitted by Members or officers

5.3 It is perfectly legitimate for planning applications to be submitted by Members and officers. However, it is vital to ensure that they are handled in a way that gives no grounds for accusations of bias or pre-determination

5.4 If a Member or an officer submits their own proposal to the Council which they serve, they should take no part in its processing. A Member who acts as an agent or representative for someone pursuing a planning matter with the authority should also take no part in its processing. The 1APP planning application form requires applicants to indicate whether they are members of staff or an elected Member or partners/spouses of a Member or Officer of the Council. Where decisions relate to applications made by members of staff or an elected Member these should be reported to Committee where they relate to the following:

- Members of the Council
- Senior officers of the Council (Service Head and above)

- Officers of the Local Planning Authority.

5.5 The term “Officers of the Local Planning Authority” means officers within the Council who are closely involved in the day-to-day work of the Council’s planning function.

5.6 The procedures to be followed in Committee in such circumstances are as follows:

- The consideration in Committee of an application from a Member may be considered a disclosable pecuniary interest for that Member and Members need to be mindful of their obligations in relation to Disclosable Pecuniary Interests as set out in the Members’ Code of Conduct.
- If such a Member does not have a Disclosable Pecuniary interest they may address the Committee as the applicant in accordance with the Council’s public speaking procedures. If however, such a Member has a Disclosable Pecuniary Interest they may not participate in the consideration of the matter and may therefore not speak on the matter. They would need to have a representative speak on their behalf.
- The Members of the Committee must consider whether the nature of any relationship means that they have a Disclosable Pecuniary Interest in relation to the matter and if so, they may not participate in the consideration of that matter.

5.7 The principle in the final bullet point also applies to applications submitted by officers when they are considered in Committee.

6 LOBBYING OF AND BY COUNCILLORS

6.1 Lobbying is a normal and perfectly proper part of the political process. Members of the public, applicants or local interest groups will often seek to influence a decision through an approach to their ward Member. In the case of a Planning Committee Member, care needs to be taken to avoid the perception of bias or predetermination of any planning matter.

Lobbying of Members

6.2 A Planning Committee Member should explain to those lobbying or attempting to lobby them that, whilst they can listen to what is said, it may prejudice their impartiality and ability to participate in the Committee’s decision making if they are asked to express either an intention to vote one way or another or such a firm point of view that it amounts to the same thing. Planning Committee Members should ensure that it is made clear to any lobbyists that they will only be in a position to reach a final decision on any planning matter after they have heard all of the relevant arguments and looked at the relevant information during the sitting of the determining Committee.

6.3 Planning Committee Members should therefore:

- suggest to lobbyists that they write to the Head of Development Management in order that their views can be included in the officer reports prepared for determination under delegated powers or by Committee;
- pass on any lobbying correspondence received (including plans, data, correspondence etc in respect of an application) to the Head of Development Management as soon as practicably possible so that it can be taken into account and included in the report on the application;
- remember that their overriding duty is to the whole community not just to the residents and businesses within their ward and that they have a duty to make decisions impartially, and should not improperly favour, or appear to improperly favour, any person, company, group or locality;
- not accept gifts or hospitality from any person involved in or affected by a planning proposal, but if a degree of hospitality is entirely unavoidable, ensure that they comply with the provisions in the Members' Code of Conduct on gifts and hospitality; and
- inform the Monitoring Officer where they feel that they have been exposed to undue or excessive lobbying or approaches (including inappropriate offers of gifts or hospitality), who will in turn advise the appropriate officers to follow the matter up where necessary.

6.4 Planning Committee Members should note that, subject to the requirements to ensure that Members comply with the Members' Code of Conduct and the rules regarding bias and pre-determination and ensure that they take appropriate action in relation to Disclosable Pecuniary Interests, they are not precluded from:

- listening or receiving viewpoints from residents or other interested parties;
- making comments to residents, interested parties, other Members or appropriate officers, provided they do not consist of or amount to predetermination and they make clear they are keeping an open mind;
- seeking information through appropriate channels; or
- being a vehicle for the expression of opinion or speaking at the meeting as a ward Member, provided they explain their actions at the start of the meeting or item and make it clear that, having expressed the opinion or ward/local view, they have not committed themselves to vote in accordance with those views and will make up their own mind having heard all the facts and listened to the debate.

6.5 In the interest of openness, it is recommended that Planning Committee Members declare any lobbying to which they have been subject.

Lobbying by Members

6.6 Planning Committee Members should not become a member of, lead or represent a national or local organisation whose primary purpose is to lobby to

promote or oppose planning proposals. If a Member does, he/she may appear to be biased. Whilst they may be able to address the Committee as a ward Member or an objector, Members are not able to participate or vote on any matter in respect of which they have a disclosable pecuniary interest unless they have received a dispensation for this purpose.

- 6.7 Members can join general groups which reflect their areas of interest and which concentrate on issues beyond particular planning proposals, but they should disclose a personal interest where that organisation has made representations on a particular proposal. A Member should make it clear to that organisation and the Committee that they have reserved judgement and the independence to make up their own mind on each separate proposal.
- 6.8 Members should not excessively lobby Planning Committee Members regarding their concerns or views on a planning application, nor attempt to persuade them that they should decide how to vote in advance of the meeting at which any planning decision is to be taken.
- 6.9 Members should not decide or discuss how to vote on any application at any sort of political group meeting, or lobby any other Member to do so.

7 PRE-APPLICATION DISCUSSIONS

- 7.1 Discussions between a potential applicant and the Council prior to the submission of an application can be of considerable benefit to both parties. However, it would be easy for such discussions to become, or to be seen by objectors to become, part of a lobbying process on the part of the applicant. For this reason the Council have developed pre-application processes that enable Member engagement at the pre-application stage.
- 7.2 Members should try to attend meetings which may be organised for them by officers as part of the Council's pre-application process. All Members are encouraged to participate in these pre-application discussions, but particularly ward Members, Planning Committee Members and relevant Cabinet Members. Please remember that both this Code and the Members' Code of Conduct will apply when attending such meetings.
- 7.3 In all cases these meetings will be subject to the following procedures:
- No meeting shall be convened without the presence of a Council planning officer for the entire duration of the meeting.
 - Any Planning Committee Members involved in such a meeting, who sit on the Committee that subsequently considers any resulting application, should declare their attendance at the meeting in the same way as lobbying would be declared.
 - Officers (and any Member, if present) should make it clear from the outset that the discussion will not bind the Council to making a particular decision and that any views expressed are personal and provisional.

- Any advice given should be consistent and in accordance with the Development Plan and officers should agree, prior to any meeting, on a consistent interpretation of Development Plan policies as applied to the particular proposal.
- A contemporaneous note of the meeting should be prepared by the planning officer attending wherever possible and a copy sent to all parties for their agreement.
- The final version of the note of the meeting will form part of the planning file and should a planning application subsequently be received, it will thereby be open to public inspection.

7.4 Planning Committee Members should not attend pre-application meetings that are not organised through officers.

8 POST-SUBMISSION DISCUSSIONS

8.1 A Planning Committee Member should not usually be involved in discussions with a developer or agent when a planning application has been submitted and remains to be determined. Potentially, these discussions could be interpreted, particularly by objectors to a proposal, as an indicator of predetermination or bias.

8.2 In limited circumstances Planning Committee Members may legitimately engage in post-submission discussions. An example would be in the case of a large-scale development, where it is desirable for there to be a full understanding of the Council's planning and economic objectives. Such meetings will be organised by officers and run under the same procedural rules as pre-application discussions.

8.3 If a Planning Committee Member is contacted by the applicant, their agent or objectors, they should follow the rules on lobbying and consider whether or not it would be prudent in the circumstances to make notes when contacted. A Member should report to the Head of Development Management any significant contact with the applicant or other parties, explaining the nature and purpose of the contacts and their involvement in them, so that it can be recorded on the planning file.

8.4 Planning Committee Members should not attend post-submission meetings that are not organised through officers.

9 PLANNING APPEALS

9.1 Appeals into the planning decisions of the Council are heard by a Planning Inspector appointed by the Secretary of State. Any hearing or inquiry will be open to the public and Members are able to attend. Members are encouraged to attend such hearings, as they can be a good learning experience. This part of the code is concerned with Members who wish to actively participate in these appeals.

- 9.2 If a Member wishes to attend a public inquiry or informal hearing as a ward Member or as a member of the public, they are free to do so. It is strongly recommended that they discuss their participation with the Director of Planning & Strategic Transport or the Head of Development Management to ensure that they are aware of the process and that they do not act in a manner which compromises their position as a Member of the Council or brings the Council into disrepute or puts the decision made at risk of challenge
- 9.3 A Member cannot attend an appeal on behalf of the Council's Planning Committee, even if they sat on that Committee, unless this is as part of the Council's case as decided by the Director of Planning & Strategic Transport or the Head of Development Management. The decision of the Committee will be documented in the minute and set out in the decision notice. The planning officer will present the Council's case on its planning merits, in accordance with the Committee's decision. The inspector is required to determine the appeal on its planning merits and therefore all representations should be so directed.
- 9.4 Where the appealed decision was contrary to the officer's recommendation, officers are generally able to present the Council's case in a satisfactory manner. Where this may not be possible, the case will be presented by a planning consultant employed by the Council.

10 PLANNING ENFORCEMENT

- 10.1 It is perfectly legitimate for Members to bring to the attention of the planning service suspected breaches of planning control so that they may be investigated to see whether any action is possible or necessary. They should bring these to the attention of the Head of Development Management.
- 10.2 The Council's planning enforcement service operates to a priority system so that those breaches that cause the most harm are dealt with first. This priority system is designed to produce a fair and responsive enforcement service.

11 MEMBER TRAINING

- 11.1 Members may not participate in decision making at meetings of the Council's Planning Committees unless they have attended mandatory planning training. This will be provided by the Council's planning and legal services and will cover the principles of planning and probity in planning.
- 11.2 Whilst all new Members and new substitute Members have to attend this training before they can participate in the Council's Planning Committees, all other Planning Committee Members and substitute Members are encouraged to attend the training so that they can ensure that they keep up-to-date on these matters.
- 11.3 All Planning Committee Members should endeavour to attend any other specialised training sessions provided, since these will be designed to extend their knowledge of planning law, policy, procedures, and good practice, which will assist them in carrying out their role properly and effectively.

11.4 Training provided on planning related matters is aimed at Planning Committee Members but is always open to any Member with an interest to attend.

12 **AMENDMENTS/VARIATION**

12.1 Where amendments to this Code are necessary due to legislative changes, the Council Solicitor may make such consequential changes to this Code as are necessary to take such changes into account.

The Council Solicitor, after consultation with the Chair and the Licensing Officer, shall determine how many applications shall be heard at each meeting of the Licensing Sub-Committee and in what order, taking into account all relevant factors including the number of parties who are present for each item.
- 5.4 Hearings shall be scheduled in accordance with the timescales set out in the Regulations. In general a hearing must be held within 20 working days after the time has expired for making representations.

6. NOTIFICATION OF HEARINGS

 - the consequences of not attending or being represented at a hearing (which normally will be that the hearing will proceed in the Party's absence); and
 - a note of any particular points on which the Authority wants clarification.
- 6.2 In order to consider whether there are any issues of clarification to be requested, from Applicants or those making representations, Members of the Licensing Sub-Committee may meet with the Clerk and/or Legal Adviser in advance of the hearing. The Authority will determine the application within **10 working days** from the date the Notice is served dispensing with the hearing. Once the application has been determined the Authority will notify the Parties of its decision forthwith.
- 6.6 Subject to the requirement to determine an application within the timescale set out in the Regulations and to any other restrictions contained in the Regulations, the Authority has the power to extend a time limit specified in the Regulations for a specified period where it considers this is necessary in the public interest, or to adjourn a hearing to a specified date. Where the Authority has exercised its discretion to extend a time limit or adjourn a hearing, it must forthwith give notice to the Parties, stating the period of the extension and the reasons why it considers it is necessary in the public interest, or the date, time and place to which the hearing has been adjourned, as appropriate.

7. FAILURE OF PARTIES TO ATTEND THE HEARING

- 7.1 If a Party, who has not given prior notice of his/her intention not to attend the hearing, is absent from the hearing the Licensing Sub-Committee may either adjourn the hearing or hold the hearing in the Party's absence. Where the hearing is held in the absence of a Party, the Licensing Sub-Committee will still consider the application, representation or notice submitted by that Party.

8. OFFICERS TO ATTEND THE HEARING

- 8.1 The hearing will be attended by a Legal Officer, a Democratic Services Officer who shall act as the clerk, and a Licensing Officer. The officers are present to provide advice and are not Parties to the hearing. Where the Licensing authority determines that it will make representations as a Responsible Authority, these representations will not be made by the same Licensing Officer who presents the application to the Sub-Committee at the hearing.
- 8.2 The role of the Legal Officer is to provide legal advice relating to the application and submissions. Any legal advice that may be given to the Licensing Sub-Committee in private shall be repeated when the Licensing Sub-Committee returns in open session.
- 8.3 The role of the Clerk is to record the hearing and the decisions of the Licensing Sub-Committee, and to ensure efficient administration.

9. LICENSING OFFICER'S REPORT TO THE LICENSING SUB-COMMITTEE

- 9.1 The Licensing Officer shall prepare a report for consideration by the Sub-Committee including:
- a brief summary of the application;
 - a brief summary of representations by responsible authorities and Interested Parties;
 - relevant aspects of the Council's Licensing Policy and National Guidance; and
 - Other information as appropriate and as included in the Council's standard report format.
- 9.2 The Licensing Officer's report shall be sent to the Parties and will be accompanied by the relevant documentary material that has been submitted by the Parties.
- 9.3 After having heard the representations and prior to retiring to make its decision the Licensing Sub-Committee may, if it wishes, seek the guidance of the licensing officer regarding possible suitable conditions in respect of any particular application.

10. REPRESENTATIONS

- 10.1 Other Person(s) or Responsible Authority may make written representations about an application for a premises licence or certificate. Generally these must be made at any time up to and including 20 working days after the day on which the application was received. A copy of all relevant representations will be provided, in full, to the Applicant. The papers for the Licensing Sub-Committee hearing will be available to the press and public. Correspondence submitted anonymously will not be considered.
- 10.2 Licensing Sub-Committee Members will not enter into correspondence or discussion with Applicants, their agents or representatives, Other Persons or Responsible Authorities about the merits of the application(s) they may be called upon to decide.

- 10.3 Where an application is to be decided at a hearing by the Licensing Sub-Committee, Applicants and those who have made relevant written representations in connection with the application, will be invited to attend.
- Representations or requests for review will only be relevant if they relate to one or more of the four licensing objectives:
 - the prevention of crime and disorder;
 - public safety;
 - the prevention of public nuisance; and
 - the protection of children from harm.
- 10.5 At the hearing a Party shall be entitled to:
- give further information in response to a point upon which the Authority has given notice that it will want clarification;
 - if given permission by the Authority, question any other Party; and
 - address the Authority.
- 10.6 Members of the Licensing Sub-Committee may question any Party or other person appearing at the hearing.
- 10.7 In considering any representations or notice made by a Party the Authority may take into account documentary or other information produced by a Party either before the hearing or, with the consent of all the other Parties, at the hearing.
- 10.8 Statements made by people in support of a Party's representation who are not present at the hearing, must be signed by the maker, dated and witnessed by another person. The statement must also contain the witness's full name and occupation.
- 10.9 A Party who wishes to withdraw any representations they have made, may do so by giving written notice to the Authority no later than 24 hours before the day on which the hearing is scheduled to be held, or orally at the hearing.
- 10.10 The Licensing Sub-Committee has the discretion to consider whether to take into account any documentary or other evidence produced by a Party before the hearing. Any documentary or other evidence produced by any Party in support of an application, representations or notice of hearing, which has not been produced before the hearing can only be heard with the consent of all other Parties present, and the Licensing Sub-Committee. During the hearing no new matters may be raised without the express consent of the Chair of the Licensing Sub-Committee.

11. HEARINGS TO BE OPEN TO THE PUBLIC

- 11.1 The hearing will take place in public. However, the Licensing Sub-Committee may exclude the public (including a Party and any person assisting or representing a Party) from all or part of a hearing where it considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing, taking place in public.

- 11.2 The Chair may exclude from the hearing any person who is behaving in a disruptive manner. This may include a Party who is seeking to be heard at the hearing. In the case where a Party is to be excluded, the Party may submit to the Licensing Sub-Committee in writing any information which they would have been entitled to give orally had they not been excluded from the hearing.
- 11.3 The Licensing Sub-Committee may retire into private session during or at the end of the hearing to deliberate on any matter or decide how it wishes to determine the application. The Licensing Sub-Committee may be accompanied by the Clerk and the Legal Advisor who will be available to assist the Licensing Sub-Committee with any legal problems but will not participate in any decision making of the Licensing Sub-Committee.

12. DETERMINATION OF APPLICATIONS

- 12.1 Normally the Licensing Sub-Committee shall make its determination at the conclusion of the hearing and in all cases the Licensing Sub-Committee shall make its determination in accordance with the timescales laid down by the Regulations.
- 12.2 Where all Parties have notified the Authority that a hearing is not required and the Authority agrees that a hearing is not required, the application shall be determined in accordance with the timescales set out in the Regulations.
- 12.3 The Licensing Sub-Committee shall give reasons for its decision and these shall be recorded in the minutes of the meeting.
- 12.4 The Authority shall notify Parties of its determination, and provide any accompanying information in accordance with the Regulations. The Chief Officer of Police shall also be notified even in a case where the Police have not made a representation.

13.1 RECORD OF PROCEEDINGS

- 13.1 The Authority shall keep a record of the hearing in a permanent and intelligible form for 6 years from the date of the determination or, where an appeal is brought against the determination of the Authority, from the disposal of the appeal.

14. CODE OF CONDUCT AND PRINCIPLES OF DECISION-MAKING

- 14.1 Members shall at all times comply with the provisions of the Members' Code of Conduct.
- 14.2 In making their determinations under the Act, Members shall have regard to:
- the material relevant facts in light of the evidence presented;
 - the relevant statutory provisions;
 - relevant national guidance and the policy statement;
 - the licensing objectives; and

- the individual merits of the case.

14.3 Applications shall be determined on the basis of whether they promote the licensing objectives in the Act, namely:

- the prevention of crime and disorder;
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

14.4 The Licensing Sub-Committee shall disregard any information or evidence given which is not relevant to the application, representations or notice; or to the promotion of the licensing objectives.

14.5 Decisions must not be influenced by any political party direction whether given at a previous party group meeting or otherwise.

14.6 Members of the Licensing Committee or its Sub-Committee(s) must act without bias or predetermination, must have no disclosable pecuniary interest (DPI) in any application before them, and must keep an open mind on all applications until they have considered all of the evidence and arguments presented. They shall not take or express any view on the merits of an application, nor organise support for or opposition to any application in advance of a hearing. Any Member who does so shall not be eligible to serve on the Licensing Sub-Committee [meeting] that hears the application.

15. MEMBERS' INTERESTS: GENERAL

15.1 Members must at all times comply with the Members' Code of Conduct in relation to the disclosure of disclosable pecuniary interests, participation in relation to disclosed interests and registration of disclosable pecuniary interests and other interests and of gifts and hospitality.

16. MEMBERS' INTERESTS: MEMBERS OF THE LICENSING COMMITTEE

16.1 A Member of the Licensing Committee who has been involved in a licence application shall not serve on the Licensing Sub-Committee hearing at which the licence application is to be determined.

16.2 No Member sitting on the Licensing Sub-Committee can represent one of the interested Parties or applicant. If a Member wishes to do so s/he must excuse him/herself from membership of the Licensing Sub-Committee which is considering the application and address the Licensing Sub-Committee as a representative for an Interested Party (subject to 17.2 below).

16.3 Members involved in Council meetings which approved the Licensing Policy (or any amendment to it), will not be excluded from membership of the Licensing Sub-Committee solely on this basis.

17. MEMBERS' INTERESTS: WARD MEMBERS AND OTHER MEMBERS

- 17.1 Under the Members' Code of Conduct a Member who has a disclosable pecuniary interest must, if the interest is not one which is already on the register of interests or subject to a pending notification to the Monitoring Officer, disclose the existence of that interest to the meeting and thereafter notify the Monitoring Officer of that interest within 28 days of this disclosure.
- 17.2 Where a Member has a disclosable pecuniary interest in relation to the application under consideration they may not sit on that sub-committee.
- 17.3 Any Member with a disclosable pecuniary interest is also precluded from making representations orally to the Sub-Committee or from making representations on behalf of a party to the hearing. They can still present their views through other means. For example, the Member can:
- make written representations in their private capacity. The existence and nature of the interest should be disclosed in such representations and the Member should not seek preferential consideration for their representations. Such written representations should be addressed to officers rather than other Members of the Authority;
 - use a professional representative to make an application on the Members behalf; or
 - arrange for another Member of the Authority to represent the views of the Member's constituents on matters in which their ward Member has a disclosable pecuniary interest.
- 17.4 The Member who has a disclosable pecuniary interest but has been asked to represent the views of a party making representations should advise them about that interest and inform them that another Member may represent their views on the issue. When representing those views the other Member should make it clear to the relevant committee or officers that he or she is acting in place of the original Member because of that Member's disclosable pecuniary interest.

18. LOBBYING

- 18.1 If a Member of the Licensing Committee is approached by a person(s) wishing to lobby him/her on a licence application then that Member should explain that they cannot discuss the matter and refer the lobby person(s) to the Licensing Officer or his/her Ward Member who can explain the process of decision making. Any written representations received by a Member of the Licensing Committee should be passed to the Licensing Officer and reported at the hearing at which the application is being determined. Requests for procedural advice with regards to licensing applications should be referred to Council Officers for advice and information.
- 18.2 Other Members must not lobby Members who sit on the Licensing Sub-Committee, directly or indirectly, before or after a meeting, in writing or otherwise, in respect of items to be decided by the Licensing Sub-Committee. Any representation by other Members, on behalf of an Other Person(s), should be sent to the relevant Licensing Officer for inclusion in his/her report. A

Member shall not attempt to use her/his status as a Member to influence consideration of a submission, or try to get officers to change a decision or recommendation.

19.1 The Licensing Sub-Committee may undertake a site visit to the premises which are the subject of an application. If required, the site visit may occur prior to the hearing or the Licensing Sub-Committee may adjourn the hearing part way through to undertake a site visit. The Chair of the Licensing Sub-Committee shall give reasons justifying the need for a site visit and these shall be notified to the Parties.

19.2 If a site visit is necessary the following procedure should be observed:

- the visit should be undertaken as a group visit attended by all the Licensing Sub-Committee Members and its purpose should be confined to that indicated by the Chair;

- no indication of the likely outcome of the application should be given on the visit;
- no representation from the applicant or from those making representations shall be heard or accepted on the visit; and
- a record should be kept of those attending the visit, the questions asked, and answers given.

20. APPLICATIONS SUBMITTED BY THE LOCAL AUTHORITY OR BY ANOTHER PUBLIC AUTHORITY

20.1 Where the Authority is the applicant for a licence, that application shall be determined in accordance with the normal procedure. The Licensing Sub-Committee shall give no regard to the interests of the Council itself, aside from receiving relevant representations on this issue. Members who were part of the Authority's decision to apply for the licence, or who express a view in respect of such an application, shall not serve on the Licensing Sub-Committee to determine the application.

20.2 A Member who also serves on another local authority, or carries out a function for another public authority, or is appointed by Croydon Council as its representative on another body, shall not serve on the Licensing Sub-Committee to determine an application which has been made by that other authority or body, or on which that other authority or body has made a representation.

21. VARIATION/AMENDMENT OF THIS PROTOCOL

21.1 The Licensing Sub-Committee may waive, vary or modify any part of this protocol in relation to a particular case if it considers that this is necessary to ensure fairness to the Parties and/or proper consideration of the application in

The Council Solicitor, after consultation with the Chair and the Licensing Officer, shall determine how many applications shall be heard at each meeting of the relevant committee and in what order, taking into account all relevant factors including the number of parties who are present for each item.

5.4 Hearings shall be arranged to commence as soon as is reasonably practicable after the expiry of any period for representations. If the hearing is to be held on more than one day it must be arranged to take place on consecutive working days.

- a copy of this Protocol;
- confirmation that a Party may be assisted or represented by a person whether or not that person is legally qualified;
- confirmation that a Party to the hearing may address the Authority, give further information on a point on which the Authority requires clarification and, if considered by the relevant committee to be required, question another Party to the hearing;
- the consequences of not attending or being represented at a hearing (which normally will be that the hearing will proceed in the Party's absence); and
- a note of any particular points on which the Authority wants clarification.

6.2 In order to consider whether there are any issues of clarification to be requested from Applicants or those making representations, Members of the relevant committee may meet with the Clerk and/or Legal Adviser in advance of the hearing. No decisions will be made or discussions held regarding the substantive merits of the application or submissions at this meeting.

6.3 Subject to any restrictions in the Regulations, a Party may attend the hearing and may be assisted or represented by any person whether or not that person is legally qualified.

- 6.4 All Parties upon whom a notice of hearing has been served are required to give to the Authority, in accordance with the timescales set out in the regulations, notice of:

Where the Authority has exercised its discretion to extend a time limit or adjourn a hearing, it must forthwith give notice to the Parties, stating the period of the extension and the reasons why it considers it is necessary in the public interest, or the date, time and place to which the hearing has been adjourned, as appropriate.

Where the hearing is held in the absence of a Party, the relevant committee will still consider the application, representation or notice submitted by that Party.

8. OFFICERS TO ATTEND THE HEARING

- 8.1 The hearing will be attended by a Legal Officer, a Democratic Services Officer who shall act as the clerk, and a Licensing Officer. The officers are present to

provide advice and are not Parties to the hearing.

8.2 The role of the Legal Officer is to provide legal advice relating to the application and submissions. Any legal advice that may be given to the relevant committee in private shall be repeated when the relevant committee returns in open session.

10. REPRESENTATIONS

10.1 An Interested Party or Responsible Authority may make written representations about an application for a premises licence within a period of 28 days beginning on the date on which the application was made to the Authority. A copy of all relevant representations will be provided, in full, to the Applicant. The papers for the relevant committee hearing will be available to the press and public. Correspondence submitted anonymously will not be considered.

10.2 Relevant committee members will not enter into correspondence or discussion with Applicants, their agents or representatives, other Interested Parties or Responsible Authorities about the merits of the application(s) they may be called upon to decide.

10.3 Where an application is to be decided at a hearing by the relevant committee, Applicants and those who have made relevant written representations in connection with the application will be invited to attend.

- 10.4 Representations or requests for review will only be relevant if they relate to one or more of the three licensing objectives:
- Preventing gambling from being a source of crime or disorder, being associated with crime or disorder or being used to support crime;

11. HEARINGS TO BE OPEN TO THE PUBLIC

- 11.1 The hearing will take place in public. However, the relevant committee may decide that all or part of the hearing will be in private if it is necessary in all the circumstances of the case having regards to:

 - the need to protect as far as possible, the commercial or other legitimate interests of a Party.
- 11.2 The relevant committee may require any person attending the hearing who in their opinion is behaving in a disruptive manner, or in breach of conditions specified under this paragraph, to leave the hearing and:

- refuse to permit him to return; or
- permit him to return only on such conditions as the relevant committee may specify.

The relevant committee may allow a person who is attending the hearing and in their opinion is behaving in a disruptive manner, or in breach of conditions specified under paragraph (11.2), to remain at the hearing only on such conditions as the committee may specify.

Where a person is required to leave the hearing in accordance with paragraph (11.2), the relevant committee must:

- permit him to submit in writing, before the end of the hearing, any information which he would have been entitled to give orally had he not been required to leave; and
- take into account that information in reaching a determination of the application or review.

11.3 The relevant committee may retire into private session during or at the end of the hearing to deliberate on any matter or decide how it wishes to determine the application. The relevant committee may be accompanied by the Clerk and the Legal Adviser who will be available to assist the relevant committee with any legal problems but will not participate in any decision making of the relevant committee.

12. DETERMINATION OF APPLICATIONS

12.1 Normally the relevant committee shall make its determination at the conclusion of the hearing and in all cases the relevant committee shall make its determination before the end of five working days starting with the day after the last day of the hearing. That time limit may be extended if it is considered to be in the public interest, in which case, as soon as is reasonably practicable, the relevant committee must give notice of the extension to the Parties stating the period of the extension and the reasons for it.

12.2 Where all Parties have notified the Authority that a hearing is not required and the Authority agrees that a hearing is not required, the application shall be determined as soon as is reasonably practicable.

12.3 The relevant committee shall give reasons for its decision and these shall be recorded in the minutes of the meeting.

12.4 The Authority shall notify Parties of its determination, and provide any accompanying information in accordance with the Regulations. The Chief Officer of Police shall also be notified even in a case where the Police have not made a representation.

13.1 RECORD OF PROCEEDINGS

13.1 The Authority shall keep a record of the hearing in a permanent and intelligible

form for 6 years from the date of the determination or, where an appeal is brought against the determination of the authority, from the disposal of the appeal.

14. CODE OF CONDUCT AND PRINCIPLES OF DECISION-MAKING

14.1 Members shall at all times comply with the provisions of the Members' Code of Conduct.

14.2 In making their determinations under the Act, Members shall have regard to:

- the material relevant facts in light of the evidence presented;
- the relevant statutory provisions;
- relevant national guidance and the policy statement;
- the licensing objectives; and
- the individual merits of the case.

14.3 Applications shall be determined on the basis of whether they promote the licensing objectives in the Act, namely:

- Preventing gambling from being a source of crime or disorder, being associated with crime or disorder or being used to support crime;
- Ensuring that gambling is conducted in a fair and open way; and
- Protecting children and other vulnerable persons from being harmed or exploited by gambling.

14.4 The relevant committee shall disregard any information or evidence given which is not relevant to the application, representations or notice; or to the promotion of the licensing objectives.

14.5 Decisions must not be influenced by any political party direction whether given at a previous party group meeting or otherwise.

14.6 Members of the Licensing Committee or its Sub-Committee(s) must act without bias or predetermination, must have no disclosable pecuniary interest in any application before them, and must keep an open mind on all applications until they have considered all of the evidence and arguments presented. The Chair of the relevant committee shall give reasons justifying the need for a site visit and these shall be notified to the Parties.

21. VARIATION/AMENDMENT OF THIS PROTOCOL

- 21.1 The relevant committee may waive, vary or modify any part of this protocol in relation to a particular case if it considers that this is necessary to ensure fairness to the Parties and/or proper consideration of the application in question, provided always that this does not result in any contravention of the Regulations.
- 21.2 This protocol may be amended by the Licensing Committee.
- 21.3 Where amendments to this Protocol are necessary due to legislative changes, the Council Solicitor may make such consequential changes to this Protocol as are necessary to take such changes into account.

APPENDIX C

PARENTAL AND SICKNESS LEAVE ARRANGEMENTS

Introduction

This Appendix sets out Members' entitlement to maternity, paternity, shared parental adoption leave and sickness leave and relevant allowances.

The objective is to ensure that insofar as possible Members are able to take appropriate leave at the time of birth or adoption that both parents are able to take leave, and that reasonable and adequate arrangements are in place to provide cover for portfolio-holders and others in receipt of Special Responsibility Allowances (SRA) during any period of leave taken.

Improved provision for new parents will contribute towards increasing the diversity of experience, age and background of local authority Members. It will also assist with retaining experienced Members – particularly women – and making public office more accessible to individuals who might otherwise feel excluded from it.

There is at present no legal right to parental leave of any kind for elected Members. This applies to MPs as well as Members and these arrangements can therefore only currently be implemented on a voluntary basis by individual Councils.

1. Leave Periods

Maternity

1.1 Members giving birth are entitled to up to 6 months maternity leave from the due date, with the option to extend up to 52 weeks by agreement if required.

1.2 In addition, where the birth is premature, the Member is entitled to take leave during the period between the date of the birth and the due date in addition to the 6 months' period. In such cases any leave taken to cover prematurity of 28 days or less shall be deducted from any extension beyond the initial 6 months.

1.3 In exceptional circumstances, and only in cases of prematurity of 29 days or more, additional leave may be taken by agreement, and such exceptional leave shall not be deducted from the total 52 week entitlement.

Paternity

1.4 Members shall be entitled to take 2 weeks paternity leave if they are the biological father or nominated carer of their partner/spouse following the birth of their child(ren). The Member may take one week at a time or two consecutive weeks of paternity leave, but not single days or less than a week's duration. Paternity leave must be taken within two months of the birth or adoption.

Shared parental leave

1.5 A Member is entitled to Shared Parental Leave if they have (or share with the other parent) the main responsibility for the care of the child and are either the

Mother, Father, Main Adopter or Other Adopter of the child, or the spouse, civil partner or partner of the Mother/Main Adopter.

A Member may share up to 50 weeks leave if the Mother/Main Adopter curtails their maternity/adoption leave before using their full entitlement of 52 weeks. The number of weeks available as Shared Parental Leave will be reduced by the number of weeks maternity or adoption leave that has already been taken by the Mother or Main Adopter.

Shared Parental Leave can be taken as one continuous block or in multiples of complete weeks, but must end no later than one year after the birth/placement of the child.

1.6 Where both parents are Members leave may be shared up to a maximum of 24 weeks for the first six months and 26 weeks for any leave agreed thereafter, up to a maximum of 50 weeks. Special and exceptional arrangements may be made in cases of prematurity.

Adoption

1.7 A Member who adopts a child through an approved adoption agency shall be entitled to take up to six months adoption leave from the date of placement, with the option to extend up to 52 weeks by agreement if required.

Sickness

A Member who is sick will continue to receive the basic allowance as long as they remain a councillor and comply with the attendance requirements regarding council meetings under section 85 of the Local Government Act 1972. They will also continue to receive any SRA for a period of up to six months during any 12 month period subject to review and a possible extension by six months.

General

1.8 Any Member who takes maternity, shared parental, adoption or sickness leave retains their legal duty under the Local Government Act 1972 to attend a meeting of the Council within a six month period unless the Council Meeting agrees to an extended leave of absence prior to the expiration of that six month period.

1.9 Any Member intending to take maternity, paternity, shared parental, adoption or sickness leave will be responsible for ensuring that they comply with the relevant notice requirements of the Council as set out in paragraph 4 below, both in terms of the point at which the leave starts and the point at which they return.

1.10 Any member taking leave should ensure that they respond to reasonable requests for information as promptly as possible, and that they keep officers and colleagues informed and updated in relation to intended dates of return and requests for extension of leave.

2 Basic Allowance

2.1 All Members shall continue to receive their Basic Allowance in full whilst on maternity, paternity, adoption or sickness leave as long as they remain a Member (subject to the six month councillor attendance at meetings requirement in section 85 of the Local Government Act 1972.

3.2 Where a temporary replacement is appointed to cover the period of absence that person shall also receive an SRA on a pro rata basis for the period of the temporary appointment.

3.3 The payment of Special Responsibility Allowances, whether to the primary SRA holder or a temporary replacement, during a period of maternity, paternity, shared parental, adoption or sickness leave shall continue for a period of six months subject to a possible extension for a further six month period or until the Member or temporary replacement ceases to be appointed to a position entitling an SRA or is up for election whichever is the sooner.

- Bring together in one document the various provisions in place for co-option across the Committees and statutory Boards of the Council. Outline the role and expected contribution of co-opted Members
 - Clarify the induction to be provided to co-opted Members and the support and training to be made available
- 1.3 Co-opted Members can provide committees with outside knowledge, experience and skills that can inform the work of the Committee and supplement the role of councillors.
- 2. Co-opted Members on Scrutiny and Overview Sub-Committees required by Statute**
- 2.1 The Parent Governor representatives and the arch/diocesan representatives on the Scrutiny Sub-Committees exercising education function are required by law (*The School Standards and Framework Act 1998 for Parent Governors and the Education Act 1996 for Diocesan representatives*). The legislation explains that these co-opted Members will have full speaking and voting rights for any decisions relating to education and school matters. Parent Governor representatives are elected by the Borough's parent governors, but once co-opted their role is to be an apolitical voice for *all* parents in the area. The Church of England and Roman Catholic representatives are nominated by the Bishop and Archbishop of Southwark respectively. Voting Co-opted Members on Scrutiny and Overview have the same rights of access to information as councillors, and are required to comply with the same code of conduct.
- 2.2 The Co-opted voting members are subject to the Members' Code of Conduct, Part 5I of the Constitution.
- 3. Co-opted Members on Scrutiny and Overview Sub-Committees appointed at the Committee's discretion**
- 3.1 Currently in Croydon there are two non-statutory co-opted Members: a teacher representative and the Healthwatch (Croydon) representative. These "non-

statutory” co-opted Members do not have voting rights and are co-opted at the discretion of the Scrutiny & Overview Committee, which can also rescind the appointment if it feels it is necessary.

- 3.2 The Scrutiny and Overview Committee has the power to appoint these additional co-opted Members if it is judged that they will be beneficial to the committee as it carries out its work. Before recommending any additional co-opted Members to full Council for appointment, the committee, , should demonstrate that it has considered the composition of the local community to ensure it is as representative as possible. An over-representation of any particular specialist area should also be avoided and the elected Members of the committee should always have a majority over co-opted Members.
- 3.3 These co-opted Members will usually (but not exclusively) be representatives of specific organisations relevant to the work of the committee. The recommending committee should invite the organisation to make an appropriate nomination, although a vacancy can be advertised more widely if the committee agrees it would be beneficial. Anyone who lives, works (including voluntary work) and/or studies in Croydon is eligible to be a co-opted Member, except if they are a Croydon Council Member or Croydon Council Officer. In approving an appointment, the committee will be mindful of the potential for any ongoing prejudicial interests between, for example, the co-opted Member’s paid employment and the work of the committee and there are declaration requirements placed on any such appointees.
- 3.4 These co-optees are subject to the Code of Conduct for Non-Voting Co-optees, Appendix A hereto.

4. Appointments Committee Co-opted Members

- 4.1 The independent voting Co-optees on the Appointments Committee are appointed to consider specified disciplinary matters.
- 4.2 Where the Appointments Committee is giving consideration to dismissal of the Head of Paid Service, the Chief Finance Officer or the Monitoring Officer, the Appointments Committee shall include at least two voting co-opted Independent Persons.
- 4.3 These co-optees are subject to the Members’ Code of Conduct, Part 5I of the Constitution.

5. Ethics Committee Co-opted Members

- 5.1 The Independent non-voting Co-optees are required to be appointed by statute and are invited to attend all meetings of the Ethics Committee and their views are sought and taken into consideration before the Ethics Committee takes any decision on whether the Member’s conduct constitutes a failure to comply with the Code of Conduct and as to any action to be taken following a finding of failure to comply with the Code of Conduct.
- 5.2 These Co-opted members on the Ethics Committee are subject to the Code of Conduct for Non-Voting Co-optees, Appendix A hereto.

6. General Purposes and Audit Committee Co-opted Members

- 6.1 The General Purposes and Audit Committee appoints two independent non-voting co-opted committee members who are permitted to be involved in respect of the Audit Functions of the committee only.
- 6.2 The Co-optees are subject to the Code of Conduct for Non-Voting Co-optees, Appendix A hereto.

7. Health and Wellbeing Board Members

- 7.1 Both voting and non-voting members of the Board are subject to the Members Code of Conduct, Part 5I to the Constitution.

8. Pensions Board Members

- 8.1 The Pension Board, with an independent non-voting Chair, is formed of three voting employer representatives and three voting representatives of the Pension Fund. The Board secures the effective and efficient governance and administration of the Croydon Council Pension Fund.

- 9.1 The Pensions committee includes 1 Staff Side non-voting co-opted member and 2 Pensioner Side co-opted Members (1 of whom is a voting co-opted member and one of whom is a non-voting co-opted member).
- 9.2 Staff side and Pensioners' side members are appointed on an annual basis following consultation with the Staff side and Pensioners of the Pension Fund.
- 9.3 Two representatives of Pensioners of the Fund are elected by ballot of Pensioners of the Fund, one of whom shall be a voting member and one of whom shall be a non-voting member. The representative with the most votes following the ballot of Pensioners of the Fund shall be the voting member. The other representative of the Pensioners of the Fund shall be non-voting however is permitted to exercise a vote only in the absence of, and on behalf of, the voting representative. The ballot is normally undertaken every 3-4 years.
- 9.4 The voting co-opted Member is subject to the Members' Code of Conduct, Part 5I of the Constitution.
- 9.5 The non-voting co-opted Members are subject to the Code of Conduct for Non-Voting Co-optees, Appendix A hereto.

10. Task and Finish Group Appointees

10.1 The Code of Conduct for non-voting Co-optees, Appendix 1 hereto, applies to any appointees to Task and Finish Groups.

11. Appointees to Panels/Forums

11.1 Panels and forums are not regarded as Committees of the Council, nor are appointees to such forums regarded as co-optees. As such they are not subject to the Code of Conduct requirements placed either on voting or non-voting co-optees of the Council.

12. Terms of Office

12.1 Subject to the requirements of the Committee in question, Co-opted Members will usually be invited to serve for a term of office of four years but be appointed annually at Full Council. Towards the end of a term of office, the relevant committee will consider whether any non-statutory co-opted post is still required. If it is, the committee shall advertise the vacancy by means appropriate to the nature of the vacancy, which will usually include via the Council's website.

12.2 Non-statutory co-opted Members can be disqualified during their term of office if they do not attend four consecutive meetings of the committee to which they have been co-opted without giving an apology; if they fail to adhere to the Code of Conduct which applies to them or if they are subsequently elected as a Member of Croydon Council.

12.3 Where Co-optees are appointed on the basis of representing a particular organisation or group, then their term of office will also end if they resign from or are disqualified from being a Member of that organisation or representative of that group, or if that organisation/group ceases to exist.

12.4 It is the responsibility of the co-opted Member to inform the Council if a circumstance arises that they believe disqualifies them from continuing in their term of office.

12.5 Co-opted Members can also resign during their term of office if they feel that they can no longer fulfil the requirements of the role.

12.6 Non-statutory co-opted Members can also be appointed for a shorter period, for example, to be involved with a specific piece of work.

13. Powers and responsibilities

13.1 Co-opted Members will:

- Be required to comply with the Members' Code of Conduct or Code of Conduct for non-voting Co-optees and register and declare/ register and notify interests as required by the respective Codes.
- Be expected to agree, in writing, to abide by the Code which is applicable to them for their role

15. Why co-opt

Co-option is a way of ensuring that under represented voices are represented on Council committees. The Equality Act 2011 (section 149 places a public sector equality duty (section 146) on the council. The duty requires the Council to have due regard to *the need to advance equality of opportunity* between persons who share a relevant protected characteristic and persons who do not share it;

Having “due regard” to the need to advance equality of opportunity involves having due regard, in particular, to the need to *encourage persons* who share a relevant protected characteristic *to participate in public life* or in any other activity in which

As amended Jan 2020

participation by such persons is disproportionately low.

LEADER'S SCHEME OF DELEGATION

COUNCILLOR TONY NEWMAN
LEADER OF CROYDON COUNCIL
June 2018

Contact:
Stephen Rowan
Head of Democratic Services and Scrutiny
Ext. 62529

Please note the Leader's Scheme of Delegation is included in the Constitution for information only. The Leader is responsible for all executive arrangements.

Scheme of Delegation

Introduction

The Leader is responsible for all executive arrangements and is required to maintain a scheme under Part 3 of this Constitution setting out who has responsibility for particular Executive functions; this may include

- The Leader;
- The Leader in consultation with an individual Cabinet Member or;
- The Leader and Cabinet collectively (Cabinet);
- The Chief Executive (or Executive Directors)
- Joint arrangements or
- Another local authority.

The scheme of officer delegation (except financial delegation) is maintained by the Monitoring Officer and is available for inspection.

Any in-year changes shall be reported to the Monitoring Officer and to the next available Ordinary meeting of the Council.

For the avoidance of doubt this delegation applies to all matters whether before or after the date herein.

For the further avoidance of doubt the Leader hereby declares that any exercise of a power by the Chief Executive or an Officer authorised by him and which, if expressly provided for by this scheme of delegation could have been lawfully exercised by an officer under powers delegated to the Chief Executive by the Leader or a committee shall be deemed to be authorised by this scheme notwithstanding that such express provision may not have been made in it; PROVIDED THAT, where an officer relies on this paragraph, the Monitoring Officer shall be informed in writing by the officer of this action.

- 1. Interpretation:** The Leader's Scheme of Delegation aims to be as comprehensive as possible but cannot be exhaustive. It needs to be flexible to deal with changing circumstances. Therefore the Scheme applies to all major corporate and service policies, strategies and initiatives whether referred to by name or not. Officers will apply the principles of the scheme when determining where and how in the structure decisions will be made. As a general rule therefore, strategic matters will be determined by the Leader in consultation with Cabinet, and operational service matters by the Chief Executive (through the relevant Executive Director) in consultation with the Leader and or relevant Cabinet Member. Where there is doubt, the Leader will be asked to decide. This scheme should be read in conjunction with the Officer Scheme of Delegations. For the avoidance of doubt, management of staff is not covered as staffing is a non-executive matter.

2. **Variations:** The Leader may make ad-hoc one off variations on particular matters. Any variation affecting the generality of any delegation set out in this scheme shall be made in writing. Such written notice to be provided to the Monitoring Officer. The variation shall be effective from the date the written notice is received by the Monitoring Officer.
3. **Plans and Strategies:** All references to Plans and Strategies mean initial approvals to them, and subsequent amendments where the impact of the amendment is significant. (If the amendment is required by law or as a result of litigation to give effect to day to day practical issues required to ensure implementation officers shall implement the change required but shall consult with the Leader and lead Members before doing so). Where the plan or strategy is a joint matter with other bodies the recommendations shall only be in respect of those matters affecting the Council.
4. **Key Decisions:** Any key decision shall be published in accordance with Access to Information Procedure Rules. Whether a matter is a key decision shall be determined in accordance with the definition of key decision.
5. **Officer decisions to be referred to Leader:** Any decision which would ordinarily fall to officers to decide but which is controversial in nature shall be referred to the Leader to determine in accordance with this scheme of delegation. Such determination might include delegating the decision to Cabinet or to an individual Cabinet Member.
6. **Decision making process:** Decisions are made in accordance with Part 4D of the Constitution (Executive Procedure Rules).
