I am writing to object to the licence application for the above premises.

My reasons are:

The premises are close to residential areas and noise and anti-social behaviour will be an issue. Anti-social behaviour is already an issue in this area.

The hours requested are excessively long for premises outside the town centre and close to residential areas. There seems to be little or no detail in the application as to how the various risks will be mitigated.

Representations on behalf of the Commissioner of the Metropolitan Police.

Application - New Premises Licence

Address – Les Calices Restaurant, 89 Lower Addiscombe Road, Croydon, CR0 6PT.

Licensable Activities – Supply of alcohol, Regulated Entertainment and Late Night Refreshment.

Hours requested for all three licensable activities are - Monday to Sunday 1100 hours to 0400 hours, with additional seasonal occasions 0600 hours.

Applicant – Fouleymata SEAKA.

The Metropolitan Police request that this application is refused.

I object to this application under the following Licensing Objectives:-

- The Prevention of Crime and Disorder
- Public Safety
- The Prevention of Public Nuisance
- The Protection of Children from Harm

This application was received by the Metropolitan Police on the 6th of November 2018.

I believe that this application does not promote the Licensing Objectives in the Licensing Act 2003.

I have tried to contact the applicant to discuss this application. I have tried via telephone and E-Mail using all details on the application. No contact has been forthcoming.

The Prevention of Crime and disorder

This locality has been a focus of crime, disorder and anti-social behaviour. The local Safer Neighbourhood team officers are of the opinion that to have this new premises open so much later than those premises that are already licensed would encourage late night visitors to remain in the area later than would normally be the case. This will impact on the quality of life for local residents. The S.N.T. are taking measures to reduce crime and disorder they see this application as having the potential of reversing their hard work in this area by contributing to an increase in Crime and Disorder.

It is reasonable, based on police experience of other 'late night venues' in the vicinity to believe that another premises licence authorising a night club type venue and one that allows even later hours than the existing venues will compromise the Prevention of Crime and disorder

The Prevention of Public Nuisance

This locality has been anti-social behaviour and public nuisance. The local Safer Neighbourhood Team officers are of the opinion that to have this new premises open much later than those premises that are already licensed would encourage late night visitors to remain in the area later than would normally be the case, bringing an increase in visitors to the area in the early hours of the morning, with a consequent increase in car parking, disturbance in the street and rubbish. This will impact on the quality of life for local residents. The S.N.T. are taking measures to reduce public nuisance and anti-social behaviour, they see this application as having the potential of reversing their hard work in this area by contributing to an increase in Public Nuisance.

It is reasonable, based on police experience of other 'late night venues' in the vicinity to believe that another premises licence authorising a night club type venue and one that allows even later hours than the existing shops will compromise the Prevention of Public Nuisance.

It is generally accepted that late operating venues can become a focus for anti-social behaviour in the late evening and early hours of the morning if they are not operated in support of the Licensing Objectives

The Protection of Children from Harm.

Police are currently experiencing problems with a nearby venue. It has been stated that the venue is a target for youths and has been under pressure from this youths re underage alcohol sales. The section in the application does not give sufficient information to reassure me that the venue will support the protection of children.

The Prevention of Public Nuisance.

The location is residential. Premises on the opposite side of the road are residential and above the majority of high street businesses are flats. I believe that to allow this venue to operate until 4 AM and 6 AM would cause severe problems in the surrounding area.

General observations

The Operating schedule discusses a number of matters in section 18, boxes a) to e). Insufficient details are contained within all sections which allow the applicant to demonstrate how the premises will be managed. The steps noted here are frequently just aspirations and there is little detail about how they will, in fact, be implemented. It is difficult to see how this information could be converted into meaningful, clear, enforceable conditions for the premises licence, in support of the Licensing Objectives. Discussions with the applicant and key staff would assist greatly this has not been possible as above.

Only the ground floor and basement are marked as licensed areas 2 other floors could be used for other activities it would be useful to speak about the use of all 4 floors at the premises.

There is also no mention of the use of Security trained Staff or whether the CCTV system meets the Police requirements and or Home Office requirements.

The applicant has not taken heed of the Croydon Council Statement of Licensing Policy in guidance and advice. This application is well outside the suggested operating hours and the applicant has not given any good reasons to support the application for extensions beyond these hours, although the Council will treat each case on its individual merits, generally it will not grant permission for licensable activities beyond 2330 hours on Sundays to Thursdays and Midnight on Fridays and Saturdays in respect of public.

Also contained within the policy is a recommendation that the applicant seeks advice from police this has not been done re this application.

I recommend that the Licensing sub Committee refuse this application. This is the preferred option of the Metropolitan Police. Should the applicant wish to resubmit a more reasonable application police would be happy to discuss this prior to submission as recommended by Croydon Council and the police. It would be possible in discussion with the applicant to find out what sort of premises the applicant is intending to operate. Conditions could then be tailored to support the licensing objectives. Without more information I would not be happy to assist the applicant and propose any conditions at this time.

Further representations on behalf of the Commissioner of the Metropolitan Police.

Application - New Premises Licence

Address – Les Calices Restaurant, 89 Lower Addiscombe Road, Croydon, CR0 6PT.

Licensable Activities – Supply of Alcohol, Regulated Entertainment and Late Night Refreshment.

Since submission of my original representations I attended the premises with PC Garrod on 06th December 2018 at 2-PM. And met with the applicant. The following are my observations.

The Restaurant on the ground floor has minimal seating. No menus were seen at the premises and no advertising relating to food sales was displayed in the windows etc.

The basement area has no table seating and has fixed bench seats around the perimeter of the area. DJ equipment (Large speakers and a mixer desk) was also found in the basement. Some photographs were taken and have been attached. I suspect that the venue is being used for vertical drinking, regulated entertainment and the provision of Late Night Refreshment is secondary to this if at all. The applicant made mention of "finger food" sometimes being supplied to customers drinking in the basement.

The CCTV system was very poor and the applicant was not able to determine which room's images related to from the monitor.

Staff had not been trained in relation to The Licensing Act 2003 I would expect as a minimum standard training re Underage sales, conflict management and drunkenness.

No posters were displayed relating to any age challenge system being used. Or a record of refused sales at the premises.

It has now transpired that the Premises Licence held by the previous operator could not be transferred and is not valid as the company had been dissolved. All licensable activities carried have been unauthorized since this time.

I have advised the applicant that all Licensable activities must stop at the time of my visit and in a subsequent phone call.

A3

The Police would not be happy with the premises operating as it has been or as the application submitted, but would be more agreeable to a genuine restaurant application. I will need to be satisfied that a food led business will operate at the premises. With no Regulated entertainment or late night sale of alcohol.

I am aware that the applicant has made major changes to the hours in the original application after speaking to an officer from Croydon Councils noise pollution team.
