**Decision Title: Objections to Emission-Based Parking Charges and Diesel
Surcharges for Permits**

**Key Executive Decision Reference No. 0319PL: made by the Executive Director
Place, on 15th August 2019.**

Reasons for referral:

- i) The decision is outside of the Policy Framework
- ii) The decision is inconsistent with the budget
- iii) The decision is inconsistent with another Council Policy
- iv) Other: Please specify:

The decision is contrary to the Council's responsibility to comply with Section 149 of the Equalities Act.

The decision disproportionality impacts on vulnerable residents and those least able to fund a newer car.

The outcome desired:

To rethink the permit charging structure.

Information required to assist the Scrutiny and Overview Committee to consider the referral:

The decision is contrary to the Council's responsibility to comply with Section 149 of the Equality Act 2010. There would be an undue impact on residents holding some of the included protected characteristics.

Additionally, the proposed increase in charges would discriminate against vulnerable residents and those least able to fund a newer car, especially with such short notice of the change in charging structure.
