Please note, these forecasts have been created based on the current housing target of 1645 homes a year, as published in Croydon's Local Plan 2018.

The Local Plan is currently under review to take account of the emerging New London Plan. The proposed housing target allocated to Croydon is 2949 new homes a year between 2019 - 2029. On adoption of the London Plan in early 2020 we would expect to see an increase in pupil forecasts.

School roll projections are produced in partnership with the Greater London Authority (GLA) on an annual basis and will next be reviewed in July 2020.
