

PLANNING SUB-COMMITTEE
4th November 2021

- ADDENDUM TO AGENDA -

Item 5.1 – Riddlesdown Car Park, Riddlesdown Road, Purley, CR8 1DF

Since the publication of the report one additional representation has been received; the only point raised that was not already captured within the original report is:

- No one is using the car park anymore

OFFICER COMMENT: this is not a material planning consideration. The planning use of this parcel of land is a car park; whether it is free or charged for does not alter the lawful planning use of the land.
