It will take time to embed practice improvements alongside the transformation of the SPOC, we aim to be meeting our target by September 2022 if the demand profile remains the same as the past six – twelve months.
CYPE 02	Percentage of C&F assessments completed within 45 working days	Bigger is better	Monthly	Financial year to May 22	85%	78%	↓	Amber	Financial year to Apr 22	79%	2020/21	92%	89%	88%	Practice improvement work continues in the re-designed Family Assessment Service where the majority of assessments are undertaken. The proportion of assessments taking longer than 45 days to complete has been impacted by locum staff leaving at short notice. Permanent recruitment is in train with 9 permanent staff joining in August and September. The changes to systems and practice will lead to overall improvement by September end month reporting. Managers continue to review all delayed assessments to ensure that services are in place where families require them.
