Work on this project continues and members are being contacted once the calculations have been completed. The remainder relate to leavers where we are awaiting transfer details from other LGPS funds before the deferred benefits can be processed or those that have left the scheme post 31 March 2022 and we await leaver information from employers. Oct-21	Administration	Failure to publish Committee and Board meeting Minutes	Without minutes any decisions made are not recorded and so have no legal basis. Any actions taken as a result of those decisions have no legal authority. There is no public access to decisions taken, preventing openness and challenge.	The matter was discussed at the meeting on 14 September 2021. Democratic Services have been experiencing resourcing issues and backlogs of all Council Committee meeting minutes have arisen. The team are now fully resourced and will be trying to catch up on the backlog and produce future minutes in a more timely fashion moving forward. Members requested that officers look into sourcing external minuting provision in respect of Pension Meetings to safeguard Fund business.	Officers have designated the breach as amber in line with TPR guidance. Whilst there is an impact on the administration of the Fund, action has been taken to resolve the issue. The Monitoring Officer has advised that the matter should be reported to the TPR which has been done by the Chairs of the Board and Committee.	Green	Democratic Services are now adequately resourced and are producing the minutes themselves. All outstanding Committee and Board minutes have now been approved and published.		Feedback has been received following referral of the matter to the TPR. They expect processes to be put into place to produce minutes in a timely manner and for them to be reviewed and approved promptly. These matters have been addressed. There is a named clerk who produces and circulates draft minutes shortly after each meeting. These are then entered onto the agenda for the next meeting. The Governance Team have created a log to record when each set of minutes has been approved.

Sep-21	Finance	Failure of the Fund to publish audited Fund Accounts for year 2019/20 by 30 September 2020.	Lack of accurate data available on which to base funding requirements. This could result in insufficient funds to pay all benefit liabilities.	The Fund report and accounts were prepared but had not been signed off by the Auditors. The Fund accounts form part of the Council accounts. External auditors would not sign off on the Council accounts as there was an issue around the accounting treatment involving Croydon Affordable Homes LLP. However, this is being resolved and it is expected that the paperwork will be in place shortly to allow sign off to be completed. The draft Annual Report and Accounts were presented to Pension Committee on 3 December 2021.	The matter has not been reported to the Pension Regulator. Progress had initially been delayed due to the issuing of the Section 114 notice applicable to Croydon and, more widely, to the impact of the Covid 19 pandemic. Many other LGPS Funds had been unable to finalise their accounts due to the impact of the pandemic. The continued delay in signing the accounts is as a result of the issues caused with Council's accounts around the accounting treatment of Croydon Affordable Homes LLP. The failure to sign off the accounts does not relate to a failure on the part of the Fund. The audit of the accounts is substantially complete and it is expected that the paperwork will be in place shortly to allow sign off to be finalised. The draft Annual Report and Accounts have been published on the website.	Amber		The Fund Accounts form part of the Council Accounts and cannot be signed off separately. The Head of Pensions will continue to liaise with Audit on progress on signing off the Council accounts.

Sep-22	Finance	Failure to publish the audited Fund Accounts for year 20/21 by 30 September 2021	Lack of accurate data available on which to base funding requirements. This could result in insufficient funds to pay all benefit liabilities.	The report and accounts were prepared but the accounts had not been signed off by the auditors due to issues with the Council's accounts for 2019/20 around the accounting treatment of Croydon Affordable Homes LLP. The draft Annual Report and Accounts were presented to Pension Committee on 3 December 2021.	The matter has not been reported to the Regulator. Due to the passage of time, in July 2022 the Head of Pensions and Treasury reconsidered whether to report the breach, the main consideration being whether it would affect the valuation. Having consulted the Actuary and deemed that the valuation could still be signed off, it was decided that the breach still did not need reporting.	Amber		The Fund Accounts form part of the Council Accounts and cannot be signed off separately. The Head of Pensions will continue to liaise with Audit on progress on signing off the Council accounts.

Sep-22	Finance	Failure to publish the audited Fund Accounts for year 21/22 by 30 September 2022	Lack of accurate data available on which to base funding requirements. This could result in insufficient funds to pay all benefit liabilities.	The report and accounts are being prepared. The audit of the accounts cannot be started until completion of the 19/20 and 20/21 accounts. The delay is due to auditors due to issues with the Council's accounts for 2019/20 around the accounting treatment of Croydon Affordable Homes LLP.	The matter has not been reported to the Regulator. The cause of the breach was due to the failure of the Council rather than failure in the administration of the scheme. The Actuary has confirmed that the valuation can still be completed, so the scheme can still comply with its legal requirements on funding. The breach has not resulted in any detrimental effects to members benefits.	Amber		The Fund Accounts form part of the Council Accounts and cannot be signed off separately.
