

Governance Best Practice - Compliance Statement

Regulation 55 of the Local Government Pension Scheme Regulations 2013 requires an administering authority to prepare a written statement setting out the extent to which a delegation of its functions to a committee, or the absence of a delegation, complies with guidance given by the Secretary of State and, to the extent that it does not so comply, the reasons for not complying. In addition, A3 of the Scheme Advisory Board Good Governance Review recommends Local Government Pension Scheme Administering Authorities to measure their governance arrangements against any standards set out in the Statutory Guidance issued by the, then, Secretary of State for Communities and Local Government or (now) by the Secretary of State for Levelling Up, Housing and Communities. The Committee is expected to review the Governance Best Practice Compliance Statement annually and must consult such persons as it considers appropriate when preparing or revising the statement. The following compliance statement sets out where the Pension Fund is fully compliant with current guidance and, where it is not fully compliant, provides an explanation.
