

Tenant and Leaseholder Panel - Self Assessment

Please read the person specification before completing this form, as it lists all the key qualities and experience we feel you will need to participate effectively. The questions / statements in this self-assessment are arranged in a similar order to the statements in the person specification.

Please use this form to show which of the required qualities you feel you have by ticking the relevant boxes. Please be as honest as you can when filling in the form. There is a space on the second page which you can use if you wish, to tell us anything about other qualities or experience you feel you can bring to the role. Please also note that if you do not feel you have sufficient experience in a particular area but feel you might benefit from training, you can indicate this in the 'interested in training' column.

A full induction programme and further training will be provided for all successful applicants and ongoing support will be provided from the resident involvement team.
