

**13<sup>th</sup> September 2018 Planning Sub Committee  
Addendum**

**Item 5.3: 18/02925/HSE - 2 Pollards Hill East, Norbury, SW16 4UT**

A comment has been received from an objector on the scheme detailed the following issues:

- Overdevelopment - [OFFICER COMMENT: This has previously been discussed within the officers committee report]
- New 8 foot fence - [OFFICER COMMENT: The new fence on site measures up to 2.3m at one point, due to the sloping site. The applicant has been informed that a new planning application will need to be submitted to address this, or they can reduce the size to 2m. This however is not currently up for consideration as part of this application.]
- Land alterations - [OFFICER COMMENT: Land alterations may need planning permission but in this case it was noted on site that the alterations are for raised flower beds. Any new developments on site which are not part of this planning application, but that require planning permission would need to be addressed under a separate application.]
